## WELCOME EX - STUDENTS

### Knox City Greyhounds Win First Dist. Game With Rule, 28 To 24, Friday

Knox City Greyhounds won their first conference game last Friday night at Rule. The Greyhounds came from behind to beat Rule, 28-24.

Charlie Bateman scored the first TD in the first quarter from the three-yard line.

In the second quarter, Eddie Williams scored on a 65 yard dash.

Bob Clark scored two touchdowns for Rule in the second period to make the score tied up at 12-12.

Clark scored his last touchdown on a 62 yard run in the third quarter.

Eddie Williams scored for Knox City in the third quarter,

and Bateman made the two extra points.

In the fourth quarter Jerry Lowerly scored for Rule on a 55 yard run to put Rule ahead.

Later in the fourth quarter, Eddie Williams again scored and Bateman added two points to put the 'Hounds back in the winners circle.

Knox City meets Rochester here Friday night at the Greyhound Stadium.

### Lions Have Meet Wednesday

Knox City's Lions Club met for their weekly luncheon-meeting at the Methodist Fellowship Hall Wednesday and although no program was held, Lion President Gerald Averitt told the club the Board of Directors had held their meeting Wednesday morning and had purchased a pair of glasses for a youngster here.

Discussion was also held concerning the Lions Club float to be readied for the Homecoming parade Friday.

Bruce Campbell, Jr., is chairman of that project. Noel Crenshaw, Executive Scout Director for this district, Seymour, made a short talk to the Lions concerning Scouting here.

A Cub Pack was recently established here he said and there is also one Explorer Pack and a Negro Troop.

Next Monday night a Scout troop will be organized here, he said and a meeting will be held at the Methodist Church at 7:30 p.m. for youngsters and their parents to attend.

Crenshaw said Scouting was picking up here and that he was in hopes it would continue to rise.

### Commissioners Call Meeting

Knox County's Commissioners Court met in regular session Monday and the minutes are as follows:

BE IT REMEMBERED, that the Honorable Commissioners' Court of Knox County, Texas, convened in Special Session on October 31st, 1961, with all members of said court being present.

J. B. Eubank made a motion, seconded by J. V. Carver, that H. T. Melton be paid for seven days labor as Deputy Sheriff of Knox County, at the rate of \$12.50 per day.

All voted in favor of the motion.

W. W. Trainham made a motion, seconded by J. V. Carver, that Kenneth LaMascus salary as Chief Deputy of Knox County, be set at \$375 per month, to be effective as of the 14th day of October, 1961.

All voted in favor of the motion.

J. B. Eubank made a motion, seconded by J. V. Carver, that the meeting be adjourned.

All voted in favor of the motion.

The above minutes presented to me on this the 31st day of October, A. D. 1961, and correct-ly reflect all the business that came before the Commissioners' Court and the same is hereby approved, and the County Clerk is hereby ordered to file same for record.

Signed L. A. PARKER, County Judge.

TO SELL POPPIES

The members of the American Legion Auxiliary will sell poppies all day Saturday, November 11.

### Want Police? Call 658-5871 After 5!

Chief of Police J. J. Hester has announced that anyone wanting the police department after 5 p.m. to call 658-5871.

The City Hall is closed at 5 p.m. each day and anyone calling there will probably not get the Chief after that time.

He can be contacted at 658-5871, though so call that number.

### Christian Church In Benjamin To Hold Revival

Riley Donica, Missionary minister from the Kiamichi Mountains Christian Mission in Tallhina, Oklahoma, will be the speaker for the revival meeting which will be held at Benjamin Christian Church, November 6 through 12. Services will begin each evening at 7:30.

Karel Desgrange, minister will be leading the song service each evening with Mrs. Desgrange at the piano.

The church extends an invitation to the public to attend these services.

### Contract Let For New FM Road Here

A contract for 12.9 miles of construction on F.M. 267 in Foad and Knox County has been awarded to a Plainview firm, it was announced in Austin this week by the State Highway Commission.

Bryan and Hoffman submitted the low bid of \$117,812, on the project. Base and surfacing from FM 1919 in Foad County to FM 1756 in Knox County is expected to take 130 working days, according to Palmer Massey, District Highway Engineer at Childress.

H. T. Cunningham, resident engineer, at Munday, will be in charge of the project while it is under construction.

### Senator Moffett To Address WW I Vets

Knox County Barrack No. 1029, will hold their Veterans Day program at 7 p.m. Monday, Nov. 6, at the American Legion Building in Munday.

It is the Barrack's desire that all Knox County World War I veterans will be present with their wives. The Seymour and Haskell World War I veterans are invited to be present with their wives.

A covered dish supper will be served at 7 p.m. and it is expected that all wives bring a covered dish.

Main speaker for the occasion will be Senator George Moffett.

The Senator has sponsored several bills which has been in-acted into law for the benefit of the World War I veterans. The Senator is a World War I veteran, and has the admiration of all World War I veterans, Milton Dean, Commander, said.

The meeting will be a joint meeting with the WW I Auxiliary Commander Roger Q. Evans and wife of the state department from Baird, Tex.

### LAST CONFERENCE GAME

O'Brien's last scheduled district football game will be at Weinert at 7:30 p.m. Thursday, Nov. 2. Both teams are undefeated this season with seven wins and no losses.

### Boy Scout Fund Drive Will Get Under Way Soon

Bruce Campbell, Jr., and Doyle Graham, chairmen of the Boy Scout Finance drive have announced that the campaign will get under way with a breakfast, Thursday, Nov. 9, at 6:30 a.m. at Roddy's Cafe.

The breakfast will be for all workers and committees assisting in the drive. The monies invested will be a part of the Northwest Texas Council operating budget. Knox City is a part of this council and now has one Cub Pack, one Explorer Post and one Negro Scout Troop. Plans for a new Scout troop are well under way here.

Included in the council operating budget of \$76,958.60 are training courses for adult leaders, year round camping available at Camp Perkins for all Scouting units, office facilities, salaries for six executives and three girls who are in the office, postage, utilities, retirement and Social Security.

Knox County is one of 13 counties in the Northwest Texas Council. The executive board of volunteer men have accepted the operating budget, therefore the \$76,958.60 will be obtained through independent campaigns, United Funds, Community Chest, and sustaining membership.

All of it provides for better Scouting throughout the council and Knox City is no exception.

### Greypups End Season Play With 4 Wins And 2 Lost

The Knox City Greypups ended season play by defeating the Haskell Warriors 14-6, at Knox City Tuesday night.

Joe Reyes scored the first touchdown for the Pups in a long run around end. Philip Williams scored the two points on an off tackle play.

The second Knox City score came with only 15 seconds left in the half. Reyes ran 70 yards for that tally and the try for extra point failed.

The Greypups won four of the six games played this season. Coaches for the team are Curtis Hines and Carroll Eggleston.

### Chief Reports Quiet Halloween

Chief of Police J. J. Hester reported a quiet Halloween here in Knox City.

A number of precautions were taken this year in order that it would be quiet.

Nightwatchmen were stationed at both gin yards here and Arledge Motors Used Car lot was also watched during the night.

Curfew was strictly enforced. "All in all it was pretty quiet," the Chief said.

### Ex-Students Complete Plans For The Knox City High School Homecoming

Knox City's Ex-Students Association completed plans this week for the 1961 Homecoming.

Homecoming parade will be held at 4 p.m. Friday to start the week end of festivities here.

Trophies will be awarded the sweepstake winner, runnerup, and most original. Presentation of the flags will lead the parade followed by the Knox City High School Band, then the homecoming Queen and her attendants.

Nominees for Homecoming Queen are Samantha Graham and Kathy Lowrey.

Class reunions will be held at various places and after registration, ex-students will be notified of the activities.

### Rural Housing Loan Program Is Expanded

Families living in small rural communities and in rural areas, even though not engaged in farming may now be eligible for the housing loans made by the Farmers Home Administration, according to Wilburn A. Satterwhite, the agency's county supervisor for Baylor, Knox and Throckmorton counties.

The Housing Act of 1961 broadened the eligibility requirements for rural housing loans. As a result owners of nonfarm tracts in rural areas and in small rural communities of not more than 2,000, as well as farmers, may be eligible for this type of credit.

"This program is an important tool in providing the development of rural areas," Satterwhite said. "Rural Housing loans will not only help families obtain better homes but will put more carpenters, plumbers and electricians to work, and will increase the sales in lumber yards and building supply firms."

Housing loans are made for the construction, repair, and remodeling of dwellings and essential farm buildings and to provide water for farmstead and household use.

In addition to major construction, funds are available to modernize homes—add bathrooms, central heating, modern kitchens, and other home improvements, as well as to enlarge and remodel farm service buildings and put in related facilities such as paved feedlots, yard fences, and driveways.

Rural Housing loans may also be used for the construction of fall-out and storm shelters.

The interest rate is 4 per cent per year on the unpaid balance of the loan. Loans may be scheduled for repayment over periods up to 33 years.

The proposed housing must be adequate to meet the family's needs, yet modest in size and design.

To be eligible an applicant must own a farm or housing site in a rural area; be without decent, safe and sanitary housing; be unable to obtain the needed credit from other sources; and be without sufficient resources to provide the necessary housing on his own account. He must also have or be able to obtain sufficient income to meet payments on existing debts, take care of his other expenses, and make the payments on the proposed loan.

### IN FAIR CONDITION

Mrs. Mary Adams was reported in fair condition in Providence Hospital in Mobile, Ala., following a heart attack suffered last Friday. She was en route to Florida with a group of friends when the attack occurred. Mr. and Mrs. Joe Reeder Jr. flew to Mobile Friday. Mrs. Reeder returned to Knox City Monday.

A dance and get-together is scheduled for Saturday night.

Sunday there will be special programs at the First Baptist Church and all are invited to attend.

The services will begin at 11 a.m. All churches will be represented at the services.

Program will be: Prelude: Mrs. Bobbie Bradberry and Mrs. Pauline Myers.

Opening Hymns: Congregation. Invocation: Rev. Murrell Johns. Welcome: Charles G. Clarke, president.

Choir Special. Scripture: Rev. Hal Dungan. Duet: Mrs. Kenneth Lankford and Mrs. A. V. Kemletz.

Sermon: Rev. Jarrell Sharp. In Memoriam: Lora Beth Ross.

Closing Hymn: Congregation. Benediction: Rev. Floyd Bailey.

A basket lunch will follow the services at the Baptist Church. Lunch will be served at 12:30 p.m. at the school cafeteria.

Those desiring to bring their baskets before Sunday School and church will be able to do so as the cafeteria will be open from 9:30 a.m. until lunch in order that they may do so.

### Church Youths Make CROP Drive

The three youth groups of the First Christian Church, Methodist and Baptist Churches in Knox City collected \$83.87 Tuesday evening in a drive for CROP.

A social hour was held at the Fellowship Hall at the Methodist Church following the drive.

Mrs. Kenneth Lawson, Mrs. Eddie Shaver, Jr., and Mrs. John Eslinger served refreshments to the group.

Halloween decorations were provided by Mrs. Neil Perdue and Mrs. Paul Hoge.

### Social Security Representative Will Be Here Nov. 8

A representative of the Social Security Administration will be in Knox City at the City Hall on Wednesday, November 8, from 10 a.m. to Noon.

Anyone desiring to discuss Social Security or file a claim or to obtain further information or assistance are invited to meet with Mr. Foyce at this time.

### Pep Rally And Bon Fire Tonight

The Knox City Homecoming will begin Thursday Nov. 2, with a bonfire and pep rally at the baseball field at 7 p.m. The parade will be held at 4 p.m. Friday, Nov. 3. The Greyhounds will meet the Rochester Steers Friday night at 7:00 p.m. The Pep club will deliver the Homecoming mums Friday afternoon.

### Attend English Workshop In Abilene

Mrs. E. F. Branton, Mrs. Curtis Casey, and Mrs. Ottis Cash attended the fourteenth annual English and Language Arts Workshop Conference held at Abilene High School, Saturday, Oct. 28.

Main speaker for the event was Dr. Dale Hesser, English professor at A. C. C.

Mrs. B. L. Lacy of Hardin-Simmons will be General Chairman of District 7 English Teachers next year.

### JACK COX TO SPEAK HERE

Jack Cox of Breckenridge will speak here to members of the 1946 Study Club Tuesday at 4 p.m. His subject will be Americanism.

### ABSTRACTS

While driving around a lake, John and Mary saw a "For Sale" sign on a piece of lake property which they thought they could afford to buy.

They made inquiry of the owner and agreed on a price. They inquired about title and the owner assured them that he would give them an "Abstract." They took the abstract, which was a fat book of papers, and the deed, filed the deed at the courthouse and thought no more about it, assuming, as many people do, that an "abstract" is an assurance of good title.

Some years later they went to sell to a buyer who was better informed. He insisted that either the abstract be examined and an opinion given by an attorney that the title was good or that the sellers must provide title insurance. When they sought an opinion as to whether the abstract showed good title, they were dismayed to find that the title was not in good order, and that there would have to be a quiet-title lawsuit to dispose of some flaws in the title before the buyer would accept it. Neither would a title insurance company write a policy of insurance for them without legal action to

clear up the title.

John and Mary were astounded to learn that they were wrong in assuming that an "abstract" was an assurance of good title. An abstract is merely a record of every document which has ever been filed of record at the courthouse affecting the title to a particular piece of property.

It may show good title or bad title, or no title at all. It is only a bundle of papers, as John and Mary discovered, which summarizes state of the title. Its possession does not in any way assure good title.

Thus, while one may be able to get possession and peacefully occupy a property with an un-

**Benjamin says:**

got their new hymn books last Sunday and feelings is running pritty high amongst some of the congregation.

The Parson claimed they been needing new hymn books for the last 10 year but kept putting it off on account of some of the members would rather not sing a note as sing out of new books. He said the old hymn books was so wore out you couldn't read the words half the time and some Sunday mornings it was

hard to tell if the congregation was singing or praying.

Anyhow, he told the fellers Saturday night, two families has already quit the church and two more is threatening to take their singing elsewhere. Ed Doolittle butted in and allowed as how the custom nowadays was to negotiate things at the summit. Ed suggested they let them four families keep singing out of the old hymn books. He figured that the tunes might be different and a few changes in the words but if everybody sung real loud, nobody would know the difference. The Parson liked Ed's suggestion and right off invited Ed to move to his church,

said they'd make him a member of the Hymn Book Committee.

But the Parson says a preacher has got to figger on losing a few members onct in a while. He recollected that during the 1956 election he lost a family cause they thought he was a Democrat, and in 1960 he lost two on account of them thinking he was a Republican. He said he lost a member last year cause he didn't preach on whiskey and and lost one this year cause he did.

I reckon a preacher lives a hard life, Mister Editor. Us farmers and ranchers ain't got nothing to worry about but floods, dry spells, insects, dust storms, falling prices, soil erosion, taxes and visiting Congressmen. But a preacher has got to worry about people, and I reckon that's the worst kind of worrying.

They is an old saying that the more ignorant a feller is, the less he worries. Clem Webster, fer instant, don't worry about nothing, and Clem has got the reputation of being a feller that'll walk a mile to keep from learning somepun. They say when Clem was in school they nicknamed him "Bunions" on account of him always being at the foot of the class, and his own Pa claims the morning Clem was promoted to the third grade he got so excited he ferget to shave. But if Clem ain't bothered with worry in this missle age, he's one of God's fortunate chillun.

Yours truly,  
Uncle Ben

**Forage Sorghum Demonstration**

Sam Leaverton of Benjamin has just completed the harvest of the irrigated forage sorghum demonstration plot on his farm located west of Benjamin. The demonstration plot consisted of about one acre of each variety and received one irrigation. The plot was planted on wheat land that was being changed in a rotation and for this reason, nitrogen was applied to the demonstration and there is a check plot.

Two varieties received 128 lbs. of nitrogen and others 64 lbs. of nitrogen. The two varieties that received the double fertilization rate were FS22 and FS1A. It should be remembered that this was not a replicated test and that the same varieties on the same land in another year might produce entirely different results.

Results are as follows:

Variety	Lbs. Per Acre
FS22	3600

The Knox County 4-H Council is now making plans for their annual achievement program.

This year, the program will be a reception rather than a banquet. The council made preliminary plans and set a tentative date of Nov. 13. The council also elected officers for the coming year. They are:

Co-chairman Betty Herring David Albus; Secretary, Beckie Duncan; Treasurer, Janice Kuehler; Reporter, Frances Reneau; and the District Council Delegates are Paula Horn and Skeet McGaughey and the alternate delegates are Norma Jo Navaratil and Gerald Anderson.

**Brucellosis Eradication**

There are 78 counties that the Texas Animal Health Commission stated recently that came under the rules and regulations of applying to shipping and trucking. Before any live-stock producer plans to ship cattle to another part of the state other than to a sale or yard, they should check to see if they are shipping into a county that comes under the Brucellosis law.

For producers in the counties which come under the law, the Animal Disease Eradication Division of the USDA has announced that under a new plan, cattle

producers can ship to market their cattle subject to a slaughter test that will save the producer the trouble of having his herd rechecked and still comply with

the regulations. County agents throughout the state are receiving the necessary preshipping tags that are to be placed on the cattle.

**PUBLIC NOTICE!**

RESIDENTS OF THE 13TH CONGRESSIONAL DISTRICT:

Some of my friends are circulating petitions urging me to run for Congress.

Already, I have seen hundreds of signatures by folks in all parts of this 13th District. Many of them are old friends, some are new friends, and some are total strangers.

They all have one thing in common.

They would like to be represented in Congress by a conservative-thinking businessman. They are fed up with wild-spending professional politicians who are leading us deeper into debt and deeper into the wilderness of the "New Frontier" of Kennedy and Johnson.

I have decided to run for Congress.

I am willing to go to Washington and do what I can to try to stop our break-neck rush to Socialism. I hope you will join me in this fight. It will not be easy to win this race. The pending vacancy is certain to set off a mad scramble among present office holders to further their political careers and to fill the seat with "one of their own" who will go meekly along with New Frontier.

There will likely be the usual threats of political punishment and economic reprisals to the people of this District if they dare defy the powers in office. I do not believe that our people can be intimidated by public office holders nor bribed with their own money. I believe a majority of folks are ready to stand up and speak up for common sense in government, and that they will give their support to the conservative candidate in this race.

I am ready to serve you in that capacity

Sincerely,

**JOE MEISSNER, JR.**

P.S. I do not think it is fair to run for one office while holding another. Therefore, I am resigning my position on the City Council of Wichita Falls, effective immediately. My sincere thanks to all for the understanding and support you have given me in that position.

(PD. POL. ADV.)

**"AMONG OTHER THINGS . . ."**

By BOB BURNETT, JR.

This week is homecoming at Knox City High. We would like to extend a hearty welcome to all ex-students, and we hope that you find many happy memories and recollections during the next few days.

We students now, probably do not realize the value of the Alumni of Knox City High. But when one starts thinking, he will soon find that we are deeply indebted to the ex-students.

It is largely through various men and women's efforts, that we are privileged to attend such a fine school as ours. Most of these men and women are ex-students here. As a result of their efforts, very few high schools our size, are as fortunate as we. We have a new gym, a new high school building, and a new shop to name only a few, of the advantages we have over other schools in this area. Also we are indebted to the Alumni Association for the many good books they have placed in our library.

Look around you, the next time you visit another school in this part of the country. I believe you will find that we here at Knox City are much better equipped than any of our neighboring schools. And again let me stress this is largely due to the efforts of those ex-students who will be "coming home" this week end.

But in looking deeper, we can

**Beta Chi Chapter Has Regional Meet In Wichita Falls**

Four members of the Beta Chi Chapter from Haskell and Aspermont were in Mineral Wells Saturday to attend a regional meeting of Delta Kappa Gamma. Attending from Haskell were Mrs. Mary Martin, Mrs. Louise Greene, and Miss Madelyn Hunt. Mrs. Marie B. Ward attended from Aspermont.

Registration was held in the Carlebad Club. Coffee was served by members of Alpha Omicron Chapter, hostess for the day. Mrs. Kate Pearson, immediate past chairman of the committee on pioneer women, Gainesville, called the meeting to order and presented Miss Lavuna Hicks, editor of the Lone Star News and state chairman of committee on publications, also of Gainesville, who was district-general for the meeting.

At 9:30 initiation was held. Beta Rho Chapter, Wichita Falls was in charge and the chapter's chorus provided the initiation music. A sing-song, led by Mrs. Elizabeth Eure of Beta Gamma Chapter, Vernon, featured Delta Kappa Gamma songs and set the mood for the morning's program of events.

Mrs. Pearson called the roll of charters present. These included: Alpha Omicron, Mineral Wells. Miss Dora Peach, president; Beta Gamma, Vernon. Mrs. Hester Hammack, president; Beta Rho, Wichita Falls, Mrs. Rebecca Houston, president; Beta Chi, Knox City. Mrs. Gretchen Colehour, president; Gamma Epsilon, Bowie, Mrs. Frances Kirby, president; Gamma Zeta, Sidney, Miss Mabel Hall, president; Beta Sigma, Newcastle, Mrs. Allene Hankins, president.

Vernon and its Beta Gamma members will host next year's regional it was announced. One hundred and sixteen members attended the day's sessions.

To close the meeting, Miss Hicks and Mrs. Pearson conducted a workshop session for the chapter presidents.

see that those students preceding us, have left us something that can hardly be described in words. They have left us what might be termed as a legacy.

But putting it another way, you can simply say that they have left us school spirit. If the students of yesteryear, will observe the students of today at the ball game tomorrow night, they will see that we are proud, mighty proud to be Greyhounds and students of Knox City High, just as they were.

We have been bequeathed something that few schools really have. It is the will to win and a genuine love for school and community.

We are all proud of the tradition that has been left to us, the spirit and tradition of Knox City High School.

And thus, we hope a debt to our predecessors, not only for those things material, but for those things intangible. It is not only our duty, but it is our responsibility to leave to the students that come after us the spirit and tradition of KCHS. Then and then only, will our debt be paid.

Tomorrow night, Knox City engages Rochester in a District 10-B football game. The winner will more than likely be the district champion. It should be one of the best games of the season. Last Friday, the Greyhounds opened District play by trouncing Rule, 28-24.

A votre sante.

**Truscott HD Club Has Meeting**

Miss S. C. Kinsey, Knox County Home Demonstration Agent was in charge of the program and discussed "Providing food and water for all-out shelters" at the meeting of the Truscott Home Demonstration Club, held Oct. 26.

Mrs. J. R. Brown presided over the business session. Mrs. W. O. Solomon and Mrs. Bill Rake conducted games, songs and prayer.

Members voted to sponsor a 42 party on the night of Nov. 2, at the community center, and charge 50 cents per couple.

The hostess, Mrs. W. O. Corde, served refreshments to members, Miss Kinsey, and one guest, Mrs. C. A. Bullion.

Thursday afternoon, Nov. 2, the group will meet in the community center to make curtains for the building, and Nov. 9, there will be a meeting on "Sewing Center Arrangements."

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Aware of the fact that more money soon may be available for trunk-highway construction, 15 delegates of civic leaders descended on Austin.

They asked the Texas Highway Commission for a record number of dollars for highway work. Specifically, \$171,056,000.

Houston and Harris County, presenting a plan of freeway development designed to carry Houston's traffic in 1980, asked for approval of an \$89,400,000 program. That was the big one. But all of the 14 other projects were equally as pressing to the homefolks, even though less money was involved.

State Highway Engineer D. C. Greer feels that 22,000 of the 25,000 miles in the trunk-highway

system are inadequate. He says that less attention has been paid to these "town-to-city" roads during the years in which urban freeways and farm-to-market roads have taken top priority.

Gov. Price Daniel brought the issue of highway financing to a head when he vetoed the \$15,000,000 Colson-Briscoe farm-to-market road appropriation. Legislators had appropriated it for the year starting next September 1.

Gov. Daniel will ask the Legislature, at its special session this winter, to cut down on farm-to-market road construction and step up the money available for trunk-highway work.

Texas County Judges and Commissioners Association has endorsed the change.

Governor Daniel will go in person to the Texas Farm Bureau convention in Galveston on Nov. 12-15 to try to get that powerful rural group to accept the plan.

**BUSINESS COMING BACK**—A steady growth in Texas retail trade in 1961 is reported by the Bureau of Business Research of the University of Texas.

Despite a Gulf Coast slowdown in September, due to Hurricane Carla, retail sales for the first nine months of 1961 pulled to within one per cent of the sales for the same period of 1960. First six months of 1961 were three per cent behind 1960.

September sales were off largely because people bought heavily in August to avoid the sales tax. But the nine-month figures indicate to the Bureau's economists that things are looking better.

A big gain in construction in 1961 has helped the business picture. Not even Carla's September blow could head off a new ninth-month record in the construction field in Texas. The UT Bureau found \$1,047,625,000 in construction authorized the first nine months of 1961, five per cent above 1960's first three quarters.

Recovery of the home building business was the major factor. Third quarter saw \$169,127,000 worth of one-family homes authorized. This was 23 per cent above the same quarter of 1960. Apartment construction is nearly double the rate of the previous year.

**MORE TAXES?** — James W. McGrew, research director of the Texas Research League, told the group's annual meeting that additional state spending of about \$50,000,000 a year is in sight for the two years starting Sept. 1, 1963.

New sales tax will provide part of the added money, McGrew predicted. Other taxes will just about produce the extra money. But it will require some economizing to make ends meet in the 1963 session of the Legislature, in spite of the huge new tax.

Growth of Texas is the reason for the added spending. Growth means more children, more schools, more patients in mental hospitals, more college students, more cars and more highways to hold them.

More people mean more governmental spending to serve them.

Railroad Commissioner Ben Ramsey, main speaker at the League's luncheon, said Texans should be commended for their willingness to accept the added tax burdens needed to finance education and other essential services.

Ramsey provided some startling figures. While he was lieutenant governor, presiding over the Texas Senate, state spending increased nearly two and a half times, from \$520,000,000 to \$1,200,000,000 a year from 1950 to 1961.

In defense of the Legislature, he said it wasn't "free spending"—Spending was necessary for residential programs like education, highways, welfare, hospitals and the like, Ramsey explained.

Rep. Jesse M. Osborn of Muleshoe has some tax cutting in mind. In a letter to Gov. Daniel he proposed that the State ad valorem tax be abolished, and the sales tax revenue be used to make up the gap.

So far, sales tax revenues have only begun to trickle in to the State Treasury. So the state's main checking account is still \$86,850,569 in the red. If good business conditions continue and income is up, it will still be more than a year before the deficit is erased.

**CATTLE RULES** — New rules invoked by the Texas Animal Health Commission are designed

to protect areas where brucellosis control programs are under way.

Under the new brucellosis control law, 78 counties, mainly in West and South Texas, have set up programs for testing herds. Purpose is to see if they have brucellosis, and to dispose of cows having the disease.

So the commission has notified truckers, livestock auctions and commission merchants that movements of cows into the certified control areas is restricted. They must have been tested and shown free of brucellosis before they can be moved from an uncertified county into a certified county.

Then the new owner must keep them quarantined. He must have them retested in 30 to 60 days before he can put them with his herd.

Restrictions do not apply to steers, spayed heifers, calves under eight months of age, and calves under 30 months which have been officially vaccinated against brucellosis.

**TEXAS MONUMENT** — A delegation of Texans headed by Governor Daniel will journey to Vicksburg, Mississippi, on Nov. 4, to dedicate a \$100,000 monument to 35 Texans who played heroic roles in the defense of Vicksburg.

Ceremony will be a part of the Texas Civil War Centennial observance.

Monument was authorized by the voters of Texas in the 1953 constitutional amendment which switched revenue from the Confederate pension tax to a state building program.

Movement to build such a monument was started by Confederate veterans and was carried on for more than 50 years by the United Daughters of the Confederacy.

**TB CAMPAIGN** — Story of how one county has just about whipped tuberculosis was told at the Texas Tuberculosis Association meeting.

Bell county set up a chest clinic in 1954. Persons who had contacts with known TB patients were asked to come in for free check-ups. But if they did not come, warrants were issued to bring them in.

After 3,162 clinic visits, the program has located 64 new cases of TB over the years. But it has worked so well at checking spread of the disease that last year only one case was found when tuberculin tests were given extensively.

Dr. Howard Smith, head of the TB division of the State Health Department, said it took a lot of hard work by Bell County people, but it has paid off.

**LOAN STUDY** — A committee of the Texas Legislature Council went to work with its staff to bring a study on loans and lenders up to date.

Acting Lieut. Gov. Bruce Rea-

gan named Rep. Criss Cole of Houston to head the committee. He was author of the constitutional amendment which gave the Legislature power to allow interest rates to exceed 10 per cent.

Other members of the study committee are Sen. Neveille Colson of Navasota, Sen. Preston non of Mexia and Rep. Murray Smith of Lubbock, Rep. Joe Can-

Watson of Go. D. dy upon ready as when he c to special
