After-Dinner Speaker Gets His "Deserts"

"Red" Thomas tells about a dinner party he and his Missus went to in Center City last week. He said it was a wonderful party—except for one guest who was a real "know-it-all," right from the start.

Whatever the subject, this fellow considered himself an "expert." Wasn't quiet about it, either. He told different people what automobile to buy, what books to read—even told some who they "just had" to vote for.

When it came time to leave, this fellow must've felt a pang of conscience. He turned to the host-

ess and said: "I suppose I was a bit outspoken tonight." Quickly she replied, "Of course not. No one could have out-spoken you."

From where I sit, it's all right to have opinions as long as you don't try to force them on neighbors. Take those who would deny me an occasional glass of beer simply because they prefer something else. They're welcome to their choice but shouldn't try to force me to be a "party" to it!

Ever wonder what "Santa Fe" means?

Back in 1901, about 40 years after the Santa Fe Railway was founded, the ancient Indian Cross-within-a-Circle design was placed in a square and the assembly was adopted as the official trademark of the young railroad.

The words "Santa Fe" means Holy Faith. Today, that faith and vision in America's future have built the Santa Fe Railway System into a vital network of steel, linking the West,

Southwest and East with fast, efficient transportation services. These rails serve your town; help it grow and prosper.

And, no matter what your shipping or travel problems may be, Santa Fe will solve them. Your local Santa Fe agent is right here in your town to help you.

You can depend on him, as you can depend on the vast system he represents.

STREAMS in Desert Places

By Ozelle Stephens

Paul had joy triumphing over suffering. He admonished the believers to pray and he prayed "that their love may abound yet more and more in the knowledge and in all judgment; that ye may approve things that are excellent; that ye may be sincere and without offence till the day of Christ; Being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God. But I would ye should understand, brethren, that the things which happen unto me have fallen out rather unto the furtherance of the gospel; So that my bonds in Christ are manifest in all the places, and in all other places; And many of the brethren in the Lord, waxing confident by my bonds, are much more bold to speak the word without fear."

The things that happened to Paul were for the furtherance of the gospel. The things that happen to you are for the very same thing. God can do a mighty work as you take your stand in the faith and trust in His working power. He doeth great things, marvelous things without number for he is unsearchable in His ways and works. Trust Him to use you under all circumstances and you will have overflowing blessings and joy triumphing as did Paul.
