## CHRISTIANS WOMENS ASSOCIATION ELECTS NEW OFFICERS

### Plan Community Easter Program

At a meeting of the Christian Women's Association of Knox City held in the local Methodist church Monday afternoon, new officers for the ensuing year were elected. They are as follows:

President, Mrs. S. M. Clontz  
V. P., Mrs. Press Clarke  
Secy., Mrs. Roy Smith  
Treasurer, Mrs. Tom Hollis

A community Easter Program will be given on the evening of Sunday April the 20th under the auspices of this organization. The High School chorus is sponsoring the program but ask that all the singers of the various churches assist therein with the music. Mrs. E. Q. Warren, director of the program, urges that all singers of the churches attend the practice hours, which are each Monday and Thursday nights, at the church. This program to be a success, must be well balanced in voices for the singing. The women are especially asked to take part. The men are turning out well for practice and it is hoped that the women will do likewise.

The C. W. A. discussed plans for raising money for the charity fund Monday afternoon, however, nothing definite was worked out. The attendance was good.

## TO TAKE RELIGIOUS SURVEY OF THE TOWN AND COMMUNITY

Workers of the Methodist Church and the First Christian church are organizing a religious survey of Knox City and the surrounding community Sunday afternoon. This work is being done because of a earnest desire on the part of the church to serve more intelligently and efficiently the religious need of the community.

Those interested in this work may help materially by being at home between the hours of 2:30 and 5:00 o'clock.

Brother Smith, the colored Baptist Pastor of Knox City is observing anniversary week this week. He is having preachers to talk to the colored congregation during the week. Reverend Mann preached Tuesday night. Brother Herbert Land will preach Thursday night and Reverend Stovall will preach Sunday afternoon. In addition to these services several colored preachers are assisting Brother Smith. These services are being held in the church house of the colored people.

Brother Mann states that if he had as much help in his preaching as he had Tuesday night, that he could probably do better preaching.

## S. T. Easley Seeks Election of Office of County Judge

The Herald is authorized to announce the candidacy of S. T. Easley of Munday for the office of County Judge, subject to the action of the democratic primaries.

Mr. Easley has been a resident of Knox County for the past thirteen years during which time he has been engaged in the mercantile business in Munday, where he is recognized as a conservative level-headed business man. He has served the City of Munday as alderman for a couple of terms and was serving in that capacity at the time the city was undergoing rapid growth and was instrumental as a city official in the paving of the streets and the installation of sewage in this city and in all these undertakings he went to much personal expense and trouble in making investigations before spending the people's money and he states that if he is elected to this responsible position that he will use his very best efforts in conserving the funds of the county and will do his utmost to see that the county gets value received for every penny expended.

Mr. Easley does not profess to be a lawyer, but has had in years gone by an opportunity to view the workings of the courts and feels that he knows what is right and proper from the standpoint of equity, and upon this knowledge he will render his decisions as county judge if the people see fit to honor him with this responsible position.

Mr. Easley states further that he will give his best efforts toward cooperating with the various commissioners of the county in working out the problems of the commissioner's court and will discharge his obligation to the citizens of the county without fear or favor.

Mr. Easley plans to make a thorough canvass of the county between now and the time of the election and in the meantime he asks that the people of the county who do not know him especially make investigations of his standing as a citizen and as to his qualifications, and will appreciate any assistance given his candidacy.

Mr. and Mrs. Horace Finley are the proud parents of a fine baby girl. She arrived last Friday. Mother and baby are doing well.

The Reverend and Mrs. English of Arkansas, who were in Texas to see his mother who is seriously ill came the last of the week to see Mrs. Finley.

## Hospital Notes

Mrs. Baker states that among those at the hospital for the past week or so were several new babies. Mrs. R. M. Pike and her son, David Erskine, of Rochester, returned to their home last Thursday. Mrs. Pike is the wife of the Methodist preacher of Rochester.

Mr. W. L. Barber and a new son, William Lawrence. They live in Munday. Mr. Lawrence is the Frigidair man in Munday.

Mrs. A. R. Caudle of Benjamin has a new son, A. R. Jr. however, he will be called Bobby. Mrs. Caudle is the wife of the Christian minister in Benjamin.

Mrs. C. C. Robinson of Howell's ranch was in the hospital this week with a broken limb. She fell while in the cow pen.

Mrs. W. G. Warren of Munday is now a patient in the hospital.

Mrs. V. H. Jones of Knox City is still in the hospital but is doing nicely.

Dock Rose of Rule, who was in a car accident last week, returned to his home last Saturday after spending several days in the hospital.

Mrs. Weaver Mitchell has recovered sufficiently to return to her home in Haskell. Mrs. Cora Robinson of Knox City has also returned to her home. Mrs. Emmitt Partridge of Munday is a patient in the hospital this week.

## Trees Greatly Appreciated

Mrs. Baker states that the hospital force in general greatly appreciates the trees which were recently planted on the south side of the hospital block. On the afternoon of March the 21 was "plant a tree" day and a representative from most of the business houses gathered at the hospital and helped to set out the tree. Seventy eight were put out in perfect square measurements and to cover the entire south side of the block. These trees were given for the grounds at the hospital by Mr. G. M. Nix.

Mrs. Baker states that another interesting and helpful happening recently was the fact that Mr. J. W. Howell has put out a full row of the paradise trees on the south side of his property which is directly in front of the hospital.

## A. B. Reese Announces for County Judge

Mr. Reese has lived in your midst for fourteen years and needs no introduction. Has been as far as was possible a part of every thing worth while in your community all these years.

Most of his life has been spent in offices and few men more competent to look after the details of the office he seeks.

If elected will move to Benjamin and become apart of it's citizen's ship before qualifying for the office.

His office hours will be rigidly observed in keeping with those observed by other trades people of that community six days each week.

A well kept office void of games and a friendly service is promised to all who come his way.

He came to this country eighteen years ago settling at Munday as Depot Agent for the Wichita Valley. A life long Democrat and has never sought an office before.

His opponents with one exception have all had years of toil at the county seat and he feels they have earned a long vacation and should be sent home to enjoy evening of life with their families.

While he carries on in their absence in an efficient manner Knox City has had a candidate for county office in years and years.

If you help send me over there will never give you cause to regret.

Mr. C. R. Fry, a graduate of A. B. M. College and who for the past several years has devoted his entire time to the study of the poultrymen's problems, will be in charge of the meeting. He will discuss such points as breeding, housing and feeding.

Little Henry L. White Jr. fell from a rocker last Friday afternoon and received a very painful cut on the face, requiring one stitch to sew it up.

## Epworth League Well Attended

Banner Won By Seymour

The meeting of the Stamford District of the Epworth League which met in Knox City over Saturday and Sunday was well attended, there being a hundred or more registering from out-of-town. Counting the local League attendance the number exceeds 125.

Registration began about three to the afternoon Saturday and continued until dark. Sunday others registered who were not able to be present both days. Ten towns other than Knox City were represented. They were Seymour, Spur, Jayton, Aspermont, Rochester, Throckmorton, Haskell, Munday, Rule and Stamford. Homes were secured and about seventy spent Saturday night here.

Saturday evening the crowd was entertained with a picnic near the west bridge. A number of games played following which the picnic spread was enjoyed. The crowd then circled around the campfire and the Vesper service was led by James Thompson of Rule. James' talk on "The Cross Roads" held the attention of the large number present, in spite of the general desire to play. After this service, the crowd returned to the church where several short talks were made by district officers. The count for the banner was sales taken at this time.

Sunday morning at seven o'clock an inspirational service was held, conducted by Mrs. Ballew of Seymour. 40 or more were in attendance and the service was fine. At the Sunday School hour the entire group of League members assembled in the middle section of seats at the church and the lesson for the hour was brought by Mr. Agee, League Field Secretary, who is from Abilene.

The last meeting of the day was held at two o'clock in the afternoon. This was the business meeting. At this time reports from the various chapters were heard. At this time it was voted to have the next meeting in the latter part of May.

Following the business meeting, a consecration service, conducted by the Reverend M. R. Pile, was held. At this service there were two life service volunteers, one, a young lady from Seymour, and the second, Miss Ruth Hammock of Knox City. This service concluded the program for the meeting.

## League President Nice Hostess

The Local League is more than well pleased with their representative hostess and president, Miss Claydene Hoge. Claydene held the greatest responsibility in securing rooms for the visiting leaguers and supplies for the picnic Saturday. Of course the best of cooperation was given her by the other league members and the mothers of the church. Claydene, however, is a deserving president and the league is highly pleased with her.

## FIRE BOYS MEETING

All of the members of the Knox City Fire Department are requested to attend the next regular meeting of this organization which will be held Friday night, April 11th, as some very important matters will come up for action. The nature bill will be a civil case, wherein one of the Fire Boys is charged, unlawfully, violently, and maliciously, with disregarding one of the most important rules of the organization. It is so heinous a crime until the name of the offender will not be made public altho the Chief Prosecutor of the case is Judge Hoge.

### Another Wichita Fire Fighter declares He Feels Like A New Man

A few bottles of Orgatone (Orgotane) actually put an end to my indigestion, and made me feel like a new man said C. F. Gregory, a well known Wichita fireman at the Central Fire Station, and who resides at 604, 9th st., Wichita Falls. "Often, after eating," he continued I would have attacks of indigestion that would make me feel miserable for hours at a time. My gall bladder bothered me a great deal and I had a severe sharp shooting pain along the margin of my ribs in the right side. I started doctoring myself, but nothing I took did any good. I got I became much worse and suffered so much agony that I surely thought nothing would ever do me any good.

"One of my friends advised me to try Orgatone (Argotane) and I began to improve right from the start and in weeks more treatment fixed me up all right and I have gotten entirely over my indigestion and can eat anything I want. I believe everybody in my neighborhood is taking Orgatone (Argotane) and praising it for the good it is doing them.

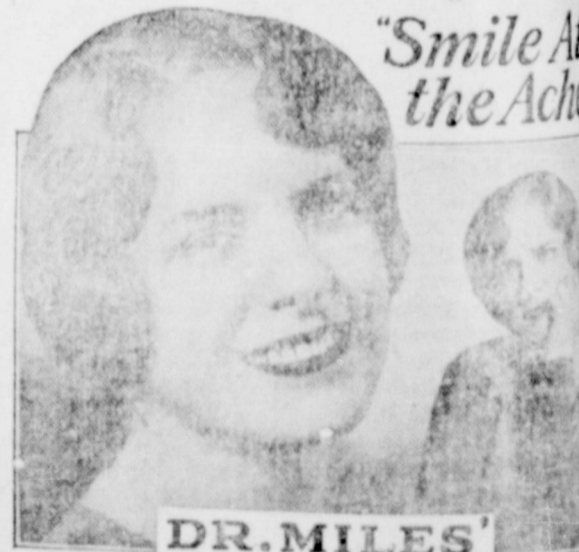

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

### Dallas Woman Is Glad to Praise Famed Konjola

Scaritus And Stomach Troubles  
Soon Banisher By Power Of  
New Medicine

MRS. E. M. FITZGERALD  
"I never had the least idea Kon-  
jola would help me as it did", said  
Mrs. E. M. Fitzgerald, 4532 Wortl  
Street, Dallas. "My stomach gave me  
a great deal of pain and trouble. Gas  
accumulated in my stomach after  
meals and the pressure against the  
heart cavity caused that organ to  
beat wildly. Neuritis attacked my  
side and my right arm and shoulder  
Those pains were often so severe  
that I could not do my housework.  
I did not sleep at night and became  
very nervous.

"Konjola is fast bringing me back  
to health again. My stomach is in  
excellent shape and I can eat almost  
anything without distress. The neur-  
itis pains are gone, my sleep is nor-  
mal once again, and my nervous con-  
dition has greatly improved. I shall  
always recommend Konjola to any-  
one suffering as I did."

Konjola works with the impor-  
tant functional organs of the body,  
drives the poisons from the system  
and regulates the organs of diges-  
tion and elimination. In this way  
glorious and abundant relief is  
brought about. It is recommended  
that Konjola be taken from six to  
eight weeks for the best results.

Konjola is sold in Knox City at  
the Great Drug Store, and by all  
the best druggists in all towns thro-  
out this entire section.

**BANKERS STUDY CHAIN**  
**CHAIN BANKING**

The Economic Policy Commission of the American Bankers Association has been specifically instructed by the general convention of the association to study and report on chain and group banking developments, and also on the proposal of the Comptroller of the Currency for an extension of branch banking in the national banking system, to permit those banks to conduct branches in the trade areas surrounding their locations.

R. S. Heckl, President Hibernia Bank and Trust Company, New Orleans, Louisiana, is chairman of the commission. The members are: George E. Roberts, Vice President National City Bank, New York, N. Y., vice chairman; Nathan Adams, President American Exchange National Bank, Dallas, Texas; Leonard P. Ayres, Vice President Cleveland Trust Co., Cleveland, Ohio; Frank W. Blair, Chairman of Board Union Trust Company, Detroit, Michigan; Walter W. Head, President Foreman-State National Bank, Chicago; W. D. Longyear, Vice President Security-First National Bank, Los Angeles, California; Walter S. McClure, Chairman of Board Commerce Trust Company, Kansas City, Missouri; Max B. Nahn, Vice President Citizens National Bank, Bowling Green Kentucky; Melvin A. Traylor, President First National Bank, Chicago; Paul M. Warburg, Chairman of Board International Acceptance Bank, New York, N. Y.; O. Howard Wolfe, Cashier Philadelphia National Bank, Philadelphia, Pennsylvania; Gorden Edwards, American Bankers Association, New York City, secretary.

A survey showing the extent to which chain and group banking has developed in the United States has been made and issued in booklet form by the American Bankers Association of New York City.

**SECTIONS WHERE SAVINGS DECREASED**

A regional analysis of the drop in the nation's savings deposits in banks, as recently reported by the American Bankers Association's Savings Bank Division in its annual compilation for 1929 showing the first recession in national savings in the twenty years during which it has published this data, reveals that all sections except the New England and the Pacific States groups recorded losses.

The published figures showed that on June 29, 1929, the total savings deposits in banks and trust companies of continental United States stood at \$28,217,856,000, which was \$195,305,000 below the similar total for 1928, when there was an increase of \$2,300,000,000.

The regional analysis by state groups discloses, however, that the six New England states as a group gained more than \$88,800,000 in savings and 152,984 in savings depositors, while the seven Pacific states as a group gained over \$79,000,000 in deposits and nearly 278,000 in number of depositors. The gains in these two sections, however, were smaller than the gains recorded there for 1928. The sections which showed losses are the Middle Atlantic States, Southern States, East Central States and the West Central States.
