## FUN IN THE CITY PARK

Quite the most thrilling thing for the small folks of this city was that last Friday morning when the crowd gathered to play on the merry-go-round at the park. Their laughter and merriment attracted no small amount of attraction and parents sat back with much satisfaction in knowing that they (the parents) had brought such pleasure to the children.

The Christian Womens Association is again asking your cooperation in further equipping the park for the children. They want to place more swings, see-saws and other apparatus in the park and for this purpose they are giving an old time box supper and cake walk on Friday night of next week in the park. Every woman and girl in Knox City is expected to make and fill a box and every man and boy are expected to buy a box. After the sale all boxes will be opened and spread in an old time supper; too, there will be an old time cake walk. It is to be emphasized that the cake walk will be had regardless of how much some one would like to buy the cake by auction. Mrs. Vance Favor is chairman

of the cake walk portion of the evening. Music for this affair will be furnished by Knox City fiddlers and others. Miller Herring being chairman of this division.

Remember the date, April 20, the place City park, the occasion an old time box supper and cake walk; the purpose, to raise money to further equip the park for our children. Who'se going to be there, everybody.

We were glad this week to have Ike Hudson subscribe for the Herald.

Mr. and Mrs. Ike Hudson and Mr. and Mrs. Olan Galtner moved Wednesday from the Dan Weaver house to the Kelton place.

## TO ALL RADIO OWNERS

I have complete line of RCA Cunningham Radio Tubes. Bring your old tubes in and get a Free Test as I also have a new tube tester also a fresh line of B. batteries. As summer is here it is time to have your radio put in good shape as weak tubes and a weak battery will make your set very noisy.

## HUGHES RADIO SHOP

Little Miss Ellena Fayne White was back in school this week.

Mrs. Jim Stevenson was complimented with a shower of beautiful miscellaneous gifts Wednesday afternoon given in the home of Mrs. M. M. Ward, co-hostesses being Mrs. S. L. Favor, Mrs. Berdie Allen, Mrs. J. A. Smith, Mrs. Lee Smith, Mrs. Rudolph Hackfield and Mrs. Ed Shaver.

Decorations were cut blossoms of lilac and outstanding attraction being a punch bowl imbedded in the small, orchid blooms.

# Christian Church Activities

"THE CROSSES" will be the sermon topic of Minister Bedford Smith Sunday morning at the 11:00 o'clock morning worship hour. Bible school meets every Sunday at 10:00 o'clock, and the church gathers for the Lord's Supper service following. Mr. Smith, minister and evangelist to the Christian Churches preaches in Knox City every third Sunday.

"HOW TO GO TO HELL" will be the sermon subject at the evening worship hour here at 8:00 o'clock. The public is cordially invited to attend all these services.

A County Board has been organized to advise in the church program for the entire county. Mrs. T. P. Frizzell, Jr. and Mr. B. C. Anderson are representing the Christian Church of Knox City. Mrs. Frizzell was chosen Secretary of the Board at its initial meeting at Vera on April 1st. Mr. E. L. Covey of Gore was elected chairman. The Board will meet once each month somewhere in the county, the next meeting at Gore on the fifth Sunday of April. There will also be a County Convention every fifth Sunday somewhere in the county with a basket lunch served at the noon hour. On the fifth Sunday of April Gore will be the place. Plans are under way for a great program.

Minister Smith closed a short meeting at Vera Sunday night respecting the church that has not met for over four years. Prospects are bright to get the work on a good solid basis.

Miss Thille Smith, who directed the Daily Vacation Bible School here last summer will assist in the county program. She had charge of the night service Sunday night at Benjamin. The Gore C. E. Society, one of the finest young peoples societies in the county put on the program. They came over 24 strong. Miss Smith previously sponsored this group. Mr. and Mrs. Norris Price are the present sponsors. Miss Elizabeth Covey is the president. Miss Pauline Horton was the program leader Sunday. Everyone present reported an inspiring program.

# Cattle Feeders Will Meet on League Ranch

On Friday, April 19th, there will be a Cattle Feeders Meeting on the League Ranch, 2 miles east of Benjamin on the new paved Texas highway number 24.

About 10 head of calves have been divided into six lots. These different lots of calves have been fed different rations to determine:

1. The most profitable way to carry calves through the winter and
2. The most profitable way to fatten these calves.

This Feeding Test was started in November and will finish up on the 15th of April—a period long enough to thoroughly try out these different feeding methods. Some of these lots of calves have had Bundle Cane, some have had Ground Cane, some Cane Silage, some were fed White Milo heads and others round Milo heads.

These lots of calves have been responding very differently to these rations and some are going to make double the return of others.

At this meeting the cattle will be shown, the methods of feeding will be described and the results of feeding the different rations will be given.

The feeding methods used in this test were outlined to fit conditions in West Texas. Every cattleman in this territory will be interested in results of this test.

The meeting will be held on the League Ranch, 2 miles east of Benjamin on the new paved Texas highway number 24.

The date for this meeting is Friday, April 20th. The meeting is planned to start at 1 o'clock.

We want you to visit us here and we want you to visit us here that day.

Mrs. Chad Wilson is well improved from her recent illness. She had food poisoning and was very ill several days.

NEW CHEVROLET TO BE ON DISPLAY AT ASHCROFTS SOON

The world's lowest priced six cylinder—the new 1934 Chevrolet Companion Car to the Master Deluxe—is on its way to Knox City and will be in the hands of dealers here in a few days, it was announced today by H. C. Howard manager of the Chevrolet Motor Company's Dallas zone.

The new line of cars, amplifying the Master Six models for 1934, will be offered in both open and closed body styles, it was stated.

Although no national announcement of the new improved Chevrolet Standard cars has been made by dealers in this city within the past week and are now ready for display upon formal announcement. The coming shipment, Mr. Howard explained, will provide dealers with stocks sufficient to meet the demand that the new low price is expected to create.

"The new car is typically Chevrolet in quality—value—dependability—ruggedness and streamlining," he said. "In styling, performance, riding comfort and driving ease as well as in real big-car roominess and especially in the important matter of economy, it is a further development of the popular-priced Chevrolet which found such ready acceptance last year. Its low delivery price and marked operating economy, will bring within reach of additional thousands the enjoyment of these qualities which have kept Chevrolet in the lead year after year."

Will pay 5 cents CASH for clean rags. Ashcroft Chevrolet.

**Into The Homes of Buyers**

The functions of advertising are to search out buyers and inform them of new merchandise styles, explain values and tell where and at what prices they may be had. Getting these business messages delivered in an efficient and inexpensive manner, as is consistent with good taste, and through a medium that insures attention and acceptance, is a merchandising problem that was solved years ago by the establishment of good, reliable and dependable newspapers. The Knox County Herald is a good newspaper. It will get your sales message, Mr. Merchant and Business Man, into the homes of Knox County buyers. Every week, throughout the year. Advertisers display space in the Knox County Herald is the most economical method of spreading your merchandising offerings before an attentive audience who are the home newspaper readers of the Knox County Herald.

## Knox City Girl Wins Second In Essay Writing at District Meet

Mary Leon Hoge selected her essay which won second place at district from the following five subjects offered.

1. Listening In On Other People's Conversation
2. The Sounds I Like to Hear at Night
3. When Our Favorite Visitors Come
4. Saloons Under Another Name
5. White Washing

Her essay follows:

### WHITEWASHING

Whitewash is a pure white substance of flowery words or graceful, loving actions used in an attempt to counteract something said or done. Whitewash is often applied in a very muddy manner and often a few blunders and stammerings is entirely given up as impossible to apply smoothly. Many attempts have been made but it has never been done.

When I do or say something I shouldn't have, I indubitably attempt to cover it up with whitewash. I always make matters worse instead of better. When I attempt to whitewash in a graceful manner I feel 'cheap' afterwards because of my speech has been blunt and to the point and I try to use flowery, long, and beautiful words, they just don't blend very nicely.

Bismark whitewashed! Almost everyone has, in fact, it has become one of the weak traits of people and is becoming so more and more. The people which Bismark ruled over wanted more say in the government. He therefore established a Debating Society which made the people think they were having more say in the government. Bismark still maintained his authority and this society was his whitewash which he applied smoothly enough to get by.

When we saw we must reap, not whitewash. I have often said things that really did sound cutting but hard as I might try, I couldn't get all the cracks filled with whitewash. We must reap the results!

The people in the great country of ours seem to whitewash more everyday. I think that when someone does a reputable deed and then tries to cover it up, not repeat that he has almost brought himself to the level of being low and mean. Al-

though the word, whitewash sounds pure, white, and clean, it is as deceiving as the results of its use.

"It pays to think twice and then act, say, or do." This is a good rule to follow, because, as I have said, whitewash is making the characters of the nation weaker in that it destroys self-confidence. If this rule is followed, whitewash will never have to be used. Let's hope for the best.

### K. C. PLACES IN DEBATE AND EXTEMPORANEOUS SPEECH AT DISTRICT

The girls debate team, laboring under the slight handicaps of bad colds and hoarseness, placed fourth at the Breckenridge District meet. They successfully routed their first opponents, Strawn, to the tune of 2 to 1 on the negative side of the question. Unfortunately in the semi-finals with Breckenridge they drew the affirmative. It was indeed unfortunate for the negative side of the question won every debate there. The decision was 2 to 1 in favor of the negative. Then Breckenridge and Eastland went into finals which proved very interesting and the debate teams are quoted as saying that they learned then what debating really was. Finally the decision was given 2 to 1 for Eastland which gave Eastland first and Breckenridge second. Knox City and Baird next debated for third place and the decision was rendered in favor of Baird, 2 to 1, giving Baird third and Knox City fourth.

Our representative in girl's extemporaneous speech, Pauline King, also took fourth place out of several speakers. First place again went to Eastland, Albany took second, Putman third and Knox City fourth.

### SENIOR PLAY NEWS!!

Just to remind you that the Senior play, "And Mary Did," will be given April 27!

As we told you before the play is a three act comedy that will keep you laughing from the time the curtain rises until the play ends.

What is the mystery that revolves around the gentleman from Georgia? Who is he? What is his business in the small town of Marysville, Mass.? and why does Edith Smith disappear so mysteriously?

Come and see what happens when two political leaders come face to face and have a show down.

Besides the play itself there will be many added attractions, dancing, singing, good music etc.

So plan now to see this play and don't forget April 27.

### GEORGE T. MORRIS SPEAKS FOR T. C. U.

#### Greatest Things to Be attained in Future Says Morris

George T. Morris gave one of the most interesting addresses before the study hall last Friday that has been given this year.

"How many of you have been told to go to Halifax at one time or another?" he questioned. A fair response was immediately forthcoming to which he replied, "Well, that was I came from!" And indeed his birthplace is Halifax, Nova Scotia.

The tall, gray-haired man launched into his subject with a zest that held the attention of all. Gradually he unfolded his theme. Beginning with the legend of the Latin phrase over the Gates of Hercules, he brought into play great characters, brave and true, its possibilities, its dangers. He quoted the French as being driven out of the Panama Canal Zone by the mosquitoes but in a ringing voice he commended the Americans for having driven out the mosquitoes.

"Today," he questioned, "shall we be driven out by the mosquitoes like the French, as shall we drive the mosquitoes out?" Implying the youth of today to meet the challenge of the future as it had been met by heroes of the past, he predicted that the greatest things in life are to be attained in the future, the greatest room to be written, the greatest book to be compiled, the greatest music to be composed, the greatest scientific discoveries to be made.

There are people encased behind iron bars waiting for you to liberate them. It depends upon your verdict for the future and upon you! "The applause which followed was the best given any speaker this year.

Shortly after, he spoke to the Senior class for some fifteen minutes upon the advantages of attending T. C. U. in this course of time he expounded the advantages of its location at Fort Worth, its general characteristics.

Later Mr. Morris visited the Commercial Law class and in an interesting fifteen minute talk gave some explicit differences between American and British laws, courts, and court procedures.

I feel sure that a unanimous welcome would be given the speaker at any future date.

### PLAYGROUND BALL APRIL 14

It might be well to again remind playground baseball fans that the County Meet for playground ball, both Juniors and high school Juniors is to be played at Sunset Saturday. In spite of the fact that some few players are out with measles we have fair prospects of winning and we hope to have good old K. C. behind us one hundred per cent strong as it has always been to cheer us on to victory.

### GREYHOUNDS WIN

The Greyhound tracksters with their coach boarded Woodie Hodges truck last Saturday week and stopped off at Munday long enough to annex another county championship to their long list. Knox City placed from one to three men in track events. The team composed of Captain B. E. Bryan, Vernon Davis, Lawrence Dutton, J. C. Dutton, Loyd Huntsman, B. F. Cornett, Nathan Gruben, George Hodges, Clyde Ingraham, Paul Fitzgerald, Alton Fitzgerald, and Barney Humphries was the largest track squad to represent the blue and red in the history of the school. B. E. Bryan won second place in the class A district meet at Breckenridge last Saturday.

Mr. and Mrs. C. H. Keck and Mr. and Mrs. Ozle Robinson visited in Stamford Sunday afternoon.

Mrs. Blanche Pope visited relatives in New Castle recently.

### MRS. WARREN AND DEAN PRESENT PROGRAM

Friday night, April 13, the male quartet and octet will be heard in the first part of the program at the high school auditorium. They will be followed by pupils of Mrs. Warren, and Miss Dewitt of Haskell will offer number in song and dance. This will be followed by boxing and wrestling by the high school boys.

Among other song and dance numbers there will be "Sittin' On a Log" by chorus, "Saint Louis Blues" chorus dance, "Honey Moon Hotel" tap dance—Marilynn Edwards and Dorothy Shaver, tap dancing Yvonne Jamison, Claudia Sue Moseley, and song numbers by Marilynn Edwards and Ellie Dean Davis.

The admission to this program will be 10 and 25 cents and the proceeds will go to the athletic fund.

### DISTRICT TENNIS APRIL 13

Because of inclement weather our district representatives in tennis were unable to compete last Friday at Breckenridge. Elmer Wall, county winner in boys singles, and Faye Hyde, county winner, of girls singles will once again journey to Breckenridge next Friday. We hope that at least one of them will be a district winner.

### P. T. A. PROGRAM

Last Thursday night the Sixth grade portrayed the history of Texas. It included from when the first flame came unto Texas until it was under the stars and stripes. It had many interesting scenes which I think the crowd enjoyed. I, the president of the sixth grade told in brief words about the scenes and the other members acted them out which made it very interesting. Then there were a few talks on Texas which closed the program.

### NOTICE TO TAXPAYERS

To the Tax Collector:

You will recall that from time to time since 1933, the Legislature has been suspending interest and penalties on Delinquent Taxes.

Last May, the last measure of this kind was enacted, which provided a 2 percent penalty on all ad valorem taxes delinquent on February 1, 1933, (later they included the split tax payments which became delinquent on July 30, 1933), if paid by December 30, 1933, and 4 percent penalty, if paid by March 31, 1934; and 6 percent if paid by June 30, 1934. After this June 30, 1934, expiration date, the old law prescribing 10 percent penalties and 6 percent interest per year, will again be in force.

This means that on and after July 1, 1934, this year, the penalty and interest will be required to charge will not be 6 percent, but will include 6 percent interest per annum from the date it was first delinquent plus 10 percent penalty, for example:

30 percent will be added to 1930 Delinquent Taxes.

24 percent will be added to 1931 Delinquent Taxes.

18 percent will be added to 1932 Delinquent Taxes.

(A delinquent cost will also accrue in addition to the above.)

In as much as the tax paying public may not understand the law, I suggest that you give this matter as much publicity in order to bring to the attention of the tax payer the great saving if they take advantage of the demaining period which expires June 30, 1934.

With kindest regards, I am,

Yours very truly,

George H. Shepard,  
Comptroller of Public Accounts.

## AFTER 8,000 MILES

# 93%

## AS STRONG AS NEW

Percent of tensile strength remaining in cords after long use in tires

Miles	Supertwist Cord	Ordinary
8,000	93%	82%
16,000	81%	36%

Supertwist Cord—a Goodyear patent—stretches, absorbs shocks, and comes back strong! Thoroughly rubberized to resist heat, it gives lasting blow protection in every mile. Ask us to demonstrate!

The super-soft tires the new 1934 cars are wearing can be easily applied on most 1933 or 1932 cars. Ask for our special offer on the GOODYEAR AIRWHEEL.

Any good new tire is pretty safe from blowouts—but how safe is it after thousands of miles? Think over those percentages above! Remember, the public finds that Goodyears stand up longest—that's why more people buy Goodyears than any other tires. Since Goodyears cost nothing extra, put them on your car!

**Thousands have Ended their Bowel Worries by taking this advice!**

Can constipation be safely relieved? "Yes!" say medical men. "Yes!" say the many thousands who have followed this advice and know.

You are likely to cure your constipation with pills, tablets, or any of the cathartic-forming cathartics. But you cannot correct this condition by any regulation with a suitable laxative.

**THE LIQUID TEST:**

First: select properly prepared liquid laxative. Second: take the dose you desire to reduce the dose until you feel the moving of their own action.

Third: And it works! The thorough action without any discomfort is approved liquid laxative which is most widely used for both adults and children is Dr. Caldwell's Syrup Pepsin, a perfectly safe. Its laxative is based on senna—a natural laxative. The bowels will not be dependent on this form of laxative in the case of mineral drugs.

Hospitals and doctors have always used liquid laxatives. The dose can be measured and action controlled. Pills and capsules containing drugs of violent action are hard on the bowels.

If there are children in your household, don't give them any form of laxative, but use a safe, helpful preparation like Pepsin. Its very taste will make it wholesome, and agreeable to the stomach. Delightful taste, delightful action; there is no discomfort at the time of after your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.
