KNOX CITY, KNOX COUNTY, TENN., THURSDAY, JUNE 25, 1936

NUMBER 32

ROUND UPS

by "The Wrangler"

Nineteen years ago today, the first American troops landed in France to begin an armed conflict of sovereign powers "to make the world safe for Democracy", because there was "no such thing as a man being too proud to fight".

The seventy-first "Juneteenth" celebrated last Friday by the American Negro, marked another year of freedom for the black race in the United States. All progress made by the Negro came as a result of severe and constant struggle rather than of artificial forcing. Booker T. Washington, the messiah of the American Negro, who was respected by captains of industry and who broke bread with Theodore Roosevelt at the White House, did much for the enlightenment of his fellows and in teaching the world that the most promising path of progress for the black man was the instruction of the practical trades. His credo well expressed the fundamentals underlying the construction of a successful nationality of any people, regardless of color. The colored educator and reformer said: "No race can prosper till it learns that there is as much dignity in tilling of the field as in writing a poem. It is at the bottom of life we must begin, not at the top".

Charles Dickens, beloved English novelist and creator of interesting characters, often assumed either of two pen names—"Boaz", or "Quiz", and Washington Irving used Dickrick Knickerbocker for his pen name. "Pseudonym" is another way to say, pen name, but it is hard to spell and pronounce, so let's say pen name.

Youthful collectors of autographs of celebrities should take care to address the notable properly. In writing to the emperor of Ethiopia, the letter is addressed properly with a "Your Imperial Majesty"; to the king of a sovereign state, "The King's Most Excellent Majesty"; "My dear President" is good usage in addressing the Chief Executive of the United States. A member of the Senate may be addressed, "Dear Senator", but Joe E. Brown will accept a "Dear Joe" as a salutation.

John Hamilton, chairman of the Republican National Committee, is a brother of Hale Hamilton, well known movie actor.

Democratic party leaders are not worried over who will be chosen as their nominee for the November election, and can spend more of their time in mapping out a platform. It is evident that there will be a plank for a broader interpretation of the Constitution as well as provisions for the continuation of the present system of relief.

Reminders: President Roosevelt nominated Alfred E. Smith as Democratic candidate in Houston at the 1928 convention. Just look at them now.

It is better to drive safely than speedily on our highways.

Shakespeare once said: "Man is merriest when his is away from home", and we are thinking perhaps that accounts for the "Whoop-it-up" parades at our national political conventions.

O. B. King was in Wichita Falls Tuesday in the interest of J. J. (Pat) Bullock, candidate for State Superintendent.

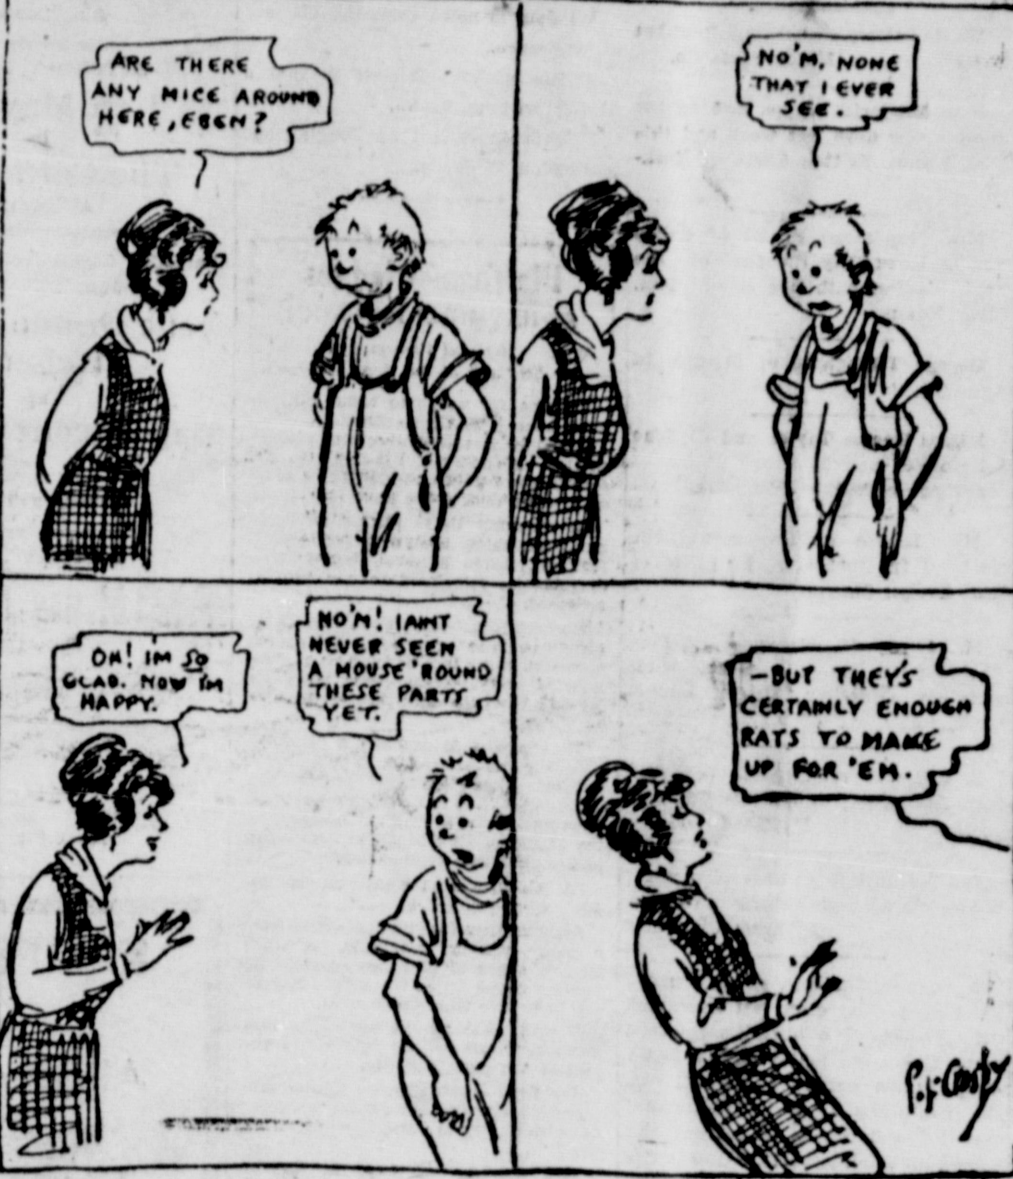

Guests in the J. W. Hamm home Sunday included Mr. and Mrs. Walter Murchinson of Haskell, Mr. and Mrs. Clyde Smith and children of Ralls, Texas and Mr. and Mrs. Charles George of Seymour.

Mrs. Pullege, who lives west of the railroad, is in the Knox county hospital. Although her condition is serious she is reported as being improved today.

Mr. Wash Rayburn 51, Munday, Texas died suddenly at his home Monday of this week. He was found dead on the bed shortly before noon where he had laid down to rest a few minutes. Mrs. Rayburn died a year or so ago. Several children now survive.

Three Rooms and Bath.

By PERCY CROSBY

CHRISTIAN WOMENS ASSOCIATION MEETS MONDAY

The Christian Womens Association meets Monday, June 29 at four o'clock in the First Christian Church. The following program will be given: Devotional, Mrs. T. S. Edwards. Prayer, Mrs. T. E. Robbins. Centennial Cleanup, Mrs. C. C. Hoge. Park discussion, Mrs. S. M. Clonts. Special music arranged by Mrs. Clonts.

Election of officers. Ladies of all churches are invited and urged to attend this meeting.

Ex-students of the Sunset school held the annual picnic at Seymour park, Friday, June 19. Those attending were Mary Elizabeth Shannon, Myrtle Partridge, Ollen Mae Partridge, Hershall Freeman, Dollie Nix, Harold Partridge, Elmo Flennigan, Nina Newberry, Willine Lane, Edna Hudson, J. C. Walling, Rex Howell, Herman Reeves, Lillian Ray Hudson, Cornea Hunter, Bessie Hunter, Gwendolyn Groves and Zoe Lynn Swann.

Methodist young people of the Seymour Union are meeting Sunday afternoon at three o'clock in the Thorp church. Program to be given follows: Prayer, Rev. Baker, Goree.

Devotional, Mary Elizabeth Shannon. Special song, Margaret Shannon. Report of assembly, Lula Mae Siffert. Reading, Cora Jean Martin. Report of assembly, Myrtle Partridge. Violin solo, Tommy Greer, Rochester. Business and recreation.

Every one is invited to attend.

Reverend and Mrs. W. D. Green were delightfully surprised Sunday when some fifteen Sylvester people attended the morning service. They were further surprised after the service when they learned the Sylvester crowd had brought their dinner, even to the iced tea and ice cream. It was really a most enjoyable day in the Green home.

Claude and Harvey Freeman spent Sunday in Abilene with their brother James E. Freeman. The brother is ill having undergone an operation recently. James Freeman has accepted a position with A. C. C. beginning in September, as Secretary-Treasurer. He held this position with McMurray college for the past ten years.

Billy Joyce and Wanda Lola Milford returned home Monday from Crowell where they visited Mr. and Mrs. Bud Thompson. They with their parents Mr. and Mrs. John Milford went to the Jarvis home in the sunset community Tuesday to be gone a week or more.

McFARLANE SPEAKS TO KNOX CITY VOTERS

W. D. McFarlane, candidate for congress, 13th district spoke to citizens of Knox City Wednesday night at 8:30. Although the crowd was small McFarlane made a splendid talk, one that will enable the voter to make up his mind. Thursday morning McFarlane visited with citizens over the business district.

Mrs. John A. Smith of Benjamin returned home last week from Lubbock where she was called to be with her father in the hospital. Mr. Roach was able to be moved to Benjamin and is now given two rides each day. Tuesday Mrs. Smith drove Mr. Roach to Knox City for a visit with the Smith families. Mr. Roach is doing very well.

Mrs. Smith's sister from Lampasa, and her brother, Dick Roach of Level land, were also with the elder Mr. Roach in Lubbock. They made the trip to Benjamin with him and Daisy Dean.

A club footed, deformed man passing through Knox City Monday created no little sympathy among pedestrians who saw him go through town. Although not having the full use of well developed members of his body he was perseverant and after helping himself to water at a service station, he shouldered his hand bag and plodded on his way.

David Clarke returned home last Friday from Wichita Falls where he spent three weeks with his grandmother, Mrs. Hutchinson and his aunt Mrs. Floyd Hamm.

H. B. Sweeney drove to Wortham Saturday night for Mickie. The two were accompanied home Sunday by Milton McLeland. Milton plans to spend two weeks with Mickie.

Mr. and Mrs. Ford Waldrip were called to Gorman last Thursday in the death of Mrs. Waldrip's aunt, Mrs. Cradock.

Miss Sydna Edwards and Tommy Hampton of Dallas spent the week end here in the home of Miss Edwards' parents, Dr. and Mrs. T. S. Edwards.

Mr. and Mrs. D. D. Hairston were called to Pampa Sunday in the death of a relative. They returned by way of Crowell to bring home their daughter Thelma Jo who had been visiting relatives.

Mr. and Mrs. West were called to Weatherford last week in the illness of her sister. Mr. West is employed at the Gra-Tex Service Station.

GRAND DAUGHTER OF T. A. BROWN FINISHES FOUR YEARS OF SCHOOL WITH "A"

Miss Mary Evelyn Davis, daughter of Mr. and Mrs. O. K. Davis of Floydada and grand daughter of Mr. and Mrs. T. A. Brown of this city was an outstanding pupil in the graduating class of 71 boys and girls of the Floydada school this year. Mary Evelyn was the youngest of the 71 graduates, made a straight "A" average through out the four years of high school work and was neither absent nor tardy during that time. She was a member of the choral and dramatic clubs and took part in all the school activities. She was a splendid all round girl.

Mr. and Mrs. Brown of this city and Mr. and Mrs. Chester Bowden of Munday attended the graduation exercises of the Floydada High school held the last of May.

Ed Shaver, Raymond White and Ancil Waldrip left Wednesday for Don Martina Lake in Old Mexico, fishing. We hope they make as fine a catch as the crowd did with S. L. White.

It seems that Shirley Park and both Mr. and Mrs. Roy Baker are bad about killing their own dogs. All three have run over their own dog within the last few weeks.

Miller Herring is completing a nice four room cottage on the A. L. Lea farm this week. Mr. and Mrs. Lee hope to move into the new cottage very soon.

Reverend and Mrs. W. D. Green are attending the Baptist Encampment at Leuders this week. Others from Knox City have gone down during the week.

Mr. and Mrs. Press Hitchcock and children of this city and Mr. and Mrs. W. P. Hitchcock of O'Brien drove to Anson Sunday to visit relatives. Mr. and Mrs. Jess Hitchcock of Albany also spent the day in Anson.

Mr. and Mrs. Press Hitchcock and children spent Thursday of last week in Stephenville with Mrs. Hitchcock's aunt Mrs. Henry Maxwell who is critically ill.

B. M. Farmer and Ched Wilson went to Hamlin Sunday to see Panny and other Knox City boys play in the golf tournament.

Miss Georgia Mae Stubbs returned home Sunday after having spent three weeks with her sister Mrs. Epp Wilson in Big Springs.

PANNY FARMER WINS HAMLIN GOLF TOURNAY

Panny Farmer won the championship title, having defeated Olie Bristol of Big Springs in the finals, in Hamlin's Invitation Golf Tournament held over the past weekend. This is Panny's second, consecutive year to win in the Hamlin Invitation Tourney. His award was a fine Elgin wrist watch.

In the tryouts Panny became Medalist with a score of 64, eight under par, and was awarded a Gladstone bag. Others from Knox City taking part in the tournament were Morris McCarty, John Elbert Smith, C. J. Reese, John Milford and Bob Edwards.

Morris McCarty was runner up in the third flight and received a golf bag. John Milford was runner up in the fourth flight and received a desk fountain pen set. C. J. Reese brought home consolation prize of the fourth flight, a smoking stand.

Panny states that competition in the tournament this year was greater, better trained, better golf players than that of last year. He also says the tournament was fine and that he hopes to take part in the other tournament at Hamlin.

Mrs. H. M. Jones and children are visiting her mother in Lamesa. Mr. Jones is the man who operated the combine in this territory this year. The Combine has doubtless moved further northeast as the telephone company reports wires to be broken down all the way between Knox City and Goree. The combine was moved from this territory on a truck and was evidently too tall for the telephone wire.

Texas Cowboy Reunion News

STAMFORD, Texas, June 23—Final preparations are being completed by officials of the Texas Cowboy Reunion for the opening of its seventh annual rodeo and round-up here July 2-3-4. All buildings, grandstands and corral fences have received a new coat of paint. The ground of the arena has received a sand-salt treatment, a preparation to prevent dust, which is calculated to be one of the most appreciated improvements that has been made this year.

Ornamental trees and native mesquites on the grounds have made good growth in the past twelve months and will furnish some shade to comfort and cool the weary cowboy or other visitors who seek shelter from the sun. A high wire fence has been built on three sides of the 42 acre Reunion tract and a steel woven wire fence with four ornamental gates adorns the main entrance. Additional comfort for spectators has been provided by placing foot rests on all seats in the grandstands, and by adding awning-like extensions to the roofs to keep out the sun.

Officials plan to give the patrons their money's worth at all performances. A full carload of 4 and 5 year old, wild Brahma steers has just been received for use in the steers riding contests. There is a herd of 75 strong, kicking cows, with spring calves alongside, for cowboy teams in the wild-cow-milking contest to wrestle and contend with. A new string of bucking horses is on hand, too, for the bronc busters to ride or attempt to ride as the case might be. And some of the toughest horses of last year will be in the arena again this year to do their best and worst to put the rider on the ground or make him pull leather. In the list of old horses is found only those with a bad reputation, such as "Doctor Blackwell", "Candy Wagon" and "Lightning."

Aside from purely rodeo events there will be many other things to interest and entertain the visitors, a round of parties and dances will complement visiting sponsors and other guests. There will be a square dance nightly at the bunkhouse especially for the oldtimers, but the younger cowboys are not barred, and they always join in the merriment. Band concerts will provide downtown entertainment the first day, the grand parade is to be a chief street attraction the second day, and the Old

ONE DEAD ONE INJURED IN ROCHESTER ARREST

John R. Bearden, 63 year old Haskell county farmer is dead and Fonia Greenwade, Rochester Constable, is injured and suffering both from the injury and loss of blood, as a result of the arrest of Johnnie Bearden 25 year old son of the slain man.

Saturday, June 20, Greenwade arrested Johnny and carried him to jail when the father attacked the Rochester officer, stabbing him with a knife under the left arm. The older Bearden then turned to make a getaway but Greenwade lifted himself from the ground and fired one shot. Bearden was hit in the back of the head, the bullet coming out the center of his forehead. He died instantly. Funeral services was conducted Sunday afternoon.

Greenwade has been a patient in the Knox County Hospital this week and is reported as doing well. No charge has been made against him in the shooting.

J. A. Wilson with the postmaster of Munday, Lee Haymes, and two other Munday men, drove to Wichita Falls Monday night to hear McFarlane speak. They report a heavy run to have fallen in Wichita Falls while they were there.

The Missionary Society of the Methodist church met Monday afternoon with Mrs. L. L. Davis, joint hostess being Mrs. S. E. Park. Reports on the Annual Conference held June 21, 22 and 23 in Amarillo were made by Mrs. C. C. Hoge, Mrs. L. N. Bridges, Mrs. S. M. Clonts, Mrs. J. A. Wilson, Mrs. E. L. Huntsman and Mrs. H. L. White.

Mrs. Park conducted two interesting games, presenting as a prize in one to Mrs. C. C. Hoge and the other to Mrs. J. A. Wilson. Following refreshments of sandwiches, pickles, potato chips, angel food cake and iced tea were served. Plate favors were handkerchiefs, presented by capsul sisters, at the same time revealing the name of capsules. New names for a period of six months were drawn.

Mr. and Mrs. W. E. Benedict and Billy Bess, Mr. and Mrs. H. M. Jones and children and Jean Ann Smith left Sunday for Corpus Christi. Jean Ann will remain in Corpus with her aunt Mrs. Forman for some three or four weeks. The remainder of the party are returning home the last of this week, coming by way of Galveston and Dallas.

Mrs. Hattie Jones, J. D. Jones and Miss Stella Callous of Vernon spent Sunday here with Mrs. Jones' daughter Mrs. Otto Lawson.

Joe Reeder returned home last Friday from T. C. U. in Fort Worth.

D. H. Henry was honored with a "Fathers Day Dinner" Sunday given by his daughter Mr. and Mrs. Clyde Voss.

G. W. MOORE FOR COUNTY TREASURER

Mr. G. W. Moore has authorized to place his name in our announcement column as a candidate for the office of County Treasurer of Knox County subject to the action of the Democratic primaries.

Mr. Moore is not a stranger to most people of the county, but to those who are not well acquainted with him we would say that he is a native of Texas and has been a resident of Knox County for 25 years, having made his home in Munday Goree during that time. He is a who is well qualified to make county an efficient official in capacity of Treasurer, having for a number of years a book and is thoroughly familiar with the duties of the office. He is a man of congenial disposition and would be ever ready to do all with his power to treat the people of the county right.

Mr. Moore states that he will make an effort to see every voter of the county, but he wants this to be a solicitation of your careful consideration.

THE BONUS DISTRIBUTED

With more than twenty-eight million \$50 bonds distributed to more than two and a half millions veterans of the World War, and something like ten million additional bonds to be distributed to a half million veterans who have not sent in their adjusted service certificates, the bonus question may be considered settled so far as the national government is concerned.

To the veteran who received part of the vast sum of \$2,237,000,000 last week the question arises as to how to use the bonds and money

received. That most of the bonds will be cashed is generally assumed and the question relates to the pending of cash money.

Each individual in Knox City who has received his bonus is entitled to use it as he thinks is best without unsolicited advice from professional counsellors of the general public. Each veteran understands his own circumstances and knows what he wants to do with his cash and my advice as one buddy to another is to do as you dam please with your money.

That the vast sum thus scattered through the nation will have important bearing upon business is certain but that it means a new epoch in commercial affairs is nonsense. We advise all tradesmen to go after the bonus dollars and the best way to go after them is to demonstrate to the possessors that what you have to sell is not only worth while but a reasonable and wise expenditure.

A hammer in the hands of an unwise person is a dangerous thing. It can cause more damage than a half dozen men can overcome. The hammer was made to use in building, not to tear down. The only way to overcome the damage of a knocker is to "floor him" when he first gets his hands on a hammer. If you are fully interested in Knox City, get a hammer and help build with it—don't tear down what progressive men have built up. Don't let selfish gain make you a target of criticism from your fellow townsmen. Let us all help in the way that will help the greatest number of people. Let us not only build for today, but look toward tomorrow as well.

Kenneth Lawson returned home Sunday from Vernon where he spent three weeks with his grandmother.

Let us install a Chevrolet radio in your car for your summer vacation. Ashcroft Chevrolet

Curtis Herrick carried his arm in bandage several days last week and this because of a burn he received when firing the boiler at the Tailor Shop. Curtis poured some coal on the fire. When he stirred, the coal exploded and flames lashed out and singed his hair, eye lashes and brows and burned his left hand and arm. He sympathized with himself over the burn but really grieved over the loss of a few strands of hair. You see he has been six months getting his "clipped" hair back to normal.

My PHILOSOPHY
 by DEAN E. V. WHITE
 TEXAS STATE COLLEGE for Women (C.W.)

A good friend is one who like you when you are at your worst.

Pooling another makes the fooler a fool.

Wisdom is more than the absence of ignorance.

A life without friends is like a library without books.

Friendship cannot be bought, but pretension is cheap.

Platform Pledges
 By RAYMOND PITCAIRN
 National Chairman
 Sentinels of the Republic

America for weeks to come will remain acutely Platform-conscious.

Carefully it will ponder the pledges written by each major party into the statement of policies which must serve as a chart during the next four years.

In studying those pledges America must remember that a national platform represents far more than a series of promises calculated to win popular approval.

It represents a solemn contract which should be as serious, as binding, as any covenant under law. It is an agreement which should be as sincere as any made between friends and sealed with a handshake.

That is why in drafting a platform, no party, no candidate, is justified in writing mere political propaganda. None is justified in creating a catch-all for votes. None is justified in adopting the theory of that forgotten homespun philosopher who commented:

"A platform ain't what you ride on—it's what you get in on."

America therefore must demand from a party and its candidate far more than a series of promises enunciating policies under which the people may be led to believe they will benefit.

It must demand the assurance that those promises will be fulfilled to the best of the party's ability.

The furor created by the clocked and managed clamor that sweeps a candidate to victory is thrilling—but short-lived.

The memory of kept or broken pledges endures.

Mr. and Mrs. Carl Morgan and son and Mr. and Mrs. Lloyd Waldrip and daughter spent Sunday with relatives in Post City.

Knox City, Texas

Knox County Public School News
By J. Lyndal Hughes, County Superintendent, Benjamin, Texas

To Trustees of Common and Independent School Districts, and Patrons:

Now that the school year 1935-36 is drawing to a close, it is well for us to plan for another year. One of the first steps to be made in planning next year's program is the classification of schools by the County Board of Education. Section 58, page 20 Public School Laws provides that

"The county board of school trustees, at the regular meeting in May of each year or as soon thereafter as practicable shall classify the schools of the county, including those in independent school districts, in accordance with such regulations as the State Superintendent may prescribe (b)to elementary schools and high schools for the purpose of promoting the efficiency of the elementary schools and of establishing and promoting high schools as convenient and suitable places."

The Knox County Board of Education met in session May 18th, 1936 and classified the public school of the county as follows:

Benjamin	11 grades
Munday	11 grades
Goree	11 grades
Sunset	11 grades
Knox City	11 grades
Truscott	11 grades
Rhineland	11 grades
Vera	9 grades
Gilliland	9 grades
Dixon	7 grades
Lone Star	7 grades
Cottonwood	7 grades
Washburn	7 grades
Union Grove	7 grades
Brock	7 grades
Hefner	7 grades

In the classification of the schools of Knox County, the county board of school trustees has endeavored to take into consideration the adequacy of facilities in each school which would enable it to maintain the standard of work necessary for good work. Rural schools have been classified as seven grade schools with the hope that they shall become standardized. In turn, the county board of school trustees has kept in mind the convenience of high school facilities for the boys and girls completing the seventh grade in the rural schools. A county-wide system of transportation, which will be formally set up in August, is being worked on during the summer months. This set-up will endeavor to serve the maximum number of boys and girls at the minimum of cost. The chief purpose of the set-up is to transport children completing the elementary grades to the nearest and most practicable accredited high school. Elementary grade pupils as well as high school pupils will be transported free where they live two and one-half miles or more from school and live on the bus line, and the district in which they live is eligible to receive State Aid.

Questions and Answers Pertaining to Transfers

1. What pupils are eligible to be transferred? Only pupils within the scholastic age, i. e., 6 to 17, inclusive, and who are enrolled upon the scholastic census of their district of residence may be transferred by the county superintendent under the regular transfer law.

2. What is the last day on which application can be made for transfer? August 1st of each year.

3. What is the last day upon which the county superintendent may approve a transfer? The law says no transfer may be made after August 1st. The county superintendent should complete the record of such transfers in a reasonable time.

4. What reasons should be considered sufficient by the county superintendent to grant the transfer, sought?

The county superintendent should consider the scholastic benefits to be derived by the child asking the transfer.

5. If the county superintendent makes the transfer, does the board of the district from which the transfer is given have the right of appeal? Yes, to the county board, which may revoke, cancel and annul such transfer.

6. If the county superintendent refuses to grant the transfer, what right of appeal has the parent or guardian? There is no appeal provided for the parent or the guardian in the law.

7. If a child is legally transferred to another district, then decides he wants to attend school in his home district, may he be forced to pay tuition? Will the State per capita be paid to the district to which he was transferred?

The child is entitled to attend free school in the district of his residence since scholastic privileges in Texas are based solely upon residence and age. The receiving district may waive its right to demand the payment of such transfer account, but may not be forced to do so.

8. What changes were made by the last Legislature in regard to transfers?

The local board was given the right to appeal to the county board. The local board should be dissatisfied with transfers granted by the county superintendent. The county board was given the right to cancel a transfer made by the county superintendent. The law also provided for an adjusted census roll.

9. May pupils who are promoted to grades not taught in the home district have the right to choose between several nearby accredited high schools?

Not if the transportation is furnished by the county board. Children should follow transportation lines or get a job. If no transportation routes are set up, then he pupils may exercise their freedom of choice.

10. If pupils whose grades are taught in the home district are transferred to some other district, may they ride busses operated by the county board with State money?

Pupils cannot have their transportation paid by the State. However, if the bus is not already full of pupils eligible to have their transportation paid, if the trustees of the home district of the pupils will give a written permit with the county superintendent allowing such transportation to some other school, then they may be hauled provided they pay their own transportation. The transportation shall be paid at the legal rate per month to the county board and not to the driver or owner of the bus. Cars must be taken by the county superintendent and the county board to see that additions to the load of the bus do not render the transportation unsafe.

In order that there be no misunderstanding, it is suggested that parents interested in transferring a child from one district to another when its grade is taught in the home district that they bring with their application for transfer, a permit from the local board of trustees giving their permission for the pupil to ride the bus.

APPLICATION FOR TRANSFER MUST BE MADE BEFORE AUGUST FIRST.

Mrs. E. F. Branton is having her home repaired this week.

Charley Hughes had the interior of his radio shop painted this week.

Miss Mary Belle Roney went recently to Iraan, Texas where she is being associated with her sister Bernice at the telephone exchange.

Cowboy Reunion

Continued From Page 1

Fiddlers' contest at the City Auditorium will entertain hundreds on the third day.

Numerous ranches have indicated that they will send their chuck wagons again this year. These wagons will be assembled in a fenced area where wood, water and beef are furnished, and where other needed commodities may be had from the chuck wagon commissary, a new feature added to simplify provisioning the chuck wagons at (conducting) to visitors of all ages, it seems, and this year in order that all may have the opportunity of eating at one of them, tickets for a noon day meal may be purchased for a small fee.

The Reunion draws a list of notables each year. Last year the late Will Rogers characteristically dropped in unannounced to see the show. Governor James V. Allred has attended nearly every year, and the governor positively assures that he will be back this year. Arriving in Stamford at noon on July 4, he will head the afternoon parade and pilot it to the rodeo grounds where he will be a guest at the afternoon performance.

Mr. and Mrs. J. Silman and children spent Sunday in Abilene.

H. A. Barnard of O'Brien is driving a new Chevrolet pickup bought this week from Ashcroft of this city.

L. E. and Jimmie Earl Lovelace of Seymour are visiting their aunt Mrs. J. M. Ashcroft.

Mr. L. M. Jones of this city and C. P. Jones of Munday spent Sunday and Monday with relatives in Dryden.

Jack Wilson of Abilene was in Knox City Monday night.

Mrs. Roy Baker and son spent three days last week with relatives in Munday.

Mr. and Mrs. Pa'come Hamner of San Angelo were here over the weekend with Mother Hamner.

Mrs. Rogers and son and daughter of Throckmorton were here Sunday with Mother Hamner.

Paul Hoge is spending this week in Austin with his sister Mrs. Dan Steakley.

H. D. C. News

By MISS HELEN BURCHARD
County Demonstration Agent

A NEW POTATO GADGET

"It was all very simple," said Mrs. Thurman Price of the Goree H. D. C. in regular meeting, Tuesday, June 16 in Mrs. Jack Bilderback's home, where a demonstration on "Scoring of Vegetables" was given by the Home Agent. "I took a small baking powder can, punched holes in the bottom with a nail, cleaned the can thoroughly, placed the mashed potatoes in the can, and then pressed them through the holes with a small glass that just fitted into the can. Out came the potatoes which made a very unusual and attractive potato nest for my English peas. All one needs is a small tin can, a nail, a hammer, a small glass—and the products."

REAL DELEGATES

"I believe we should send REAL delegates to Annual Farmer's short course July 20-25," said Mrs. E. J. Jones of the Hefner H. D. C., in answer to roll call on What Type of Delegate Should Be Sent to Short Course, in a meeting Thursday, June 18th, in Mrs. C. W. Warren's home. Every delegate should pledge herself to bring back every important thing she hears and sees. She should pledge herself to attend every session of her club for the entire next year."

Mrs. Carey McClenock returned to her home in Stamford last week after spending some ten days here with her mother Mrs. A. J. Anderson and her sister Mrs. E. B. Shaver.

Special, battery recharging for only 75 cents.

MERCHANTS AND TRADE

If all the articles that have been written about trading at home were stretched, end to end, they would reach around the universe and back home again.

The idea that it pays citizens to patronize home industry is such simple truth that some "smart" people believe that there is a catch in it, and they prefer to be "wise" and send off for something that the "foolish town boosters miss.

This paper has heretofore urged its readers to buy everything possible in their home town, because a town or city has a money balance just as vital to progress as any individual budget. The more trading done in Knox City the more profits there will be and the more prosperity, and besides those who have faith enough to open up business here are entitled to the patronage of their community!

However, let's keep the argument on a sound basis, and to do this we must consider the merchant's obligation. He is not entitled to the trade of local citizens unless he is really a merchant and not a mere storekeeper, content to pluck random profits of desultory trade. Local merchants to merit local patronage must be modern in their methods, up-to-date in their appeals and efficient in business. They cannot and should not expect a community to support incompetency through misguided home spirit.

Having said so much about our merchants let us point out that Knox City, like other places, has efficient as well as inefficient merchants. We have reliable and honest business houses and, we regret to say, a few that are not above taking the profit and forgetting the true principles of modern business. Readers are urged to be discriminating in their patronage and to support merchants who are public spirited, of known honesty and of apparent efficiency in business. In so doing you will not lose anything.

Says Dangerous Varicose Veins Can Be Reduced At Home

Rub Gently Upward Toward the Heart as Blood in Veins Flows That Way

If you or any relative or friend is worried because of varicose veins, or hunches, the best advice for home treatment that anyone in this world can give, is to get a prescription known as Moore's Emerald Oil.

Simply ask your druggist for an original two-ounce bottle of Moore's Emerald Oil (full strength) and apply night and morning to the swollen, enlarged veins. Soon you should notice that they are growing smaller and the treatment should be continued until the veins are no longer troublesome. No penetrating and powerful is Emerald Oil that old chronic sores and ulcers are often entirely healed.

For generous sample write FREE to International Laboratories Inc., Dept. AM2, Rochester, N. Y.
