Plans Continue For Public Field Day At PMC Sept. 30

Knox City - On Wednesday, September 30, a public field day will be held at the local Plant Materials Center, known officially as the James E. "Bud" Smith Plant Materials Center, which is located two miles north and two and one-half miles west of Knox City on FM 1292.

Final plans were formulated last Friday morning at the center when Jake Garrison, PMC manager, Arnold Davis, Plant Materials specialist from the State Soil Conservation Service office in Temple, and Dale Allen, SCS information specialist, also from the state office, met with Knox City Chamber of Commerce representatives, president Bill Baker and secretary-manager Mrs. Doris Crowover, Lions Club representative Sam E. Clonts, Knox City Future Farmers of America sponsor Leon Burkham, and area conservationists, Paul Larson of Abilene and Wayne Chapman of Vernon. Details were worked out for registration, tour buses, sandwiches, and parking attendants for the field day.

State Conservationist Clyde W. Graham of Temple had previously announced plans for the day that include guided tours through the 60-acre center to be conducted from 9:00 a.m. to 3:00 p.m. The Knox City FFA Chapter will have sandwiches for sale for those persons who wish to eat lunch at the center.

Grass seed growers, seed dealers, conservation district directors, research workers, sportsmen, and other interested in the search for better plants are invited to attend. The center serves both Texas and Oklahoma. Seed or rootstock from plants

that show promise for solving specific soil and water conservation problems are collected, then grown and evaluated at the Knox City center. The more promising ones are then grown

Some Stores To Close For Labor Day

In order that readers may have their papers in the post office on Thursday, the Knox County Herald will not join several other local stores here in observing the Labor Day holiday on September 7.

The staff will appreciate your cooperation in turning in your news as always on that Monday.

If you or any member of your family are planning a trip out of town or perhaps you are having guests. Whatever your news, let us know about it by calling 658-2281.

Co. Budget Hearing Set For September 14

Readers will note in the Public Notice located in the classified section of this paper, that the Knox County Commissioners Court will hold a public hearing on the proposed Knox County Budget for the coming year, 1971.

According to County Judge Sam E. Clonts, the hearing will be held in the Knox County Courthouse in Benjamin on Monday, September 14, 1970 at 10 o'clock in the morning.

To Test Holliday This Week

KC 'Hounds' Come Out 5-1 In Friday's Scrimmage

The Knox City Greyhounds soundly tamed the Throckmorton Greyhounds in a scrimmage Friday night before an un-

usually large crowd.

The Throckmorton team scored first on a 25 yard touchdown pass. The KC 'Hounds' got off to a slow start but managed to score five of the last six possessions of the ball.

Scores came on two good runs by Charlie Lieb, two passes to Rogers Lankford, and a run by Leslie Fitzgerald. The opponent's line left many gaping holes during the contest which ended 5-1 in favor of the KC team.

Friday, September 4 the Knox City Greyhounds will meet the

Holliday Eagles in Greyhound Stadium at 7:30. This one will also be a controlled scrimmage with the varsity and junior varsity Bullies both seeing plenty of action.

Readers and football fans will recall that Knox City was dropped from District 11-A when the University Interscholastic League announced last October the new district alignments for 1970 in Texas High Schools. The realignment is made necessary by enrollment changes which put various schools in

Opportunity Offered Senior Citizens At WH Conference

Senior Citizens in Knox County, as well as those in every other community in the nation, will have an opportunity to speak out on their needs.

During the week of September 20-26, Community White House Conferences on Aging will be held throughout the nation, advises County Home Demonstration Agent Elaine Bowman. The "mini" White House Conferences will take the form of community forums and

every Senior Citizen is invited to attend and speak out on his or her needs. Nationally, more than a million are expected to participate, says the home agent.

These local conferences are basic to the White House Conference on Aging which will be

Mrs. T. S. Edwards Is Birthday Honoree

Here to help Mrs. T. S. (Alma) Edwards celebrate her birthday last week were her daughter, Mrs. Tommy Hampton, and her daughter and her children, Mrs. David Voekel, Lynn, Beverly, and David, all of Dallas.

Mrs. Edwards, who has been a resident in the Brazos Valley Care Home here for the past several months, was also joined by many local friends as well as others from neighboring towns.

Birthday cake was enjoyed by everyone, and Mrs. Edwards received many flowers, gifts, and cards for the special occasion.

BEAUTIFUL! Rev. Roger Butler, far left, Street Sign Committee Chairman, expresses his approval of a job well done in the installation of the new street markers by City employees, pictured from left, Benny Abbott, Newman Bishop, and James Hewitt.

Local Street Boast "Brand New" Markers

The City Street Sign Project endorsed by both the Chamber of Commerce and City of Knox City last February to secure new reflective markers for every city street was completed this week and beautiful new signs, bright blue with white lettering, grace each street corner throughout the city.

According to committee chairman Rev. Roger Butler, the re-naming of city streets was found to be necessary when the project got underway and irregularities in the existing order were discovered. Residents will note that Main Street and Central Avenue have remained the same and beginning with Main Street all streets running east and west and lying to the north or south of Main are numbered beginning with North or South Second, and so on. The avenues which run north and south and those lying to the east of Central are labeled according to the alphabet beginning with Avenue A, then B, C, and so on.

All avenues lying west of Central have been named Aspen, Birch, Cotton wood, Dogwood, Elm, and Fir.

The project committee members, Chamber manager Mrs. Doris Crowover, Rev. Butler, Mrs. Henry L. White, Mayor

New Owners Of Blohm's Studio

Mr. and Mrs. Kenneth Byrd of Lubbock announce this week the purchase of Blohm's Studio in Haskell effective September 1.

The Byrds are experienced photographers having owned their own studio in Lubbock. They have two children, Jimmy 16, and Terry 13, who can help out when needed.

Mr. Byrd stated they plan to change to color in the near future and will probably have to close a few days to make the change but no definite date has been designated. He thinks the people in this area will appreciate the change.

He solicits your continued patronage and invites new customers to call on them and let them serve you for any occasion you need to have photographs taken. They believe they will please you.

KC Serviceman Now On Korcom Football Team

Spec. 4 Glenn Smith, son of Mr. and Mrs. Bill Smith, who is currently doing temporary duty at Camp Humphries in Korea with the U. S. 8th Army, has been chosen as halfback for the Korcom football team. Their first scheduled game will be September 5 in Seoul.

Smith has been overseas since May 24 of this year with the 728th Military Police Company in Ascom, Korea. After the end of the football season in December, he will return to his duty there.

His wife, Carolyn, is living here while he is serving overseas and is employed by Counts Insurance Agency.

DID YOU KNOW

... that Harold Freeman, 3520 Southwest 106th St., Beaverton, Oregon 97005 subscribes to The Knox County Herald?

THE KNOX CITY SCHOOL FACULTY this year are from front row, from left, Mrs. Betty Aude; Mrs. Elsie Mitchell, special education; Mrs. Mary Vaughan, kindergarten; Jan Lankford, aide. Back row, from left, Coach Terry Stillabower, girls' basketball and boys' basketball coach; Dr. Patrick Henry, math; and Coach Jerry Lowrey, junior high science and social.

New Teachers Join Faculty This Year

Miss Teresa White, daughter of Mr. and Mrs. Sammy B. White of Knox City and a 1970 graduate of Knox City High School, has pledged Alpha Delta Pi sorority at Texas Tech University in Lubbock.

Miss White, an outstanding student at KCHS with a grade average of 90.6, is an active member of the First Baptist Church and a freshman elementary education major at Tech. She was a member of band for four years and served the KCHS marching band as drum major during her senior year, was a member of the Houndette Basketball team for four years, was a member of FHA for four years and a recipient of her State Degree of Achievement. She also was a member of Area IV Degree Evaluation Committee. She was a Beta Club member at KCHS for three years, FTA for three years, choir for two and one-half years, and a member of the cast in both the junior and senior plays. She received the Liberty Bell award from Curtis School Plan, and her high school grade average was 5.6 above the required average for sorority membership.

The sorority sponsors and participates in many and varied activities, among them are to sponsor the faculty tea, homecoming coffee, Dad's Day Open House, scholarship banquet, and Alpha Delta Pi Week in honor of the initiates.

As a service to the Melam Children's Center, which is a school for disabled children in Lubbock, members constructed animated turkeys made of apples for the Thanksgiving Holiday.

This year Lubbock was headquarters for the State Alpha Delta Pi Convention. As the winter months approach, members plan their annual retreat to Cedar Canyon.

FROM TECH
Paul Graham, junior student at Texas Tech in Lubbock, was here recently visiting his parents, Mr. and Mrs. Doyle Graham, and his friend Tommy Woodward who is home on leave since his return to the U. S. from Vietnam.

Paul's friend and fellow student Jane Owen accompanied him to Knox City.

TEACHERS

(Continued from Page 1)

for regular experience. While at BSU he taught freshman physical education for one semester. He and his wife, Stephanie, are the parents of one son, two-year-old Shawn. They are Methodists and will reside in Knox City.

Knox City High School's new math teacher is Pat Henry, son of Mr. and Mrs. H. K. Henry of Rochester. Dr. Henry holds a BA degree in mathematics, and both an MS degree and a Ph. D. in entomology from Texas A&M. He has had four years' teaching experience at Texas A&M and Grayson County College. He and his wife, Charley, are the parents of two children, Harry, age 3 1/2, and 18-month-old Patricia. The family resides in Haskell. They are members of the Methodist Church.

Head basketball and assistant football coach Jerry Lowrey is a graduate of Abilene Christian College with a BSE degree in physical education and speech. He has had four years' experience coaching in Aspermont and is currently working on his ME degree. He and his wife, Doris, are the parents of a two-year-old son, Terry. They are members of the Church of Christ and reside in the former J. C. McGee residence.

Mrs. Jan Lankford has been hired as teacher's aide in the primary department and Mrs. Betty Hamilton of Benjamin is assisting as aide in special education both in Benjamin Schools and in the Knox City Schools under the new pilot program. She is working with Mrs. Frankie Baker and Mrs. Mitchell.

Mrs. Darlene Bellinghausen is working with the migrant children for 1/2 day in both the Benjamin and Knox City Schools and Mrs. Ray Escobar is her aide.

The Office of Economic Op-

portunity of Crowell has placed Mrs. Eva Flores here as trainee-teacher's aid. Mrs. Flores is sitting in on typing classes, attending ABE evening classes and is working as general office helper and aide under the supervision of John Mc-Gaughey, Knox City School principal.

MARKERS

(Continued from Page 1)

Buddy Angle, City Secretary Mrs. Faye Hallsback, and George Field, expressed their gratitude to residents and the local Lions Club for contributions and cooperation and were especially grateful to the City of Knox City for coming through with the sizable balance which remained after the fund drive. Council members agreed to pick up the tab also for the installation and pointed out that since citizens of this town have a considerable amount of money, time, and pride invested in the signs, their cooperation in reporting to officials any defacing or destruction of the signs will be in the public interest and are punishable by fine.

A contest was conducted last spring in the local schools in regard to the names of some of the streets, and winners included Tammy Stewart, Scott Cooksey, Sherryl Guinn, Tim Whitten, Jerry McCown, Bruce Hallsback and the seventh grade literature class.

RETURN HOME

Mr. and Mrs. Durwood Qualls of Gardena, California, returned home Friday after spending a week here visiting his mother, Mrs. Bertha Trimmer and his sister's family, the Chock Reeves, also other relatives and friends.

IN FINLEY HOME

Mrs. J. G. Acker of Amarillo was a recent guest in the R. W. Finley home.

PLANS

(Continued from Page 1)

under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections that prove superior to other strains available are then released by conservation districts to commercial seed growers. These producers then grow seed and sell it to the public.

Some 675 strains of 164 different grasses, forbs, legumes and woody plants are being grown at Knox City. Grass strains proven and put into use by SCS include Selection 75 Kleingrass, El Reno, Uvalde, and Vaughn sidecoats grama; King Ranch bluestem; green sprangletop; and Grenville switchgrass.

SCS plant materials work also developed ways to profitably grow, harvest and plant most of the range grasses now being planted in Texas.

Some of the groups who cooperate with SCS in its plant materials work in Texas include Agricultural Research Service, Texas Agricultural Experiment Station, Texas A&M University, Texas Tech University, Prairie View A&M, Abilene Christian College, U. S. Air Force, U. S. Corps of Engineers, Texas Parks and Wildlife Department, and soil and water conservation districts.

HOUNDS

(Continued from Page 1)

different classifications.

Since we lost only four seniors and have returning seven offensive and defensive starters, the Abilene Reporter News says that Knox City emerges as the favorite to win the District 7-A championship in its first try.

And in the latest publication of West Texas High School Football, it was forecast that unless some unforeseen tragedy comes along, the Greyhounds will be heard from when the District crown is passed out.

Now, with that kind of build-up, you cannot afford to let us down, 'Hounds. We're counting on you!

Haskell Driver's License Office Schedule Changed

Effective September 1, according to Patrolman Dennis Young, the driver's license office in Haskell will be open Mondays and Tuesday from 8 a.m. until 5 p.m., and Wednesdays from 8 a.m. until 12 noon. Renewals and written tests will be conducted on these days. Behind the wheel phase of driving test will be conducted only on Mondays.

FROM FORT WORTH

Mr. and Mrs. James Montgomery of Fort Worth spent Friday evening and Saturday with her grandparents, Mr. and Mrs. J. O. Buchanan.

Band Boosters To Meet 7:30 Tues.

The Knox City Band Boosters will begin the new year with the first meeting, previously scheduled for September 14, next Tuesday night, September 8, at 7:30 o'clock in the band hall.

Officers to serve for the coming year are Mrs. Bruce B. Campbell Jr., president; Mrs. John E. Helms, first vice president; Mrs. Jerry Guinn, second vice president; Mrs. George Wall, secretary-treasurer; and Mrs. Cliff Swain, reporter.

Everyone who is interested in our bands and their activities are encouraged to be present for the meeting.

Baker Is Named On Dean's List

Floyd Baker, who attended Knox City High School and graduated from Midland High School in 1969, recently received a certificate from the College of Agricultural Sciences at Texas Tech University in Lubbock qualifying him for the Dean's Honor List.

Baker's 3.69 grade point average, for the spring semester, .69 above the requirement, made him eligible for the Dean's List.

He is the son of the Rev. and Mrs. Lee Roy Baker of Midland and his wife, Penny, is the daughter of Mr. and Mrs. Doug Metzner of Knox City.

Meeting Slated Sept. 8 For Knox Co. Farmers

Small grain varieties and fertilization for grain production as well as forage production, will be discussed at an 8:00 p.m. meeting in the courthouse in Benjamin, Tuesday night, September 8, 1970, according to county agent Herman H. Collier.

Mr. James H. Valentine, Extension area soil chemist from Lubbock, will discuss fertilization of wheat and oats.

Mr. Keith A. Lahr, small grain research associate of Texas A&M University Agricultural Research Station at Chillicothe, will discuss small grain varieties for production and will also bring out some interesting findings on winter and spring grazing crop prospects.

Knox County farmers and ranchers are invited to attend this meeting.

Zena Waldron Reports

Marriage licenses issued during the month of August, 1970:

Buddy Joe Williams and Nina Mae Pierce, Aug. 14; Billy Jack Whitten and Julie Ann Ryder, Aug. 14; Randall Paul Herring and Connie Rhea Mitchell, Aug. 19.

CITIZENS

(Continued from Page 1)

held in Washington, D. C., November 29 - December 3, 1971. In the meantime, state conferences will be held to develop the information gathered from the community forums into recommendations or programs for presentation at the national meeting.

In general, the basic needs of older people deal with such areas as income, health, nutrition, housing, transportation, employment and retirement, education, activities and spiritual well-being. The local forums may uncover other needs, the home agent noted.

U. S. Commissioner on Aging, John B. Martin, who also serves as special assistant for aging to President Nixon, will direct the White House Conference. He says the approach being developed will cover a three-year period. The very basic local forums will be held in September 1970, the State and National White House Conferences in 1971 and the plan of action developed in 1972.

The home demonstration agent said that plans developed by the county committee on aging call for the forums to be held at the following time and places. The Monday Forum will be held Tuesday, September 22 at 3:00 p.m. in the American Legion Building. The Knox City Forum will be held Thursday, September 24 at 3:00 p.m. The place will be announced later.

Every Senior Citizen in the county has a special invitation to attend and speak out on his or her needs or other subjects which are important to them. It's your opportunity to make your voice heard all the way to the National Conference, point out the local forum leaders.

Co. Men To Aid In Cattlemen's Round-Up

Abilene - The West Texas Rehabilitation Center, benefactor of the original Cattlemen's Round-Up for Crippled Children, will kick off its 11th annual Round-Up this month. Founded by the late Conda Wiley, the Round-Up has

raised over three quarters of a million dollars for the Center since its inception. Last year's total was \$78,544.

The Round-Up operates in many different phases. The next three phases will be the Cattle Sale on September 24 at the Ranchers and Farmers Auction in Abilene; the Sheep and Goat Sale on Monday, October 5, at the Coleman Auction; and the Horse Sale on Saturday, October 3 at the Abilene Auction.

Officials of the Center announced the reappointment of Charlie Morris as Chairman of the Round-Up. Morris, who resides in Abilene, has diversified interests in ranching, feed lots and livestock. In response to his reappointment Morris said, "I am more than happy to be able to head the Round-Up again this year. When I first accepted the chairmanship nine years ago, I had no idea that our five year old cerebral palsy grandson would be attending the Center daily as he now does."

Many people of the Southwest have helped the Center, never realizing that the Center would be able to help them. The Center's 1970 operating budget is \$449,000. The Rehabilitation Center suffered a severe financial setback as a result of non-payment of more than \$127,000 in Medicare claims in the early part of this year. Since that time the Center has slowly but consistently overcome the deficit and continued to serve the handicapped of the Southwest.

The operation of Round-Up is the result of ranchers and stockmen picking out a calf or a pen of calves or some other livestock and pledging them to the Round-Up. The area chairmen will contact the ranchers and stockmen and make arrangements for transportation to the sale. Each animal is sold under the donor's name. The results not only help many handicapped people, but it is also good public relations for the donor. Animals expected will be from top bulls from the Southwest's leading ranches to baby calves and lambs.

Morris said he is looking forward to the Round-Up this year and emphasized that the West Texas Rehabilitation Center's services are so necessary to the handicapped of the entire Southwest. The center

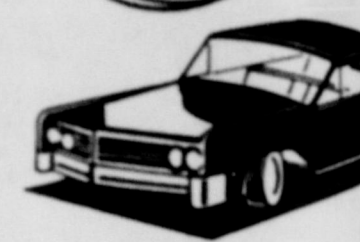

provides treatment to all handicapped without regard to race, creed, age, or financial circumstances. Services offered are: speech, physical, occupational, educational and language therapy, psychological counseling, audiology, psychometry and pre-vocational evaluations. The Rehabilitation Center also offers special diagnostic work and clinics in physical medicine, general neurology, pediatric neurology, learning disorders, otology, orthopedic disorders, and urology.

Morris announced the following area chairmen will serve the individual stockmen and help get the livestock to the various sales, Lee Smith, of Knox City, and Togo Moorhouse of Benjamin.

At least once a year every man is a genius.

LOOKING PAIR are Nick Johnston, left, and Lynn Clarke. The two are pictured here as they work on the first edition of the local high school paper, the Kennel.

Outstanding KCHS Seniors Selected To Head Kennel Staff

Lynn Clarke and Nick Johnston have been selected by members of the Knox City High School faculty to head the

Kennel Staff, the local school paper, which appears in this paper each week throughout the school year.

Miss Clarke, daughter of Mr. and Mrs. C. G. Clarke and a senior at KCHS, has been chosen to serve as editor while Johnston's title is co-editor. He is a senior also and the son of Mr. and Mrs. Billy G. Johnston.

A spokesman for the faculty said that time and qualifications were both considered in selecting the two and while the decision was a difficult one to make, it is the opinion of faculty members that Miss Clarke and Johnston will do an exceptional job.

Active in many school functions, Miss Clarke has ranked among the top 10% on the National Educators Development Tests, has been named to the high school honor roll, was first runner-up in the Miss Merry Christmas contest in 1968, served on the Annual Staff, been a member of the KCHS Band for four years and the Stage Band for two years. She was candidate for Knox County Vegetable Festival Queen in 1969, has been a member of FHA for four years, having served as typist, and is a member of the Area FHA Chorus.

Johnston put it this way: "In appreciation and anticipation of fulfilling my appointment as co-editor of the Kennel, I shall set forth a few facts about myself so that we may become acquainted. I have attended Knox City Schools up to the present time - sometimes eagerly.

"I find in looking backward (from this glorious height of a Senior) that bad times seem less bad and the good times better.

"Up until this year the golf team was enhanced by this great personage as was our FFA chapter. I played basketball my freshman and sophomore years. FFA took a portion of my time last year and will probably take more this year.

"Last year as stage manager for the junior play, one of my contributions was a special ef-

O'Brien Happenings

By Jean Hester

VISITING AROUND

Mrs. Buster Hodges and Teresa and Mrs. Loretta Hewitt and Rhonda were in Abilene Saturday on business.

Mrs. Sandra Childress of Ozona and Mrs. Barbara Currie of Abilene visited in the home of Sandra's parents, Mr. and Mrs. Grady Ellis, over the weekend. Also, visiting in the Ellis home was their son, David Ellis. David has attended school in Alpine and Lubbock this summer and will resume his studies at Hardin-Simmons in Abilene this fall.

Mrs. Eddie Bryant and Jennifer of Rule were Sunday visitors in the home of her grandparents, Mr. and Mrs. W. J. Sellers.

Mr. and Mrs. Bobby O'Neal and children of Abilene visited in O'Brien Sunday and attended services at the O'Brien Baptist Church.

Mary Adkins was in Wichita Falls Thursday to register for the fall semester at Midwestern. Mary's mother, Mrs. Eddie Adkins, Mrs. Estelle Hawkins and Jean Hester accompanied her to Wichita Falls. Mary returned Sunday evening to begin classes Monday.

ATTEND BRETOW FUNERAL

Mr. and Mrs. Alton Hester and girls of Panhandle and Mr. and Mrs. Sydney Hester of Brownfield were here last Thursday to attend the funeral of their aunt and uncle, Mr. and Mrs. Gordon Bristow.

FISH FRY

A fish fry was held in the home of Mr. and Mrs. R. M. Johnston last Friday evening. Those present were Mr. and Mrs. Walter York and Melanie Jo of Toledo, Ohio; Mr. and Mrs. Alton Hester, Elaine and Brenda of Panhandle; Mr. and Mrs. Claudette Barnard, Mr. and Mrs. Truett Hester and the host and hostess.

MOVED

Mr. and Mrs. Sam Johnston have moved to Gainesville where they are to be House Parents at the State Training Center, School for Girls.

CHURCH WORKERS

Mr. and Mrs. Chris Jimenez have been employed to serve as custodian and nursery worker for the O'Brien Baptist Church.

SENIORS

The Senior class of O'Brien High is currently selling magazine subscriptions. If you have not been contacted by a senior and wish to subscribe or renew

VA News

There are 690 veterans in Knox County, and 1,354,000 in Texas, according to Veterans Administration figures released today based on America's 27.3 million former servicemen as of the beginning of 1970.

According to the latest available figures, of the 181,000 veterans who have served during the Vietnam era, 60 were from Knox County.

World War II veterans make up the largest group of veterans with 440 from Knox, and 737,000 from the state as a whole.

The number of Texans serving in the Korean Conflict was 290,000, and 90 came from this county.

Some 50 Knox Countians saw military service only between the Korean Conflict and the Vietnam Era, and 154,000 from the entire state.

Of 73,000 World War I veterans in Texas, 60 are from Knox County.

An estimated 176 of America's 5,000 Spanish-American War veterans live in Texas.

Veterans with questions on benefits are urged to contact their nearest VA office. Those who served since February 1, 1955, may be eligible for G.I. Bill training. Those who served since June 27, 1950, may be eligible for home loans.

Promises and piecrust are made to be broken.

New 1/2-Percent On U.S. Saving Bonds "Real Boon"

M. L. Wiggins, Knox County Chairman for U. S. Savings Bonds, reports that the 1/2-percent bonus approved by President Nixon means that Savings Bond owners can realize 5 1/2 percent annual interest on their holdings.

"The bonus applies both to Bonds purchased on and after June 1, 1970 and those bought before, and still outstanding. There'll be no need to redeem any Bonds to benefit from the new rate. Now, more than ever before, it pays to buy and hold onto your Bonds. The increase is a real boon", Wiggins said.

He noted that Bonds are "like good friends of the family to people in Knox County. They're present at milestone occasions. You'll find them given at births and christenings. Through the Payroll Savings and Bond-A-Month Plans they've accumulated to help pay for events important in family life - educations, new homes and autos, weddings, vacations, and eventually retirement. Bonds are a friend in need during unexpected family emergencies."

Mr. Wiggins also pointed out that Federal funds for protecting our environment, and for developing recreation areas are bolstered through the purchase of Savings Bonds.

"Savings Bonds are the best

VISIT HERE

Pinkie Woodard of Fort Worth and her brother, Tommy, who is home on leave from the Marines, visited their grandfather, C. S. Woodard, and others here last week.

Pinkie has completed a course as a medical assistant and is now employed in a Fort Worth clinic and is attending night classes at the University of Texas at Arlington.

Tommy has returned from duty in Vietnam and Okinawa and will report to a South Carolina base for his next assignment.

BACK FROM VACATION

Jake Garrison, manager of the Knox City Plant Materials Center, returned last weekend from a two-week vacation with his parents, Mr. and Mrs. Carl Garrison of Pea Green, Colorado. While there, he enjoyed fishing and hunting in the Grand Mesa National Park and Blue Mesa Reservoir both of which are near his home.

IN HUDSON HOME

Visiting in the home of Mr. and Mrs. White Hudson over the weekend were Cecil Paul Hudson of San Francisco, California, Mr. and Mrs. Joe Hudson of Desdemona, Mr. and Mrs. Aldene Hudson of Gatesville, Mr. and Mrs. Bill Hudson of Little Rock, Arkansas, I. G. Hudson of Big Spring, Mr. and Mrs. Joe Clark of Rochester, Mr. and Mrs. Dean Walker of Fort Myers, Florida, and Cecil James Hudson of Weatherford, Texas.

The operation of one Texas pulpwood truck represents an average of \$25,000 annual business in a community.

Also available: full control average leg at \$11.00 and maximum control average leg at \$13.00.

Voting Underway For Farm Committee Posts

Knox County farmers are now receiving mail ballots for election of ASC community committees, announced Arnold J. Navratil, chairman of the County Agricultural Stabilization and Conservation (ASC) Committee. Marked ballots are to be put back in the mail or returned to the County ASCS Office by September 11.

In each of the three ASC communities in the county, eligible farm voters will elect three committeemen and two alternate committeemen to serve for one year. ASC community committees aid the County ASC Committee in administering Government farm programs. The community also elect members and choose officers for the County ASC Committee.

Mr. Navratil pointed out that the elections are by secret ballot. He said, "When a voter has marked his ballot, he should fold it and seal it inside the plain envelope he received along with the ballot. He should put the plain envelope inside the envelope addressed to the County ASCS Office and seal that envelope.

"Then he should sign and date that outer envelope on the back. This is very important because his ballot cannot be counted unless he has signed and dated that outer envelope. "This dual envelope system is for the voters' protection,"

Mr. Navratil explained. "The plain envelope guarantees a secret ballot. The outer envelope insures that only eligible voters vote. Before the votes are counted, the plain envelopes are removed from the outer envelopes and shuffled to make it impossible to identify any individual ballot."

When ballot envelopes are received in the County ASCS Office, Mr. Navratil said, they remain sealed and are deposited in a sealed ballot box immediately where they will remain until the County ASC Committee publicly counts the ballots on September 15, 1970, 8:00 a.m. at the ASCS Office.

Any farm owner, tenant, or sharecropper who is of legal age may vote if he has an interest in a farm and is eligible to participate in an ASCS program offered in his community. Spouses of eligible voters also are eligible to vote.

Any person who believes he is an eligible voter but who has not received a ballot by September 5 should get in touch immediately with the County ASCS Office in order to obtain a ballot.

Mr. and Mrs. Ken Lawson returned home Tuesday night from Austin after helping their son, Kenny, get moved.

Kenny, a 1970 honor graduate has enrolled in the University of Texas.

Streams In Desert Places
BY OZELLE STEPHENS

"Having done all, to stand," Paul said, this when he was talking about the great help of God. We know God helps us when we can't help ourselves. Yes, we are strong, we can do much for ourselves, but there comes a time in life when one hasn't what it takes to do any more. We struggle with things to no avail and face difficulties, impossible to overcome. This is when we should turn and say, "Dear God, how am I wrong? It is in your hands."
God can do for us what we can't do for ourselves. It is hard to do but we can let Him take it. We should not strain and strive, but let go - Let go and let God.

HERE FROM BRYAN
Mr. and Mrs. Vernon Beckley spent their vacation recently in Bryan with her parents, Mr. and Mrs. W. F. Connor. The Connors returned to Knox City with them for a visit and will also visit another daughter, Mrs. Leonard Force.

KC Colored News- Events

By ALESTINE FLYE

St Paul Baptist held their Sunday school with the Supt. presiding.
Elder and Sis Axia Flye of Sacramento Calif. left Monday for home after spending several weeks in Dallas, Wichita Falls and Knox City. Elder Flye, visit his Brothers and sister here. Charlie and Lewis and Sister Mrs. Annie Mae Moss, Elder Flye, have once live in Knox City and were the pastor of the Church of the Living God, everyone enjoyed having his preach Sunday morning before leaving for home on Monday.
I no everyone is Thankful for the change in the weather, it have been so hot, but now we can feel the fall coming on, which make the weather a lots cooler and fishing good.
Services of the Church of God in Christ
We were blessed last week in the revival conducted by Elder Ward in Rule, Messages preached were:
Monday night - Acts 1:4-9 "Power"
Tuesday night - Acts 2:12, 18 and Titus 2:11, 12 "Salvation For All"
Wed. night - "How Shall We Escape" Hebrew 2:1, 4.
Thurs. night - John 5:1-9 "A Blessing"
Friday night - John 2:1, 5 "Whatsoever He Saith Unto You Do It."
Sunshine Band and Choir practice were held on Saturday evening.
Sunday School had a good attendance with Supt. Smith in charge.

Sis Cleola Ware, president of the Mission conducted the morning service and Mother Georgia taught the lesson from Luke II on Prayer.
Mission Joint Meeting was held at the Munday Church with Pres. Sanders in charge. We enjoyed hearing each one who spoke.
YPSW and night service were held here.
Missionary Ward is running revival here at the Knox City Church this week everyone is invited.
Supt. Bennett will conduct 2 nights service at the Haskell Church on next week Thursday and Friday night.

IN LUBBOCK
Mr. and Mrs. Jimmie Melton are now living in Lubbock where he is a junior wildlife management major at Texas Tech and Mary Beth is attending Lubbock High School in the mornings. She is employed as a fabric coordinator at Hancock Fabrics in the afternoons.

Tax Man Sam Sez:

For a number of years the Internal Revenue Service has provided teaching material for more than 25,000 different schools across the country to teach several million students how to prepare a simple income tax return. In the Dallas District last year about 950 schools ordered IRS's "Teaching Taxes" material to teach over 175,000 students living in the area covering North Texas. In a few days the school bells will ring again - if in fact they haven't already rung in your community - and IRS will ask principals to order next year's Teaching Taxes material. It might be a good idea for you to give the principal an encouraging word about making sure that Junior gets the Teaching Taxes training, since Dad and Mom may need a little help.

FROM LUBBOCK
Mr. and Mrs. M. W. Lowrey of Lubbock spent the weekend here as guests of his father, P. C. Lowrey, and also their son and his family, Coach and Mrs. Jerry Lowrey and Terry.

Senior Class News

By GWEN ANGLE
The class of 1971 had a called meeting last Monday. At this meeting officers were elected and magazine sales started. 1970-71 officers are as follows: President - E. Abby Lewis; Vice-President - Mike Newton; Secretary - Alice Martinez; Treasurer - Betsy Ross, and Reporter - Gwen Angle, Leon Burkham as our class sponsor and we have twenty-three in our class.

Our magazine sales have been running for a week and will continue through this week. The money made on these magazines will go toward our senior trip. If you have been missed and would like to buy or renew a subscription, please call a senior. We appreciate and need your help!

A week of school has passed and to our surprise we are all still alive! We've gotten off to a good start and it looks as if 1970-71 is going to be a good year. Our school clubs and staffs have been or are being organized and our regular meetings will begin in September.

The Knox City Greyhounds really "laid it on" the Throckmorton "Hounds" last Friday night in the season's first scrimmage here - something like five touchdowns to one. Senior boys who are playing this year are: Mike Newton, Rogers Lankford, Steve McKaye, Bobby Lewis, and Max Spencer. The KC Hounds are really looking good this year so "Ya'll" go to the games and help 'em win! The next scrimmage is Friday against Holliday, and it is here. Go Hound - Get An Eagle!

Our Senior rings are supposed to be shipped this week, and we should have them sometime around next Monday. We had just about given up hope but maybe they'll be here next week. Keep your fingers crossed!

Junior Class News

By JAN LANKFORD
The Junior Class met August 26 to elect class officers and the class sponsor. Wes Hays was elected class sponsor. Class officers were elected as follows: Brent Rallsback, President; Carol Speck, Secretary-Treasurer; Jan Lankford, Reporter. The class also voted to set class dues at \$1.00 a month. We Juniors are looking forward to a very busy year.

Sophomore News

By DEBBIE WALL
Mothers, you can give a sigh of relief now. The teachers have taken us off your hands for another school term! Amid all the confusion of the second day of school, we got around to having a class meeting and elected our officers for the coming school year: President, David McLaughly; Vice President, Greg Cloats; Secretary-Treasurer, Shari Shelton; Reporter, Debbie Wall; and Social Chairmen, Jan Guinn and Patricia Lewis. We also selected our class sponsor - Coach Rogers, you're in!

It seems that the Sophomores are still growing in number. Luciano Quintanilla joined us this year. He came here from O'Brien. We all welcome him to good old KC and hope he enjoys it here.

Since school has just started, report cards won't be out for a while and we can breathe easy - even if it's only for a few weeks!

Freshman News

By DENISE GRINDSTAFF
The Freshman Class began their first year of high school on August twenty-fourth, after registering on the seventeenth.

Wednesday, we had a class meeting to elect officers. The officers of the Freshman Class of 1970 are: Stanley Newton, President; Mike Lankford, Vice President; Randy Pack, Secretary; Billy Baker, Treasurer; Denise Grindstaff, Reporter.

All the Freshman welcome three newcomers to the class this year. They are Stanley Newton, Oscar Herma, and Irene Reys.

FHA News

By CAROL KING
The FHA Chapter had its first meeting of the 1970-71 school year, August 26. Alice Martinez, Chapter president, stated that our dues had formerly been set at \$2.00 per year. The Chapter then voted that the dues be the same as usual. Also, several money-making projects were suggested, but an actual decision was made regarding this subject. Another topic of discussion was when to have our meetings. The chapter decided on the third Monday night of each month as our regular FHA meeting night.

FFA News

By ROGER LANKFORD
The Knox City FFA Chapter met last week and elected its officers for the coming year. President - Mike Newton, Vice President - Bobby Lewis, Treasurer - Victor Gonzales, Sentinel - Max Spencer, Reporter -

Rogers Lankford, Secretary - Brent Rallsback. Also elected was the 1970-71 Sweetheart, Miss Kathi Kent, a junior at Knox City High School. We also discussed projects for the coming year.

Freshman Homemaking

By JANNA HISE
Last Friday, August 28, 1970, the Freshman Homemaking class elected their class officers for the 1970-71 school year. They are as follows: President, Martha Jones; Vice-President, Diane Cloats; Secretary-Treasurer, Debbie Bishop; and Reporter, Janna Hise.

The first week of school we were busy writing our life stories and learning our FHA Creed.

Greenhand News

By RANDY PACK
On Thursday we elected our officers. They were Mike Lankford, President; Billy Baker, Vice President; Stanley Newton, Secretary; Adrian Gonzales, Treasurer; Randy Pack, Reporter; and Nefro Gonzales, Sentinel. We also helped elect the chapter officers and the FFA Sweetheart. The chapter officers were Mike Newton, President; Bobby Lewis, Vice President; Max Spencer, Sentinel; Brent Rallsback, Secretary; Victor Gonzales, Treasurer; and Rogers Lankford, Reporter. The Sweetheart is Kathi Kent.

Mr. Burkham told us that we would need a project and have to pay attention in class, shop, and on field trips if we wanted to pass the course. We look towards a very exciting year.

Band News

By EMMY JONES
Although school began on August 24, band practice began on August 12. This added time gave the Senior band members a chance to aid the Freshmen in learning new marching methods.

The band members and Mr. Hays would like to state their appreciation to the fact that band was changed to sixth period in order that the boys would be able to participate. Thanks to all who aided in that effort.

Band officers for the 70-71 school year have been elected and are as follows: President - Betsy Ross, Vice-President - Sammy Tankersley, Secretary - Jody McKinney, and Reporter - Emmy Jones.

These officers hold the responsibilities of making the band a better organization and keeping band spirit at its highest level.

FTA News

By DORIS HOWELL
Most people do not realize what an honor it is belonging

to an organization like FTA. Each member has to meet certain requirements. Any combined overall average below seventy may place the member on probation or cause loss of membership. Membership is open to any student in grades nine through twelve who has the essentials of a good teacher. The dues are two dollars for the school year, with the exception of first year members, whose dues are one dollar. The FTA will start their money-making projects in November. An order has been placed for World's Finest Chocolate Covered Almond Candy. We hope this project will be as successful as our projects have been in the past years.

Pep Club News

By ALICE MARTINEZ
Shirley Curd was elected new president of the Pep Club for the 1970-71 school year. Other officers include vice president, Cindy Foster; secretary-treasurer, Debbie Burt; and reporter, Alice Martinez. Mrs. Cash was chosen as sponsor.

The new 1970-71 spirit was started Friday night at the scrimmage. Greyhound cheerleaders led cheers and chants as the mighty Greyhounds defeated Throckmorton.

New cheers and chants are being taught to the Pep Club in order for them to be ready for the first big game.

Monday: Holiday
Tuesday: Barbeque Beef Burgers - Baked Beans - Tomato Wedges - Potato Chips - Chilled Peas - Peanut Butter Squares - Milk
Wednesday: Eschiladas - Blackeyed Peas - Cole Slaw - Corn Bread with Butter - Apple Delight - Milk
Thursday: Meat Loaf - Sauerkraut - Green Beans - Corn Bread Muffin with Butter - Peach Cobbler - Milk
Friday: Chicken Fried Steak with Gravy - Mashed Potatoes - Green Salad - Hot Rolls with Butter - Chocolate Cake Squares - Milk

IN GRADUATE SCHOOL
Brack Shaver, son of Mr. and Mrs. Eddie Shaver, left Monday of this week to return to the University of Texas at Arlington where he is working toward a master's degree in government.

By COACH CHARLES HIBBITTS
One of the things which impressed the coaching staff a great deal was the interest shown Friday night by the KC fans. This was the largest crowd I have seen at a scrimmage in sometime. This goes a long way. I have always main-

tained that the fans have to be backers of the team and do their part before a winning tradition can become a part of any football team. However, at the same time the boys have to put out 100% effort at all times. This all goes together and you can't separate either of them.
We received 122 towels and 200 bars of soap at the gate. We appreciate this a great deal along with all the help we got from the many people who helped run the Booster Club concession stand. According to President Alton Fitzgerald, this was a success also. We also

**Texas Farmers Union
Senate Bill 8:
Farm Labor And NLRB**

**By
Jay I. Naman, Texas State President**

Senate bill 8, introduced into the senate early in 1969 by several prominent senators, both Democrat and Republican, would bring farm labor unions within the jurisdiction of the National Labor Relations Act. Presently, farm labor unions are excluded from the provisions of the National Labor Relations Act, and do not have the right of sanction by the National Labor Relations Board that other labor unions have.

The labor baters including one farm organization has seized upon this legislation to incite the fears of farmers and rural people at what they characterize is the impending danger of the "compulsory unionization of farm labor." Resorting to the use of insidious propaganda, half-truth, and blatant distortions, these merchants of hate are unwittingly or knowingly being used as the handmaidens of those who would turn American agriculture over to the conglomerate corporations.

To show the extremes to which these people will go, in one of their information pamphlets, they imply that if the legislation passes, not only would farm labor be unionized, but it would also result in the unionization of "gins, implement houses, seed dealers, grain storage, and etc." and, they warn unionization would be "compulsory." It also infers that there is some connection between the legislation and what resulted from the dock strike that occurred last year.

This is of course utterly ridiculous, and amounts to the most flagrant kind of demagoguery. Anyone with the least information knows that the employees of farm processing and handling operations, if unionized, already have access to the National Labor Relations Act, and the passage or failure of passage of this legislation has no relationship direct or indirect with this status. The rights of labor unions and their activities in regard to agricultural related businesses is whatever it is under existing law, and the passage of 5-6 will have no effect on this one way or the other. ALSO, Senate 8 does not deal directly or indirectly with "compulsory unionization of farm labor."

It is true that organized labor supports the passage of Senate 8. It is equally true that Farmers Union and the National Farmers Organization are also supporting this bill. The critics say that because organized labor is sup-

porting the legislation, it is bad; and, organizations join in the support, the critics never tell the whole story that labor's support for federal farm program cooperative loans, soil conservation program, Home Administration credit programs, and things essential to agriculture, all of these be discontinued. It is too bad that we choose to drive a wedge between ag support for farm programs to achieve...
Of course, Farmers Union supports Senate 8. It would be unconscionable for us. How could we ask Congress to give us authority to bargain for price under the National Agricultural Bargaining Act, at a time insist that it deny farm labor status of bargaining power. Secondly, if we then we ask for legislative curbs on farm labor unions the right to demand corporations.

It is a pure myth for the critics of "straw man" burning to provide scare possibility of workers on family farms. Senate bill would only apply to organized labor and from a practical stand point, these are corporate farms.
It is illogical and unreasonable to believe organizations have the least interest in family farms. It would be a virtual and the cost would be exorbitant. The factories and industries in the cities, and dred workers in a single building that are the unions. Why would organized labor sources in an effort to organize workers? The anti labor forces, joined with a lobby that is bankrupt of agricultural issues, will such issues as the controversy on Senate 8 gands purposes. With all their efforts, find fertile ground among thinking people. The poisonous seeds they sow will and grow among the ignorant and the un-

The Directors of the Knox County Farmers Union also urge you to write our Congressmen Graham Purcell and Omar Burlison, and Senators John Tower and Ralph Yarborough, in regard to the truthfulness of the above statement.

Knox County Farmers Union, J. T. Offutt, County President

vs. Pollution**

Rainfall that is used by woody plants such as the mesquite is lost to the rancher. Control of brush by aerial spraying increases grass production and reduces loss of water by runoff. Loss of rainfall by runoff is another way that it is lost to farmers and ranchers, causing erosion and sedimentation in our ponds, streams, and lakes.

Truscott News

BY RUTH BROWN

Labor Day weekend, September 5 and 6 will be reunion time at the two Knox County communities of Truscott and Gilliland.

Former residents are invited to bring a basket supper and meet at the Community Center in Truscott for supper on Saturday, September 5 at 7 p.m. After the meal Paul Bullion has promised a country music group to provide background for talk.

The neighboring community of Gilliland will meet the next day at the Gilliland School for lunch. Former residents are expected to begin gathering about 9 a.m. Music for the Gilliland Reunion will be provided by the Propps Band.

About 700 persons usually attend the Gilliland gathering and about 200 people attend the one at Truscott.

Mr. and Mrs. Tommy Westbrook and children visited Miss Cora Tolleson in Quanah Saturday.

Bob Brown of Crowell spent the weekend with his grandparents, Mr. and Mrs. J. R. Brown. Visiting in the home of Mr.

and Mrs. Elmo Shaw and family over the weekend were Mr. and Mrs. Billy Shifflett and children of Graham.

James Corder and his daughter Kristin, of Sherman are visiting his parents, Mr. and Mrs. W. O. Corder.

Mrs. Bill Rake and Mrs. Vela Scales of Vernon attended the Rogers Reunion at Fort Belknap last Sunday. They then visited in Fort Worth through Thursday.

Visiting in the home of Mrs. Irene Gerold Sunday were Mrs. Venas Brinkley, her daughter, and Mrs. Beulah Moody of Lamar, Colorado, who were on their way home from visiting their sister, Mrs. Sexton Hord in Abilene, Saturday. Mrs. Brinkley and Mrs. Moody are former residents of Truscott.

Mrs. J. C. Eubank visited Mr. and Mrs. Lloyd McLaughlin in Carlsbad, New Mexico, and Louis Eubank in Denver City, who brought her home Saturday.

Mr. and Mrs. Bill Rake visited Ben Hogan in the Crowell Hospital Friday.

Mrs. W. H. Haynie reports

that her granddaughter and her husband, Mr. and Mrs. Rody Williams, have moved from Houston to Amarillo where he will attend West Texas University.

Ralph Caram Jr. and son of Wichita Falls visited his parents, Mr. and Mrs. Ralph Caram Sunday.

At the Truscott Baptist Church Sunday the Rev. Joe Mitchell preached the morning and evening sermons.

Mrs. Venas Brinkley, her daughter, and Mrs. Beulah Moody of Lamar, Colo., visited Mr. and Mrs. W. H. Haynie Sunday.

Visiting in the home of Mr. and Mrs. Ralph Caram over the weekend were Mr. and Mrs. Alfred Caram of Arlington.

Mr. and Mrs. Arnold Navratil went to Stigmar, Okla. last Friday where they attended funeral services for her mother, Mrs. W. T. Kellon Monday.

Gilliland Baptist Church will meet on Sunday, September 6 with morning services from 10 to 11:00 a.m.

Freddie Caram of Munday and friends visited Mr. and Mrs. Ralph Caram Sunday.

David Navratil returned for the fall semester at UTA in Arlington.

Several women from Truscott and Gilliland attended a meeting at Benjamin last Monday. Plans were made for a Knox County Senior Citizen Forum, in observation of Senior Citizen Week in September.

The weather this week has been cooler with a few sprinkles.

Mr. and Mrs. Tommy Westbrook and children visited Mr. and Mrs. Grady Chapman in Wichita Falls last Sunday.

Workshop To Be Held At Abilene Public Library

A Storytelling Workshop will be held at the Abilene Public Library September 11 and 12. Miss Laurie Dudley, coordinator of children's services of the Dallas Public Library, will be workshop consultant.

"This is an opportunity for people in your community as volunteers who will join in promoting the storytelling program in your library," said Theima Andrews, head of the Abilene library. "We have purposely made this a two-day workshop hoping that some will be able to participate both days, but the program is also being planned so that, if you can attend only one day, it will be profitable to you."

"The workshop would be of interest to many associated with organizations in the community, such as Sunday School and kindergarten teachers, and others who work with children, as well as parents and grandparents who enjoy reading to their offspring," Miss Andrews added.

There is no charge for the workshop but there will be a nominal fee for persons having lunch with the group.

SUMMER FISH DIE OFF

Hot, windless days of August and September are the times when Knox County pond owners should be on the alert for summer die-off of fish.

Oxygen depletion, due to the dying and rapid decaying of water weeds and other organic substances when the weather is hot and still, usually is the cause of fish die-off.

All animal life in the pond uses oxygen 24 hours a day. Oxygen is replaced by surface absorption from air and by release from microscopic plants only during the hours of sunlight. Therefore, it is lowest in ponds at daybreak. If the supply is dangerously low, fish will surface and gasp for air in the early morning.

To relieve the oxygen shortage, broadcast from 50 to 100 pounds of superphosphate per surface acre over the pond. This buffers toxic effects of carbon dioxide and ammonia and stimulates microscopic plants to produce more oxygen. If treated soon after fish show distress, the situation is usually relieved in short order.

Using outboard motors to stir up the water and replenish the oxygen supply is often used for small ponds. If a pump is available, water can be pumped from the pond bottom and sprayed on the surface.

Suffocation from the lack of oxygen is not the only cause of fish die-off. Careless use of insecticides when spraying crops or livestock can also cause fish to die. This situation should be considered before chemicals are used near the farm pond or lake.

FEED MINERALS TO CATTLE

Due to the current grazing conditions, stockmen are advised to check the diets of livestock on pasture to make sure they are getting needed minerals.

While minerals are not "cure-alls", they are essential along with proteins, carbohydrates, fats and vitamins for good animal nutrition.

Cattle under normal grazing conditions require sodium, calcium phosphorus chlorine and additional trace minerals. Trace minerals are supplied in adequate amounts from natural forage and water.

Sodium and chlorine are obtained from ordinary salt. Cattle should have free access to salt, preferably granular, at all times.

Calcium and phosphorus are obtained from green grazing but under conditions which now exist, they may be deficient. Unless the deficiency is severe, stemmed bonemeal fed free choice should supply the needed elements. It's a good idea to keep bonemeal available to cattle at all times.

Phosphorus is usually more deficient than calcium in most parts of Texas, and results in loss of appetite and weight, de-

cline in milk production, poor calf crop and failure to breed. Prolonged deficiency causes cows to become lame and stiff in the joints. Should this condition occur, phosphorus should be added directly to the drinking water.

Minerals should be placed in a sturdy container divided into two sections. Loose salt should be kept in one section and bonemeal in the other. Mineral boxes should be placed in study areas and near water supplies.

GOOD TIME FOR SOIL SAMPLES

Though it is dry in the county at the present time, preparation for fall seeded crops should not be neglected.

In addition to soil preparation, soil samples should be taken and sent to a soil testing laboratory for analysis. To be of greatest value, the soil sample must be representative of the sample area. Test results can be misleading and the recommendations inaccurate if the sample submitted is not representative of the field.

By testing now samples will be dry, information will be available for fertilizing planned small grain fields. The testing laboratories are not usually rushed at this time of the year and results can be returned sooner.

A soil test measures the relative available nutrient levels of the soil and when coupled with the soil type and previous crop and fertilizer history, makes a good guide for the profitable use of commercial fertilizer.

Because of the growing shortage of grazing and in some parts of the county a shortage of hay, the maximum production of fall and winter grazing is a necessity for stockmen. Correctly fertilized fall and winter grazing crops are the ones which will produce maximum yields.

1946 Study Club Has Meet Wed.

At a called business meeting

of the 1946 Study Club last Wednesday, August 26, at 10 a.m., the eleven members present voted to cooperate with the Knox City Study Club and the Knox City Garden Club in a Christmas lighting contest this year.

The club's new president, Mrs. Robert Willison, presided and conducted a discussion of the club year book and accepted the resignations of Mmes. Samuel Tankersley and Tom Kent in behalf of the member-

ship. Members present voted to sponsor the Junior-Senior Prom as a standing project each year and appointed Mmes. Sam E. Cloets and Robert Howell co-chairmen of the project. Plans were made for the annual Study Club Volleyball Tournament to be held the first week in March, 1971, and Mmes. Glen Humley and David Altus were graciously accepted as new members.

The Club's opening dinner is planned for later this month.

Announcing

The Sale Of Blohm Studio To Mr. and Mrs. Kenneth

Thank You!

Words cannot express our appreciation all the fine people in Haskell and Knox Counties who we have had the privilege of serving all these years.

We are grateful and ask you to cooperate with the new owners and continue your support of this studio.

Blohm Studio

Mr. and Mrs. M. L. Blohm
Haskell, Texas

NOTICE

Smith Funeral Home --- announces its annual enrollment for memberships in its

Bigger Burial Plan

Any courtesies extended our representatives --- Alvin Smith, Esther Jones, Bess Erwin, Mr. and Mrs. Melvin Gartman or Willard Thompson --- will be appreciated by us.

No age limit --- no medical examination required.

It's just so much better to have a plan at the funeral home and not need it than to need it and not have it.

Conservation vs. Pollution

Proper use of rangeland means grass for livestock production, erosion control, reduction of water runoff losses, and the provision for food and cover for game birds. Landowners in Knox County, in addition to the above-named benefits, may also gain supplemental income from hunting leases and provide recreational outlets for city dwellers at the same time.
