Executive Year

Junior High Band Wins Sweepstakes

The Junior High Band won the sweepstakes award among the Class A bands. This is the third consecutive year the band has won the sweepstakes award.

To be eligible for the sweepstakes award, a band must win a Division I (superior) rating in both concert and sight-reading.

Winners in second division solos were Roy Faulk, tuba; and Laverne Martinez, tenor sax.

Congratulations go to the band students and their director Kelly Glaze for a job well done.

Plans Told Chamber Breakfast

Plans were discussed for the Chamber Breakfast on April 19, and again on April 19, and again on April 19, and again on April 19.

THE ABSTRACT of the property inherited by the First United Church is Lloyd Waldrip, administrator of the estate of the late Mrs. Penman, right. Accepting in behalf of the church in Monty Penman, right, the board of trustees. Looking on is the Rev. Dick Richards, pastor.

Trustees Accept Hull Home

through her life, so it was only fitting that she remember it in her will, leaving her home to be used by the church after her death.

Lloyd Waldrip, who has farmed the Hull property for a number of years and has acted as a business manager for Mrs. Hull during her declining years, represented the Hull estate in presenting the abstract for the property to the church.

the church in accepting the property in behalf of the congregation. Although acting by virtue of his position in the church, it was particularly fitting that Mr. Penman participate in this ceremony as Mrs. Hull was his first Sunday School teacher and close friend of his family when both lived in Rochester.

Five KC Students Win Regional Trip

Five Knox City High School students have won in District 7-A U.I.L. competition and will now advance to the regional meet in Lubbock on April 19 and 20.

Results of the ready writing will be announced at a later date, school officials said.

In Paducah last Friday for the District UIL Journalism Meet were Stacy Angle and her sponsor, Mrs. Renella Watson. Stacy entered in four events and came home with four medals, a first in feature writing which advances her to regional competition, second in editorial writing, second in news writing, and third in headline writing.

Singing Set Sunday at 2

The First Sunday Singing will be held at the Foursquare Gospel Church Sunday, April 7, from 2 until 4 p.m.

Held monthly, the First Sunday Singing is a time to enjoy the gospel singing and fellowship.

Everyone is invited to attend Sunday.

High Winds Hit KC Area Tuesday

High winds and blowing dust were in evidence in the Knox City area Tuesday afternoon with strong gusts of wind being reported west of town by Utric and Jewell Lea near their farm home.

Jake Garrison, manager of the Plant Materials Center, said he and C.L. Hacker were working in the grass field when they heard the roar of a tornado about 5:15 p.m. Fortunately, the twister did not touch ground.

Other winners at Vernon included Doak Graham, second in boys' prose; and Gayle Tankersley, fifth in typing and also fifth in girls' prose.

Sixteen Knox City students attended the University Interscholastic League's District 7-A meet in Vernon Tuesday of this week, accompanied by sponsors, Mrs. Dottie Lowrey and Mrs. Watson.

Four of the Knox City students participating in Vernon will also advance to regional, including Diane Clonts, who won first in girls' poetry; Mike Lankford, who won first in spelling; Vickie Berryman, who won second in typing; and Debbie Bishop, who placed third in shorthand.

Men's Community Breakfast To Be Sat.

The First Christian Church will host the monthly breakfast for men of the community on Saturday, April 6, at 7:00 a.m. in the Fellowship Hall.

A short program will follow the breakfast, according to Layman John Crownover.

Little League Officers To Meet Tonight

Glen Rumley, president of Little League, has called a meeting for Thursday night (tonight) at 7 p.m. at Robins Field, for all coaches and Little League Officers.

At this meeting the coaches will draw names for their teams and the officers will set up the schedule for the coming season.

Rumley urged all coaches and Little League officers to be present, and if the weather does not permit them to meet at the ball field, the meeting will be at the Kennel in the City Park.

The Little League is in desperate need of a coach and an assistant for one baseball team. Rumley said, "The Little League is in danger of not starting at all if we don't get another coach. Please help us. We know there must be a father out there somewhere that would be willing to help us out."

This organization is a good summer pastime for the little boys in our community. If it should fail to get started, there would be a lot of little boys deprived of summer fun.

Five in Race for School Trustee

Joint Election Sat. At Community Center

Knox City's seventh joint election will be held Saturday, April 6, in the Community Center at 212 South Third Street. The center was previously the Woman's Club Building. Polls will be open from 8 a.m. until 7 p.m.

Voters will mark three ballots including those for the City of Knox City, the Knox City Independent School District, and the Knox County Hospital District.

Running unopposed for two-year council terms are incumbents L.V. Worley, Celso Gonzales, and Dr. Ted Alexander Jr.

In the Knox County Hospital District election, incumbents Vernal Zeissel and Richie Smith are unopposed.

PROCLAMATION

WHEREAS, the President of the United States by direction of an Act of Congress has proclaimed April as Cancer Control Month and

WHEREAS, the Governor of Texas declared April as Texas Cancer Control Month and

WHEREAS, Cancer will strike more than 50 million Americans now living if present rates prevail, and

WHEREAS, it is known that at least one out of two of every cancer patients could be saved if more people saw their physicians for early detection, diagnosis, and treatment, and

WHEREAS, results of research alone can save in the future all cancer patients, and

WHEREAS, to win the final victory over cancer the American Cancer Society must intensify its efforts to bring life-saving facts to the public to improve the care of the cancer patient and to accelerate its research program

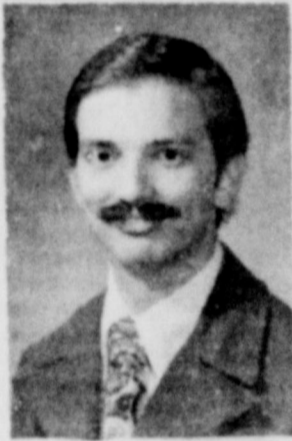

THEREFORE, I as Mayor of Knox City, do hereby designate the month of April, 1974, as

CANCER CONTROL MONTH

and the day of April 8, 1974, as Cancer Control Day in Knox City and urge all citizens to observe and participate through increased support of the American Cancer Society and by learning the facts about cancer that are vital to personal protection from this disease.

In official recognition whereof, I hereby affix my signature this 1st day of April, 1974

Rev. Steve Von Hoff, Mayor

REV. STEVE VON HOFF
Stamford Pastor

Foursquare Sets Revival April 7-14

Rev. Steve Von Hoff, pastor of the Foursquare Church in Stamford, will be holding a revival in the Foursquare Church in Knox City. He will minister in song and in word, according to Rev. Floyd Bailey, local pastor.

Services will begin Sunday, April 7, and will continue through April 14. The services will begin at 7 o'clock each night with the exception of Saturday night.

Rev. Von Hoff will be accompanied by his wife and their two young daughters. Mrs. Von Hoff will assist with the musical program.

Special activities have been planned for the church for the Easter season. The day will begin with a Sunrise Service at 6:30 a.m. followed by breakfast in the Fellowship Hall at 7:30 a.m. Sunday School will begin at 9:45 with the worship service at 11 a.m.

A special invitation is extended to everyone to attend.

THE GLORYLAND TWO
Nila and O. A. Kinnison to perform here

Baptists To Have Special Music

A music program will be presented at the First Baptist Church Sunday night at 7:00 o'clock by the Gloryland Two.

Nila and O.A. Kinnison of Lubbock will present "A Sermon in Song", and Rev. Paul Anderson, pastor, joins with them to invite everyone

to this special service of gospel music.

A church wide fellowship will follow after the service. The Gloryland Two will present a music program Sunday afternoon at 2 o'clock in Munday. Mr. Anderson said.

Cancer Crusade Sets Fund Drive Monday

"We Want to Wipe Out Cancer in Your Lifetime" is the goal of the American Cancer Society for 1974.

Mrs. Guy Robinson, crusade chairman, said volunteers will call Monday evening, April 8, to accept money needed in the battle against cancer.

Volunteers will distribute leaflets that relate the importance of annual health checkups and list the safeguards such as elimination of cigarette smoking and the avoidance of excessive sun.

More volunteers are needed to help with the Cancer Crusade Monday evening. If you could contact every-

one on your street or would work another street, please call Ruby Robinson, crusade chairman, at 658-3448 by Friday.

"We want to wipe out cancer in your lifetime" is a hopeful theme for the April Crusade.

Is there substance to this hope? The trend over the last four decades shows that there

See CRUSADE Pg. 5

Stouts Are KC Residents

Knox City gained another new family when Mr. and Mrs. Dick Stout moved here from Guthrie, Oklahoma.

They have a daughter, Jody, 10, a fifth grader, and a son, Richard, 4.

Dick is employed by the Knox County Hospital as x-ray and lab technician. He is originally from Throckmorton and Nancy is formerly of Dumas.

The Stouts are Baptists, and live at 906 South 5th Street.

Knox City welcomes this family.

Knox City Fire Dept. Needs To List Volunteers

Emory P. Boring, area Extension entomologist from Vernon, will present information on insect control.

George R. McEachern, Extension horticulturist from College Station, will be on hand to present information on pecan and peach tree establishing and management.

Mr. McEachern will also conduct a method demonstration on pecan grafting and budding.

The meeting is open to all men, women, or teenage youth whether they have one tree, several hundred trees, or are just interested in pecan and peach production information. Collier said.

Drew Holcomb, fire chief, said the Knox City Fire Department has been asked on occasion to share in the responsibility of a search in case of an emergency.

He is asking others, in addition to firemen, to volunteer. One may contact the Fire Department, if he could help and list any equipment available.

Holcomb explained that a list of emergency volunteers would be helpful to the Fire Department if the need should arise.

Holcomb explained that a list of emergency volunteers would be helpful to the Fire Department if the need should arise.

Streams In Desert Places

by Ozelle Stephens

"Death is swallowed up in victory" (I Cor. 15:54).
God's Word does not cover up death or try to make it soft and easy, but it proclaims triumphantly, death is swallowed up in victory. Jesus Christ went through death. He tasted death for every man. He has been on the other side of death and come back through the open tomb to bring us wonderful news of eternal victory. You do not have to be afraid but take God's Word in your heart, John 14, and let the risen Christ quiet all your fears--and when you do, Streams of His love, peace and eternal life will forever be yours.

SUNDAY GUESTS

Guests in the home of Mr. and Mrs. B.M. Farmer last weekend were Mr. and Mrs. J.M. Farmer, Mr. and Mrs. Nevill Manning and J. Paul, all of Littlefield, Captain and Mrs. Phil Moore of Dyess Air Force Base, and Mr. and Mrs. W.R. Moore Jr. of Munday.

O'Brien Happenings

CHARLENE BROTHERS

Rita Jackson was picked to be in the all star cast. Donna Underwood won an honorable mention.

The high school girls' volleyball team won second in the district by losing to Rule last Thursday night at Paint Creek. (You girls really surprised me. After the way you had practiced with you, then you go and win second in the district!)

IN LUBBOCK

Betty Poe and Leonia Raby visited their sister and her husband, Mr. and Mrs. Leo Reddell, and former residents, Mr. and Mrs. Mutt Ivie, in Lubbock recently.

O'Brien Grad Is Appointed

Jerry Wilcox, a 1964 graduate of O'Brien High School and a 1970 graduate of the University of New Mexico College of Pharmacy, where he finished second in his class, has been named director and pharmacist-in-charge of the clinic pharmacy in El Paso's newest medical center.

The appointment was made by Harold J. Raff, president of Raff and Hall Drug Corp. of Lubbock.

The clinic pharmacy is amidst El Paso's newest medical complex, housing 17 physicians, and located adjacent to Eastwood Hospital - El Paso's newest and largest, a 500-bed facility.

He resides in the Redgemar Apartments near the hospital. His address is 10701 Vista Del Sol, Apt. 214, El Paso, Texas 79935.

His parents are Mr. and Mrs. Lynward Wilcox, former Knox City residents, now living in Albuquerque, New Mexico. He is also the grandson of Mrs. Nettie Wilcox of Knox City.

Area Actors Named To All Star Cast

Goree High School took top honors last Friday night at Munday in the District 18-B one act play competition.

The winning play, "An Occurrence at Owl Creek Bridge", will advance to regional in Stephenville, April 19 for further University Interscholastic League competition.

Other winners include Rochester High School, second with "The Summer People", and O'Brien High School, third with "Act of Grace".

Area students named to the district all star cast include Rita Jackson of O'Brien and Terry Cartwright of Benjamin. Others were Sherri Townsend of Rochester and Mark Coffman of Goree.

Steve Skelton of Goree was named best actor and Beverly Neumann of Old Glory best actress.

Farm And Ranch News

By Herman Collier

PLANTING TIME AIDS IN BOLL WEEVIL CONTROL

If all cotton planting in Knox County was delayed until May 20 for a starting date many early emerging cotton boll weevils would starve to death before food was produced.

Cotton boll weevil must find 1/2 grown cotton squares before they can survive. A few fields of early cotton in an area can lead to the survival of many early emerging boll weevil that would have starved out if the food was not available. Uniform planting date is one of three tools producers have to keep down cotton boll weevil build up.

SWINE PRODUCERS MEETING

The Central Rolling Plains Pork Producers Association will meet at the Texas A & M University Vegetable Research Station building in Munday at 8:00 p.m. Monday, April 8th.

This meeting is open to all interested persons from five or six counties surrounding Knox County. Producers raising small numbers of swine as well as larger producers are urged to attend.

A Texas Representative from an out of State packing company will be on hand to discuss marketing.

SCREW WORM WARNING

Screw worms could reach record levels this year due to the unusually mild winter just ended unless livestock producers take special precautions, warns the director of the Screw worm Eradication Program based at Mission, Texas. Livestock surgery is a primary reason for many screw worm cases. Animals should be inspected frequently, all wounds should be treated, and all worm samples should be sent to the Screw worm Lab. A recent screw worm case has been reported in Haskell County.

PARENTS, YOUTH FORM PARTNERS IN 4-H

Parents, would you like to form a partnership with your youngsters? Thousands of parents are doing this every day in the 4-H program.

4-H is a program for youth between the ages of 9 and 19 and is administered by the Texas Agricultural Extension service of the Texas A&M University System.

Through 4-H, parents get involved with their youngsters by helping them with one or more of over 100 projects. By getting involved with the projects, parents help their youngsters learn the basic skills and information and help them to fulfill an obligation. The 'partners' then build on these successes in areas of project work, leadership, community service, and many other character building experiences. By spending time with their sons and daughters in 4-H work, parents can overcome the problems commonly referred to today as the communications gap or 'generation gap.' 4-H projects serve as a beginning to start the parent-youth partnership, and the relationship can grow through mutual understanding and trust between parent and child.

Parents and 4-Hers learn to share the joys of winning and the disappointment of losing and to jointly work out solutions to problems as they arise. Contact the county Extension office to learn more about the 4-H program and how it can develop close family ties through working partnerships.

TREE FERTILIZATION OUTLINED

Small, light green leaves and short shoot growth on trees usually indicate a need for fertilizer.

If the terminal growth is good and the leaves are a healthy green, the trees are getting enough nutrients from the soil and from lawn fertilizers. Such trees will grow faster and withstand drought, insects, and diseases much better than undernourished trees. If you need to fertilize, the time to do it is late winter or early spring, between February and April. Do not fertilize newly planted trees since the soil filled in around the roots has adequate nutrients for a year's growth. When fertilizing trees use one with plenty of nitrogen such as ammonium nitrate or ammonium sulfate. Apply one to two pounds fertilizer per inch of the tree trunk's diameter at 4 feet above the ground. The application zone should start about two feet from the tree trunk and go out several feet beyond the end of the branches. Fertilizer may be placed 2 tablespoons each in 8 to 12 inch-deep holes 24 inches apart or broadcast evenly over the surface.

CHAMBER (From Page One)

sponsored by the Knox City C of C. Hometown native Stan Hansen will be featured on the card, along with the midgets, and other top name wrestlers.

Members also heard plans for Omar Burleson Appreciation Day in Anson on April 20. The celebration is scheduled for five o'clock at the Court-house Square in Anson where the bronze of the congressman, just completed by sculptress Juan Dell of Lubbock, will be unveiled. It is to be mounted on the north side of the Jones County Courthouse in the county where Congressman Burleson was born and reared. He is now serving his twenty-ninth year in the U.S. House of Representatives in Washington.

A serious look into possibilities of FHA housing in Knox City is being made, according to secretary-manager Mrs. Doris Crownover who reported that W.R. Baker is contemplating a trip in the near future to determine the availability of such.

Mrs. Crownover and Mr. Tabor reported that they recently had attended meetings in regard to the Millers Creek opening and plans are now underway for a September celebration.

IN CARBON

Mr. and Mrs. Jerry May, Jill and David visited last weekend with her parents, Mr. and Mrs. Coda McDaniel and with his mother, Mrs. Lee May, all in Carbon.

FROM UNIVERSITY OF TEXAS

Kenny Lawson, student at the University of Texas at Austin, spent Monday and Tuesday with his parents, Mr. and Mrs. Ken Lawson.

IN TANKERSLEY HOME

Trey Tankersley, son of Mr. and Mrs. Don Tankersley of Lubbock, is spending several days here with his grandparents, Mr. and Mrs. Jack Tankersley.

IN LONGVIEW

Mr. and Mrs. C.O. Thomas returned Tuesday from a weekend visit in Longview with friends.

Ballard Rites Held Monday

Funeral services for Mrs. Eibel Ballard of Rochester were held Monday at 2:30 p.m. in the United Methodist Church in Rochester. Rev. Aubrey Headstream of Haskell and Rev. Norman Patton, pastor, officiated.

Burial was in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Ballard, 80, died Sunday at 1:00 a.m. in the Brazos Valley Care Home here after a seven months' illness.

Born January 21, 1894, in the Jud Community near Rochester, she married W.E. Ballard December 25, 1912, in O'Brien. They moved to Spur in 1923. Her husband died December 7, 1946, in Spur. Mrs. Ballard returned to Rochester in 1958.

Mrs. Ballard was a long-time member of the Methodist Church.

Survivors include six sons, Hollis of Roswell, New Mexico, Preston, Fletcher, and Cracker, all of Rochester, Buck of Spur, and Billy Ray of Girard; 15 grandchildren and 11 great-grandchildren.

HOME FROM TECH

Visiting in the home of Mr. and Mrs. Monty Penman during spring break was their daughter, Belva, who is a student at Texas Tech University in Lubbock.

SENIOR NEWS

Most people are aware of the fact that towards the end of school, extra curricular activities slap you in the face everytime you turn around. This year, everybody is literally snowed under. Most activities like tennis, track meets, UIL meets, etc. have been scheduled for a year at least. The problem is that the Seniors never could find a time to have play practice. Therefore, there will be no Senior Plays this year. The Seniors had a meeting and most people felt that the townspeople would rather see no play at all than a "hurriedly thrown together" one. We also felt that everybody would get over the tragic shock within a year or two, so..... If a Senior took your name for the back of the ex-play program, they will contact you soon to return your money.

Denise Grindstaff and Nefro Gonzales are the Seniors playing tennis doubles this year. They both played for District in Holliday Monday. Denise thinks she has everyone fooled. Actually, she's just trying to get a tan before the Senior trip!!

JUNIOR CLASS NEWS

Last Friday Mrs. Watson accompanied Stacy Angle to Paducah where Stacy competed in the District U.I.L. Journalism contest. Stacy had a very successful day winning First place in feature writing, second place in News writing and Editorials, and third place in headline writing. Now Stacy will compete in Regional competition on April 20 in Lubbock. Good luck!!!

Temi Baker and Denise Grindstaff won first place in Tennis Zone competition at Munday last week. They competed in District competition on April 1. Those results will be in next week's news.

This week the Annual Staff has been working very hard selling annuals. The Juniors who are working on the Annual Staff this year are Kary Kent, Debbie Reese, Stacy Angle, Joey Swain, and Cliff Ray. They have been working diligently to make the '74 Annual G-r-r-reat!!

Final golf tryouts were held last week and one Junior made the golf team. Joey Swain, along with nine others will be competing in district competition here at our golf course on April 3. Also Temi Baker and Kary Kent are on

the girls' golf team. They won district and will be competing in Regional play very soon. Good luck!!!

SEVENTH GRADE NEWS

Last Saturday our Jr. High Band won Sweepstakes at the Cisco Band Festival. Our three 7th grade twirlers, Terrie Mullins, Jan Lowrey, and Rhonda Skiles, won a medal for twirling solos. Roy Faulk won second in a tuba solo.

Roy Faulk also went to Holliday, Monday, April 1, for tennis.

Last Friday our girls placed fourth at the Jayton Track Meet. Friday (tomorrow) the boys have a district track meet at Holliday.

EIGHTH GRADE NEWS

This week the boys have a district track meet at Holliday. Also, this week some of the Jr. High boys went to Holliday for the district tennis matches.

The winners were Mike Howell and Donny Mullins with a second place in doubles, Junior Gonzales with a second place in singles, and David Anderson with a first place in singles.

Next week the girls have a district track meet at Albany.

Charles Finnell To Be In KC Wed.

Charles Finnell of Holliday, who is a candidate for senator of the 30th District, will campaign in Knox City Wednesday, April 10th.

A special question and answer session is planned at the high school gymnasium at 9:00 a.m. where Mr. Finnell will answer questions submitted by the high school students.

Any interested area adults are invited to this assembly, school officials said.

School Calendar

- April 5: Boys district track meet at Holliday, Jr. High and High School
- April 8: Girls district track meet at Albany, Jr. High and High School
- April 9: Board Meeting
- April 10: Charles Finnell, candidate for Senator, question and answer session in gym, 9 a.m.; Annual pictures
- April 12: Teacher Workday

Soil and Grass Judging Meet Held

Seymour FFA took first place during the annual soil and grass judging contest last Tuesday in Seymour, according to Cyril Keith of the Soil Conservation Service in Seymour.

Second place went to Munday FFA and Throckmorton FFA came in third. Knox City FFA placed fourth.

Teams from Seymour, Throckmorton, Woodson, Munday, and Knox City participated in the contest sponsored by the director of the Miller Brazos and Wichita Brazos Soil and Water Conservation Districts.

The team from Knox City consisted of Payton Barnard, Troy Lewis, Jerry McCown, and Jimmy Ross.

According to Leon Burkham, FFA advisor, the Knox City FFA will be in Stephenville Saturday, April 6, to participate in the area meet. The boys will be judged in Livestock, Dairy, Dairy Products, Poultry, and General Ag. Mechanics, with three in each team. The judging will be held at Tarleton State College. On Wednesday, April 10, the land judging team will be in Stephenville for the Area Land Judging Contest.

Seniors Of The Week

And Their Autobiographies

IRENE LEIJA

My name is Irene Leija. I was born in Knox County Hospital on August 15, 1954. My parents are Mr. and Mrs. Joe Leija I have six brothers and three sisters.

I started to school in Knox City in the first grade and went through the fifth grade. We moved to Brownfield for three years. Then we moved back to Knox City and I started school again in the ninth grade. I have been a member of F.H.A. for four years, P.A.S.F. for three years, also Pep Club member for three years.

My favorite song is "Sunshine", and my favorite food is hamburgers. My favorite colors are purple and pink. I'm working for Perry Brothers.

I am glad to be a Knox City graduate.

ROY RODRIGUEZ

My name is Roy Dale H. Rodriguez; my parents are Mr. and Mrs. David Rodriguez. I was born in the year 1954 on Sept. 5, in a small town called Eola, which to this day hardly exists. With my good luck, I was born with a twin sister, yes, I'm a twin.

Then we moved to Knox County and lived 15 miles west of town across the Brazos River. We rode a bus to school each day. When we lived on the farm we didn't take Saturday and Sunday for rest days; there were a lot of things to do around the farm. Since we didn't go to school, Dad always thought those were two good days to do things like driving a tractor and milking a cow. Boy, those were the good old days. Mom and Dad decided we would move into town. The year we moved I was in the fourth grade.

Moving to town was a whole new world to me because all I would do after school was watch television; there weren't any cows to milk or tractors to drive, and I missed all those things. But time went by and I kept growing.

Jr. High was a new experience for me but I went through it and graduated from the eighth grade to a freshman. Things were looking up then; I felt prouder and prouder of myself, when I became a sophomore I was on the track team, so I could play football my next year, but things didn't work out. Now I'm a senior and I really enjoy being in Knox City High School, and if I were to do it again I would start from the twelfth and go down. After I graduate I plan to go to work, and maybe join the service. I plan to work on a ranch or something in that nature, might even weld for awhile to get me started. I've enjoyed Knox City School and am grateful to all of my teachers taking time to teach us what we all know. Without them I wouldn't graduate.

lost only one game all day beating Crowell teams 6-0, 6-0, and 6-1, 6-0, and Munday 6-0, 6-0.

The doubles teams lost out to strong Holliday teams at district where Holliday won all the district matches.

Tennis players were accompanied by Melanie Whitley Thursday and Coach Don Mullins Monday.

All players showed much improvement this year and are to be congratulated.

RAQUEL RODRIGUEZ

Raquel Rodriguez, daughter of Mr. and Mrs. David Rodriguez, and twin sister of Roy Rodriguez, was born on September 5, 1954, in Eola, Texas. She was the eighth child to be born to the Rodriguezes.

Raquel came to Knox City two weeks after she was born. She lived west out of Knox City. She entered school when she was seven years old; at the age of ten she moved to town.

While in High School, Raquel has been in many activities. She has been a member of the F.H.A. for four years, Pep Club three years, PASF four years, and choir one year.

Raquel's hobbies include music, swimming, and dancing. Her favorite song is "Season in the Sun," her favorite color is purple, and her favorite food is pork chops.

Raquel's future plans are what most girls plan on doing, and that is getting married and being a house wife.

Raquel is a member of the Santa Rosa Catholic Church in Knox City.

IN ABILENE

Mr. and Mrs. Bill Smith were in Abilene Saturday to attend a track meet at Abilene Christian College where their son, Gary Carver, participated.

They were accompanied by her parents, Mr. and Mrs. Carl Carver of Munday.

OMISSION

In the story concerning the renewal of teacher contracts in last week's News, the name of Hazel Jones Long was not included in the list received by the News.

School officials regretted the oversight.

Mrs. Long is second grade teacher.

ELECT
 CLYDE BOOSE
 Your Next County Judge
 Knox County, Texas

CLYDE BOOSE has an objective and a pledge:

- To provide a speedy, efficient, fair, and impartial Court.

- Render a public service badly needed.
- To spread as near as possible the services of the County Government provided by law equitably over the entire County.

CLYDE BOOSE is Qualified:

Admitted to State Bar of Texas July 1941.
 United States District Court
 Northern District of Texas
 April 14, 1949.

(Pol. Adv. paid for by Clyde Boose.)

District Meet at Holliday Hounds Edged Of First At Ch...

The Knox City Greyhounds "turned it on" Saturday, but were edged out of first place by Shamrock at the Childress Track Meet. The Irish totaled 123 points while the Greyhounds scored 105. There were 12 teams competing in the track and field meet.

Individual scoring included: Billy Baker, fifth in the 880; Ricky Hacker, second in 120 high hurdles, fourth in high jump, and second in pole vault; Randy Egenbacher, fifth in 120 high hurdles, and third in pole vault; Charlie Flye, second in 100 yard dash; Eddie Johnson, first in 440 dash; Joey Swain, sixth in 330 int. hurdles; Randy Pack, fourth in mile; Robert Taylor, second in discus and third in shot put; and the relay team got a first in both the 440 relay and the mile relay.

Vernon won the junior varsity meet with 151 points, while Knox City placed second with 106 points.

Individual results were Ricky Bishop, fourth in 880 dash; Jerry Eaton, first in 120 high hurdles and fifth in 330 int. hurdles; Don Swearingin, fourth in 440 dash; Jimmy Lynn, second in 330 int. hurdles and fifth in long jump; Louis Conn, first in 220 dash, long jump, and pole vault; Jerry Stamps, third in pole vault; Billy Bob Reynolds, sixth in pole vault; Cliff

Ray, fifth in 440 relay team; 440 relay team; The high school boys' relay team; Friday, April 3-4, and 5-6 p.m.

INCLUDE MEDICINE CABINET IN YOUR SPRING CLEANING

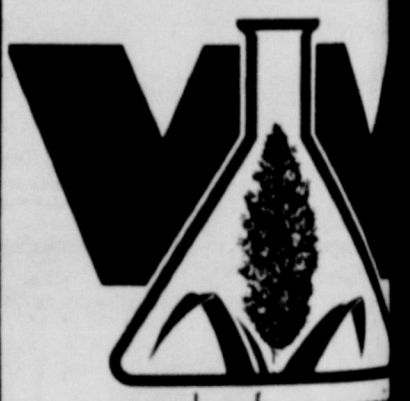

When as the robin red breast reminds you spring has finally arrived and the good news stirs you into an energetic round of spring cleaning don't forget the medicine cabinet. It's unwise to keep prescription drugs "on hand" after the specific condition for which they were ordered has been cured. You should not take potent medicines without your doctor's advice, self-diagnosis can do more harm than good.

The less crowded your drug storage area is the less chance for a mistake when reaching for a bottle. If you like you can bring us any drugs you wish to discard and we'll be glad to dispose of them safely.

JACQUELINE BROWN

Bentley spent the weekend with Mr. and Mrs. L.M. Davis. Edith Daniel and her son, Earl V. Daniel, of the Brazos Valley Care Home in Knox City and Mrs. Greenleaves of Crowell visited Mr. and Mrs. Roy Daniel Sunday. Christy and Tracy Shaw visited the Bill Shiffletts in Graham this weekend. Scotty Cawthron of Vernon spent Saturday night with the Ray Glascocks. Mr. and Mrs. Jerry Cawthron came after him Sunday. Mr. and Mrs. Gayland Carter and Wayne of Arlington visited Mr. and Mrs. Arthur Horne this weekend. Mrs. Allene Groves of Benjamin visited Mrs. Horne Sunday. Mr. and Mrs. O.D. Wallace and boys of Wichita Falls and Mr. and Mrs. Jack Horne and Tim and Charlotte of Wichita Falls visited Mrs. Elmer Horne this weekend. Guynn Looney of Lubbock spent the weekend with his grandparents, Mr. and Mrs. N.L. Looney. Nancy Looney is home from Texas Tech for the spring break. Mr. and Mrs. Felix Westmoreland had a baby boy Thursday. His name is Daniel Wade Westmoreland, and he weighed 7 pounds, 11 1/2 ounces. Congratulations! Sally and Lupe Palacio of Breckenridge are visiting their grandparents, Mr. and Mrs. Pete Palacio. Stan Gentry of Crowell visited Rocky Glascock Sunday. Mr. and Mrs. Ronnie Wilson and Kimberly of Rising Star visited Mr. and Mrs. Arnold J. Navratil this weekend. A very successful cake-walk was held in the Gilliland school Saturday night. The cake-walk was held to raise

money to fight cancer. Bill Short of Oklahoma City visited Mr. and Mrs. W.R. Owens Sunday. The John Quinteros spent the weekend in Wichita Falls visiting relatives. Mr. and Mrs. Jerry Jaton and Renee of Grand Prairie, Mrs. Jimmy Butcher and Shannon of Dallas, and Mr. and Mrs. Ed Jaton of Munday visited Mr. and Mrs. Ronnie Simmons this weekend. Mr. and Mrs. Curtis Casey visited Mr. and Mrs. Chester Pogue in Durant, Oklahoma, over the weekend. Also visiting the Pogues were Mr. and Mrs. Max Derrybery and daughters of McKinney. Dick Clayman of Columbia, Illinois, was here last week visiting his father-in-law, Elmo Todd. Q.D. Williams of Floydada visited Mr. and Mrs. E. M. Jones Sunday. Mr. and Mrs. Marion Chowning Jr. and Mr. and Mrs. George Stickler and Terri of Fountain, Colorado, visited the Caseys Monday. Mr. and Mrs. Curtis Casey and Mrs. Tom Westbrook attended Mrs. Beulah Huff's funeral Friday in Crowell. Mrs. Huff was the mother of Mrs. J.B. Eubank, formerly of Truscott. Mr. and Mrs. Jerry Lee of Farmington, New Mexico, visited Mr. and Mrs. E.J. Jones Tuesday through Thursday. Dolph Martin's relatives planned to honor him with an 85th birthday celebration in his home Sunday, but it burned down late Saturday afternoon. Nevertheless, Mr. and Mrs. Dub Dowdle and Lee of Azle, Mr. and Mrs. Carlton Ribble of Crowell, Mrs. C.A. Meek and Mr. and Mrs. Homer Martin gave him a birthday luncheon in the Homer Martin home Sunday.

National FHA Week Is March 31-April 6

The Texas Association of Future Homemakers of America will observe National FHA-Hero FHA Week, March 31 through April 6. Using the theme IMPACT '74, the 68,000 Texas members will join some half-a-million young

CRUSADE (From Page One)

men and women across the country in demonstrating projects that are challenging, stimulating, and of real value to youth in preparation for future responsibilities.

According to Mrs. Vera Newton, local Future Homemakers of America advisor, the Knox City FHA girls are enjoying a week of activities in observance of National FHA Week. Plans for this week include the election of officers on Monday, Teacher Appreciation Day on Tuesday, Wednesday the girls wore red and white, the FHA colors, and Thursday have planned a "Crazy" election. Friday is Kid Day, Saturday is Secret Grandmother Day, and everyday this week different groups are visiting the Brazos Valley Care Home.

Future Homemakers of America was founded June 11, 1945, as an incorporated, nonprofit organization supported by membership dues. There are two types of chapters. FHA chapters place major emphasis on consumer education, homemaking and family life education combined with exploration of jobs and careers. HERO chapters, taking the name from home economics related occupations, place major emphasis on preparation for jobs and careers with recognition that workers also fill multiple roles as homemakers and community leaders.

Nationwide in membership and effort, Future Homemakers of America is cosponsored by the U.S. Office of Education through the Division of Vocational and Technical Education and The American Home Economics Association. National Headquarters are located in Washington, D.C. High school home economics teachers, members of the state home economics education staff and leading home economists serve as advisors to chapter, state, and national youth officers, giving guidance and counseling to the program.

When an ACS volunteer comes to your home Monday, April 8, remember the goal: "We want to wipe out cancer in your lifetime."

KC Woman Among McMurry Honorees

Mrs. Neal Logan of Knox City is among more than 100 McMurrindians who will be honored today. Thursday, April 4, on Founders' Day at McMurry College in Abilene.

The event will honor all persons who were connected with the United Methodist College when it opened its doors in the fall of 1923.

McMurry President Thomas K. Kim pointed out that Founders' Day is the fourth and final major emphasis during the college's 50th Anniversary Celebration Year.

Activities will begin on Founders' Day with a 1923 Get Together, an informal reception for the honorees in Bynum Band Hall from 2:30 p.m. until 4 p.m. A dinner will be held honor-

ing the 1923 group at 5:30 p.m. in the multi-use room of the new J.W. Hunt Physical Education Center. Other friends, faculty, and students of McMurry wishing to make reservations for this event may secure tickets for \$3 apiece.

Representatives of the 1923 group and contemporary McMurry faculty and students will talk briefly during the program.

"The Many Faces of McMurry," a history theatrical, will cap the Founders' Day activities with a 7:30 p.m. admission free performance in Radford Auditorium.

Dramatist Jewell Posey and producer-director Muriel Burgess are extensively reworking their "Many Faces" production which was first presented last June at the session of the Northwest Texas United Methodist Conference on campus, which inaugurated the 50th Anniversary Celebration at McMurry.

Using both film projections and live actors, "Many Faces" tells the story of the first half century of growth for McMurry ending with eyes toward the future.

Former KC Resident Buried In Dallas

Funeral services were held for former resident Lawrence Lee of Dallas, Wednesday at 2:00 p.m. at the Wheatland Baptist Church in Dallas.

Mr. Lee, 67, died suddenly Sunday at 5:30 p.m. in Dallas. He was the son of the late Mr. and Mrs. W.D. Lee.

Survivors include his wife; one daughter; one step-daughter; one step-son; two brothers, Byron Lee of Sundown and R.E. Lee of Wichita, Kansas; two sisters, Mrs. C.W. Armstrong of Earth and Mrs. J.D. Horton of Lubbock. Mr. and Mrs. Byron Lee and Mr. and Mrs. J.D. Horton

Mr. and Mrs. Byron Lee and Mr. and Mrs. J.D. Horton, all former Knox City residents, attended the services in Dallas.

IN McCOWN HOME

Mrs. John McCown's father, Adelbert Suter, has been staying in the McCown home while recuperating from his recent surgery. Visiting them the past week were Mr. and Mrs. Willie Suter, Nelson Suter from Old Glory, and Mr. and Mrs. Mike Wyatt and Jennifer of Haskell.

OMISSION

The voting boxes within the town of Munday were omitted in last week's story concerning Knox County voting places.

Munday has three precincts this year for commissioners in Precinct No. 2, Precinct No. 3, and Precinct No. 4. In Munday, voters in Precinct 3 will vote in box no. 6N in the Munday High School building. Precinct 4 voters will cast their ballots in box no. 6E at the Community Center in Munday, and Precinct 2 voters will vote in box no. 6W in the Munday Band Hall.

These voting places and those listed last week in the News will be for the Democratic Primary on May 4.

FROM PLAINVIEW

Mr. and Mrs. Oliver King and family of Plainview spent Sunday with his mother, Mrs. Ida King.

Girls Win Fourth In Jayton Track Meet

Temie Baker was one of four area performers in the Lady Jaybird track meet in Jayton Friday to win a blue ribbon. Temie received a first in shot put while Trammel of Jayton picked up a first in 880. Others winning first were Garcia of Jayton in discus and Hester of Ira in triple jump. Seagraves rolled up 160 1/2 to win first in team totals while Knox City Houndettes scored 35 points for fourth place.

Individual results included Jewell Culberson, fourth and Temie Baker fifth in discus; Mandy Lankford fifth in high jump and fifth in the 880 run; Timilu Graham fourth in the 440 dash; and the relay team placed third in the mile relay. The junior high individual

results were Johnnie Reynolds third in the 440 dash; Terri Harris third in the 60 yd. dash and sixth in the 100 yard dash; Judy Ray second and Diane Reynolds sixth, both in discus; and the relay team won first in the 440 relay. The junior high girls scored a total of 48 points and placed fourth in the meet.

The high school as well as the junior high will be entered in the District 7A Track and Field Meet Monday, April 8, in Albany.

FROM LUBBOCK

Greg Clonts, student at Texas Tech University in Lubbock, spent last week here in the home of his parents, Judge and Mrs. Sam E. Clonts and Jami.

UIL MEET

The following students were entered in the literary events at the UIL meet in Goner last Tuesday.

GRADE SCHOOL: Poetry - Johnny Brannan and Betty Clower, alternates Tracy Cartwright and Linda Golden. Spelling and Plain Writing, 5 and 6 grades - Becky Welch, Melinda Quinners, Craig Hertel, alternate Ola Franklin. Spelling and Plain Writing, seventh and eighth grades - Louis Baty, Johnny Pierce, and Dick McCasles. Ready Writing - Betty Clower, Keith Pierce, Dicky McCasles. Number Sense - Johnny Brannan, Ricky Carver, Louis Baty, Dicky McCasles. Story Telling - Kim Conner, Twyla Pierce. Picture Memory - Ola Franklin, Stacy Groves, Selma Hudson, alternate Stacia Carver. Girls fifth and sixth grade Oral Reading - Lynda Hudson, alternate Debbie Lindsey. Boys fifth and sixth grade Oral Reading - Craig Hertel, alternate Billy Carl Benson. Sub-2c. Declamation - Girls, Twyla Pierce, alternate Rhonda Redwine, Boys, Alan Baty, alternate Randy Trepanier.

HIGH SCHOOL: Ready Writing - Diane Green, Kelly Milson, alternate Scotty Hertel. Ninth Grade Oral Reading - Sandy Gore, alternate Kelly Milson. Boys and Girls High School Poetry Interpretation - Terry Cartwright and Diane Green. Boys and Girls High School Prose Reading - Bryan Bumpas and Dorothy Golden. High School Typing - Scotty Hertel and Terry Cartwright, alternate David Milson. Slide Rule - David Milson and Scotty Hertel, alternate Andrew Nichols. Number Sense - John Paul Golden. High School Science - Bryan Bumpas, David Milson, alternate Scotty Hertel.

In an assembly Thursday in the gym, Mr. Roberts recognized the Benjamin students who placed in the meet and presented the ribbons to them. They are as follows:

Girls Oral Reading - Lynda Hudson, second; Girls Sub-Junior Declamation - Twyla Pierce, third; Boys Sub-Junior Declamation - Alan Baty, third; Fifth and Sixth Grade Spelling - Craig Hertel, second; Becky Welch, third; Boys Poetry Interpretation - Terry Cartwright, first; Seventh and Eighth Grade Oral Reading - Johnny Brannan, first; Boys Prose Reading - Bryan Bumpas, fourth; Ninth Grade Girls Oral Reading - Sandy Gore, second; and Slide Rule - Andrew Nichols, fourth.

At the tennis tournament in Vernon, David Milson won second losing to an Electra boy. In the district tennis meet at Rule Thursday, David Milson won first place and Bobby Brannan took second in the singles. In girls' doubles Debby Hudson and Vicki Terry won fourth by defeating O'Brien.

The golf team made up of Keith Conner, Kenneth Groves, David Jones, Scotty

Hemel, and Terry Cartwright won third in the golf tourney. Our one act play didn't do its place in district, but Terry Cartwright was named to the all-star cast. Kelly Milson was given honorable mention to the all-star cast. I'm sorry, but I don't know the other members of our play cast.

I hope I have not left anyone out. If I have, let me know and I'll correct my wrong. I do know that all teachers deserve recognition as they helped these students to do as well as they did by many hours of prompting, re-prompting. We wish Terry to still in regional and on to state!

FHA WEEK

National F.H.A. week is being observed by the local chapter this week. They have lots of things planned as follows: Sunday - Church at the First Christian Church; Monday - Hill Billy Day; Tuesday - Mr. Irresistible Day; Wednesday - Slave Day; Thursday - Teacher Day; Friday - Cowgirl Day and Friday night - Country How-downs. The Hoe Down is for all Benjamin High School students and their parents. We'll see y'all there. Saturday will be Twy Night.

SHOWER

Again the Community did itself proud Saturday as it showered much needed gifts on the Joe Trepanier family whose mobil home was heavily damaged by fire in early March. Many useful gifts were received by the Trepaniers, and they expressed much gratitude for all the kindness shown them.

West Named Cisco Manager

Wayne West, a former Knox City resident, has assumed the position of manager of Lone Star Gas Co. in Cisco.

West was transferred to Cisco from Hamlet where he had served as manager since 1970.

He began his association with the company in 1954 and was at one time associated with Lone Star Gas Co. in Knox City, moving later to Seymour and Anson.

Wayne is a native of Benjamin and is the son of Mrs. Edith West of Benjamin.

VISITS RELATIVES

Mrs. Loree Clarke visited relatives on the Plains last weekend.

She visited Mrs. E.A. Boerner in Lockney and was in Lubbock Saturday night to attend the wedding of Mrs. E.E. Claburn to George Cole. She stayed overnight in Lubbock with her granddaughter, Mrs. Lynn Beason, and on Sunday visited former resident Mrs. Leone Thomasson in Amberst.

Mrs. Clarke reported that Mrs. Thomasson's health is improving.

Benjamin Native Joins Midland Bank

Tom C. Benson, former Benjamin man, has recently joined the staff of the First National Bank of Midland as assistant vice president and trust and manager, according to Marshall S. McCrea Jr., senior vice president and senior trust officer.

Benson was with Texaco Inc. as a land man prior to his association with the bank. He has lived in Midland for the past six years.

Tom, a 1959 graduate of Benjamin High School, is a graduate of Midwestern University in Wichita Falls.

He is the son of Mr. and Mrs. R.D. Benson of Benjamin.

General Telephone Co. Repricing Rural Rates

SAN ANGELO— Rates resulting from a rural repricing program, inaugurated in Texas earlier this year by General Telephone Company of the Southwest, have been modified, but basic philosophy of placing the cost on "cost causers" has been retained, according to a statement recently released by the company.

Announcement of the change followed a reevaluation by the company after customers in some of the more than 50 exchanges where rural rates had been upped under a new repricing system complained that the price increase was too great.

The reevaluated rural rates which result in decreases will be retroactive and the effects of the changes will be shown on customer bills as soon as possible; however, it is anticipated that it may be June 1 before the work required to make the change is completed. Reevaluated rates which result in increases will not be retroactive.

Notices will be included with bills when the revised or reevaluated repricing program becomes effective.

The revised repricing of rural rates involves changing from five to seven zones, the nearest zone extending one mile from the base rate area (BRA) which approximates the city limits and the most distant, 25 miles and beyond from the BRA. Mileage will be increased for single party customers from 75 cents to \$1.00 for each quarter mile from the BRA.

The company statement pointed out that the percentage of increases under the reevaluated program will vary from customer to customer and may still range up to 100 per cent in zones 15 miles and more from BRA, where only three per cent of the rural customers reside.

General Telephone of the Southwest earnings in 1973 were the lowest in 20 years and many services throughout the company are being repriced under the philosophy of placing the cost of service on cost causers - or those using the service.

Charges for new installations, moves, coin telephones, specialized PBX, PABX and other telephone services used by business customers have been or are being increased.

The administrative costs of arbitrary name changes in the telephone directory, handling non-published numbers, reserving telephone numbers, processing of returned checks, are other charges that have been or are being adjusted by the company as rapidly as possible to more nearly cover the cost of these services.

For example, why should the customer who never moves subsidize the cost of customers who do move?

Before the new rural rates were placed in effect, several exchanges had been "priced out", but the full impact of the cost on customers was not known until all customers had been billed.

"The company is still soundly behind the new pricing philosophy of putting the cost on cost causers; however, the reevaluated rates do not provide the revenue necessary to cover the cost of service in rural areas," the statement said. "While our revenue needs are urgent, we are not going to be able to move as quickly as the first review indicated is needed."

FHA Selects Farm Family of the Year

The Bill L. Miller family of Nacogdoches County has won the 1973 Texas Farmers Home Administration Farm Family of the Year Award, according to an announcement by J. Lynn Futch, State Director of the Farmers Home Administration in Temple.

The Miller family of Route 3, Garrison, Texas, was selected from eighteen district winners nominated for the award. This is the fourth year that the Agency has selected a state winner. Those nominated are farm families who have made outstanding success through the use of Farmers Home Administration credit in developing a family farm, while at the same time, contributing to the betterment of agriculture and their community.

Futch stated that the State Selection Committee had a difficult job in determining the final winner due to the outstanding programs of all families nominated. The Miller family owns and operate a 51-acre broiler farm with an additional 700 acres leased for a beef cattle program and additional broiler houses. Their beef herd consists of 125 mother cows with 50 heifers for replacement and expansion. Six broiler houses with a capacity of 80,000 broilers per run produced 1,554,660 lbs. of meat for the American consumer in 1973. Mr. and Mrs. Miller provide all the labor and no hired labor is used in the day-to-day operations of the farm. Starting out in 1969 with Farmers Home Administration financing, the Miller family, through improved management practices, hard work, and the wise use of credit, has been able to develop a most successful and profitable family farm, while at the same time exemplifying

and to protect the nearly \$4 billion investment that the private sector has in tourism-serving facilities in Texas," Governor Briscoe added.

"At a time when conserving fuel is so important, I want to remind all Texans of the many fine vacation opportunities that about throughout our State." The Governor pointed out that "Texans can visit mountains, Gulf beaches, forests, lakes, deserts, and a tropical valley without leaving the boundaries of our State."

The Governor said the plan to encourage Texans to discover Texas vacation spots will be a coordinated effort

Vacation In State And Conserve Fuel

Governor Dolph Briscoe announced today he is inaugurating a comprehensive plan to encourage Texans to take fuel-saving vacations within the State this year.

"Vacationing in Texas will not only provide Texans the opportunity to see some beautiful country while conserving fuel, but it will help to protect the jobs of 600,000 Texans employed in this \$2.2 billion industry," the Governor said.

"In Texas we aim to save energy—to save jobs. Tourism is one of the industries most sensitive to the gasoline shortage, and by encouraging fuel saving vacations within Texas we will help to preserve the livelihoods of those who serve the traveling public."

rural community leadership and citizenship at its best. The Millers have one son and one daughter and all are active in school, church, and community affairs.

As a State winner, the Miller family will compete for the national Farmers Home Administration Farm Family of the Year Award in Washington in April. The National winner will receive a trip to Washington where they will be honored.

'You Can Do It!' Television Series To Premier Locally

Knox County "do-it-yourselfers" will have their own television series with the start of a new program on KTXS, (Channel 12) at 11:30 a.m. Friday, April 12.

According to Miss Nancy Fuhrken, Knox County Extension Agent, the new series, "You Can Do It!" is a 13-part, educational series on home care and repairs.

"It is designed to teach viewers simple, money-saving care and maintenance techniques," she said.

Locally, the half-hour program each Friday will be sponsored by Knox County Family Living Committee and KTXS-TV.

Created and produced by home economics specialists with the Texas Agricultural Extension Service, the Texas A&M University System, through a special United States Department of Agriculture grant, "You Can Do It!" is being aired statewide on an alternating basis.

During the 13-week series, hostess Cindy Kidwell will teach lessons on how to repair leaky faucets, how to caulk and weatherstrip, and how to paint interiors and exteriors, Miss Fuhrken said.

"On the first program, viewers will learn how to do simple electrical repairs.

"Other lessons will teach viewers how to make toilet repairs and adjustments, how to repair walls, and how to care for wood finishes and carpets.

"The series also will include a lesson on care and maintenance of ranges and refrigerators and a lesson on how to make storage space," Miss Fuhrken added.

Viewers are urged to check local program listings during the series for any changes in programming.

Retired Teachers Hear Mrs. Logan

The Knox County Retired Teachers Association met March 26 at 7:00 p.m. in the Fellowship Hall of the First United Methodist Church.

Mrs. Neal Logan, reporting on her trip to Spain she made last summer, showed slides and told of the beautiful old buildings which are hundreds of years old and aqueducts built of stones that fit perfectly without the use of cement that were built thousands of years ago.

The land in Spain is barren and the principal way of making a living is from tourist trade, Mrs. Logan said.

A teacher in the Munday school system, Mrs. Logan spent a month in Spain touring the country.

IN WICHITA FALLS
Mrs. Estelle Hawkins and Mrs. Mildred Tankersley visited Monday in Wichita Falls with Kay Roberts, a patient in Bethania Hospital.

According to the women, x-rays were to be made Thursday (today), and if everything went well, she would be put in a brace and should be able to return home Sunday.

Civil Service Begins New System April 1

The United States Civil Service Commission has begun a comprehensive project to improve recruiting and examining for Federal employment. The Dallas Area Office of the Civil Service Commission will begin a new system of accepting applications for Federal employment effective April 1, 1974, under this new project.

In announcing the change, Vere B. Robinson, manager of the Commission's Dallas Area Office, described the change as a major step forward in providing better service to the people in the North Texas area.

The improved system will work very simply from the public's standpoint, according to Mrs. Robinson. The Dallas Area Office will no longer issue examination announcements for Federal jobs.

Persons interested in non-postal Federal employment in the North Texas area need only visit, or call toll-free, the Federal Job Information Center in Dallas. They will be given information on anticipated job vacancies and the employment outlook for the North Texas area.

If there is a known need for the person's skills, an application for employment will be solicited from the candidate. They will also be given information about qualification requirements and application procedures for those expected vacancies.

If the person wishes to apply for a Federal position for which there is no immediate hiring need, the system provides for accepting a job interest card for notifying the person should a vacancy occur. At that time, the person will be requested to complete an application and take any necessary examination for employment consideration.

Under this new system, any citizen will be able to file either an application for employment or a job interest card at any time they are interested in Federal employment. So that accurate job information will be available to the public, Federal agencies in the North Texas area will be required to notify the Civil Service Commission quarterly of their anticipated job vacancies.

There is no change in the basic merit system of open publicity for job opportunities, free competition, rating of candidates against job related requirements, and selection from the top three.

COUSINS ATTEND FUNERAL SERVICES

Jim Anderson and Mrs. Zena Wall attended funeral services for their aunt, Mrs. Earl (Josie) Blasienz Sr. Wednesday at Rosebud.

Mrs. Blasienz, 91, of Temple died Monday after a long illness. She was the daughter of the late Mr. and Mrs. L.C. Porter.

Two sisters, Mrs. Estelle Bolin and Mrs. Mildred Anderson, who both lived in Knox City, preceded her in death.

IN ODESSA

Mrs. Jack Stubbs and Shea visited Alan and Rolanda Orr in Odessa last week.

W.P. Farrington. During the year, many more books are donated as memorials.

Some of the programs the library participates in are the summer reading and the children's story hour. An average of 80-90 children enroll each year in the summer reading sponsored by the Texas State Library and City-County Library. The children's hour is held each week on Tuesday morning from 10:00 to 10:45 for pre-schoolers. Mrs. Ina Cowan reads to the children, and they all thoroughly enjoy it.

Members of the library board are Mrs. Darlene Bellinghausen, chairman, Knox City; Mrs. Ann Therwanger, co-chairman, Munday; Mrs. Ina Cowan, corresponding secretary, Munday; and board members Mrs. Nelda Coulson of Goree, Mrs. Sue Clayton of Knox City, Mrs. Emma Fetsch of Rhineland, and Bobby Burnett, Clint Norman, and M.M. Booe, all of Munday. Executive board members are Troy Gauntt, representing the United Fund; Mayor J.E. Reeves, representing the City of Munday, and County Judge Sam Clonts of the Knox County Commissioners Court.

Last year alone the book circulation was in excess of 7,541 which shows how widely the library is used. Operating hours are from 10:00 a.m. to 12:00 noon and from 2:00 to 5:00 p.m. Monday through Friday. Mrs. Hobert invites all county residents to come by and take advantage of their over-growing service to the area.

Capt. Moore Stationed At San Antonio

SAN ANTONIO--U.S. Air Force Captain William R. Moore III, son of Mr. and Mrs. William R. Moore Jr. of Munday and grandson of Mr. and Mrs. B.M. Farmer of Knox City, arrived for duty in February at Randolph AFB, Tex.

Captain Moore, a T-38 Talon instructor pilot, is assigned to a unit of the Air Training Command. He previously served at Sheppard AFB, Tex.

The captain, a 1966 graduate of Munday High School, received a B.A. degree in finance in 1970 from Texas A&M University where he was commissioned through the Air Force Reserve Officers Training Corps program.

His wife, Jerre, is the daughter of Mr. and Mrs. R.C. Couch Jr. of Haskell.

Nix Home From Land Bank Meet

J.E. Nix of Anson, Texas, has just returned from Houston where he represented the Federal Land Bank Association of Haskell at the annual Stockholders' Meeting of the Federal Land Bank of Houston. The meeting, held at the Houston Oaks Hotel, was attended by members of 66 Federal and Bank Associations located in Texas. There were about 500 persons in attendance at this meeting.

Stockholders and guests heard President George W. Cunningham present his annual report to the stockholders in which he reported that in 1973, the 254 million dollars in loans closed was the most credit ever extended to Texas farmers and ranchers in a single year in the Bank's 57-year history. Also, those attending heard addresses by Governor Dolph Briscoe and Dr. James A. Byrd, Economist. First International Bancshares, Inc. of Dallas, Texas.

The Federal Land Bank of Houston makes long-term loans on farm and ranch property throughout Texas and is currently servicing over 35,000 loans for more than 867 million dollars.

The Federal Land Bank Association of Haskell makes and services loans in this area. Members of the Board of Directors are J.E. Nix, Weldon Walker, O.G. Lewis, E.H. Burnett, and Ralph Howe. Others attending the meeting from this area were Joe Harper, manager, and Rex Conner, Ass't Manager and Weldon Walker.

consisted of 1500 books at that time.

When the Chamber of Commerce office moved to the City Hall in 1961, the library was also moved, since the Chamber realized its significance and importance. The chief support of the library for the past seven years has been the United Fund. It has included the library in its budget for \$1,000 annually during that time. The county also contributed some support for maintenance.

In 1968 the library was established as the City-County library. In 1969 when the Chamber of Commerce office moved to its present location on East B Street, the library again moved with it. It was once more outgrowing its bounds in the City Hall. At this time the city was petitioned to include the library in their budget for \$125 per month for maintenance and for employing a permanent librarian. The city and county entered into an agreement where the county matched the funds supplied by the city. During the past year the library received an additional \$2,000 from the county revenue sharing funds.

The first full-time librarian was Mrs. Pansy Hines. When she resigned to pursue other interests, Mrs. Donald (Edith) Hobert was employed. She has been serving in that capacity since December of 1970.

During the past year the library became a member of the Texas State Library Board and is served by the Abilene Major Resource Center, and is on provisional status for further aid. Provisional status requires that a library have 10,000 books, an annual income of \$6,000 (or \$1.00 per capita population), and be open at least 20 hours per week. Only two of the three requirements are necessary for membership, and the City-County library has accomplished the last two and is striving diligently for 10,000 books.

The library is continually growing and has added equipment as well as books in the last few years. Some of the equipment purchased by the library includes a typewriter, an adding machine, and a paperback book rack.

Memorial gifts to the W.E. Braly Memorial Fund has provided the library with a card cabinet, dictionary and stand, and children's table and chairs.

Large book donations have helped in the goal to attain 10,000 books. Some of the larger contributors include Charles Baker with 41 books, Mrs. Darlene Bellinghausen 33 books, and Mrs. Lucille Smith 64 books. The largest donation was made by Mrs. Mauryse Scott when she donated 198 books from the late Dr. A.A. Smith's medical library. Many books from the late W.P. Farrington's medical library are also available and were donated by Mrs.

LIBRARIAN Mrs. Edith Hobert is shown with new shelves for the library. (Photo by Day Courier)

Knox County Library In Shows Growth

Books purchased from the county revenue sharing funds and the other was donated by a patron of the library. The present shelving had been inadequate as the library continually added books through purchases and donations. As the library neared 8,000 books, it again appeared to be outgrowing its space. But the new shelving will enable the librarian to display many more books than was possible before.

When the Munday Study Club established the library, its members performed a lasting service for the county. As the demand for books increased, the Study Club asked the Chamber of Commerce to let them move the books into their office on Munday Avenue. Mrs. Don (Callie Ann) Combs, chamber manager, served as the first librarian after the move. The library

Report At WTCC CofC Meet

Odessa presiding. He is a WTCC Past President and Assistant to the President, El Paso Products Company. The event is being sponsored by the West Texas Chamber of Commerce Cultural Affairs and Tourist and Travel Development Committees, The Presidential Museum, and the American Revolution Bicentennial Commission of Texas and of Odessa.

Congressman George Mahon will be the principal speaker at the opening banquet on Thursday evening, O. R. Clements of Odessa, WTCC Vice President of District VI, will serve as master of ceremonies. Mr. Clements is General Manager of Manufacturing, El Paso Products Company.

The Friday morning program will begin at 7:00 with the Executive Committee Breakfast in the Coronado Room, Inn of the Golden West. From 8:30 to 9:00 the Midland Lions Club Band will present a 30-minute concert in the lobby of convention headquarters.

Harry W. Clark of Midland, Chairman, WTCC Local Action Committee and Senior Vice President of the First National Bank of Midland, will convene the convention at 9:00 Friday morning. This will be a series of 74-second

reports by presidents of West Texas local chambers of commerce on what their towns are going to do about Energy/Energetic Leadership in 1974.

At 10:00 a.m. Burvin Hines of Arlington, Chairman, WTCC Tourist and Travel Development Committee, and Senior Vice President of the First National Bank of Arlington, will moderate a panel discussion of "Bicentennial Opportunity for Energetic West Texas Leadership." The panelists will be Thomas H. Barnett Jr., Chairman, WTCC Cultural Affairs Committee and Vice President of Neiman Marcus, Fort Worth; Mrs. Gene Brownrigg of Arlington, Executive Director, American Revolution Bicentennial Commission of Texas; and Mrs. Norma Slevidge of Clarendon, Chairman, Donley County Bicentennial Committee.

At 10:40 Friday morning there will be a second panel discussion on "Money Makers for West Texas." The panelists will be John White, Texas Commissioner of Agriculture, speaking on Agriculture; J. T. (Happy) Shahan of Brackettville, WTCC member of the Executive Committee-at-Large and a Director-at-Large, and owner of Alamo Village, Inc. near Brackettville. He will speak for Tourist and Travel. Ray Clymer of Wichita Falls, President of the Wichita Falls Board of Commerce and Industry, and President of Golden Distributing Company, will discuss Commerce and Industry. The moderator will be Frank Junell of San Angelo, Chairman, WTCC State Affairs Committee and Chairman of the Board of the Central National Bank of San Angelo.

John Ben Shepperd will serve as master of ceremonies at the Great West Texan Luncheon in the ballroom of The Inn of the Golden West starting at 12:15 Friday. The honorees will be selected West Texas presidents of Texas statewide organizations and associations, and West Texas members of Texas State Boards.

"Energy and West Texas" will be the topic in a panel discussion Friday afternoon in the Coach Room. The panelists will be A.V. Jones Jr. of Albany, President, National Oil Wells Stripper Association; Hon. Jim Langdon, Chairman, Texas Railroad Commission; Col. Delbert Fowler of Dallas, Regional Administrator, Region VI, Federal Energy Office; and Howard Drew of Fort Worth, Director of Research, Texas Electric Service Company.

President Rassman will preside at the Annual Business Meeting Friday afternoon at which reports will be heard; 1974-75 officers elected; and the site of the 1975 Convention will be selected. Gov. Dolph Briscoe will address the convention at the annual banquet in the ballroom of The Inn of the Golden West. Master of Ceremonies will be Jay Alvey of Odessa, a WTCC Director and Vice President of the First National Bank of Odessa.

The annual Quota Buster Breakfast is scheduled for 9:00 a.m. Saturday in the Golden Rooster Club at the Inn of the Golden West.

On display during the 3-day event will be a full-color portrait display of members of the WTCC Executive Committee. The portraits are by Gittings of Fort Worth and in recent months have been displayed in the foyers of various banks and business institutions throughout West Texas.

Another interesting display will be WTCC's Fun and Adventure Tourist and Travel Show exhibit which was featured at the Travel Show in Dallas this month.

IN CROWNOVER HOME
Weekend visitors in the John Crowover home were Mr. and Mrs. Ken Thomas of Waco.

The group was joined Sunday by Mr. and Mrs. George Wall and Debbie and Mr. and Mrs. Arville Coyle, all of Childress.

IN WILSON HOME
Visiting in the home of Mr. and Mrs. Ernie Wilson last week were their daughter, Mrs. Charles Winstead and Hollie of Oklahoma City, Oklahoma.

They were also accompanied to Knox City by Vickie Dean, a friend of Hollie's.

Burleson Announces For Re-Election

Congressman Omar Burleson has formally announced his candidacy for re-election to Congress, subject to the Democratic Primary on May 4, 1974, and the General Election in November. The 17th Congressional District, which he represents, is composed of 33 counties, covering approximately 30,000 square miles. Within this area live about 466,500 people.

Burleson says, "During my tenure of office I have followed two guiding principles: First, to know the views of my constituents and reflect their sentiments to the greatest degree possible in my actions in the Halls of Congress. Second to inform and advise as closely as I can on those issues which affect our District, our State, and our Nation."

Burleson termed his approach to Government as one of "commonsense," gained through the years of public service. "I have tried to see that the people's tax money is spent as wisely and as judiciously as you would have spent it had you been in my place," he said.

"The record will show that a greater part of the time I have found myself in the minority in opposing the vast spending programs of doubtful value which have been put into effect in recent years. In every Session of the Congress the record will show my votes for expenditures below that recommended by the Executive Department and far less than actually appropriated by the Congress, except in the field of National Defense," Burleson said. He continued, "Without meaning to appear boastful, if the Congress had followed those of us who have voted consistently over the years for fiscal responsibility, our financial affairs would not be in the shape they are today."

"In area providing for the defense of our Country, I have always supported those things to make and keep our Nation stronger than any other in the world," he said. "I have been discerning in separating those activities which the Federal Government was not designed to do, from those which are truly its responsibility," he said.

Burleson stated that activities of State and local governments, in accordance with the Constitution, should not be infringed and encroached upon by the Federal Government. "The Federal Government does have specific missions," he said. He gave as examples the conservation of our natural resources, the defense of the Country and its general welfare.

"At the same time," he said, "the Federal Government can not and should not try to take care of everything from Washington. The Federal Government has grown to colossal proportions and centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed and my record is clear in this respect."

Burleson is among the senior members of the U.S. House of Representatives in point of service. He was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress. He is a member of the Ways and Means Committee, considered to be the most powerful and prestigious in the Congress.

Burleson is a former County Attorney and County Judge of Jones County. He was appointed an FBI Agent, and served in a number of assignments over the U.S. He

resigned from the FBI to join the Navy in World War II, and saw duty in both the Atlantic and Pacific.

Burleson ended his formal announcement by saying, "Although not having opposition in this year's election, it is my hope to visit my constituency as opportunity affords. The Congress being in session at this time and expected to be long after the Primary Election, there will be little time to leave duties in Washington. I expect, however, to get back home at short intervals to do the best I can in seeing my friends and to make new ones. I believe it is incumbent upon a Congressman to know people and that they know him, to have the best representation. This is fundamental in our system."

Five Accidents Occur In County

The Texas Highway patrol investigated five accidents on rural highways in Knox County during the month of February, 1974, according to Sergeant J.W. Garner, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and two persons injured.

The rural traffic accident summary for this county during the first two months of 1974 shows a total of nine accidents resulting in no persons killed and three persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for February, 1974, shows a total of 322 accidents resulting in 10 persons killed and 208 persons injured as compared to February, 1973, with 380 accidents resulting in 10 persons killed and 173 persons injured. This was 58 less accidents and 35 more injured in 1974 at the same period of time.

The ten traffic deaths for the month of February, 1974, occurred in the following counties: three in Young; two in Wichita; one each in Castro, Moore, Randall, Crosby, and Montague counties.

ATTEND SEMINAR IN ARLINGTON

Mrs. Peggy Guinn, accompanied by Mrs. Pat King of Munday is attending a seminar for insurance secretaries in Arlington this week.

Peggy is employed by Baker-Clonts Insurance.

Social Security Sets New Work Limits

Persons receiving social security benefits can earn more in 1974 without having their benefit payments withheld than they could in 1973.

Henry Chustz, Manager of the Vernon Social Security Office, wishes to emphasize that the exempt amount of earnings has been increased to \$2400 in 1974. In 1973, the exempt amount was \$2100. Anyone who receives social security payments and expects to earn more than \$2400 should notify the social security office if he has not already done so.

Chustz also points out that if annual earnings go over \$2400 in 1974, social security withholds \$1 in benefits for each \$2 in earnings above \$2400. Additionally, no matter how much you earn a year, you can get full benefits for any month in which you do not earn \$200 in wages and you don't perform substantial services in self-employment.

He also reminds those beneficiaries whose 1973 earnings exceed \$2100 to file a report with the social security office on or before April 15. Late filing may result in a penalty in addition to the normal withholding of benefit payments.

The Vernon Social Security office is located at 1701 Cumberland St. and the telephone Number is 552-9346.

Hobby Club Has Meeting

The Knox City Hobby Club met Tuesday evening in the Community Center with seven members and three visitors present.

Mrs. B. Hendrix presided at the business meeting. The club voted to make a donation to the cancer crusade.

Mrs. Ross Mac Oliver, candidate for the school board, was guest speaker for the meeting.

Hostesses Mrs. Hendrix and Mrs. Jessie Teague served refreshments to Mesdames C.O. Thomas, Bill Smith, Guy Robinson, Pete Edge, John Egenbacher, Dan Sikes, Jerry Benson, and Ross Mac Oliver.

The club meets the first Tuesday of every month, and everyone is invited to attend.

FROM TEXAS TECH

Charlie Lieb, student at Texas Tech University, spent the semester break with his parents, Mr. and Mrs. Arche Lieb.

FROM STAMFORD

Mr. and Mrs. Cecil Bingham and family of Stamford visited his parents, Mr. and Mrs. Ben Bingham Monday.

KOREA VETERANS BEING HONORED

The Korean Light, Inc. is seeking names of American military veterans who served in Korea since August, 1945, to thank them for helping Korea gain its freedom.

Korean veterans are asked to send their name and address, dates of service in Korea, military unit, and rank to: Korean Light, Inc., P.O. Box 950, El Segundo, Calif. 90245.

Personalized letters of appreciation from Korea are being sent to American Veterans of Korea as a part of commemoration of 20 years of freedom and prosperity since the Armistice between the Republic of Korea and Communist North Korea.

Peter Kang, president of Korean Light, Inc. said his nonprofit foundation is coordinating the nationwide search for the Korean veterans.

"TEMIK" has done a real good job for us."

Warren Short of Rochester, Texas, wants to control over-wintering weevils, fleahopper, and thrips. So he used TEMIK® 10G aldicarb pesticide on all his 450 acres of cotton in 1973.

His report: "TEMIK has really cut down our fleahopper and thrips, and we feel sure that it has knocked out a lot of over-winter weevil. You put TEMIK down when you plant, and you're through with it. You don't have to go over your land any more. It's looked awfully good... TEMIK is going to be a valuable thing."

TEMIK is the only pesticide Mr. Short uses, and he says TEMIK seems to stimulate plant growth during the early development of the cotton plant.

"TEMIK helps us set our crop early. It grows off faster, and lets our cotton fruit up early."

STOP! All pesticides can be harmful to health and the environment if misused. Read the label carefully and use only as directed.
