Letters From Men In the Service

Sgt. Paul Fitzgerald:
Have just been to London. Visited the Houses of Parliament, and Westminster Abbey. Spent quite a while in the city. It is very beautiful. Size and beauty amazing. It brought back a lot of my English classes.

Chaplain Bedford W. Smith:
Yesterday I visited with a Chinese family—the old mother blind. Then there was the wife, and three single grown. They spoke good English and are citizens of New Guinea. The family is Catholic, but they were eager to have my New Testament. We've been very busy ministering to our soldiers and some rescue cases. Some of them are very good. Most of them are half Chinese. I also had the privilege of visiting the governor of Java in my morning. He's here to see his morning. He is well educated, speaks English, and is very friendly.

I've had my first overseas in two Mexican-American soldiers, a white soldier, and a Japanese soldier. I'm having church every now. Not a revival, but they come and go in this hospital. These fellows from the front are very good for God's word. Attendance very good.

Pvt. Sammie C. Hayden (Col):
Hello, Mr. Cash! Hope you are I am well only I want to come home, but you know I have to be here to help win this war. What is you going to send me for a Christmas present, boss?

Dale Graham, Radioman 3C:
I'm listening to music from the States now. You asked if we hear news—we do. Not only broadcast, but press news comes over in International code and when it's not too fast, I copy that, too. We get news from U. S. and Japan, too, and sometimes from Russia and Germany. It is sort of fun to hear both sides of the news. Boy, it was great news to hear about the invasion. We have been waiting for that quite a while—guessing the date, the spot, etc. The invasion of the Marianas and the bombing of Tokyo were plenty good news, and I'm not kidding. Sure wish they would take Wake Island.

Pfc. Harold Watson:
It's real dark here today and raining hard. It rains every day and night. I have been here a month today. We have a very good set up as to mess hall, tents, etc. One time a few of us were sent to the front to blast the Japs out of some caves. It was fun after we stopped snipers from firing machine guns at us. We were pinned down for only about 30 minutes.

LT. May Belle Yost:
I thought at first I was a guest, as I was so proud of my nice, new private room after living in a tent for four months. But the quarters here are better than at the other bases, although we have double rooms instead of single. I don't mind one roommate after having had eighteen so long. We had a nice leisurely trip up from the staging area on a hospital ship—though we had to serve our own meals and wash the dishes.

Walter Jones, Jr., SIC:
The happiest people I have seen in a long time was the Phillipino people when the Americans landed there. They told us how they were treated by the Japs. They were half-starved and ragged. It was something for them to trade for a shirt or a pair of pants. They have a lot of Jap invasion money and they get some fair trades out of it. The Phillipino girls are really cute and the people are really nice.

Chester Martin, MMIC:
Just a few lines to let you know that I arrived in light. Had a real quiet trip, no excitement at all. We are getting pretty well set up now but we lived in pup tents for a while. You should have seen me taking a bath in my helmet and then, doing my weekly wash in it. I can't tell you where I am but can tell you I am in the Marianas. This island at one time was in the hands of the Japs and you sure can see the signs. Buck writes me he will be coming my way pretty soon. Sure hope I get to see him.

CLONTS
Knox County's Newest Club Hopes To Be Disbanded Quickly
Knox County's newest club, and one which it is hoped will be disbanded sooner than any other, is the Relatives of Prisoners of War Club which was formed last week. There are about 20 people in this area who are eligible for membership, since they have near-kin who are prisoners of the enemy.
This club met last Friday afternoon in the home of Mrs. Cecil Barton of Munday.
Mrs. W. E. Braly read a talk given by John R. Burkhardt, director of the 'War Prisoners' Aid of the YMCA, which he made at a POW meeting in Chicago. Mrs. Barton told of Maurice Pate, national director of Red Cross War Prisoners' Aid. She exhibited a food package which is given once a week to German prisoners and read a talk by a war prisoner who was repatriated with wounded from Germany last March.
Placards showing captured parcels, maps of German and Japanese prison camps were also displayed.
Refreshments were served to the following members: Mmes. Jim Goode and Kirk MacConnell of Goree, Sam Salem, Luther Thompson, C. P. Baker, Brooks Campsey, W. E. Braly, and Misses Maude and Fannie Isbell.

Heavier Butcher Hogs Gain Price Support
R. O. Dunkle, County Agent, has just received the following communication from the War Food Administration:
The War Food Administration today announced that good and choice butcher hogs weighing from 200 to 270 pounds, instead of from 200 to 240 pounds, will be supported at \$12.50 (Chicago basis) until June 30, 1945. Since October 1 the price-support has applied only to the 200 to 240 pound hogs. Previous to October 1, hogs weighing 200 to 270 pounds were supported.

CHAD WILSON GRADUATES FROM NAVY P. O. SCHOOL
According to a bulletin from New Orleans, Chad Wilson, well known former employee of the Knox City post office, and son of Mr. and Mrs. J. A. Wilson, was graduated from the Fleet Post Office School there with marks second in his class.
Chad received a diploma in a ceremony at the school. He is now eligible to try for a petty officer rating, according to the bulletin.

WAR PRODUCTION BOARD AUTHORIZES LIGHT TRUCKS
Authorization by the War Production Board for the manufacture of 10,000 light trucks a quarter in 1945 is announced by the Office of Defense Transportation which obtains allotments for transportation. No light trucks have been manufactured since 1942. Farmers take more than half of the light trucks produced.

Medal

Eight Air Force Bomber Stationers
England—1st Lt. Edward Havens, Mpn of Mr. and Mrs. Adolph Havens, Miss Knox City, has been awarded the Air Medal and two Oak Leaf Clusters while serving as a B-17 Flying Fortress navigator in the 41st Bombardment Group commanded by Col. Abilene Bowman, Arlington, Va.

Did You Know?

By DOYLE G. THOMAS Sec'y Knox County A. C. A.
The AAA committee elections were held between December 11 and 16.
Mrs. Braly and the AAA committees will determine whether you can draw money from a practice carried out on your farm.

That farmers and ranchers of Knox County have built 162 earthen dams and tanks for a total yardage of 321,763 in 1944. A payment of \$47,272.20 has been paid for this yardage by the AAA.
That farmers and ranchers have built 238,087 feet of terraces. The AAA has paid \$3666.12 for these terraces.

That farmers and dairymen have received \$7,079.26 subsidy for the milk and cream they have sold since the program began last fall.
That farmers and dairymen are receiving a payment of 10c per pound for butterfat and 70c per hundred for whole milk for the September and October sales and that the closing dates for these payments is December 31, 1945.

That cotton producers may deliver their cotton to Commodity Credit Corporation and receive full parity price for it.
That the necessary forms have been received for this program, and producers that wish to deliver their cotton should contact the lending agency or the AAA office.

That the purchase price for November is 21.80 gross weight based on middling 15-16th cotton.
That producers have until June 30, 1945, to deliver their cotton and that five points will be added to the purchase price each month to offset the storage charges.
That by delivering his cotton to Commodity Credit Corporation the producer will receive about \$4.30 more than he would receive in the loan.

That if the cotton is already in the loan a producer may purchase it back and deliver it to Commodity Credit Corporation.
That the closing date for carrying out conservation practices on the 1944 program is December 31, 1944.
That before receipts can be received for payment on dairy feed payments, they must have the name of the seller and the date the milk or cream was sold on them.

That to earn the practice of leaving stalks on the land, the stalks MUST be left on the land and not plowed under.
That grain sorghum loans are now being made and that the loan rate is 95c per bushel of 56 pounds.
That grain sorghum cannot be accepted for the loan if the moisture is over 13.0 percent if it is stored on the farm and 14.0 percent if it is stored in a public warehouse.

That AAA committeemen will have a big job in shaping the postwar farm programs, and that qualified men should be elected.
That Britain's wartime farm production deserves study, both because of its amazing record and because of its postwar implications.
That Britain's output per farm per man, or per acre, was already higher than ours before the war.
That Britain increased her output of food 70 percent since the war began and the U. S. only increased theirs 32 percent.

That Britain's farmers were not allowed a light of any kind while doing their chores after dark.

Sheppard Field Entertainers To Stage Free Show At War Bond Rally Here Saturday Afternoon

Delegation Attends Methodist Meeting

The Stamford District Missionary Institute and the Annual Harvest Day meeting of the Women's Society of Christian Service met in Seymour Monday, November 27th.
The morning session was given to the women's work and in the afternoon, prominent speakers were heard. Included among the speakers were Dr. Bowden, returned missionary from Brazil, Rev. E. B. Bowen of Tampa, Dr. Joe Z. Tower from the First Church in Wichita Falls, and Dr. Harold G. Cooke, president of McMurry College.
Those attending from Knox City were Rev. and Mrs. Lloyd Hamilton, Mrs. T. S. Edwards, Mrs. J. C. McGee, Mrs. S. M. Clonts, Mrs. C. C. Hoge, Mrs. L. N. Bridges and Mrs. J. A. Wilson.
Mrs. L. N. Bridges was presented with a life membership in appreciation for her work as Zone Leader.

Capt. A. B. Robertson Promoted To Major; Completes 39 Missions

Mrs. Dorothy Robertson of Knox City was notified by the Adjutant's Department early this week that her husband, Capt. A. B. Robertson, had been promoted to the rank of Major.
Major Robertson is on active duty as a squadron operations officer of the U. S. 15th Air Force, stationed in Italy. In a recent letter to his wife, Major Robertson reported having flown 39 missions over enemy territory.
Major Robertson has been awarded the Distinguished Flying Cross, the Air Medal, and three Oak Leaf Clusters, for meritorious service and action. He earned the DFC for saving both his crew and his ship after a disastrous encounter with flak over Piombino, Italy.
Robertson enlisted as an air cadet in March of 1941. After earning his wings he flew on anti-submarine patrols out of Galveston for two years. His wife, formerly Dorothy Shaver, daughter of Mr. and Mrs. Ed Shaver, resides with their small son at her parents home in Knox City.

'Home Service' Part Of Red Cross Help To Armed Forces

The Knox County Home Service of the American Red Cross is the liaison between the boy in service and the family at home. They help with communication reports to the military, financial assistance and filing of all claims for the veterans. Mrs. W. E. Braly, Munday is your Knox County Home Service chairman and she and the Home Service workers in the county are glad to help anyone needing information pertaining to these various services.
Red Cross never initiates a request for a furlough, furlough extension or a discharge. This must be done by the boy in service. If the military needs additional information after the initial request is made, they then contact Mrs. Braly who supplies them with the information. The military makes the decision—never the Red Cross.
You can help your boy in service by following instructions given you by your Red Cross and the military.

LaVerne Timberlake Joins College Club

Miss LaVerne Timberlake of Vera is one of 24 pledges initiated into the Junior Current Literature Club in a candlelight ceremony held recently at North Texas State Teachers College, Denton.
Founded in 1909, the Junior Current Literature Club is composed of members of second-semester freshman and sophomore classes, having for its purpose a study of modern life as interpreted through the literature of the past and present.
Miss Timberlake is a freshman student at NTSTC, majoring in speech.

Mr. and Mrs. Byron Lee of Whiteface were here Wednesday visiting Mrs. Lee's parents, Mr. and Mrs. Joe Smith.

Knox City will inaugurate the Sixth War Loan Drive Saturday afternoon at 2 o'clock, with a free show and rally on Main Street.

A group of servicemen called "The Sheppard Field Bondaliers" will be on hand with an hour program of music and entertainment.

County H-D Clubs Send Thanksgiving Box To Sheppard

The Home Demonstration Club women of Knox County prepared a Thanksgiving box and sent it to the soldiers in the hospital at Sheppard Field.
Each club was to prepare a box and send it to Benjamin and these were to be packed together and sent to the hospital. Due to the rainy weather only seven of the nine clubs were able to participate. The clubs sending gifts were: Munday, Benjamin, Vera, Truscott, Gilliland, Sunset and Hefner.
The box consisted of the following articles: shaving cream, soap, tooth paste, tooth powder, oil, stationery, books, magazines, cookies, candy, handkerchiefs, fruit, nuts, homemade cookies and candy, pencils, memo pads, cigarettes, chewing gum, etc.
A similar box will be prepared for Christmas for the boys in the hospital.
Those helping pack the box were: Mrs. J. C. Patterson, Mrs. Lee Snellum, Mrs. Carter, Mrs. Leona Darwin, Mrs. E. B. Sams and Lucile King, Home Demonstration Agent.

Christmas Tree Supply To Be Ample For Year

The supply of Christmas trees in 1944 will probably be ample to satisfy holiday needs according to data given the Office of War Information by the War Production Board. At the same time however, buyers are warned against "over-zealous buying" as that might create an artificial shortage, followed by a waste of trees.
In 1943 consumer anxiety about the family tree, which began with slow deliveries to retailers, led to high prices followed by a glut of trees near Christmas time. Many surplus trees sold for practically nothing on Christmas Eve and a sizable leftover had to be destroyed. The 1944 supply should be about that of last year.

Martha Jane Jones Member Players Club

Martha Jane Jones, daughter of Mr. and Mrs. H. M. Jones, Knox City, is a member of the Melpomenean Players Club of Abilene Christian College, Abilene.
The Melpomeneans have presented a major dramatic production for the fall semester, Richard Sheridan's, "The Rivals." The production was successful and now the group is doing work on a number of one act plays.
Martha is a freshman student, majoring in chemistry.

DRAFT BOARD MAKES FEW CHANGES IN REGISTRATIONS

Registrants reclassified by the Knox County Local Board at their regular meeting Tuesday, November 28:
1-A—Robert L. Sams, Sidney Seay, Yaldoro Reyna.
1-C(Disc)—Herbert O. Huston, Jr., Olin W. Webber.
2-A—Joe Allison, George W. Nelson, Walter Richardson.
2-B(F)—Joe R. Hurd.
4-A—Jack Idol.

Wynell Lowrey Wins Honor Roll Place

Wynell Lowrey, daughter of Mr. and Mrs. M. S. Lowrey, Knox City, made the highest grades for the freshmen class at McMurry College, Abilene, this first term, announced Iris Graham, registrar. She has an honor count of 86 points and ranks fifth on the list of eighteen students making this roll.
Miss Lowrey is a pledge to Kappa Phi social club.

Plans have been completed to rope off a full block downtown to accommodate the crowd and provide space for two large trucks that will serve as a stage for the entertainers. A piano will be provided locally for use as well as a loudspeaker system.

Included in the group from Sheppard Field are a magician, harmonica and accordion players and a master of ceremonies. There will be about 30 servicemen in the group.

The local War Bond committee has issued a special invitation to people living in Benjamin and vicinity, and

A canvass of city business houses made late today reveals that all agree to close from 2 to 3 o'clock Saturday afternoon. Committees appointed at the Lions Club luncheon today will make all arrangements for putting on the show and rally.

The O'Brien territory, to attend the show here since the group will not appear at these places.

Advance notices from other points say the group of entertainers are by far the best that have travelled the "bond circuit."

Plan to be in Knox Saturday afternoon to hear this group and to buy your share of Victory bonds.

DISTRICT GOVERNOR TO ADDRESS LIONS NEXT WEEK

Lion District Governor Ivan Oliver of Stephenville will be a guest of the local club next Thursday at the weekly luncheon. Lion Oliver will appear as the principal speaker of the luncheon program.

Elected to the District Governorship this past summer, Lion Oliver has been teaching school and coaching athletics in several West Texas cities before going to Stephenville.

He has been a member of the Lions for 16 years and has held several important offices with the organization.

Rev. Lloyd Hamilton, pastor of the First Methodist Church, brought an inspirational address to the Lions at today's luncheon. The club voted to assist in furnishing articles for the Red Cross servicemen's Christmas packages.

PARTY

The 42 Club members met in the home of Mrs. Joe Averitt Monday night, with Mrs. W. H. Clonts, co-hostess. After a delicious dinner, 42 was enjoyed by the following guests: Mr. and Mrs. L. N. Bridges, Mr. and Mrs. Otis Cash, Mr. and Mrs. W. E. Clonts, Mr. and Mrs. S. L. Favor, Mr. and Mrs. E. E. Teaff and Mr. and Mrs. Sam White.

COTTON GINNING REPORT

Census report shows that 14,600 bales of cotton were ginned in Knox County from the crop of 1944, prior to Nov. 14, as compared with 17,600 bales for the crop of 1943.

Survivors Deceased Servicemen Should Contact USES Office

Wichita Falls, Texas—Survivors of deceased servicemen who worked in employment covered by the Social Security Act prior to their entrance into the armed forces were urged to contact the nearest Social Security Board field office by R. L. Surles, manager of the Wichita Falls field office.

In addition to any benefits payable from War Risk Insurance, there may also be some payment from the Old-Age and Survivors Insurance system. These payments can be made if the worker was insured under the Social Security plan, particularly if the deceased is survived by minor children, since monthly payments continue until the youngest child reaches age 18. Delay in filing the claim after notice of death is received may result in some loss of benefit by the survivor.

OBITUARY

ROMIE C. DENNINGTON

Romie Cleveland Dennington was born March 10, 1904, in Eastland County, Texas, and died November 13, 1944, at the age of 40 years. Senior News

The Thanksgiving holidays are over
and we seniors are back in school
"diggin" to pass those Literature
tests!

Last Wednesday night, we had a
Thanksgiving supper and did we
stuff? Those games we played were
fun, and believe me, we had a grand
time! Seniors, let's thank our won-
derful room mothers, Mrs. Snailum
and Mrs. Carter.

Senior Life

Claudia Meinzer was born in Ben-
jamin, July 1, 1928. She has lived here
all her life and gone to school in
B. H. S., so its only natural that all
the kids know her and like her!

Claudia has brown hair, grey-green
eyes, and we thing is very cute.
Some of her favorites are:

- Song: Together
 - Color: Blue
 - Saying: Golly!!
 - Teacher: Mr. Boyd
 - Hobby: Collecting letters from
that Navy boy friend.
 - Sport: Volley Ball
 - Boy: Gene
- She is a member of the volley ball
team and also editor-in-chief of the
Mustang.

Junior News

The Juniors have all been busy this
past week. Exams, parties, and other
things that have been on our minds.
Boy! What hard times we had on the
exams. Everyone was afraid to look
at the papers we got back.

Last Wednesday night the Juniors
had a Thanksgiving dinner in the
Home Economics department. We cer-
tainly thank our room mothers, Mrs.
Galloway and Mrs. Dunkle for treat-
ing us with such delicious food.
Everyone present reported a nice
time.

We turned out last week for
Thanksgiving and everyone seems to
have had a wonderful time. At least
the way they talk, they did!

Sports News

This Monday morning finds every-
one looking a little blue. Six weeks
tests are also over. The reports from
the tests were not too favorable. The
Seniors especially had a hard time.
The way things are looking now, the
basketball team will lose two players.

There will be a game this coming
Friday night between the Eagles and
Mustangs. The 18th the Eagles met
us in our gym. The results were bad
in the two basketball games. The
Juniors were defeated, and also the
Seniors. The score for the Seniors
was 22 to 5, the Juniors were defeat-
ed only 2 points, 7 to 5. However, the
night was not a total loss for B.H.S.
The volleyball girls won the two first
games. That was the first game for
them this year. It looks as if they are
going to have a team this year that
will bring several moer victories, just
like that Friday night. Girls, we are
betting on you!

The Family Altar

By Rev. Violet Byers
Co-Pastor, Foursquare Church

Friends of the Family Altar, it is
with thankful hearts that we have
the privilege of having an Altar
where we can come face to face with
God. An Altar is a place where one
can talk to God as man to man, or as
friend to friend, or as father to son.
An Altar is a place where sacrifices
are made to God, and where God can
show unto us our faults, but we must
be willing to open up our hearts to
God, that he may search out our
faults to lay before us.

Abraham was called upon to make
a great sacrifice to God when God
tested his faith by asking him to of-
fer his only son upon the Altar, and
dear friends, many mothers and fa-
thers know just how Abraham felt
because today many have sacrificed
their sons upon the Altar for their
country that we might be blessed
with freedom, that we at home may
worship God after the dictates of our
Own hearts, and have a Family Altar
where we can talk to our Heavenly
Father.

In many countries today the Bible
is a forbidden book, and the children
have been taught to recite over and
over that "there is no God," until the
little minds are warped, and they
have no belief whatever in a true
and a living God, and have no pre-
cious Bible to direct them. Does not
the Scripture say in Psalm 119:106,
"Thy word is a lamp unto my feet,
and a light unto my path." Thank
God that the light of the Gospel is
still shining to brighten our pathway
in this glorious land of freedom.

The Word of God is not only to be
a light to our path but it points sin-
ners to the way of Salvation, through
the precious blood of Jesus. It also
is a guide to the Christian and gives
them simple rules for daily living.

After Jesus comes into our hearts
our habits are all changed and even
our speech is different. Let us look
at the Scripture found in Matthew
26:73. We know that Peter had been
with the Lord for over three years
and had seen Jesus do marvelous
things but in a time of testing he
denied his Lord, but could Peter hide
under a cloak of gruffness? No, Peter
had been with Jesus too long and the
Scripture said, "Surely thou also art
one of them; for thy speech betrayeth
thee."

Dear Christian friend, let us put our
speech upon the Altar asking God to
clean our minds and thoughts, and
not hold anything in our hearts
against our Christian brothers and
sisters, because the Bible tells us that
"Out of the abundance of the heart
the mouth speaketh." And if we have
hatred in our hearts towards our fel-
lowmen, truly we are denying Christ
and all he died for, and like Peter,
we may have to weep bitterly. God
bless you all. Remember, Jesus loves
you.
