### Correction

The Herald made an error last week and although it was only a typographical error it was of vast importance. We here and now correct it. The dividends paid by the Farmers Cooperative Co. of this city was figured at the rate of \$3.20 per bale and not \$2.50.

## Bedford Smith County Pastor

Brother Bedford Smith, who has been part time pastor for the Knox City First Christian church, has accepted the County pastorate for the First Christian Churches. Brother Smith schedule to date is second Sunday in Benjamin, third Sunday Knox City and fourth Sunday in Truscott. While there are only three First Christian churches in Knox including preaching services, now, Brother Smith hopes to assist in the reorganizing of this portion of church work for other First Christian churches in the county.

An afternoon preaching service, beginning at 2:30 will be held at Gilliland Sunday afternoon following which the county board of First Christian Churches will meet. The Knox City church is to be represented by Mrs. T. P. Frizzell and Mr. Benton Apiderson; Benjamin being represented by Orville Propps and D. K. Brookerson. This county board is the advisory board for the churches of the county whose duty is to assist the churches in organizing and promoting their better interest.

Brother Smith and his sister have vital meeting in the Vera Church Monday night, having associated with him his sister Miss Tillie Smith. This meeting will continue through Easter Sunday.

Brother Smith and his sister have moved to Benjamin. He is anxious to be of service to the churches of the county and has expressed a sincere desire that all churches or groups of First Christian people in communities throughout the county will call upon him whenever his services are needed.

Brother Smith's telephone number in Benjamin is 12.

While Brother Smith has been, as heretofore stated, part time pastor of the local church for some time, his moving nearer to Knox City and accepting the county charge will greatly benefit the local church as well as the entire town. Knox City has two full time pastors whose title is deemed worthy by virtue of their conduct and interest in their work and town; and this third added to the number of worthy preachers makes Knox City a better place in which to live.

Knox City welcomes Brother Smith and his sister.

**Why Children Need a Liquid Laxative**

The temporary relief children get from crum chewing with habitually may cause bowel distention and even set up irritation in the intestines. A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to give the child "a double dose" a day or two later.

Can constipation be safely relieved at home? "Yes" say medical men. "Yes" say many mothers who have followed a "Sanitary Medical Advice". 1. Select a good liquid laxative. 2. Give the dose you feel called to the system. 3. Gradually reduce the dose until the bowels are moving regularly without aid.

An approved liquid laxative that is widely used for children is Dr. Caldwell's Syrup Pepsin. The mild laxative action of this excellent preparation is the best form of help for children—and grown-ups, too. The dose can be regulated for any age or need.

Mr. Herman Runkis of Detroit writes: "A few lines of thanks from a rheumatism sufferer—My first bottle of Kruschen Salts took all of the aches and swelling out of my joints—with my first bottle I went on a diet and lost 22 pounds and now feel like a new man."

To lose fat safely and quickly take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast every morning—an 85 cent bottle lasts 4 weeks—Get it at any drug store in America.

**K. C. BOYS TO DEBATE SUNSET FRIDAY**

**Munday Girls Forfeit**

Due to a new ruling which says that the two highest teams must debate in the county meet, the local debaters will meet the Sunset boys at Munday Friday. This will be their second time to meet, and we hope, defeat them. The girls were also to have met the Munday girls for the second time, but Munday has forfeited to us, we understand because of the illness of one or possibly both of their girls. As to the article which appeared in the Sunset section of the Munday Times we express the sentiment of both the teams and the school in saying that we think it worthy of no other consideration than being absolutely ignored.

**K. C. PREPARED FOR COUNTY MEET**

Knox City will be well represented at the county meet Friday in literary events. We have several strong teams going over to Munday and we believe they will come back victorious.

Jeff Graham and Herbert Finley will meet Sunset in debate. James Dutton and Pauline King are both well prepared to represent Knox City in extempore speaking. Marguerite Propps, Alton Fitzgerald and our declaimers, and very able ones too.

The essay writers will be chosen later. The spellers are to be eliminated from Curtis Herring, Inez Coates, Mary Belle Stevenson.

H. E. Bryan was elected captain of the track team today. They went to Sunset Tuesday afternoon for a dual tryout. Track will be strongly represented from Knox City at Munday Saturday.

**ESSAY WRITING**

Mrs. Cash had the local try out for High School Essay writers Tuesday afternoon. The pupils entering were read the county contest rules and the try out was conducted in the same way it will be conducted in the regular county meet. No names were placed in the papers; they were numbered and turned over to a very capable judge to be rated as first, second and third. The Essay winners for the high school were: Mary Leone Hoge, first place; Beulah Dearing, second place; Marilyn Edwards, third place. Mary Leone Hoge will represent our school in county.

Since Mr. Dean plans to work with his tract boys Friday of this week, Mrs. Cash has been asked to fill his place as County Director of Essay writing at Munday.

**SENIOR PLAY NEWS!**

Yes, those seniors are working on their play. And believe me at the rate they're going now, I think they will be able to announce the date of their play next week. So be sure and read their news next week.

By the way there has been a slight change of the characters. Beulah Dearing will take the part of Drossa Hand the girl that men for-

get (?) and Irene Holland will take the part of Mrs. Sterling an old-fashioned mother.

All of the characters are working hard and their parts and are doing fine.

We know you are wondering what Mary did in this play, but that's her secret and of you want to find out come to the play and see.

Well this is all for this time stand by until next week and in the meantime don't forget "And Mary Did".—Reporter

**KNOX CITY GIRLS WIN THIRD PLACE IN VOLLEY BALL TOURNAMENT**

The volley ball tournament was held at Sunset Saturday, March 17, 1934. Eight teams entered.

In the first game of the tournament Munday defeated Goree three out of four games. They were evenly matched and both fought hard to win.

Benjamin then encountered Rhineland and the first game was enjoyed by all. Rhineland defeated Benjamin in three out of four games. The next two games were not so evenly matched as Sunset played Truscott and won by a large majority. Knox City then played Vera three games winning all by a large score.

In the semi-finals Sunset defeated Munday and Rhineland defeated Knox City.

Knox City and Munday then played for third place and this was won by the local team.

In the final game Sunset nosed out Rhineland by a small count for county champions.

**COUNTY TENNIS**

In spite of the fact that our tennis courts at school were completed only two weeks before the county finals were played, our players acquitted themselves with credit, and our school is proud of them.

Elmer Wall won first place in the boy's singles in the county while Faye Hyde carried off the honors of first place in the girl's singles. We are more than proud of those players; they worked hard, played a splendid game of tennis, and we appreciate them and extend our thanks to those two students.

In boy's doubles Elmer Wall and John Elbert Smith were defeated, while in girl's doubles Marilyn Herring and Yvonne Jamison went to finals but lost to a good team and real sports. Benjamin, thus ranking our girls doubles team second place in the county.

We now have two good courts at school built from funds donated by the children who are members of the tennis club, also two new sets bought in the same way and added donation from the P. T. A. We want to thank them for this, for it surely means a lot to our players.

The High School Tennis Club has are becoming tennis-minded. We are becoming tennis-minded and why not for after all there is no sport which affords more wholesome recreation, more clean, competitive skill.

We want to publicly thank the City Tennis Club for allowing us to use their court during our county meet here.

**INDOOR BASEBALL POSTPONED TO APRIL 14**

Because of the county wide interest of many indoor baseball fans, the coaches postponed baseball until a suitable day. Not only would it have been almost impossible for participants to play but it would have been decidedly disagreeable to fans to have braved the raging sand storm of last Saturday. April 14 was set as the date and we are hoping that it will be at least more agreeable than last Saturday.
