Car Wrecked by "Doodle Bug"

Monday morning about eight thirty the four door Chevrolet Sedan of Mr. L. J. Tidwell was completely wrecked when it was struck by the morning train "the doodle bug" and dragged some 30 or 40 steps.

Mr. Tidwell had driven his daughter to the White Service Station where she was to catch the bus. On his way home he met with the accident which destroyed his car. Mr. Tidwell was on the road that runs west of the J. W. Howell home, the crossing at which Mr. Perry was killed. The car was back. Tidwell drove up the rail road track and his car stopped. He started the car again and saw the train coming and attempted to back off the track. He backed far enough for the train to catch front of his Chevrolet.

Mr. Tidwell was not hurt but his car was completely wrecked.

MRS. EMERY ADDRESSES C. W. A.

Mrs. Dr. Emery addressed the Christian Womens Association Monday afternoon on Social Service Work in Chicago. An interesting report was made to the Herald of the high quality of Mrs. Emery's talk.

The ladies discussed plans for materials for winter relief. They will open a sewing room in the school house in the next few weeks and invite all the ladies of the town to join and help them in providing for the needy this winter.

The Red Cross drive will be put on soon.

The local chapter of the American Red Cross has been blessed in the person of one very outstanding member.

This member never tires in the performance of her duties, she is never missing when duty calls and is always the first to locate those who really need help. Without a doubt the town at large, as well as the membership of the C. W. A., appreciates this good woman, but by request of the ladies of the C. W. A. we, the Herald lay our bouquets at the feet of Mrs. G. D. McCarty.

"WANTED A MAN"

Entirely new, humorous, romantic and full of suspense, "Wanted a Man" a clean, wholesome play will be presented soon by the Missionary Society of the Methodist church in the very near future. This play is a new home-talent play and will keep you guessing and laughing the entire evening. Plan now to see it and watch the Herald for the date of play.

TOM THOMAS UNINJURED IN ACCIDENT

Tom Thomas, son of Mr. W. Hill Thomas of this city, escaped without injury in an accident which happened last Saturday morning near the city of Fort Worth.

They hit a truck and the broken wind shield cut the Hope boy seriously about the head and face. He was carried to the All Saints Hospital in Fort Worth in an unconscious condition, and Tuesday he had not regained consciousness. It is reported that he has little hope for recovery.

Tom Thomas and the other two companions were not injured.

CANNING BEEF

"High quality beef comes only from a high quality animal. There is no magic in canning that changes a scrubby, immature, rough and rangy calf into the choice beef that farmers and ranchers are entitled to have on their tables," says Roy Snyder, Extension Meat Specialist.

Now is the time to begin feeding that beef calf that is to be killed and canned this winter. It should be fed 30 to 90 days before killing. The most desirable calves are from 9 to 12 months old and weight from 500 to 800 pounds, and dress out 275 to 550 pounds, with only about 22 per cent bone and waste. The resulting meat is tender, juicy and tasty.

A practical method is to feed the calves grain, oats, shelled corn or milo before they are weaned. When feeding a weaned calf in the lot supply at all times all of the good hay that the calf will eat. Feed a protein supplement of 1 to 1 1/2 pounds of cottonseed meal or day, or use a limited amount of cottonseed, not over 2 1/2 pounds daily. Feed the grains that are available, milo, corn or crushed ear corn in the amount that the calf will eat without scouring. In the beginning this will be about 2 pounds daily and may be increased to 10 or 12 pounds. Start feeding with small amounts of cottonseed meal, cottonseed or grain and increase gradually. Do not feed moldy or dirty feeds, let the calf have plenty of salt and water.

W. E. Jones, County Agent

Mr. and Mrs. M. E. Jones and Mr. George Pinkard has as their guests over the past weekend Mr. and Mrs. Ernest Warren from Camp Logan in Washington state. Mr. Pinkard accompanied Mr. and Mrs. Warren to Lubbock for a visit, Mr. Pinkard remaining in Lubbock for the winter and the Warrens going to San Francisco California.

Gin Reports

Thursday morning at eight thirty the number of bales of cotton ginned in Knox City is estimated at 10,815 bales. Cotton is around 5.5

All four gins of the town are crowded and are putting out cotton as rapidly as possible. The farmers are keeping the yards jammed with wagons and trailers, waiting their turn at the gin.

We were glad this morning, Thursday, to see Mr. Barney Arnold walking around at the Cooperative Gin with a little more ease from his recently sprained ankle.

Highway 16 Paving Fast

46 Years of Waiting Brings Pavement to Door

Laying a thousand feet of concrete a day the highway crew at work on Number 16 south of the city is rapidly completing the road. Tuesday something like a mile of new pavement was completed out of O'Brien while today, Thursday, the second mile is nearing completion.

The paving of highway 16 out of O'Brien has brought to realization dreams which have long been dreamed by one of Haskell county's pioneer citizens, Uncle Tom Carney. The paving has passed by Carney's big house and the high trees which shade his yard and a portion of the road.

Mr. Carney settled in his present location some 46 years ago during which time he has worked, prophesized and dreamed of the day when a paved highway would run in front of his door. Now it no longer a dream with him, it is a realization.

Mr. Carney has a beautiful spot of ground, his home, which every traveler will appreciate and comment on as they use this new stretch of highway.

Man Burned in Explosion

Mr. Glen Merchant, 22 of Haskell was severely burned Tuesday October 4th when a gas explosion wrecked a Rochester house. Mr. Merchant was employed by the highway department, working out of Rochester. He had a room with Mr. and Mrs. Ed Howard and having completed the days work returned home. About 9:15 when Merchant retired to his private room, he opened his door to be met by a terrific explosion which burned him severely over the face, hands arms and shoulders. The house was damaged to the extent that the rooms were disconnected and the windows blown out. A small boy sitting in a chair in the room from which Merchant was leaving was blown out of the chair and across the room.

The explosion was the result of escaping gas. Ed Howard had his gas turned on that day, Tuesday, October 24th and a pipe in the rented room leaked. Mr. Merchant entered his room carrying a lamp. The gas ignited from the lamp causing the explosion.

Mr. Merchant was brought to the Knox County Hospital and is doing as well as can be expected. He is the only son of Mr. and Mrs. C. A. Merchant who farm some three miles southeast of Haskell.

M. E. CHURCH ENDS YEAR SUNDAY

Sunday is the final Sabbath day in the official year of the Methodist Church. Brother Sharp will deliver his last sermon of the year Sunday night.

The fourth quarterly conference of the church will be held Friday evening at seven-thirty. The entire membership of the church is invited to attend this conference.

Following the last Sunday of the year, the pastor, Brother Sharp and his wife, will leave Tuesday for Amarillo to attend the annual Church Conference.

At the conclusion of the worship and business sessions of the Conference, appointments for the preacher will be read. Until that reading is heard, Brother Sharp, like all the other preachers, will not know where his home for another twelve months will be. During his time in Knox City, Brother Sharp has been an interested, wide awake pastor, serving in whatever capacity has been called on and at an hour called on. If he leaves this city, the town as well as the church will miss him, and if he remains here, we all welcome him back.

Mr. and Mrs. Grady Reese of Fort Worth were guests of his mother Mrs. C. J. Reese Sunday.

THE CALL TO ARMS

"This is more than a political campaign. It is a call to arms."
 Thus speaks Governor Franklin D. Roosevelt, Democratic Presidential nominee, whose victory on November seems assured.

It is a call to arms for the millions of American people who have gone down into the valley of the worst depression in the history of their nation.

It is a call to arms for the millions of underprivileged children of this land who have been subject to the greatest economic reprisal ever to be recorded in the history of this nation. While the Mellons grow rich in the spoils of other government given privileges and federal tax refunds and the Insull's fatten upon unregulated industry, little children barefooted and ragged, cry for bread and are denied the benefits of our free public schools.

Think that you are not a revolutionist! You want a change. You are going to vote for a change. You are a peaceful revolutionist. You are going to make your change by the peaceful means of ballot the only kind of registration consonant to an American citizen who believes in law and order and equal opportunity.

less for all who live beneath the generous stars of our matchless republic
 You are a revolutionist because you resent with all of your being the infamous management of a government which enriches the few at the expense of the many. You resent the opportunity of being equal share holders in the privileges as well as contributors in citizenship.

You are a revolutionist because you know our depression has been aggravated, if not caused, by this mismanagement of the present administration, which persisted in denying the existence of the normal condition of affairs which surrounded them in their Washington security regardless of the growing intensity of the economic struggle prevailing throughout the country.

You are a revolutionist because you resent the unlivable and impassant conditions which have grown out of the low and impoverishing commodity prices paid those who pursue the chief industry of the nation and who are sustained indirectly from that industry's pursuit.

You are a revolutionist because you believe labor is entitled to earn its bread from the sweat of its brow, receive employment with which to sustain life in the development of industry and enjoy the fruits of its toil in an unmolested and undisturbed market.

On November 8, you are going to the polls and express yourself by ballot the only weapon with which an intelligent American can use in bringing to a close that kind of a government which is inimical to him.

The battle front on this November day will stretch across the nation. The forces that engage the enemy on this day will meet an army which has not known victory since the day of its organization in 1929, unless its infamous dispersion of our former defenders on Pennsylvania avenue a few months ago by President Hoover, Pat Hurley and General MacArthur constitutes one.

The hand of destiny has written in large and unmistakable letters FRANKLIN D. ROOSEVELT AND JOHN N. GARNER.

BULLINGTON HAS NO CLAIM ON DEMOCRATIC VOTES

The biggest political joke of the present campaign is the claim being made by "Bullington-for-governor Democrats" of Wichita Falls who has written the Herald asking our help in the election of Orville Bullington Governor.

We take the following from the letter received by The Herald:

"It is a tribute to him and to Knox county that only a short time after he began his practice in Munday the voters of the county elected him county attorney. His excellent record in that office, considered in addition to his wealth of experience and his record as a successful and trusted business man during the years since, provide ample grounds for the statement that there is no man in the state better qualified to hold the office of governor.

Mr. Bullington's Wichita friends did not tell about Mr. Bullington holding the office one term and being defeated for his second term by a young man who had just come to the county with a law license and no practice and was working on a Knox county farm.

Mr. Bullington may claim Knox county as his old home, but he was known here as a Democrat and will not be supported as a Republican who turned from the party of Jefferson, Jackson and Woodrow Wilson during the time that Woodrow Wilson was president when the party needed all the support possible. No Mr. Bullington deserted his party and will not be supported by Knox county democrats.

DEMOCRAT NOMINEES, GARNER DOWN, TO VOTE STRAIGHT

Every Texas Member Congress and State Ticket Pledge Support to Democratic Slate

Dallas—Headed by Speaker John N. Garner, Democratic nominee for Vice-President every Texas member of Congress and every one of the party's nominees for State office in Texas has pledged himself to support the whole party ticket from President to Public Weigher.

In letters and telegrams to Maury Hughes of Dallas, Chairman of the Democratic State Executive Committee, these leaders in public affairs have marshaled themselves behind the Lone Star State's most distinguished son in a steady drive down the line to defeat Republicanism with a national ticket headed by Governor Franklin D. Roosevelt of New York and a State ticket headed by Mrs. Miriam A. Ferguson.

"It seems rather absurd to me that there should be any question as to whether I expect to vote the straight Democratic ticket," Speaker Garner wrote to Mr. Hughes in a forceful letter. "At no time have I deviated from my rules to abide by the will of the majority of my party. Majority rule is the essence of democracy, and while it is true that at time the majority may make mistakes, it also is true that this is the exception rather than the rule.

"You may state to those who make inquiries of you that it is my intention to vote the straight Democratic ticket."

Mr. Hughes, in an equally vigorous statement, denounced Republican efforts to link the names of the Democratic presidential and vice presidential nominees with the Republican nominee for Governor, Orville Bullington, through the formation of Roosevelt-Garner-Bullington clubs.

"The purpose of the association of these names," said Mr. Hughes, "is to lead the Democrats of Texas to believe that the national ticket is not supporting the Democratic candidate for Governor. The contrary is true. There is perfect harmony between the national and State Democratic organizations. Mr. Bullington has nothing in common with Governor Roosevelt or Mr. Garner.

"He is voting against them and for the entire Republican ticket, while Mrs. Ferguson is supporting Governor Roosevelt, Mr. Garner and the entire Democratic ticket. I am sure that neither Governor Roosevelt nor Mr. Garner appreciates the effort on the part of Mr. Bullington to elect himself Governor by swinging onto their coat-tails. Mr. Garner is against Mr. Bullington and is supporting and will vote for Mrs. Ferguson and is making no secret of that fact."

In addition to the Democratic nominees, including United States Senators Morris Sheppard and Tom Connally, Lieut. Governor E. Whit and attorney General James V. Allred, such leading elder statesmen of the party as Albert Sidney Burleson Postmaster General in Woodrow Wilson's cabinet, and Thomas Wall Gregory, President Wilson's Attorney General, are likewise supporting the whole ticket from top to bottom without hitch or exception.

As he taught in the Temple, one of them was hurried into his presence by a vulgar crowd of self-righteous Scribes and Pharisees. She had been

Shrinking, embarrassed, fet with a look in which defiance and scorn were mingled too, she stood in his presence, and listened while their unclean lips played with the story of her shame. What thoughts must have raced through her mind who knew men and despised them all and now was brought to judgement

before a man! They were all alike, in her philisophy: what would this one do and say?

To her amazement, and the discomfort of her critics, he said nothing. He "stooped down, and with his finger wrote on the ground, as though he heard them not." They craned their necks to see what he wrote and continued to taunt him with their questions: "Moses says stone her; what do you say?"

"Come now, if you are a prophet here's a matter for you to decide."

"We found her in the house of So and So. She is guilty; what's your answer?"

All this time he had not once looked at the woman's face, and he did not look at her now. Slowly he "lifted himself up," and facing the evil minded pack said quietly:

"He that is without sin among you let him first cast a stone at her."

And again, says the narrative, he stooped down and wrote on the ground.

A painful silence fell upon the crowd; he continued writing. He wrote and one by one the thick-lipped champions of morality drew their garments around them and slipped away, until court was empty for him and her. Then, and only then, his glance was lifted.

"Woman, where are those thine accusers? Hath no man condemned thee?" he inquired, as if in surprise.

Amazed at the sudden turn of affairs she could hardly find her voice.

"No, man, Lord," she murmured.

"Neither do I condemn thee," he answered simply. "Go, and sin no more."

From the moment when the noisy vulgar throng had broken in upon him, he was complete master of the situation. Those were men not easily afashed, but they slunk out of his presence without waiting for his command. And he, who knew men so much more truly than ever know each other, felt his mastery responded to his power, and spoke to him reverently as "Lord."

SUNSET SCHOOL OPENS MONDAY

When the date for reopening school was set as the 31st day of October, it looked as if cotton would bring eight or ten cents a pound and the board was unwilling to allow more than five weeks of intermission.

The drip in the price of cotton and the enormous amount now open in the fields led them to reconsider and allow another week for the children to help at home. In this decision they were actively supported by the teachers.

Any additional time, however, will seriously impair the efficiency of the school, and the opening date is definitely set for Monday, November 7th. We hope that every patron will make a special effort to start their children on that date.

Dr. L. N. Lipscomb, presiding elder of the Amarillo District M. E. church was in Knox City Wednesday visiting with the J. H. Sharp family.

Mr. and Mrs. Gene Hunter of Hankell were in Knox City Tuesday evening visiting with Mr. and Mrs. Holt Moseley, also visiting their nephew who is in the Hospital.

Diet Didn't Do This!

HAPPY little girl, just bursting with pep, and she has never tasted a "tonic!"

Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. Stimulate the body's vital organs. Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's

Syrup Pepsin. This gentle stimulant will soon right things! The bowels will move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults, too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those listless days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.

How Democrats May Vote For ORVILLE BULLINGTON FOR GOVERNOR

Assuming you want to vote for ROOSEVELT and GARNER and all the rest of the Democratic nominees, except Mrs. Miriam Ferguson, the only name you mark out in the Democratic column is Mrs. Miriam Ferguson, as shown below. In the Republican column you mark out everything from top to bottom, except Orville Bullington. In the next column, the Socialist, you draw a line from top to bottom, and the same for the other five columns. If two gubernatorial candidates' names appeared unmarked, neither would get a vote and your ballot would not be counted.

You must leave all the 23 electors unmarked in the party you want and mark out all of them in the other columns in order to cast a vote for your presidential choice.

Below is the important corner of the official ballot correctly marked if you want ROOSEVELT, GARNER and BULLINGTON and the rest of the Democratic nominees.

BUILDING BEEF PRODUCTION FARM

Boeville By producing his own beef feeder calves, growing his own feed, and feeding out 95 calves from his herd of 110 cows, C. E. Hall of Boeville has made a net profit of \$1925.99 on the enterprise. Calves were started by creep feeding and finished in a dry double lot. The expenses charged cover all items including taxes, hired labor, interest and loss of livestock. This record is reported by J. P. Forason, county agent, who is helping Mr. Hall make a demonstration out of his farming operations.

PASTURE IMPROVEMENTS PAY DIVIDENDS

Sulphur Springs Returns of \$5.99 per acre from 100 acres of improved pasture in 9 months, and of \$9.68 per acre from 60 acres of similar pasture in the same length of time are reported by two Hopkins county dairymen cooperating with C. M. Harvin, county agent. The demonstrators are F. L. Waits and L. F. Stacy, both living near Sulphur Springs. The former spent 52 cents per acre in improvements and the latter \$3.26 per acre, mostly to clover seed.

Spur Raising the farm income and stretching it at least the same time is the accomplishment of Mrs. Ray Rankin of Red Top Home Demonstration Club in Dickens county. By her gardening and 4-H pantry work she reduced her grocery bill to \$19.95 for the first 8 1/2 months of the year; from her work as a wardrobe demonstrator she has succeeded in dressing well for \$27.39; and from her demonstration poultry flock she has sold capons and fryers to buy a pressure cooker, a canning set, and labor saving household equipment.

Nacogdoches It's pleasant and profitable to make hooked rugs, three Nacogdoches county home demonstration club women have found this year. Mrs. George Winder of Central Heights has bought clothing and other necessities from the \$56 profit coming out of the sale of 13 rugs. Mrs. Sam Stanley of the same club has sold 10 rugs for a \$28 profit used in part to buy a lawn mower to help in her yard improvement work. Mrs. M. Barnes of Trawick Club has sold 6 rugs for \$24, has made 3 for gifts, and uses 3 other made during the year to provide cheery spots in the home.

Gainsville Careful feeding and housing have enabled Ruth Sanders, Cooke county 4-H club girl, to have 99 fine turkeys out of 115 eggs hatched in the spring. She handled the insects and parasites by dusting the nests regularly; fed the poults turkey starter when they were 60 hours old; and has kept milk and green feed before them constantly since, in addition to other feed.

This gigantic stock of dependable merchandise must be sold to the bare walls. No, we are not quitting business--just starting. Our faithful friends and customers forced us to purchase the building formerly occupied by the Bryant-Link Company in order that we might have a larger building and greater facilities for handling our ever-increasing patronage. There is no catch to this sale--no bankrupt stock gathered from the four corners of the earth, or specially purchased junk to mislead the public in making purchases, but our aim is simply to dispose of this stock to the bare walls in order that we may remodel our new building that we may serve you better in the future. Indeed we are here to stay and our dealings with the public must be such that we can expect our business to continue the wonderful growth it has had during the past few years. This sale comes just at a time when it will save our patrons thousands of dollars on their Fall requirements--just when you need the merchandise, and every item in the store has been marked especially for the great sale. Let us urge that you come early while the stocks are complete, for this merchandise is going to move and move fast at the law prices which will prevail during this sale.
