Greyhounds are Bi-District Champs; To Play Regional Game Next Week

The Knox City Greyhounds came through with a 45-6 win over Patton Springs last Thursday night to win the bi-district championship, and are preparing for the regional game which will be played next week.

In the regional contest the 'Hounds will meet either Lazbuddie, which is near the New Mexico line, or Darrouzett, near the tip of the Panhandle. The two teams were to play today (Thursday) at Lazbuddie to determine their bi-district championship. Representatives of the local school planned to be at the game and attempt to reach an agreement with the winner for the regional game to be played here.

The Patton Springs was considered by observers to be the best team the 'Hounds have played this season, but a weak pass defense proved their undoing when the 'Hounds took to the air. During the game, Guy Thomas Robinson completed fifteen out of twenty passes. Patton Springs played a smooth offensive game and were in scoring position several times, only to be held off by a Greyhound team playing possibly its best defensive game of the season.

The first quarter was scoreless, but in the second quarter the 'Hounds scored on a pass from Robinson to Wallace May, and on the next play after the kick-off May recovered a Patton Springs fumble on the 15 and carried it to the three. The touchdown was made on a short pass to John Jones, and Robinson passed to Wilson for the extra point, making the score at half-time 13-0.

In the last half, May scored from about the four yard line, and a pass from Robinson to John Ed Smith accounted for an extra point. The 'Hounds scored again on a pass from Robinson to May, and on a pass from Robinson to John Jones. Wilson carried the ball over from the 15 yard line for six points, and a pass from Robinson to Jim Jones accounted for the final touchdown.

In the latter part of the game, Leon Nolan was injured in tackling a Patton Springs runner who had carried the ball about 20 yards. Nolan received a slight concussion and was unconscious about 45 minutes. He was hospitalized overnight, but has now recovered and is back in practice, according to Coach David Slaughter.

Coach Slaughter expressed his appreciation, on behalf of the school and of the Greyhound squad, for the splendid turnout of Knox City fans at the bi-district game, and promised that if at all possible, the regional game will be played here so that all local fans will have an opportunity to see it.

KNOX CITY STUDY CLUB MEETS SATURDAY

The Knox City Study Club met Saturday, November 17, at 3 p. m., in a regular session at The Woman's Club.

Thirteen members answered roll call with "A Prominent American You Associate With Alaska." Mrs. B. B. Campbell, director for the program, presented first Mrs. Jesse Hitchcock, who discussed "The Indians of Alaska."

Mrs. C. C. Hoge told of the "Social Life and Customs," and Mrs. H. A. Wynn gave an interesting account of "Fairbanks and the Country to the North." Mrs. Abe Watson, president of the club, and Mrs. Campbell gave reports on the state convention held recently at Denton. The theme of the convention was "Preparedness," and civil defense was stressed all through the session.

Mrs. C. J. Reese and Mrs. Perry Jones were elected to membership in the club.

The meeting was closed with a prayer by Mrs. T. S. Edwards.

Nolan C. Parker of Benjamin was among the first class of Air Force men taking a special course in public health and sanitation at Colorado A & M College. The group of 60 men were awarded certificates of proficiency in veterinary technology following 15 weeks of intensive training in various phases of public health and sanitation. Parker is stationed at Hill Air Force Base, Ogden, Utah.

FARMERS TO PROSPER IN '52. A&M PROFESSOR PREDICTS

COLLEGE STATION, Nov. 18.—In general, Texas farmers and ranchmen should have a prosperous year in 1952. In making this prediction, John G. McHanev, an Extension economist of Texas A. & M. College, says that agricultural economists from over the nation have considered supply, demand and the cost of producing farm commodities in 1952, and have based the outlook on these findings.

McHanev adds that economic conditions within the state will have little effect on the 1952 outlook for Texas agriculture. The big influence will come from economic conditions within the nation and the world.

A powerful force behind the prediction, says McHanev, is our expanding defense program and an even bet for the continuation through 1952 of the cold war. There may or may not be full scale fighting or all out war, but free nations will continue to expand their defense programs against the threat of communism.

From the standpoint of supply, 1951 was near a record for total agricultural production and prospects for 1952—weather permitting—should be another year of high production. With the outlook for large supplies of agricultural products, the prices received by farmers are expected to hold generally near the 1951 levels despite an expected strong demand. However, McHanev points out that an unfavorable growing season in 1952 would result in considerable upward pressure on prices, particularly in the second half of the year.

Demand for farm products is expected to continue strong during 1952 as employment and incomes rise. Larger defense expenditures are expected to push consumer income higher. McHanev says current plans call for defense spending by fall of 1952 at a rate of 56 billion dollars a year as compared with a rate of 41 billion for the third quarter of this year.

With few exceptions, prospects for exports of agricultural commodities in 1952 look very good. The rearmament program of the free world should make available additional foreign exchange, and this should relieve dollar difficulties encountered since World War II by countries which normally are our customers.

The unfavorable side of the 1952 outlook for agriculture, says McHanev, are production costs, which continue to rise. Those in 1951 set a new record. Costs may average five percent higher in 1952. Supplies of materials needed for production are expected to be sufficient to permit high farm production though some items will be relatively scarce, McHanev says. Prices of all important groups of items used in production are higher now than a year ago. Farmers and ranchmen, adds McHanev, must also expect a moderate increase in farm wage rates in 1952.

The prospects for higher production costs in 1952 offers a challenge to all agricultural producers to cut costs and use more efficient methods of production. McHanev says producers should place orders now for goods and supplies needed for producing the 1952 crops and livestock.

Gross farm income may be five per cent higher in 1952 but will come from the expected increase in volume of sales rather than from any increase in agricultural prices. However, McHanev adds, the increased cost of production which is virtually a certainty will offset the expected increase in gross income and the final result will be a net income for agriculture about equal to that for 1951.

Herbert Finley of Dallais visited his brother, Horace Finley, and family, and attended funeral services for his uncle, T. J. Dearing, Sunday.

Mr. and Mrs. Gayle Park of Iowa Park and James Park of Oxford, Miss., visited Lee Park, Mr. and Mrs. Neal Logan and Mr. and Mrs. Shirley Park Tuesday.

REVIVAL SCHEDULED AT ASSEMBLY OF GOD CHURCH

Rev. F. W. Akers, pastor of the Knox City Assembly of God Church, announced Monday that Margie Nickell of Rising Star will conduct a revival at the church beginning Sunday, Nov. 25.

Special singing will be arranged and presented every evening.

Services will start at 7:30 p. m. each night. No morning services will be held, the pastor said.

Knox County Removed From Labor Blacklist

The Herald was informed this week by S. N. Reed that Knox County has been removed from the Mexican government's blacklist, and the ban on Knox County farmers securing Mexican National laborers has been lifted.

While the order comes too late to affect the gathering of this year's cotton crop, Mr. Reed believes that if merchants will stand by their pledges to avoid discriminatory practices, the labor situation will be a great deal better next year.

About 550 Mexican Nationals, under contract to Mr. Reed and other Haskell Counties, were put to work in Knox County as soon as the ban was lifted.

It was explained that the pledges signed recently by Knox County merchants had not reached the proper officials in Mexico, hence the delay in the county being removed from the blacklist.

Lions Club to Sponsor Annual Lighting Contest

A community-wide Christmas Lighting Contest for homes will be sponsored this year by the Knox City Lions Club, it was announced this week by C. H. Keck, president of the club.

Purpose of the contest is to spread the spirit of Christmas by means of decoration and light. Winners will receive merchandise prizes.

There will be no division for business houses this year, but all local business men were urged to decorate their windows and stores for the holiday season.

In announcing the lighting contest, Keck stated that "the community will receive many great benefits from an all out effort to decorate homes and business establishments. The contest will provide pleasure for everyone participating, and will help beautify our city this Christmas Time."

Final plans and prizes for the contest will be announced at a later date.

SPIKE JONES AND BAND TO APPEAR IN ABILENE

ABILENE. — Spike Jones is coming to Abilene for a one-night stand Dec. 3.

He will stage his madcap "Musical Depreciation Revue" at Rose Field House under the sponsorship of the Cowboy Club of Hardin-Simmons. The full stage show will play at Abilene enroute from Dallas back to the West Coast.

Tickets are now on sale at the Melody Shop, Record Shop and Hardin-Simmons business office in Abilene. Reserved seats will be \$2.40 and \$1.80, and mail reservations can be sent to the H-SU Business Office.

"The Cowboy Club, which sponsors the H-SU athletic program, is delighted to be able to bring a show of this caliber to West Texas for this price," said Harley Sadler, club president. "In larger cities the Spike Jones Show 'tops' at \$6."

Jones and madmen (and women) will have a flock of new numbers for the Abilene audience, those musical acts which delight the eye and startle the ear. Newcomers include "Chinese Mule Train," "Rhapsody from Hunger (y)," "Some Enchanted Evening" and the like. And there'll be such oldtime favorites as "William Tell Overture," "Hawaiian War Chant," and the inevitable "Chloe."

Along with the City Slickers orchestra there'll be such headliners as Helen Grayco, beautiful and talented singer who is also Mrs. Spike; George Rick who stars in "My Daddy is a General to Me," "Sir Fredric Gas," the man who is forbidden by contract to get a haircut; and Joe Siracusa, the two-headed (count 'em) drummer.

The "Musical Depreciation Revue" looks like it was planned in a mad house and put together in a tornado, but Spike says not a single gun shot or fire siren is ad libbed. It's a carefully calculated clamor because, he says, "the discords have gotta be harmonious. Let things get out of hand and what have you got? Medlam! Every cowbell, auto horn and even every flit gun has been tuned to the right key," and it takes some real musicians to toot, ring and beat 'em.

W. S. C. S. MEETS MONDAY FOR YOUTH PROGRAM

The Woman's Society of Christian Service met at the Methodist Church Monday, Nov. 19, for a youth program.

To open the program, the group sang "For the Beauty of the Earth." Mrs. Oscar Bruce gave the devotional.

Leader for the program was Mrs. Dan Steakley, who gave an interesting account of her stay at a camp last summer, doing youth work for the Stamford District.

Mrs. G. D. McCarty led the closing prayer.

Dr. Jack Wilson and children, Marsha and Chad, of Temple, visited in Knox City last Thursday night. His mother, Mrs. John Wilson, returned to Temple with them Friday and spent the week end there.

AUXILIARY PLEASSED WITH RESPONSE TO "GIFT SHOP"

Members of the American Legion Auxiliary reported excellent response to the "Gift Shop" program completed last Saturday.

Mrs. Guy Robinson, chairman of the Gift Shop committee, said that three times as many gifts were donated this year as in previous years.

The Gift Shop was given a boost when ladies of the Truscott community arrived Saturday afternoon with three large boxes of gift items, including hand-painted figurines and crocheted articles. Attending the tea at the Legion Hall and representing the ladies of the Truscott community were Mrs. McNeese, Mrs. S. O. Turner, and Mrs. Gillespie. Mrs. Robinson, on behalf of the Auxiliary, expressed her appreciation to the ladies and their community.

The gifts were mailed to the Veterans Hospital at McKinney Tuesday afternoon, and will be displayed at the hospital so that the veterans may select items suitable for members of their families.

"The Auxiliary was proud of the way Knox City, Truscott, and people of surrounding communities responded to the program," the chairman said. "Thanks to each of you who sent or brought a gift."

1946 STUDY CLUB MEETS TUESDAY

The 1946 Study Club met in regular session Tuesday, Nov. 20, at The Woman's Club. Sixteen members were present.

After roll call and reading of minutes, Mrs. Rip Collins introduced Mrs. Albright, Knox County Public School Music teacher.

Mrs. Albright presented twenty-one high school girls who gave an entertaining capella program of popular songs, in observance of American Art Week.

A short business meeting was held, in which associate membership was granted to Mrs. Wendell West.

The club president, Mrs. Jim Ross, gave a report on the State Federation convention which she attended in Denton last week. She gave several highlights of the most important speeches given at the convention. Mrs. Ross asked that the members take a renewed interest in club work and get behind all that the federation stands for.

The club will meet next on Tuesday, December 4, with a program on Literature to be presented by Mrs. Neal Logan.

HUMBLE TO BROADCAST TWO SW CONFERENCE GAMES

Saturday the Humble Oil & Refining Co. will broadcast to football fans in the Southwest two Conference games expected to be crammed with excitement from beginning to end. The Rice Owls invade Ft. Worth to meet the TCU Horned Frogs in a crucial tilt, while the Baylor Bears, with only one conference defeat on the record, take on the SMU Mustangs at Waco.

Humble announcers Kern Tipples and Alec Chesser will be at Ft. Worth to describe the TCU-Rice contest direct from TCU stadium. Broadcast time will be 1:50 p. m., and among stations to carry the game will be WFAP-WBAP-820, Dallas-Ft. Worth; KWFT, Wichita Falls; KRBC, Abilene; and KGKL, San Angelo.

Also at 1:50 p. m., Charlie Jordan and John Ferguson will go on the air from Baylor Stadium to broadcast the action between Baylor and SMU. Stations carrying the game will include KRLD, Dallas; KFDX, Wichita Falls; and KFYO, Lubbock.

WESLEYAN SERVICE GUILD MEETS WITH MRS. GRAHAM

The Wesleyan Service Guild met Wednesday night at the home of Mrs. Louise Graham.

The president, Mrs. Lena McGee, presided, and after a short business meeting Mrs. Rosa Wilson was in charge of the study of the fifth, sixth and seventh chapters of Acts.

After dismissal, refreshments of pumpkin pie topped with whipped cream, and coffee and tea were served to Mmes. Flo Huntsman, Lorene Gilpin, Cordelia Woodward, Willma St. Clair, Wretha Fitzgerald, Ernie Wilson, Lena McGee, Rosa Wilson, and the hostess.

Funeral Services Held Sunday For T. J. Dearing

Funeral services for T. J. Dearing, retired carpenter, were conducted from the Knox City Church of Christ Sunday, Nov. 18, at 3:00 p. m. Stanley Shipp, minister of the church, officiated.

Mr. Dearing died unexpectedly of a heart attack at his home Friday at 4:50 p. m.

Thomas Joel Dearing was born May 20, 1870 in Bedford County, Va. He came to Texas in 1903 and in 1907 he married Miss Mabel Dowling. They had lived here since that time, except for eight years residence in Florida.

Survivors are the wife; three daughters, Mrs. V. F. Burnison of Munday, Mrs. J. C. Webb of Glen Rose, and Mrs. W. P. Dennis of Tullia; one sister, Mrs. Cora Dearing of Vinton, Va.; five grandchildren and two great-grandchildren.

Interment was in the Knox City cemetery under the direction of Warren Funeral Home.

Pallbearers were Bud Thompson, S. D. Jones, Carl Chafin, Allen Hester, Brownie Lowrey and Louis Montandon.

COUNTY AGENT BRINGS GARDEN CLUB PROGRAM

County Agent Bill Pallmeyer gave an informative talk on "Pest Control of Trees and Shrubs" at the regular meeting of the Garden Club Wednesday, November 14.

Using slides, Mr. Pallmeyer identified each insect, told on which plants each may be found, and how to treat the plant and kill the insect.

Hostesses for the meeting were Mrs. C. C. Hoge, Mrs. H. L. White, and Mrs. Neil Perdue.

A number of flower arrangements were displayed, but time did not permit a study and discussion.

The next meeting will be on December 12, with Mrs. L. W. Graham, Mrs. E. R. Carpenter and Mrs. C. E. Williams as hostesses.

Scheduled to be on the program are Mrs. A. S. Logan and Mrs. Ulric Lea.

Miss Wanda Lee left Wednesday by plane from Abilene for Clovis, N. M., to spend Thanksgiving with her family.

MOSE
SAYS
to every farmer in Knox County to help him do his part in meeting the nation's two main production objectives for the coming year, says J. C. McGee,

chairman of the County PMA Committee.

The objectives, according to McGee, are to step up production in 1952 to meet growing defense requirements and to restore reserves, and to maintain and improve soil fertility to make possible increased production in the future.

The chairman urges farmers to stress particularly the soil and water conservation practices which will increase yields of the farm commodities most needed in the defense effort, and at the same time to consider future production needs based on the fact that population is increasing at the rate of

about six thousand a day. The dual objective, he points out, is vital to the nation's welfare—to the people who live in cities as well as farmers and rural communities. How effective we are in meeting the objective will determine not only the success of the defense program but our future progress as well.

Paul said: "Let us offer the sacrifices of praise to God continually, that is the fruits of our lips giving thanks to his name." Our lips should give forth a continuous praise unto one who is so wondrous merciful to us. He who gives us power to become sons of God, ye lively stones as Paul states it in I Peter 2:5. We are made strong as stone for we are given power from the chief corner stone, Jesus Christ. He is our sure foundation and there is no other. So we should take heed how we build thereon. As long as our words and words are prompted by the Holy Spirit we will be able to stand. We should be sure they are not of stubble, that is of sin and selfishness. "For every man's work shall be made manifest; for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is." I Cor. 3:13.

A believer is warned never to speak words that are filthy or foolish talking or jesting, but rather giving of thanks. You are to walk in love as Christ also hath loved us, and hath given Himself for us as an offering and sacrifice to God for a sweet smelling savour.

Through your deeds, walk and talk, the lost is awakened out of his sleep and will arise from his dead state and Christ will give him light. So present your bodies a living sacrifice ever serving the Lovely Lord who gave His all for you. He died for you even the death on the cross. He is your Saviour at the right hand of God's throne. He is coming for you soon. Be ye ready and fail not to enter in the glories of heaven where there is eternal life with our Lovely Lord forever.

CARD OF THANKS

We greatly appreciate the thoughtfulness of everyone in the burial of our loved one, Billy Jack Lusk.

We especially want to thank Mansell and Smith, Bro. Stanley Shipp, Bro. H. L. Matheny, the Knox City American Legion,

Here's Why I Like

Electric Cooking

"For one thing, it's clean—no soot, grime, or fumes. That means less time for cleaning kitchen and more time for the family and myself. Then it's an easier, faster way to cook—cuts down meal-getting time.

I love the cool way it contributes to year-round comfort. And what's more important it helps me stretch my kitchen budget!"
