

Come On! GREYHOUNDS

Beat Munday

In The Thanksgiving GAME

Thursday, November 29

To the Football Fans of Knox City:

This is the last game of the season in Knox City and will be the most important game to Greyhounds. The Munday Moguls will put up a tough battle to win and the Greyhounds will be the same, just what we want them to do. They have played a fine game all year and need your presence and boosting in this their final game. You'll get your money's worth by seeing this game Thursday afternoon, so be on time and with a Rah! Rah!

standers and hear the bitter whine, "oh there are a few here that run everything." The drones jeer and sneer at the workers who bring in honey, but the honey is for the whole hive.

In the scholastic realm of sport, there can be only a certain number on the team. But do we hear a complaint? No! The whole institution surrounds the few who are running the show. Hundreds of eyes follow their every move with anxious sympathy, hearts beat fast, muscles strain, the very breadth of the multitude is held, and when cheers and encouragement from hundreds of throats. The grandstand never expects the team to play alone!

We all know the power projected from the sidelines to the players. That incalculable something that gives a runner his second wind, a boy the stoicism to fight, on wounded, the leader and added brilliance of mind. It is the same thing that in an audience causes a singer to out do herself and become the artist, embues an orchestra with extraordinary rhythm, transforms more actors into geniuses, and more speakers to such eloquence as influences

Knox City, Nov. 29—The Munday Moguls invade Knox City today to renew their gridiron rivalry. The Moguls will be greeted with some jarring blocks and tackles when they land. This is going to be a good battle, the Greyhounds and Moguls both are pointing to this game. The Greyhounds have the best record up to date, but that doesn't mean a thing when these two teams get together. The Greyhounds are going to be without the services of two of their players, Edward Shaver and Travis Gaither. So this is going to make it harder on them. Everyone be out and watch the Greyhounds chew the Moguls.

their whole generation. So are we all necessary to each other. Not all of us have outstanding gifts, but the gifted few must be lifted partly by our strength.

Think what power those few who "run everything" would have if we all played the game! If we were loyal to our players in work as we are in play! If we will watch with yearning hearts and straining muscles cheering them on to victory when defeat seems near. Such team work could make over the world.

MOGULS VISIT GREYHOUNDS

Coach Palmer of Munday with their Captain Joe Keithley and Robert Layne were welcomed by the student body Tuesday morning.

Mr. Palmer, who wore a red sweater and blue shirt for significance, stressed the fact that Munday had every intention of being victorious over our own Greyhounds Thursday. He also stated that even if they do lose it will be with "a pat on the back and tell the Greyhounds they are the best, and wish us luck."

Joe Keithley's proclamation of May the best team win" showed the good sportsmanship and friendly feeling of the Moguls to the Greyhounds. Bob Layne declared that they "were gonna beat us badly." We don't know so much about this, but if they do, we hope to show equally as good sportsmanship as they have.

A THOUGHT FOR THANKSGIVING

God built Him a continent of glory and filled it with treasures untold. He studded it with sweet flowing fountains and traced it with long-winding streams. He carpeted it with soft-rolling prairies and columned it with thundering mountains. He cradled it with deep shadowed forests and filled them with song.

Then he called unto a thousand peoples and summoned the bravest among them. They came from the ends of the earth, each bearing a gift and a hope. The glow of adventure was in their eyes, and in their hearts the glory of faith.

And out of the bounty of the earth and the labor of men, out of the longing of hearts and prayer of souls out of the memory of ages and the hopes of the world, God fashioned a nation a nation in love, blessed it with a purpose sublime, and called it AMERICA.

SENIOR CLASS PROJECT

Since agriculture is not taught in our school at the present time, the regular agriculture room is not used as a class room. Last week Mr. King graciously consented to allow the Senior class to adopt the room as a project and arrange it for a regular club room and meeting place for the groups who wish to meet at the school building, such as the P. T. A., the various classes, the Faculty etc.

The room was thoroughly cleaned last week and plans were made to calamine the walls, paint the space below the blackboards, put up curtains on the windows and door, and remodel some old furniture for the room.

The seniors are extremely interested in fixing up the room. They find that they need some other chairs. The Senior girls under Miss Wylie's supervision have agreed to reupholster and to paint any old chairs which they may be able to secure, if you have any old chairs which you have discarded because of their worn condition or if you have an old divan or such like please call some senior, or their sponsor Mrs. Cash, and they will gladly take the old furniture off of your hands.

The much needed room has already been put to use. Last Thursday Mrs. Cash and Miss Dutton entertained the Faculty club there and

on Friday evening the Senior class were entertained there.

GIRLS BASKETBALL TEAM TO PLAY SUNSET

The Knox City girls basket ball team are scheduled to play Sunset girls at Sunset, Tuesday night at 7:30 o'clock. With all odds against them the girls plan to win. They will carry only seven girls with them and have had only three stiff work-outs.

They have a nice gymnasium to practice in every day and we have to go to O'Brien or work out on a dirt court at school. If we do lose we plan to go down fighting.

Everyone is invited to attend all of these games. The girls like to have their home folks yelling and backing them.

CHAPEL PROGRAM

Despite the change of weather, the physical Education period is being used, rain or shine. Attractive programs composed of songs, speeches and playlets fill the time. We have discovered unknown and surprising talents from our local boys and girls. The Huntsman Brothers are one of these discoveries, and also the Heiser brothers have displayed their amazing skill at singing and playing the guitar. We have been honored with songs from grades in grammar school, and amusing readings and songs occasionally some popular song hit is sung by chosen groups of our girls. Loyd Huntsman is to claim the spot-light for these programs. He's unusual skill in singing is recognized as unequalled in our high school. Three cheers for Loyd!

We enjoy these programs immensely, and we are now asking for more of the same order. We think they're very helpful in bringing to light the surprising talents in our school.

SENIORS CELEBRATE WITH A PARTY IN THE NEW CLUB ROOM

A most enjoyable party was given to the Senior class by eight of its members Friday night, November 23, in the new club room, formerly the agricultural room. The Thanksgiving motif accompanied the party in several ways.

Games such as bunco, bridge, forty-two and dominoes held the attention of everyone until the delicious refreshments of chicken sandwiches, potato chips, pickles, hot chocolate, marshmallows, and cookies were revealed and served.

Mr. and Mrs. E. B. Shaver, Mr. and Mrs. H. E. Wall and Mrs. Otis Cash were those present besides members of the Senior Class.

HOME ECONOMIC CLUB

Our Home Ec Club recently organized is slowly but surely displaying its skill in making smart young house-wives, and brides-to-be. We are cooking, and each girl is having here "chance-of-a-lifetime" to show her good arts in this line. Although we have nly begun by making candy, were are going to really "cook" later on.

Tuesday afternoon the club was honored with refreshments. The hostesses were Mary Belle Stevenson, Mayme Shaver, Faye Hyde and Marlynn Herring. The guests were served delicious refreshments, and played games. We wish to thank them very kindly for this unusual treat.

We have our club open to new members which we will welcome with "open-arms" and girls you're missing the fun of your school-days by not being in our club.

Why not join?

—Reporter

WHAT THE HOME ECONOMIC CLASSES ARE DOING

The Home Economics I-A. class has completed the study of storage and are beginning the study of luncheons and suppers.

The Home Ec. 3 girls have completed the study of their ideal homes. The Swedish type seems to be the most popular with them.

They are now studying the floor plan of their respective homes and making improvements that should have been done in the building of the house.

Home Ec. 1 Boys have recently planned, prepared and served two breakfasts. The first breakfast menu consisted of:

Corn-flake, Post Bran Flakes, Bacon, baked eggs, Toast and Coffee.

Oliver Dutton served as host, Emma Dutton as hostess, Clyde Graham as waiter, others at the table were Buddy Angle, Weylan Apple, and J. H. Ros.

The second breakfast was of Oranges, Bran, Flakes, Cashed

Eggs, Bacon, Buttered Toast and Coffee.

Alton Fitzgerald served as host Curtis Herring as hostess, Nathan Gruben as waiter, B. E. Bryan as a guest with Glover McCarty and Paul Fitzgerald.

THE FRESHMAN SKATING PARTY

Friday, November 23, at 6:45 o'clock the Freshmen met with their sponsor Miss Wylie at the home of Miss Grace Orsborn. From there they went to the skating rink and met Mr. Grable and the Juniors. At 9:30 o'clock, the floor was cleared for the Freshmen and Juniors who skated until 10:00 without any interference. A good time was reported by all with exception of those who had a number of skins and bruises.

HISTORY I DEBATE

Last Tuesday the Freshmen History class chose sides for a debate on the greatness of Alexander the Great and Julius Caesar. The leaders from each side were Dorothy Shaver for Alexander and Billie Bess Benedict for Caesar. The question resolved that: Julius Caesar contributed more to the world than Alexander the Great. The debate is to close Thursday.

FIFTH GRADE NEWS

The Fifth Grade will present a program in chapel Wednesday. The holiday idea will be carried out in observing Thanksgiving.

The program is as follows: Song: "America The Beautiful" Poem: "A Good Thanksgiving" Remarks: "History of Thanksgiving" Playlet: "Little Red"

The grades are planning to sell Christmas Seals. Thanksgiving is the opening date.

The money from the sale of these seals go to the State Tuberculosis Association. There will be prizes given to those selling a certain number of seals. The seals are due to arrive soon and the sale will begin immediately.

Mrs. Holt Moseley and daughter and Mrs. Lee Smith with Mrs. S. A. Norris and daughter of Haskell spent Sunday night and Monday in Wichita Falls.

Tornado Is Most Frequent Disaster; Causes Heavy Loss of Lives

What type of disaster occurs most frequently in the United States?

This question is answered from the relief annals of the American Red Cross which show over a period of years that the tornado, or cyclone as it is called in some sections, is the most frequent and claims a heavy toll of life. It swoops almost without warning, and in the terrific whirlpool of its fierce winds it destroys all in its path.

The Red Cross gave relief in 44 tornadoes in eighteen states last year. The tornadoes killed 326 persons, injured 2,755 and the Red Cross gave aid to 21,728 who were homeless, injured or otherwise victims of the storms.

Toll of the Earthquake

When a severe earthquake killed 95 persons; injured 4,911 and destroyed several thousand homes in Southern California last March, the Red Cross was first upon the ground with emergency relief. It required more than three months for the Red Cross to restore the needy to a self-sustaining basis. The organization expended a relief fund of \$411,000.

Serves Under Five Presidents

John Barton Payne, a retired judge and lawyer of international reputation, is serving his twelfth year as chairman of the American Red Cross. His service is without pay, and his appointment is by the President of the United States. He has served by appointment in high public offices under five presidents—Wilson, Harding, Coolidge, Hoover and Roosevelt.

An Army of Goodwill

When members of the Junior Red Cross learned that schoolbooks had been destroyed in the Kentucky floods last August they gave \$100 from the National Children's Fund to buy new textbooks for use in the schools. The maximum membership for the Junior Red Cross last year was 7,350,250, an increase over the previous year of more than 250,000. They carry on civic and service programs in their own communities which each year bring comfort and pleasure to thousands of needy and unfortunate people. An international friendship is built up through correspondence with Junior Red Cross members in foreign countries.

Protect your radiator. \$5.95 profits.

UNION GROVE H. D. C.

The Union Grove Women's Demonstration club met at home Friday, November 23 o'clock.

COUGHING, WEAK AND THIN AFTER FLU

"I nearly died from the flu last October, and it left me with a terrible cough."

"I saw Milk's Emulsion advertisement and started using it. It helped me right from the start. I had no appetite and my stomach was in a bad shape. But 12 bottles have straightened me out entirely. I eat anything without distress, my cough is gone and I have gained back my strength and flesh."—Emma Withers, Box 5 Belmont, N. C.

Milk's Emulsion restores healthy natural bowel action. Milk's Emulsion is strongly recommended for those whom sickness has weakened.

This is the only solid emulsion made, and so palatable that it can be eaten with a spoon like ice cream. Wonderful for weak, starchy children. You are urged to try Milk's Emulsion. Take six bottles home with you, use it according to directions and if not satisfied with the results your money will be promptly refunded. Price 60c and \$1.29 per bottle. The Milk's Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

When the Thermometer Drops

in Knox City

Use the Right Winter Oil...

... to get positive starting, improved gasoline mileage and utmost motor protection!

You save money the year 'round by using New and Improved Conoco Germ Processed Motor Oil. But, during the cold months, especially, the low cost operation of your motor car demands the proper Winter grade. You'll get—

1. POSITIVE STARTING. These lighter grades permit your motor to reach higher "cranking speed." You save your battery. You choke less—waste no gasoline.
2. DEFINITELY MORE MILES PER GALLON OF GASOLINE. This free-flowing oil never thickens and "drags."
3. UTMOST MOTOR PROTECTION. Conoco's "Hidden Quart that never drains away" protects vital parts from starting wear.

New and Improved Conoco Germ Processed Motor Oil in all grades, including 10W and 20W—in refinery-sealed cans or in bulk. Drive into a Conoco Red Triangle Station today and get ready for Winter.
