Ford Master-Guide

the last word in

Power Steering!

Master-Guide applies hydraulic steering power autom cally . . . and in varying degrees as required . . . right the steering linkage, close to the wheels. At the same t the system serves as a hydraulic shock absorber to k road jars and jolts from your hands. As a result all do is . . . guide the car . . . Master-Guide supplies the musc

No other car near Ford's price has ever offered you so much!

Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six-the most modern in the industry with Overdrive, won the Grand Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque convertor and the gas-saving "go" of automatic gears. Fordomatic remains the most versatile automatic you can buy,

Ford's new "ride" brings you road-hugging and bump-leveling qualities never before known in low-priced cars. Front end road shock alone has been reduced up to 80% Easier-acting suspended pedals. Center-Fill Fueling and Full-Circle Visibility are just a few of the many important advancements first introduced by Ford.

And now Fard brings you the newest and finest in power steering . . . Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car . . . worth more when you buy it . . . worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the most Moster-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to keep you on a steady course. At the same time, Master-Guide absorbs the shock that might otherwise be transmitted to the steering wheel. You'll find of handling is easier with Master-Guide and that parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard see ing mechanism will operate just as usual. Thus, Master-Guide provides are ease and stability, with a natural feel and full security, wherever you may drive

An Honest Night's Sle

Slim Johnson, just back from a business trip, tells about a hotel he stayed at one night.

"I hit town late and went right to the hotel. There was no clerk at the desk, but there was a sign that said: 'Gone to bed. Rooms \$3. Take a key. Pay when you leave. Sleep Well.'

"Upstairs, the room was real clean, the bed comfortable, and I slept like a log. Came down in the morning-still no clerk. So I left three dollars at the desk and went on. Can you imagine folks that trustful?"

From where I sit, re hotel on the honor syst a real trust in people. Am always appreciate being Letting your neighbor for personal preference is al trust too - trusting is judgment. I like a to glass of beer occasion may prefer buttermilt. hope neither of us "re
