City Greyhounds Wallop Armont Hornets, 23 to 0

from the district race. With nothing to gain but personal pride, the 'Hounds played inspired defense and moved the ball well on offense.

On their first possession, the 'Hounds took the opening kickoff and marched 64 yards to a touchdown. Phillip Newton

broke a tackle at the line of scrimmage and scampered 31 yards for the first score. The point-after kick was no good. The score came with only 3:23 gone in the first quarter.

After the 'Hounds held the Hornets and forced a punt, they took over on their own 17. With a well balanced running attack featuring talents of Phillip Newton, Alan Orr, Tony Gentry, Dean Bouldin, and some fine blocking by the line, the 'Hounds moved to the Hornet 9 where, on fourth down and needing 2 yards, the 'Hounds fumbled and the Hornets took over on their 3 yard line.

Again the 'Hounds held and the Hornets kicked. The 'Hounds, getting good field position, moved to the Hornet 8 yard line only to turn the ball over to the Hornets on downs.

The teams exchanged punts and then the 'Hounds got a break. The defensive charge caused the Hornet punter to have to run on fourth down. The 'Hounds, on their second play after the break, fumbled the ball. The Hornets' happiness was short as Victor Gonzales intercepted a pass and ran it back to the Hornet 14. Dean Bouldin kept on a sweep for 12 yards and a Hornet first down. Alan Orr banged over from the 2 yard line for KC's second score. Since KC missed the first extra point they lined up and Leslie Fitzgerald ran in for the 2 points with 2:54 left in the half.

On the last play of the first half, the Hornets made their first first down.

On the third play of the second half, David McGaughey intercepted a pass and ran it back 12 yards to the Hornet 27. After a series of passes and runs left the 'Hounds on the Hornet 16, facing fourth down, Leslie Fitzgerald kicked a 34 yard field goal making the score 17-0.

Three plays and a kick later, the 'Hounds took over on their own 38. A long, sustained drive of 15 plays ended on the last play of the third quarter with a TD pass from Bouldin to Greg Clonts in the end zone. The kick failed, ending the scoring for the night.

Munday Publisher Files Bankruptcy

Editor's Note: The following story appeared in the Tuesday morning, Nov. 9, issue of the Abilene Reporter-News.

WICHITA FALLS — The Herring Publishing Co. of Munday filed for bankruptcy Friday in the U. S. District Court in Wichita Falls.

The company, owned by Tommy Herring of Munday, published the Knox County Herald, the Munday Times, and the Rochester-Rule Review until it was forced to close all three papers Oct. 13.

In Midland To Attend Program

Judge and Mrs. Joe Reeder Jr. were in Midland Tuesday, Nov. 2, to attend a meeting for Texas Christian University students and friends at the Midland Country Club.

The program "The New Century" was presented by Dr. James M. Moudy, Chancellor, and Dr. Charles D. Tandy, chairman of Regional Gifts Committee, gave an address entitled "Come With Us."

Joe Reeder III was one of the four TCU students on the program helping to present "TCU Sights and Sounds."

Michael Rune of Dallas, attorney for T. P. Herring, owner of the company, said total debts of \$153,765 and total assets of \$40,626 were declared.

Nearly 2,000 unsecured creditors are included in a list covering 88 pages, most of whom are subscribers ranging from Ecuador to Alaska, according to Rune. The average debt to subscribers is less than \$5.00 however, he said. There are 11 secured creditors.

The three largest creditors on the list are Grady Roberts and Aaron Edgar of Munday, and Ulric Lea of Knox City.

The first meeting of creditors has not as yet been set, Rune said.

Herring acquired the Rochester and Rule paper in 1963, the Munday paper in 1965, and the Knox City paper in 1967. The three papers failed to publish their Oct. 14 edition.

FHA, Commercial Lenders Working Together On Loans

Temple, Texas, Nov. 3 — Texas farmers will be able to tap the largest supply of supplemental credit in history this year through the Farmers Home Administration, State Director Lynn Futch announced today.

"We project that more than \$81 million will be available to Texas farmers in fiscal year '72, as a result of cooperative efforts between the Farmers Home Administration and commercial lenders," he stated.

The cooperative effort involves having the commercial credit source and Farmers Home Administration make simultaneous loans to a borrower, with the private lender having first claim on the security.

"The farm ownership program is aimed to reach \$30 million — \$15 million of government money, with private lenders participating at a level of \$15 million," Mr.

Futch continued. "Projected figures for the farm operating loan program is \$51 million of which \$22 and a half million — triple last year's figure — comes from regular commercial lenders."

Lending levels of FHA farm programs also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that national funding would be \$350 million this fiscal year, \$82 above 1971 levels, Mr. Futch said.

The President also said the nationwide farm operating loan program would be raised to \$350 million from its present \$275 million level if the Congress would approve legislation changing the program from an appropriation basis to an insured basis.

If this legislation is passed, Mr. Futch said, notes of farm borrowers for operating purposes would be sold to investors

who, in turn, would be insured against loss on the notes. The investors' money would replenish a revolving fund and would be available for more loans, as is the case now with farm ownership loans.

"It will continue to be our policy to assist people in finding the credit needed to begin farming or to help finance farm operations," he said. "We therefore commit government funds only when we cannot involve private money to serve agriculture's credit needs."

"To assure this, county supervisors of the Farmers Home Administration are required to contact another lender with respect to every application for farm ownership or operating funds."

"We are pleased with the fine cooperation extended by banks and other credit sources to make this plan work," he concluded.

CEREMONY -- The official ribbon cutting were, front row, left, Judge Lewis S. Mayor Buddy Angle, Mrs. Sequoyah Reynolds, James Adman, and W. S. Karstens, general manager; second row, Jean Thomas, Monty Penman, Mrs. Monty Penman, Bob John Standlee, Doug Jones, area manager, and Kenneth White, of stores.

Letter to the Editor

Dear Editor:
I have always felt that the backbone of faith in the democratic process was to be found in such areas as Knox County—that citizens of such an area as yours were very much in touch with sense of community cooperation. Your positive reaction to the loss of the Knox County Herald has reinforced that conviction.

There is so much apathy in our country today, that I am sure many people would have simply resigned themselves to merely making com; aints about the loss of their local newspaper along with the community identity such a newspaper provides.

The people of Knox County did not give up so easily, but immediately went to work to build a new newspaper. I feel highly privileged to be representing citizens with such a strong sense of cooperation and dedication to their community.

I salute all of you and offer my heartiest best wishes for the success of The Knox County News.

Sincerely,
Graham Purcell

November 1

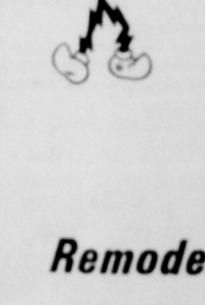

Dear Billie Bess:

I am writing you about my paper. I have missed the last three issues. My postmaster told me I would have to contact you, so you could trace it from there. I miss it so much.

It is like a long letter from all you good people. I had been getting it on Monday each week, so as I have missed three issues, would appreciate hearing from you.

Your friend,
Mrs. Ray Willis

Sophomore News

BY MARTHA JONES

The past few weeks have really proved rewarding for many Sophomores. For instance:

Denise Grindstaff has the distinction of being the only Sophomore on the Girls "A" Basketball Team.

Janna Hise and Debbie Bishop twirled in UIL twirling Tuesday at Abilene and received a II rating.

Debbie Bishop won a second place ribbon in the Youth Division in the Arts and Crafts show for her still life painting.

Randy Egenbacher got to be different Thursday night at the ball game and wore white pants while all the other Bullies wore red pants. See, he left his pads and pants at home and had to borrow some from the other team.

The only bad thing that happened was that Ricky Warren broke his wrist in P.E. last week.

The Driver's Education Class will be driving at an assessor for fifteen days starting the eighth of November. This will cut down in having to drive an actual six hours in the Driver's Ed car. This means we will get our hours earlier!! Watch out KC.

Now our K.C. Greypup football season has come to an end. The last seventh grade game was last Thursday when we beat Quanah 16-14! The seventh has remained undefeated the entire season. We are all very proud of our boys.

The seventh grade would like to thank Mrs. Lankford for sponsoring the pep club and cheerleaders. We also thank Mr. Hays for directing the band and twirlers. Coach Stillabower judged the spirit jug for us and we could not get along without the mothers in the concession stand!

A special thank-you to all of you who helped support the Greypups teams by coming to the games!!!

Cub Scouts Have Campout

Seven scouts of Troop 161 learned some valuable camping lessons Saturday and Sunday night.

Rudy Hernandez led a patrol of Troop 161 from the scout hut to the Brazos River west of town. Kelly Robinson, Jr. Gonzales, Mark Clonts, Raymond Taylor and Brett Boone packed their gear the five miles to the campsite, then patrol leaders David McGaughey and Rudy Hernandez packed the six man tent from Joe Clonts' pickup about a mile to campsite where the patrol pitched the tent and set up camp. Garbage pits were dug, fires built and lunch prepared.

The afternoon was spent hiking and observing the antics of a flock of sandhill cranes. After supper someone

discovered that the Scout motto had been allowed to sag — no one had a flashlight!

Sunday morning another learning session took place as Jr. Gonzales cooked breakfast. The patrol members as well as their patrol leader shivered in the cold while Scoutmaster John McGaughey seemed warm. The difference was due to the fact that the boys had slept in their clothing. When the damp clothing was exposed to the raw north wind, even the campfire failed to warm.

Mr. McGaughey packed the tent out of the river bottom while the boys cleaned the campsite and followed with their gear.

The scouts were home by 9:30 Sunday morning after an enjoyable camping activity. The next overnight camp activity is planned for November 20.

Mrs. Grady Taylor of Bonham visited last weekend with Mrs. H. M. Jones.

Benjamin News

BY MRS. VAN GREEN

Mustangs Lose To O'Brien

As predicted, the Benjamin Mustangs fell victims to the powerful O'Brien Bulldogs in a conference tilt last Thursday night by a score of 30-0. From the very beginning it was O'Brien's ballgame and the Mustangs have nothing to be ashamed of at being beaten by this fine team. The game was called in the opening seconds of the 4th quarter. Anyway the Mustangs tried and we are always proud of them, win or lose. Come on boys, let's rally next week and make up for this loss by defeating Lueders-Avoca. We know you can do it. Colts Play Lueders-Avoca.

In Junior High football last week, Benjamin Junior High Colts were defeated by the Junior High team from Lueders-Avoca. The score was 14-7. Scoring Benjamin's only TD was Keith Conner who also ran the extra point.

Conner, son of Mr. and Mrs. Bud Conner, hero for the 1971 Colt's football team. Keith is also in the eighth grade.

FTA News

BY DEBBIE WALL
Tuesday night, Nov. 2, the
FTA turned back the hands of
time and sat in the floor and
played with toys! Janie
Escobar, who is presently
working in the Rochester school
with three, four, and five year
olds, brought the toys. Each
one of the toys served a purpose. A
puzzle was not just for fun, but
to learn shapes, colors, and to
count the pieces. There were
pictures to match to
corresponding numbers. One
toy, a block of wood with pegs in
it and a hammer, is used to take
out frustrations.

Janie explained her work to
the members and said that
special education was a
growing field in which many
workers were needed. She also
said many courses in colleges
were being offered, and anyone
who wanted to know more about
this line of teaching could
contact her.

The FTA concluded the
November fruit cake sales this
past week. This week they are
selling World Finest Chocolate
Melt-A-Way Mints. If you would

O'Brien News

BY ESTHER CONN

O'Brien 50 - Benjamin 0
Last Thursday night the O'Brien Bulldogs met the Benjamin Mustangs in district action at O'Brien. The Bulldogs ran their season record to 8-0 as they defeated the Mustangs 50-0.

Play opened as the Bulldogs kicked off and Steve Figueroa pulled in a loose ball to give O'Brien possession. O'Brien drove into the end zone three plays later as Danny Del Hierro hit Rayland Hayes for a 19 yard touchdown pass. Hayes converted to bring the score to 8-0. The Bulldogs kicked off again and Steve Figueroa jarred the ball loose from a Benjamin lineman where James Washington recovered. Four plays later O'Brien scored again as Albert Alsides threw a crucial block allowing Del Hierro to scamper into end zone. The PAT was good and the scoreboard showed 16-0 in favor of the Bulldogs. Again the Bulldogs kicked off and Steve Figueroa made a picture perfect tackle which jarred the ball loose. Rayland Hayes recovered for O'Brien. However the Bulldogs drive bogged down on the 11 yard line and the Mustangs took over. With adequate defensive effort the Bulldogs took over possession again at midfield. O'Brien scored in only 3 plays as Del Hierro scampered behind the downfield blocking of Alsides, Flores and Watson. Hayes' kick was good to bring the score 24-0. The Mustangs took the kickoff and started a drive which ended at midfield as defensive back Arly Watson picked off a Mustang pass. Three plays later Del Hierro scampered 47 yards for a TD as Orlie Flores, Albert Alsides, Rayland Hayes, and Steve Figueroa got good downfield blocks. Outstanding on the scoring play was Arly Watson with two downfield blocks. Hayes' PAT was good again, bringing the score to 32-0. On the following kickoff Steve Figueroa again jarred the ball loose which Rayland Hayes recovered. Three plays later, Nichols recovered an O'Brien fumble for the Mustangs.

In the second quarter the Mustangs were forced to punt. Louis Conn returned the punt 51 yards for a TD as Hayes, Watson, James Washington, and Figueroa threw blocks to break the Bulldog Safety loose. PAT was no good, bringing the score to 38-0. As the second half began the Bulldogs scored as Del Hierro scampered 38 yards behind the blocking of Hayes, Figueroa, Bert Gutierrez, and Keith Rowan. PAT was no good bringing the score to 44-0. The Mustangs, now in possession drove to the 10 yard line where the Bulldog defenders held. Six plays deep into the fourth quarter, Louis Conn scrambled 17 yards for a TD behind the blocking of Mague Rocha, Keith Rowan, and James Washington, ending the ballgame on the 45 points rule.

The defensive unit, consisting of a number of Bulldogs played well, but not without mistakes. Mistakes on offense were obvious at times and the aim of the Bulldogs must be to eliminate mistakes and establish consistent hustle, spirit and aggressiveness as they meet Paint Creek Nov. 12 there at 7 p.m.

Saturday, Oct. 30, Lynn McCada, son of Mr. and Mrs. A. L. McCada Jr. was shovelling gravel into a cement mixer when he noticed an unusual looking lump in the shovel.
