MASONS LEVEL SCHOOL INFIRMARY CORNERSTONE

Prominent Texas Masons gathered in Fort Worth recently to level the cornerstone for the new infirmary of Masonic Home and School of Texas. The infirmary will have 40 beds and will serve nearly 200 students now at Masonic Home and School, whose enrollment has nearly doubled in the last three years.

Among those participating in the ceremony were: left to right: George R. M. Montgomery of Fort Worth, Past Texas Grand Master and president of the home's board of directors; John

G. Kemmerer of Fort Worth, Past Texas Grand Master and president of the Masonic Home Independent School District; William G. Proctor of McKinney, Grand Master; Robert L. Dillard Jr. of Dallas, Deputy Grand Master and president of the Dallas Independent School District; Hugh M. Craig of Fort Worth, Past Grand Master and member of the Masonic Home Independent School District board; John T. Bean of El Paso, Past Grand Master and superintendent of El Paso County schools.

WTU President Announces A Science Symposium For Students And Teachers

Eleven Texas investor-owned utility companies and the University of Texas will again sponsor a nuclear science symposium for high school students and teachers. It was announced this week by Cal Young, president of West Texas Utilities Company.

West Texas Utilities Company is a member of the Texas Atomic Energy Research Foundation and Young is president of the Foundation. The Foundation is a non-profit organization made up of the eleven electric power companies of Texas. The symposium will be held in Austin June 10-13, 1962.

This will be the second nuclear science symposium sponsored by the utility group and the University of Texas. Last June some 400 selected high school science students and teachers from all over the state attended a four-day meeting which featured a number of nationally-known scientists including Dr. Willard F. Libby, Nobel prize-winner from the University of

California at Los Angeles.

"The symposium is part of a continuing program of the Texas Atomic Energy Research Foundation to advance knowledge of nuclear science through research and education," Young said.

"Purpose of the meetings," he said, "is to supply basic information to our high school science students and teachers about nuclear science and related fields of mathematics and physics and also to give them an opportunity to meet with outstanding scientists from across the country."

Hightower Caravan To Be Here Friday

Jack Lacy of Vernon called the Herald Monday to inform that Jack Hightower, candidate for Congress, will be here Friday, Dec. 1, at 9:30 a.m. leading a caravan of boosters through the 13th District.

Commissioners Have Meeting

Knox County Commissioners held a special session on Nov. 21, with the following members present: J. V. Carver, W. W. Trainham, and George Nix, with County Judge L. A. Parker, presiding.

George Nix made a motion, seconded by W. W. Trainham, that the following bills be paid: Statement dated Nov. 17, 1961 payable to West Texas Utilities Co., for new range for county jail. Amount: \$324.95.

Statement dated Nov. 1, 1961, payable to Ben M. Davis Company, for auditing services. Amount: \$800.00.

All voted in favor of the motion.

J. V. Carver made a motion, seconded by George Nix, that Dr. C. G. Markward be appointed to serve as County Health Officer for Knox County.

All voted in favor of the motion.

W. W. Trainham made a motion, seconded by J. V. Carver, that the meeting be adjourned.

All voted in favor of the motion.

The above minutes presented to me on this the 21st day of November, A.D. 1961, and correctly reflect all the business that came before the Commissioners' Court, and the same is hereby approved, and the County Clerk is hereby ordered to file same for record.

L. A. PARKER, County Judge.

SOCIAL SECURITY MAN WILL BE HERE WEDNESDAY

A representative of the Social Security Administration will be here Wednesday, Dec. 6, at the city hall between 10 a.m. and 12 Noon to answer any social security questions interested persons may ask him.

Write Santa, Now!

Due to the fact that this year's Christmas edition will be published a few days before Christmas, a deadline of Monday, Dec. 11, will have to be met in order for the Herald to have all the letters in time to set them in type and forwarded to the North Pole!

Part of the Christmas edition will be off the press next week end, so it is urgently requested that all letters be turned in now!

Final Rites Said For Mrs. J. D. Cook Saturday, Nov. 25

Funeral services for Mrs. J. D. Cook, 76, who died at 6:35 a.m. Friday in the Knox County Hospital after suffering a stroke at her home, were held at the Knox City Church of Christ Saturday at 2 p.m., with Roger White, minister, officiating.

Burial was in Knox City Cemetery, under direction of Pinkard and Smith Funeral Home.

Mrs. Cook was born Jan. 22, 1885 in Kaufman County and came to Knox County as a young girl. She married J. D. Cook in 1904.

He died in 1953.

She is survived by one son, Johnny Earl Cook of Grants, N. M.; two grandchildren and three great-grandchildren.

Junior Play Will Be Held Dec. 4

The Knox City Junior Class will present the annual Junior play in the Knox City Auditorium December 4.

Title of the play, which is a three act comedy of Hillbilly life, is "Comin' Round The Mountain."

Written by the popular playwright and motion picture scenarist, Robert St. Clair, the play is guaranteed to be one of the best and most novel three-act comedies to be presented locally in years, the class predicts.

Cast for the play will be: The Skitter family, Maw — Karen Graham; Paw — Bob Burnett Jr.; Curly — Charlie Bate-man; Corney Bill — Samantha Graham; Dizzie Mae — Andy Hudson, and Zeke — Freddy Smith.

Other characters in the play are: Ellie Lou Dufanny, Carroll Tankersley; Sammy Fester, Lanny Logan; Robert Bruce, Eddie Williams; Edward Small, Danny Fisher; Doris Dean, Sue Bankston; and Carol Hughes, Claudia Reed.

Admission is \$1.00 for adults and 50 cents for children.

The play will begin promptly at 7:30 p.m.

BAND BOOSTERS TO MEET

The Band Boosters will not have a December meeting due to other conflicts. Meetings will resume the first of January.

Car Wrecks, Accidents Mar Thanksgiving

A number of car accidents and one accidental shooting marred the week end for a number of persons in this area over the Thanksgiving holidays.

The first wreck reported in this area was at O'Brien, Tuesday, Nov. 21, when a car driven by Cotton Williams ran into a semitrailer of cotton near the Co-Op Gin in O'Brien. His car was completely demolished and he suffered a serious head injury. He was brought to the Knox County Hospital and was later moved to Dallas. His condition is reported satisfactory at this time.

Seven persons were injured—one critically—in a two car head-on collision in the south city limits of Knox City at approximately 5:15 p.m. Wednesday.

The head-on collision also involved a third car, which hit after the two ran together.

Harold Stephens Jr., seven, of Haskell, a passenger in the car driven by his grandfather, C. E. Russell of Mart, was taken to a Dallas hospital after emergency treatment here. His condition was reported critical.

Also hospitalized were: C. E. Russell, with a broken leg and severe lacerations about the head. His condition was also reported critical.

Mrs. Russell and her daughter Mrs. H. E. Stephens of Haskell, with small cuts and bruises.

Darra Stephens, 10, with possible internal and head injuries.

Wesley Adams of Rochester, driver of the second car, and Robert Slaughter of Rochester, a passenger in Adams' car, both

with severe lacerations.

Brent Stephens, 5, was the only passenger of the eight people in the two cars to escape injury.

Jerry Force, driver of the third car, was uninjured, although his automobile received approximately \$400. in damages.

The next afternoon, Thursday, Force and some other youngsters

were target practicing, and he accidentally shot himself in the thigh with a .22 caliber pistol.

Dr. T. P. Frizzell removed the bullet at the Knox County Hospital, and Force was dismissed.

Thursday morning two cars collided a mile north of Knox City at the airport turnoff. No serious injuries were reported.

Two other cars collided at the traffic signal in Benjamin. Three people were hurt. One received a head injury, one a broken arm and the other with broken ribs.

Friday morning one car went out of control near Benjamin, and tore up a fence east of town. Driver of the car was uninjured, however.

FIRST SANTA LETTER FOR '61

This year's first letter to Santa Claus was received by The Herald Saturday and was written by Debbie Reese.

Here is Debbie's letter:

Dear Santa,
Please bring me 2 dolls, doll clothes, and records. I would also like to have a dollhouse with people and a set of dishes.

Thank you,
Love,
DEBBIE REESE

The Herald will mail your letter to Santa, Debbie, and thanks for writing it early!

Rev. Jarrell Sharp Speaks At 1946 Study Club

Rev. Jarrell Sharp, pastor of the First Methodist Church, spoke to members of the 1946 Study Club last Tuesday at the Womens Club on "The Glory of Gratitude." It was the club's Thanksgiving program.

Mrs. A. V. Kemlett and Mrs. Kenneth Lankford, accompanied by Mrs. Casey, sang "Accept Our Thanks."

Rev. Sharp said the glory of gratitude was our ability to focus our attention on someone other than ourselves. If we look only upon ourselves and our own interests we will have a meaningless existence, he explained.

"It is when we are aware of the needs of others for attention and kindness that the glory of gratitude becomes apparent."

"When we start thinking what we can do for God rather than what He can do for us, we begin to realize how much He has given us; and when we give thanks to God for His gifts we are really giving a part of ourselves," he added.

"It is gratitude which allows us to leave a part of ourselves with all whom we contact. We all live spiritually by what others have given us at some significant time of our life," he concluded.

The speaker was introduced by Mrs. Joe Clonts and presented a gift by Mrs. Gerald Averitt.

Following the program Mrs. Sammy Tankersley presided at the business meeting.

Mrs. Clonts was named second vice president of the club replacing Mrs. Jerry Cobb who resigned.

The club voted to send gifts to the Wichita Falls State Hospital for Christmas. Mrs. Sam Clonts was appointed to serve on the finance committee.

A nominating committee was selected. Members are Mmes. Tankersley, Paul Hoge, Arnold Glover and C. E. Williams.

Coffee and pumpkin pie was served to the guests as they arrived. Dried arrangements in fall colors were used throughout the club rooms.

A floor improvement committee was named. Members are Mmes. Billy G. Johnston, Palmer Campsey, George Wall and Joe Clonts.

Hostesses for the afternoon were Mmes. Rufus White, Averitt, Tommy Kent and Sterlin Lewis.

Next meeting of the club will be held Tuesday, Dec. 5, and will be a Christmas party. Hostesses will be Mmes. Bill Sams, R. P. Barnard, Ben Knight, and David Clonts.

Members will exchange presents they have made. Games will be played from 2 until 4 p.m.

Mrs. Williams will review "The Story of the Other Wise Man," by Henry Van Dyke.

Jimmy Horany Speaks To Lions

Jimmy P. Horany, a candidate for Congress in the election due Dec. 16, was the principal speaker at the Lions Club Wednesday Nov. 22. Horany was introduced to the club by David Counts, program chairman.

Horany began his speech by saying that it was an honor and privilege for him to be able to speak to the members and guests at the Knox City Lions Club.

He said he was a lifetime member of the Lions Club in Archer City, his home town.

Horany said it was hard for a candidate of an office to make a non-political speech and that he would try to keep his talk non-political and non-partisan.

"Our best weapon in this country and the free world is the ballot box," he began.

He said it was a privilege we should all exercise, and that "it is the best way to combat communism or any other type of ism that could take away our freedom."

Horany made a short speech on the importance of everyone exercising their right to vote and urged everyone to go to the polls and vote in all elections.

"I'm not asking you to vote for me," he said, "but urge you to vote . . . If you don't vote, you are failing in your duty to your country."

Lion President Gerald Averitt told the club he had been asked by a group of members to ask the club their opinion on buying a share of stock for the new proposed Knox City Golf Club. One share would cost \$100, he said.

Motion was made and seconded and the club voted to buy a share of the stock.

WANNA CHANGE YOUR WAYS?

A recent analysis states: "If you have reached your 70th birthday, this may startle you; if you are not yet 70, perhaps these figures will encourage you to make some changes."

"Statistics show the average person of 70 has spent 3 years in education; 5 years in amusement; 6 years eating; 11 years in work; 24 years in sleeping; 1/2 year in washing and dressing; 3 years in walking; 3 years in conversation; 3 years reading; and 6 months worshipping God!"

HERE'S WHERE YOU GET THE GOOD WORD ABOUT THE '62 JET-SMOOTH CHEVROLET

Jet-smooth ride 542 front fender underskirts rich new interiors

Jet-smooth ride, n. 1. The cloud-9 feeling of comfort that people in Chevrolets enjoy wherever they go. 2. A supple Full Coil spring flexing at each wheel of a Chevrolet to absorb road shock. These are teamed with over 700 noise and vibration filters throughout the automobile to help eliminate the noise and vibration ordinarily transmitted by metal-to-metal contact. The total effect is a ride of supreme quiet and smoothness. 3. The reason why so many Chevrolet-owning families leave home ever so happily. 4. A habit-forming pleasure for which no cure is known, wanted or sought.

new V8-skedaddle, n. 1. The result of touching an accelerator that's linked to one of Chevrolet's new V8 engines (also known as "six-skedaddle" when engine is Chevrolet's trusty 135-hp. Six). 2. The moving power of Chevrolet's 1962 V8 engines. There are five of them, ranging from a standard 170-hp. version up to an optional-at-extra-cost 409-hp. powerhouse.

Body by Fisher craftsmanship, n. 1. The closest that a body manufacturer has come to the care and skill of the jewelry maker. 2. The art and science of forming metal into the strong, solid body structure of the 1962 Chevrolet. 3. Something you won't find in any other car in Chevrolet's field.

deep-well trunk, n. 1. The giant warehouse built into the rear of a 1962 Chevrolet. 2. A trunk that loads at the bumper level and has a capacity of 29.7 cubic feet. It is built with an extra-deep recess in its floor so that it can easily accept odd-shaped outside objects.

comfort-high seats, n. Thought by many to be the most comfortable things to happen to the bottom side of the human lap since dad's overstuffed armchair.

front fender underskirts, n. 1. Sturdy steel linings that are under the front fenders of 1962 Chevrolets to add extra protection against flying stones, mud, slush, road salt and that old bugaboo, corrosion. 2. One of many ways the Chevrolet is built to stay beautiful.

rich new interiors, n. One of the principal reasons people step into the 1962 Chevrolets and promptly feel luxurious all over. One-Stop Shopping Center, n. 1. Where people go to get the most car for the money and get exactly the kind of car they want. 2. A concentration point for 133 cars Chevrolet offers 1962. These come in the lines: The elegant new Jet-smooth Chevrolet, the new-size Chevy II, the sporty new Corvair, and the new Corvette, with new trimments, new V8 power. 3. Where '62 values way up but prices are same—or less—on comparably equipped models. 4. The place where you enter a new world of fun in automobiles. 5. Where most Americans go for pleasant, instant cure moment the new-car bites them.

"AMONG OTHER THINGS..."

By BOB BURNETT, JR.

With the end of Thanksgiving, it is now time for us to start preparing for Christmas. The average American family in this day and age prepare for Christmas like the British prepare for the Coronation, with everyone ending the season very happy except Dear Old Dad, who has to pay for it all.

First, about December 10, the Christmas cards are sent out. Mom makes the list and spends many long hours preparing them.

After Dad mails them, mother suddenly remembers that she forgot to send cards to Aunt Gertrude and Uncle Herman, and Cousin Alphonzo. To prevent their being insulted, Dad has to go out and buy another \$1.50 box of cards, out of which three are sent.

After the Christmas cards have been sent, there is a lull of about a week during which everyone begins to sneak in bun-

dles and packages, despite fathers cry that his Christmas club account has been overdrawn.

Christmas Eve or somewhere thereabouts, is the time when the family puts up the tree. To save money, Dad insists that everyone go to the woods and get one just like they did in the old days.

Unfortunately, Mom, Janey, and Billie are not exactly out of hardy pioneer stock. After burning enough gas to buy three or four everglades, Billie ripping his pants on barbed wire, Janey stubbing her toe, and Mother cutting her hand, our heroes trek home and head to the nearest grocery store to buy a tree.

That night the tree is decorated, with Billie and Janey breaking some of the Christmas balls that have been in the family for years and with somebody forgetting to get the extension cord for the lights.

During the period mentioned above, Dad has been swearing up and down that there will not be a big Christmas for the family this year.

Mother is heartily agreeing with him and at the same time buying presents as fast as she can open charge accounts.

VISITS IN ROBBETT HOME

Mr. and Mrs. Delbert Lloyd of Huntsville visited her parents, Mr. and Mrs. M. S. Denton over the holidays.

Visitors in the home of Mrs. W. L. Robnett over the holidays were her son, Raymond Robnett and children of Oklahoma City, Okla., and Mr. and Mrs. Tom Loper of Knox City, Mrs. Cousar and Mrs. Maples of Goree, and Ricky Reid of Knox City.

About Christmas Eve Dad, "gets the spirit" and goes out buying presents as if this was to be his last Christmas on earth. Of course, Christmas morning is the climax of the season.

From the discovery of the presents left by Santa in the morning to the departure of the last relative that night, the day is one big hub-dub.

Everything has gone all right until about the day after Christmas, when Dad "loses" the spirit. This is the time when Dad talks against everything from Santa Claus to Christmas trees and secretly gets ready for next December 25.

"Texas had its first locally supported multi-county library service when Taylor, Callahan, and Shackelford counties joined forces. The state reports of the faithfulness of the bookmobile patrons in the wide open spaces: 'Even in the cold, snow and ice, they drove as much as 60 miles just to meet the bookmobile. The record was set by one woman who came 90 miles regularly.'"

The above quotation is from the June, 1961, American Library Association Bulletin. When you see the schedule for this service in an Abilene paper, remember that this area could have the same thing!

Here is the rest of that list promised three weeks ago of the notable books of 1960:

- Heilbroner: "The Future Is History"
- Hersey: "The Child Buyer"
- Kahn: "On Thermonuclear War"
- Knowles: "A Separate Peace"
- Kobler: "The Reluctant Surgeon"
- Lampedusa: "The Leopard"

- Lee: "To Kill A Mockingbird"
- Lewis: "The Four Loves"
- McGinley: "Times Three"
- Maurice: "The Son Of Man"
- Morrison: "Turmoil And Tradition"

- Nowell: "Thomas Wolfe"
- Pope-Hennessy: "Queen Mary"
- Priestley: "Literature And Western Man"

- Read: "Lord Burghley"
- Rostow: "Stages Of Economic Growth"
- Schlesinger: "The Politics of Upheaval"

- Schwartz-Bart: "The Last of The Just"
- Sergeant: "Robert Frost"
- Shapiro: "In Defense Of Ignorance"

- Shirer: "The Rise and Fall of The Third Reich"
- Snow: "The Affair"
- Snow: "The Two Cultures and The Scientific Revolution"

- Teale: "Journey Into Summer"
- Thelen: "Education And The Human Quest"

- Williams: "Walk Egypt"
- How many have you read?

The Neal Logan family has given two books in memory of Dr. D. C. Eiland. They are by Gibbs: "The Dedicated" and Robinson: "The Day I Was Proud to Be An American."

Look at Plymouth now!

Plymouth awarded styling citation by National Society of Interior Designers

Here's the beautiful difference in the low-price field! This brand-new full-size Plymouth is so genuinely new and luxurious it has just received a special styling citation from the National Society of Interior Designers!

Your first look at Plymouth—with new Forward Flair Design—makes it pretty obvious how beautifully new this car is outside. Slender new dimensions all around. Gleaming new grille. Tailored, tapered hood. Eagerness to get going, reflected in every action-inclined line. The other half of the story is inside. Luxury is the keynote, with rich new fabrics, tasteful in color and design, durable in service.

There is also a third dimension to Plymouth's beauty—quality. It comes alive as something you can touch,

feel, and enjoy in Plymouth! You find it in Plymouth's full-unit construction, battery-saving alternator, Torsion-Aire suspension. You find it in improved gas mileage, oil changes half as often as before, and 32,000-mile lubrications on major chassis points.

The styling award is ours. But the rewards can be yours. See Plymouth's beauty in a glance. Enjoy Plymouth's quality in a drive. See your dealer today!

Truscott HD Club Meets In Smith Home
 Mrs. H. A. Smith was hostess to members of the Truscott HD Club in her home Thursday, Nov. 16.
 The meeting was opened with songs, psalms read by Mrs. H. M. lack, a prayer led by Mrs. T. H. Taylor, and each member telling of what she is most thankful.
 "Thanksgiving" was the theme of the program, with Mrs. J. M. Chowning as leader.
 Mrs. Jack Hickman told of the first Thanksgiving and gave dates that the day had been celebrated since that time. Mrs. Bill Rake directed games of Bingo and presented prizes to the winners.
 To conclude the program each member showed and gave instructions for making a Christmas decoration.
 Mrs. Smith further emphasized the Thanksgiving theme in room decorations and refreshments which she served to the 14 members present, and the two guests, Mrs. J. C. Eubank and Mrs. A. S. Tarpley.
 The next meeting will be in the home of Mrs. J. R. Brown, on Dec. 7, when secret pals will be revealed and plans made for the annual Christmas supper.

Uncle Ben From Benjamin Says:
 DEAR MISTER EDITOR:
 It's gitting so I know more folks in the funeral columns of your paper than I do in the wedding announcements. I ain't concealing the fact that I've past the three-score milepost. I ain't like the wimmen this feller was writing about the other day. He said wimmen would go to "greater lengths to conceal their age than anything else." On account of this not being a very concealing generation fer wimmen, I'm pleased to note they got a little modesty in this direction.
 But what I started out to say was I been in this troubled world a long time, including two world wars, two panics and several of their first and second cousins knowned today as depressions and recessions. Even a feller like me gits a little wisdom with the years and I figger, if you dig down to the grass roots of the situation in the world today, you got to come up with just one answer. People living under Communism ain't got nothing to fight fer and we have. That has got to be the difference between us a winning and them losing.
 Fer instant, I was reading in the papers where Americans has kept piling up savings in Government bonds even during the unemployment. This report from the Treasury Department last week showed that at the end of June this year the holdings of these bonds was at a new high

of \$44 billions. Sales of these bonds for the first half of 1961 was 5 per cent ahead of last year and cashing in was the lowest in 6 year.
 Us Americans has not only got freedom of religion, speech, assembly, the ballot, and all them other freedoms, but we own the Government and the country, got plenty to eat and wear, and has got \$44 billion stored away fer a rainy day. People living under Communism ain't got nothing, and secretly they know it, and when the chips git down people ain't going to hang together and fight very long or very hard fer somepun under which they ain't got no rights and in which they ain't got no stock.
 If we git into a nuclear war with Russia a heap of the world is going to be destroyed and you and me, Mister Editor, might not be here, but what's left of this world is going to belong to free Americans and our allies in the cause fer freedom. I'm as positive of that as I am that there'll be crabgrass in my patches next spring — atomic fallout or no atomise fallout.

VISITING ELLIOTTS'
 Visiting over the Thanksgiving holidays with Clifford and Blanche Elliott were their sisters Mrs. L. A. Proctor and Mr. Proctor of San Angelo; Mr. and Mrs. M. E. Strickland of Munday and their nephew, Rev. and Mrs. Billy Wright of Tye, and Miss Mary Lee Smith also of Tye.
 And speaking of fallout and such things, I was reading in the papers the other day where this science feller from Yale claims a hole has developed in the Milky Way. I'm mighty glad to learn about it. A little ventilation in the world right now, special around Moscow, ain't going to hurt nobody.
 Yours truly,
 Uncle Ben

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — With nearly 30 percent of the state's population over 65 years old, the State Welfare Department's tandem medical care program for Old Age Assistance recipients will be a significant solution to the problems of providing nursing serv-

ice and medical treatment for all ailing oldsters.

Welfare Department institutes its program of nursing home care for OAA recipients January 1. Program will affect every old person who has to rely on nursinghome care, whether he be indigent or financially self sufficient. Rating of nursing homes which apply for payments under the plan should result in a general upgrading of nursing home standards.

Despite efforts of nursing home operators' associations and Health Department officials to define this difference, there has been some public confusion about the difference between nursing care and custodial care. Relatives seeking homes for old folks are not always able to determine whether nursing care offered is sufficient for their kin's needs.

Introduction of state and federal money—about \$8,000,000 a year—is certain to result in more and better homes for the aged. The \$23,000,000 Blue Cross policy for Texas' 220,000 OAA recipients—also effective Jan. 1—may pave the way for more thorough medical protection for old folk.

Policy sets a precedent, as no other insurance company has ever provided such extensive coverage for people over 65. If it does not prove too costly, other companies may offer similar coverage for elderly people on an individual basis.

MORE MILEAGE FROM TOURISTS — Gov. Priddy Daniel's "Texans for Tourists" group will get together to discuss passage of a legislative appropriation for advertising the State's numerous attractions. Although the Legislature passed a voter-approved Constitutional amendment to allow for tourist promotion in 1958, no funds were allotted for this purpose.

While the Texas Highway Department distributes attractive brochures through its eight state border stations, nothing has been accomplished on a national basis.

Meanwhile the state is losing money on tourism. The 8,600,000 out-of-staters who came here last year contributed \$23,000,000 to the state's tax bill. They spent \$427,000,000 while here. This was a drop of one million visitors from 1960 and a drop of almost two million from 1959.

Other states consider tourist advertising a sound investment—figuring they get hundreds of dollars in return for each dollar spent on advertising.

CHEAT OR ESCHEAT — Gov. Daniel told the special House Committee investigating escheat laws that emphasis in his fight

VISITS IN PROPPS HOME — Mrs. A. H. Clark of Oklahoma City, Okla., spent several days here with her sister and husband, Mr. and Mrs. A. E. Propps recently.

to include banks "has been in the wrong place."

He said instead of battling to get banks to turn over money in dormant accounts, emphasis should be on passing legislation to help find unknown heirs of missing depositors.

Statement was made after State Banking Commissioner J. M. Falkner testified that dormant and inactive accounts "make it easier" for would-be embezzlers. He said it's easy for bank officers or employees to manipulate dormant accounts. Falkner stated that "a few" state banks have even tried to make charges against dormant accounts, converting the money to profit, but that his department has been successful in stopping such procedures.

The State Commission has no jurisdiction over the practices of national banks within the state. It is his understanding, however, that many national banks do make service charges against inactive accounts.

Falkner estimates that between \$3,000,000 and \$4,000,000 lie dormant in state banks, and from \$12,000,000 to \$14,000,000 in the national banks located in Texas.
