Club Informed New Highway Signs

Uniformity is necessary for efficient traffic control. Such devices have been under study in this country since 1964. A prime reason for the new system is to enable people of diverse national and cultural backgrounds living here or just visiting here to easily identify traffic signs while driving. Also, Americans traveling the rest of the world will find driving easier.

For about five years, panels explaining the new symbols will be placed under the signs while the public becomes familiar with them.

In Texas the changeover will be gradual, with new signs going up as the old ones wear out. Several cities have begun to change the signs. The Highway Department began the project in June, 1972, but it will be a long process, officials say.

An all-out effort is being launched across the state to inform Texans of the change.

The old and the new signs are pictured elsewhere in this week's News.

Wall also introduced Alvin D. Alexander, who will take over the office of resident engineer for the Texas Highway Department in this area.

Lions Club To Host Annual Carnival

The Lions Club will host its annual carnival at the Little League Ball Park east of the school, and remain open each evening until 10 o'clock, through Wednesday, October 4.

This year marks the 14th consecutive year that the local club has sponsored this fund raising project.

J.B. Steinbeck will return with his Central State Shows and amusing wheel rides for all ages.

Booths set up by the Lions and the booth chairmen are Construction, B.B. Campbell Jr., Concession, W.J. Baker; Bingo, Frank Hank; Penny Pitch, Sammy B. White; Nickel Pitch, David Counts; Kat Raek, Henry L. White; Darts, John Crowner; Air Rifle, J.C. McGee; Milk Bottle Throw, Sam Cloots.

Lions invite families to come and have supper at the concession stand, where one may feast on hot dogs with all the trimmings, coffee, Cokes, and candy.

We'll see you there Monday Tuesday, or Wednesday evening, or perhaps all three!

Little Britches Rodeo Set Here October 7-8

A "Little Britches Rodeo" has been scheduled for 8:00 p.m. Saturday, October 7, and again at 2:00 p.m. Sunday, October 8. The rodeo, produced and sponsored by the Brazos Valley Recreation Association will be held in the BVRA arena in Knox City.

Four divisions will be arranged according to age and one "open" division will be available for all ages.

The first division, ages 1-8 years, includes Barrel Racing, Flag Racing, Pole Bending, Shetland Bareback Riding, and Rescue Race.

Divisions two and three including ages 9-11 years, and 12-14 years, offer Barrel Racing, Flag Racing, Pole Bending, Shetland Bareback Riding, Rescue Race, Break Away Roping, and Steer Riding.

Ages 15-19 years make up the fourth division. Events include Barrel Racing, Flag Racing, Pole Bending, Rescue Race, and Steer Riding. The entry fee will be \$7.00 with a \$4.00 jackpot.

Farmers Union Annual Supper Sat. At Munday

The annual Farmers Union supper is being planned for Saturday night, September 30 at 7:00 o'clock in Munday. The affair will be held in the new Community Center, located two blocks south of The First National Bank.

The meal is free to all Farmers Union members and their families and will consist of fried chicken and all the trimmings.

Election of officers will be held and Joe Hankin, Farmers Union state vice president of Ralls, will present some very important information as well as answer any questions.

Officers, re-elected last year to serve their second term include J.L. Stodghill of Munday president; Buddy Angle of Knox City, vice president; and Mrs. Winters Matthews of Munday, secretary-treasurer. A new slate of officers will be presented by the nominating committee Saturday night.

Mr. Stodghill said that he hoped Farmers Union members did not use the excuse that they were "just too busy" to attend the Saturday night meeting, because the business of farming is more vital to all of us now than ever before, he said.

KC Arts And Crafts Show To Be Held October 21

The annual Arts, Crafts, and Hobby Show will be held Saturday, October 21, beginning at 10 a.m.

There will be three divisions for the show including Children (through elementary grades); Youth Junior High through High School; and Adult.

Entries will be accepted in all divisions in the following categories: SECTION I, A. Painting (1) oil (2) water color (3) acrylics (4) charcoal, tempera pastel and ink (5) miniature paintings. B. China painting. C. Christmas Decorations (due in the large number of entries last year) SECTION II A. Ceramics (1) wood (2) leather (3) crafts (4) decoupage (5) needle work (6) utility (7) decorative (8) wearing apparel-hand knits, crochet No machine made garments. (9) recycled materials (10) paper mache. SECTION III A Miscellaneous describe items- entries not appropriate for above categories will be judged for originality and technique. An entry fee of 50 cents per person, per item, will be charged.

An entry taking a ribbon or trophy in previous local shows will not be eligible. Other items are acceptable.

Most importantly, all work must be that of the entrant.

There is considerable interest in antiques and art objects belonging to, but not the work of local people. These items will be displayed, but cannot be judged in the competitive categories. Tables will be set for these displays with no charge.

A complete list of rules will appear in a later issue of the News.

Downtown Parade Slated October 7

The Brazos Valley Recreation Association is sponsoring and producing a two-day "Little Britches Rodeo" on Saturday night, October 7 and Sunday afternoon, October 8, at the BVRA arena in Knox City.

To get things rolling, there will be a downtown parade Saturday afternoon, October 7, at 4:00 o'clock and all clubs, or organizations, and businesses are encouraged to participate.

Floats, riding clubs, bicyclists, and pets are expected to join the parade.

Superintendent W. R. (Bill) Baker is parade chairman and says he may even ride a horse himself.

Those interested are asked to contact Mr. Baker at the Knox City Schools and let him know your plans for the parade.

First place trophies will go to the Best Riding Club, Best Organization Entry, and the Best Individual Entry, Mr. Baker said, and it is hoped that a great deal of interest will be shown.

Ground Breaking For Millers Creek Friday At 11 A.M.

Official ground-breaking ceremonies will take place tomorrow, Friday, September 29, at 11:00 a.m. on the site for Millers Creek Dam, according to Pete Beecher, general manager for the North Central Texas Municipal Water Authority.

A catered barbeque lunch will be served at noon and a program has been planned, Beecher said. The public is invited.

Beecher stated that officials and dignitaries from Dallas including engineers and members of the Texas Water Development Board would be on hand.

For those attending from Knox City and this area, the suggested route is to Gorce, turning south at the signal light on Farm-to-Market Road 266. Road markers will be posted along the way, Beecher said.

The event is being sponsored by the Brazos Valley Recreation Association and the BVRA is producing the rodeo.

Trophies will be awarded to first place winners in each event providing there are as many as three entries and to the Best All Around Cowboy and Cowgirl.

All interested contestants must register by 7:00 p.m. Saturday.

Admission charge will be \$1 for adults and 50 cents for children.

The new arena furnishes bleachers for the spectators and there is plenty of parking space.

A rodeo parade will be held downtown Saturday, October 7 at 4:00 p.m. W.R. Baker is the parade chairman.

MRS. MARY ELLISTON

KC Woman Opens Shop In O'Brien

A new business will open in O'Brien next Wednesday, October 4, and will be owned and operated by Mrs. Mary Elliston of Knox City.

Mrs. Elliston, a graduate of Abilene Beauty School, is opening Mary's Beauty Salon in the building one door south of the O'Brien Baptist parsonage as well be noted in her ad in this week's News. Mary has been an operator for the past six years and owned her own shop in Woodson. She invites area patrons to come by or give her a call.

Mrs. Elliston moved to Knox City July 21, 1971, when her husband Pete was named conservationist with the local Soil Conservation Service office. Pete and Mary are the Parents of two girls, Anita a sophomore in Knox City High School, and Cindy, an eighth grader.

The family attends the Church of Christ.

Wall Promoted To Childress Office

George Wall, of Knox City, supervising resident engineer in the Munday office of the Texas Highway Department, will assume duties of district administrative engineer in Childress on October 1.

Wall began his work with the Highway Department in 1952 and has been associated with the Munday office since that time, except approximately a year which he spent as Farm Planner with the USDA Soil Conservation Service in Taboka. Wall became resident engineer in charge of the highway construction in Knox, King and Dickens Counties when the previous resident engineer, the late H.T. Cunningham died in 1963.

Wall's successor will be Alvin D. Alexander of Matador a former Benjamin resident.

His wife, Zena, and their daughter Deborah Anne, will join George in Childress next June when school is out.

"Leaving Knox City was one of the hardest decisions I ever came up against," Wall stated. "The best people in Texas live right here. It is because of their cooperation and tolerance that I have been able to do my work in a manner to be considered for this promotion. Appreciate it and will always consider this my home."

SEALED BIDS OPENED FRIDAY AFTERNOON AT CITY HALL - Present for the opening of the bids were, from left, James Howitt, water superintendent; councilmen Lynn Worley, Glen Rumley, Celso Gonzales, Mayor Buddy Angle, City Secretary Faye Railsback, George King of Stuckey Construction Co. of Wichita Falls, Ernest L. Andrews, consulting engineer of Wichita Falls, Ernest Yates of Decker Construction Co. of Abilene, Jess L. Ellis, representative of Can-Tex Industries, Clay Pipe Division, of Mineral Wells; and low bidder W.R. Abbott of W.H. Abbott and Co., Lubbock. Councilman Carl Shelton and W.N. Chatfield of Chatfield Construction Co. in Crowell were not present.

Lubbock Firm Submits Low Bid On City's Waterwaste Treatment Plant

A sealed meeting of the City Council last Friday afternoon, Mayor C.C. (Buddy) Angle, City Secretary Faye Railsback, and Councilmen Lynn Worley, Bobby Baker, Celso Gonzales and Glen Rumley met with Ernest L. Andrews, consulting engineer, of Wichita Falls for the opening of bids submitted for construction of the new wastewater treatment plant. Councilman Carl Shelton was working out-of-town and was unable to attend the meeting.

The construction will provide a complete and operable treatment works with a capacity and treatment to meet all requirements of the Federal Environmental Protection Agency, the Texas Water Quality Board, and the Texas State Department of Health.

Requirement for the new plant was made by the state approximately two years ago and since that time, the council has sought the most economical way to go about the project.

Andrews was hired as consulting engineer on November 9, 1970, and on January 28, 1971, the council submitted an application through the Texas Water Quality Board to the Federal Water Pollution Control Administration for a federal grant.

Since the passing of the constitutional amendment pertaining to anti-pollution, the federal government will now put up 55 per cent of the funds, the Brazos river Authority will provide 25 per cent of the amount (to be repaid by the city from sewer fund possible with a year) and the city's local share will be the other 20 per cent. Since the city is a member of the Federal Water Pollution Control Administration for a federal grant.

Former Resident Returns To K.C.

Steve Howeth, a former resident moved back to Knox City from Lawton Oklahoma, and is now a representative in this area for Mutual of Omaha.

Howeth has been associated with the insurance business for seven years and was manager for an agency before suffering a heart attack on January 1, 1971. He has been with Mutual of Omaha for the past thirteen months.

His wife, Sammie, is a Haskell native. They have three children, Sandra, 8, who is a third grader; Stevie, 6 a first grader, and Stanley 3.

The family lives at 802 South Central and attends the Baptist church.

Howeth is a car racing enthusiast and races his round track, super modified racer in Wichita Falls, Amarillo, Oklahoma City, Lawton, and Enid, Oklahoma.

Plans are continuing to begin Adult Basic Education classes in Haskell and Knox County. Classes will start in October, and registration will be October 3 at 7:30 p.m. in the Knox City High School.

Instructions will be offered at three levels in the Adult Basic Education program: basic for those who have not completed the third grade, intermediate, for those who have not completed the seventh grade, and upper, seventh and above.

The courses offered in Adult Basic Education are designed to alleviate poverty and eliminate illiteracy by teaching adults to read, write, and speak the English language and to acquire practical skills in arithmetic. Special help will be given those who are studying to pass citizenship tests.

See ABE Classes Page Three

Registration For Adult Education Classes Oct. 3

The ultimate goal of Adult Basic Education is to prepare students to pass the General Educational Development Test which if successfully completed, will qualify them for a High School Equivalency Certificate issued by the Texas Education Agency.

Knox City will have two classes with Mrs. Louise Hembler and Mrs. Elva Gonzales as teachers. Rule will have one class at Sagerton with Bobby Lusk as teacher. Weinert will have one class with Mrs. Billie McKeever as instructor. Haskell will have two classes at the C A P Center with Brenda Casey & Robert Wood as instructors.

Those interested may contact the superintendent of each school.

Streams In Desert Places

By GZELLE STEPHENS

"Every word of God is pure; he is a shield into them that put their trust in him" Prov. 30-6 The word of God is pure, sweet and powerful to all who read and believe. A precious satisfaction comes out of it and fills you with a blessed assurance that God is very near and loves you dearly.
Heaven 3:12 tells us of people in his day who sins and forget to read the Word of God and His law. When they did hear it they counted it as a strange thing as something which did not concern them. This same thing is happening today to many who have failed to read and believe. Truly it does concern all who live in this world; for all will be judged by it when the books are opened in the judgement.

O'Brien Happenings

CHARLENE BROTHERS

SCHOOL NEWS
The O'Brien Grade school football team played Lander-Avon last week winning with a score of 53-7. These little boys are going to be some good ball players in a few years. This team, plus 2 or 3, last year finished the season with only one touch-down being scored against them. The high school team traveled to Highland last Friday night to play a district game. The game was called in the first part of the fourth quarter, with the score being 42-42. This puts O'Brien 3-1 for the season. I would like to do a little bragging on our boys for their sportsmanship. The Highland boys were playing pretty rough and sometimes a little dirty. The O'Brien team kept their tempers very well, the coach may lose his cool sometime, but the boys are very good sportsmen in their ballgames. HERE AND THERE

Mrs. Patsy Covey of Snyder visited the Clyde Covey family and also the Coy Hewitt Family a few days last week.

Mrs. Jerry Brothers and Jeremy of Springtown visited her parents last week. The Humberto Gutierrez and also the J. O. Brothers family.

Mrs. Ruby Wilson was in Rhame Sunday to pick up Mrs. Ruby Lee Brothers who had been visiting her son & family, Mr. and Mrs. Bobby Brothers and Robert.

Don Brothers spent Sunday in Springtown visiting with Mr. and Mrs. Jerry Brothers and Jeremy.

Mr. and Mrs. Bobby O'Neal Traci and Scott of Abilene visited his parents Mr. and Mrs. Ernest O'Neal during the weekend and with her parents in Rochester, Mr. and Mrs. Virgil Mitchell.

Mr. and Mrs. Sam Johnston was in Plainview over the weekend visiting with their daughter and family, Mr. and Mrs. Kenneth Roberts, Rodney and Randy. Mrs. Roberts had surgery and is reported to be doing pretty good.

Visiting with the Buster Hodges family over the weekend was Buster's uncle, Mr and Mrs. Hugh Eddleman of Dallas. Also Mr. and Mrs. Ambrose Brothers and Mrs. Ada Brothers of Rule visited Sunday.

Visiting with the L. A. Covey family over the weekend was Mr. and Mrs. Bonnie Lusk and Cory of Abilene. Mr. and Mrs. John Covey of San Angelo was also here over the weekend. John had just gotten out of the hospital from having surgery on his knee.

Visiting with Mr. and Mrs. Ivan Rowan and Keith over the weekend was Gail Rowan from Abilene and Wayne Rowan from Texas Western College at Snyder.

Mr. and Mrs. Jesse Magallanes of Plainview visited her parents Mr. and Mrs. Alfonso Del Hierro and family over the weekend. Alice returned to Plainview with them where she has enrolled in beauty school there.

Mrs. Elmo Stephens of Plainview spent the weekend visiting in O'Brien.

Brandy Gothard of Highland visited his grandparents, Mr. and Mrs. Dwight Gothard a few days last week. Brandy is the son of Mr. and Mrs. Paul Gothard.

W. L. Conn and Gary of Boise City, Oklahoma visited their family, Esther, Louis and Carmen over the weekend and attended the football game in Highland Friday night.

CORRECTION
There was a mix up on the names of the grandparents of Mr. and Mrs. Al Tremble's new son last week. Truett called and ask me to list them again. Truett I hope I got these right.

Al Tremble IV was born to Mr. and Mrs. Al Tremble III on Sept. 19 at the Wichita Falls hospital, weighing 7 lbs. 5 oz. Grandparents are Mr. and Mrs. Truett Hester of O'Brien and Mr. and Mrs. Al Tremble II of Dumas. Grandmothers are Mrs. G. L. Patterson of Benjamin and Mrs. Al Tremble I of Newkirk, Oklahoma.

The annual staff attended a Seminar at Abilene Christian College last Friday.

The annual staff plan to do a free listing on their yearbooks this year. With the staff and sponsors they have this year they should publish a very nice yearbook. The only way we can find out is to purchase one and inspect it. So see someone on the staff or anyone at school and they will direct you to the

correct person. Was this good enough coverage, sponsors?
Darla Holder had a very unfortunate accident last week in P. E. Class. She and another girl were running laps and got their feet tangled and she fell and broke her wrist.

Mr. and Mrs. Gary York, Keith Rowan and Devy Hoopes were in Graham Thursday to attend a n FFA meeting.

Mr. and Mrs. Eddie Bryant and Jennifer of Monahan spent the weekend with her parents, Mr. and Mrs. Claude Barnard.

Gary York, Devy Holmes, and Keith Rowan were in Sweetwater Saturday attending a hog sale.

Kimberly Cash of Grandfield, Oklahoma spent the weekend with Mr. and Mrs. Jim Cash and Trezza. Mrs. Charlie Miskove got out of the Crowell hospital last Monday. Mr. and Mrs. Chester Roberts of Abilene spent Friday through Monday with Idoma Chowning. The Leonard Welches have a new mobile home. Charles and Bertha McNeese returned from Houston Monday after their vacation with relatives. Mr. and Mrs. B. L. Pickens of Spur, Mrs. Wayne Solomon and son Davie of Jackboro, and Mr. and Mrs. Bobby Middlebrooks of Denton, visited Mr. and Mrs. W. O. Solomon Sunday. Bob Brown spent the weekend with his grandmother, Mrs. J. R. Brown. Mr. and Mrs. Bob Haynie, Corbie, and Shell, and Mrs. Mary Heman of Wichita Falls visited Sunday with Mr. and Mrs. Horace Haymie. The Haymies spent Monday through Wednesday in Stamford, where they visited with Mr. and Mrs. Clay Morcum and Mrs. O. L. Hines, who is in a rest home there. Wayne Brown of Norman Oklahoma, is visiting with his mother Mrs. J. R. Brown. There seemed to be quite a few rattlesnakes and rattlesnake stories this week. Harold Barry was killing a rattlesnake in his barn, when a bee decided to sting him. Having his hands full with the rattlesnake, Harold had to let the bee sit there stinging him until he had finished killing the snake. Mrs. Sam Stone also found a rattlesnake. She and her dog were chasing it, and it crawled up the left front wheel of her car and into the motor. She could hear him "sing", and when she got up enough courage to open the hood, the snake had climbed up onto a curved place on the hood of her car. When she had gotten the hood and killed it, she found that it had nine rattles.

CHOSEN AS SOPHOMORE CLASS OFFICERS were David McLaughy, left, president; Sherry Mangis, vice president; Gayle Tankersley, reporter; and Carolyn Orr, secretary-treasurer. Class sponsor is Mrs. Renella Watson.

CSO Elects New Officers

Mrs. Ulric Lea was named president of the Community Service Organization Tuesday when the group met at the First Christian Church. Serving as Vice-President and Secretary will be Sequoyah Reynolds and Reporter-Historian will be Mrs. C. C. Hoge. Sammy White pointed out that with the winter months coming on it would be even more necessary that anyone needing help be identified and listed on the organization's role. The first responsibility of the group is to provide daily contact and help for retired persons who live alone. Thursday night Bings at the care home was discussed and Mr. and Mrs. R. Vaughan were named host for the month of October. The Tommie Reynolds family will host the November games. In a general discussion it was agreed that members present from the various churches would be responsible for placing boxes at their church where people could leave items suitable for bings gifts. Mrs. Lea asked that material scraps

Check Your Car

Planning a car trip? Get the lead out and follow these safety rules suggested by American Oil Company: 1) Have the brake linings inspected. 2) Check wheel alignment to prevent tire wear and blowouts. 3) Replace worn or cracked wiper blades. 4) Test headlights, taillights and turn signals. 5) Guard against air pollution by having an engine tuneup, including a test of the pollution control (PCV) system. 6) Remember that lead-free gasoline also helps to clear the air.

of the West Central Texas Council of Governments and received its approval on March 24, 1971, another three per cent was received in grant funds, according to Mrs. Faye Rallsback city secretary.
Congressman Graham B. Purcell notified the city June 5 of this year that the application had been approved.
Low bidder for construction of the plant was W.B. Abbott & Co. of Lubbock with a bid of \$35,376.10. Second low bid was \$35,778.00 by Stuckey Construction Co. of Wichita Falls third was \$36,208.09 by Chatfield Construction Co. of Crowell; and fourth was \$45,648.20 by Decker Construction Co. of Abilene.
The aeration ditch will be 164 feet x 62 feet and is designed for 2,000 population. It is economically feasible and will comply with current water quality objectives, according to city officials. The accomplishment of the proposed design will provide a complete treatment facility and the project should require about three months.

school for additional information. No tuition charge is made and materials will be furnished free to each student. Two different levels of Drivers' Education will be offered in Knox City through Adult Education classes this year. A basic course for those who wish to obtain their drivers license will be taught by an officer of the Texas Department of Public Safety. A defensive driving course will be offered to all adults who wish a ten per cent reduction in their insurance rates. W. R. Baker, David Counts and Jimmy Rogers will cooperate to offer this course. These two courses will be scheduled later in the school year. More information and publicity will be given as course plans are completed through Region IX Service Center of Wichita Falls.

Study Club Hears District President

Mrs. Lewis Kay was leader when the Knox City Study Club met Thursday afternoon, September 21, for the opening meeting of the new club year. After a short welcoming talk Mrs. Kay introduced Mr. and Mrs. Dan Zeigler, who presented a program of love songs, and an inspirational song. They were accompanied at the piano by Mrs. Linda Underwood. Mrs. Kay then introduced Mrs. Bray Cook of Memphis, the new District President, whose talk was entitled "Federation is a Map—Unfold It". She spoke of the beauty and greatness of our world and mentioned many things which are right and good in our own country. Mrs. Cook told of the early attempts of women to form groups of organized women as early as 1797. The Federated Women's Club, formed and chartered in 1889-1891, now has 11,000,000 members in the U.S. and other countries who are reaching out to help in any worthy cause. Mrs. E. Hob Smith, chairman of the yearbooks, presented and explained the programs for the year.

Hostesses for the tea which followed the meeting included Mrs. J. C. McGee, Phil Dadey, and Marthie Floyd. Members present were Mrs. Kay, E. R. Carpenter, C. C. Hoge, Eva Warren, L.W. Graham, Myrtle White, Doyle Graham, Mary Bigum, Marthie Floyd, Otis Cash, Bob Vaughan, J. C. McGee, Phil Dadey, Joe Roy Smith, Gladys Reed, Mabel Pyeatt, E. Hob Smith and George E. Davis.

Benjamin News

BY MRS. VAN GREEN

SCHOOL NEWS
 In Benjamin football Friday night, the Mustangs outlasted the McCaulley Eagles and the final score was 40-20. Scoring TDs for Benjamin were Steve Conner with four and four extra points. Billy Pierce scored the other two touchdowns. This was our first district game this year. We now stand three wins and no losses. This week we meet the Trent Gorrillas on our home field. A good number of fans have boosted the team so far this year. See you at the game again Friday night.
 In Junior High football last Tuesday night the Colts traveled to Weibert. In the opening moments of the game, Johnny Pierce son of Mr. and Mrs. Jimmy Pierce suffered a broken leg. Moments later one of the Weibert players received a broken arm. The game continued nevertheless and Weibert came out the victor. That score is not available.
FAVORITES SELECTED
 All school favorites were elected last week by the entire high school student body. These students will have a special picture in the Mustang

yearbook. Chosen as homecoming queen was Kathie Robertson. First runner-up for this honor went to Maggie Montes. Both of these girls are seniors. Mary Brannan was chosen as second runner-up. She is a junior. Elected friendliest boy was Mark Brown. Vicki Terry was chosen friendliest girl. Mr. and Miss School Spirit are Terry Cartwright and Diane Green. The most courteous boy and girl are Bryan Bumpstead and Mary Brannan. Best dressed couple are Kathie Robertson and Steve Conner and most athletic boy and girl are Steve Conner and Mary Brannan. Also chosen in class meetings were the class favorites. They are as follows: Seniors—Alyse Hall and Frank Morrow, Juniors—Mary Brannan and Bobby Brannan, Sophomores—Ann Brannan and David Milson, Freshman—Diane Green and Keith Conner. We congratulate all these students and feel they represent our school well.
HAS BIRTHDAY PARTY
 Mrs. Phil Mowery honored her son, Doug, with a party Saturday in recognition of his sixth birthday. She was assisted by

Mrs. David Oxford. The guests (all boys) enjoyed playing all kinds of games and a Weiner and marshmallow roast with all the trimmings for their noon meal. Of course, birthday cake followed the meal. Children pre and Mark Oxford, Billy Robinson, Stacy Groves, Eric and Ansel Rodder, Doug Brown, Kent Hertel, Joe Thompson, Todd Benson, Sammy Franklin, Todd Mowery, Sue Lynn Oxford and the honoree. All reported a grand time.
HERE AND THERE
 Mr. and Mrs. Bobby Roberson and Kathie spent the weekend with their daughter in Lubbock. Mark Woolley of Texas Tech and Mr. and Mrs. Tommy Brewster, Tommy and Bart of Oklahoma City visited their parents, the N.E. Woolleys over the weekend.
 Mr. and Mrs. Jessie Mize of Falls visited in the Charlie Groves home on Sunday.
 Mr. and Mrs. Denny McCarthy and Will of Iowa Park visited their parents, Mr. and Mrs. E.W. Duke over the weekend.
 J.E. Pollock of Houston visited his wife and daughter, here over the weekend.
 Mrs. A.L. Conner of Abilene visited relatives and friends here one day last week.
 Recent guests of Mrs. Bessie Russell was her daughter and son-in-law, Mr. and Mrs. John Smith of Carson City, Nevada. Mrs. Russell went as far as Odessa with them on their return home and spent a week with her sister there. She returned to Benjamin Thursday.

FOR THIRTY YEARS OF SERVICE -
 Fred H. Ramsour Jr., left, president of Cities Service Oil Company, presents a watch recognizing 30 years of service to Oscar Gentry, a natural gas liquids group employee of Knox City. Gentry witnessed the presentation Honorees were present from Oklahoma, Kansas and Texas.

KC Man Receives Award

Oscar Gentry was among 353 employees of Cities Service Oil Company to be honored at a service awards luncheon and a watch awards dinner Thursday September 21 in Tulsa, Oklahoma.
 Employees were recognized with pins commemorating service ranging from five to 45 years in duration. Pins are presented after the first five years of service and every five years thereafter.
 Employees with 30 years of service were honored with watches, in addition to receiving their pins. Mr. Gentry was in this group.
 Fred H. Ramsour Jr., president of Cities Service Oil Company, spoke at both programs and participated in presentations.

KC HD Club Has Meeting

The Knox City Home Demonstration Club met September 19 at 2:00 p.m. in the home of Mrs. Marshall Wilson.
 Mrs. Don Carmichel, County Home Demonstration Agent, presented the program on pollution.
 Club members discussed plans for the Achievement Day to be held October 6, in Benjamin. The judging of exhibits will begin at 10:00 a.m. A salad luncheon will be served at noon. Each member is asked to bring a salad and a white elephant. Everyone is urged to attend.
 Refreshments of assorted cookies were served to eleven members.
 A called meeting was held September 14 at 7:30 p.m. at the home of Mrs. Ernie Wilson. Mrs. John Egenbacher was elected president and Mrs. Ernie Wilson, vice-president, those will replace Mrs. Clyde Boudin, who recently moved to Berger and Miss Mary Grindstaff, who is moving to Dallas.
 Mrs. Carmichel gave the program on "Facing the Challenge of Today's Tasks".
 Refreshments of ice cream sodas were served to eight members.
 The next meeting will be in the home of Mrs. Bigan Bradley October 3 at 2:00 p.m.

Carr Is Named Chief Of Police

Former resident Eddie Carr, who recently resigned as Knox County deputy sheriff and moved back to Knox City, was hired by the City Council at a called meeting last Thursday afternoon to assume the duties of Knox City Chief of Police, effective immediately. He succeeds Doc Clark who resigned the office September 15 and was later hired by Knox County Sheriff H. C. Stone as one of his deputies.
 Carr and his wife, Marye Hope, own their home on South Fifth Street and moved back to Knox City on September 1.

Local Men Complete Defensive Driving Instructors' Course

David Counts, Jimmy Rogers and W. R. Baker were in Dallas, Texas Sept. 12, 13, and 14, enrolled in the National Safety Council Defensive Driving Instructor Preparatory Course.
 The Course was sponsored by the Texas Safety Association and offered 16 hours of training. The participants each took the eight hour Defensive Driving Course and the eight additional hours in methods of instructing the course.
 The three became interested in the training when the State Board of Insurance announced Sept. 1, 1972, that a 10 percent automobile premium credit reduction would be allowed to a driver who takes and passes the National Safety Council Defensive Driving Course.
 Jimmy Rogers, local school system driver education instructor, plans to incorporate the Defensive Driving Course in the current and future Driver Training Course offered by the Knox City I. S. D. W. R. Baker and David Counts are planning to instruct the course to those in High School who have already had driver education and those in or out of school who need or would like to take the course. The details and scheduling of future classes will be announced at a later date.
 All three men completed the course and reported that the course was excellent and each felt that he came out of the course a much better driver.

Big Country Antique Show And Sale To Be In Abilene Fri., Sat., Sun.

Col. and Mrs. Floyd E. Standige have been named 1972 Honorary Chairmen of the Big Country Antique Show and Sale, sponsored by the Altrusa Club of Abilene, Inc. Col. Standige is Base Commander of Dyess Air Force Base. Past honorees have included State Representative and Mrs. Grant Jones and Dr. Rupert N. Richardson, noted historian, author and president emeritus of Hardin-Simmons University. The honorary chairmen will be presented in ribbon cutting ceremonies of the show on Friday morning, September 29-11 a.m. at the Civic Center.
 This is the third annual Antique Show and Sale sponsored by Altrusa, and is one of the largest in the state. The show will be open from 11 a.m. to 10 p.m. Friday and Saturday, September 29-30, and 12 p.m. to 6:00 p.m. Sunday, October 1.
 Some twenty-four antique dealers from across the United States will show wares including a wide range of items from furniture to antique china, Oriental pieces to French Bronzes, Early American artifacts to fine antique jewelry, old prints and much more. Mrs. Noma Alexander of Abilene is dealer-manager.
 As is traditional, Altrusans will be serving their home cooked lunches on Friday and Saturday as well as assorted sandwiches and desserts on those days and Sunday afternoon.
 All proceeds from the antique show and sale will go for Altrusa Community Service projects such as College and Nurses' scholarships, West Texas Rehabilitation Center, Abilene Girls' Home, Girl Scout camperships, Abilene State School and other needs of the community.
 Tickets available in advance from Altrusa members, or at the door, are \$1.00 for adults, 50 cents for children and are good for all three days of the show and sale.
 LoNell Jones is president of the Altrusa Club of Abilene, and Dr. Kay Anderson is Antique Show chairman.

Pan American Student Forum
 BY ROY RODRIGUEZ
 PASF met Tuesday night September 19, at 7:30 in the Spanish room, with Adrian Gonzales presiding. The following new officers were installed by the sponsor: President Adrian Gonzales, Vice President Rachel Rodriguez, Secretary Treasurer Martha Jones, Reporter Roy Rodriguez, Program Chairman Doris Howell, Social Chairman Virginia Lerma.

Mexico is the Latin American country to be studied by the Pan American Student Forum of Texas this year. Mrs.

President, Dale Blusham; Vice President, Sandy Stubbs, Secretary, Patti Counts; Treasurer, Sheila Cobb, Reporter, Al Bateman.

FTA News
 By MARTHA JONES

The Knox City Future Teachers of America had its first organizational meeting Monday night. There were about fifty members and two advisers present.

The first thing that had to be done was the election of a second Vice President and a Treasurer. Becky Swain has been elected to the office of Second Vice President, which is also Projects Chairman. Adrian Gonzales is the new treasurer.

The FTA also voted in some new amendments to the constitution. The new amendments concerned grade averages. All FTA members must now have an overall average of 80. If averages drop below 80, members have nine weeks to bring up their grades. If grades are still not up, the member is dropped from the roll.

Choice of projects was also discussed. No definite plans have been made yet, but some of the projects mentioned were candy sales, fruit cake sales, and a work day.

Ray Escobar gave us a good start on this study by telling us of her trip with her family to Guadalajara last summer. She explained Mexican currency and showed a number of coins. She also showed beautiful pieces of pottery, blown glass, linen handwork, weaving, and other handwork. We especially enjoyed a striking black and gold Mariachi sombrero and a clay replica of an ancient Mayan warrior, the original of which was found in recent excavations near Guadalajara.

It was interesting to learn that all filling stations in Mexico are government owned. They have no highway patrol, but men in green jumps travel the highways to help motorists in need. We enjoyed her many colorful postcards too. Muchas gracias, Sra. Escobar!

In the business meeting we discussed plans for the year. Adrian led the club songs and Virginia served refreshments.

Homemaking I
 By JODY RODDY

Don't think listening to someone talk about something they find interesting is boring, because it's not. Sarah McGaughey's guinea named Odie used to pick Timi Graham on the head because Odie didn't like her. We found out about horse training and rodeos from Mandy Lankford and Lisa Boomes course. Pam Skiles told of Missouri and Texas Jody Roddy told of California and Texas. Everyone gave a report and all were interesting.

We are also trying to learn how to sit and stand, from our chairs, and to walk.

Search For Handicapped Children Now Underway

Project PEECH (Program for Early Education of Children with Handicaps) is conducting a search for children who are eligible to be in the program. Region IX Education Service Center in Wichita Falls is sponsoring the program which will provide education in the home for handicapped children between the ages of six months and six years.

The program is designed to make the transition to school easier for children who have any of the following handicaps: physical handicaps, loss of hearing loss of sight, speech impairments, serious emotional disturbance, mental retardation or any combination of these. Persons knowing of children with these problems may contact: Mrs. Lois A. Cadman Project Director, Region IX Education Service Center, P.O. Box 4086 Wichita Falls, Tex. 76707 or W.R. Baker, Superintendent Knox City Public Schools, Knox City, Tex. 79529. Referrals may be from any one in the community including school administrators, physicians, social workers, and ministers, but the child will enter the program only if the parent or guardian gives consent. Parental consent will also be necessary for the child to be evaluated to determine the extent of the handicapped.

When a child is accepted into the program, a determination is made of the kinds of activities that would be best for the child. A program is designed and the visiting teacher comes to the home weekly to work with both parents and child. The key to success with the children, according to Mrs. Cadman, is parents who are willing to learn how to help their child and willing to take the time to do so.

The program is made possible through a grant to the Service Center from the Bureau of Education for the Handicapped of the U.S. Office of Education.

Former Resident Undergoes Surgery

Mayme Shaver, a former Knox City resident now living in Wichita Falls, recently underwent orthopedic surgery at St. Joseph's Hospital in Fort Worth.

She is presently recuperating at the home of her mother, Mrs. Molly Shaver in Canyon, and according to relatives, is progressing well.

Mayme is employed in the finance department at Sheppard Air Force Base in Wichita Falls.

Tax Free Dollars
 Your neighbor carelessly backs his car into your fence, causing \$200 worth of damage. Acknowledging his fault, he hands you a check for \$200. Do you have to pay income tax on this amount?

No, because it is not real "income" at all. The money merely makes you "come out even."

Now, suppose he refuses to pay and you have to sue him for the money. Then, too, if you win the \$200, it is tax free. Again, it simply makes you come out even.

This principle has wide application, notably in personal injury cases. Accident victims sometimes win verdicts involving large sums of money. To the extent that the money is compensation for their injuries, it is not subject to income tax.

In fact, the injury need not even be physical at all. In one case, a man won \$100,000 for defamation of character. The government tried to collect income tax on this sum, but a court ruled that it was not taxable. The court said the purpose of the money was just to "make the plaintiff whole."

And in another case, the money that a girl won in a breach of promise suit was likewise held not taxable, since it was compensating her only for the harm she had suffered.

However a verdict may also include "punitive" damages, imposed not to compensate for the plaintiff's injury but to punish the defendant for his wrongful conduct. On this portion of the verdict, a tax may indeed be collected.

For example: In another defamation case, the plaintiff won \$1,000—\$650 for the damage done to his reputation, and \$350 to teach the defendant a lesson. The \$650 was held tax free, but the plaintiff did have to pay income tax on the \$350. This was considered income because, in spite of the harm he had suffered, he came out \$350 richer than he had been before.

TRI County Clinic Expanding Programs

The Tri-County Clinic, a branch from the Vernon Mental Center at Vernon, which serves Haskell, Stonewall, and Knox Counties, announces the expansion of the Social Service Department of the Clinic by adding two new members to its staff.

Mrs. Molly Aalboe will be involved in Family Education Programs. She will also be available for Counseling. Molly lives at Sagerton and is the wife of Rev. Joe Aalboe, pastor of the Lutheran Church.

Dale Frederick, Psychiatric Social Worker will also be working in the field of Counseling and Therapy. Mr. Frederick is from Vernon and has been with

Vernon Center for five years.

Aubrey Headstream, director of the Clinic, stated that he welcomes these workers to the staff as this offers an opportunity to give better service to these counties. He expressed a deep appreciation to the many people that help the Clinic and said, "We could not be effective at all without the excellent support received by all the local communities."

The Clinic offers services daily now in the fields of Psychiatry, Psychology, Learning Disabilities, Medical, Counseling, Social Services, and Rehabilitation. There are active Arts and Crafts Programs, Educational Head Start Programs

a Program for Trainable Retardates, and Play Therapy for 3 to 14 years of age children with social problems.

The staff consists of Aubrey Headstream, director; Mrs. Aubrey Headstream, secretary; Mrs. Augustina Rodola, teacher; Mrs. Molly Aalboe, social worker; Dale Frederick, Psychiatric Social worker; Miss Norma Britton, psychologist; Jim Britton, co-ordinator of Outreach Services and Psychiatric Social worker, and Dr. T.W. Williams.

The Clinic is located on the Ruler highway in Haskell on the corner of Avenue M and N, 1st St. Office hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday. The Clinic's phone number is 864-0472.

Senator Hightower to Chair Administration Committee

State Senator Jack Hightower of Vernon has again been appointed to head up the powerful Administration Committee for the Texas Senate.

Hightower, a veteran legislator from District 30, has chaired this committee since 1967.

A Vernon attorney, Hightower was also named to the Finance Committee, its Sub-Committee on Appropriations, and the Natural Resources Committee.

Hightower received his committee appointments Wednesday Sept. 20 during the 4th Called Session of the 62nd Legislature. Under the new Senate rules, Senate members may only serve on 3 committees, and the number of standing committees has been reduced from 27 to 9.

Dean Bouldin Borger QB Ex-Greyhound

Former Knox City Greyhound quarterback Dean Bouldin is making a name for himself with the Borger Bulldogs. Dean moved to Borger at the beginning of the school year with his parents, Mr. and Mrs. Clyde Bouldin and sister, Lanette, when Clyde accepted a job with McCullough.

The 5-10, 155-pound senior won the starting job at the signal-calling spot from another teammate, 6-2, 175-pound senior Paul Grimmer in recent workouts.

The Borger News-Herald has been very complimentary in its write-ups by Sports Editor Ron Chapp regarding Bouldin's operation of the offense flawlessly for Borger in its game with the Canyon Eagles. Chapp said also that Bouldin showed outstanding leadership in guiding the Bulldogs to victory the first time they had possession of the ball. He said the KC transfer seemed to put a spark in the Borger offense which had sputtered in a 5-0 loss to Perryton the previous week.

Bouldin played quarterback his junior year for the Greyhounds.

HEADING UP THE FRESHMAN CLASS THIS YEAR are from left, Dale Bloxham, president; Sandy Stubbs, vice president; Patti Coates, secretary; Shella Cobb, treasurer; and Al Bateman, reporter. Jimmy Rogers is class sponsor.

Plant Center Hosts Groups

Three different groups of visitors have toured the Knox City Plant Materials Center during the week, according to PMC manager Jake Garrison.

Visiting the Center last Thursday were heads of departments and directors for the State Game and Fish Departments in both Texas and Oklahoma. A total of forty persons attended including their wildlife writing staff members who were here to see the plants growing at the Center that have potential wildlife value. There are 59 genera, 98 species, and 314 accessions growing at the Center with these potentials, Garrison said.

Ed Thomas state conservationist for Texas, opened the meeting and C. A. Reberthine, resource conservationist for Texas, gave a 45 minute slide presentation on wildlife food and cover plants. Others attending were Olin Dillon, regional biologist of Fort Worth; Fred Fortney, resource conservationist of Oklahoma; Jerome Sakora, biologist of Oklahoma; James Henson, biologist of Texas; and Arnold Davis, Plant Materials specialist of Texas.

Officials hope that closer coordination between the two agencies can be attained. The Center has many species of native plants that cannot be purchased from commercial sources.

On Tuesday, twenty new employees of the Soil Conservation Service from the Lubbock area visited the Center. They were given an indoctrination of Center operation, showing how large assemblies of native plants are collected over a wide area, planted at the Center, evaluated for three to five years, increased and evaluated on Soil and Water

O'Brien Wins 62-12

The O'Brien Bulldogs traveled to Highland Friday Sept. 22, their third encounter and second district game of the season. O'Brien won the contest 62-12. The Bulldogs last met the Hornets in Bi-District play two years ago when the Hornets eliminated the Bulldogs from the playoffs. The Hornets, sporting a deep tradition and a very well organized attack, scored on their second possession on a 17 yard pass play. The Hornets, leading 6-0 kicked to the Bulldogs and three plays later Danny Del Hierro hit Rayland Hayes on a 45 yard pass to knot the score 6-6. The Bulldogs then held the Hornets for three downs and Rayland Hayes blocked the ensuing Hornet punt. The Bulldogs with possession deep in Hornet territory had two touchdown passes which were dropped and the first quarter of action ended 6-6.

On the fourth play of the second quarter Louis Conn on the 4th play of the second quarter Louis Conn rambled 7 yards for a touchdown. Again the PAT was no good and O'Brien led 12-6. Holding for three downs the Bulldogs defense forced a Hornet punt which Louis Conn fielded on his own 20. Henry Washington Bert Gutierrez, Jaime Rocha, Rayland Hayes, and Arly Watson provided outstanding blocking which enabled Conn to rambled for a touchdown untouched. This time Hayes made the PAT good, bringing the score to 20-6. On the first play of the next possession Conn picked up good blocking and scampered for a 44 yard touchdown. Hayes again picked up the PAT to make the score 28-6. On the first play of the next possession Conn picked up good blocking and scampered for a 44 yard touchdown. Hayes again picked up the PAT to make the score 36-6. Eight plays later the O'Brien line produced blocking necessary to break Conn for a 42 yard touchdown. PAT was

no good and the Bulldogs led 42-6. The Hornets came back with a 35 yard scoring pass to make the halftime score 42-12.

In the third quarter scoring for the entire period came on the first possession as O'Brien's Del Hierro hit Arly Watson on a 29 yard scoring play. Hayes made good the PAT and the third quarter ended 50-12.

In the fourth quarter Conn hit Watson on a 6 yard pass play to bring the score to 56-12. The Hornets then moved the ball to the O'Brien eleven yard line where the Bulldogs reserve defensive unit did an outstanding job of shutting the Hornets off. Scoring ended as Arly Watson took two consecutive receptions from Del Hierro to bring the score to 62-12.

The offensive line led by Mague Rocha, Bert Gutierrez, and Arly Watson provided outstanding blocking for the Bulldogs. Those who provided good reserve strength in the offensive line were Tony Alsides, Luis Rojas, Charles Casillas, Randy Watson, and Steve Rojas.

The Bulldog defense, allowing only 5 first downs for the bigger Hornet running backs, was led by Henry Washington, Jaime Rocha, Louis Conn, Rayland Hayes, Arly Watson and Bert Gutierrez. Also making a good showing on defense were Tony Alsides, Dulalio Garcia, Luis Rojas and Danny Del Hierro Sammy Jackson, alternating offensive halfback and back up safety on defense, provided an outstanding effort with his blocking and running on offense and his defensive coverage.

The Bulldogs will meet a non-district foe Hermleigh Friday Sept. 29 at O'Brien. The Cardinals are very large and run an option offense. The Bulldogs must be working to come up with the superb effort needed to stop the Cardinals offense and move on the Cardinal defense.

Merkel Defeated 42 - 0

By DAVID COUNTS

The Knox City Greyhounds took out their frustration left over from the Rule game on the Merkel Badgers Friday night at Greyhound Stadium scoring 42 points to Merkel's 0.

The Greyhounds kicked off to the Merkel Badger to open the game. Cliff Ray, Stanley Newton and Rob Harrison led the defensive effort and forced Merkel to punt on 4th and 3 on their own 21 yd line.

Following the punt Joe Huff carried for 3 yds. Gary Carver for 5 yds. Philip Newton for 4 and 1st down. Huff then gained 12 and Newton 2. Joey Swain then found Will Whiteley for a 28 yd scoring pass. Swain added the extra point and with 7 minutes and 33 seconds left Knox City led 7-0.

The Hound defense proved too much following the kick off and forced a Merkel punt on 4th and 8.

Behind good blocking Newton made 14 yds on the first play following the punt. Then Huff ripped off 12 yds. The Badgers then intercepted a Swain pass.

The Hound defense again proved too tough and forced a punt on 4th and 4 on the Hounds' 44.

Following a 28 yd punt Huff picked up 1 yd. Swain then caught Greg Clonts across the middle and Clonts cut across to the West sideline and went 83 yds. for the second Hound touchdown. Swain added the extra point. The score read 14-0 with 2 minutes and 43 seconds left in 1st quarter.

The Badgers set up on their own 34 after the kickoff. On the first play Rob Harrison charged through the line and the Badger quarterback had to hurry his pass. Partially deflected by Harrison's out stretched arm the ball fell into the arms of Bobby Reeves who knew exactly what to do with the interception. He raced 30 yds. untouched into the end zone for the Hounds' 3rd touchdown. Swain's kick was good and it was 21-0 with 2 minutes 33 seconds left in the quarter.

An exchange of punts and some fine defense by the Hounds left the Badgers to punt again on 4th and 8 on the Hound 39 yard line. Stanley Newton broke through & blocked the punt, setting up a K.C. offense on the Badger 48 yd line.

On the first play Swain passed to Huff for a 48 yd touchdown. Swain kicked the extra point, and the score was 28-0.

Trying to catch the Badgers asleep an onside kick was used following this touchdown. It did not work and Merkel started on their 47 yd line. Three plays later and still needing 10 yds. for a first down, the Badgers punted.

The Hounds got the ball on their own 27 yd line. Huff gained 12 but the ball was brought back and the Hounds penalized 15 yds for clipping. On 2nd down and needing 24 for a 1st, the Hounds tried a draw play and the ball was fumbled. The Badgers recovered on the Hounds' 15 yd line.

The Hound defense rose to the occasion. Led by Gary Carver, Roy Posey, and Stanley Newton on 4th down and needing 6 yds for a first down on the Hound 12, a field goal was run by the Badgers but the ball was knocked away from the receiver and the Hounds took over the ball.

The Hounds made 7 yds on 3 plays and Will Whiteley punted for the Hounds.

With 1st and 10 on their 44, the Badgers were stopped for a yard loss by Rob Harrison. On 2nd and 11 the Badgers made

their only long run of the night. This was for 10 yds.

On the last play of the first half Ricky Hacker and Stanley Newton teamed up for the stop of the Badger runner.

The Hound received the second half kickoff and Joe Huff almost broke it for the score a 42 yd return for Huff. An additional 15 yds was given the Hounds for a Badger personal foul setting up 1st and 10 on the Badger 27 yd line.

On 4th down 3 on the Badger 26 Swain found Philip Newton all alone and passed to him for a touchdown. Swain kicked the extra point, and the score was 35-0.

Bobby Reeves, Robert Taylor and Philip Newton led the defense following the kickoff and the Badgers punted on 3rd down, needing 29 for a 1st.

Four plays later a Swain pass was picked off by Merkel on the Hounds' 27. Robert Taylor stopped the ball carrier after a 3 yd gain. Randy Egenbacher and Rob Harrison stopped the ball carrier after a 3 yd gain. On 4th and 1 on the 18 Harrison and Taylor stopped the runner for no gain. The Hounds took over on their own 18.

Swain passed to Posey for 10 yds. Add 15 yds more for a

O'Brien Women To Assist Haskell County Red Cross

During the week of October 1-8, The Haskell County Red Cross Association will conduct a campaign to raise funds for its work in Haskell County, according to the Rev. R.D. Williams, chairman, of Haskell.

By participating in the blood program, Haskell County residents may receive blood transfusions without soliciting donors.

A goal of \$1,632.00 has been set for the fund raising drive. A portion of this money will be used for operational expenses for the bloodmobile and the remainder will be used for other Red Cross programs.

O'Brien chairman for the campaign is Mrs. C.W. Covey, who will be assisted by Mrs. O.S. Johnson, Mrs. F.D. Emerson, and Mrs. Ivan Rowan. Rochester chairman is Mrs. Dan Wadzeck.

Ladies Golf Tourney Sat.

The Ladies Golf Association will have a low ball partnership tourney Saturday, September 30 at the Knox City Country Club.
