Regular Spring Training

By Albert T. Reid

THE CONTENDERS.

KID FARMER IS STILL THE CHAMPION - HE IS SURELY A GLUTTON FOR PUNISHMENT

Albert T. Reid
AUTOCAST

MARRIED

WATSON-RUSSELL

Mr. Abe Russell and Miss Fanny Russell, married and moved Saturday to the home of Mrs. Coates. They are keeping house. Just recently Mr. Watson bought the farm of Curtis Coates.

Abe and Fanny have each lived here four or five years. He farms with his dad and she has been employed in the office of Dr. T. S. Edwards for the past several months.

WATKINS-SHAW

Mr. Joe Watkins of Rochester and Miss Emma Shaw, nurse at the Knox County Hospital were married Saturday night in Rochester. They will make their home, within the next few weeks, in Rochester. Joe is operating a Tailor Shop there.

FOX-WHEELER

Sunday afternoon Mr. Loyd Fox of Knox City and Miss Kathrine Wheeler of Thalia were married in the home of H. E. Fox of Crowell. Reverend W. W. Smith, Baptist minister, pronounced the ceremony. The couple left immediately for Wichita Falls.

Mr. and Mrs. Fox will live in Knox City, in the home of Mr. and Mrs. D. W. Davis. Loyd is one of the Fox boys who own and operate the Fox Cash Grocer. Miss Wheeler has been attending the North Texas State Teachers College in Denton.

THE TACKY PARTY

The Tackey Party which was planned to be given at the Methodist Church on Friday night of this week has had a very difficult time in getting in on proper schedule. The party was planned by the social committee of the Missionary Society for the entire membership of the church to be given this Friday night. However, when it was learned the Junior Class of the Knox City High school planned on staging their play on that date, the party was postponed. Now it is learned that the class will not be able to give the play on this date, and the party is again scheduled for Friday night of this week, February the 27th. All you have to do is to come looking your worst but feeling your best. An unusual program of entertainment is being planned for the evening.

Mr. and Mrs. McPearson and Mr. and Mrs. King of Abilene spent Saturday and Sunday here in the home of Mr. and Mrs. G. T. Hardberger. Mrs. McPearson is a sister to Mrs. Hardberger.

CAMP FIRE GIRLS ENTERTAIN MOTHERS

The mothers of the Camp Fire girls were delightfully entertained Saturday, February the 21st at five o'clock at the home of Mrs. Henry Jones.

The home was beautifully decorated with the national colors, hatchets and flags. A program was given as follows:

Piano solo, Irene Holland
An Account of Washington, Mary Eliza Clarke

Song, Mother Machree by Mary McAuley, Odell Thompson, Mary Howell, Joelle Russell
Reading, A New Hatchet, Faye McAuley
Song, Three Little Words, Addie Mae Short, Frances Evans
Talk on Camp Fire Girls, Mrs. Henry Jones
Song, Alabama Lullaby, Wynell Edwards, Joelle Russell, Rowena Wall Mary Lou Graham.

Following the program a delicious salad course was served in buffet style. In this, the national colors were carried out by the use of tiny American flags as favors, red, white and blue candies and violets as a centerpiece.

After this, a social hour was enjoyed, and then the guests adjourned complimenting the hosts on her splendid ability in entertaining.

Those present were Mesdames W. F. Evans, J. W. Howell, T. S. Edwards, Z. T. Rogers, Della Short, H. E. Wall, L. W. Graham, T. E. Robbins, R. L. Leaverton, E. W. Holland, J. E. Clarke, H. M. Thompson, Otis Cash, the Girl Scout Captain, and E. Q. Warren, assistant guardian.

In giving this tea, each of the girls won honor number 102, which is "Take a responsible part in Mother-Daughter Party" which your group gives. This also counts as an honor which aids the girls in becoming Woodgatherers.

After the tea, the Camp Fire Girls were presented with their membership certificates which were received Saturday.

—Scribe

LEAGUE PICNIC

Wednesday afternoon the Junior Epworth League enjoyed a werner roast and picnic given near the home of Mr. and Mrs. L. W. Graham. Thirty Juniors gathered for the occasion and went in a group to the designated spot. Weners were toasted and with buns, sandwiches, and lemonade, were greatly enjoyed by the children. Chaperones were Mrs. Henry White, Mrs. Z. A. Hammock, Mrs. M. M. Ward and Miss Elsie Graham.

Mr. and Mrs. Zac Hammock spent the past weekend with relatives in Wichita Falls.

ROUGE ATTENDANCE AT SINGING CONVENTION

New School Equal to Best

It is estimated that around fifteen hundred people were present at the Sun Set School building Sunday afternoon for the Knox County singing convention. The auditorium, which is a gymnasium and auditorium combined, was filled and extra chairs were brought in and lined one side of the wall to accommodate the people.

The convention was opened by an address of welcome by professor Bowman, superintendent of the Sun Set School. Mr. Bowman made a splendid talk. The convention then continued in the usual way the singing being unusually fine due to the large crowd.

The school building was visited in every part by most of the large attendance for the convention. It was found to be equal to any of the city schools. Although not yet complete the building, with a survey of what is yet to be done, revealed the fact that it is complete in every convenience and detail.

KNOX COUNTY FIRST OF DROUGHT AREA TO ENTER ORDER FOR CERTIFIED COTTONSEED

Taking advantage of the special price of \$1.50 per bushel on Certified Cottonseed, offered by the Texas Certified Cottonseed Breeders Association, Knox County has rendered one order for three car-loads of Mchane seed and work is being finished up on the orders of about four more car loads. This is the first order to be received by the Association this year from any of the Drouth Stricken counties of West Texas, buying at the reduced price.

This readjustment of the Agriculture program has been made possible by the cooperation of the Gln men, Bankers, Farmers and business men of the county, who were assisted by the County Agent and a Representative of the Texas Certified Cottonseed Breeders Association. The aid of Federal loans is also making it possible for many farmers to take advantage of this opportunity to secure better seed.

Knox County is to be congratulated in having among its citizens, Bankers, Business men, and Farmers who unselfishly cooperated with the County Agent and Representative of the Association in building a program that will not only bring in to the county a seed that will produce a longer staple cotton this year, but will be a foundation for a better agriculture program for years to come.

H. J. R. NUMBER 31

By Representative George Moffett

A joint resolution proposing an amendment to Section 26, of Article 3, of the Constitution of Texas, by adding thereto Section 26, providing that under no apportionment shall any County be entitled to more than five Representatives unless the population of such County shall exceed Five Hundred Thousand people; providing for the apportionment in Counties of more than Five Hundred Thousand people; providing for its submission to the voters as required by the Constitution and making an appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That section 26, of article 3, of the Constitution of Texas, be amended by adding there to Section 26a, as follows:

Section 26a. "Provided, however, that no county shall be entitled to or have under any apportionment more than five Representatives unless the population of such County shall exceed Five Hundred Thousand people as ascertained by the most recent United States Census, in which even such County shall be entitled to one additional Representative for each One Hundred Thousand population in excess of Five Hundred Thousand population, as shown by the latest United States Census; nor shall any district be created which would permit any County to have more than five Representatives except under the conditions set forth above.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State, at the next general election, to be held on the first Tuesday after the first Monday in November, 1932, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the word "For the amendment to the Constitution of Texas limiting every County to not more than five Representatives under any apportionment unless said County shall have a population of more than Five Hundred Thousand people as ascertained by the most recent United States Census in which event such County shall be entitled to one additional Representative to each One Hundred Thousand population in excess of Five Hundred Thousand population." And those opposed to said amendment shall write or have printed on their ballots the words, "Against the amendment to the Constitution of Texas limiting every County to not more than five Representatives under any apportionment unless said County shall have a population of more than Five Hundred Thousand population."

Section 3. The Governor of the State of Texas, is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Section 4. The sum of Five Thousand Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State of Texas, not otherwise appropriated, to pay the expense of such publication and election.

GIRL SCOUTS HAVE NICE OUTING

Last Friday afternoon the girl scouts enjoyed an outing at their picnic ground which has been given them by Mr. Ed Shaver. The place includes a wooded spot and a tank. The grounds have all been cleared and is now an ideal spot for a picnic.

The outing was arranged for by the three patrol leaders and the work of the evening was left entirely to the scouts which they did in perfection. This accomplishment reveals the fact that the girls are learning to be real scouts. A picnic supper was completed, those other than scouts enjoying it being Mrs. Cash, Miss Mary Reeder and Mr. Hoyt Shaw.

Following the girls played a number of games, the most interesting ones being the "Crass Fight" and the "Spanking Machine."

HOSPITAL NOTES

Those in the hospital this week are Mrs. Joe Bullock and baby daughter of Rule, Mrs. S. E. West of Haskell, Mrs. Lucas of Knox City, Mr. Henry Quells of Rochester, Ms. R. B. Hooker of Stonewall county Mrs. J. A. Warren of Munday, Mrs. J. J. O'Brien of Knox City, and Mrs. T. C. Standwield of Lamesa.

Miss Cowan of Rochester, nurse, has been doing some specializing in the hospital this week.

Mrs. Tipton of Lamesa is here this week with her daughter, Mrs. Standfield. Mr. and Mrs. Fred Warren, Mrs. Leonard Hobert and Mrs. Davis with the elder Mr. Warren all of Munday have been in the hospital frequently this week with Mrs. Warren.

Mr. Goodson was in the hospital Tuesday morning for an Xray picture of a sprained ankle.

the community and will plan a hike for the near future.

Let every scout plan to be on hand March 6th for the first meeting.
C. B. Stovall, Scout Master

BOY SCOUT MEETING MARCH 6

On account of previous announcements at both the Methodist and Baptist Churches for Friday night, there will be no Boy Scout meeting this week, but we will have a meeting next week, Friday night, which will be intiation night. We will have a representative of the citizens of

JOHN ELBERT IS JUST ABOUT RIGHT

In a recent reading class of the pupils of the seventh grade, the teacher instructed the class to interpret the story "Drop Your Bucket Where You Are" and John Elbert Smith wrote the following:

"Drop Your Bucket Where You Are" means that you may think you are in a hard place but get up and look around and you'll see you are getting along all right. For example, the people in Knox City think it is hard times; what if they were in a town in Arkansas where hungry people are mobing the stores and mobing the people for food that are making a good living. Drop your bucket where you are, and you will find Knox City is a fair little town.

It behoves us as Knox City citizens to "Drop our buckets."

Miss Sydna Edwards spent the past weekend in Wichita Falls.

JUNIOR B. Y. P. U. PROGRAM

Topic: "The Call of the Dark Continent"

- Leader, Claydene Smith
1. Africa's needs, Kenneth Herring
 2. Africa needs doctors and nurses, Gerald D. Barton
 3. Africa needs schools, Billy Fawcett
 3. Africa needs better homes, Lily Faye Tappin
 5. How women are treated in Africa, Carl Holland
 5. Africa needs Jesus, Claydene Smith

Come on Juniors, let's do our best on this fascinating program. Every one come. 6:30 Sunday evening.

MICKIE SAYS—

WHEN YA HAVE SOMETHING FOR TH' PAPER, BRING IT RIGHT IN—DON'T WAIT UNTIL ABOUT FIFTEEN MINUTES BEFORE TH' PRESS STARTS, BECAZ WE HATE TO DISAPPOINT FOLKS BY TELLIN' THEM THEY'RE TOO LATE

PROGRAM GREAT ENJOYED

on program, which was enjoyed by the majority of the audience. The program was given by the Knox City and adjacent towns as the Masons of Rochester and Haskell presented at the program. The main address being made by Mr. Haskell. Mr. Breedlove revealed the fact that there had been no object in his manner of presenting in its directness.

made during the evening as well enjoyed as Breedlove. Three other speakers made the program. It was short yet object and material delivered in an informal sufficient manner entered into the spirit of the evening, and might well be considered one of the three reasons, an orchestra furnished the music was excellent, was mentioned several times at the end of the program.

pleasant feature of the food which followed, olives and coffee.

STUDY BIBLE

Sunday School Class of the Methodist church announced that the class will take up the Bible, beginning Sunday the first five chapters in the class is taking up this to become more familiar with the Bible, to have a better understanding and knowledge of the

important, and the teacher, that we begin at the beginning only in this way can we get the teaching for the search. We urge that you should be in this class Sunday morning. We will have any new members, Wilson.

SEE TRAIN LOAD OF FARMALLS

Clonts Local Dealer

Some twenty five of the Knox City gathered at the Fe station (depot) for some thirty minutes or so for the express purpose of seeing the train load of Farmalls go. They went through, six to a car, flat cars, to the factory to Sweetwater. Mr. Jamison was asked to take his kodak for the occasion but it seems that he was not thoughtful enough to bring the train and pose for the camera. Anyway, Jamison snapped the picture and next week we feel he will have something to show the train load of Farmalls to be.

Clonts are dealers for the Tractor in this territory. Proud of this fact since they are used so extensively. They have any repair part ordered on the Farmall and have equipment for service on the Farmalls in their machine shop. Recently Jamison-Clonts received a car load of these Farmalls.

THINK ON THESE THINGS

What good is the church doing, or, of what use is it? Well, of what use is food to the body or why have physicians and hospitals? The church ministers to human needs. It is worth far more to any community than it is ever paid. It is worth every thing; all through the ages the church has been the great power in civilization of men and of nations. The Christian Church is, and has always been, the living exponent of decency and good government. It is the power house of religion. It is the birthplace of more souls than any other place on earth.

No memories are sweeter and more loved than those of home or the church. A church is the greatest institution in making your community a fit place in which to live. It is the greatest protection to the home. There is not another organization or institution that has more interest in you boy or girl, than the church. Then, if it is the greatest and best institution, if it protects your home and makes your community a fit place in which to live, with all the other good things that might be said of it, then would it not be right for you to attend and give your support to it? Go to church next Sunday; you owe it to yourself, you owe it to your church and to your community.

C. B. Stovall

THE WHY OF TRADE-AT-HOME

In common with most of the citizens of Knox City the Knox County Herald believes most sincerely in the advantages to be secured by the thrifty practice of "trading-at-home".

It is a doctrine that is often misunderstood, in that some people would go so far as to demand a blind adherence to the theory without regard to the facts of the situation. The essence of such a course of conduct, if it is to be accompanied by success, requires the intelligent cooperation of Knox City merchants as well as Knox City buyers.

It is the sacred duty of local merchants to be alert in their business to present their customers attractive goods, fairly priced in line with modern competition and to keep up with the best modern merchandising practices elsewhere. This does not mean to imitate, or expect the elaborate displays of metropolitan stores, but it does mean meeting the prime essentials of trading that make buying profitable to the buyer as well as the seller.

The obligation which rests upon local citizens, as buyers, demand that before purchasing merchandise or service out of town, they give Knox City business houses the opportunity of handling the business. No buyer should, through sheer laziness, or a careless idea of economy, thoughtlessly send money from Knox City. The foolishness of such conduct can

be easily demonstrated to any reader who has the slightest doubt of its correctness, or of its value to a civic community.

Fortunately, we have had a generous observance of the "Trade-at-home" idea. Knox City boasts many progressive business houses, where service to the buyer is as much the keynote as profits to the seller. Of course, this policy exists because, in the long run, business men know that it is an adjunct to profit making. Our local buyers, as a rule, do patronize local businesses, and, we are convinced, in the majority of instances, with pleasure and profit.

The above applies to the merchant as well as the public. Some of our merchants seem to forget that there is a printing office in town. What right have you to ask people to trade with you when you never ask us a thing about printing. So remember us the next time you need some printing.

The Coca-Cola company reports the biggest earnings in history and then narrates that it spent an extra million dollars on advertising in 1930.

President Hoover's praise of advertising finds unanimous agreement among the newspaper editors, even hard-boiled Democrats admitting he is right.

So far as we have been able to observe the modern flappers are able to take care of themselves, and, at the same time, to work three times as many men.

Every once and a while a newspaper editor finds a sensible subscriber, for example, the one that wrote us last week that the Herald was better than ever.

Maybe the reason the city dwellers are moving into the rural sections is because they have been reading the big bankers, who declare that there is "plenty of money in the country".

The approach of spring moves us to remark, as we have remarked for the past eleven or twelve springs, that it is a good time for Knox City freeholders to beautify their premises.

The highest compliment that a business man can pay an individual is to sell on credit; if some Knox City merchant has done this with you, why not strain a point and make him a payment on the account? He probably needs it.

A successful trade-in-Knox City policy requires consistent co-operation on the part of merchants and local buyers. It is impossible to build the markets here unless both buyer and seller are awake to their civic responsibilities.

From the way the gas bill is going up they will reach their highest in July. Ours was more this month than last. Something rotten in the way they are charging the people a one eyed negro knows there is no reason in the world for our bills to be more now than they were last winter the coldest on record. What do you call it?

I guess we had another Christmas in January, at least that is what they said made our bills so high last month was the holidays, looks like we will have Christmas every month

AS THE WORLD WAGS

George Washington Hill, president of the American Tobacco Company, is perhaps the most discussed man in advertising and merchandising circles, because of his method of advertising Lucky Strike cigarettes. "He's all wet," the experts say. But Hill is hard to convince that he doesn't know how to advertise. In 1930 the cigarette business showed an increase of only about one-sixth of one per cent, on a volume of approximately 415 billions cigarettes and Lucky Strikes had an increase of more than 5 1/2 billions—due, they say, to "concentrated sales and advertising efforts."

General Electric Company sold 100 million dollars worth of electric refrigerators in 1930, an increase of 30 per cent over 1929. In 1930 the company refrigerator advertising budget was \$6,000,000. It has been increased to \$6,500,000 for 1931.

Cars and trucks produced in the United States in 1930 numbered 3,505,000 or about 2,000,000 less than during the previous year; yet the motor car industry maintained its place as the country's largest, with products valued at \$3,116,400,000. If you are statistically minded, you might be interested in knowing that this country now has 27,000,000 cars in use, foreign countries have 9,000,000 cars in use and, during 1930, export markets consumed 561,000 cars or about one-sixth of the number sold in this country.

To the question of who owns the Bell Telephone System, President Gifford replies:

"Savings of more than 750,000 men and women in every walk of life and in every State of the Union have built the Bell System."

More than 550,000 stockholders now own A. T. & T. stock, among whom are more women than men.

More than 200,000 stockholders own from one to five shares each.

More than 525,000 own less than 100 shares each.

The average number of shares held by each stockholder is 32.

More than 110,000 employees of the Bell System are stockholders, and more than 300,000 are now paying for stock subscribed for by them on an easy payment plan.

For more than 40 years no individual or small group has owned a controlling interest, or even a relatively substantial interest, in the stock of A. T. & T. or its predecessor. No stockholder now owns as much as one per cent of the total stock.

Possibly the ownership plan of that Company, recognized as one of the most successful in the world, holds a lesson for smaller Texas institutions.

Reverend Stovall announced Tuesday that the annual Revival Meeting of the Baptist church would begin this year on the third Sunday in July. Reverend Whatley of Haskell who assisted in the Revival last year, will be here again this year. The meeting will continue through two weeks.

We are Dealers for the Amalco Oil. Let us drain and refill your crankcase.

SAME PRESCRIPTION HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe, bowel stimulant.

This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colic, fevers. At your druggist, or write "Syrup Pepsin," Dept. B1, Monticello, Illinois, for free trial bottle.

FIGHT LOW PRICES BY FEEDING YOURSELVES. FARMERS AKE TOLD

Austin, Feb. 26.—Farmers who feed the world and sometimes starve themselves are urged by J. E. McDonald, commissioner of agriculture to try to feed themselves first this year.

"More than ever before in the recent history of Texas agriculture," McDonald said, "the need should be impressed upon the minds of all thinking persons that farmers must raise their own foodstuffs in preparation for the coming winter."

"There is no occasion to be optimistic over the agricultural outlook. In Texas we start with surpluses of grand and cotton and with practically all major crops sub-normal in price. Few enterprises promise the farmer a profit."

"Regardless of what may develop during this year, farmers should judge future conditions by the present and make ready for the winter in the way closest at hand. The best preparation the farmer can make is to store up food potatoes, canned fruits and vegetables, cured meats."

"Should farm prices stage a comeback. These efforts will not be amiss. I venture that every can of fruit of vegetables, every jar of pickled meat, every cured ham, every keg of sauer kraut, prepared this spring, summer and fall will be eaten and relished next winter, regardless of the general condition of agriculture."

"Land owners, with tenants, should especially look to the future. They have a decided responsibility in the feeding of persons on their lands. They should not only urge their renters to have garden plots, raise a few hogs, veal or cow but should absolutely demand it."

We have several varieties of seed corn for sale.

CITY FEED STORE

H. M. Warren and T. G. Carnoy made a business trip to Dallas last week.

Glenn Huntsman was hurt while standing in line to march in the school building last Friday when a rock, thrown by boys out of line, struck him in the mouth. A hole was cut through the lower lip of Glenn and one tooth, which was a permanent tooth, was broken off even with the gum. It was necessary to have the broken tooth extracted Friday afternoon before Glenn received any rest.

Let us recharge your batteries, we furnish rent batteries.

 S. O. NATIONS

Wit--Humor

Abigail—Gracious, how did you get
 all mused up like that?
 Phoebe—I went auto riding with
 an oil salesman.

"I never knew until I got a car
 that profanity was so prevalent,"
 said the minister.

"Do you hear much of it on the
 road?"

Novelist—These confounded criti-
 cs roasted my new novel unmercifully.

Friend—well, you have your revenge
 they had to read the book, didn't they?

"Which train is your wife coming
 in on?"

"It must be the one on track 27;
 that's the one that isn't on time."

Anti—pride goeth before a fall.

Toxin—nonsens. I was not in the
 least proud of the icy sidewalk front
 of my house.

Pearl—Several of the men whom
 I refused when I married you are
 richer than you are now.

Xeres—That's why...

Poet—I'll be thought better of
 when I'm dead and gone.

Editor—That's so; you won't be
 writing any more then.

Mrs. Flubb—Has your new neigh-
 bor, Mrs. Funkbaugh, entertained
 any of you informally yet?

Mrs. Dobb—Often. Only yesterday
 she and her husband had a row on
 the back porch.

Ungrammatical

The Lady Remarketh—"Hobo did
 you notice that pile of wood in the
 yard?"

Hobo—"Yes'm, I seen it."

Lady—"Yo shoould mind your
 grammar. You mean you saw it."

Hobo—"No'm, You saw me see
 it, but you ain't seen me saw it."

—Comrades.

On Second Thought

Evangelist: "Didja hear about the
 girl who went riding and set only
 one shoe muddy?"

Dido: "Naw, let's hear it."

Evangelist: "Well, she reconsid-
 ered."—The Great Johnston (Pa.)
 Legionnaire.

Who had the Bills?

Old Gentlemen (in street car):
 "Has anyone dropped a roll of bills
 with a rubber elastic around it?"

"Yes, I have," cried a dozen voices
 at once.

Old Gentleman (calmly): "Well,
 I've just poked up the elastic."

Erstwhile Comradts

"Are you a messenger boy?" asked
 the near-sighted man of a boy in
 the street.

"No sir," was the indignant re-
 ply: "It's my sore toe that makes
 me walk so slowly." Douglas County
 Legionnaire.

Precaution

A barber was much surprised to
 receive a tip before he had cut his
 customer's hair.

"Thank you sir! It isn't many who
 tip us first," he said.

"That isn't a tip," snapped the
 man in the chair. "That's hush mon-
 ey." The Legion Press.

An Irishman, a Scotchman and a
 Hebrew dined together in a restaur-
 ant and when the time came for pay-
 ing the check the Scotchman said:
 "Hoot mon, I'll pay," with the re-
 sult that the next day the news-
 papers carried the headline, "Jewish
 ventriloquist found murdered."

Parley Vous

Mrs. Newriche had just arrived
 from a tour of Europe, and her long
 suffering acquaintances had no op-
 portunity to forget the fact.

"And Paris!" she gushed. "Paris
 is just wonderful! The people are all
 so well-educated—not at all like they
 are in this great country my dear.
 Where even the street cleaners can
 speak French!"

"Poor old Bill! He's so short sight-
 ed he's working himself to death."

"What's is shot sight got to do
 with it?"

"Well he can't see when the boss
 ain't looking, so he has to keep shovel-
 ing all the time."

A Possibility

A tabloid newspaper offering 1.00
 each for embarrassing moment let-
 ters received the following epistle.

"I work on an early night shift
 in a steel plant. I got home an hour
 early last night and there I found
 another man with my wife. I was
 very much embarrassed. Please send
 me \$2.00 as my wife was also em-
 barrassed."

The editor, so we are told, sent
 a check for \$3.00, admitting the pos-
 sibility that the stranger, too, might
 have been embarrassed.

ASPIRIN
 BEWARE OF IMITATIONS

DEMAND

LOOK for the name Bayer and the
 word genuine on the package as pictured
 above when you buy Aspirin. Then
 you'll know that you are getting the
 genuine Bayer product that thousands
 of physicians prescribe.

Bayer Aspirin is SAFE, as millions
 of users have proved. It does not de-
 press the heart. No harmful after-effects
 follow its use.

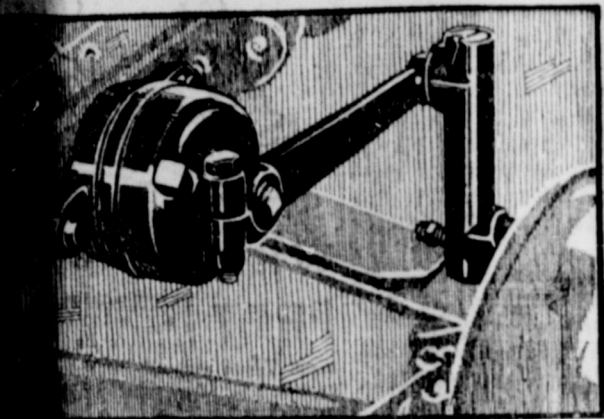

Bayer Aspirin is the universal anti-
 dote for pains of all kinds.

- Headaches
- Colds
- Sore Throat
- Rheumatism
- Neuritis
- Neuralgia
- Lumbago
- Toothache

Genuine Bayer Aspirin is sold at
 all druggists in boxes of 12 and in
 bottles of 24 and 100.

Aspirin is the trade-mark of Bayer
 manufacture of monoaceticacidester of
 salicylic acid.

FORD COMFORT

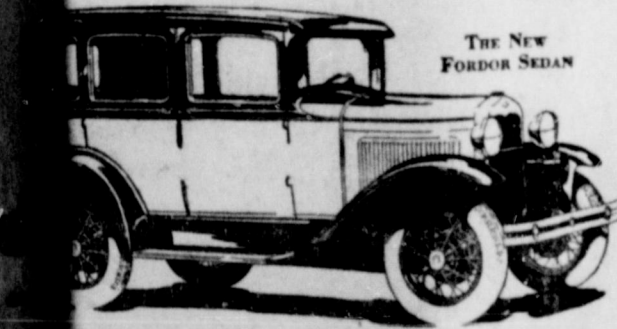

Every new Ford is equipped with
 our Houdaille double-acting
 hydraulic shock absorbers

One of the fine things about driving the new Ford is the
 way it takes you over the miles without strain or fatigue.
 No matter how long the trip, you know it will bring you
 safely, quickly, comfortably to the journey's end.

The seats are generously wide, deeply cushioned and
 specially designed to conform to the curves of the body.
 The new Ford has specially designed springs and four
 double-acting hydraulic shock absorbers.

Other features that make the new Ford a value far
 above the price are the Triplex shatter-proof glass wind-
 shield, silent, fully enclosed four-wheel brakes, more
 than twenty ball and roller bearings, extensive use of
 steel forgings, aluminum pistons, chrome silicon
 valves, torque-tube drive, Rustless Steel and
 accuracy in manufacturing.

In addition, you save many dollars because of the
 lowest cost of the new Ford, low cost of operation and
 low yearly depreciation.

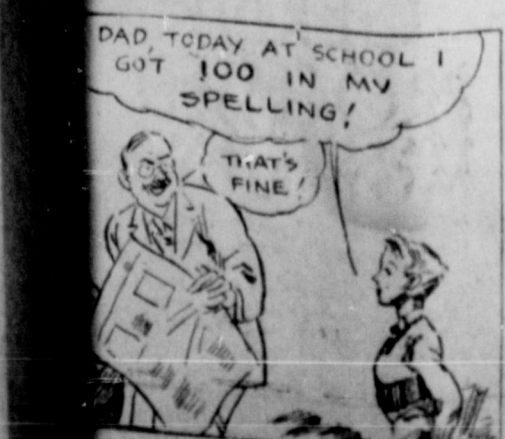

THE NEW FORD SEDAN

LOW PRICES OF FORD CARS
\$430 to \$630

Detroit, plus freight and delivery. Bumpers and spare tire extra
 cost. You can purchase a Ford on economical terms through
 authorized Ford Finance Plans of the Universal Credit Company.

Plenty of Knowledge But No Education

A man asked me the other day what courses I had studied in college had been most helpful.

I answered, "Greek and mathematics."

He said it sounded like a silly answer. "You are in the advertising business. What do Greek and mathematics have to do with advertising?"

Of course they have nothing to do directly with advertising, or with modern banking or the law, or any of the other occupations by which I might have chosen to earn a living.

Yet Greek and mathematics have this one thing in common each of them compels the mind to attack a difficult problem and to think its way through to a solution. That is moral discipline: that is development in the same sense that hard physical

exercise develops the muscles. That in a large degree, is education.

There is more false and fuzzy thinking about education than almost any other important subject. We have been in an age when the whole emphasis of school and college has been placed on "learning things" on "practical training", on "giving the boys and girls equipment for daily life."

The result of this program, in many instances, is not encouraging. Young people graduate into life with a mass of unassimilated and more or less inaccurate facts, but with no real mental drill and no philosophy.

In one of his first passages Cardinal Newman describes an educated man as one who "has the repose of mind which lives in itself, while it lives in the world, and which has resources for its happiness at home when it cannot go abroad. He has a gift which serves him in public and supports him in retirement, without which good fortune is but vulgar and which failure and disappointment have a charm."

And in another place he defines education as "the preparation for knowledge."

If all educators could agree upon

that definition, it would mean much progress. Then we should have college graduates whose minds are prepared, rather than graduates whose minds are merely stuffed.

Too many graduates at present have plenty of knowledge but no education.

We have several varieties of seed corn for sale.

CITY FEED STORE

Mr. Hugh Hodges, of Levelland, brother to Woody Hodges of Knox City, died at the Lubbock Hospital the first of the week. He was sent to Munday for burial.

Mr. Stauffer of Chicago and Mr. White of Abilene, representatives of the Western Produce Company, were in Knox City Monday to see S. O. Nations.

Hatching eggs from the famous Buff Minorca hens \$4.00 per hundred or 75 cents per setting.

S. O. NATIONS

Horace Benedict accompanied his mother, Mrs. W. H. Benedict, and two sisters, Mrs. Pysatt and Mrs. O. D. Reid, to Wichita Falls Wednesday.

The Teague boys announce this week that they are serving a complete chicken dinner Sunday for the low price of 59 cents. Read their advertisement in this Herald.

Warren Brothers are now moved to their new location, their building just south of the Chevrolet house. They have spent this week getting arranged in the new quarters and we are glad to state that everything looks fine.

The Baptist Sunday School of Knox City has attained the highest standard of efficiency in Sunday School work. The school has applied for the credit as an A-1 Standard Sunday School.

Mrs. E. O. Jamison, Mrs. O. L. Jamison, Mrs. T. S. Edwards, Mrs. O. J. Emry, Mrs. E. Q. Warren and Reverend Mann and son Jim Boy chaperoned a group of fourteen girls of Knox City, music pupils, to Wichita Falls last Thursday night to hear Paderewski.

From State Department of Agriculture

J. E. McDonald, Commissioner

FARMERS OF WEST TEXAS TO PROFIT BY CENSUS BILL

Austin, Feb. 25.—That vast grain and livestock section which has achieved picturesque and distinctive unity under the name "West Texas" would perhaps be the greatest beneficiary of the Farm Census Bill pending in legislature, according to its sponsors.

It was pointed out that an annual census of natural resources such as is planned would be of special value in the industrial and commercial development of those areas of potential great value as farming and ranching sections. The census would furnish authoritative statistics to railroads planning to penetrate new territory; to flour mills seeking a new location; to a hundred other industries whose interests are closely tied to the land.

Texas now has no means of collecting data annually on crop acreage, prospective acreage, production of principal crops, numbers of livestock, and other vital farm and ranch data by counties. Cities in the new country, seeking to induce business to locate with them, must make expensive agricultural surveys, or depend upon the federal census. This census is highly unsatisfactory, as it is taken only every five years and does not keep pace with a country developing as rapidly as West Texas.

Officials of both the state and federal departments of agriculture the University of Texas and Texas A. and M. college are cooperating in seeking enactment of the measure.

Support was drawn from an unexpected quarter when officials of the state department of public health gave their approval, since pertinent health information might be included in the bulletins to be sent out under government frank by the terms of the bill to disseminate agricultural information.

Mrs. Ed Darnell of Childress is here this week to see Mr. and Mrs. J. H. Darnell.

The Zone Meeting of the Missionary Society of the Methodist Church will be held in Knox City on March the 5th, which is Thursday of next week.

KENTUCKY MAN SAYS CRAZY CRYSTAL ARE WONDERFUL

Feels Better Than He Has In 40 Years

I have been a sufferer with nervous indigestion and stomach trouble for the past twenty years, and have tried almost everything recommended by physicians and friends with very little relief.

I heard of this wonderful Water at Mineral Wells and concluded to try it out some two months ago. Words will not express my sincere pleasure for this wonderful crystallized water that has helped me so much in this very short period of time, and I can most heartily recommend it to anyone suffering from indigestion and stomach trouble.

C. D. Barber, Manager Dry Goods Department J. A. Ruby & Sons Paducah, Kentucky.

The new million dollar Crazy Hotel at Mineral Wells, Texas, covers an entire block of ground. It is modern, fire-proof and complete in every detail. It is natural to think it would be expensive to stop at this magnificent Hotel; yet, you can enjoy its genuine hospitality, pleasing service and receive the benefit of the Crazy Mineral Water Treatment at very reasonable rates. Write them for full and complete information.

Knox County Herald

"You can bet your Bottom Dollar Germ-Processed Oil won't fail you these cold days"

The multitude of motorists who have switched to Conoco Germ-Processed Motor Oil know what a great oil it is for summer use. Maybe they are wondering how it will act in cold weather at zero and below. The makers of Conoco know. Better still, thousands of users know, from their experiences of last winter. In Canada, Montana, the Dakotas... in Denver... with temperatures far under zero, Conoco Germ-Processed did not congeal. It remained fluid and continued to furnish efficient lubrication.

This accomplishment is no surprise. Conoco Germ-Processed is easy starting, non-congealing at sub-zero temperatures, because it is a thoroughly de-waxed paraffin base oil. The Penetrative Lubricity of Germ Process makes certain an ever-present lubricating film in your motor, even after long periods of idleness... particularly valuable at starting time, when 40% to 60% of motor wear occurs.

Save this wear on your motor... your battery... your nerves. Drain and refill now with the proper grade of Conoco Germ-Processed oil at the sign of the Conoco Red Triangle. All grades, 35¢ per quart.

CONOCO GERM PROCESSED PARAFFIN BASE MOTOR OIL

Turn in an Conoco Oilener's Hair... On 16 leading stations across the country... a program somewhere every day from Monday to Friday. Your nearest Conoco station will give you a log of stations, days and time. Here is a unique radio program... built upon the preferences of the listener.
