OPEN HOUSE SUNDAY FOR NEW EDUCATIONAL BUILDING

Rev. Jarrell Sharp has announced that open house will be held in the recently completed Educational Building Sunday, May 28 from 3 to 5 p.m.

The public is invited to attend. The building contains 11 class rooms, three rest rooms and a fellowship hall and kitchen.

The building measures 47 by 132 feet and is air conditioned. Colors of light beige and fruitwood are used on the walls with a tan and beige combination of asphalt tile floors.

The furniture is blonde mahogany.

Methodist V.B.S. To Begin Monday

Vacation Bible School will begin at the First Methodist Church in Knox City, Monday, May 29, and will continue through June 2.

School will be in session from 8:30 a.m. to 11:30 a.m. daily, and youngsters are eligible to attend from ages three through 16.

Friday, May 26, at 3 p.m., there will be a short program and registration period.

Local Golfers Attend Quannah Invitational

A number of Knox City men attended the Quannah Invitational Golf Tournament last Friday, Saturday, and Sunday, but none of the local men won any prizes.

"All of them I can recall were beaten in their second flight," said Sonnie Hughes, one of the Knox City contenders.

Those attending from Knox City were Hughes, L. V. Worley, Charles Reese, C. E. Williams, Jeff Graham, Chad Wilson, Duck Robinson, Eddie Bateman, and Jimmy Bateman.

Jack Williams, Plainview, won the championship flight.

Davis Lake To Be Open To Public Next Thursday

Jack Idol, manager of the League-Davis Estate, said the Davis Lake would be open Thursday, June 1, for persons desiring to fish and boat.

The lake will be open to the public from 6 a.m. to 10 p.m. daily, he said.

Area of the lake is 500 surface acres and 4500 acre feet. Although there are two entrances to the lake on the Knox City and Benjamin highway, Idol said admission will be granted on one road only—that is the first cattle guard north of the Brazos River bridge, between Knox City and Benjamin on Highway 283.

Full details will be announced next week for the grand opening next Thursday, June 1.

Miss Spikes Among Top Collegians At Midwestern U.

"These are our very best," declared Dr. Travis White, president of Midwestern University in Wichita Falls last Wednesday as 185 awards were presented to top collegians.

Among the group of the "very best" is Miss Roma Jan Spikes, daughter of Mr. and Mrs. Jack Spikes of Crowell, and the niece of Mr. and Mrs. Henry Jones of Knox City.

Miss Spikes is one of five seniors who is graduating summa cum laude. She is also listed in "Who's Who Among Students in American Universities and Colleges." In addition to her high scholastic marks achieved in M. U., Miss Spikes has been active in the dramatic department of the University during her college career.

is located directly behind the present church. The Methodists plan a new sanctuary "sometime in the near future."

Lions Clean Pool; Plan Opening For Thursday, June 1

Knox City's Lions Club had as their program Wednesday a "Work Day" program at the Lions Swimming pool. The pool was being readied for this year's activities and plans call for the pool being opened by Thursday, June 1.

Two new members were awarded their certificates Wednesday by Lion President Fuller Shannon. They were Tom Howard and A. G. Wilson.

Methodist Pastor Jarrell Sharp announced that Wednesday's luncheon-meeting would be the last time the club would meet in the basement of the church.

The Methodist's new educational building will have open house Sunday and next Wednesday the club will meet in the new building.

Shannon said he would like to thank the pastor, the board and the church for their letting the club use the church for a meeting place.

Shannon said the board of directors had recommended that the club donate \$25 to the Salvation Army fund drive.

The club voted unanimously for the motion.

Next week the Lions will meet in the new educational building.

American Legion School Award Winners Named

Paul Fitzgerald announced Wednesday the winners in the American Legion School Awards.

Sixth Grade winners are Carolyn Crowover and Mike Glenn.

Winners in the Seventh Grade are Caroline Rocha and Greg Knight.

Eighth Grade winners are Linda Reed and Johnnie Montandon.

Senior winners are Lyndol Cypert and Joan Shaver.

The awards are an annual project of the Knox City American Legion and the winners are selected by the school faculty.

Knox City Schools Hold Graduation Exercises Monday And Tuesday

Commencement exercises for the Knox City senior class were held Tuesday, May 23, at 8 p.m., in the High School auditorium.

Valedictorian this year was Judy Smith, daughter of Mr. and Mrs. John A. Smith. Her four-year average was 95.447.

Salutatorian was Melanie Verhalen, daughter of Mr. and Mrs. M. L. Verhalen, and her four-year average was 94.487.

High ranking boy was Lyndol Cypert, son of Mr. and Mrs. J. T. Cypert, and his four-year average was 89.052.

Trophy Cup award for the best all around boy and girl was awarded Lyndol Cypert and Peggy Crowover.

Scholarship awards to boy and girl having the highest school average for the year went to Joe Tidwell, with an average of 92.8 and Judy Smith, with an average of 96.8.

Ten high school students received a perfect attendance certificate—neither late nor absent—during the school year.

They were: Bobby Robinson, Doris Marion, Donna Verhalen, Claudia Reed, Don Reeves, Martha Kay Waldrip, Cheryl Melvin, Carolyn Sammel, Ronnie White and Carol Thomas.

The American Legion awards presented at the same time, are found elsewhere in this issue of The Herald.

Thirty-one seniors received their diplomas, and they are: Donna Kay Abbott, Jeannette Glenda Abbott, Paul Acosta, Dennis Anderson, Sammy Bolin, Gary Bruce, Danny Burt, Linda Caddell, Jeanne Colson, Peggy Crowover, Annie Ruthe McNelly, Jerald Cypert, Lyndol Cypert, Lou Denton, Donna Fitzgerald, Dickie Goodson, Wynette Graham, Richard Herring, Jimmy Hollis, Billy Joe Large, Mary Nelle McElroy, Buddy Moon, Gene Poteat, Jimmy Joe Reid, Bobby Robinson, Joan Shaver, Jane Smith, Judy Smith, Melanie Verhalen, Marva Sue Vincent, and Horace Wheeler.

Social Security Facts-Figures

Are you among the many persons past retirement age who have not applied for social security because you are still working?

Because of a change in the law you may now be eligible for some payments during the year even though you are still employed or self-employed and earn well over \$1200 a year.

Beginning this year, most people can earn more money and still get social security checks for under the new law, a person always has a larger gross income from earnings and benefits when he does not limit earnings to \$1200 a year.

As in the old law, you can earn up to \$1200 and get benefits for all months in the year. No matter how much you earn in a year, you are still considered "retired" in any month you don't earn over \$100 as an employee or aren't active in your own business. Also, for all months in which you are at least 72 years of age, you will be considered retired, regardless of how much you earn.

Beginning with 1961, retirement insurance benefits to you (or your family) are withheld at the rate of only \$1 in benefits for each \$2 you earn between \$1200 and \$1500. On earnings over \$1500, \$1 in benefits is withheld for each \$1 earned.

For example, a person can lose only \$150 in benefits if he earns \$1500 in 1961. A worker whose family is entitled to the monthly maximum of \$254 can earn \$4398 before the family loses all social security.

If you have passed your 65th birthday but have delayed filing application for social security benefits because you are still working, it might pay you to contact your Wichita Falls social security office.

GOLDEN ANNIVERSARY

Just 50 years ago the seniors of Knox City High School graduated from high school. The 1961 graduating Seniors are the Golden Anniversary Class.

A large crowd of relatives and friends attended the Commencement of the Knox City High School Seniors of 1961.

While Charlotte Perdue played the processional, 31 seniors, in red caps and gowns with red and blue tassels, entered the gym and marched to the stage, decorated by the Juniors.

The invocation, given by Bobby Robinson, class reasurer, preceded the class song, "Halls of Ivy."

In the Salutatorian's address by Melanie Verhalen, she showed that the 1961 graduating class was a small example of the world and that whoever reached his goal, whatever it was, would be a success.

Donna Fitzgerald was featured in a piano solo, "Rustle of Spring."

Judy Smith in the Valedictory thanked all the townspeople for what they had done for the class.

Mary Nelle McElroy, Jeannette Abbott, Jeanne Colson, and Lou Denton sang, "The End of a Perfect Year."

Danny Burt, class president, introduced speaker Jack Cox of Breckenridge, who said that the

Resident's Brother Dies; Funeral Held At Hillsboro

Freeland James of Jasper, and brother of O. M. 'Jessie' James of Knox City, died Thursday, May 18, from burns received in a car wreck at Brenham May 11.

Funeral services were held Sunday, May 21 in Hillsboro.

Foursquare Bible School Begins Monday, May 29

D. V. B. S. will begin next Monday, May 29, at the Foursquare Church and classes will be from 3 p.m. to 5 p.m.

There will be classes for every age and interesting craft work for all.

Rev. Floyd Bailey, pastor, said all are invited to attend.

Cemetery Lots Need Cleaning Say Committee

Mrs. Paul Fitzgerald, president and Mrs. C. J. Reese, secretary of the Knox City Cemetery committee, announced this week that the cemetery is in need of some "cleaning up."

Thirty-six persons have paid to have their lots cleaned, and there are also 36 lots now in perpetual care.

The cemetery committee said they would like to have the cemetery cleaned before Memorial Day, Tuesday, May 30.

Instead of setting a day aside for a "work day," the ladies said they would like for anyone having time to pick out a lot or two and clean it up. "Work Day" will be any day between now and Tuesday, they said.

Persons who have a lot and no time in which to clean it, may have it kept for a year by paying \$10 to the cemetery fund.

Joe Averitt at the Citizens State Bank is in charge of this account, as well as the account for perpetual care.

Little League Meeting Planned Friday

A meeting to study rules and regulation of Little League baseball will be held Friday at 7:30 p.m. at the American Legion Hall.

All parents, scorekeepers, managers, umpires, and all other interested persons are urged to attend.

class must realize where their freedom came from and how they could lose it.

Supt. E. A. Youngblood presented approximately twelve perfect attendance awards to high school students.

Scholarship awards and certificates were presented at that time.

Then the Class of '61, Knox City High School's newest ex's, ended their career as students with their school song sung as Benediction.

Highlights From Washington

By VERN SANFORD

AUSTIN, Tex. — Legislature goes into the final stretch of the regular session with the possibility of a photo finish.

Individual lawmakers alternated between hope and despair about the prospect of getting all-around agreement on a tax plan by May 29. Many expressed fear of home district criticism if matters are allowed to drag through the summer, as happened in 1959.

In the final, chips-down stage, it looked like a Governor vs. Legislature battle. A majority of both houses has gone on record for tax plans which have a fairly general two per cent sales tax as the major revenue source.

Gov. Price Daniel says, in effect, that he doesn't want to be hard to live with but he isn't about to back down now on his 25-year anti-sales tax stand.

Senators re-worked the two major tax bills sent them by the House — the two per cent sales tax and the all-purpose "loophole bill"—into a combination package. In the package was a two per cent sales tax on items of 25 cents and more (with exceptions on food, drugs, etc.), an increase in the general gas production tax from 7 per cent to 8 per cent, and a hike in the corporate franchise tax. They also jacked up the driver's license fee from \$2 to \$3.

Senate sponsors estimate that it would raise \$327,000,000 in the next two years.

Senate A. M. Aikin Jr., of Paris made an effort to get the senate to substitute a bill favored by the governor that would limit new general sales taxes to items costing \$10 or more. It also would have levied selective taxes on motor tools and appliances, building materials, stock sales, restaurant meals, etc.

Senate turned down the governor's substitute, 17-to-14, then gave final passage to its own bill, 19-to-12.

LOAN BILL DELAYED—Tax matters delayed Senate progress on legislation to regulate the small loan industry.

A re-worked version of the loan bill passed by the House was prepared by a special subcommittee of the Senate State Affairs Committee. In general, the Senate subcommittee's bill appears to allow for higher charges on smaller loans and lower charges on larger loans. It sets up a schedule of "service charges" that are not to be considered interest.

Whatever the outcome, hopes for passing a loan bill that will satisfy interested groups are nil. If charges are low, the bill will be criticized for "putting loan companies out of business so poor people can't borrow money." If rates are high, it "legalizes the sharks."

DRIVER LAW TIGHTENED—House passed on second reading a bill that would put more pressure on drivers who do not carry liability insurance or have the means to pay for an accident.

Reps. Ben Lewis of Dallas and Robert Fairchild of Center, sponsors, pointed out that only 60 per cent of Texas drivers carry insurance.

Among provisions of the proposed bill is one that would cause a driver to lose his license if convicted of two moving traffic violations within a year and he did not carry insurance.

FLOOD OF BILLS — With the clock running out on this session, a large volume of bills is being moved at a swifter pace. Riding in the flood are bills that would:

Houston into a state-supported college system. Bill finally passed the senate after nearly a month of delays, but must be passed again in the House.

2. Provide up to \$12 a month for medical, hospital and nursing care for persons on the state welfare rolls. Passed by Senate.

3. Recodify the school laws and cut the number of hours future teachers must spend in courses on how to teach. Passed by the House.

4. Allow for payment of state aid to school districts on the basis of the present year's attendance rather than the previous year's. Passed by the Senate.

5. Outlaw sale of obscene pictures, books, magazines or photographs records. Passed by the House. Penalty for violation would be a fine up to \$2,500, a prison term up to two years or both.

6. Increase the annual barbers license fee from \$5 to \$10 and set up higher requirements for barber colleges. Passed by the House.

7. Allow the Veterans Land Board to sell forfeited lands to persons other than veterans. This is a constitutional amendment and would have to be voted on by the people.

The Weather

Observations By Horace Finley

Weatherman Horace Finley was marooned in Dallas Wednesday so we will catch up on the weather next week. We had two rains last week, but no one remembers the exact date or how much it rained. Rev. Bailey thought Horace said it rained 71 last Thursday night, but wasn't for sure. Anyway it did rain two times—and most of the farmers and ranchers look pleasant!

"Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

When you have experienced the reality of God the reading of His Word gives to you a tremendous peace and calm. Nothing will be able to disturb you to separate you from Him.

For He fills you with the spirit of the Living God which is wisdom, understanding and knowledge.

Speaking for 180,000 physician-members... the AMA believes you deserve to know exactly where we doctors stand on the question of:

MEDICAL AID FOR THE AGED

HERE'S WHAT WE FAVOR:

The doctors of America believe that our aged citizens who need medical care should get it, whether or not they can afford to pay for it.

We favor a program of medical aid for the aged *designed to help those who need help — that allows millions who can afford it to pay for their own medical care.*

Such a program was enacted by Congress last year. It's the Kerr-Mills law which has the enthusiastic support of America's doctors. Specifically, the law provides for Federal grants-in-aid to the individual states, enabling them to provide health care for those among the elderly who need help. The benefits of this locally administered program include the 2½-million Americans eligible for Old Age Assistance... and protect all other senior citizens who cannot meet the costs of a serious or long-lasting illness.

The Kerr-Mills law represents a common-sense approach to solving a problem that concerns us all. As doctors, we support it — because our first consideration is the health and life of our patients. As Americans, we endorse it — because helping those who cannot help themselves is the obligation of all decent people.

HERE'S WHAT WE REJECT:

As Americans — not simply as physicians — we are deeply concerned about the dangers of Socialized Medicine. And we are not crying "wolf" when we apply that term to the currently proposed legislation which would establish a **COMPULSORY** health-care program for everyone covered by Social Security (regardless of need). The Socialist Party itself calls this Socialized Medicine. And we believe they have a more expert knowledge of socialist definitions than do those who describe it as "just a method of financing aid for the aged."

This **COMPULSORY** health-care program adds up to nothing more than Socialized Medicine — controlled by a bureau of the Federal Government... paid for by increased Social Security taxes, burdening both present and future generations. Confined at first to the aged, it would inevitably be expanded to cover all Americans.

Moreover, when the Federal Government enters the privacy of the examination room — controlling both standards of practice and choice of practitioner — the cost includes loss of freedom. Your doctor's freedom to treat you in an individual way. Your freedom to choose your own doctor. When the physician is socialized, so is his patient.

IF YOU AGREE WITH US that a compulsory health-care program for any segment of our population would be bad for the nation, we urge you to write your Senators and Congressman. Urge them to reject Socialized Medicine in any form... to use our present program of medical care for the aged, administered locally, that helps those who need help.

VISITS BROTHER, FAMILY

Mr. and Mrs. Brown Clonts of Mart, spent Tuesday night here with his brother, W. E. Clonts.

VISITS DAUGHTER

Mrs. J. P. Durham has been visiting her daughter Mrs. W. E. Clonts for several weeks and returned to her home in Dallas Wednesday.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I see by the papers where officials at Harvard are discussing the idea of reducing enrollment. This could be a topic that might be taken up by the Congress and maybe call for a Senate investigation.

The Republicans has been complaining since January that the country is suffering from a over-supply of Harvard men, that a heap of our troubles is coming from that source. They'll claim that Harvard has took this step to protect the national interests. The Democrats will claim it was pressure from the Republican money boys. This could be the first time in history one of our big colleges has got caught in a squeeze between Wall Street and Pennsylvania

Avenue. I'm watching for developments in this thing very careful, Mister Editor.

With all this mess going on in Africa, they was another item in the papers the other day that didn't get the proper attention. A Government official from one of them new African states got too far into the brush and was eat up by his cannibal constituents. If them African natives consider politicians a choice morsel, we could send 'em several of ours. I'll let you have first pick, Mister Editor.

Speaking of politicians, I see where some feller at the convention of the American Science Institute said last week that it was now possible to tell what a chicken was saying when it cackled. I'm hoping that at their next annual convention they'll announce a invention for telling what a politician is saying when he cackles. That would be the first major breakthrough we've had in Washington since Abe Lincoln announced Government was of the people, for the people, and by the people.

The fellers at the country store Saturday night was viewing with alarm this new trend for everybody in Government to hold a press conference about ever other day. Ed Doolittle allowed as how he couldn't get nothing on his radio and TV no more but some feller meeting the press. Everybody was agreed it's good for people to know what's going on, but some of the fellers said it would also be nice if our public servants would spend a little time on the job.

Zeke Grubb bring up the idea that maybe farmers and ranchers ought to hold a press conference about once a year. A heap of times, claimed Zeke, things has happened years afore the politicians can get it announced at a press conference. For instance, when Roosevelt called a press conference in 1932 to announce that farms was washing away and that he was starting a soil erosion program, Zeke said he'd already had four farms washed away.

Yours truly,
Uncle Ben
