KNOX COUNTY HERALD FRIDAY

MARCH 14, 1939

NUMBER 33

PROCLAMATION BY THE MAYOR

"SPRING CLEAN-UP WEEK"

become an established practice every wide awake community house in the Spring of

our cleaning is due to make everything attractive there is another important by our efforts in that it should be thorough and confer to fire and disease and it is to that feature of the Spring Clean-Up that I am directing the attention of our people at this time. From fire and disease is of supreme importance. There is dirt and disorder. A pile of trash may be a fire hazard; a few ill-kept yards or stagnant pools become the source of an epidemic. There is a marked similarity between fire and disease hazards have a common cause—carelessness. They have a cure—constant care to prevent their existence.

Therefore, I, E. B. Denton, Mayor of the City of Knox City, do hereby designate the period from March 13 to April 5 (inclusive), as Spring Clean-Up Week in Knox City upon every man, woman and child to diligently observe the same, clearing away all things that are a hazard to our safety from fire, or disease.

It is the duty of every housekeeper to clean the attic and remove the junk that has accumulated there. The day of usefulness. And, the work has been completed, the yard, garage and

every business man should inspect his buildings, removing therefrom all other combustible material that may have accumulated during the winter season.

Spring Clean-Up Campaign carried into every section of the city, and the time to begin preparations for it is NOW. Enter actively into the campaign, thereby contributing to the health and happiness of our neighbors.

By my hand and seal of the City of Knox, this 13th day of March, 1939.

E. B. Denton, Mayor.

How Babies

Mrs. E. H. Gray of the community are the proud parents of a fine baby boy.

Mrs. F. L. Montandon and parents of a fine baby girl Monday, March 13.

Mrs. Dave Cummins and parents of a baby boy who is now two weeks old.

Mrs. Frank Smith's baby about two weeks old, living on the Leonard north of town.

Mrs. T. G. McCurry of the proud parents of a baby boy. Mrs. McCurry is a resident of the city.

BOHANNAN FAMILY IN CAR ACCIDENT

Receive Treatment At Hospital

Early Sunday morning while en route to Anson, Mr. Homer Bohannan and family experienced a car accident with most of the passengers receiving minor scratches and bruises.

Mr. Bohannan was driving. He arrived at a corner before he was aware of the fact and in an effort to take the least of two dangers ran into a ditch by the side of the road, the car was over turned. The only serious injury being a broken arm of the little 12 year old girl.

Mr. Bohannan was accompanied by his wife and 12 year old daughter, his father and Mr. Hutto. All received minor injuries. The girl was carried to the hospital and after receiving treatment the family returned home.

The family was riding in a Chevrolet Sedan. The windshield was broken and one bumper knocked off.

Thomas F. Glover for County Clerk

Mr. Thomas F. Glover has authorized us to announce that he will again be in the race for County Clerk of Knox County, subject to the Democratic Primaries. Mr. Glover is too well known to need an introduction to most of the voters. His past records as County Clerk is one of courteous and efficient service, and on this basis he solicits your vote and influence in the coming election. If the voters see fit to re-elect Mr. Glover, he promises to carry out the duties of the office in the future in the same courteous, accommodating manner that he has in the past. He states that while he intends to see all the voters personally that he possibly can before the election, it may be that there will be some that he will miss, and in that event, he takes this method of soliciting your vote and support, and of expressing his appreciation for past favors shown him.

AMERICAN LEGION TO OBSERVE POST DEPARTMENT COMMANDERS WEEK

AUSTIN, March 14th.—Claude V. Birkhead, San Antonio Attorney, first Commander of the American Legion in Texas, has accepted the chairmanship of the committee of the Past Department Commanders of the state for the drive for Legion Membership during Past Department Commanders' Week, March 17-22 according to Adjutant R. O. Whitaker.

The week has for its purpose the contacting and re-enlisting of all post, district, division and state leaders and Veterans who helped build the Legion during its first decade of service. It will seek to locate all Veterans who were once members of the Legion, but who through misfortune or other reasons, have since become inactive. Efforts will be made not only to enroll all prospective members, but to give the public a clearer understanding of the objectives of the Legion. The Legion is calling upon the Veterans of the World War at this time to show their earnestness in the principles of the universal service by strengthening the Legion's support with their membership.

Present post, district, division and state officers will cooperate with the past commanders in the drive and meetings will be held in each of the five divisions at which past commanders will be the principal speakers. The divisions and their past commanders assigned to each are as follows:

First Division: Henry Hutchins, Dallas, and Rufus F. Scott, Jr., of Paris.

Second Division: Jay A. Roscoe of Houston and John C. Townes of Houston.

Letter Call Off the Dog

By Albert T. Reid

Hospital Notes

Those in the Hospital this week were Mr. Herbert Simmons, Mrs. A. Sams Jr. and Mrs. Gollyham all of Knox City and Mrs. Fred R. Johnson of Haskell. This is the number that were in the Hospital Tuesday. Any people are there for treatment who return each time to their homes. Mr. Oscar Tague of Terry county is in the hospital for treatment of a kidney of last week.

Vernon Davis was carried to the hospital Wednesday following a severe attack of appendicitis.

Those who were recent patients of the hospital were J. T. Wright, R. Galloway and Mr. Fred Lick all of Benjamin, Ruel Rutledge and Mrs. C. W. Armstrong of Knox City and Ms. W. H. Baker of Rule Texas.

Methodist Church Services

Sunday School at 10:00
Church services at 11:00 and 7:30
The subject of the morning sermon will be "They that Hunger".
The evening hour will be given to review of the mission study book, "The church and World Parish" which we have been studying for the past few weeks. How much do you as a Methodist know about the work our church is doing in missions at home and in the foreign fields? This study gives a comprehensive review of all that you as a Methodist are doing part in carrying on. Come and learn of it. The review will be given by a number of speakers selected from among those who have been studying the book.

GOOD ATTENDANCE FOR MISSIONARY STUDY

Although Monday was a very windy day and somewhat unpleasant the attendance at the W. M. U. of the Baptist church was good. The afternoon was given over to the Mission study under the teachings of Mrs. Joe Averett. Much interest was manifested. The Mission study will be held again on the next second Monday and it is hoped by those present Monday that even more of the members will be present.

Next Monday the Union will have "Royal Service" taught by Mrs. L. C. Porter.

Monday two new members were present, Mrs. Press Hitchcocks and Mrs. H. Hamner.

Mrs. N. E. A. Sweet and daughters, Misses Bertha and Flora, left Monday for Amarillo for a visit.

John Rice In Race For Tax Assessor

I am presenting myself to the voters of Knox County as a candidate for the office of Tax Assessor.

Four years ago I made the race for the same office and was defeated by twenty-seven votes. I now feel that I am asking the people for the office again, as the present assessor will have had the office four years (two terms) when his present term expires.

I want to say that I have had some Assessor and Collector. I also wish to state that I taught in the public schools of Texas three years and feel that I am qualified to handle the duties of the office if elected.

It may not be that I will be able to make a thorough canvass of the county, as it will take some of my time in my crop this year.

Thanking every one who has shown me favors in the past and holding no malice toward anyone, I ask one and all to consider my claim and earnestly solicit your support.

JOHN RICE.

P. T. A. TO HAVE SPIRITUAL TRAINING PROGRAM

At the regular meeting of the Parent Teacher Association to be held on Wednesday, March 15th the members will hear a program on Spiritual Training. Following is the program:

Leader, Mrs. Edwards
"How can we make God real in The Lives of Our Children," by Reverend Stovall
Reading, "The Teacher", by Constance Browning
Lost, A Boy, Mrs. Holin
Spiritual Training in the Home, Reverend Mann.

This program promises much interest and helpful suggestions for the members of the P. T. A. and it is hoped by the president and program committee that every mother who has children in the Knox City school will be present to hear the talks for the afternoon on "Spiritual Training". This side of life is so often neglected that it behoves each of us to learn how we might include it in the daily lives of our children.

Among those from Knox City who heard Bishop Moore of Dallas in his sermon delivered at the Haskell Methodist church Sunday night were Mr. and Mrs. L. L. Davis, Mr. and Mrs. John Smith, Mr. and Mrs. Shirley Parks, Mrs. C. C. Hoge and daughter, Claydene, Mrs. P. B. Baker and Mrs. I. B. Sweeney.

Union Grove News

Mr. Royal Lee made home folks a short visit Sunday coming from San Antonio by airplane in two hours. He had quite a crowd to bid him farewell as he flew away in the afternoon.

The crowd seeing Mr. Lee off then noticed a fire in Grampa Hendon's barn. A fire bucket brigade was soon organized and by the help of all even the Knox City Fire Department some feed and a part of the barn was saved.

The Union Grove reporter says that there was singing Sunday night as usual at Union Grove although Bob's Whiskers were worrying him.

We will be glad to send the paper each week to the reporter at Union Grove in exchange for his report.

Baptist Church

Sunday was the best of the year for the local Baptist Church. There were two hundred in Sunday School. Both the morning and evening services were excellent, the song services and the preaching. Sunday night the pastor's mother, and father Mr. and Mrs. Stovall of Haskell were present.

Sunday afternoon a good crowd was present for the first of a series of singing hours. Because of the county singing convention which will be held Sunday the 16th these Sunday afternoon hours will not be held again until after that date. They will then be resumed and it is hoped that each Sunday there will be a good turnout for this practice.

The Haskell County Singing Convention will be held next Sunday at Smith's Chapel at two o'clock.

7 NEW MEMBERS IN GLAD HAND CLASS

Sunday there were 47 members present in the Glad Hand Class of the Baptist Sunday School, seven of which were new members. A number of the regular attendants were absent unavoidably.

The lesson Sunday was very interesting and with the growth of the class in attendance there is also a growth in interest. Uncle Joe is an usually good teacher which fact is evident in the size of the class.

Grandma Dockery of Gilliland died at her home Monday. She was buried at Truscott. Mrs. Dockery was a pioneer citizen of this county. She was the grandmother of Mrs. E. E. Acker of Knox City. The Acker family, with the Propps family attended the funeral services.

Wm. Griffith for County Commissioner Precinct 1

To Democratic Voters of Commissioners' Precinct No. 1.

While I suppose that every one knows I am asking for re-election as Commissioner of Precinct No. 1, of Knox County, Texas, yet a formal announcement is generally expected and proper.

These County Commissioner elections are community affairs and I am glad it is so. There is no reason why every voter should not be posted on the doings of your Commissioner, and likewise no reason for any voter or tax payer to be misled on affairs.

I am asking for re-election to a second term, not alone because a second term is Democratic, but on my record and conscientious service to every community in my precinct, officers without experience must some time be elected or the good old fashioned office would die, and I submit that my service to the public is as free from mistakes as my friends ever seriously expected. I be in view of my inexperience. I likewise submit that most of my criticism being spread is pure politics and comes from those who long since made up their minds to not be satisfied with anything I did, and further submit that out of the public sense of fairness that no good citizen should lend his assistance and influence to the spread of criticism based on purported facts that does not and never did exist. My official acts in the discharge of this office is public record and I will take pleasure in talking such acts over with any voter interested.

I desire to take this opportunity to thank my friends for every act of co-operation and advice, and further assure you that such acts will continue to be appreciated and invited.

If re-elected to the commission-ship of precinct No. 1 I can not promise any greater or more conscientious effort but assure you such efforts will be continued directed by my past experience.

Finally all that I ask from the hands of the democratic voters of precinct No. 1 is honest investigation into the merits of my work in connection with this office and an endorsement by your vote if circumstances justify.

Respectfully,
Wm. GRIFFITH

REAL PROGRESS

It is more evident each week that real constructive work is being done by the Methodist pastor and his church here.

Reverend Mann came to our church in a time of trial for the church in a time when a preacher of his consistency, his quiet perseverance of the Gospel were most needed.

Brother Mann did not come to his charge here to become immediately popular, make a big showing and then come up lacking. He came in his steady, peaceful but influential way and each week more and more does the affect of his life and his teachings become visible.

Evidence of this is found first in the willingness with which the pastor's co-workers have fallen in line and generously followed out the work assigned. Only a short while back some of the Sunday School classes were without teachers. This condition was found more among the younger classes, and a very dangerous and depressing situation for a Sunday school. Now these all have excellent teachers, men and women who are interested in the work men and women who make it their business to always be present and to always have something interesting for their class.

The hardships of the church of the past year are over, they are history, never to be referred to again. The new year is moving right along and with it, the Church is keeping pace. Each week new interests are manifest, new people attend the services, new hope is gained. More people are seeking to serve God through our church, the Knox City Methodist church.

Come! Every one is welcome.]

BOYS BE CAREFUL WITH YOUR KITES.

Kite Flying, in close proximity to electric power transmission lines especially high tension lines, many of which carry 66,000 volts of electric energy—is extremely dangerous to property and to human lives.

A damp string, coming into contact with an electric wire may result in grave danger. The wise thing is to fly your kites out of range of electric wires—and above all, do not attempt to rescue a kite entangled in electric wires. Notify the office of the West Texas Utilities Company.

Observance of these precautions will eliminate the possibility of serious injury.

Society

W. M. U. SOCIAL

(Delayed)

The ladies of the Baptist Missionary Union met last Monday in the home of Mrs. T. A. Brown at which time the first day of the "week of prayer" program was observed. Mrs. Jamison, president of the Union, led in the program, also giving the devotional for the afternoon.

Following the program, Mrs. Brown, assisted by Mrs. Robert Withrow served ice cream and cake to the 13 members present and one guest, Mrs. Chester Brown of Monday, daughter of Mrs. Brown.

Due to illness in her home, Mrs. Press Clarke was unable to assist Mrs. Brown with this social for the Union, however, Mrs. Clarke plans on entertaining the Union next.

ELLENA FAYNE WHITE SURPRISED WITH PARTY

Mrs. E. W. Holland surprised her little niece, Ellena Fayne White, with a birthday party, Tuesday afternoon, March the 11th. It being her ninth birthday.

The little guests assembled at the home of Mrs. Holland immediately after four o'clock, but Ellena Fayne did not arrive until about 4:35 and was greeted with an uproar of applause and many "none to gentle" spankings.

Many useful and lovely gifts were handed the honoree which were greatly appreciated. After a few out of door games, the birthday cake, with hot chocolate, was served to twenty three little boys and girls.

42 CLUB PARTY

Mrs. S. L. Favor and Miss Willie Jones entertained the Ladies Friday afternoon Forty-Two Club last Friday; besides the members several guests were invited.

Following an hour of games the hostesses were assisted by Mrs. Henry Jones, Mrs. E. R. Carpenter and Miss Hazel Jones in serving.

A salad plate to Mesdames Roy Smith, Joe Averett, Ed Clarke, Mercer Armstrong, T. P. Prizzell, Shirley Parks, Press Clarke, Earl Benedict, Les Smith, Ray Willis, E. O. Jamison, Lloyd Davis, O. L. Jamison, Vance Jones, John Smith and T. C. Bolin.

SURPRISE BIRTHDAY PARTY

Mrs. C. B. Stovall was surprised Wednesday afternoon with a party given in the home of Mrs. M. R. Herring, honoring her birthday.

Several interesting games were played following which the purpose of the party was announced. Up to this time Mrs. Stovall thought the social for peanut slicer party.

Refreshments of cake and ice cream were served, Mrs. Stovall received many beautiful gifts.

Mrs. E. W. Holland assisted Mrs. Herring as hostess.

CELEBRATES 12TH BIRTHDAY WITH PARTY

Edward B. Shaver Jr. celebrated his 12th birthday this week with a party. Twelve of his friends were present and the afternoon was spent playing base ball, of which game E. B. Shaver Sr. was umpire. Following the game ice cream and cake were served to the following:

Leon Withrow
Price Trimmer Jr.
N. T. Denton
Berlin Denton
Glover McCarty Jr.
Fark Swift
Felton Loyd
Richard Goodson
Horace Moors
Carl Holland
Claude Brook
Edward B. Shaver Jr. and A. B. Shaver Sr.

SURPRISE BIRTHDAY PARTY

Little Ruth McGee, assisted by Mrs. G. D. McCarty and Mrs. Lee surprised her mother, Mrs. J. H. McGee, with a birthday party last Thursday afternoon, March the 6th. Despite the awful sandstorm that was raging, about twenty six ladies drove out to express to Mrs. McGee their appreciation for what she has meant to them in the past years of

association.

A very original and entertaining program was given by little Ruth McGee and a few of her little friends.

The birthday cake, baked by Mrs. McCarty, was all that a birthday cake could be. When the candles were lighted on the cake, the honoree called for her little granddaughters to help her blow them out.

After many good wishes were made for Mrs. McGee's happiness in the years to come, hot tea and cake were served to the large number of ladies and children present.

MISSIONARY SOCIETY MEETS WITH MRS. HULL

The Woman's Missionary Society of the Methodist church met at the country home of Mrs. C. A. Hill Monday afternoon and though the sand was raging, there were twenty nine present. A Missionary Voice Program was rendered, the theme of which was "Citizenship in the Home". Response to the roll call was "my favorite song and why". Special music and readings were also given. Mrs. Hull served a delicious plate consisting of ham sandwiches, cake and grape juice. This was a most enjoyable occasion for those present.

COUPLES CLASS ENTERTAINED

The Couples Class of the Methodist Sunday School, of which Mrs. Sweeney (and incidentally the writer) is teacher was entertained in the home of the teacher. The Saint Patrick color scheme and motifs were carried out in the invitations, decorations, tallies, refreshments and favors. Eight tables were set and the guests played 42. The evening was spent in a wholesome way as well as an enjoyable way.

The social committee of the class, composed of Mrs. Lee Smith, Mrs. John Smith and Mrs. Earl Benedict made the complete arrangements for the social and even to the last made the writer play guest by taking part in the games. The success of the occasion is due to this splendid committee. It is an example of the whole hearted cooperation always to be found in the people of Knox City in each of the churches.

The Couples Class is planning a number of interesting entertainments which the entire class is looking forward to the entire class looking forward.

KONJOLA WINS TRIUMPHS EVERY DAY EVERYDAY

New And Different Medicine Welcomes Any Test—Results Are What Count

MR. RAYMOND SCHMIDT

Results are what count; mere words and promises mean nothing. Just by making good, and that is the medicine sufferers want and should have. Imagine the joy of Mr. Raymond Schmidt, R. F. D. No. 1, Bellalia, Mo., when he was able to say: "Though I know it to be true I find it hard to believe Konjola in just three months, ended my sufferings of nine years duration. For that long time I suffered from indigestion, constipation, kidney trouble and catarrh. No food agreed with me; every night I had to get up numerous times, and the catarrh certainly added to my misery. In those nine years I tried no end of medicines and treatments, and everyone was a miserable failure. But how different with Konjola! Week by week I grew better, and in three months I was my old self again. To me Konjola is the most wonderful medicine in the world, and I recommend it with all my heart."

Konjola is sold in Knox City at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

INCONSISTENCY

Will H. Mayes, veteran newspaper man of Texas and editor of the "Texas and Texans" column which appears in dozens of papers in the state, has a few words to say in a recent article about the "home merchant" who preaches "trade at home" and then spends his money for stationery and other supplies, while the home printer can furnish as good and as cheaply, from "glib-talking, traveling salesmen."

Mr. Mayes' article fits so exactly the condition prevailing in a few instances in Knox City that we can't let it go by without copying it in the Herald. We appreciate the fact that most of the Knox City merchants are loyal to all the home enterprises, including the newspaper but we can name two or three at least of the most "prominent" ones—those who preach the loudest and longest about trading at home and keeping Knox City's money in Knox City who are guilty of the very charge that Mr. Mayes, makes in his article.

Read Mr. Mayes' little article, think it over and decide if this "trade at home" business should not be extended to include EVERY business in town. The newspaper does as much as any other one agency to build up the community, bring more people here and increase poppy value. It pays taxes spends the money it makes here, contributes to the upkeep of the schools churches athletic programs and everything else that comes along in addition to the yards and miles of space given away free in its columns in boosting the town and community. Should we not be considered when "keep Knox City's money in Knox City" is being preached and demand the same consideration that the grocery stores, Dry goods stores, confectioneries, and every other line of business in Knox City are demanding? We believe so. Here's Mr. Mayes' article—read it and think.

"Home Pride First. The citizen without pride in his own community has no pride in his state and mighty little patriotism. One's first duty is to home enterprises. An editor of one of Texas' best weekly newspapers—a man who has all his life given more time to work for his town and country than to his own financial interests—recently told me that some of the business concerns of his town that have much to say about "mail order business" and who would boycott a citizen who orders goods in their line out of town, are getting their stationery and job printing from glib-talking, traveling salesmen. Instead of buying it at home. Putting it down plainly, in terms that can't be misunderstood: The business that doesn't support in every possible way home enterprises, including the home printing plant, doesn't deserve support.

"Consistency, thou art a jewel!" Here we might say that one of the greatest users of printed matter in Knox City was about to mail an order to an out of town printer the other day when we walked into his office to get instructions about a small order he had placed with us. While we were there this man incidentally asked us if we could do the job he was about to send way for. After learning that we could do the job and at a saving of twenty five cents to him, we got the job. This saving was small but money saved is money made. And too, the money paid for the printing is staying at home instead of going to Mississippi or some other state. After all Knox City saved the entire cost.

This example is not cited to bring this man in as an example of those who send their printing out of town. No, far be it from that, for this man has most certainly been the best home customer the Herald has enjoyed during our time in Knox City. It is cited only to let our merchants and our readers know that we can do many, many jobs that you do not know. Of course there is some work that we cannot do, but if we cannot do what you want, we can tell you we cannot. And again if we cannot do it ourselves, we can get it done and in most cases at a saving to you.

EDITORS OR HUMAN

When a questionable situation arises in a town, it is quite the fashion to remark that the newspapers ought to say something about that. The average citizen feels quite certain he could run a newspaper better than the editor does, and if he were publisher of that sheet, he'd show 'em, you can bet. As a matter of fact, if he has horse sense, he would do just as the editor does—put the soft pedal on family rows, church squabbles, scandals not involving major principals, and such matters of ultimately minor importance as will adjust themselves with the passing of time.

The newspaper critic ought not to expect the newspaper man to advocate or attack any proposition which

he himself lacks the courage to support or assail over his own signature. The editor is willing, even eager, to push any project in the public interest, but is not willing to pull chestnuts out of the fire for individuals or minorities.

Simple Language Best

Whether or not one commends Woodrow Wilson's acts and policies as president, it is clear that his state documents are classics of English style, probably unexcelled since the days of Abraham Lincoln. Calvin Coolidge's style is also excellent and of Lincolnian quality. President Hoover's written words are simple and to the point.

Simplicity is the chief characteristic of the best writers. The inexperienced reach for high sounding phrases, whereas small words properly grouped are most effective.

Mr. and Mrs. Dave Whitford were called to Erath, Texas Tuesday morning in the death of his father. Mr. Whitford was formerly Miss Wilma Messer.

Mr. Ben Lightfoot died last week in the Breckenridge hospital. He was brought to Knox City for burial. He was a brother to Mr. Henry Lightfoot of Knox City.

Mr. Ray Willis spent the week in Arlington Texas with his mother. He also attended the Fat Stag Show in Fort Worth. Mrs. Ray Willis spent the week end in Munday with her relatives.

Visitor: You are growing into a nice little fellow and will be just like your father.
 Little Boy: Yes, that is what mother is afraid of.

Visitors in the J. W. Howell home the past week were Miss Gretchen Howell of San Angelo, Mrs. Loura Watts of Lincoln Nebraska, and Mrs. Clara Miller of Fort Worth. Mrs. Miller is a sister of Mrs. Howell.

PLANT A TREE

OLD FOLKS SAY DR. CALDWELL WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Missouri College in 1875, nor since he placed on the market the laxative preparation he had used in his practice.

He treated constipation, indigestion, headaches, mental depression, indigestion, sour stomach and other indigestion entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Serravallo's Syrup Pepsin, a combination of several other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and the young. And as you can get results in a safe and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to take, gentle in action, and has been used by the most delicate of people. All drug stores have the genuine, or write "Syrup Pepsin," Dept. 333, Monticello, Illinois, for free trial.

"It's Not a Home Until It's Planted"

BEAUTIFY YOUR HOME GROUNDS

As the prosperity of the country increases, people begin to improve living conditions by adopting the improvements and modern civilization, including the beautification of the home, inside and out.

MAKE PLANS AND SUPERVISE LANDSCAPE PLANTING WHEN DESIRED

As the furniture and beautiful interiors of homes, many people judge on the character of people and communities by what they see surrounding their homes—that is, the appearance of their home grounds.

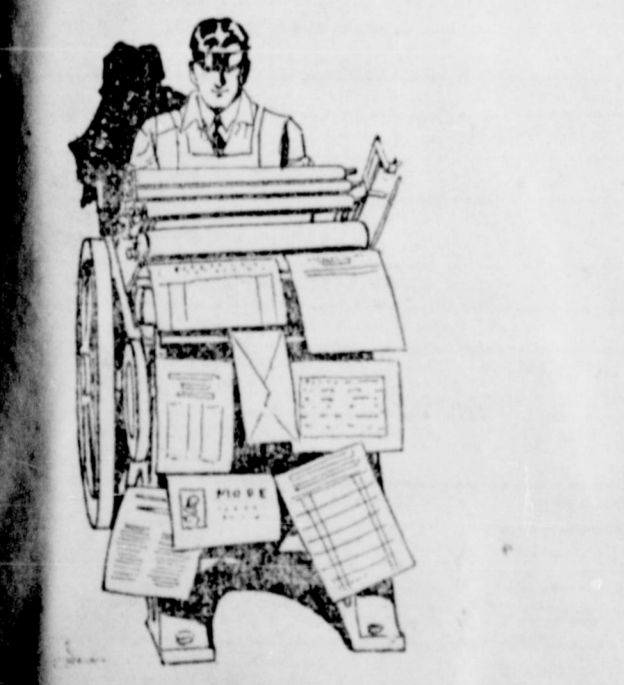

Our climate-proof native and standard evergreens and flowers are not surpassed for excellence and beauty. Why not grow fruits? It is one product of the soil that has not been neglected during recent years.

We have the finest stock of fruit trees, berries and ornamental plants ever grown.

Makes Life Sweeter

Next time a coated tongue, fetid breath, or acid in gives evidence of sour stomach—try Phillips Milk of Magnesia!

Get acquainted with this perfect anti-acid that helps the system keep sound and sweet. That every stomach needs at times. Take it whenever a hearty meal brings any discomfort.

Phillips Milk of Magnesia has won medical endorsement. And convinced millions of men and women they didn't have "indigestion." Don't diet, and don't suffer; just remember Phillips. Pleasant to take, and always effective.

The name Phillips is important; it identifies the genuine product. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

"C. L. MCGINNIS SAYS THAT HE IS READY TO TALK"

"Orgatone (Argotane) Brings Him Relief From Five Years Of suffering He Says

C. L. McGinnis, plumber for the State Hospital at Sulphur Springs, Texas a few days said:

"I have never had anything to do me the good Orgatone (Argotane) has. Since taking it I feel strong and full of energy, and in fact, I now feel better in my life than I do now.

"I have been suffering for five years from indigestion and liver trouble. My stomach would fill with gas and bloat me up and make me miserable for two or three hours after my meals. I had no appetite at all, and got so I decided not to eat, because the little I managed to force down would sour and cause me a much trouble. I was so nervous and restless I could hardly sleep at all, and always felt tired and poor nothing in the mornings. I had a sluggish, depressed feeling, my strength and energy were getting less all the time, and I just had to force myself to work.

"I'm glad I tried Orgatone (Argotane) for I'm sure it has saved me many a sick day. I was getting worse all the time until I began using it, and I've been getting better ever since the day I started taking it. I just found after taking two or three days that no gas formed on my stomach, my food stopped rotting away and I had no uncomfortable feeling after eating. I have a great big appetite now and can eat anything without hurting me in the least. I sleep as sound as anyone, and just feel bubbling over with new life and energy. It would be hard to tell the value Orgatone (Argotane) has for me. I feel it has saved me many a dollar, and best of all it has saved me my health and built me up so that my work is a pleasure again. Everybody ought to know about a medicine like this, and I'm glad to inform it."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

Electrical Servants

for
Your Home

"The application of Electricity to household appliances has done more to raise the standard of home-life than any other single factor," is the opinion of a well known home economics authority.

Just contrast the difference between the Modern, Electrically-equipped home of today, and homes of similar means a few years ago.

No longer does the housewife grow old before her time . . . no longer does she slave and toil about her kitchen and household tasks . . . no longer is she shut off from the rest of the world because of lack of time to enjoy and appreciate the better things of life.

Does your home reflect the spirit of this New Day? Are you receiving all the economical benefits possible through the intelligent application of electricity to your home?

One of our Household Engineers will be glad to show you how cheaply you can secure the enormous advantages of "Complete Electrical Service."

West Texas Utilities Company
