

# THE KNOX COUNTY HERALD

VOLUME 41

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, SEPTEMBER 12, 1946

NUMBER 46

## ...beginning to ...um Again

The sweet-sounding hum of gin engines can be heard in Knox City once again, as farmers are starting the bales to pick. Early picking is pretty but cotton is opening at water city after the wet spell of weeks past.

Improvements have been made in most all the local gins. Some have added new machinery, overhauled the old, and some are billowing from new fires, ready to start the grind this fall.

Knox City Gin has recently completed a new group of quarters for cotton pickers located near the gin. The building will house several families of Latin-Americans who are now pouring in a section to harvest the crop.

O'Brien Co-Op Gin is erecting living quarters for pickers on the north side of the gin lot. The building will be ready for occupancy in a few days.

Improvements have been made at O'Brien. A new ginning unit has been installed, incorporating the latest modern machinery on the market. The old plant has been remodeled, new cleaning equipment installed that will give better samples and quicker turnover for the grower.

The new plant at O'Brien, the system of having the stands and cleaning equipment on the same level as each other, will give a gin to operate better than the two. The machinery on the new plant is the latest and best, and past experience with the equipment refer samples and better turned out.

Ginned up to date at the following:

Valley Gin	46
City Gin	121
O'Brien Co-Op Gin	112
O'Brien Co-Op Gin	576

## ...Made In ...d Publishers

This issue, the Knox Herald passes into the hands of Jimmie and Irene Branch and Mrs. Branch. The printing trade in the Herald of Knox City knows how to keep turning down here. Mr. and Mrs. E. R. Branch is the former publisher, daughter of Mr. Frank McAuley, Jr. She was reared here, from the local school, well-known throughout the county.

A thoroughly familiar newspaper publishing following the several years, with a tour of duty in following his discharging, he was manager on a news-... moving here the...

The Herald can be found in the hands of these. They know lots of things, they are going to City they want to give a good service to local... deserve a full... cooperation...

The Herald is leaving Knox City, while Anson girls will have "grade" parties to include other camps in their camp fire fun. Albany, Stamford, and Haskell girls are making plans for city-wide programs they will put on to assist in their respective community chest drives. "Give Service" is still the watch word in Camp Fire circles.

"September 28," said Mrs. Stockdale, "the Horizon Clubbers will have an evening of fun at the American Legion Hall in Stamford. Come for fun and bring another one."

## MRS. PROPPS SUFFERS INJURY

It is reported that Mrs. A. E. Propps fell at her home Tuesday and fractured her ankle. Mrs. Propps remained in the hospital Tuesday night but was expected to go home Wednesday. Her leg will be in a cast for some time.

## Four Youths Held After Attempted Check Passing

Four Kansas youths, ranging in age from 17 to 19 years, are being held in the Knox County jail at Benjamin, following their arrest in Knox City Tuesday after attempting to cash a bogus check in a local store.

Alertness on the part of Glen Egan, manager of the Vogue Dress Shop, where the youths had tried unsuccessfully to cash the check, resulted in their apprehension by City Marshal Geo. Hardberger. Egan quickly warned nearby merchants of his suspicions that the check was bogus, and after trying in one or two other stores, the foursome was led by Hardberger to the city hall, where they were booked on charges after telling confusing stories concerning the ownership of an automobile they were driving.

Questioning by officers revealed that the youths had cashed a small check at Rochester earlier in the day, and had thought the ruse would work in Knox City.

It was also learned that the automobile they were driving had been reported stolen in Kansas. After contacting Kansas officers, the youths were turned over to county authorities for safekeeping.

## Camp Fire Girls Launch Drive For New Members

Camp Fire Girls in Knox City will join with more than 360,000 other members throughout the country in launching their Membership March on Sunday, September 15, it was announced today by Mrs. Fred Stockdale, Area Executive.

The membership campaign will extend through November 30.

Mrs. Stockdale declared that Dr. Bernice Baxter, president of Camp Fire Girls, Inc., has sent a message to members here, urging them to extend the benefits of the Camp Fire Girls program to a larger number of girls in the community who are not enjoying the advantages that a youth-serving agency offers.

"America has always used the past to build for the future; it is a nation that looks to tomorrow," Dr. Baxter said in her statement to local Camp Fire Girls. "The youth of today, who will carry on the spirit of our nation, must be grounded and trained in those principles which make for better living — for its youth who will decide whether we continue to build or whether we fall back to the past."

Camp Fire Girls in Knox City have planned special activities in an effort to interest non-members in the aims of the organization. Many groups will have "open house" during the drive so that other girls, who do not enjoy the wide range of activities that Camp Fire offers, may see the program in action.

Highlighting the activities to be sponsored during the Membership March will be the Camporee on Sept. 21 at Hamilton. Fun for all will be the order of the day with Mrs. Lou Williams Polynac, nationally recognized recreation leader, in charge of the fun. A council fire will close the day of music, games and stunts. Council Fires will be held in Rule, Rochester, and Jayton. Knox City Horizon Clubbers will present the program October 19 for their sponsors, the Knox City Study Club, while Anson girls will have "grade" parties to include other camps in their camp fire fun.

Albany, Stamford, and Haskell girls are making plans for city-wide programs they will put on to assist in their respective community chest drives. "Give Service" is still the watch word in Camp Fire circles.

"September 28," said Mrs. Stockdale, "the Horizon Clubbers will have an evening of fun at the American Legion Hall in Stamford. Come for fun and bring another one."

## MRS. PROPPS SUFFERS INJURY

It is reported that Mrs. A. E. Propps fell at her home Tuesday and fractured her ankle. Mrs. Propps remained in the hospital Tuesday night but was expected to go home Wednesday. Her leg will be in a cast for some time.

## Greyhounds to Play Mattson Friday In First Game of the Season

Taking up where they left off last season, with the bi-district title tucked in their belts, the Knox City high school Greyhounds will open the six-man football season at Mattson Friday afternoon at 2:30.

Of course, it won't be the same bi-district championship team that takes the field Friday, but it will be a hustling bunch of youngsters out to win, backed by enough experienced hands in the line-up to keep them on the right track. Seven letter men will be here to spark the Greyhounds' string of rookies this year, and they all know how to play football.

Fridays' game with Mattson is predicted to show how the wind will blow this season, as Mattson is considered the team to beat in this district. The Greyhounds have been drilling steadily for the past weeks, keeping a weather eye on the opening game, which is always the hardest to win.

Toiling under the guidance of Coach M. J. Schofield, the Hounds have put in many hours of scrimmaging, and it looks like at least two good teams can take the field if needed.

The local school will close at noon Friday to allow students to make the trip to Mattson in time for the game. The pep squad will appear in new uniforms at the game, and have added many new yells and antics to their program.

Letter men on the Greyhound squad this year are Bobby Bradberry, Richard Buckley, Donald Caussey, Ken Clonts, Bobby Hackfield, Jack Teaff, and Marshall Woolley. Squadmen are Wm. Roy Baker, Donny Darr, Charles Coates, Hardy Day, Bob Edwards, Rudolph Hackfield, O. L. Knight, Tommy Reynolds, Jimmy Robinson, and Roland Willis. Robert Jones is team manager.

## MRS. ROBBINS' MOTHER BURIED AT ANSON

Funeral services were held at the First Baptist Church in Anson Wednesday at 3 p. m. for Mrs. Josephine Elliott, 88, mother of Mrs. T. E. Robbins of Knox City.

Mrs. Elliott died at the home of a daughter, Mrs. S. A. Palmer, at Colorado City Tuesday at 6:30 a. m., following a brief illness.

Survivors other than Mrs. Robbins and Mrs. Palmer include three sons, George B. Elliott, Anson; Guy E. Elliott, Odesa; and Ben D. Elliott, Coleman; and a sister, Mrs. Sallie Hamilton, Colorado City.

## TUESDAY BRIDGE CLUB MEETS

Members of the Tuesday Bridge Club were entertained in the home of Mrs. Barney Arnold on September 10 at 3 o'clock.

High score was won by Mrs. Benton Anderson. Members present were Mmes. J. H. Atterbury, Russell Boyd, J. S. Leonard, Bill Clonts, Lee Smith, John Smith, E. E. Teaff, N. F. Mullins and the hostess, and guests were Mmes. Benton Anderson, A. M. Armstrong and Joe Reeder. Mrs. Reeder accepted membership in the club.

## Survey Will Determine Property Values

If you have had some strange men around your property lately, with measuring sticks and other devices and giving your buildings a once over, don't be alarmed. The men are quite harmless and in fact, are very nice people.

They are with G. B. Whitney and Company, Fort Worth firm of tax evaluation engineers, with whom the City Commission recently contracted to make a complete survey of the city for tax purposes. A complete inventory of all the real estate within the city limits, together with a description, has already been completed. The normal value of each piece of property will be established by the evaluation experts. These values are based on the property's 1941 worth

## Lindal L. Barrett Volunteers For Regular Army

Among the veterans of World War II who requested re-enlistment in the army at the Abilene Army Recruiting Station Monday was Lindal L. Barrett of Knox City, who volunteered for the regular army for three years as a technical sergeant in the ground forces.

Barrett has served five years previously with the 12th cavalry. During his army tenure he was awarded the Silver Star, Purple Heart, Combat Infantry badge, Good Conduct medal, Philippine liberation ribbon with two bronze service stars, American Defense ribbon, the Asiatic-Pacific ribbon with four bronze service stars, and the Bronze Service Arrowhead. Barrett plans to make the army a career.

## Hall of State Seeks History of County

The Texana Reference Library in the Hall of State, Dallas, wants materials on the History of Knox County, and officials of Dallas Historical Society are appealing to citizens of the county to help locate the needed items.

"Copies of these books and pamphlets are in the hands of pioneer citizens and their descendants," Director Herbert Gambrell said, "but they are not to be found in bookstores. Placing them in this great shrine of Texas History for the use of the public, will not only be a permanent memorial to the donors, but a genuine service to those seeking accurate information about the county."

Information regarding available county materials should be addressed to the Director, Hall of State, Fair Park, Dallas 1.

Biographical directories, and booklets on the histories of towns, churches, schools and other institutions, are also desired for the library, along with histories of the county itself. Special anniversary numbers of county newspapers are also wanted.

## BRIDGE CLUB MEETS

Members of the Monday Night Bridge Club were entertained in the home of Mr. and Mrs. A. M. Armstrong on September 9 at 8:30 p. m.

Following dinner, games of bridge were enjoyed by Mr. and Mrs. John Atterbury, Mr. and Mrs. Henry Jones, Mr. and Mrs. George Zachary, Mrs. E. R. Carpenter and Alma Cuiwell.

## ENTER NTSC

Dale Graham and Harold Watson were accompanied to Denton last week-end by their parents, Mr. and Mrs. L. W. Graham and Mr. and Mrs. Earl Watson. Dale and Harold enrolled in NTSC. The Gramhams and Watsons also visited their old home in Grandbury.

## Dunkle Transferred To Young County; Carpenter Is Agent

County Agent R. O. Dunkle has been transferred to duties in Young County, effective Oct. 1, according to a statement from his office Wednesday morning. Dunkle will be stationed at Graham.

Maxwell Carpenter, present assistant county agent in Wichita County, will take over the office in Knox County. Mr. Carpenter is a graduate of A & M College, holds a B. S. degree and has been engaged in extension work for the past six months.

Mr. Dunkle's transfer will be keenly regretted by his host of friends in the county. He has been actively engaged in all phases of the extension service work, and has stimulated youth club programs to a high degree.

An official announcement of the change, with further details, will be made soon.

## Thieves Make Good Haul

Making entry through a window, thieves Tuesday night made a fair-sized haul of tires, cigarettes, etc., at the Grater Service Station in Knox City.

Russell Boyd, owner of the station, said about 15 tires, several cartons of cigarettes, and an undetermined amount of other loot had been carted off by the culprits.

City Marshal Geo. Hardberger said at noon Wednesday that fingerprint experts were working at the scene of the robbery, but no definite clues had been established.

## Shower Honors Mrs. Carlisle

Mrs. Douglas Carlisle, the former Miss Fannie Marie King, was honored with a gift shower Tuesday afternoon from 4:00 to 6:00 o'clock in the home of Mrs. O. W. Caussey.

Mrs. Caussey received the guests and presented them to the honoree, her mother, Mrs. J. W. King, Mrs. Herbert Owens, mother of the groom, and Mrs. Mary Belle Perry, grandmother of the bride. Mrs. J. H. McBeth registered the guests in the bride's book.

Mrs. Frank McAuley, Jr., presided at the tea table which was covered with a hand made, cut-work linen cloth and centered with a beautiful display of dahlias, gladioli, Stars of Bethlehem, blooming cedar and fern, arranged by Mrs. Anell Waldrip.

Mrs. Gene Clonts was in charge of the gift room where a large array of gifts were displayed. The hostesses' gift to the honoree was a 62-piece set of china.

Hostesses for the affair were Mmes. Frank McAuley, Sr., G. W. Brown, Gene Clonts, C. H. Bohannon, O. L. Knight, C. H. Keck, J. T. May, Fred Moody, C. J. Reese, Anell Waldrip, E. M. Farmer, Marlin Hester, E. A. Egenbacher, S. L. White, J. S. McBeth, Frank McAuley, Jr., O. W. Caussey, and Miss Alice Wilson.

George Wall left this morning for Lubbock, to resume his studies at Texas Tech.

## American Legion Puts Renewed Life Into Building Funds Drive

### Knox County Boys To Exhibit Calves At Dallas Fair

Two Knox County 4-H Club members, Donald Ray Pults and J. G. Pults, brothers, and sons of Mr. and Mrs. Jim Pults of Benjamin, will exhibit their 4-H club beef steers at the Dallas Fair, October 5 to 8. The Pults family live on the League Ranch, and Mr. Pults is farm foreman and is equally interested in livestock and his sons' 4-H club steer feeding demonstration.

The older son, J. G. Pults, 14, has been a club member for three years, and has exhibited fat steers in the local county show and in the district show at Wichita Falls for the past two years. The calf that will be exhibited by J. G. now weighs 940 pounds, and is 12 months of age, and was bred by the League Ranch near Benjamin in Knox County. Donald Ray Pults, 11, is feeding a calf bred by Harry Grissom of Taylor County. The calf now weighs 1140 pounds, and has been on feed for the past 15 months. This is the first time that Donald Ray has fed out a fat baby beef steer and all indications are that he will make a very good account of himself and the steer in the show ring with other 4-H club members who have had many more years of experience.

Both of these calves are now showing considerable finish and the predictions of breeders and feeders, who have visited the Pults boys, express themselves as believing that these two calves will be well up in the money when exhibited at the Dallas Fair.

### 1946 Study Club Has Second Meeting

The 1946 Study Club, which was organized in Knox City last week, held its second meeting Tuesday, Sept. 10, in the home of Mrs. Ovis Ham at 4 p. m.

The constitution and by-laws were read and explained by Mrs. Ham and accepted by the twenty charter members. Officers elected for the coming club year were: president, Mrs. Chad Wilson; 1st vice - president, Mrs. Henry White; 2nd vice president, Mrs. Bill Clarke; secretary - treasurer, Mrs. Jack Wilson; corresponding secretary, Mrs. Johnny Thomason; and parliamentarian, Mrs. Jeff Graham.

Regular meeting dates for the new club will be the first and third Tuesdays of each month in the club year.

Charter members who were present at Tuesday's meeting were Mmes. Ovis Ham, T. E. Holcomb, Edward Shaver, Jr., Johnny Thomason, Nell Perdue, Jimmie Branch, Chad Wilson, Jack Wilson, Fuller Shannon, Norval Mullins, Jeff Graham, Lynnwood Hughes, Elmer Wall, Jr., O. B. Cave, Harper Knight, Chas. Cape, Cecil Gregory and Misses Mamie Shaver, Carrie Neil Russell and Evelyn Hollis.

### REV. NATHAN MCGUIRE TO SPEAK AT BAPTIST CHURCH

It was announced today that Rev. Nathan McGuire, of Rochester, will be guest speaker at the First Baptist Church Sunday, at both the morning and evening services.

Rev. McGuire was formerly pastor of the Baptist Church at San Angelo.

### TWO NEW MEMBERS ADDED TO LIONS CLUB

Two new members were added to the Knox City Lions Club today noon, at the regular meeting. Jimmie Branch, new editor of the Knox County Herald, and Maxwell Carpenter, incoming county agent, were voted in by the members.

Mayor Roy Baker made a talk on the present city tax survey, outlining the nature of the undertaking.

Alargy crowd of Lions were

Renewed life has been pumped back into the local American Legion building campaign started this past February, when members of the Teague-Carpenter Post resolved Monday night to start the ball rolling again and bring the fund up to the required amount to actually start construction.

C. J. Reese, newly installed post commander, said Tuesday that committees had been revamped and plans made to wind up the campaign within three or four weeks. A good sized chunk of the proposed sum necessary to build the combined Legion hall and community civic center, has already been pledged. The campaign started last February had bogged down during the summer season, and the new officials of the post hope to rekindle interest and bring the campaign to a close in the near future.

The Legionnaires plan to build a large building at the present site of the meeting hall, which will primarily serve as their purposes but will also be used as a community center. The proposed building will have club rooms, kitchenette, rest rooms, and many other facilities that will serve not only the Legion as a club house, but also be dedicated to the use of the community for a meeting place.

Proceeds from a rodeo this spring and other Legion-sponsored enterprises, have been applied to the building fund. Other means of raising the necessary balance have been worked out, and will be announced at a later date.

With a record membership, the local post has many plans made for future development. On next regular meeting night, Monday, Sept. 23, the post will entertain with a banquet and program. Further details of the building movement will be discussed at this time. Later this month, it is planned to have a formal initiation ceremony, when several new members will be installed by a visiting delegation from Abilene.

Membership in the local post extends over the entire county, with a large representation from Truscott, and other points in the north half of the county.

Commander Reese stated that regular meeting nights are the second and fourth Mondays of each month.

### Field Auditor To Be In Munday

Unemployment compensation taxpayers in the Munday area will have a chance to consult a field auditor from the Wichita Falls Area Office of the Texas Unemployment Compensation Commission Wednesday, Sept. 25, 1946.

The Fort Worth Office has announced that Mr. Joe K. Manahan will be available for consultation that day for employers in Munday and the surrounding area.

Mr. Manahan will be at the City Hall, from 2:00 p. m. to 4:00 p. m.

This service is offered employers so they will not have to go to Wichita Falls to get answers to their tax problems. Employers now subject to the Texas Law, or those who think they may become subject, are invited to see Mr. Manahan.

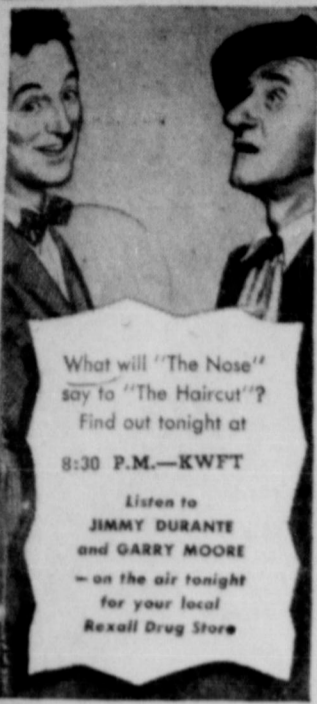

Mr. and Mrs. C. W. Armstrong and son, Bobbie, of Littlefield were visiting relatives in Knox City over the week-end.

### Benjamin News

Elda Puri Laird, Reporter  
**BENJAMIN, Sept. 9 (Spl.)**—  
 T. E. Holcomb, superintendent of the Knox City Schools, was in Benjamin Wednesday of last week on business.

Miss June Hickman and Miss Bennie Joyce Brown, both of Truscott, were in Benjamin last Wednesday.

Bobbie Jim Pyatt, son of Mr. and Mrs. Doyle Pyatt, of Benjamin, left the first of last week to enter John Tarleton College at Stephenville.

Mr. and Mrs. Charles Bisbee of Abilene visited in the home of Mrs. Myrtle Bisbee last week.

Pete Loran of the Rhineland Community was in Benjamin Thursday of last week on business.

Mrs. Edd Moorhouse spent the past week with relatives and friends in Stamford.

Jim Bob Bisbee, son of Mrs. Myrtle Bisbee, is now home for a few weeks before returning to Tulane College in New Orleans for the fall semester.

Mr. and Mrs. T. E. Porter, Jr., and daughter, Connie, visited with relatives in Seymour over the week-end.

Miss Louise Brown, clerk in the tax collector's office in Benjamin, spent the week end in the home of her sister, Mrs. Dale Clemmer, in Willow, Oklahoma.

Billy Roy Ford of Munday was in Benjamin on business on Tuesday of last week.

Mrs. Clem Ball of Ft. Worth has arrived in Knox City for a visit with her parents, Mr. and Mrs. Hut Corley. Mr. and Mrs. Ball are spending their vacation in Knox City and Hamlin between terms at TCU.

Henry Jones, Mercer Armstrong, Tom Paul Frizzell, Jr., George Thomasson and Henry Jean Jones spent Wednesday of last week fishing at Lake Kemp.

**MRS. J. W. GREEN CELEBRATES BIRTHDAY**  
 Friends and relatives of Mrs. J. W. Green met Sunday in the home of her daughter, Mrs. George Vance, to celebrate her 70th birthday with a dinner. The party was a complete surprise to Grandmother Green. Those present for the occasion were Mr. and Mrs. George

Vance and daughters, Barbara and Mary Ann, and son, Geo. Payne, and Jackie Vance of Amherst, Tex.; another daughter, Mrs. Pearl Gideon and two sons, James and Weldon, a daughter, Mildred, and Neoma Gideon and daughter, Peggy. Friends present were Mr. and Mrs. J. W. Hays and sons, J. W., Jr. and John Albert, Mr. and Mrs. Oran Shirrey and

**Home Demonstration Council Has Meeting**

The Knox County Home Demonstration Council met in the Assembly Room at the Court House at 2:00 p. m. Friday, September 6, with six clubs represented and 15 members present.

It was "Quest Day" for the Sunset Club, and five of their members were there.

The Club Girls, Barbara Jane Almonrode, Beta Hughes and Patsy Kinnibrough were present, and presidents from all clubs present reported on their most outstanding work. Some of the members who attended the Haskell - Knox County Encampment at the Munday Park reported a good meeting.

Mrs. Wesley Trainham, Mrs. Lee Snailum and Mrs. W. E. Peck, delegates to the State Meeting at Amarillo, gave interesting reports on the three day meeting there, and Mrs. Trainham, Council Chairman arranged a program consisting of three songs by Patsy Kinnibrough and Beta Hughes, accompanied at the piano by Mrs. Thelma Coulston; a poem, "Friendship," by Mrs. Snailum, and a musical reading by Mrs. Trainham, honoring Mrs. R. M. Almonrode, our newly elected vice chairman of District 3.

The delegates presented Mrs. Almonrode with a gift and served refreshments consisting of punch and cake after the program.

—Reporter.

John Shirrey, Lou Vance, Virgie Nelson, Betty and Latha Abbott, Pearl Dunman, Mr. and Mrs. O. L. Knight and O. L., Jr.

When the guests were seated at the table Latha and Betty Abbott, Mildred Gideon and Pearl Dunham brought in a basket of beautiful gifts and a decorated cake, and sang "Happy Birthday" to Grandmother Green.

Mrs. T. S. Edwards has returned from Dallas where she has been visiting her daughter, Mrs. Tom Hampton and family. Mrs. Edwards reported Sandra was doing nicely after her recent attack of polio. Sandra is a patient in the Scottish Rite Hospital in Dallas.

Mrs. F. E. Adams of Mineola is visiting in the home of Mrs. Sam Anderson this week.

An enterprising businessman had the following sign posted on the premises: "Anyone desiring to attend the funeral of a near relative must notify the office by ten a. m. on the day of the game."

"Daddy, can Uncle Jack still do tricks?"

"What do you mean, do tricks?"

"Well, mama says that when he was young he used to drink like a fish."

"So Elsie's a business woman. What business is she interested in?"

"Everybody's."

And you may be sure that we're interested in your business—the part which has to do with your car. We want to give it the best servicing possible—and as quickly and speedily as is consistent with good work. Let us serve you today.

**See us for the tires that OUTWEAR PREWAR TIRES**

"For safety's sake," says Mr. R. W. Thompson, driver of Yellow Cabs, Louisville, Ky., "I want the protection of the new B.F. Goodrich Silvertowns. No prewar tires I ever rode on could match them for ruggedness and traction."

Over 17 million miles of tests were run on taxi fleets, police cars, and on the B.F. Goodrich test fleet.

From these tests came proof that the new B.F. Goodrich Silvertown was a superior tire that outperformed, outlasted, and outwore prewar tires—even at high speeds.

Supplies of this new tire are still limited. However, we'll do our best to keep your car rolling until we can get new tires for you. **\$15.20**

The time to consider Heat is during planning stage of New Home

Provide Automatic Central Gas

Anything so important to health and new home or remodeling plans. And planned as part of house and included even the builder of a modest cottage can automatic central gas heat as supplied by furnace.

It cleans, heats and balances the amount of moisture before circulating house. It is completely automatic, maintains the right temperature you want. Turn it on. Turn it off in the spring. In between it keeps like a May morning. Remember, a house modern than its heating system. Plan it. Vent heat.

Closet Type Central Gas

For the cottage limited this is the ideal for installing space. It provides air throughout the completely automatic efficient and comfortable. It is vented.
