## County Livestock Show To Be Held Here Fri.-Sat.

The Knox County Junior Livestock Show will be January 12-13 in the Cotton Warehouse south of Knox City Grain Company, according to county Extension agent Herman H. Collier.

Breeding swine and all sheep will be shown on Friday, January 12 starting at 10 a.m.

Judging Friday's show will be Bob Ballard, vocational agriculture teacher from New Home.

All animals for the first day's show are to be in place before 9 a.m. Friday and will be released after the day's show is complete to make room for market swine and steers to be brought in for Saturday's show. Bob Jacobs, vocational agriculture teacher from Harrold will judge Saturday's show, with classes starting at 10 a.m.

The premium sale for animals qualifying will be at 2:30 p.m. Saturday.

Four FFA Chapters and Knox County 4-H members will enter some 150 swine, sheep and beef in this year's show. The O'Brien FFA will join with Knox City, Benjamin and Munday in the county show for the first time this year.

Charles Lankford will be general chairman of the show. Kenneth Lankford will be the swine superintendent, Donald Johnson the sheep superintendent and Bob Cude the beef superintendent. General finance chairman is W. R. Baker and general sales chairman is Troy Gaunt.

Four FFA and three 4-H sweethearts will compete for the title of 1973 Knox County Junior Livestock Show Sweetheart and the winner will be announced at the awards banquet to be held later. Becky Swain is the reigning Livestock Sweetheart Contestant from Knox City and Kary Kent, FFA; and Denise Grindstaff, 4-H contestant.

## WTU Asks Rate Increase

A request for the first general rate increase in West Texas Utilities Company 50-year history was presented to the Knox City City Council by WTU Manager J. B. Tabor.

The Company requested a six percent increase in each step of the residential, commercial and industrial rates and the application of a fuel adjustment clause to municipal water pumping rates.

The increase will not apply to minimum bills, fuel adjustments, municipal rates and power interchanges with other utility companies. "As a result," Tabor said, "the increase in the Company's total revenue will be less than five percent."

The increase will add about 2 two-thirds cents per day to the average residential bill, according to Tabor. He pointed out that since 1952 the average residential cost has dropped from 3.64 cents per kilowatt-hour to 2.59 cents, a decrease of 29 percent. During the same time, the average residential usage has increased more than 3-one-half times.

While this is WTU's first general rate increase, the power company manager noted that WTU had voluntarily reduced rates 14 times. The firm's last major rate reduction was in 1964.

In asking the City's approval of the new electric rate schedules, the WTU Manager said

## Deposits Show Increase At Citizens State Bank

The consolidated report of condition of the Citizens State Bank of Knox City appears in this issue with figures for the close of business on December 29, 1972.

It is interesting to note that deposits are up \$815,946.29 over the report of conditions one year ago. According to W.F. Shannon, one factor in accounting for the increase may be that the majority of crops in this area came in about a month earlier. However, Shannon explained that deposits have increased gradually all year and that savings are up some, also.

A short turnout was on hand for the annual stockholders' meeting Tuesday afternoon due to the icy weather conditions.

Officers and directors for the new year were re-elected including Bruce B. Campbell Sr., chairman of the board; J.M. Averitt, president; W.F. Shannon, executive vice president; G.W. (Jack) Coats, vice president; Bruce B. Campbell Jr., cashier; and Mrs. Ruby Wilson, assistant cashier.

Directors are Bruce Campbell Sr., J.M. Averitt, W.F. Shannon, G.W. (Jack) Coats, Bruce B. Campbell Jr., and Henry L. White.

## Winners Named At Local Livestock Show Saturday

For the second time in as many years, Mike Burkham received the Claud E. Reed Memorial Trophy, presented to the high scoring individual at the Knox City Local Livestock show each year.

Mike is the freshman son of Mr. and Mrs. Leon Burkham.

Judge of the local show was Cecil Lewis of Rule.

Seventy-five animals were entered in this year's show, sponsored by the Future Farmers of America.

Burkham won the showmanship award for sheep with grand champions in the breeding sheep and lamb divisions.

Gaylynn Burkham, a fifth grader at Knox City and daughter of the Leon Burkham's, showed the reserve champions in the breeding swine and breeding sheep.

Sixteen year old Art Crowover, son of Mr. and Mrs. John Crowover showed the grand champion steer and won showmanship honors in the swine division.

## Bad Weather Halts Area Cotton Harvest

Sample receipts declined as unfavorable weather halted cotton harvesting in the area served by the Munday Cotton Classing Office, reports Sidney Ferrell, Office-in-Charge. According to the USDA's Agricultural Marketing Service, gathering operations are approximately 82 percent complete.

Quality statistics for the week ending Jan. 5, 1973, show little change from the previous week. Twenty-seven percent of the cotton was classed as Strict Low Middling (41), compared to 18 percent the previous week. Fourteen percent was Low Middling (51), 36 percent was Strict Low Middling Light Spotted (42) and 13 percent was Low Middling Light Spotted (52). Seventeen percent of the cotton classed was reduced in grade due to bark or grass, compared to 18 percent last week. The staple length showed 8 percent staple 30, 46 percent staple 31, and 40 percent staple 32.

The micronaire readings improved slightly with 81 percent reading in the desirable range 3.5-4.9. Nineteen percent read 5.8 and above.

The Pressley fiber strength tests conducted by the USDA's fiber laboratory at College Station, shows that the average strength for the season is 79,000 pounds per square inch.

Cotton markets continue to be fairly active with farmers offering freely. Eighteen to 26.00 cents per pound was paid for most grades offered with staple lengths of staple 30 through staple 33.

The Munday Office classed 14, 197 samples this week, bringing the season's total to 75,851.

## City Council Has Meeting

The City Council met Monday night in a regular meeting with Mayor C. C. "Buddy" Angle council men Carl Shelton, Celso Gonzales, Glen Rumley, Lynn Worley, and Bobby Baker, and city secretary Mrs. Faye Rallsback present.

Meeting with the council members were District WTU a Sales manager Al Berry of Stamford and local manager J. B. Tabor Jr. who presented the WTU request for a rate increase. Officials tabled the request for further discussion.

Tabor reported Tuesday afternoon that the Rochester City Council acted in favor of the increase.

Council members also learned that the City's second revenue check was received Monday in the amount of \$7441.00. The check was for the entitlement period from July 1, 1972 through December 31, 1972. The check was some smaller than the one received several weeks ago for \$7754.00 for the first six months of 1972 as the Treasury Department determined that a 5 percent reserve be established to facilitate future adjustments for this entitlement allocation. Both checks are now drawing interest in the Citizens State Bank until such time a decision is reached on how the money should be used.

Other matters of business were discussed before the meeting was adjourned.

## Insurance Effective Jan. 1

These reductions rank at the top of the savings for the state.

In the Standard Fire Policy the extended coverage will be cut 30 per cent and the Fire Policy will depend on the type of building. For brick, an increase of 3 per cent; for brick veneer, a minus 22 per cent for asbestos and stucco, minus 12 percent and frame, a minus 9 percent.

## Coaches' Comments

T. R. STILLABOWER

The Houndettes started off their district schedule with a convincing win over the Munday Mogulettes.

We opened the game by pressing the Mogulettes and causing them to turn the ball over to us time and time again. The first-quarter score proved this to be true as it ended 20-6. At half time the score was even more convincing as our forwards poured in 40 points and our guards limited their forwards to 13.

The second half was much the same story as the first half had been. Our guards Penman, Burt, Bradford, and Lankford pressured the Munday forwards up on the line, causing us to intercept many passes and return the ball to our forwards. At the same time our forwards, Guinn, Grindstaff, Baker, Kent, and Reese hustled their guards causing them to lose control of the ball.

The third quarter ended 66-45. Munday's forwards scored a small 2 points while we managed 22.

Our guards continued to hold their forwards while our offense played their own game by scoring 14 points while Munday scored no points during the entire fourth quarter.

Grindstaff ended the night with 38 points, while Guinn had 22, Baker had 8, Kent had 2, and Reese had 6.

Our next district game will be Tuesday when we host Crowell.

Friday, we journey to Paducah to play the Dragons.

### WHAT DOES THE BIBLE SAY?

THE LORD'S PRAYER FOR UNITY

In our saviour's prayer for believers in all ages to come, he said, "Neither pray I for these alone, but for them also which shall believe on me through their word; that they all may be one as thou, Father, art in me, and I in thee, that they also may be one in us, that the world may believe that thou hast sent me." (John 17: 20-21.)

CHRIST DIED FOR UNITY

The law of Moses was a middle wall of partition to divide Jews and Gentiles, but Christ died to break down this partition and to unite the two people in "one body", Paul said. For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us, having abolished in his flesh the enmity, even the law of commandments contained in ordinances; for to make in him self of twain one new man, so making peace; And that he might reconcile both unto God in one body by the cross, having slain the enmity thereby. (Ephesians 2:14-16.) Speaking of the Gentiles, he said, "Other sheep I have, which are not of this fold; them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd." (John 10:16.) This statement was made before the cross, and was fulfilled under the great commission, when the Gentiles came into the same church or body with the Jews who had obeyed the gospel. "That the Gentiles should be fellowheirs, and of the same body, and partners of his promise in Christ by the gospel." (Ephesians 3:6)

CHRIST IS NOT DIVIDED

We should all be one or united because Christ is not divided. When factions arose in the church at Corinth, Paul said, "Is Christ divided?" (1 Corinthians 1:13.) His argument was that since Christ is not divided, we cannot all follow him and be divided. He is not a divided Christ, leading into different directions, dividing his followers into separate religious groups.

**MRS. VAN GREEN**

BY JULIA PROPPS  
On December 22, Mr. and Mrs. Togo Moorhouse entertained their children and the parents of their daughter-in-laws with dinner and Christmas tree. Tiki lights lit the walk for the entrance into the beautifully decorated home. The buffet table was spread with yellow linen and the center piece was red and white carnations in a silver bowl. Five white candles burning in each candelabra shed a soft light on a table of all silver dishes as the guests helped themselves to quail, wild rice and all the trimmings. Guests were Mr. and Mrs. Harry Horn, Sweetwater, parents of Mrs. Tom Moorhouse; Mr. and Mrs. James Richardson, Wellington, parents of Mrs. Bob Moorhouse; Mr. and Mrs. Victor Thornton, Fort Worth, parents of Mrs. John Moorhouse; Edward Moorhouse, Bob and Linda Moorhouse all of Lubbock; John, Carolyn and Kelly Moorhouse of Seymour, Tom and Sue Moorhouse of Benjamin; and Mike Moorhouse of Seymour.  
Old Santa paid a surprise visit to Kelly Moorhouse, who was just overjoyed.  
The next day Mr. and Mrs. John Moorhouse and Kelly accompanied Mr. and Mrs. Thornton on a ski trip to Red River, N.M., where they were joined by Mary Lee Propps, Bouk Albuquerque, New Mexico.

All toasted Mr. and Mrs. Joe Barton who were celebrating their Silver Wedding Anniversary.

The Moorhouse family and friends would feel cheated if they did not gather at the home of Lill Moorhouse for eggnog breakfast and Christmas tree on Christmas morning. Luminaries on the block wall around the house lead the way to the party. Santa in a silver sled with his reindeer centered the table covered with red. A large red punch bowl and red glasses were used to serve the delicious eggnog proceeding the breakfast and Christmas tree. Guests were Mabel Moorhouse, Belen, N.M.; Mr. and Mrs. Bill Morris, Fort Worth; Mr. and Mrs. Glen Dunkle, Dallas; Mr. and Mrs. O.D.
