PARADE, PROGRAM FRIDAY TO HONOR VETERANS

Greyhounds and Rochester Steers To Tangle Friday

Highlight of holiday activities tomorrow (Friday) will be the annual Knox City-Rochester gridiron classic, which will be unreeled on the local field beginning at 2:30 p. m.

With their 20-0 win over the Rule Bobcats last Friday night the Greyhounds go into tomorrow's game the only undefeated, untied Class B team in West Central Texas. A win over the Steers tomorrow would cinch them a tie for the district championship, with only Luaders standing between the 'Hounds and the clear title.

The always-strong Steers have ridden rough-shod over all opponents since their first game of the season, when they lost to Class A Munday, 13-14. If they get by the Greyhounds Friday, only Rule will be between them and the district championship.

In their eight games so far this season the Greyhounds—whose substitutes have seen plenty of action in several games—have scored a total of 176 points to their opponents' 53. The Steers have also played eight games, racking up 243 points while allowing 62.

Against the same opponents Rochester has piled up larger scores. The Steers beat Trent 42-6 while Knox City beat Trent 34-15; Rochester beat Aspermont 40-6 Knox City beat Aspermont 26-0; and Rochester beat Hermleigh 34-0 while Knox City beat Hermleigh 34-14.

Tomorrow's game will be the fourth annual contest between the two teams. In 1952, Knox City's first year to play 11-man football, the Greyhounds battled the surprised Steers to a 19-19 tie, but in 1953 and 1954 the local lads, short on power, speed and experience, were unable to hold the stampeding Steers.

This year the 'Hounds may be ready to wrest the championship from their traditional rivals. Coach Les Cowan says his charges are in fine shape both physically and mentally. The only player out with an injury is Carl Bradley, first-string guard who suffered a broken leg in the Knox City-Aspermont game. Rip Collins, who has missed the last two games because of an injury, will be back in action, as will Halfback Cecil Beauchamp, who was out of the Knox City-Rule game because of illness.

Win, lose or tie, the Greyhounds will give their fans plenty of thrills Friday, and the athletic field is expected to be full-to-overflowing for the game.

At Rule last Friday night the Bobcats held the Greyhounds scoreless during the first half, although statistics showed that the 'Hounds had their opponents outclassed. The first score was set up in the third period when Knox City recovered a Rule fumble on the Bobcats' 15. Quarterback Don Corley scored from one yard out. In the same period Halfback Max Bradley ran 15 yards to score, ending a 42-yard drive.

In the final period Fullback Bobby Day got through the entire Rule team and traveled 75 yards to pay dirt. Minutes later Day tackled Rule fullback Sonny Wharton behind the Rule goal line for a safety, giving Knox City another two points.

Reverend O. E. Simmons of Mineola will do the preaching.

The public was invited to attend each service, which will begin at 7 each night.

Students to Serve Community Supper

Those who like good food served in a pleasing manner were reminded this week of the Thanksgiving supper which will be served at the school lunchroom Monday evening, Nov. 21.

The supper will be sponsored by the Junior and Senior classes and prepared by their mothers.

Tickets will go on sale Monday of next week. The entire meal of turkey, dressing, and all the trimmings, including traditional Thanksgiving deserts, will cost \$1. Tickets will specify the hour the buyer wants to eat, 6, 7, or 8 o'clock.

City Council Passes Ordinance Regulating Peddlers, Transients

The city council at a recent meeting passed an ordinance regulating and setting up license fees for peddlers, transient merchants, carnivals, tent shows, etc.

Mayor Barney Arnold said the city already had ordinances covering some of the businesses named in the new ordinance, but that the new ordinance is more comprehensive.

Arnold said the license fees and special taxes are not considered prohibitive, but insure that the city will receive some revenue from every business in town for a few days, weeks or months.

Under the new statute, any person who establishes a business in the city that may be temporary or transient is classified as an "itinerant vendor," and is required to pay a license fee of \$100.00. In addition he must execute a bond in the amount of \$1,000.00. However, if the merchant makes an affidavit that it is his intention to locate permanently in Knox City he is relieved of this provision. He will deposit with the city \$200.00, which will be returned, less taxes, if and when he remains in business one year.

This section of the new ordinance is designed to discourage an out-of-town merchant from setting up a "store" in Knox City for fall trade, and moving his stock without rendering it for taxes.

The entire ordinance is published elsewhere in the Herald this week.

At its most recent meeting the council approved an ordinance prohibiting the sale of fireworks within the corporate limits of the city, and forbidding the shooting of fireworks in the fire zone. The shooting of fireworks in the fire zone was prohibited by an existing ordinance, which city officials said was hard to enforce as long as the explosives were offered for sale in or near the fire zone.

DELTA KAPPA GAMMA MEETS AT MUNDAY

Members and guests of the Beta Chi Chapter of Delta Kappa Gamma were entertained with a breakfast at the First Methodist Church in Munday Saturday morning, Nov. 5.

Munday members were hostesses.

The breakfast was served in an oriental setting, with guests sitting on the floor and eating from low tables, a custom in the east. Mrs. Flora Bell Blacklock and Mrs. Elizabeth Bowden were dressed in Japanese costumes and Kenneth Baker, who assisted with the program, was dressed in the native costume of a Chinese farmer. Kenneth and his mother, Mrs. Pitzer Baker, displayed articles from Japan and showed colored slides he made while in service in Japan and Korea.

Special guests were future teachers. They were Joy Allen and Jeanie Strickland from Haskell, Juanita Welch and Margaret Yandell of Munday, Sammye Darr, Donna Worley, June Cox, Joan Wilson, Jo Chaffin and Georgiana Fitzgerald from Knox City.

Knox City chapter members who attended were Misses Otis Cash, B. B. Campbell, Charley Cape, Chas. Silk, and Leroy Melton.

Booster Club Buys Blankets for Football Squad

One of the first official acts of the Greyhound Boosters Club, recently organized to support the Knox City school athletic program, was the purchase of blankets for the entire Greyhound football team.

C. E. Williams, club president, said 28 blankets were purchased and given to the boys before last week's game.

"The gift of the blankets was greatly appreciated by the boys and by the school," Supt. Chas. E. Silk said. "The boosters club is a fine thing and we want to express our personal appreciation to every man who is a member. The organization may mean a great deal to our athletic program in the future."

Monday night the club had 135 members, and additional members are being solicited. All members and prospective members are urged to be at the pep rally Thursday night and at the ball game-Friday in time to help form a line for the Greyhounds to pass through as they enter the field.

Proclamation

WHEREAS, the President of the United States has issued a proclamation calling upon all the citizens of this Nation to observe Friday, November 11, 1955, as Veteran Day to commemorate and to pay appropriate homage to the veterans of all wars of this Nation who have contributed so much to the preservation of this Nation; to solemnly remember the sacrifices of all those who fought so valiantly on the seas, in the air, and on foreign shores to preserve our heritage of freedom, and

WHEREAS, the Governor of the State of Texas by proclamation has further requested all citizens of the State of Texas to observe Friday, November 11, 1955, as Veterans Day,

NOW, THEREFORE, I, BARNEY ARNOLD, Mayor of the City of Knox City, Texas, do hereby call upon all the citizens of Knox City to observe Friday, November 11, 1955, as Veterans Day. I request all citizens of this City, business enterprises, veterans' organizations and city officials to assist the State Committee for the observance of Veterans Day in every way possible for the observance of November 11, 1955, with appropriate ceremonies.

IN WITNESS WHEREOF I have hereunto set my hand and caused the official seal of the City of Knox City, Texas, to be affixed.

Done at the City of Knox City, this 9th day of November, 1955.

BARNEY ARNOLD,
Mayor of Knox City, Texas.

Man Held in Shooting of Construction Worker Here

J. Frank Davis, 42, of Carlsbad, N. M., a construction superintendent for Pecos Valley Construction Co., was shot here about 5:50 p. m. Tuesday, and Tom B. Arrington of Tulsa, Okla., is in the Knox County jail charged with assault and attempt to murder.

The shooting occurred in the Pecos Valley office in the old city hall building. Both men had been in Knox City several months working on the street paving project, with Arrington representing the city and Joe E. Ward, consulting engineer.

Davis, wounded near the stomach

by a bullet from a .25 cal. automatic pistol, underwent surgery at the Knox County Hospital Tuesday night and is reported out of danger. A second bullet from the gun grazed his hand.

There were two witnesses to the shooting, Bill Ross and Jim Bohm, both employees of the construction company. According to Ross the four were talking in the office when Arrington whipped out the pistol and fired. Ross was quoted as saying the two men had a disagreement some time ago and had avoided each other since.

Arrington, 48, waived examining trial and was charged by Sheriff Homer T. Melton. Justice of the peace Jay Driver at Benjamin set bond at \$5,000.

According to officers, Arrington had been drinking when arrested shortly after the shooting. He had purchased the pistol in Knox City Tuesday afternoon.

Austin Man Speaks At Teachers Meeting

The Knox County unit of Texas State Teachers Association met at the local school Monday night for a program and business meeting.

Guest speaker was John Lovelady of Austin. Lovelady is in the field service division of TSTA and his speech was about the provisions of Senate Bill No. 290. The bill is a constitutional amendment to be voted on by the people in November, 1956. It is commonly known as the Teachers Retirement Amendment and proposes to hold teachers in the teaching profession and to attract young college graduates into the profession.

Members of the seventh grade sang "Hello! Hello! Hello!" and "I've Been Working on the Railroad." The high school chorus sang "The Lord's Prayer" and "The Kentuckian Song," and Mary Hitchcock gave a baritone horn solo, "The Rosary," accompanied by Mrs. E. Q. Warren at the piano.

James Carver of Goree, president, conducted the business meeting when new officers were elected. Mrs. Maurys Blacklock of Munday was elected president; Chas. E. Silk of Knox City, first vice-president; M. J. Kirby of Vera, second vice-president; and Miss Juanita Smiley, secretary.

Pep Club Sells Mums For Football Game

"Everybody is wearing a corsage to the Rochester-Knox City football game Friday." So say members of the pep club in selling huge chrysanthemums this week.

Orders for yellow, white, or bronze mums are being taken by the club and will be delivered Friday morning to your home. The mums sell for \$1.75 each.

Those who want to wear a mum to the game may call Mrs. Otis Cash or Mrs. Sammy Tankersley, club sponsors, or any member of the pep squad.

Malone Resigns O'Brien Pastorate

Rev. W. D. Malone resigned as pastor of the O'Brien Baptist Church during the evening services at the church Sunday. His resignation will become effective Friday, Nov. 18.

He has accepted the pastorate of the Calvary Baptist Church in Brownwood, and will preach his first sermon there as pastor Sunday, Nov. 20.

Rev. and Mrs. Malone came to the O'Brien church, his first full-time church, over three years ago. He is a graduate of Louisiana College and Southwestern Theological Seminary in Ft. Worth.

The Calvary Baptist Church has 400 enrolled in Sunday School, Rev. Malone said.

SANTA ROSA SOCIETY TO MEET IN VERNON

The first meeting of the Santa Rosa Horticultural Society will be held at Memorial Auditorium in Vernon Wednesday, Nov. 16, Mrs. B. B. Campbell, president, said Tuesday.

Hostesses will be members of the Knox City Garden Club.

Guest speaker will be Mrs. Tommy Hampton of Dallas, the former Sydna Edwards of Knox City, daughter of Dr. and Mrs. T. S. Edwards.

Mrs. Hampton is an accredited judge of garden shows and has conducted clinics in numerous clubs over the state. In Dallas and this part of Texas she is considered "tops" in flower arranging. Her topic for the meeting will be "Holiday Arrangements."

A business meeting will be held at 10 a. m. The 12 o'clock luncheon will be followed by the program at 1:30.

The public was invited to attend. Those from Knox City who would like transportation to Vernon may contact Mrs. L. W. Graham, president of the Knox City Garden Club, or any member of the club.

\$1,600 in Prizes Offered In Soil-Building Contest

Prizes totaling \$1,600 will be awarded in the Soil Building Contest being launched in the Wichita-Brasos Soil Conservation District, Jack Idol, chairman of the Board of Supervisors, announced. Money for the prizes was contributed by individuals in Knox and Haskell counties, by Knox County and the Soil Conservation District.

The contest is divided into two divisions—for irrigation farmers and dry land farmers. Prizes offered are \$300 for first place in winter legumes, dry land; \$300 for first and \$100 for second place in summer legumes, dry land; \$300 for first and \$100 for second place in winter legumes, irrigated; and \$300 for first place and \$100 for second place in summer legumes, irrigated. A farmer may enter in only one division—irrigated or dryland.

Any land that has not had legumes planted on it in the past two years will qualify for the contest. To enter, a farmer must have a legumes program on ten per cent of his acreage or ten acres, whichever is the greater. A check plot of at least one acre must be left adjacent to the contest plot. Farmers were urged to file entries as soon as possible. Entries will be accepted until February 15, 1956, on winter legumes, and deadline for entry in summer legumes is July 15, 1956.

The district supervisors will select judges to make the awards.

Veteran's Day activities in Knox City will be launched by a downtown parade beginning at 10:30 Friday morning, followed by a short program at the American Legion Hall.

A. W. Davis of Paducah will be principal speaker for the program. Mr. Davis, district attorney for this district, is a veteran of World War II and an active reservist.

In addition to the local school band and Legionnaires, the Rochester school band and American Legion post have accepted an invitation to participate in the parade, according to L. E. Groves, local post commander. The parade will form at the corner of the Citizens State Bank and march to the Legion Hall.

After the advancement of colors, the invocation will be given by Abe Watson, chaplain of Teague-Carpenter Post No. 229. Mr. Groves will be master of ceremonies for the program, which will include special musical numbers. The principal speaker will be introduced by Chas. E. Silk, superintendent of schools.

The entire program will last about an hour, according to Commander Groves. He urged every patriotic citizen to be present to help honor all veterans of all wars.

Haskell County Due New F-M Project

Contract for an additional Farm-Market road project in Haskell County is due to be awarded in Austin Nov. 22 by the Texas Highway Department. Notice to prospective bidders on the contract is being published this week.

The new road will be in Precinct 1, in the O'Brien area, and will consist of approximately nine miles of all-weather highway.

The project has been designated as Farm-Market Road No. 2229 and will extend from O'Brien west a distance of 8.845 miles where it will intersect with other roads in that area.

The contract to be awarded Nov. 22 will cover all grading, structures, base and surfacing.

C. W. Westbrook of Stamford, resident engineer for the Texas Highway Department, will supervise construction of the new road.

SENIORS TO WASH CARS AS CLASS PROJECT SATURDAY

Members of the senior class of Knox City High School have made arrangements to go into the car washing business this Saturday, Nov. 12. All proceeds will go into the class fund to be used for their annual educational tour at the end of school.

Cars will be washed and greased at Angle Service Station, beginning at 7 a. m. Saturday, by the seniors. Anyone who wants his car cleaned and greased may contact Mrs. June Tankersley, class sponsor, or any member of the class.

"We will charge \$3 per car and guarantee your complete satisfaction," class officials said.

Soil Testing Lab Set Up at Seymour

A soil testing laboratory will soon be in operation in Seymour, Roy McClung, Baylor County Agent, reported this week. The laboratory is being made possible through the Extension Service of Texas A. & M. College, the county, the city, and local people. In the past, all the soil analysis work has been done in the laboratory at College Station, on a state wide basis.

McClung said the officials of A&M had felt, for some time, that the people were not using the laboratory as they would if it were located within the county or near by, and they wanted to establish one out in the county to see what the results would be. The County Agent stated that the laboratory was offered to Baylor County if the county wanted it, and provided an office could be found to locate it in: if someone would agree to hire a technician to do the analysis, and raise approximately fifteen to seventeen hundred dollars with which to purchase the necessary equipment. As usual, the people of Baylor County responded very quickly: the Baylor County Commissioners Court agreed to hire the technician; the city of Seymour agreed to furnish an office; and a number of Baylor County businessmen, and ranchers have given generously of their money to help purchase the equipment.

The commissioners court has employed Mrs. Joe T. Boone, a Seymour resident, to do the analysis work under the supervision of the county agent, and to do secretarial work in the county agent's office when she is not busy in the laboratory.

The county agent reported that a committee consisting of three farmers, a rancher, and one businessman, has been set up to handle the money for the laboratory, purchase the equipment and help in any way possible in getting the laboratory set up and operating. The committee is composed of Lowe Stout, G. C. Wirz, M. M. Busby, Merton Couch and Jack Jones.

The equipment was ordered last week and should be delivered within 15 or 20 days.

County Agent McClung stated that he hoped that the laboratory would be ready for operation by

November 15.

The county agent and Mrs. Boone will go to Texas A&M for a week or 10 days of training in the laboratory there on the technique of actually running the test. After each sample is analyzed the county agent will make recommendations as to what the soil needs to grow a particular crop.

"We want to emphasize that the laboratory is not just for Baylor County farmers only, but will be used by Knox, Haskell, Throckmorton and other surrounding counties," McClung stated. "In fact, anybody that wants to have their soil analyzed can get it done here."

This will be the only such laboratory in this part of the country; with the exception of the one located at Midwestern University, it will be the only one located between Wichita Falls, Texas, and Las Cruces, New Mexico.

The town of Seymour and Baylor County and surrounding area should feel honored in having been selected to set up a laboratory such as this.

NAVY OFFERS TWO-YEAR ENLISTMENT CONTRACTS

The U. S. Naval Air Station, Dallas, Texas, will accept men 17 to 31 years of age for immediate two-year active duty contracts under a Naval Reserve enlistment satisfying selective service obligations.

Boot training is currently being held at Great Lakes, Illinois. After completion of boot training and leave, the men are assigned duty with the fleet for the remainder of the two-year active duty contract. Men released from active duty are required to remain in the Naval Reserve for four years.

Benefits while on active duty include: uniforms, travel, sports, recreation, leave, medical and dental care, dependents allowance, disability benefits, officer training programs, free \$10,000 insurance, valuable vocational training, pay and career opportunities.

This is the first offer in several years made to men in the age group 17 to 31 years for a short two-year active duty contract. Men who have received a call from their local Draft Board are not eligible to apply.

Those young men interested may apply at the Recruiting Office, U. S. Naval Air Station, Dallas, Texas.

The case of the missing housewife

There's a roast cooking to perfection in the electric range. Ice cream is being made — in the refrigerator. Coffee is percolating. The children's play clothes are being washed clean as new.

But there's no one in the kitchen!

One clue solves the case — *electricity*. It works automatically — Mother doesn't have to stay in her kitchen. Right now, she's attending a P.T.A. meeting. And when she gets home, the dinner will be ready, the laundry done.

Another clue — electric servants work for low wages — costs only a few cents a day for the average family.

Isn't it by far the biggest bargain in your family budget? The men and women in your electric service company are constantly working to keep it that way.

That the words "Itinerant Vendor" shall be construed to mean and include all persons, firms, corporations or association of persons both principal and agents who are engaged in a temporary or transient business in the City of Knox City, Texas, selling goods, wares or merchandise and who for the purpose of carrying on such business hires, leases or occupies any room, building or structure or premises for the sale or exhibition of such goods, wares or merchandise and the person, firm or corporation so engaged shall not be relieved from the provisions of this article by reason of being temporarily associated with any local dealer, trader, merchant or auctioneer or by conducting such temporary, transient business in connection with or as a part of the business of any local dealers, trader, merchant or auctioneer.

SECTION 2. That the provisions of this article shall not apply to sales made to dealers by commercial travelers or selling agents in the usual course of business, nor to bona-fide sales of goods, wares, or merchandise by sample for future delivery, nor to hawkers on the streets nor to foot peddlers nor to peddlers from vehicles.

SECTION 3. That any person, firm or association of persons desiring to engage in the business of itinerant vendor as herein defined may obtain a license therefor from the Assessor and Collector of Taxes of the City of Knox City, Texas, upon payment of a license fee in the sum of \$100.00 and executing a bond to the City of Knox City, Texas, in the sum of \$1,000.00 (one thousand dollars), with two or more good and sufficient sureties thereon, one of whom shall be an approved surety company doing business in the State of Texas, acceptable to the City of Knox City, Texas, and the other surety shall be a citizen of the City of Knox City, Texas, acceptable to said City.

SECTION 4. That permit to conduct such business of itinerant vendor under said license shall terminate one month after the issuance of said license unless the person, firm or association of persons securing the same shall pay to the Collector of Taxes the sum of \$5.00 for each additional month he desires to continue in the business of itinerant vendor.

SECTION 5. That if any person, firm or corporation or association of persons may be called upon to pay the license fee required by this Article of itinerant vendors, shall make an affidavit that it is his intention to locate permanently in said City of Knox City, Texas, and that his business

is not that of an itinerant vendor as herein defined, and shall deposit with the City Assessor and Collector of Taxes the sum of \$200.00, such persons, firm, corporation or association of persons shall be relieved of the provisions of this article. Such sum of \$200.00 as is here required to be placed with the City Assessor and Collector of Taxes, shall be returned to the person, firm, or association of persons paying the same, less any taxes due the City, when and if they continue in said business for a period of one year from date of payment, otherwise such sum shall be forfeit to the City of Knox City, Texas.

ARTICLE IV.

SECTION 1. No person shall hereafter pursue the business of an auctioneer within the corporate limits of the City of Knox City, Texas, within upon or from any public street, square, market place, or alley upon or from the sidewalks bordering the same.

SECTION 2. Any person who habitually auctions property of whatsoever description or who shall at any time auction property of whatsoever nature be he transient or otherwise, for a fee, profit or percentage shall be for the purpose of this article engaged in the business of auctioneer.

SECTION 3. No person shall hereafter pursue such business as an auctioneer within the corporate limits of the City of Knox City, Texas, at any place other than as prohibited in Section 1 of this Article without having first paid a license fee to and obtained a permit from the Tax Collector of the City of Knox City, Texas. Such license fee shall be in the sum of \$100.00 upon payment of which the City Tax Collector shall issue the payor thereof a permit which shall entitle him to pursue such business for a period of one year from its date at any place within the corporate limits of the City of Knox City, Texas, as is not prohibited in Section 1 of this article.

ARTICLE V.

SECTION 1. It shall be unlawful for any person, firm or corporation or any agent or employee of the same to solicit or take orders for any photographs of any nature whatsoever upon any street, alley, public square, market or public place within the corporate limits of the City of Knox City, Texas.

SECTION 2. No person, firm, corporation or any agent or employee of any persons, firm or corporation shall solicit or take orders for any photographs of whatsoever nature within the corporate limits of the City of Knox City, Texas, at any place other than prohibited in Section 1 of this Article unless he shall have paid to the Tax Assessor and Collector of the City of Knox City, Texas, a license fee in the sum of Twenty-five dollars (\$25.00) upon payment of which the City Tax Assessor and Collector shall issue to such person, firm or corporation a permit which shall entitle such person, firm or corporation to take or solicit such orders within the corporate limits of the City of Knox City, Texas, for a period

of one year.

SECTION 3. It shall be unlawful for any transient person, firm or corporation or any agent or employee of the same to engage in the business of making, taking or developing any photograph of whatsoever nature upon any streets, alley, market, public square, or market place within the corporate limits of the City of Knox City, Texas.

SECTION 4. No transient persons, firm or corporation or any agent or employee of the same shall engage in the business of making, taking or developing any photograph at any place other than as prohibited in Section 3 of this Article unless such person, firm or corporation shall have paid to the City Tax Collector a license fee in the sum of \$50.00, upon payment of which, such person shall be issued a permit to engage in such business of making, taking or developing photographs of whatever nature for a period of one year.

SECTION 5. That if any person, firm or corporation called upon to pay the license fee provided in Section 4 hereof shall make an affidavit that he is not a transient engaged in the business of taking, making or developing photographs he shall be relieved from the provisions of this Article upon payment of the sum of \$50.00 which said sum shall be returned to the person, firm or corporation paying the same when and if such person, firm or corporation shall have continuously engaged in such business for a period of one year from the date of making such affidavit and payment.

ARTICLE VI.

It shall be unlawful for any person, firm or association of persons to sell or offer for sale any produce, vegetables, or goods, wares, and merchandise of any nature not otherwise provided for by the terms of this ordinance at any place other than from any temporary stand, shelter, arbor or the like or from any wagon or vehicle of any nature or by having such goods, wares or merchandise displayed upon the ground unless such person, firm or association of persons shall pay to the Tax Collector of the City of Knox City, Texas, the sum of \$25.00, upon payment of which said Tax Collector shall issue a permit to such person, firm or association of persons to conduct such business as is herein set out for a period of one year, or \$5.00 for one week.

SECTION 2. The provisions of this article shall not apply to a person, firm or association of persons selling or offering for sale poultry, fruits, vegetables or other produce grown or raised by such person, firm or association of persons, but should such person, firm or association of persons sell or offer for sale any such merchandise other than that raised or produced by them in that event they shall become subject to the terms hereof.

Den Mothers for Cub Scouts Named

The four dens of Pack 161 of the Cub Scouts met this week. Cubmaster H. M. Compton announced today. First pack meeting of the season will be Thursday, Nov. 17, at 7 p.m., at the American Legion Hall.

The four den mothers are Mrs. Rufus White, Den 1, Mrs. Harry Hickman, Den 2, Mrs. L. V. Worley, Den 3, and Mrs. Clyde Williams, Den 4.

All boys 8, 9 or 10 years old, interested in joining Cub Scouts, were asked to get application blanks from any of these den mothers.

The mothers met with Jim Johnson, District Scout executive from

Wichita Falls, last week for a short training meeting. Mr. Johnson also met with the boys and their parents at the school lunch room two weeks ago at which time the committee men for the group were appointed.

Ed Smart will serve as assistant Cub Master for this year. Other committeemen are as follows: Eddie Shaver, general chairman; Jack Fisher, secretary-treasurer; C. E. Williams, advancement.

New Den Chiefs appointed by the Boy Scouts include Den 1, J. Tom Graham, Den 2, Jim Anderson, and Doyle Gene Graham, Den 4.

The Cub Scout program is designed to prepare the younger boys for Scouting. Mr. Compton said, and provides training in working as a group for the advancement of the boy, his den, the pack, and in turn the whole community.

Parents and friends of all Cub Scouts are invited to attend the pack meeting next week, Mr. Compton added.

STREAMS in Desert Places

By Ozelle Stephens

One of the great reminders of the Bible is when Paul said, "Remember Jesus Christ." There are many such as, "Remember the Sabbath day to keep it holy," "Remember all the way the Lord hath led thee," "Remember Lot's Wife," "Jesus, remember me when Thou comest in Thy Kingdom," "This do in remembrance of Me."

At this time Paul felt that his departure was at hand. He had told Timothy to take care of his health, and to study diligently the Scriptures, to show courage and to endure hardness as a good soldier of Jesus Christ. One of his last farewells was, "Remember Jesus Christ." Out of his long and varied experience as a believer and as an apostle, Paul was well able to testify to the keeping power of the remembrance of Jesus Christ.

There is a power for you in remembering Jesus Christ and His love and goodness toward you. At this Thanksgiving season, let us remember Him in praise and offerings for His love and mercy toward us.

The hottest features for '56 are in the new Chevrolet

Chevrolet never had it so good for you before . . . and no other car in its field even comes close. See if Chevrolet doesn't feature everything you want for '56.

All New! The Bel Air Sport Sedan with 4 doors and no sidepits

Bold, new Motoramic Styling

Just look it over—the lower, longer hood . . . the wider grille that spans the full front end . . . the big bold parking lights. From the side, you see the sweeping new speedline chrome styling and high-set taillights. Colorful new contemporary interiors add the final touch! Body by Fisher, of course.

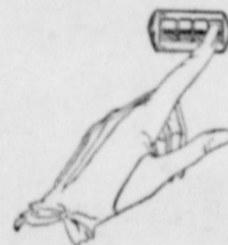

V8 Horsepower Zooms to 205

That's what the new "Super Turbo-Fire V8" pours out (an extra-cost option). You can see why we say the hot one's even hotter!

Hideaway Gas Cap

Chevrolet's left-side taillight holds a stylish secret. Hinged at the bottom, it swings down to uncover the gas cap. Closed up, the cap's concealed—and there's nothing in sight but the taillight!

Everything in Automatic Power Features

Power Steering, Power Brakes, power-positioned front seat, power window controls. All are available as extra-cost options.

Steering made easy

Ball bearings reduce friction and steering effort in Chevrolet's Ball-Race steering.

Anti-Dive braking

Anti-Dive braking, an exclusive Chevrolet development, means more level stopping—even when you hit the brakes hard!

12-volt Electrical System

Packs twice the punch of ordinary 6-volt systems . . . spins the engine up to one-third faster. You get surer starting in all weather. And you have a greater electrical reserve supply.

THE HOT ONE'S EVEN HOTTER

It's the Pikes Peak Record Breaker!

The '56 Chevrolet proved its surer, safer driving control by breaking the Pikes Peak record!

Floats over the bumps

Roads seem newly paved with Chevrolet's Glide-Ride front suspension and long outrigger rear springs soaking up the jolts. And Chevy's cat-footed on curves! Chevrolet performance puts your safety first!

MAXIMUM DEDUCTION FOR SOCIAL SECURITY INCREASED

Employers and employees are reminded that the maximum wages from which the social security deduction is made has increased to \$4,200 for 1955 and succeeding years. Erton F. Tate, manager of the Wichita Falls Social Security Office, said that the 1954 Amendments to the Social Security Act provided for this increase effective in 1955.

Tate stated that the increase in wage credits thus established would mean higher maximum benefits in the future for retired workers, or for their survivors in case of the workers' death. The \$3,600 maximum allowed before 1955 permitted maximum monthly benefits of \$98.50 to a retired worker while the new \$4,200 maximum can mean \$108.50 to an insured employed or self-employed person retiring after mid-1956.

All employees who earn wages of more than \$3,600 in a calendar year should make certain that the new maximum is being reported for them by their employers. They can do this, Tate continued, by checking their pay slips or by checking with their employers.

"The social security administration also advises all workers to check on their wage records each five years. Post card forms are available at all social security offices for this purpose," Tate said.

Mr. and Mrs. O. A. Green recently visited their son, Paul, in Crosbyton and another son, Otice, and his wife in Lubbock.

Visiting in the home of Mrs. H. T. Rader Saturday night were Mrs. Mary Hill of Oklahoma and Mrs. E. C. King. Mary Joe and Glenda Jene of O'Brien.

Highway Patrol Seeks Applicants

AUSTIN.—The Texas Highway Patrol is accepting applications between now and January 1 for appointment as State Patrolmen.

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, said that state-wide examinations would be given in January and that successful candidates would begin training at the Austin Headquarters of the DPS in April.

Forty-seven men are now in recruit school and another class will begin in January. These were selected as a result of examinations given last Summer.

The Public Safety Director invited all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age, inclusive; have a high school education; be at least 5 feet 8 inches in height; and weight not less than two or more than three and one-half pounds per inch in height.

Garrison also emphasized that

applicants must have been residents of Texas for at least a year prior to the date of examination and they must be of good moral character and in perfect physical condition and able to withstand a rigid character investigation.

Base pay of a Patrolman, after schooling and a six months probationary period, is \$315 monthly. Also provided is longevity pay; two weeks paid vacation annually; sick leave, if necessary; and the benefits of both the State Retirement Act and Federal Social Security.

Applications may be obtained by writing to W. J. Elliott, Chief, Texas Highway Patrol, Austin; or by visiting the nearest Patrol District Office.

In Monahan Wednesday of last week to attend funeral services for Cynthia Franklin, 14-month-old daughter of Mr. and Mrs. Gary Franklin, were Mr. and Mrs. George Whitten of Levelland, Mrs. Bob Thomas of Ropesville, Mrs. Cecil Anderson and Mrs. Sipe Griffith. Mr. Franklin is a nephew of Mrs. Anderson and Mrs. Griffith.

GIVE EYES PROPER CARE, HEALTH OFFICER ADVISES

AUSTIN.—The irreplaceable gift of sight is being lost to one American every 20 minutes.

If that figure—estimated by the National Society for the Prevention of Blindness—holds true for all population segments throughout the United States, it means four Texans are being visited by sightlessness every day.

Even as you read this some man, woman, or child is standing on the brink of a life of permanent darkness, about to join the 300,000 American who are already blind.

More than 14,000 of the 300,000 American currently blind are Texans, according to official estimates.

What causes blindness? The State Department of Health lists three contributing factors: disease, accidents, and neglect.

"Blindness brought on through neglect really is no worse than that caused by diseases or an accident," says Dr. Henry Holle, commissioner of Health. "But somehow it seems worse. It's so unnecessary."

If all children were given a thorough eye examination prior to entering school for the first time, and if all visual defects were corrected or placed under treatment at that time, a major step in the prevention of blindness in childhood would be taken, Dr. Holle believes.

"But a single examination is not enough. A child grows quickly. His eyes, like every other body organ, are constantly changing. Sometimes the change is a defect."

The health official judges that "at least half of all cases of blindness occurring from year to year could be prevented through use of the sight-saving knowledge at hand."

For example: Some 300,000 industrial accidents occur each year, 1500 of them resulting in permanent blindness. The mere use of goggles would change these figures to negligible proportions.

And as for disease-caused blindness, modern surgical methods now restores or improves vision in 19 of 20 cases of blindness in the

leading cause of blindness in the United States.

When parents or teachers observe a child holding reading matter closer than the normal 14 inches from his face, tilting his head while reading, or constantly blinking, health authorities agree it should be interpreted as a sign of impending eye trouble.

Other conditions which may indicate eye trouble are crossed eyes, frequent styes and headaches, red-rimmed or encrusted eye lids, or persistent watering of either eye.

Mr. and Mrs. Harold Alcock of Hale Center and Mr. and Mrs. John Rader of O'Brien were Sunday guests in the home of Mrs. H. T. Rader.

Mr. and Mrs. George Wall were in Lubbock over the weekend to attend homecoming at Texas Tech. George was initiated into the National Phi Gamma Delta fraternity during ceremonies at the Caprock Hotel Friday night.

LOCAL LEGIONNAIRES ATTEND DISTRICT MEETING

L. E. Groves, commander of the Teague-Carpenter post, and Paul Fitzgerald, adjutant, attended the American Legion District Convention held in Vernon during the weekend.

At 10 o'clock Sunday morning, the meeting was called to order by Jerry Freese, commander of Robinson-Chaney Post 67.

A joint session was held with the Auxiliary. Col. Steve Marchand of Wichita Falls gave a short report on the effects of an atomic bomb blast.

Hal D. Mabry, 13th district chaplain, was in charge of the memorial service at 11. He introduced Major Marvin Cooper of Sheppard Air Force Base, who delivered the message.

A banquet was served at noon. The crowning of the newly-elected district sweetheart was followed by an address by Joe Matthews of Ft. Worth. He outlined the activities of the American Legion. "The wonderful story of the American Legion should be told over and over until every veteran in every state, county, town, and crossroads is fully aware of the job the American Legion is doing," he said.

Senator George Moffett asked all veterans to support the Veterans Land Bill of Texas. A new bill will come up next year. He stated that the bill was a good one and should not be discontinued because of unfavorable publicity.

J. C. Barr, district historian, asked all posts to send him material good for news of the district's history.

Power? You bet!

The fabulous Thunderbird Y-8

Ford goes like the Thunderbird! With this exciting new "Go"-power you can smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at no extra cost, for it is the standard eight in all Ford Fairlane and Station Wagon models.

Beauty? Of course!

Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line . . . every graceful contour. And you can expect to be envied no matter where you may drive in your new '56 Ford.

Safety? Only FORD gives you LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's new Lifeguard Design. It gives you extra protection in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce possibility of doors springing open under impact, Ford has Lifeguard double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sun visors. A new double-swivel Lifeguard rear view mirror "gives" under impact. Come in! See how safe, how beautiful, how powerful a car in Ford's field can be.
