J. A. Sweatt Died Sunday

Knox County has lost another of her old time citizens in the death of Mr. J. A. C. Sweatt of Gillespie community, which occurred at his home early Monday morning. The family was all present, except two daughters, Mrs. Ed Herndon of McKinney and Mrs. Dora Nickleson who was unable to come on account of illness.

Bro. Sweatt, who came to this county in 1902 was converted in that year and joined the Baptist church in 1903 and has lived a faithful Christian life 'till the time of his death.

A host of friends from the home community, Knox City, Benjamin and Munday gathered at the home and at the church to pay their respects to this worthy man. Bro. Albertson the Baptist Minister from Munday preached the funeral sermon. Bro. A. W. Blaine, pastor of Benjamin Baptist church made a comforting talk.

It takes a Godly man and a true neighbor to live 36 years in one community and hold the esteem and respect of all who knew him, as did Bro. Sweatt, who has now passed as a worthy laborer to his Eternal Reward—An old friend.

The following letter was received by County Superintendent J. Lyndal Hughes from Mr. John L. Beard, Deputy State Superintendent, District No. 3:

Civilized Texas
February 11, 1938
Superintendent J. Lyndal Hughes,
Benjamin, Texas

Dear Mr. Hughes:

To the best information obtainable your applications are all in line for approval and all will very likely go through in good shape. About the only thing lacking is the approval of the State Auditor, and I am sure they are in line for his approval.

It is impossible for him to make an accurate estimate of the percentage that will be paid this year. Just as soon as the Auditor's approval is passed on all of the applications, in the state percentage will be figured and you will be advised at once. I regret that this delay is necessary, and I hope to be able to furnish it for you in a short time for I have heard many good reports from the schools of your county and I am sure they are all progressing nicely.

Yours very truly
John L. Beard

Wm. Griffith For Commissioner

The Herald is authorized to announce County Commissioner Wm. Griffith as a candidate for re-election, subject to the action of the Democratic primary July 22nd, 1938.

It is needless for us to attempt to tell the people of this precinct anything about Mr. Griffith for he is known to every man and woman in the precinct. In his work as commissioner he has covered the precinct many times familiar with conditions over the precinct.

Mr. Griffith asks us to state that he has only one promise to make to the people of the precinct and that is to continue to do all within his power for the best interests of the citizenship of the precinct and Knox County. He feels that his work has made him thoroughly familiar with every detail of the work that he can render service than ever before.

While he will try to see each and every voter, he wants to take this means of thanking each and every one for all past favors and soliciting your support this year.

GILLILAND HIGH SCHOOL

The Magic Carpet

You've heard of the Magic carpet and you've heard of the wonders that it does, how it can appear and disappear and make its occupants disappear, too. Well we have the pleasure of owning one of these carpets and we go sight seeing every once in awhile.

We saw some very interesting sights last Friday night while floating above Mrs. Smarts home where a party was in progress and we have a cause to wonder, if Geraldine makes it a habit of leaving her escort, when Denny appears and if Jelly cares if she does leave him so long as he can ride around with Margie and Imogene.

If these combinations mean as much to the public as they do to the Magic Carpeters, Derward and Loretta, Margaretta and Bob, Aliene and Troy, Kenneth and Marjorie, Kathryn and Pete, Buford and Evelyn, Junior and Betty Ann.

If the Basketball boys always made a habit of getting beat, if all the players minds were on the goals or back in Truscott Saturday.

Then the Carpet visited another community and saw Junior and Tubby, pulling out for Truscott. The news is being spread that these two J. T. and Dalton spend their spare time in that vicinity.

Again we wonder if Winnie is always as glad to see Hub as she was Friday when he came in from Waggoners, and if Hub enjoys taking her to Guthrie, especially when he plays.

Now we wonder if Deward and Muriel are married or are they?

We are sure we saw Cookies carrying toward Benjamin Saturday night and again Sunday, but he wound up in Truscott, late Sunday eve. Cookie, make up your mind.

Whose's Elmer? or is it Charlie? Who knows it is said that teacher's must impart with knowledge what about it Elmer?

Good night we're fading, fading fading, we'll leave our ward every week, so look out for the future happenings of the kids in the communities—The Carpeters

YOUNG PEOPLE'S UNION DRAFT RESOLUTIONS

We, the Methodist Young People of the Seymour Union, which is composed of the following places: Knox City Munday, Benjamin, Vera, Goree, Boforton, Westover and Seymour, consider with alarm the liquor situation in our territory. We cannot overlook the fact that the situation as it is, is demoralizing to the present generation of young people and that it will have tremendous influence upon the generations to come. As young people, we are in no sense responsible for that which surrounds us. Most of us had no voice in the matter. As sober, thinking young people, upon whom responsibilities shall soon rest, we believe we are entitled to the consideration of the removal from our presence convenient ways of securing intoxicating drinks, which depraves, both the young and the old.

Therefore be it resolved:

1. That we place our disapproval upon the person, place, or concern that engages in, promotes or makes it convenient to secure intoxicating drinks in our territory.

2. That as young people, we consider it unfair and unjust, for any person, place, or concern to engage in, promote, or make convenient the purchase of whiskey when to do so means only financial gains to those in the business, but danger, both moral and physical, to the youth of the community.

3. That we place our hearty approval upon the person, place or concern which will not engage in, promote, or make convenient such as has herein been named.

4. That we invite the young people of other denominations and young people of no church preference to join with us in giving to our territory this public expression.

5. That we ask the newspapers in the bounds of our Union to spread this resolution upon its pages and that a copy of this be sent to the Southwestern Advocate, The Seymour Methodist Union.

NOTICE TO PARENTS

In a recent survey of the schools of Knox County, we have found that there are several hundred children in school who have not been vaccinated for small pox or immunized against Diphtheria. Through the effort of the County Parent Teacher Association we are trying to get all school

children in the county vaccinated and immunized at a nominal rate.

Please cooperate with us so that we can have healthy school children in Knox County.

There is now over the state an epidemic of small pox and diphtheria breaks out in this section almost every spring. We urge your cooperation in this move.—The Health Committee of Knox City, P. T. A.

WORK STARTED ON KNOX CITY CAMPUS

Our hats are off to the townsmen, school band, the study club. Mr. Whitis and all others who have made possible the realization of our dream of our campus. The grounds have been leveled and the foundation planting of shrubbery has been completed. Sand and gravel have been hauled preparatory to putting down sidewalk walks, and work in general has been on the beautification of Knox City school grounds.

Those who view this permanent work from day to day gain one of life's most valuable lessons "a thing of beauty is a joy forever." Work shows progress, and progress shows achievement.

The least we as students can do is to care for this ground by staying off the grass and staying away from trees and shrubbery. The care of these plants and yards is one of the best ways of showing our appreciation.

INTERSCHOLASTIC LEAGUE WORK IN FOOTBALL SWING

After mid-term and basketball season has closed, Interscholastic League work has taken impetus. Knox City schools plan to enter every phase of the work in the County.

In the various athletic events many are reporting for volleyball and tennis. Most literary events have started much earlier. Essayists, spellers, extemporaneous speakers and declaimers have possibly worked much longer than the other entries, due to our athletic schedule.

PEEPS INTO THE LIFE OF A PEDAGOGUE

By Marion Clonts

About December 13, 1908, Mr. Stork was flying around trying to find a place to light. After two days of flying he decided that he liked the looks of a house, so he decided to inquire about the people who lived there. He found that Mr. and Mrs. T. P. Frizzell lived there, and decided that it would be an excellent place to stop, so on December 15, 1908 he dropped little Marjorie Frizzell into the waiting hands of her parents, Mr. and Mrs. Frizzell.

Although she thought she knew all her father and mother thought that it would be a good idea to send her to school for at least a year or two. Little pig-tailed Marjorie started school at the age of seven, and despite the fact that all the teachers were driven grey headed, little freckled faced Marjorie left Knox City High school and entered Simmons at Abilene at the age of 16. From which she later received her degree, during her eventful years she attended T. C. U. at Ft. Worth and the University of Colorado. While she was away at school her pretty little mouth would drop six inches if that daily letter did not arrive from Rochester. She decided that three cents was too expensive every day so she and the gallant Roy Avery Baker, married on June 8, 1929. Master William Roy Baker has attracted much attention with this happy young couple and is now the glad age of seven.

Mrs. Baker taught the third grade in Knox City in 1931-1932. She began teaching in High School in 1934 and is now one of the most beloved teachers in K. C. H. S.

SENIOR ENTERTAINMENTS BEGIN AT CLONTS HOME

Wednesday evening of last week the Seniors were entertained in the home of Mr. and Mrs. S. M. Clonts with a very attractive dinner.

The theme for the table decorations and the rooms as well was Valentine. Attractive red paper hearts were placed in various places making the atmosphere very cheerful. There was six tables arranged very attractively. The covers for the tables had valentine decorations on them and the napkins carried out the same theme.

The first course consisted of tomato cocktail. Then the people at the individual tables went into the dining room to fill their plates. This part of the dinner was served buffet style. The menu consisted of the following: Turkey and dressing, Gib-

let Gravy, Stuffed Celery, Sweet corn, Candied sweet potatoes, Cranberry jelly, gelatin salad, charlotte russe, hot rolls and coffee. The dining table was simply beautiful. The color scheme was red and white. In the center a large mirror with the words "SENIORS 1938" worded with red candy hearts. The dining room was illuminated with red candle light. Red satin streamers decorated the table. The table was covered with a lace cloth and the buffet was covered with lace doilies, both having the food cleverly and attractively arranged. One of the many attractive foods was the gelatin salad. It was heart shaped and lay on a lettuce leaf. However, everything was so beautiful that it would be difficult to name the most attractive.

Guests at the dinner were Madam Clonts. Guests at the dinner were: Messrs. A. H. Whitis, D. L. Dodgen, Charles Shumaker, Roy Baker, Ed Shaver, Sam Clonts, Chad Wilson, James Ray Swift, John B. White, Roy Lee Mills and Doyle Walker. Mesdames, Roy Baker, D. L. Dodgen, Misses Delene Reid, Mary Frances Hicks, Laura Moulder, Dorothy Darden, Dorothy Shaver, Billye Benedict, Gertrude Decker, Ellena Fayne White, Marion Clonts, Juanita Herring and Ruth McGee. Hostesses to the affair were: Mrs. S. M. Clonts, Mrs. John White, Mrs. Henry White, Mrs. Ed Shaver, Mrs. Grady Benedict, Mrs. Earl Benedict, and Mrs. Chad Wilson. After the dinner some of the guests went to the show, while some of them preferred staying at the Clonts home and taking part in such games as Pick-up-Sticks and Monopoly.

As a spokesman of the Senior Class, I wish to thank the room mothers for such an enjoyable evening and a very successful dinner.

"Doty and Daffy" has been selected as the play to be given by the Junior Class on March 1, 1938.

Don't fail to see Glenn Huntsman, as the short, dark, handsome and terrific English butler, Alfred Hopkins, Glenn does some of the latest butling, in the Grand English style—real style.

Wynette Farmer suddenly change from a sophisticated lady of nineteen to a ten year old little girl who is the "daffiest" "Daffy" test ever daffed in a play—believe it or not she is really "daffy."

KNOX GREYHOUNDS THROW TOURNAMENT SCARE INTO FAVORITES FROM SUNSET

Friday night in the Munday High School Gymnasium the Knox County Basketball Tournament opened in the race for deciding the champions of this county. Knox City and Sunset Rural High School met in the opening match of the Senior boys' play-off. A much favored and highly touted Sunset crew were barely able to eke out a two point margin win to be able to continue on and win the County championship. Taking the edge over Munday and following with a victory over Benjamin in the Saturday night finals. Sunset met their only difficulty in the dark horse team from Knox City. This game, according to the spectators was the most exciting in the entire tournament.

Entering the game as favorite, the opening of the game saw the Sunset crew only meet difficulty in the first few minutes. Sunset started the scoring with a charity toss. Knox City jumped into the lead for the first and only time of the entire ball game by an one-handed field goal by Carver. A barrage of baskets by Strickland and Partridge of Sunset immediately gave the Eagles a safe security. At the end of the first quarter, K. C. was on the short end of a 16 to 3 score. The half only broadened this advantage to 32 to 11. For the K.C. fans, the ball game was over, with many leaving the game. This was their mistake.

The start of the second half was only repetition of the first half until a startling change seemed to take place. Coach Kimbrough, the erstwhile winning coach of Sunset, decided to take out his first string and rest them while from the net battery they had been performing. Dut-

ton immediately zipped the net with a two handed push shot from the side; followed by Walker with a pot shot from the same place; a crisp shot by Clarke; a crisp shot by Dutton; overhand shot by Carver and the retaliation of the fighting Greyhounds was in full pursuit of the leaders. From this time on the ball game was only a fight against time. Kimbrough sent in his first string of Strickland and Partridge and Company when his second string was giving way and only accounting for two points. This was useless for the fear of the champions had passed. Dutton dribbled in for a crisp shot but sacrificed to Carver for a sur two points and Sunset was on their heels. The score kept mounting until it stood 44 to 39 with only a minute to play; the first string of Sunset accounting for only one field goal after returning to the game.

A charity toss was made for the Greyhounds and the score 40 to 44 and the time was passing quickly. Dutton sharp shooting from all angles again sank a field goal for two points. As the whistle blew Carver and Clarke were desperately fighting against time—a losing battle. The final score 44 to 42 in the favor of Sunset, and one of the greatest rallies that could probably be found in the history of basketball was made by the home town quintet. Dutton, sacrificing and passing and shooting his best was in return passed to and made high point honors of the evening with nineteen points. His nearest rival was Strickland from Sunset with 16 points. Walker was next for Knox with 13 points, and the credit for holding down Sunset's scoring ace Partridge to nine points. Clarke accounted for three points and his best ball handling game. Carver shifting between guard and forward all night accounted for eight points and the credit for most of the points made by the other players, along with Walker, Warren played his usual stellar game at guard being ably helped occasionally by Humphries.

Much improvement has been made since the first of the season but the Knox City quintet has closed the regular season in a fighting style of not a quite successful one.

KNOX CITY GIRLS UPSET BY SUNSET

Saturday night the Knox City Girls Basketball team went to Munday to meet the Sunset girls in their final bout of the season. Everyone was excited and a highly nervous tension held both the spectators and the players when the whistle blew for the game to begin. The game started with Davis, Shaver and Benedict playing guard, and White, Carr and Clonts playing forward. The Greyhounds let the Eagles score five points right at the first of the game. However with splendid guarding from the guards and excellent passing along the forwards, the Greyhounds gained several scores. There was several changes made in the line-up and the team was specially proud that none of the players fouled off. The spectators watched with great interest the progress of both the Eagles and the Greyhounds as they swept down the court. Knox City was in the lead in the scores two or three times by one or two points but Sunset had a quick come back and they slowly but surely gained on the Greyhounds in the last quarter. The final score was 19-26 in Sunset's favor.

The Greyhounds greatly appreciated the fine sportsmanship that was displayed by the Eagles during this game and it is hoped that our teams will meet again, but it is also hoped that K. C. comes out on the "long end" of the score in the next game.

William Fuller Shannon was born March 10, 1921, near Wild Horse Creek, west of Sunset. His parents are Mr. and Mrs. J. S. Shannon. Fuller has lived in the Sunset community most of his life. Last year he moved to the Munday community, but now he is back in the good old Sunset community.

When Fuller was a sub-junior he entered in declamation and won first place in the county. The next year he entered junior declamation and won second place. Last year Fuller went to district in senior declamation. This year he has decided to try his hand at debate.

Fuller started playing basketball with the juniors when he was in the fifth grade and continued to play with them until he was a Sophomore in high school, when he started playing with the seniors. He was a valuable man on the senior team last year and one of the two best guards for this year.

Last year Fuller was a character in both the junior and senior play and everybody is counting on his help in the senior class out again this year. Recently he was elected the most popular boy in high school. Fuller has a good personality and a cherry winning smile which make him a favorite among his associates.

Favorite sports: Basketball, Color Blue. Girl friend: Blondie. Favorite song, "Dippie Doodle", Favorite subject, Civics.

Eagles Are County Champs for Two Straight Years

The Sunset Eagles took their three game schedule in the county tournament with 136 points to their opponents 85 points, although Captain Stogner was not in the line up.

The Eagles first game was with Knox City Friday night and at the half the Eagles were leading by scores of 42 to 10. After the half coach Kimbrough sent in the second team and let Knox City run up a few points. Then the first team was sent back into the game and Sunset received a real score. The game ended with Sunset leading by only three points, Saturday morning at eleven o'clock, Sunset took a game from Munday Moguls with scores of 52 to 18. Saturday night Sunset played Benjamin in Finals. Although the Eagles took the game by a good margin, the hustling Mustangs kept them fighting to win. The scores stood 39 to 24 in Sunset's favor at the closing whistle.

The Eagles will enter the District Tournament at Breckenridge this week-end and their first game is with Breckenridge. The Eagles are expected to give plenty of competition to their opponents, although their average height is one or two inches under six feet.

GIRLS WIN OVER KNOX CITY
FOR COUNTY CHAMPIONSHIP

As there are only two girls' teams in Knox County, the Sunset and Knox City teams were scheduled to play for county championship, Saturday night, February 12, in the Munday gym. This made the fourth time the two teams have met this year and each time the teams have kept within five points of each other, Sunset has won twice and K. C. once. Saturday night the two teams played a good game, but the Sunset girls were victorious.

With the scores 26-19. The Sunset girls played a very good game, and the fans were all proud of them. The girls have started volleyball now and are anxious to get a game as soon as they get a little practice.

EC GIRLS MAKE PROGRESS

In Home Economic, the junior and senior girls are sewing. Monday they took lessons on the machine. They learned how to thread the machine, thread the bobbin, fill the bobbin and place in the shuttle. Tuesday they sewed brown paper to see how many could make a straight line. Then they took a compass and made several rings on paper and went around these.

It was surprising how many girls didn't know how to peddle a machine. But they are all trying hard, and eventually they will be able to sew without any help.

For the first problem the girls are going to make pajamas or shorts

Each girl is supposed to have her pattern by Thursday and she is to have her material by Monday.

THE SENIORS HOLD A SURPRISE SOCIAL MONDAY AFTERNOON

The seniors held a very quiet, but very enjoyable Valentine social Monday afternoon. It was quite an enjoyable surprise to the class when, instead of class going on as usual, cookies, lemonade, and candy were served. The refreshments were accompanied by Dorothy Gammill's explaining why we celebrate Valentine's Day each year. She contrasted the verses of former days with those of the present time. A popular verse of the Nineties was: "Roses are red, Violets are blue, Honey is sweet, and so are you." It has changed until it is now: "Roses are red, Violets are blue, Pecans are nuts, and so are you."

Before school began Monday morning, Mrs. Cash received her surprise when the seniors presented her with a beautiful valentine in the form of a box of candy. The day ended with everyone wishing that Valentine day would at least be once a week instead of one time a year.

World's Greatest Guitarist

ANDRES SEGOVIA, a Spaniard
from the romantic hills of Gra-
nada, acclaimed the world's great-
est guitarist, will be presented as
guest artist on Columbia's Sunday
edition of the "Heinz Magazine of
the Air," January 20th, heard from
5:00 to 5:30 p. m. EST

Segovia, who raised the humble
guitar to the status of a concert in-
strument, will play "Allegro," a spe-
cial composition written for the
guitar by Nicolo Paganini, and
"Saravate" by Bach.

Although he was the idol of Lon-
don, Paris and Madrid for several
years, Segovia was practically un-
known when he arrived in this coun-
try for his first appearance in 1928.
His New York debut made musical
history, being the first guitar recital
given in this city.

By sheer genius Segovia demon-
strates undreamed-of possibilities
in this poor Cinderella of musical in-
struments and within the compass
of six strings he can achieve an in-
tricate polyphony from the great
classics. So remarkable is his tal-
ents that composers like De Falla,
Turina and Torroba are writing mu-
sic especially for him. This will
be Segovia's first appearance in

Andres Segovia

America since an extended Euro-
pean tour, and during his eighth
visit to this country he will give
recitals in all the leading cities.

ACCOUNT CARD HOLDERS ASKED TO CORRECT THEIR OLD-AGE INSURANCE

Wichita Falls, Feb. 10—Brides of 1937-38 who obtained social security account numbers cards before they were married were requested today by J. Gordon James, manager of the Wichita Falls office of the Social Security Board, to return their account number cards with information as to their names to his office. This procedure is necessary in order that the social security account will show the wage earner's present name, and prevent confusion in the keeping of the worker's wage accounts for Federal old-age insurance.

A card for this purpose, designated as "Employee's Request for Change in Records," is now available at the local office of the Board, located at 514 Radio Building.

This card provides space for the newly acquired name and that originally used in applying for the account number. The corrected account number cards will be returned to those who report their change of name.

James explained that since wage accounts are kept in the name the worker gives the employer, individuals who change their legal names should correct their records to insure the accurate recording of their wages. Wage information records filed by employers and transmitted to the Social Security Board indicate that many employees have gone to work on new jobs under their new names without notifying the Board of the change. This, it was explained, complicate the keeping of their accounts and might make it difficult to ascertain the full amount of the benefits to which they will ultimately be entitled.

Social Security account card holders may use this new application form also to correct misstatements as to age, or any other inaccurate declarations that may have been made.

James stated that while a new age declaration would be accepted without question, the acceptance should not be regarded as final if an employee

A Story for Husbands Exclusively

By IRVIN S. COBB

THIS little story is meant for husbands, only. Wives, especially wives of prominent social ambitions, are requested not to read it. Two citizens met on the street. They hadn't seen each other for

months. One of them was married to a lady who figured frequently in the columns of fashionable intelligence in the newspapers. After they had exchanged views on things in general the other asked: "By the way, is your wife entertaining this winter?" "Not very," was the sad reply.

Don't Neglect Your Child's Cold

Common colds often settle in throat and chest; at the first sniffle, rub on Children's Musterole, only in milder form. It penetrates with a warming tingle and gets such marvelous results because it's NOT just a salve, but a "counter-irritant"—helpful in drawing out local congestion. Musterole has been used for 30 years. Recommended by many doctors and nurses. All druggists. In three strengths: Regular Strength, Children's (mild), and Extra Strong.
