KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, NOVEMBER 1, 1951

NUMBER 49

Proposed Constitutional Amendments To Be Voted Upon Tuesday, November 13th

(Below is a summary of the five proposed Constitutional Amendments to be submitted to the voters in a special election Nov. 13.)

SJR No. 8 — Raising Rural Fire Prevention District Tax Ceiling:

In 1949 voters approved a constitutional amendment providing for creation of Rural Fire Prevention Districts. It also provided that voters might create by election a tax not to exceed three cents per \$100. The vote of this amendment was 152,252 for and 145,298 against.

The amendment to be voted upon November 13 would make only one change in this Rural Fire Prevention District provisions. It would raise the tax ceilings from three to 50 cents per \$100.

HJR No. 2 — Veterans Land Loans:

In 1946 Texas voters approved by a majority of 80,022 to 29,935 an amendment to the constitution known as Section 49-b of Article III.

That amendment authorizes the state to issue up to \$25,000,000 of bonds. Those bonds are sold to provide money that is loaned to veterans of World War II to buy farms or ranches. To operate this loan program the Veterans Land Board was created. It consists of the Governor, the State Comptroller and the Attorney General.

The amendment to be voted upon November 13 would make the following changes in the constitution's provisions affecting Veterans Land Loans.

1. Increase from \$25,000,000 to \$100,000,000 the total amount of bonds the state could issue.

2. Make eligible for loans all men who serve in the armed forces as many as 90 days prior to December 31, 1952. The law now applies only to men who served prior to January 1, 1946.

3. Extend the life of the loan program from November, 1954 to November, 1959.

The legislature has enacted a law to put this amendment into effect immediately if it is approved on November 13.

HJR No. 6 — Changing State Public Assistance Law:

This amendment, most controversial of those being submitted, would rewrite the Constitution's provisions governing old age assistance, aid to the needy blind and aid to needy dependent children.

The changes it would make are fundamental. They are:

1. Remove all requirements that those receiving assistance be citizens of Texas.

2. Remove all requirements as to length of residence in Texas for one to be eligible for such assistance.

3. Permit the legislature to provide \$7 million more per year for public assistance, raising the limit from \$35 million to \$42 million.

This amendment would make two other important changes: first, by increasing from \$20 to \$30 per month the amount of State funds that could be paid those receiving public assistance and second, by lowering the minimum age of blind people who could receive assistance from 21 to 16 years.

Principal opposition to this amendment stems from the fact that no restrictions are included as to citizenship or length of residence. Many pension organizations are actively opposing the amendment, believing that despite the raised ceilings, the lack of restrictions would tend to lower the average pension.

HJR No. 22 — Authorizing a Retirement and Disability System for Appointive Officers and Employees of Counties:

This amendment is similar to the one turned down in 1949 by vote of 20,545 to 95,280 except that it would prohibit any legislative appropriation to pay any benefits. It does not, however, prohibit appropriation of tax funds to pay administrative expenses of the proposed system. It does not prohibit a loan of State funds to the system.

State laws already provide a number of methods by which counties, or citizens thereof, may set up systems to provide such disability and retirement benefits.

In September a law became

Knox Calf Places At Dallas Fair

"Shorty", a 900-pound Hereford calf owned by Nickie Leaverton, Benjamin 4-H Club member, placed 16th in a class of 35 Hereford steers at the Dallas State Fair.

The calf was bred by League Ranch, and fed by young Leaverton who along with County Agent Bill Palmeyer carried the calf to the State Fair Junior Steer Show.

At the sale, the calf was purchased by H. P. Carey and Bill Gype of Dallas for 48 cents per pound. Nickie, son of Mr. and Mrs. Sam Leaverton, plans to feed more calves for future shows.

MINSTREL SHOW NETS MORE THAN \$200 FOR LEGION

More than \$200 was added to the American Legion Benefit Fund by the presentation of the negro minstrel at the school gym last Thursday night, Curtis Coates, post commander, announced.

Mrs. Bobby Bradberry, who has directed plays and musicals in Knox City for the past twenty years, directed the minstrel which included black-face musical acts and the skit, "Eliza Rosewater's Divorce Case".

On behalf of the Legion post, Commander Coates expressed his appreciation to Mrs. Bradberry, the band, the cast, Mrs. Mabel Pycatt, pianist, and to the school children who took part in the minstrel.

He also expressed thanks to Supt. Harold Barnett and the school board for their permission to stage the show at the school.

Proceeds from the affair will be used for charity and other benefits for the community, he said.

Foursquare Church to Have Special Services

Rev. and Mrs. Floyd Bailey, pastors of the local Foursquare Church, will observe their 11th anniversary in Knox City Sunday, Nov. 4.

Former members of the church now living away from Knox City are being notified this week of the special services, and it is expected that many will return for the occasion.

Rev. Bailey hopes to break all previous records in Sunday School and preaching attendance. At the morning service, he will give a complete report on the progress of the church during the past 11 years.

The pastor urged all members and former members to attend, and cordially invited the public.

MISS SHAVER EMPLOYED AS SCHOOL SECRETARY

Miss Mamie Shaver began her duties Tuesday as secretary to Superintendent of Schools Harold Barnett.

Miss Shaver, daughter of Mr. and Mrs. E. B. Shaver, Sr., was a Civil Service employe for seven years. For the past five years she has worked with insurance companies at Canyon and Brownfield. Her duties at the school will include lunchroom reports, average daily attendance reports, etc.

AMERICAN LEGION POST TO MEET TUESDAY NIGHT

Curtis Coates, commander of the Teague-Carpenter Post of the American Legion, reminded members this week that the regular meeting of the post will be Tuesday night, Nov. 6.

During the meeting, a financial report following the negro minstrel will be given. After the meeting, coffee and doughnuts will be served.

The post commander urged that every member attend the meeting.

Mrs. A. L. Ressel and son, Wayne, and Mrs. Raymond Bales, of Knox City, Mr. and Mrs. T. M. Spruill, Mr. and Mrs. R. C. Partridge, Mr. and Mrs. Lyndon Walling and sons, Mr. and Mrs. Mahlon Boggs and Mr. and Mrs. John Jones, all of Munday, attended a concert in the municipal auditorium at Wichita Falls Monday night, honoring the Walling and Partridge families. J. B. Walling spoke in behalf of his candidacy for State Representative from the 11th district.

Band Uniform Fund 'Over Top'

Harold Barnett, school superintendent and band director, had nothing but praise for the community, the Band Boosters Club, and the band members themselves, when interviewed Wednesday following a Band Uniform Fund campaign.

The Band Boosters Club, with Jess Hitchcock as president, had originally set the quota at \$2,000.00, but the quota had been topped by \$326.67 Monday morning, at the first counting, Mrs. Rip Collins, treasurer of the club, reported. Direct solicitation, with F. E. Walker, Mrs. J. G. Hawkins and Mrs. Jack Tankersley making personal contacts, accounted for \$2,043.56. Activities of the various classes, which were later halted, accounted for \$319.11. Money from the benefit football game was \$214 Wednesday morning, with a number of ticket sellers not reporting. Concessions at the game brought in \$47.45, to bring the total from all sources up to \$2,624.12.

"During my 26 years in school band work, I have never seen a community support the school band as wholeheartedly as Knox City has done," Mr. Barnett said. "Not only is the community enthusiastic, but the band members themselves are zealous and eager to learn. The Knox City beginners' band is doing exceptionally well, and in the near future you will have a band you will be really proud of."

He expressed his sincere thanks to the officers and members of the Band Boosters, the individuals and business men, and to everyone who had a part in making the drive a success.

Mr. Walker, Mrs. Hawkins and Mrs. Tankersley also expressed their thanks for the way people responded to their solicitation. They especially thanked the people of O'Brien for their cooperation.

The new uniforms have been ordered from Ostwald in Staten Island, N. Y., and are expected to be here around Christmas. The band is making arrangements for a Christmas concert with free admission, and it is hoped the members will be "diked out" in new uniforms.

Exact cost of the uniforms is not known, but with the money left over it is hoped that new instruments for the school can be purchased, the director said.

1946 STUDY CLUB TO MEET TUESDAY

Mrs. Fuller Shannon will be leader for the Bible program when members of the 1946 Study Club meet Tuesday, Nov. 6.

Hostess will be Mrs. Wesley Almond. Rev. Howard Marshall, pastor of the First Christian Church, will be guest speaker. He will use as his subject, "The History of the Bible."

Miss Carpenter Is Guest Speaker at Sorosis Club Meeting

Miss A. M. Carpenter, art instructor at Hardin-Simmons University, Abilene, and chairman of Art, Texas Federation of Women's Clubs, was guest speaker at the Sorosis Study Club at Benjamin, Thursday, Oct. 26.

Mrs. Jack Idol introduced the artist to fifty women, including representatives of the Knox City Study Club. After an inspiring lecture, the women enjoyed an exhibit of fine arts and crafts displayed by Miss Carpenter in the club room.

Funeral at Haskell For J. E. Pace, 71

Funeral services for Joe E. Pace, 71, were conducted Tuesday at 2:30 p. m. from the First Christian Church at Haskell, where Mr. Pace died Sunday after suffering a cerebral hemorrhage.

He was the father of Mrs. Paul Grimstead of O'Brien.

A former justice of the peace at Haskell for two terms, he had been a bookkeeper most of his life and had farmed some before his retirement in the early 1940's.

Born August 23, 1880, at Salado in Bell County, Mr. Pace moved to Haskell in 1908 and was married in 1909 to the former Winnie Bevers.

Survivors include his wife; three daughters, Mrs. Grimstead, Mrs. Ben Roberts of Haskell and Mrs. K. D. Pittman of Abilene; four sons, J. E., Jr., of Lubbock, Walter of Ft. Lee, N. J., Eldridge of Haskell, and Billy of Odessa.

KNOX SINGING CONVENTION TO BE HELD HERE SUNDAY

The regular first Sunday singing of the Knox County Singing Convention will be held Sunday at the First Baptist Church in Knox City. E. H. Tankersley, president, announced this week.

Special numbers by local singers and quartets are being arranged this week and a number of out-of-town quartets have indicated their plans to attend.

Mr. Tankersley invited all singers and everyone who enjoys hearing good gospel singing to be present.

The convention meets every first Sunday at various churches in Knox County.

'Hounds to Meet O'Brien Bulldogs Here Friday Nite

The Greyhound Field will be the center of attraction in Knox City tomorrow (Friday) night, when the Greyhounds and the O'Brien Bulldogs meet for their annual football classic.

The Bulldogs will be fighting hard to upset the Greyhounds, who are highly favored to win the tilt. The 'Hounds are undefeated this season, while the Bulldogs have lost two games—to Weimert and to Vera.

O'Brien walloped Mattson 72 to 14, Goree 57 to 6, and Benjamin 31-19. They lost to Vera 31 to 18 after a hard-fought game that was tied at the half, although was expected to win easily. Final score in the Weimert-O'Brien game was 48-6.

Knox City, whose reserves have seen a lot of action in several games this season, defeated Mattson 27-6, Goree 46-12, Vera 48-24 and Weimert 27-12.

While the 'Hounds virtually have the district championship in their pocket, a lot of interest is always evidenced in the Knox City-O'Brien game, and both teams can be counted on to play a good ball game.

In the Knox City-Mattson game Friday night, Jerry Wilson scored on a 5-yard line plunge for the first 'Hound score, and John Ed Smith kicked the goal for two extra points. Wallace May scored on a 40-yard run around end, and Smith's kick was again good, to make the score 16-0. May intercepted a Mattson pass and ran 70 yards for another touchdown, making the half-time score 22-0.

On the kick-off after the half, Wilson ran 75 yards for a T. D., and Jimmy Joe Jones' kick was blocked. The 'Hounds played a very good game, with Jim Jones, John Jones, John Ed Smith, Guy Robinson and Leon Nolan doing fine blocking for the ball carriers.

The Mattson passing attack was working good as far as completions were concerned, but receivers had trouble getting loose. Roy Forehand completed 27 of 37 passes. The Mustangs' score came on a pass play from Forehand to Daniels which covered about 50 yards.

The Knox City reserves played a very good defensive game, but their offense could not penetrate Mattson's strong defense.

SUPPER CLUB TO MEET MONDAY NIGHT, NOV. 5

The regular meeting of the Monday Night Supper Club will be held at the club house Nov. 5. Mrs. Ernestine Mullins, president of the new business women's organization, asked that every member make a special effort to attend the meeting, which will begin at 7:30.

At the last meeting, members voted to assess \$3.00 a month as dues. The club guarantees the Knox City Study Club ladies, who serve the supper, twenty plates at \$1.00 per plate, twice each month.

The president appointed Mrs. Myrtle White, Mrs. E. Q. Warren and Mrs. Jimmie Branch as members of the program committee. It was voted that the program committee serve two months, at which time another committee will be appointed.

At the organizational meeting it was decided to charge a 10-cent fine each time a member used a surname or title when addressing or speaking of another member, during the meetings. Paying fines last meeting were Mrs. John Wilson and Mrs. Mabel Pycatt.

The president reminded members to notify her if they plan to bring a guest or a new member to the meeting Monday night.

MARRIED MEN TO RECEIVE ARMY PHYSICAL EXAMS

AUSTIN. — Married men without children will be affected principally when state draft boards order about 3,600 men for physical examinations in November and December.

First orders to local boards for the examinations will be placed in the mail Wednesday, Brig. Gen. Paul L. Wakefield, state Selective Service director, said this week. These are the first physical examinations to be ordered since the past April, except in isolated cases.

The orders are designed to get married men without children examined as early as possible, in compliance with official instructions from national Selective Service headquarters. First examinations will take place on November 5.

Eighteen hundred men are scheduled for examination in November and 1,800 in December. Examination dates scheduled for November are on the 5th, 13th, 26th and 27th. December dates scheduled are on

the 6th, 7th, 13th and 14th.

General Wakefield said that some of these men will be inducted in December and still more in January. He pointed out that, in many cases, these married men without children will be inducted ahead of single men who have been examined and acceptable for several months.

"It turns out this way," Gen. Wakefield observed, "because the law provides that men shall be inducted in order of age—the oldest first."

The state Selective Service director said he had no idea how many draft registrants are men with only dependent wives.

"We do know that we had 71,001 men with dependents at the end of August," Gen. Wakefield said, "and at the end of September we had 69,610. From this we know that the local boards already have gotten under way on the job of re-classifying men with dependent wives alone as available for military service."

An average of 26 men per local board will be sent for the physical examinations in the November-December period.

Mrs. E. Egenbacher and Mrs. Fred Roth, both of Bowie, are visiting the Egenbacher boys in Knoxville this week.

Betty Jean Hawkins, daughter of Mr. and Mrs. J. G. Hawkins, spent the week end in Crowell visiting Roma Jan Spikes, daughter of Mr. and Mrs. Jack Spikes. Betty Jean made the trip on the "doodle bug".

Amendments

(Continued from Page 1) effective allowing any Commissioners Court to place the county's officers and employees under the Federal Social Security System on the same terms and with the same contributions as are required of employees and employers in private business. Benefits to officers and employees so covered would include death and survivor provisions but not any disability benefits.

County employees covered by any other retirement system cannot be covered at the same time by the Social Security System.

Both the present system that may be administered by counties and the Social Security System require contributions to the fund by both employees and counties.

The system proposed in this amendment, however, does not call for any specific method of financing. Under it there could be established, but only in a county wide election, a system supported entirely by county funds with no contribution by appointive officers or employees. Any county could adopt the proposed system alone, but its basis could be changed by the legislature at will.

HJR No. 37 — Investing of University Funds in Additional Securities:

The University Permanent Fund exists for support of the University of Texas and Texas A and M. It consists of money received from oil royalties and from sale and leasing of land. The two institutions cannot spend the principal of this fund. They actually receive only the earnings—interest or dividends—from investment of the principal.

The constitution now requires that this money must be invested in bonds or other securities that are issued or guaranteed by units of government—federal, state or local.

This amendment would allow investment to be made in preferred and common stocks of corporations. Not more than half the fund could be invested in stocks at any time. Not more than one per cent of the fund could be invested in securities of any one corporation. No more than five per cent of the voting stock of any corporation could be bought.

Investments would be restricted to stocks of corporations that have paid dividends 10 consecutive years or longer prior to date of purchase.

James Hart, chancellor of the University of Texas, has made this statement regarding this amendment:

"Average yield from University Permanent Fund investments under present restric-

tions is 2.49 per cent. "Average yield of comparable investments of all other major universities of the country, who are not so restricted, is 4.6 per cent.

"Investing the Fund in securities other than government-guaranteed ones would be a hedge against inflation. Cost of operating the University of Texas and Texas A and M College has risen greatly.

"The legislature must appropriate out of tax money whatever funds are needed above earnings of the Permanent Fund

to operate the two institutions. Therefore, the more the Permanent Fund earns, the less the taxpayers of Texas must pay to support the two schools."

Only a Flower

I am only a flower . . . yet millions love me . . . and look on me for inspiration, hope and peace!

I was created by God that man might always have something which would remind him of the beauty and goodness of God.

I am often Cupid's messenger and bear the glad tidings of love and romance.

I am the friend of man in the moments of his greatest joy and his greatest sorrow.

I carry a breath of sunshine to the sick, and I ease the fear of those who travel through the valley of death.

I am sometimes the only ray of sunlight in man's life, when the clouds are darkest, but with the coming of the sun, I lift my head and stand by to salute its merry sunshine.

I may be the orchid proud that graces a beautiful lady's gown, a violet beside a brook, or a wee flower that blooms beside the road.

Yet, though I am only the smallest flower that grows . . . if you but knew the mystery of my being, you would know the mystery of God and of life itself!

Home Demonstration Clubs met in regular session October 26, in the Assembly Room of the Court House at Benjamin. In

the absence of the chairman and vice chairman, Mrs. R. M. Almanrode was asked to preside over the meeting.

Each club reported a demonstration by Miss Henson, also the planning of their Achievement Day programs and the election of officers for the coming year.

Mrs. J. R. Brown, T. H. D. A. chairman, read a letter from Mrs. Huggins, district vice president, who is under a doctor's care and has had to resign. Mrs. Huggins was elected at the district meeting this year and was installed at the state meeting in August.

The date for the annual encampment has been set for July 24-25 at Lueders.

The meeting was adjourned for the election of officers. Those elected were as follows: Mrs. Omar Cure, president; Mrs. Frank Bowly, vice president; Mrs. Richard Winstead, secretary; Mrs. Gil Wyatt, treasurer; Mrs. Richard Winstead, reporter and Mrs. J. C. Patterson, parliamentarian.

"USO IS A MUST"—Greer Garson, movie star of Hollywood and Dallas, is high in her praise of the work which the USO is doing in behalf of our young Texans in the Armed Forces. "USO is a must for all of us on the home front," she says. "It's the least we can do for those in uniform who are offering their all to protect the freedom of our country." Looking over a new Texas USO poster with Miss Garson are Robert L. Thornton, Jr., Dallas, state treasurer of the Texas United Defense Fund Committee, and Sgt. Leslie J. Shaver of Austin, who has just returned from a year in Korea with the First Cavalry.

Week end guests in the home of Mr. and Mrs. Abe Watson were their daughter, Mary Jo, and two friends, Sally Bishop of Melvin and Betty Gentry of Austin. The girls are students at Hardin-Simmons University, Abilene.

COUNTY F. H. A. MEETING SCHEDULED AT BENJAMIN

An executive meeting of the Knox County Future Homemakers Association was held at the Knox City High School October 17, to plan the program for the next county meeting, which will be held at Benjamin November 5.

It was decided that the meeting will be called Hillbilly Amateur Night. Everyone is to dress hillbilly-style, and each chapter will present three hillbilly skits. Each chapter is to bring two prizes so that prizes can be given to the best dressed hillbillies and the best skits. The meeting will begin at 6:30 p. m., and each person is asked to bring a basket lunch.

Mr. and Mrs. Lloyd Huntsman and daughter, Kay, of Hale Center, visited Mr. and Mrs. Leland Huntsman, Mr. and Mrs. Charles Givens and other relatives and friends in Knox City and Haskell last week.

Mr. and Mrs. E. L. Carr of Rochester spent last week with their daughter, Mrs. J. M. Averitt, and Mr. Averitt.

Guest of Mrs. Myrtle White this week are her daughter, Mrs. J. G. Hurster, and young son, Johnnie, of San Antonio.

Mr. and Mrs. Clyde E. Williams attended the football game and home-coming at Texas Tech, Lubbock, during the week end.

Mr. and Mrs. Herman Egenbacher and George spent the week end visiting relatives in Bowie.

Mrs. H. B. Sams, Sr., returned to her home in Benjamin Monday after visiting her daughter,

Mrs. Dee McStay, and family in Vernon for the past three weeks.

Mr. and Mrs. O. W. Smith of San Angelo visited in the home of Mrs. Smith's mother, Mrs. J. W. Howell, last week.

Mr. and Mrs. Abe Watson attended funeral services for Mrs. Frank J. Gibson in Sweetwater Sunday.

For! 10% Against
Workers are represented by 23 standard mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are under wages and rules agreed to by them and their employers. But leaders of three unions—with only about 100,000 men, or less than 10%—still refuse, after a year of negotiations, to accept similar wages and rules agreements. These are even more restrictive than the terms recommended by the Emergency Board appointed by the President.

Time to settle...

It certainly seems to be finally about time that the leaders of the three unions stop their quibbling tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

In 1950, an Emergency Board was appointed by the President under the Railway Labor Act—an Act authorized by the unions themselves—to make recommendations on certain working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads. More than 90% of Employees Accept the terms equal to or better than those recommended have been accepted by about 1,200,000 railroad employees, more than 90% of the total of all railroad employees. They are represented by 20 of the standard railroad unions. More than 10% Refuse to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "quibbling" unions. Already the railroad men in the industry, their employers and still further advantages to workers. There are about 270,000 operating railroad employees, but not all of them, by any means, are represented by BLE, BLF&E, and ORC. As a matter of fact, less than 100,000 are exact—are in these three unions. More than half—about 170,000—are in other unions, principally the Brotherhood of Railroad Trainmen. The whole situation so hard to understand is that these 140,000 employees are working under wages and rules which the leaders of the other unions cannot agree to.

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?
Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$.34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?
The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

What About the 40-Hour Week?
The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?
The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated
The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed
With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

"BAND QUEEN" CROWNED IN IMPRESSIVE CEREMONIES

Miss Gene Walker, daughter of Mr. and Mrs. F. E. Walker, was crowned Band Sweetheart in impressive ceremonies held at half-time of the Knox City-Munday Junior football game Tuesday night.

Miss Walker, representing Mrs. E. F. Branton's eighth grade, received the most votes last week in a contest sponsored by the Band Boosters Club as a part of the band uniform fund drive. Votes were a penny each.

The coronation procession moved to the center of the field led by the Knox City School Band. Following the band were "sweethearts" representing each class, and their escorts, who were elected by their classmates. They were:

First grade: Carroll Tankersley and Jimmie Dunnam; second, Jackie Givens and Joe David Gray; third, Jane Smith and Robbie Robertson; fourth, June Large and Jim Anderson; fifth, Gaye Reeves and Laval Verhalen; sixth, Jerria Land and Jimmy Finley; seventh, Patsy Denton and Rip Collins; freshmen, Mildred Gideon and Bobby Presnall; sophomores, Louise Bales and Hubert Finley; juniors, Barbara Johnson and Guy Thomas Robinson, and seniors, Laquita Segó and Edward Wynn.

Miss Walker, escorted by Truman Gilpin, followed the senior sweetheart. The high school and grade school pep squads, led by Florence Reeves, Sammie Darr, Dorothy Pack and Tomye Woodward, marched on the field and formed a large heart. The band sweetheart was assisted to her throne by her escort and crowned by drum major Jo Denton. The majorettes, Jeanie Guinn, Carol Hitchcock, Glenda Givens and Zana Hamm, marched to the center of the heart with the drum major.

The pep squads knelt in honor of the crowned sweetheart and sang "Let Me Call You Sweetheart", accompanied by the band.

In the benefit football game, Munday ran up two touchdowns and an extra point to trim the Greyhound Pups 13-0.

Despite the cold and rainy weather, a good crowd attended the game and coronation ceremonies.

SHEPPERD COMMENDS VOLUNTARY PAROLE BOARD

AUSTIN. — Secretary of State John Ben Shepperd stated in a report to C. R. Elliott, Munday, chairman of the Knox County Voluntary Parole Board that the Texas Voluntary Parole System is functioning economically and satisfactorily.

Shepperd reported that when he assumed the duties of Secretary of State in February 1950 there were 600 parolees unaccounted for in Texas. He commended the Texas Voluntary Parole Board members for their cooperation and assistance in enabling the Department to reduce the number of missing parolees to 60.

The Texas Voluntary Parole System, Shepperd stated, is a positive and constructive program designed to aid the parolee in becoming worthwhile citizens of the community. Parolees, he reported, are released from prison on recommendation by the Board of Pardons and Paroles to the Governor for the granting of clemency. After clemency has been granted, a parolee is under the supervision of Parole Board members until expiration of his sentence.

The Parole System, Shepperd reported, has proved to be a sound program of progressive public protection. The Annual Report of Texas Board of Pardons and Paroles shows that in 1949 there were 11.6 per cent parole violators. This figure was reduced to only 3.8 per cent in 1950.

These men, the Secretary of State said, are supervised at the very low cost of only 4 1-2 cents daily for each parolee, while it costs the Texas Prison System 82 cents daily for each inmate. This figure, he stated, does not take into consideration the amount spent by the state in caring for the dependents of those incarcerated. The Department of Public Welfare shows in their Audit Report for 1950 that \$212,426.27 was spent in aiding these families.

In comparing the costs of the Texas Volunteer Parole supervision with that of other states, Shepperd cited the fact that the state of New York spends \$62 for each parolee yearly; Massachusetts \$54 yearly; Virginia \$60 yearly; Wisconsin \$34 yearly, while Texas spends only \$15 yearly for each parolee.

Shepperd also praised the work of the members of the Voluntary Parole Board and cited several cases where through their efforts, delinquents have been restored from the prison system to daily pursuits of everyday life.

Other members of the Knox County Voluntary Parole Board are C. C. Browning, Truscott; Fred Broach, Munday; and Tom West, Benjamin.

E. A. O'Pry and his son-in-law, E. E. Lindley of Ft. Stockton, enjoyed a trip through New Mexico and Colorado last week. Mrs. Lindley spent the week in Knox City with her mother.

Mr. and Mrs. W. I. Hester of Carlsbad, N. M., visited friends and relatives in Knox City and O'Brien last week. They are former residents of Knox City.

HUMBLE TO BROADCAST FOUR GAMES SATURDAY

Humble Oil & Refining Co. football broadcasts on Saturday, Nov. 3, will include three more contests in the wide-open Southwest Conference championship race, as well as a promising intersectional tilt.

Upset-minded Arkansas goes against the rugged Aggies from Texas A and M. Baylor draws T. C. U., and the red hot annual conflict between S. M. U. and the University of Texas tops off the Conference schedule. In addition to these Humble will broadcast the Houston clash between the surprising young Rice Owls and Pittsburgh University.

Most of the larger radio stations in Texas will carry one of the broadcasts, all of which begin at 1:50 p. m.

Exa Faye Hutton of Pampa spent the week end here with her mother, Mrs. Hutton, and her sister, Mrs. Ottis Cash, and family.

Why I Am A Member of Church of Christ
(Continued)
You will remember that in the last article we began a discussion on "Why I am a member of Church of Christ." This week we want to continue to still further reasons why we are in the church.
3. AS A MEMBER OF THE CHURCH OF CHRIST WE WORSHIP GOD IN "SPIRIT AND TRUTH."
This is the only worship acceptable to God. As a member of the Lord's church I can give, and observe the Lord's supper upon the week" (Acts 20:7) as we are taught by the word of God. I know of no church where these things are done on the first day of each week, but the Lord saves and the Lord adds to the church (Acts 2:47). If you are a Christian member of the Lord's church. We become Christians of God and the shed blood of the Lamb to the gospel of Christ. We must "believe" in Christ; "repent" of every sin; "Confess" to Christ; and be "baptized" in obedience to the word of God (Mark 16:15-16; Acts 2:38; Gal. 3:26-27). God a dozen or more ways of saving people. The law of forgiveness for the alien and all who obey this law in order to enjoy forgiveness. If you the gospel you will be lost. (2 Thess. 1:7-9)
We never ask people to leave "their" way any way. We, as members of the church of Christ, "our" way. We are only following "God's" way. We never ask people to leave "Their" way and come to "our" way. Is there anything wrong in that?

STREAMS in Desert Places
By Cassie Stephens

There is a fountain filled with blood drawn from Emmanuel's veins; and sinners, plunged beneath that flood, lose all their guilty stains. We sing of this precious blood of Jesus Christ, the powerful blood, yea, the cleansing blood of our Lord that cleanses us from all sin when applied to our hearts.

You remember the story in the fourth chapter of Genesis when blood talked. Cain in a fit of anger murdered his brother, buried him and tried to forget the whole thing. But your sins will find you out. It makes no difference how it is committed or how well you think you have it hid. Sin will find you out.

The Lord said to Cain, "Where is thy brother?" He said, "I know not. Am I my brother's keeper?" Then the Lord said, "What hast thou done?" The voice of thy brother's blood crieth unto me from the ground." Then God pronounced the penalty on him. Everyone is cursed with a curse who sin. In the day of reckoning many will cry as did Cain, "The Judgment is greater than I can bear."

That is the reason I am proud that the blood of Jesus speaks too. We find in the twelfth chapter of Hebrews that we are come "to Jesus the mediator of the New Covenant, and to the blood of sprinkling, that speaketh a better thing than that of Abel." For his blood speaketh of jealousy, hatred, envy and anger. But the blood of Jesus has purchased us, that we might be the possession of the Living God. It also speaketh of justification. "Without the shedding of blood there is no remission." We are redeemed out of the slave market of sin and reckoned God's servants.

Some day in Heaven we will sing of this precious blood, yes we will sing, "Worthy is the Lamb that was slain", for through His blood we have been brought into fellowship with God. Bow before Him and accept the cleansing of this precious blood that will make you white as snow.

W. S. C. S. MEETS MONDAY AT METHODIST CHURCH

The Woman's Society of Christian Service met at the Methodist Church Monday at 3:00 p. m.

The meeting was opened with the group singing "Others". The devotional, "Brotherhood in God", was given with each member taking part.

During the business meeting, Mrs. Dan Steakley accepted the office of Superintendent of Missionary Education.

On the program during the afternoon were Mrs. L. N. Bridges, Mrs. C. S. Woodward, and Mrs. G. D. McCarty.

Mrs. C. C. Hoge led the closing prayer.

WHERE QUALITY, ECONOMY AND COURTESY MEET

A Message of Importance
★ ★ ★ *To Every Automobile Driver* ★ ★
In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicles (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a report to the Department of Public Safety if your car is involved in an accident where there is a death, injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

MRS. HAYES HONORED AT STORK SHOWER
 Mrs. John Albert Hayes was honored with a "pink and blue" gift shower Thursday, October 25, at the First Baptist Church in O'Brien.
 Miss Margie Lowrey presided at the baby book where guests registered.
 The refreshment table was covered with a lace cloth and centered with a huge stork. A Crystal punch service also decorated the table. Plate favors were miniature pink and blue diapers. Mrs. J. O. Brothers ladeled punch.
 The twenty-two hostesses presented Mrs. Hayes with a bassinet, liner and mattress.
 Mrs. Hayes is the former Kathleen LaDuke.

Mr. and Mrs. Jim Ross attended the Texas Tech-Arizona football game and other homecoming activities of Texas Tech during the week end. They also visited his parents in Lubbock.

Bi-District Game Played at Patton Springs
 The Knox City Greyhounds, with their easy win over the O'Brien Bulldogs last Friday night, cinched the district championship even though they have another conference game—with Benjamin tomorrow (Friday) night.
 In the bi-district game the Greyhounds will face Patton Springs, a strong team that has built an imposing record the past several years. The game will be played Thursday night, Nov. 15, at Patton Springs, which is near Dickens, about 85 miles from Knox City.
 Game time will be 7:30 p. m.
 The Greyhounds, coached by David Slaughter and Henry L. White, have had easy going during most of their games this season, with the reserves seeing plenty of action. Their record so far is 10-0.

PRODUCTION FROM EACH FARM ESSENTIAL TO WELFARE OF COUNTRY

The production from every farm and the protection of every acre of every farm is needed if agriculture is to continue to provide the nation's needs, says J. C. McGee, chairman of the Knox County PMA committee.

To make sure there is enough food and fiber to meet the nation's needs for a strong defense and to take care of the growing population in the years to come, in the chairman's opinion a sound program for maintaining farm productive capacity is essential.

He points out that the general fertility level of our soils is still going down. Soil improvement has helped a great deal on many farms, but it has not yet reached the point where it balances the losses of soil and fertility on other farms.

Each year we are taking nearly twice as much plant nutrients out of the soil by cropping alone as we are returning, the chairman explains. It is not uncommon in some areas for erosion and leaching to take more than 20 times as much out of the soil as do the crops.

He points out that with the added demand for increased production due to the defense effort, the fertility is being drained from the soil even faster than normally. Without population increasing at the rate of two million a year, the problem is serious.

As McGee sees it, not only will more and better conservation be required to protect the land and to step up production to meet the ever increasing demand, but farmers have an increasing obligation to so farm their land that it will be more rather than less productive in the years to come. And, he explains, it is for this reason that there is an agricultural conservation program.

W. M. U. MEETS MONDAY WITH MRS. DENTON

The Woman's Missionary Union of the First Baptist Church met Monday afternoon in the home of Mrs. A. P. Denton, for the regular Royal Service program and social hour.

The meeting was opened with a prayer, which was followed by the group singing "I Would Be True". The devotional was given by Mrs. Jim Ross.

Mrs. Arlie Williams presented Mrs. Horace Finley, who was leader for the program on "Whiter Asia".

Others on the program were Mrs. O. W. Caussey, Mrs. G. H. Zachary, Mrs. Pryor, Mrs. Frank McAuley, Sr., Mrs. H. R. Beauchamp, Mrs. Geo. T. Hardberger, Mrs. W. H. Paul, Mrs. Harry Hickman, Mrs. C. J. Reese and Mrs. E. V. Becker.

Plans were made for the Haskell-Knox W.M.U. Associational meeting in the Knox City church.

NEW TEXAS "SAFETY FIVE"

- 1** Enforcement Begins January 1, 1952 as passed by the Legislature, goes into effect. This law requires that all motor vehicle drivers and owners of motor vehicles involved in an accident (except Federal, State, County and City-owned cars).
- 2** What Must You Do After An Accident? Report to the Department of Public Safety if your car or property damage in excess of \$25. Under the new law, if your car is in an accident resulting in death, injury or property damage in excess of \$25, you must report it to the Department of Public Safety.
- 3** You Don't Have to Carry Liability Insurance. If you do not now have such a policy, you can get it. Safety security equal to the estimated damage, not exceeding \$5,000.00. If you are not responsible for the future, your driver's license will be suspended.
- 4** It's Easy to Establish Financial Responsibility. If you do not now have such a policy, call an insurance counselor who will be happy to advise you.
- 5** What is the Minimum of Your Liability? The following minimum limits of liability: up to \$5,000 for all personal injuries resulting from one accident, and up to \$10,000 to establish such liability but it is the easiest way.
