VOLUME 50

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, SEPTEMBER 1, 1955

NUMBER 39

Little girls have a hard time keeping up with "Big Brother," so when 7-year-old Gary Campbell broke his right arm in a fall off a chinning bar, it took his little sister, Gayle, who is almost four,

exactly two weeks to break her right arm! Gayle's fracture was received in a fall from a wagon. She and Gary are the children of Mr. and Mrs. Tom Roberts Campbell.

## Dr. McClellan Dies; Funeral in Ft. Worth

Funeral services for Dr. E. O. McClellan were held in Ft. Worth Wednesday at 3 p. m., friends here learned.

Dr. McClellan, about 31, died of cancer Monday, Aug. 29 in McAllen, Texas.

While living in Munday and Haskell Dr. McClellan maintained an optometry office in Knox City and made many friends here.

Immediate survivors are his wife, a daughter, and an adopted son.

## Car, Truck Involved In Accident Tuesday

Mrs. A. G. Varnell was admitted to the Knox County Hospital for observation following an automobile accident Tuesday morning.

The Varnells' 1951 Ford was heavily damaged when hit broadside by a Texas Highway Department dump truck driven by Frank Nance of Munday.

The accident occurred at the intersection of Porter & White Feed Store about 9 a. m. Mr. and Mrs. Varnell were going east and the truck was leaving the gin yard, headed southeast into the intersection. The Ford was driven by Mr. Varnell.

## Returned Missionary To Speak Wednesday At Baptist Church

Miss Aletha Blanche Fuller, missionary on furlough from Africa, is to speak at the First Baptist Church Wednesday, September 7 at 8:00 p. m., the Rev. Billy Frazier, pastor, announced this week.

Miss Fuller, a native of Abilene, is the daughter of Mr. and Mrs. Roy C. Fuller. She is a graduate of Abilene High School, Hardin-Simmons University, Baylor University School of Nursing in Dallas, and Southwestern Baptist Theological Seminary in Ft. Worth. She was appointed missionary in 1951, going to Joinkrama, Nigeria, in the Niger Delta area. This is place of which Dr. M. E. Dodd of Shreveport, La., said, "Well, I've heard of the back side of nowhere and now I've seen it: Joinkrama!"

The newest of the Baptist hospitals in Nigeria is located in Joinkrama. Work was begun in mud huts in 1946, and the first permanent buildings were erected in 1950. Homes and hospital buildings are constructed of cement blocks, because ants soon destroy native materials. Many houses are built on pillars 10 feet high because of flood dangers. One of the most disastrous floods in Joinkrama history occurred during Miss Fuller's stays there.

Miss Fuller will spend much of her year at home lecturing, and will return to her field of service next June.

## Classes to Begin Friday For Knox City Students

Members of the Senior class began registration activities for the 1955-56 term of the Knox City High School Wednesday morning at 8:30. By noon, 23 seniors had registered.

Members of the junior class registered Wednesday afternoon. Enrollment of sophomores began this morning at 8:30 and freshmen were to register this afternoon beginning at 1:30.

All students will report to the school tomorrow (Friday) morning for a full day of work. Buses will make their regular routes and lunch will be served in the lunchroom. Price of lunches will be 30 cents per student.

School will be dismissed at 3:00 o'clock tomorrow, Supt. Chas. E. Silk said.

Employment of Jess Hitchcock as high school math and science teacher was approved by the school board Thursday night, Aug. 25, completing the faculty for the 1955-56 term with the exception of a public schools music teacher, who will be employed on a cooperative basis with other schools in the county.

Improvements in the school

plant this year include the installation of a dishwashing machine in the school lunchroom. The machine will be more sanitary and will speed up serving of the students.

Number of typewriters in the commercial department has been increased from 18 to 22, and the homemaking department will have two new sewing machines. The school board has also authorized expenditure of from \$400 to \$500 on the science department and \$1,000 each on the high school and elementary school libraries.

Two new duplicating machines have been purchased to assist the teachers in preparing lesson assignments. Parents will not be asked to purchase work books for the students' use, Mr. Silk said.

A concession stand is being completed at the athletic field, and an enclosed press box will be built, the superintendent said.

The high school now offers 30½ units, 16 of which are required for graduation. New courses to be offered for the first time are chemistry and bookkeeping, and driver training will be offered again.

## Former Pastor to Speak at Local Brotherhood Banquet

The Rev. Emil V. Becker will address the Ladies Night meeting of the Brotherhood of the First Baptist Church, it was announced this week by Jack Fisher, Brotherhood president.

The meeting will be on Monday, Sept. 5 at 8:00 p. m.

The Rev. Becker, former pastor of the local church, is now pastor of the First Baptist Church in Stephenville.

The program planned by Claud Reed, program vice-president, will begin with the invocation at 8:00 p. m. Bud Thompson, social vice-president, will direct the serving of the supper. Congregational music will be under the direction of Clifford Cornett, with special music by Miss Mary Hitchcock and Miss Belinda Coates.

## Board Approves Transfer of Negro Students to Haskell

School board members at a meeting Thursday night, Aug. 25, approved the employment of J. C. Todd and Mrs. Exelena Williams as teachers in the McGee-Ward School, Supt. Chas. E. Silk reported Wednesday.

Other business transacted during the meeting included the authorization of transportation for carrying local Negro students to Haskell for high school work.

Board members placed formal approval on the school's purchase of the Barrie Humphries home just south of the school campus.

The superintendent was authorized to enter into an agreement with Security Risk Insurance Co. for the protection of football boys and student body against injuries received at the school.

Mr. and Mrs. Wade Lewis of National City, Calif. have announced birth of a daughter on August 12 in a San Diego hospital. The girl weighed 6 pounds, 9½ ounces and has been named Debra Nell. The Lewises are former residents of Knox City, moving to California in the spring.

## 'Hounds, Trent to Meet Friday Nite On Local Field

The 1955 football season for the Knox City Greyhounds and their fans will begin tomorrow (Friday) night on the home field, when the 'Hounds meet Trent.

Wednesday, Coach Les Cowan had no statistics on the Trent team, but since the Trent district is large he believes the visitors may be fairly strong.

After a week and a half of twice-a-day grills the Greyhounds still need practice, the coach said, and may be expected to make mistakes in Friday night's game. But with six practice games scheduled, the boys are expected to show a great deal of improvement before the district season starts Oct. 28.

After tomorrow night's game the 'Hounds will have an open week before they meet the Stamford B team on September 15. This will be their third game with the Bulldogs, and the Greyhounds are still seeking a win.

Other practice games scheduled are with Hermleigh here on September 23; Newcastle here, Oct. 7; Moran there, Oct. 14; and Strawn here, Oct. 21.

District games are with Aspermont on Oct. 28; Rule Nov. 4; Rochester Nov. 11 at 2:30 p. m.; and Lueders Nov. 18. The first two games are away from home, while the last two will be played on the local field.

With twenty-two boys suited out, Coach Cowan will have nine players who won letters last year, including seven who were first stringers on the 1954 team. The regulars who are back are Quarterback Don Corley, 160 pounds; Halfback Max Bradley, 150; Fullback Bobby Day, 175; Halfback Cecil Beauchamp, 150; End Ross Ed Lankford, 155; Tackle Martin Lewis, 171; and Guard Carl Bradley, 165. Other returning lettermen are Tackle Don Tankersley, 175; and Center Rip Collins, 155.

Other boys on the roster are Quarterbacks Joey Watkins, 140; and Montie White, 145; Fullback Ladell Driver, 120; Halfbacks Benton Bolin, 120; and Nathan Ross, 115; Ends Jerry Anderson, 140; Bobby Driver, 155; and Billy Gilpin, 145; Tackle Sam Anderson, 130; Guards George Davis, 125; Bill Yarbrough, 165 and Hoyt Lovelace, 145; and Center Don Bible, 150.

Coach Cowan was waiting for the final practice sessions before naming his starting line-up. The new boys include some promising prospects, he said, and many of them may see action in the opening game.

The game will begin at 8:00 p. m., and all fans were urged to be on hand for the season-opening kick-off.

## ANNOUNCE BIRTH OF GIRL

It's another daughter for Mr. and Mrs. R. B. Howell. The baby was born at the Knox County Hospital Tuesday, Aug. 30 at 10 p. m. She weighed five pounds, 12½ ounces and had not been named today. Mr. Kirk, who has taught science, history, math, and seventh and eighth grade work in the Benjamin schools the past eight years, will work in the college's junior high school and will do graduate work in the college. Mrs. Kirk will take some educational work in the college and the two children will be enrolled in the training school.

The family plans to move to Abilene around Sept. 10. A teacher to fill the vacancy in the Benjamin school has not been employed.

The first regular meeting of the Band Boosters Club for the school year will be held Monday night, Sept. 5, in the high school library. The meeting will begin at 8 p. m.

A program will be directed by Mrs. Doyle Graham, program chairman, and Supt. Chas. E. Silk will give a report on the new band uniforms.

Parents of every band member were urged to attend the first meeting and help get the band started on a new year.

## MEETING HOURS OF GOSPEL MISSION CHANGED

The Rev. Nettie Wilcox, pastor of the Gospel Mission, has announced a change in the time of evening services at the church.

Sunday and Wednesday night services will begin at 7:30 instead of at 8 as in the past. Sunday School will still be held at 10 in the morning.

"If you do not have a church home, you are cordially invited to worship with us," Mrs. Wilcox said. The mission is located at 812 E. 4th St.

Mr. and Mrs. Henry Jones are spending this week at their cabin in Ruidoso, N. M.

Pvt. Joe W. Swearingen, son of Mr. and Mrs. A. W. Swearingen of Jayton, formerly of Knox City, has left for overseas duty in Germany. He was stationed at Fort Carson, Colo., before leaving for Fort Dixon, N. J. Pvt. Swearingen attended schools in Knox City and graduated from Peacock High School this year.

## 'JUST' PEACE WITH COMMUNISM IMPOSSIBLE, SPEAKER TELLS LIONS

Guest speaker at the Knox City Lions Club Wednesday was Carlos Gruber, musician-organist who is in charge of the music for the O'Brien Baptist revival which began Sunday, Aug. 28.

The speaker's subject was "Is Peace Possible With Communism?"

Gruber is a native of Latvia, which is now behind the Iron Curtain, and spent 15 years in Brazil. He came to America in 1937 and for six years was pastor of the Latvian Church in New York City and editor of the Latvian Monthly Messenger. He promoted and successfully staged an intensive relief campaign for Latvian displaced persons.

Basing his answer on his own personal experience with Communism, his contacts behind the Iron Curtain, and on history and current events, Gruber said "There will never be a just and righteous peace between Democracy and Communism." This is not a popular statement today, he added, "because many people want to be fooled."

"While we are talking about

## TWO KNOX CITIANS RECEIVE SCOUTING HONORS

L. E. Groves, local scoutmaster, and David Neil Perdue, son of Mr. and Mrs. Neil Perdue, were initiated into the Brotherhood of the Order of the Arrow, secret honor organization in scouting.

In an Indian theme, the initiation ceremonies were held at Camp Perkins, near Wichita Falls, Saturday and Sunday, August 27-28. The two, along with S. E. Park, Jr., and Rip Collins, Jr., were tapped out for the Ordeal, first initiation of the OA, in August, 1954 during ceremonies at Camp Perkins.

Other local Boy Scouts who are or have been members of the Brotherhood are Rob and Bob Jensen, Millard Lain, Monroe Thomas and George Wesley Coats.

peace," he continued, "factories on both sides are working overtime producing weapons of war—on this side for defense, on the other side for offense."

Gruber pointed out that there has never been a case in history where an armaments race did not finally come to open conflict.

It is every Communist's dream, he said, that some day the whole world will be Communist and will be subjugated to Moscow. "The tragedy is that this dream is fast coming true. During this decade of peace—so-called—the Communists have enslaved hundreds of millions of people. There is not one country in the world today that does not have a Communist problem."

In the United States, he said, the Communists have gone underground, but they are stronger today than ever.

Other reasons for his belief that there will be no lasting peace he gave as the historical fact that Russia will not keep international treaties, and that Communists believe "the end justifies any means." "We cannot deal with true representatives of the Russian people, he added, "because there are no free elections there. Every man in power in Russia got there through bloodshed, purges and murder. Beside the Communist regime, Hitler looked like a Sunday School teacher."

The Communists do not want a real peace, Gruber believes, because they want to continue to take over countries as they have the past ten years.

Pointing out that Communism is a social ideology, the speaker said, "We need greater spiritual power to cope with this situation; the power that comes from above—God's power."

"I am for defense but we cannot depend on defense; we must turn to God. President Eisenhower was right when he said that the greatest need in the world today is a great religious revival."

## Northern Star to Sponsor Program, Watermelon Feast

Northern Star Seed Farms of O'Brien will be host for a watermelon feast and free program by the Stamps Ozark Quartet on Tuesday, September 6, it was announced this week by S. N. Reed, sales manager for the firm.

The festival and program is in lieu of the "Field Day" sponsored by Northern Star a number of years in the past.

The affair is an "appreciation meeting," Mr. Reed said. "It is a way of expressing our thanks to everyone by the associations we have had with them through the years."

At 5:00 p. m., everyone who desires is invited to visit the breeding block of Northern Star Seed Farms.

The program will be held at the O'Brien Baptist Church, beginning at 6:30 p. m.

The public was cordially invited to attend.

**Former Resident Weds at Tulia**

Miss Mary Ellen Montandon, daughter of Mr. and Mrs. Louis Montandon of Tulia, became the bride of Carl Durward Jennings, son of Mr. and Mrs. Hershel Jennings of Canyon, in a double ring ceremony performed recently at the Central Church of Christ in Tulia. Paul Epps, minister, officiated.

A group from the church sang the traditional wedding marches and provided background music for Miss Joann Stanaland as she sang "O Promise Me" and "Because."

The altar was centered with a large pink net fan with a sunburst of white gladioli. On each side were pink candelabra bearing white tapers. Family pews were marked with white net fans and clusters of fern and ribbon.

Maid of honor was Miss Barbara Flynt, and bridesmaids were Misses Rena Stouter and Joann Stanaland. Neal Jennings of Silverton was his brother's best man, and Larry Stroup of Canyon and Brent Joy of Tulia were ushers.

Given in marriage by her father, the bride wore a dress of all-over allicon lace and net tulle. The quaint and demure bodice was of imported lace. The high collar was victorian and had a lace bow for the trim and a miniature button closing. Sleeves were elbow length and tapering. The full and billowy skirt was of illusion net, a graceful sweep to the floor. The bride's veil was of illusion net and the headpiece was a tiara crown of seed pearls.

**STREAMS in Desert Places**

By Ozeile Stephens

There is a stream of power flowing from Jehovah-Shammah, "the Lord is present." This name signifies Jehovah's abiding presence with His people. (Ex. 33:14).

Many times life has sufferings, but you are made able to suffer without complaining by the touch of His ever-present power. You can be misunderstood without explaining, you can endure without a breaking. His presence gives strong consolation and you are able to be forsaken without forsaking, even to be ignored without any grieving. He gives you love despite misunderstanding.

Through the binding trials you learn how to trust that you are made free. His presence encourages you to wait for His guiding and His own rewarding. Stay in His presence until you feel the holy touch of his ever flowing power on your life.
