\$200,000 School Bond Election May Be Held Here in December

Plans to submit a \$200,000 school bond issue to residents of the Knox City School District were approved this week by the board of trustees, Supt. Chas. E. Silk announced Tuesday. Tentative plans call for the election to be held on Saturday, Dec. 17.

The 30-year bond issue would provide for removing the upper story of the present high school building, construction of additions

on the east and west of the building, construction of a cafeteria (cafeteria which can be used for an auditorium), some remodeling of the present gymnasium, new furniture and equipment for the new classrooms as well as other classrooms that need new furniture, and possibly construction of dressing room at the Greyhound athletic field.

The board Monday night approv-

ed a set of plans submitted by Wilson Patterson, Ft. Worth architect. The trustees will meet again Nov. 29 to call the election and set a definite date.

"The plans as approved by the board do not call for as much new construction as some previously considered," Mr. Silk said. "A very comprehensive building program, calling for a 40-year, \$300,000 bond issue, was first considered. But the board decided it would be to the best interests of the district to submit the smaller program which will give the school what it needs the most—additional classroom space.

"The issue now proposed would stay well within 7 per cent of our valuation," he continued, "which the state and all bonding companies consider a very safe, sound bond plan."

Additions on the east and west of the high school building would provide an additional 10,100 square feet of floor space, costing approximately \$130,000. The new construction on the west would be joined to the present grade school building by a covered passageway.

New construction on the gymnasium would amount to 332 square feet, and the cafeteria would have 3,800 square feet of floor space. Size of the cafeteria might be increased to 4,500 square feet if funds are available, Mr. Silk said.

About \$30,000 of the issue would be earmarked to furnish and equip the new classrooms and to re-furnish and equip every classroom that does not have new furniture—from the fourth grade up, including the colored school.

Plans call for the present school cafeteria to be converted into a band building, including one large band room as well as several smaller rooms for practice and equipment. The present band room would be converted into a choral room.

"If we receive good, competitive bids," Mr. Silk said, "construction costs may be less than tentatively figured by the architects. In that event, the amount saved would be used for additional construction that is needed."

Further details of the proposal, and possibly an architect's drawing of the plans, will be published in the Herald at an early date.

Local Woman's Kin Killed Near Boyd

Walter Ralph Byrom, 23, of Rhome, Texas, nephew of Mrs. W. J. Cagle of Knox City, was killed in an automobile accident near Boyd early Monday.

Funeral services were held at 3 p.m. Tuesday at Aurora Church, Aurora Community. Other survivors include his parents, Mr. and Mrs. Floyd H. Byrom; two brothers, W. F. of Ft. Worth and Ray of Lipan; and three sisters, Mrs. W. R. Vess of Ft. Worth, Mrs. J. N. Morrow of Azle, and Beverly Byrom of Rhome.

Mrs. Cagle and her daughter, Mrs. Dick Marion, attended the funeral service.

S. E. Youngblood Killed in Tractor Accident Friday

Funeral services for S. E. Youngblood, 66, of Anton were held at the First Baptist Church in Knox City at 2:00 p.m. Monday with the Rev. S. E. Stevenson, pastor of the Gorie Baptist Church, officiating.

Interment was in the Knox City Cemetery with the Masonic Lodge conducting graveside rites.

Mr. Youngblood, known to his friends as "Shorty," was killed near Lubbock, where he had extensive farming interests, late Friday when he was pinned underneath a tractor. He had been showing an employe how to operate the machinery.

Born in Madison County, Texas, on February 24, 1889, Mr. Youngblood came to Knox City about 1908, and moved to the Plains in the early 1940's.

He was married to Maggie M. Henderson of Knox City January 22, 1908. He had been a member of the Baptist Church since 1918, and was a Shriner and 32nd degree Mason.

Survivors include his wife; a daughter, Mrs. V. L. Bridges of Anton; a granddaughter, Margaret Ernestine Bridges, Anton; six sisters, and four brothers.

TCU's Dutch Meyer Obtained as Speaker For Football Banquet

Dutch Meyer, athletic director at Texas Christian University in Fort Worth, will be speaker at the annual football banquet, Supt. Chas. E. Silk announced Tuesday.

The banquet will be held in the school auditorium Monday night, December 12, beginning at 7:30. Underwood's Catering Service of Abilene will prepare and serve the meal.

The pep squad is in charge of decorations and a committee is now working on other entertainment features.

Tickets will be \$1.50, the superintendent said.

Band Boosters Plan Membership Drive

Eighteen members of Band Boosters Club met on Thursday night, Nov. 10, in the band room for a regular meeting.

Mrs. Doyle Graham, program chairman, presented two groups of band students, representing the two school bands. The first group, representing the advanced band, was made up of 8th grade band students. They were J. Graham, Bill Warren, Jim Anderson, Doyle Graham and Ted Harper, accompanied by Kay Dean Hester. From the beginners band, a quartet of 5th grade girls presented saxophone numbers. In this group were Annette Warren, Karen Graham, Wynette Tankersley and Samantha Graham.

In the business session, Mrs. Ottis Cash, president, announced the resignation of Mrs. G. W. Ross secretary-treasurer. She called a meeting of the executive committee to fill the vacancy.

Members voted to adopt the constitution drawn up and read by a committee headed by Supt. Chas. E. Silk.

Mr. and Mrs. W. W. Warren, co-chairmen of the calendar project, announced the project is completed. They told club members that enough funds were made to completely finish paying for the new band uniforms. A financial statement will be made by this committee and published in the next report from the Band Boosters Club.

A committee composed of W. W. Warren, chairman, E. G. G. G. W. Morris and Jeff Graham was appointed by Mrs. Cash to make plans for a membership drive the club will sponsor in December.

Next regular meeting will be Monday night, Dec. 5. All parents and friends of band students were urged to be present.

Attending the meeting were Mr. and Mrs. Warren, Mr. and Mrs. Cash, Mr. and Mrs. Cone, Mr. and Mrs. Graham, Mr. and Mrs. Morris, and Mrs. Rose Harper, Charles Givens, Lynn Tankersley, O. D. Reid, Doyle Graham, and J. T. Cypert.

Pecos Valley Completes Work on Paving Project

Pecos Valley Construction Company, New Mexico contractors who have been working on Knox City's paving project the past seven months, began moving equipment out Tuesday and expect to be "completely through and gone" sometime next week, Bill Ross, who has been in charge of the company's work here, said Tuesday afternoon.

Ross said the company did considerably more work than called for in the original contract. The contractors did the equivalent of 64 blocks of paving—56 blocks complete with curb and gutter, 8 without. They also put curb and gutter, without paving, on an additional 12 blocks and applied a seal coat to 12 blocks on 4th and 6th streets.

The total paving amounted to 79,556 square yards, and curb and gutter totaled 43,123 linear feet.

Work under the contract, Ross said, came to \$139,454.48, of which the city's share was \$58,977.99.

Not included in the above figures was extra work, not under the contract, amounting to more than \$20,000. This work was for the school, city, county and individuals.

Ross pointed out that all his figures were unofficial and may be revised by the engineer.

In addition to the work done by Pecos Valley, several blocks on Main Street have been widened, by the State Highway Department, to extend from curb to curb. Several blocks on Central Avenue will also be widened, and the department has seal-coating of both Main and Central in its plans for next spring.

The construction company has contracted a job for the U. S. Potash Co. near Carlsbad, Ross said.

Knox Grand Jury Seeks Data on Bay Rum Sales

The Knox County Grand Jury for the October Term of 50th Judicial District Court, meeting in Benjamin last week, in a report to District Judge Lewis M. Williams, recommended that the sheriff investigate sales of Bay Rum, extracts and other substances containing alcohol, and report to the grand jury if any merchant is selling an undue amount.

The jury also recommended that carnivals or undesirable attractions be "discouraged" from locating in Knox County, and if they do set up in the county, that they be closely policed.

The complete record, signed by Walter Coffman of Gorie, foreman, is published below:

We, the Grand Jury, duly organized and empaneled as such for the October term of the District Court of Knox County, Texas, beg to report as follows:

We have faithfully and diligently inquired into all law violations called and coming to our attention and here now in open court return two bills of indictment.

We wish to make the following recommendations to the Sheriff of Knox County, Texas: That he inquire into and ascertain the names and identities of all persons and firms, at this time, who are selling liquid substances containing alcohol, such as bayrum and extracts and further instruct the sheriff to require from such people copies of their invoices, showing how much of said substances, containing alcohol, that they are selling monthly or quarterly or annually, and if the merchants handling such commodities fail to deliver copies of said invoices that the sheriff secure copies from the wholesale houses serving this county and if the sheriff finds that the firms or persons are handling any appreciable amount of such products that their names and addresses with a report of all his findings be delivered back to this grand jury, when we next assemble.

We further recommend to the enforcement officers of this county, that all gaming devices, games of chance, carnivals or undesirable attractions be discouraged from locating in Knox County and if they set up in Knox County that they be properly policed and if not perfectly lawful in their operations that they be prosecuted.

There being no further business to come before us at this time we respectfully petition permission of the court to recess until such time as our services will be further needed.

Respectfully submitted, Walter W. Coffman, Foreman of the Grand Jury.

Greyhounds Begin Basketball Practice

With the football season a thing of the past, boys and girls at Knox City High School began practice Tuesday for basketball—a sport in which they are looking forward to a successful season.

Paul Prater, basketball coach, says he will have plenty of experienced players, and that prospects for having a winning team are good.

About 20 boys suited out for practice Tuesday. Back from last year's team are Ross Ed Lankford, Bobby Day, Joey Watkins and Jerry Anderson, and coming from last year's "B" team are Bobby Driver, Ladell Driver, David Neil Perdue, Billy Gilpin, Billy Yarbrough and Rip Collins.

Last year's entire starting team is back for practice on the girls' squad. They are Florence Reeves, Sammie Darr, Rowena Helms, Bobbie Dodd, Helen Acosta and Pat Cumpton. Also seeing lots of action last year and out for practice are Beverly James, Lynelle Tankersley and Donna Worley. Freshman girls looking good are Faye Reeves, Charlotte Cornett, Patricia Denton and Janice Anderson.

Both boys and girls will play Haskell here Tuesday night, Nov. 29, in the first practice game of the season. The first tournament of local teams will enter is at Aspermont December 8-10, and District play will begin January 10. Knox City's game on that date will be with Benjamin on the local court.

Schools in the district are Knox City, Benjamin, Gorie, Vera and Megargel.

CHRISTMAS HOLIDAYS SET

Christmas holidays for local school children will begin Tuesday, Dec. 20. Supt. Chas. E. Silk said this week.

Classes will dismiss that afternoon and resume Monday morning, Jan. 2.

Clock to Be Installed At Football Field By Next Season

C. E. Williams, president of the Greyhound Boosters Club, has announced that an electric clock will be installed at the Knox City athletic field before football season begins next fall.

The clock has already been ordered, and part of the purchase price will be raised by the Boosters club shortly before it is installed next September.

The clock will be similar, Williams said, to the one installed recently at the Munday athletic field, which was given to the Munday school by the First National Bank of that city.

TAX COLLECTOR TO VISIT EACH COMMUNITY IN COUNTY

M. A. Bumpas, Jr., Knox County Tax Assessor-Collector, announced Tuesday that he will visit each community in the county next week for the convenience of taxpayers desiring to pay their 1955 county and state taxes without making a trip to Benjamin.

Bumpas or his assistants will be in the following places on the dates specified:

Truscott, Monday morning, Nov. 28; Gilliland, Monday afternoon; Vera, Tuesday morning, Nov. 29; Rhinecland, Tuesday afternoon; Knox City, Wednesday, Nov. 30; Gorie, Thursday, Dec. 1; and Munday, Friday, Dec. 2.

The year has been good to Knox Citizens and other Americans. Our harvests have been bountiful. Some of us may have wished for more—but in no other country in the world do people enjoy the abundance that we, in America, take for granted.

From our earliest history, Americans have turned to God to give thanks for His bounty at the close of the harvest season. Let us not forget His goodness. Let us pause to give heartfelt thanks for our blessings: Freedom from Want, Freedom from Fear, Freedom of Worship and Freedom of Speech.

'Hounds Win 8, Lose 2 Games

The Knox City Greyhounds wound up in third place in District 7-B football when they lost to the Lueders Pirates, 46-0, in the final game of the season, Friday night. Despite the disappointment of losing their last two games, to Rochester and Lueders, the 'Hounds had a successful season, winning eight of ten games. Prospects are that the team will be stronger next year, while some other teams in the district are expected to be considerably weaker.

The defeat Friday night was one of the worst suffered by the Greyhounds since they began playing 11-man football. Apparently determined to build up as large a score as possible, the Lueders coach kept his main string in action during the entire game. On the other hand the Greyhound substitutes saw plenty of action, and their determined efforts pleased the fans who are looking forward to next year.

Coach Les Cowan commended the boys on their playing and attitude throughout the season. "They have been a fine bunch of boys to work with," Cowan said, "and we are proud of them. Although we are losing several players, we have the nucleus of a good team left, and more good boys will move up out of grade school next year. We are looking forward to next season, and we hope to have an even more successful team."

Cowan also thanked Greyhound fans for their support during the season. "The way a team plays depends a great deal on the attitude of the fans," he said, "and had it not been for the fine support we received we might not have won as many games as we did. We hope the boys furnished you some enjoyment, and that you are back behind us next year."

The Rochester Steers took the district championship by defeating Rule last Friday night, 26-7. In the bi-district game Thursday afternoon, Dec. 1, they will be hosts to the Clyde Bulldogs, District 8-B champions.

In a game earlier this season the Steers beat the Bulldogs, 33-0.

S-D Day Dec. 1 Can Be Milestone, Patrol Captain Says

December 1 can be a milestone in the constant fight against traffic accidents and their resultant deaths, according to one of the top traffic safety officials in this area.

That opinion was given today by Captain K. B. Hallmark, Jr., commanding officer of District No. 16, of the Texas Highway Patrol, which comprises the twelve county region with headquarters at Wichita Falls.

Captain Hallmark pointed out that December 1 has been designated nationally as S-D Day (Safe Driving Day) by Presidential proclamation and that Governor Shivers has issued a similar state-wide proclamation calling upon the citizens of Texas to join in a cooperative effort for greater traffic safety.

The head of the local area Patrol reminded motorists that strict observance and obedience of the traffic laws will assure a 24-hour period without traffic accidents on that day but, more importantly, it can set a pattern for year-round safety on the streets and highways.

"S-D Day can be a milestone in the constant fight against traffic accidents and their resultant deaths," Captain Hallmark said, "by showing, through the cooperative effort of every motorist and every pedestrian, that the tragic loss of human lives and property is not an inevitable evil which must be tolerated."

Some Area Guar Not Marketable Because of Rains

Some of the guar in this area is unmarketable because of rain damage, John A. Esser, manager of the General Mills Guar Plant, in Kenedy, Texas, said this week. The rains turned the beans black and moldy them. Maximum percentage of black beans in a lot for processing is 25 per cent, Esser said.

To avoid disappointment, Esser

suggested that farmers combine just enough to sample prior to harvesting the entire field. Farmers who have grain sorghum in guar were urged to eliminate the grain sorghum prior to harvest because the mixture may also be unmarketable.

Samples may be carried to the buyer, who is Market Poultry and Egg in this area.

"Any farmer who has combined guar beans that are not marketable for commercial processing can utilize such beans as protein supplement for cattle feed," Esser said. Guar beans average 30 per cent protein content and for feeding purposes they should be ground and mixed with green sorghums, Esser advised.

MUSIC ASS'N MEMBERS INVITED TO ATTEND GRAHAM PROGRAM

Local members of the Seymour Civic Music Association have been invited to attend Graham's first program, which will be held Wednesday night, Nov. 30, Mrs. E. Q. Warren said Tuesday.

The program will be the Philharmonic Piano Quartet. Three other programs in Graham are scheduled after the first of the year.

Membership in the Seymour Civic Music Association entitles the holder to programs in Graham, Vernon and Seymour.

Baptists Meeting in Abilene This Week

Five thousand Texas Baptists, with a cowboy band, six white horses and singers galore, began converging on Abilene early Wednesday for the 65th annual meeting sponsored by the Baptist Training Union Convention of Texas.

The three-day series of meetings will begin at 8:30 a.m. on Thanksgiving Day, Nov. 24, and last through Saturday afternoon, Nov. 26.

Attending from Knox City will be Rev. and Mrs. Billy Frazier, Rev. and Mrs. Billy Frazier, Mr. and Mrs. C. H. Cornett, and Mr. and Mrs. John May. Cornett is Training Union director of the local church.

Two of the denomination's top leaders, with scores of other pastors and laymen from over the state, are among those scheduled to speak.

The purpose of the gathering is to explain new programs and to present several new phases of endeavor which will challenge the churches to do more next year than they have ever done before in Training Union work.

One of the main features of the meeting will be a parade through downtown Abilene Friday after-

noon. The new procession will be led by the Hardin-Simmons Cowboy Band and the white horses and will end with a band concert at the First Church.

The two main addresses of the convention will be given by Dr. Baker James Cauthen, executive secretary for the Foreign Mission Board of the Southern Baptist Convention, and Dr. James L. Sullivan, former pastor of the First Church in Abilene and now executive sec-

retary for the Sunday of the SBC. Dr. Sullivan at 8:50 a.m. and 8:55 p.m. Friday. Training Union presided by the pastors and 19 Texas churches will be explained during sessions in the five programs will be used. Baptist churches over the early part of next

BOOSTER CLUB SETS JAN. 10 AS NEXT MEETING DATE

Members of the Greyhound Booster Club voted Monday night to dispense with meetings in December, and to meet again on Monday night, January 10.

The meeting date will be on the occasion of Knox City's first home basketball game in January—a conference game with Benjamin.

Time of the meeting was set at 7:00 p.m., which will give club members 30 minutes to discuss business before the games begin.

C. E. Williams, president, said members may not feel it is necessary to meet weekly during basketball season. Other meeting dates will be set at the initial meeting in January.

"This club was formed to help the entire athletic program of the school," Williams said, "and important business may come up at any meeting. All members are urged to be at the meeting January 10, and in the meantime, to support the Greyhounds at their practice basketball games."

NOTICE To Taxpayers

For the convenience of you who find it inconvenient to make a trip to Benjamin to pay your 1955 Taxes, we will be in the following places on the dates specified:

- TRUSCOTT — Monday morning, Nov. 28
- GILLILAND — Monday afternoon, Nov. 28
- VERA — Tuesday morning, Nov. 29
- RHINELAND — Tuesday afternoon, Nov. 29
- KNOX CITY — Wednesday, Nov. 30
- GOREE — Thursday, Dec. 1
- MUNDAY — Friday, Dec. 2

Teachers Association to be held this weekend in San Antonio. Approximately 8,000 teachers are expected to attend.

Following a theme of "Education—Freedom's Hope," the convention will open with a Thanksgiving Service in the Municipal Auditorium. Dr. C. Marney, pastor of the First Baptist Church in Austin, will deliver the sermon.

Speakers for the other sessions will include such notables as Gen. Carols P. Romulo, Philippine ambassador to the United States; Dr. Alexander Stoddard, retired superintendent of the Los Angeles public schools; Dr. Andrew Holt, vice president of the University of Tennessee; Waurine Walker, immediate past president of the National Education Association; and

Henry Stillwell, president of Texarkana College.

In addition to three general sessions and a meeting of the House of Delegates, some 40 section meetings will be held on nearly every subject field and phase of public school education. President G. E. (Tommy) Thompson, superintendent of schools at Kermit, will preside over the general sessions and House of Delegates.

A highlight of the third general session will be the announcement of winners of the annual TSTA Distinguished Service Awards which are presented to one educator and one layman for outstanding work in the interest of education during the past year.

Utilities Company To Use Card Type Monthly Statements

Reddy Killowatt, West Texas Utilities Company's versatile service symbol, will greet customers on the monthly service statements in a new manner beginning this week—on handier more convenient post card statements. WTU's local office here in Knox City will mail out the new cards for the first time next week, instead of the long statement form used so many years.

Inauguration of the new statement form was decided on after lengthy study and investigation which showed the new method would provide a more convenient statement for the customer and a more efficient system for the company.

Guy Glenn, WTU's local manager, said, "The new post card statements are prepared on long sheets of heavy paper that feed through machines in a continuous

run as newsprint through a printing press. The machines figure the statements, print them, and separate them for mailing automatically. The 2c postage is printed on each statement at the time the statement is figured and the information is printed on the statement. Use of a mailing permit eliminates the need for stamping the statements separately."

Glenn said every effort has been made in preparing this new statement form to keep it as simple as possible to present all the information the customer desires. He pointed out that the new statement interprets service charges in both kilowatts of electric power used and hours Reddy Killowatt worked in the home; that is, kilowatt hours of electric service.

It was pointed out that the new statement is basically a simpler and modernized form of the old statement. There has been no change in rates or manner in calculating the statement. The due date and delivery date remain the same as before.

"This new billing system," Glenn said, "is a result of one of the many studies and plans which the company has under consideration in their efforts to hold the line and keep electric rates, at the present level while the cost of everything else has gone up and up."

THE KNOX COUNTY HERALD, THURSDAY, NOVEMBER 24, 1955

PATROL CAPTAIN RELEASES COUNTY ACCIDENT FIGURES

Captain K. B. Hallmark, Jr., commanding officer of the Wichita Falls District of Texas Highway Patrol, released Knox County's rural traffic accident summary for October, 1955.

The highway patrol investigated a total of nine accidents with the following breakdown: seven property damages, two personal injuries, and no fatal accidents.

Captain Hallmark reported a total property damage of \$2,945 with two persons injured and none killed. This is an increase of one accident for the same period of 1954.

Patrolmen of the district contacted 1676 traffic law violators during the month. Capt. Hallmark reported that 580 of these were arrested while 1096 were warned for violation of the state traffic laws.

Speeding was the leading cause of arrest, with "driving while intoxicated" second, and improper passing ranking third.

Leaving last week for their annual deer hunt were Dr. R. C. Edwards, Rudolph Hackfield, Dr. T. S. Edwards, Henry Jones. Accompanying them this year were Rudolph Hackfield, Jr., R. P. Bernard, and J. James. The group left early last Saturday morning and are expected to return this week. Jones, Hackfield, and the two Dr. Edwards' have hunted on the Cox Ranch near Sanderson, Texas, for many years.

Sgt. and Mrs. Bobby Reese and children of Fort Worth plan to spend Thanksgiving with his parents, Mr. and Mrs. C. J. Reese. The sergeant and his family have recently moved into their new home in Ft. Worth.

Mr. and Mrs. Pat Riley of Wichita Falls spent the weekend with her parents, Mr. and Mrs. Frank McAuley, Sr. Their daughter, who had visited her grandparents last week, returned home with them.

STREAMS in Desert Places

By Ozelle Stephens

Do you remember Jesus in the time of trouble? Look to Him in trouble, sickness, sorrow, or whatever your trial may be, for He is watching you. He is waiting for your cry. He answered Paul's cry by saying, "My grace is sufficient for thee, for My strength is made perfect in meekness." When Paul remembered that Jesus said this, he was able to say, "I take pleasure in infirmities, in reproaches, in distresses for Christ's sake, for when I am weak, then am I strong." At the very end of Paul's life in his last letter to Timothy he tells how at his first trial no man stood by him, but all men forsook him. Then he says: "Notwithstanding the Lord stood with me and strengthened me, and the Lord shall deliver me from every evil work and will preserve me unto His Kingdom."

He stood by Paul and He will stand by you in every hour of need. He will never leave you and never forsake you. So remember Jesus and be thankful unto Him every day. Streams of His Grace and Power will be yours in every Desert Place of life.

Mr. Farmer ...

TRUSCOTT WOMAN HONORED WITH BIRTHDAY PARTY

TRUSCOTT, Nov. 22. — Mrs. George Solomon was honored with a covered dish luncheon by relatives and friends at the Solomon home Sunday.

The couple went to Sunday School and church. When they returned home they were greeted at the door with "happy birthday" and a bountiful lunch was served, to the complete surprise of the couple.

Relatives and friends who were present were:

Mrs. Tom Craig and sons, Mrs. Luther Craig, Mrs. Minnie Grarus, Mrs. Paul Leatherwood and children, all of Jacksboro, Mr. and Mrs. Marion Groves of Wichita Falls, Mr. and Mrs. L. E. Ross and children of Quanah, Mr. and Mrs. W. T. Short and daughters of Houston, Mrs. C. M. Guynn, Mr. and Mrs. W. O. Solomon of Truscott, Mr. and Mrs. D. S. Ellis of Gilliland.

The afternoon was spent in visiting. Many lovely gifts were presented to Mrs. Solomon.

For '56 choose FORD... America's Favorite Station Wagon

With Thunderbird Y-8 power . . . Thunderbird styling . . . and exclusive new Lifeguard Design

Eight-passenger Country Sedan

More stylish than ever, with new colors . . . stunning interiors. Like the Country Sedan it has an easily removable rear seat. Fold-down doors give easy access for all eight passengers.

Six-passenger Country Sedan

Designed for those who want 4-door convenience with seats for six. Like other models, it has Ford's fold-into-the-floor Stowaway seat.

Country Squire

A queen among station wagons. Mahogany-finished steel panels give woodlike beauty to this luxurious, 8-passenger dreamboat.

THREE WITH 2 DOORS

Ranch Wagon

This favorite has two wide doors, easily seats 6 people. As in other models, lift gate and tail gate can be operated easily with one hand.

Custom Ranch Wagon

A 6-passenger beauty that converts in a split jiffy from luxury liner to a super-spacious cargo carrier. Easy-to-clean interior can take it.

There's more than meets the eye as to why Ford Station Wagons sell more than any two runners-up combined! Their Thunderbird beauty is apparent in all six models. But underneath that beauty there's a heart of "GO"—for the Thunderbird Y-8 engine is the standard eight in all Ford Station Wagons, at no extra cost. If you need a more reason why Ford is your sound station wagon buy—look into new Lifeguard Design which was designed for your protection . . . is found only in the '56 Ford.

Safe Driving Period To Be Climaxed By S-D Day Dec. 1

Captain K. B. Hallmark, commanding officer of District 16, said that the observance of S-D Day on December 1 would see no change in law enforcement policy insofar as the Texas Highway Patrol is concerned.
 He pointed out, however, that the special emphasis program aimed at marking a 24-hour period without traffic accidents began Sunday, November 20, and will culminate in S-D Day on December 1.
 During that period, Captain Hallmark said that he would utilize

every available man in his command on as broad an assignment basis as possible in a concerted effort to assure the success of S-D Day.
 "In most instances, this will mean that the Patrolmen in this district will be working even longer hours than usual," the Patrol Captain said, "and as part of their every personal contact they will ask the cooperation of motorists in observing the traffic laws on December 1 and every day."
 Captain Hallmark had issued a statement earlier indicating his belief that S-D Day can set a pattern for year-round safety on the streets and highways if every motorist will give strict observance and obedience to the traffic laws of that date. He said that the cooperative effort of every motorist and pedestrian can show that the loss of lives and property from traffic accidents is not "an inevitable evil which must be tolerated."
 Sheriff Homer T. Melton said this week that Knox County officers will cooperate wholeheartedly with district patrolmen during the program. He asked local drivers to "slow down for a mark down in Knox County accidents from now to Dec. 1, S-D Day."

CUB SCOUT DEN MOTHERS AND DEN CHIEFS NAMED

Sixty-six Cub Scouts and their parents attended the meeting of Pack 181 Thursday night at the American Legion hall.
 Cubmaster H. M. Compton, assisted by Ed Smart, called the roll of the Cub Scouts and introduced the new den mothers and the den chiefs.
 The den chiefs led the new Cubs, or Bobcats, in the Cub Scout promise, motto and the law of the pack. Wolf badge was awarded to Lanny Logan and Jerry Tra-week received his Bear badge with gold arrow point.
 Den 4 won Cubby, the attendance prize.

Following the meeting a game program was held with each den sponsoring two games. Prizes of home-made candy were given. The games netted \$10.00, which was put in the Pack treasury. The Cub Scouts of Knox City hope to continue to be self-supporting by having stunt nights at their pack meetings, Mr. Compton said.
 Pack meeting will be held the third Thursday of every month, he added.

TRUSCOTT H-D CLUB MEETS

The Truscott Home Demonstration Club met Thursday afternoon in a call meeting for Advanced Dress Making.

The president, Mrs. Jack Hickman, was in charge. Achievement Day will be Wednesday, Nov. 30, at 2:30 in the County Court House. Each club will present some kind of entertainment.

The Christmas party will be planned at the next club meeting, Dec. 8. At that time, Tailoring Révue will be discussed and each member was urged to attend.

After the business meeting, Mrs. Oscar Solomon, Mrs. Hickman, and Mrs. W. R. Owens gave a report on the dress making révue held in Benjamin, Nov. 15.

Refreshments of coffee and cookies were served to the members, two visitors, and Miss Kinsey, county home demonstration agent.

AGRICULTURAL PRODUCTION IS KEEPING AHEAD OF POPULATION INCREASES

COLLEGE STATION.—World agricultural production, excluding countries in the Communist bloc, was more than 25 per cent greater in 1954 than in 1946-47, according to a report from the Food and Agricultural Organization of the United Nations.

Reviewing agricultural development of the decade since the end of World War II, and since its own birth in 1945, the FAO says that food production in areas outside the Communist bloc has slightly outweighed growth in population since before the war. Consequently production per head is slightly above prewar levels.

Leaving out the Communist bloc for which figures are still incomplete, the world is now, for instance, producing about 20 per cent more rice, milk, and cotton than before the war; about 30 per cent more wheat, fats and meat; 50 per cent more fruit and sugar; and 80 per cent more natural rubber.

Against this background of greater abundance, the FAO Report shows, however, that in many Far Eastern and in some Latin American countries the consumption of food per person still remains below the very inadequate prewar levels.

Mr. and Mrs. Paul Hoge spent Tuesday in Wichita Falls.

Mrs. Joe W. Brown of Hobbs, N.M., visited in Knox City and with her mother, Mrs. J. K. Worley, in Rochester this week.

Dr. and Mrs. C. G. Markward and Chuck left Wednesday for Oklahoma City to spend Thanksgiving holidays with friends.

Mr. and Mrs. Pete Knight spent the weekend in Blair, Okla., with their son, O. L. Jr., and Mrs. Knight.

BENJAMIN BOY RECEIVES TEACHER - TRAINING

Stanton Brown, son of Mr. and Mrs. L. C. Brown of Benjamin, and a junior at Texas A. & M. College, recently spent one week at Brock-enridge High School for the purpose of observing the operation of the vocational agriculture department in the school.

This week of observation is part of the training received by Stanton in his preparation to teach high school vocational agriculture after graduating from Texas A. and M. College. In addition to observing the operation of a vocational agriculture department this year, he will spend four weeks next year doing actual teaching in a vocational agriculture department.

E. V. Walton, head of the Agricultural Education Department at Texas A. & M. College, said that the time spent by students observing and teaching permitted them to gain valuable experiences as they prepare to become teachers of vocational agriculture.

Stanton is an active member of the Texas A. & M. Collegiate FFA Chapter.

Mr. and Mrs. Dan Talbott visited relatives in San Angelo Saturday.

Mr. and Mrs. C. R. Colehour of Mt. Carroll, Illinois, visited with Mrs. Philip Colehour last weekend. They were on their way home from Biennial Convention of the Girl Scouts of America which met in San Francisco. Mr. Colehour was an official delegate from the Jane Addams Council and Mrs. Colehour was a member of the National Elections Committee.

Visiting in the home of their parents, Mr. and Mrs. Claude Garrison, during the weekend were Mrs. Virgil Stephens and Mrs. Jim Stephens, both of Lubbock.

To the Good People of Knox City . . .

We wish to thank you for the many kindnesses shown us and Rex Davis in the recent unfortunate shooting affair.

The knowledge that so many of you were sympathetic and helpful and friendly leaves us and Rex with the best of feelings toward you.

1c Pecos Valley Construction Co.

CARD OF THANKS

Our sincere thanks for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. May God bless you for your kindness.

W. M. S. CIRCLE MEETS

The Aletha Fuller Circle of the Baptist W.M.S. met in the home of Mrs. W. E. Lovelace Monday night for mission study.

The meeting was opened with the group singing "More About Jesus." Mrs. Lovelace led in prayer and the devotional was read by Mrs. L. V. Dodd. Carol Finley taught the last chapters of the book "Mission Doctor." A prayer by Mrs. Harry Hickman dismissed the group. Nine members were present.

Legal Notice

NOTICE

The Knox County Commissioners Court has received a petition asking the closing of a certain section of county road.

The road in question is further described as follows:

"Closure beginning at a point where the west end of the south line of Section 2, HE&WT RR Survey touches the northeast side of Section 4, H&T RR Survey, Block 14 and continues northwesterly along Section 4 bordering the Otto Lawson farm to a point on the south line of Section 2, HE&WT RR Survey touching along a small portion of Mrs. Ross Oliver's farm; thence west along her south line and continuing along the south line of the A. L. Lea 195 acres and the north line of part of the E. R. Carpenter land to a point where the road turns north again and discontinued at this point."

The Court will hold a public hearing on this petition on Monday, Dec. 12, and anyone interested in the above described road is invited to attend.

L. A. PARKER
County Judge.

MUNDAY BOY RETURNS FROM GONZALES HOSPITAL

Knox County friends of Robert Gene Wren, young son of Mr. and Mrs. Lee Roy Wren of Munday, will be pleased to know that he has recently returned home following extensive treatment at Gonzales Warm Springs Foundation for Crippled Children.

Robert was admitted to this hospital of physical medicine and rehabilitation August 8, 1955, in an effort to overcome the effects of polio suffered in October of 1954.

Gonzales Warm Springs Foundation, designed to benefit physically handicapped Texans, regardless of race, color or financial condition, was built and is sustained by the citizens of Texas. It now has facilities to accommodate 140 to 150 patients; thus extending its treatment services to many more crippled people of our state.

Christmas presents were Mrs. Russell Boyd closed in with prayer. Fifteen were present.

Mrs. Alton Leach and of Plainview spent Friday and Saturday with her Mr. and Mrs. S. N. Reed.

Mr. and Mrs. Bob Gay the weekend in Seminole their daughter, Mrs. Joe and family.

RUBY WHEAT CIRCLE OF BAPTIST W. M. S. MEETS

The Ruby Wheat Circle of the Baptist W.M.S. met Monday morning in the home of Mrs. C. H. Corbett.

Mrs. Morris Denton led the opening prayer and the group sang "The Great Physician." Program leader was Mrs. Ben Knight, and taking parts were Mmes. A. Reed, Ralph Barbee, Erwin Youngblood and A. G. Goldston.
