## K. C. Munday Play 15 Inning No Score Thriller

### Best Game In Years

Knox City base ball fans received the thrill of a life time Wednesday when Knox City and Munday battled in a tit for tat fashion in a prolonged no score game. Finding little satisfaction at the end of the 9th with neither team having scored, both teams battled on through the 15th with the same tie.

The game was pitched throughout by the original two pitchers, both did fine work and were given excellent field assistance.

Both Munday and Knox received a number of real hits, only to be caught later. In the 13th Henry first up made a two bagger which would have been at least a three base hit had the ball not selected G. T. Harberger's car as a landing place and bounced back into the fielder's hands. Following this smash Jess Hill smashed a line drive that looked like a hit over short but that guy jumped about 10 feet high and it was just too bad, for White was doubled off second.

In the 14th Munday got in a tremendous smash and sent the ball across the diamond into the road but Creed in behind it succeeded in catching same on a bounce and cutting the runner at third.

Wetzel made an excellent catch in a running, twisting backward catch. Both teams fought hard making the game tight, swift and interesting. Umpire Milford did a swell job and everybody was happy.

Munday made 6 hits, Knox City 10. What a game! What a game! Mr. Ripley you tell one.

### EARLY WEST TEXAS CATTLEMAN BURIED IN HASKELL

#### Is Father of Knox City Woman

Mr. Watt Fitzgerald of Haskell, father of Mrs. George Clifton of this city, as buried at Haskell Sunday afternoon. Services were conducted from the family residence, Reverend W. A. Gordon pastor of the Haskell Methodist church officiating. Interment was made in the W.P.O.V. Cemetery.

Mr. Fitzgerald, who was 77 years old, was stricken with acute indigestion last Monday. He died at 6 a. m. A stockman, Mr. Fitzgerald was one of the earliest pioneers of Haskell county and was widely known throughout this section of the state. Some eighteen pioneer cattlemen from over West Texas were honorary pallbearers for the funeral services of Mr. Fitzgerald.

The wife of the deceased died on February the second of this year. Survivors are the following children, Mrs. Ada Rike of Haskell; Mrs. R. B. Ellis and Mrs. Frank Carroll, Fort Stockton; Mrs. Earnest Southern, Wichita Falls; Mrs. George Clifton, Haskell; Miss Ruby Fitzgerald, Knox City. Other survivors include eight grand children; one great grand child; two sisters, and two brothers.

### LARGE CROWD ATTENDS COMMENCEMENT SERMON

A crowd filling the church to capacity was in attendance for the Commencement sermon delivered Sunday by Reverend Perry King of Rule in the local Methodist church.

The choir entered the church by the east entrance, leaving the two main aisles for the honor graduates who marched in as Miss Irene Holland played. The songs offered by the High School chorus were exceedingly pretty while the hour was climaxed with the splendid sermon delivered by Reverend King.

It was a splendid occasion for the young men and women in the graduating class and an occasion worth the time and not soon to be forgotten by the large crowd present.

Mr. and Mrs. Bird of O'Brien spent the past weekend with their grand parents Mr. and Mrs. J. A. C. Sweat.

### C. W. A. Meeting

#### SWINGS TO BE ERECTED IN PARK

One of the most outstanding, and estimated as the most valuable by mothers of small children of the city, was the meeting of the Christian Womens Association held Monday afternoon at the Methodist church. Plans were discussed for the erection of swings in the city park.

In addition, a very interesting program was given, which was followed by the election of new officers. They are as follows:

President, Mrs. S. M. Clonts.  
Vice President, Mrs. T. P. Frizzell  
Secretary, Mrs. C. C. Hoge  
Treasurer, Mrs. E. O. Jamison  
Reporter, Mrs. H. B. Sweeney

#### Work Begins Next Week

Following the meeting Monday, the Civic committee of the C. W. A. began their work concerning the erection of the swings. They were given pipes for the swings by the local gins. They are securing the other materials necessary for this work by general donation. Various business houses and individuals have generously donated to this cause and the ladies of the C. W. A. are looking forward to beginning work on the swings next week.

The ground at the park is planted with peas, however the swings will be erected and the chains will not be suspended forswinging until the present crop is disposed with.

Among the other things which the C. W. A. hopes to accomplish in improving the park is the graveling of a large square in the center of the grounds.

### GRANDPA TEAFF MOVED TO HERMELIGH

Mr. E. Q. Warren carried Grandpa Teaff, 91 year old Civil War Vetrap, to Hermeligh Texas the first of this week, to the home of his son Lem Teaff.

The aged man has suffered for the past month or two with his hip which was injured when he fell; however, he is better now than he has been and he made the trip to Hermeligh fine.

Mr. Warren, ambulance driver, states that he made the trip to Hermeligh through Anson, Roby, and Sweetwater and that he believed it would be a great treat for any Knox City person to drive over that same road now. Beginning about Stamford, says Mr. Warren, the crops are certainly weedy. Knox City has finer, prettier prospects now than any of the territory covered on the Hermeligh trip. Weeds range in height from six inches to a foot and a half says Mr. Warren.

Mr. and Mrs. C. H. Keck, Mr. and Mrs. Joe Averitt are attending the graduating exercise of the Seymour high school tonight, Thursday. Mrs. Keck's sister, Miss Faye Boyles, is one of the 63 graduates of the Seymour high school this year.

### MAN WITH THREE PURSES IN JAIL

Monday, City Marshall Hardberger placed in the jail an interesting character. Although well stocked with purses, three, William X. L. Butler could produce only one thin dime.

The five foot nine inch purse lifter made an amusing appearance wearing trousers sufficient in size to make him two pair and a shirt sized for a twelve year old boy. He also had in his possession several spair suits of underwear.

Buttled described himself as being an honest man looking for a job. When ask where he lived he told the story of having had a home some fifteen years ago in Van Zant County but since that time he has lived wherever his hat hung.

Hardberger received a communication Tuesday from sheriff W. T. Sarrels of Haskell who was in search of William X. L. Butler and drove to Knox City for the gentleman. He was placed in the Haskell jail the city from which he took his ill fitting clothes.

### RADIUM SALESMAN IN HASKELL JAIL

City officials of Rule picked up a man there Tuesday who had in his possession some \$1,100 worth of radium which he was attempting to sell to Rule hysicians. The salesman was from Oklahoma City, which city he left carrying the precious radium on his lip.

It is interesting to know that the quantity of radium in his possession was about the size of a pen head. It is the most powerful thing known to medical science.

### D. C. SOUTHALL BURIED IN DELTA COLORADO

Mr. D. C. Southall, a former resident of this country, died Sunday at his home in Delta Colorado and was buried Tuesday.

Mr. Southall, a former resident of Knox County, having lived in the Union Grove community. He was the father of Mr. Oscar Southall who attended the Union Grove school then taught, as principal, in the same school.

Old friends of the Southall family will learn with regret the death of the aged man.

Miss Lora Jean Propps is numbered among those who are nursing the measles this week.

### SUN SET SCHOOL GRADUATING EXERCISE

The seventh grade graduation exercises of Sunset School were held in the auditorium Friday evening, May 26th, with Superintendent Duff of Wehnert delivering the principal address.

Certificates were awarded to thirteen graduates of the grammar school. The class this year is much smaller than last year, but the class next year will be much larger. Due to the raising of standards in the school, quite a few pupils have dropped out, but the percentage of withdrawals is growing less and less.

The Senior class this year is also small, but next year's class will be larger.

The Baccalaureate Sermon was delivered Sunday morning to the graduating class of Sunset by Reverend Albertson of Munday.

Brother Albertson delivered an interesting and inspirational talk on the Warfare of Life. He emphasized the fact that he was not attempting to give the class advice, observing that he often to ma's advice was given, but he brought out the fact through apt illustrations that faith in one's self, faith in fellow-man, faith in God, and the untiring labors of the individual are necessary attributes to win in this warfare.

### O. E. S. INSTALLS NEW OFFICERS

There was a public installation of officers of the Knox City chapter of the order of the Eastern Star in the lodge hall Wednesday night. Mrs. Beatie of Chillicothe, Worthy Installing Officer, was present and put on the work. It was very pretty and the appreciative audience found much pleasure in seeing the work so efficiently done.

Following the installation service refreshments of chicken salad, pickles, crackers and iced tea were served.

Mr. and Mrs. S. L. Favor made a trip to Abilene Monday. They assisted their daughter, Mrs. Sammy Carpenter, move to Haskell. Mrs. Carpenter returned home with her parents.

Mrs. Carrie Weaver and two daughters, Mr. and Mrs. Brice Weaver and Miss Juanita Morgan of Rule were all weekend guests in the W. F. Waldrip home.

### BRIDE ELECT OF CARL MORGAN IS HONORED

Miss Annie Freeman, bride elect of Mr. Carl Morgan, was honored with a beautiful miscellaneous show given Tuesday evening by members of the faculty of the Knox City school.

Miss Freeman has been a teacher in the Knox City school for the past few years and has won the admiration of all of Knox City. Her co-workers in the school were pleased to honor her on the eve of her marriage to Mr. Morgan.

The shower Tuesday was given in the home of Mrs. J. A. Wilson. A program featuring Miss Florence Wilson and Mary Vivian Davis in readings and Miss Myrtle Evans in song. Miss Evans presented the gifts in a unique way. Following this display, refreshments of sandwiches, olives and iced tea were served to 57 guests.

Miss Freeman is leaving the city Friday for Weatherford to be with her mother a short while before her marriage.

### COOK-REX

Miss Thelma Rex of O'Brien and Mr. Earl Cook of this city were united in marriage in Rule Texas on May 14th Reverend Perry King pronouncing the ceremony.

Miss Rex was the attractive and popular daughter of Mr. and Mrs. J. H. Rex. She is a graduate of the O'Brien High School.

Earl is the son of Mr. and Mrs. Dick Cook having attended the Knox City high school.

The couple are making their home for the present with his parents in the East section of the city. The Herald joins the town in wishing for them a continuous, happy married life.

### COUNTY COUNCIL P-T-A TO BE HERE TUESDAY

The County Council of the Parent Teacher Association will convene in Knox City on Tuesday afternoon, June 6th at the First Christian church, the hour, two-thirty.

Everyone interested in the work of the association, who is at all interested in children, is invited and urged to attend this meeting.

All those wanting cotton choppers or hands for other work, list your wants at the city hall and hands will be supplied.

### DO YOU NEED SEED TO PLANT?

Quite a few farmers are having to replant some of their cotton now. This was due to the recent rains which came just at a time to be destructive to the crops. There is a possibility that some farmers will have to replant who do not have a sufficient supply of seed on hand to replant with.

It might be worth while for these men who have a few extra bushels of seed to list their quantity at the ank, so those men who need a small amount of seed might secure them.

This arrangement will give contact with the man with extra seed to him who needs seed.

The Union Grove School will close Friday. As is the custom of the school there will be two evenings of free entertainment to which every one is invited. There will be a play given on Thursday night and another evening of entertainment on Friday night. Judging by former years these two evenings will be filled with wholesome, and enjoyable amusement, and also judging from former years, the attendance will be a capacity crowd.

### Clothes Closet Built at a Cost of Less Than 50 Cents

A clothes closet built to meet the requirements sent out from the Extension department, A. and M. College is the latest addition to the home of Mrs. Odessa McGuire, wardrobe demonstrator in the Vera Home Demonstration Club.

"By using scrap lumber, beaverboard and stiff cardboard, the only cost was paper, pain and hinges. The catches were some that I had on hand," said Mrs. McGuire.

This closet is built to the ceiling with a drop ceiling in the upper part making it possible to use it for storage. The main part of the closet is equipped with a rod for hanging clothes, a shelf and shoe bag.

### SUNDAY SCHOOL LESSON

Rev. Char. E. Dunn

Jesus Faces betrayal and Death Lesson for June 4th. Mark 14:10-72 Golden Text: Isaiah 53:3

Our lesson introduces us to one of the most tragic characters in the Bible, the disciple whom Jesus failed to win. Now Judas presents a very baffling problem to the interpreter of human motives. On the one hand, it is easy to be too lenient in our judgement. DeQuincey, for example, maintains that Judas betrayed his Master from the highest motives, in order that Jesus might demonstrate His power, overthrow His enemies and reign as King. On the other hand, it is easy to be too harsh, to picture the traitor as altogether black with no saving grace whatever. The fact is that he was very human. Both good and bad.

The pathos of his pitiful career lies in the fact that he might have been a saint, but chose to be a devil. He had the best chance in the world to make good. And he made shipwreck of his opportunity. Daily he stood with the Master at the gates of heaven, but he chose hell's path instead. And how many there are that follow in his wake! Can anything be done for them? No, for God cannot save those who willfully rebel against Him.

We also have, in our lesson, the words of institution of the Lord's Supper. This blessed feast is first a memorial rite in obedience to the command. "This do in remembrance of Me." It is also a great act of consecration, for it is a sacrament, a word that means, in the Latin, an oath, of allegiance. Furthermore, it is an expression of Thanksgiving, a sacrifice of praise. Then, too, it is a symbol of the united fellowship of Christendom, for all Christians gather about the Lord's Table. Finally, it is a Communion, a time when the real race of God in Christ, we humbly, but joyfully experience the real race of God in Christ.

The lesson contains, too, the sad tale of Peter's denial. If Peter, the Rock, a tower of strength, could repudiate his Master in an hour of crisis, is may it not be that you and I will also fail? God help us to be on our guard.

Mrs. Lee Smith and Mrs. Holt Moseley visited in Haskell Tuesday.

Jack Wetzel and Green Creed spent the past weekend in Fort Worth.

Mrs. J. C. Campbell is reported ill.

Mother and Nick Shaver spent Sunday night with Mr. and Mrs. J. J. O'Brien in Roosevelt Oklahoma.

Mrs. S. E. Youngblood and Mrs. Ann Bridges attended teh school of instruction of teh O. E. S. held Tuesday in Vernon.

## Sidelights

BY MARVIN JONES  
 Member of Congress from Texas

One of the most important phases of work in Congressional committees during recent years is the investigation now being conducted before the Senate Banking and Currency Committee.

Already a number of facts have been brought to light concerning the international banking establishment of J. P. Morgan and Company which has come to be looked upon by the American people in an almost legendary light because of its power in the financial world.

The outcome of this investigation which will embrace not only the Morgan interests but one big banking institutions as well, will no doubt result in beneficial legislation which will enable the federal government to strengthen its control over the money and credit of the nation. It may also lead to further banking reform and to the strengthening of "the laws as well. Work along this line has already been started.

An example of the inadequacy of present statutes can be found in the testimony that J. P. Morgan gave to the Senate investigating committee, in which he said that he paid no income taxes during 1931 and 1932, and very little in 1930. However, he did pay income taxes in England.

The American people may well be astonished by such a revelation. The fact that America's symbol of monied power paid no income tax is startling. Mr. Morgan explained this fact by saying that he had to partake of the losses of his company as well as the profits.

In this country capital losses are not taxable, while in Great Britain they cannot be deducted in making individual returns.

Another interesting revelation which has been made in the extensive control which the company has through its twenty partners. There partners hold eighteen directorships in banks and trust companies and 167 directorships in corporations.

Those points are only a few examples of the many things which the Senate committee is learning, and as the hearings progress, more interesting developments are likely to result.

It is the intention of the investigators to bring into the open the practices of these private interest which have held such a grip on our economic structure.

If present laws have been violated, punishment should follow immediately. If the laws have been evaded by various methods, then there must be tightened and revised to insure justice to every American citizen.

No matter what the final outcome of the investigation may be, already the little individual has come to realize how insignificant he is in the midst of this enormous centralization of holdings and control.

The balance must be restored, and the irregularities must be corrected.

## Senior Week Activities

The Senior class enjoyed Monday at the Davis Ranch. After a fine swim and an interesting game of baseball every one enjoyed a delightful dinner. The next few hours were spent at various things, each amusing himself in anyway he desired. In route home we came by the Benjamin Lake, enjoyed another fine swim and "snapped" several pictures.

Tuesday evening the class gathered at Mrs. Earl Benedict's and after receiving orders from Mrs. Victor Freest as to a treasure hunt we were scattered all over town gathering quite ridiculous articles. Furd Glover and Sam Leaverton, with their partners, received the prize for getting all of the treasurers (including a donkey). After the hunt we all went to the Howell home for more fun and ice cream and cake.

Wednesday at noon the class motored Mrs. Den Davis and Mrs. Earl Benedict honored the class with a lovely luncheon at the former's home.

Wednesday night the Senior class was present at the recital given in honor of Mr. and Mrs. J. W. Cloud at the home of Mr. and Mrs. E. Q. Warren.

Thursday morning at four fifteen o'clock the seniors entertained the Junior class with a surprise breakfast at the Benjamin Lake. Upon arrival at the lake part of the crowd went swimming while others prepared breakfast. The meal consisted of bacon and eggs, coffee, toast and oranges, which was served to about twenty people.

The Teachers of Knox City High School, as members of the Senior class of 1933, wish to thank the faculty of this year and past years of the Knox City school for the influence that has been given so that we might obtain the degree that we are receiving. It is felt that our character has been formed by our teachers as much as by our parents and we feel that we are indebted to you.

### FIRST GRADERS SURPRISE TEACHER

Wednesday afternoon the pupils of the first grade surprised their teacher, Miss Elsie Graham with a handkerchief shower. Some twelve of the first grade mothers gathered at the school building at two-thirty and served cream cones to the children. The handkerchiefs were presented to Miss Graham in the form of a huge cream cone. They were given as a means of expressing, in a small way, the love of the first graders for Miss Graham, and the esteem in which she is held by the mothers of the first grade pupils.

A. C. Decker arrived home Tuesday from John Tarlton.

## 6th Grade Picture

### 6th GRADE PRESENTED PICTURE

In memory and appreciation of the fine character of the recently deceased Roy Roger Smith, Dr. T. S. Edwards bought and presented this week a large size picture Old "Ironside" to the pupils of the 6th grade, the class of Roy Roger.

This picture is to follow this class Knox City school days, which includes Knox City school days, high school of course, the four year high school term. Terminating that period the picture is to hang permanently in the Study Hall.

Miss Freeman, teacher of the 6th grade with the membership of the class, expressed deep appreciation for the picture. The 6th grade is very appreciative of the fact that their class has had numbered among them a boy like Roy Roger.

### FIRST GRADE PICNIC

The first grade pupils were most joyfully entertained by their teacher and mothers with a picnic Friday afternoon at the home of Miss Elsie Graham.

The children were carried to the designated place in a truck driven by Mr. Howard Freeman. They spent some two hours playing games following which they enjoyed a picnic lunch of sandwiches, potato chips, cakes, fruit and ice cream cones.

The children were returned to the school building in the truck the route thereto including a drive through town. This gave them much pleasure.

Mothers present for the occasion were Mrs. G. W. Coats, Mrs. Vance Favor, Mrs. A. J. Malouf, Mrs. H. E. Wall, Mrs. Otto Lawson, Mrs. H. U. Sweeney, Mrs. L. W. Graham, Mrs. Howard Freeman, Mrs. T. P. Frazier Jr., Mrs. Amron Trout and Mrs. P. B. Baker.

### UNION GROVE SCHOOL NEWS

It is reported that Shorty Youngblood is working hard this week but has caught nothing yet. Guess they're not biting for Shorty.

Mr. and Mrs. R. K. Shaver and two children have moved to Crosbyton Oklahoma where they will remain for some six or eight weeks. They went Sunday.

## LOST 40 POUNDS ON DOCTOR'S ADVICE

"I'm a user of Kruschen Salts as a reducing remedy and can say they are fine. Have lost more than 40 lbs. in the past year. Am gradually reducing as my doctor advises."

Miss Bertha Waldo, Haman, N. Dak. (Oct. 30, '32).

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that lasts 4 weeks costs but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back.

*Dearborn, Mich.*

May 22, 1933

I suppose that I may claim to be the first Ford Dealer. I not only made cars, but sold them and frequently delivered them myself.

The "drive away" is not new; often I have driven cars from Detroit to towns in Ohio or Indiana or Michigan to make delivery.

There were no good roads in those days, and the people where I drove had never seen a motor car before.

My first really enthusiastic customers were Country Doctors. They were the first to realize the value of dependable transportation to a widely scattered practice.

Even today I occasionally hear from some of those first Ford users.

We had to teach local mechanics how to care for the cars. That is how Ford Service began, which is now found everywhere in the world.

We believed from the beginning that a sale does not complete our transaction with our customer — it creates upon us an obligation to see that our customer's car gives him service. Ford Dealers know their duty to the public in this respect.

I can say of Ford Dealers generally that they have been and are men of character and standing in their communities. Most of them have been with us many years, which indicates that we agree on basic business principles. The Company provides that the methods used to sell the Ford car are consistent with the self-respect of the Dealers who handle it.

The present Ford V-8 is the peak of our 30 years experience. We have never made a better car. Its eight-cylinder engine is powerful and smooth running. The car is admittedly very good looking and has comfortable riding qualities. It is economical in operation because of advanced engine design and low car weight. It is the fastest, roomiest and most powerful car we have ever built.

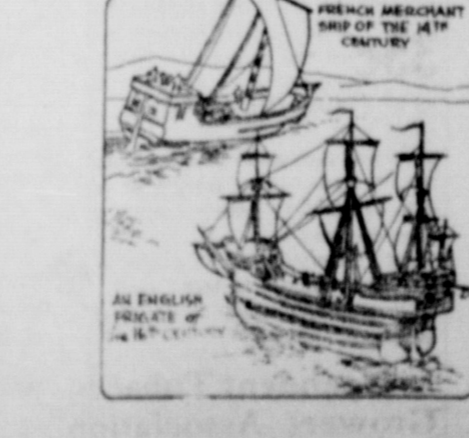

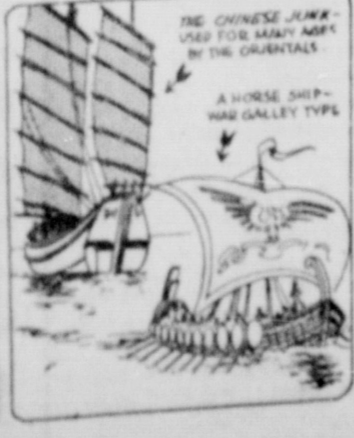

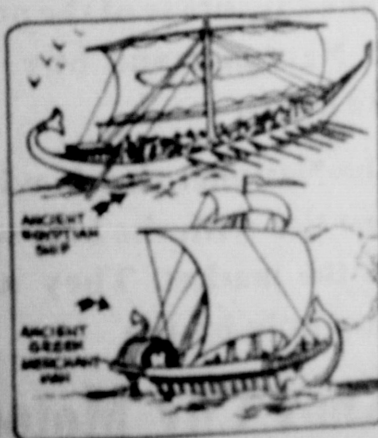

*Henry Ford*

Combined resources make possible individual service. Money saved and deposited adds to these resources of the community, and assists in the carrying on of legitimate business. Helps buy the products of the farmer, furnishes capital for the purchase of goods from the merchant, and makes jobs for the man who labors and builds the homes and the farms. Our facilities and services are offered to our customers on the basis of their needs consistent with the principles of good business and banking. Combine your resources and efforts with us along these lines for the betterment of all.

**CHURCH OF CHRIST NEWS**

Brother Wilburn Hill, who has been preaching for the Church of Christ regularly for about six months announced Sunday evening that next Sunday would be his last time to be with this congregation until the second and third Sundays in July.

If you haven't heard Brother Hill preach, you have missed something, so, if possible, avail yourself of this your last opportunity for many weeks. The church has greatly appreciated Brother Hill's efforts since he has been here, and we sincerely regret to have him go even for a time.

**KENTUCKY BURLEY TOBACCO**

"Direct From Grower To You"  
Old Kentucky Burley Tobacco is the cream of the finest crops Kentucky's beautiful soil can produce—ripe, rich leaves—smooth and mellow—with that rare old-fashioned flavor and fragrance that only proper "aging" can produce. We bank on it you have never tasted or smoked a finer flavored, more satisfying tobacco in all your life.

**SPECIAL OFFER!**

**FIVE POUNDS SMOKING TOBACCO**

**\$1**

Rich, Ripe, Old Fashioned Leaf  
Our Old Kentucky Burley is no more like manufactured tobacco than day is like night—guaranteed free from chemicals and all other adulterations that conceal imperfections, delude the sense of taste and undermine the health.

We use the same method our grandfathers used in preparing tobacco for their own use—every trace of harshness leaves it—nothing to "bite" your tongue or parch your taste. Thousands of tobacco lovers the world over swear by its inimitable smoking and chewing qualities.

**REDUCE YOUR TOBACCO BILL.**  
We sell direct from the grower this eliminates the eighteen cents a pound Revenue Tax all manufacturers' and middlemen's profit thereby effecting a saving to you of 50 percent or more. No fancy packages, no decorations, just quality and lots of it.

**MONEY SAVING PRICE SMOKING OR CHEWING 5 Pounds for \$1.00**

Send us One Dollar Cash, P. O. or Express Money Order (no personal checks) and we will promptly ship you a five pound package of "Burley tobacco."

Five pounds of Old Kentucky Burley will make 45 large packages of smoking or 50 twists of chewing.

Send 35 cents in silver and we will ship Post—Paid—one pound of Burley Tobacco as a trial offer. A trial will convince you.

We have thousands of requests daily for "Samples"—our margin of profit is so small we cannot comply with these requests.

We do not ship C. O. D. orders to do so would require a large staff of clerks. Orders must be in English language.

**Delinquent Tax List**

The following article was sent to us by Representative George Moffett.

Austin, Texas, May 27—The following is a brief outline of the provisions of the delinquent tax bill which has been passed by the House and Senate.

The bill which releases penalties and interest on delinquent taxes in a fusion of the O'Neal bill in the Senate and the Leonard bill in the House.

The bill provides that all taxes delinquent to the State, any county and other political subdivision of the State on February 1, 1933, may be paid at any time prior to July 1, 1934, with interest and penalties which have already accrued deducted. If these taxes are paid prior to October 1, 1933, there will be added a penalty of one cent; if they are paid between October 1, 1933 and December 31, 1933, there will be added a penalty of two per cent; if they are paid between January 1, 1934, and March 31, 1934, there will be added a penalty of four per cent; if they are paid between April 1, 1934, and June 30, 1934, there will be added a penalty of six per cent.

The above provisions shall not apply to cities, independent school districts or special school districts unless the governing boards thereof pass an ordinance or order adopting the plan.

Delinquent taxes due all self-governing political subdivisions (not including State and county taxes) may be paid in the following manner if this plan is adopted by the governing boards thereof.

The taxpayer who is unable to pay all of his delinquent taxes at one time may, prior to September 30, 1933, make affidavit of such inability to pay and tender the affidavit to the tax collector, together with a sum equal to not less than 20 per cent of the taxes due. The tax collector shall accept this payment and the taxpayer will then be allowed to make four subsequent payments, each to be not less than 20 per cent of the total due. These four payments shall be made on or before June 30, 1934, December 31, 1934, June 30, 1935, and December 31, 1935. The first of these payments, that are made on or before September 30, 1933, shall have added to it a penalty of one per cent. Subsequent payments shall have added to them interest at the rate of six per cent per annum from September 30, 1933.

The failure of the taxpayer to comply with the provisions of the law shall cause the addition to the taxes of all penalties and interest released by the law.

**INFORMATION CONCERNING THE FEDERAL FARM ACT**

By W. E. Jones, County Agent

A brief summary of the Federal Farm Act can be covered in 2 parts:

1. The Secretary of Agriculture may arrange with individuals to reduce their acreage or production by a specified amount, and to compensate them either by paying rentals or by making direct benefit payments. This would be immediate relief, with only the participating producer receiving the benefits.

2. By entering into marketing agreements with processors and others to reduce wasteful and price-reducing competition, excessive handling charges etc. the Secretary of Agriculture may bring about better prices to farmers.

3. Cotton growers who reduce their acreage at least 35 per cent can be given an option for an equivalent amount of cotton, from stocks now owned by the Federal government more than two million bales. If cotton prices rise, the grower may have his option sold, and take the profits. In no case would the grower be liable for losses incurred in holding this cotton. This plan may be used either alone or in conjunction with rental or other benefits for lands taken out of cultivation.

For Farm mortgage loans or loans for redemption of foreclosed farms that are about to be foreclosed write Federal Land Bank, Houston, Texas. Further information can be had from the County Agent.

**3 RULES big help to BOWEL**

What a joy to have the bowels move like clockwork, every day! If you are if you mind these simple rules of a famous old doctor.

1. Drink a big tumbler of water before breakfast, and every time a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement exactly the same hour every day.

Everyone's bowels need to be moved, but the thing to remember is Caldwell's Syrup Pepsin. You get a thorough cleaning-out, and you leave your insides weak and well. This family doctor's prescription just fresh laxative herbs, pepsin, and other helpful ingredients. Mrs. B. couldn't hurt a child. But it wakes up those lazy bowels. Good you feel with your spine straight and that poisonous waste out.
