Saturday was welcomed by wheat farmers and ranchers. Precipitation measured .96 at the Knox City Plant Materials Center, four miles northwest of town.

The unfavorable weather conditions temporarily stopped cotton harvest operations, but stripping was expected to resume later this week.

## O. A. Green Recuperating

O.A.Green, who suffered a severe heart attack at his home on November 3, is progressing well, according to his wife, Ann, and is expected to be allowed to return to his home this week.

The Greens' sons Otice and his wife, Mary, of Lubbock and Paul of Haskell have been here part of the time during his confinement in the Knox County Hospital.

Otice and Paul also spent Thanksgiving here with their parents.

Mrs. Green reported that she was not previously aware of the fine heart monitor equipment in the local hospital, but she said it would compare with any in the larger hospitals anywhere. Also, she said that the fine equipment upstairs in the larger hospitals would not do a patient much good if they were waiting in a hall downstairs for a doctor to see them.

# Longtime County Clerk **Buried Wed. at Goree**

Funeral services for retired of Long Beach, California, and Knox County clerk Marvin T. D. G. Chamberlain of Fort Chamberlain, 90, of San Antonio, were held Wednesday lene C. Morton of San Antonio, afternoon at 2:00 o'clock in the Mrs. M.E. (Billy) Moore of United Methodist Church of Goree. , Mrs. J.J. (Avis) Denton Munday. Dr. J.O.Haynes. of Arlington, and Mrs. Glenn retired Methodist minister of (Polly) Williams of Midwest Lubbock, officiated and burial City, Oklahoma; two brothers, was in the Goree Cemetery with H.L. (Fate) Chamberlain of Smith Funeral Home in charge Levelland and Jack Chamber-

In a conversation Tuesday with Charles Reese, manager of the Brazos Valley Gin, he reported 1440 bales of cotton had been ginned. Charles estimated the cotton harvest in the area was about 65% complete and the yield was average.

Charlene Brothers reported O'Brien Coop Gin expects to receive 10,000 to 11,000 bales of cotton this fall. As of Tuesday, 5,695 bales had been ginned with some farmers' crops averaging from one-half to abale of cotton per acre. She said the opinion of most farmers was that the harvest is about 50% complete. Some farmers are still waiting

on a killing frost in order to harvest their cotton crop. A low of 26 degrees was

recorded Wednesday morning: however, it will be several days before it can be determined whether or not this will be sufficient in defoliating the leaves from the cotton.

### **Boys Home Choir** To Give Program

Approximately 40 teenagers will arrive at the Knox City Church of Christ Saturday afternoon from the Westview Boys Home in Hollis, Oklaho-

According to Payne Hattox, minister of the Church of Christ, the boys will spend the night in homes of the church members and be on hand Sunday afternoon to present a choir program.

Johnnie Luker is the choir sponso Mr. Hattox said that everyone

is invited to attend the program and stay for the church's First Sunday Singing. The chorus will also assist with the singing.

#### IN WICHITA FALLS

Wichita Falls Tuesday and Wednesday of last week attending to business.

**Cotton Samples** Now Total 29,000

Cotton continues to be pre dominantly white with fiftyseven percent in this category. according to Sidney Ferrell, In Charge, of the Munday Classing Office

The number of samples classed by USDA's Agricultural Marketing Service Office during the week ending Friday, No vember 23, amounted to 9,265. This brings the season's total to 29,000 sample.

Mike reading results indicate very little change from last week. Range 3.5 - 4.9 accounted for eighty-six percent, while 5.0 and up accounted for thirteen percent. Fiber strength results were down slightly with ninety-three percent testing 80,000 pounds per square inch or better.

Grade and staple percentages were grade 31, five percent; grade 41, fifty-one percent; grade 51, ten percent. Staple 29 was three percent; staple 30, twenty-eight percent; staple 31. forty-six percent; staple 32. twenty percent; and staple 33, two percent. Grades reduced because of bark or grass accounted for twelve percent of the cotton classed.

Prices are still unstable and vary according to staple length and grade in the lower qualities. Prices ranged from 2600 to 3600 points above CCC Loan with grade 4131 averaging 50.93 cents per pound and grade 4231. 49.77 cents.

They returned home Sunday. Pat is associated with Bancroft-Whitney Company, one of the largest publishing companies of law books. He received the doctor of jurisprudence degree from the University of Texas earlier this year.

### Thanksgiving To New Year's Will Your Stomach Regret It?

It seems most of us cannot resist packing those wonderful holiday foods. And as a result every year we hear a great deal about stomach upsets in that period from the end of November to the first of January.

Fortunately, most of this indigestion and stomach upset are of a simple nature and short lived Sensible eating could probably eliminate them completely. But, if you can't resist and do over indulge, we stock a great many products to relieve the discomfort and help you to recover quickly.

A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

# For COG Annual Meet

Ralph Yarbrough and Ben F. McDonald Jr. have been scheduled for the program of the West Central Texas Council of Governments Annual Membership Meeting, Thursday, November 29, in the Hilton Inn of Abilene.

Yarbrough, a veteran of over 13 years in the U.S. Senate, is a member of the Texas Constitutional Revision Commission and will discuss the recommendations of the commission at an afternoon workshop scheduled at 3:15 p.m.

Yarborough's public service career has been especially distinguished. As U.S. Senator, he was one of three Texas Senators ever to serve on the Appropriations Committee and the second U.S. Senator from Texas to serve on the Appropriations Committee and at the same time Chair a major Senate Legislative Committee. Yarborough currently practices law in Austin.

## O'Brien Youth See 'Time To Run'

Forty-six young people from the First Baptist Church of O'Brien attended the Billy Graham film, "Time to Run" at the Haskell Theatre Monday night. The young people had spon-

sored a pancake supper at the church earlier in the month to make money for this project.

Youth sponsors and individuals furnishing cars included Mrs. Joan Oliver, Mrs. Charlene Brothers. Mrs. Bob Cameron. Mrs. Susan Emerson. Mrs. Jan Lankford, Mrs. Audie Johnston, Jill Walsworth, Mr. and Mrs. C.H.Underwood, and Mr. and Mrs. Oather Poe.

#### IN GARLAND

Mrs. John Helms and Diane. accompanied by Karen Helms. student at Midwestern University in Wichita Falls, spent last weekend in Garland with their son and brother, Mr. and Mrs. John E. Helms Jr. and Galen, and helped Galen celebrate his first birthday.

John Jr. has recently been transferred from Farmers Branch to Garland.

#### IN CASH HOME

Ruth and Tom Henry of Whitesboro visited her cousin, Mrs. Ottis Cash and Mr. Cash last week.

Mrs. Cash's sister, Exa Fave Hutton of Pampa spent the Thanksgiving holidays in the Cash home.

The group were dinner guests Thanksgiving Day in the home of Mrs. J.C.Black in Truscott. Other guests included Mr. and Mrs. J.T.Cook and Mr. and Mrs. Johnny Cook and Alicia,

procedures.

Farmers should also take a close look at the fertilizers they have been using to make sure they are using a fertilizer best suited for their needs, White said. With the current shortage of fuel, White suggested that farmers may be able to save by using a fertilizer which takes only one application.

The Fertilizer Institute has advised that fertilizer needs be determined early and suggests farmers get their orders in as soon as possible to avoid transportation problems.

#### SENIOR NEWS by Martha Jones

The Senior class had a meeting the Monday before Turkey Day at 6:30 in the Library. The meeting was called in order to decide where to go on the Senior trip. Due to the energy crisis, we can't go to the moon like we had originally planned, so we settled on San Francisco

Several Seniors received their SAT scores last week and the ACT scores should be in any Some were pleasantly day. surprised with their ratings but some will probably be unpleasantly surprised, too!

No one was too torn up because they didn't get to go to school Thursday and Friday. In other words, everyone enjoyed the Thanksgiving holidays. Now we can look forward to the Christmas holidays!!!

#### JUNIOR CLASS NEWS by Harvey Reynolds

Basketball season is now underway and the girls have already started out on a winning note. We hope the boys will start out with a victory. The Junior Houndettes this year are: Temi Baker, Debbie Reese, and Kary Kent on varsity and Laura Lynn on Junior Varsity. For the Hounds Cliff Ray, Bo Johnson, Donald Swearenger, and Robert Taylor are on varsity and Joey Swain is on Junior Varsity. Good luck through the rest of the season

#### The Chemistry class this year is composed of mostly Juniors and most of them are butterfingered. Our bills are really adding up with broken test tubes, crucibles, and crucible lids.

Adrian Gonzales

#### SOPHOMORE NEWS by Al Bateman

Tuesday of this week the basketball games are at Haskell. and Friday they are here. The Basketball girls beat Slaton Saturday night and they are fired up so they may beat

everybody this year. The fruit sale ends today and the Ag. boys will have the fruit delivered sometime around the 15th of December.

The American History class has been very busy trading countries, ships, and airplanes so they can learn the importance of trading and trying to come out on top, but I understand that is a long story and too long to write on.

Grass of Home and God Bless America.

#### SPORTS NEWS

by Terry Cartwright The district 3-B Champions. the Benjamin Mustangs, fell short of the Bi-District Championship Thanksgiving night when they were defeated by the Ira Bulldogs at Snyder.

Ira proved to be a much improved-team over the team that played in Bi-District last year. It was a hard-fought battle all the way, with both teams playing tough offense and tougher defense.

The two teams engaged in two completely different stategies to score. Ira used its size and outside speed to run the ball, while Benjamin depended a great deal on its quickness and passing game. The half time score of 18-16 gives some indication of how hard the

defensive game was fought. Ira used their halftime lead to boost them to four more touchdowns to Benjamin's one. The final score was Ira 47. Benjamin 24.

#### IN GUINN HOME

Mr. and Mrs. Al Guinn, Missy and Patrick of Wichita Falls, Mr. and Mrs. Don Yandell and Kim of Graham. and Jan Guinn of Lubbock were guests Thanksgiving Day in the home of Mr. and Mrs. Jerry Guinn, Sheryl and Dale.

The Benjamin Junior High boys and girls will be participating in the Crowell Tournament. The tournament will be Thursday, Friday, and Saturday. Brackets have not been received yet, but we would like to invite

Benjamin

**School News** 

everyone to the games. **Cotton Packaging** 

# To Remain Same

WASHINGTON, D.C. -- Congressman Omar Burleson called attention today to a US Department of Agriculture announcement that detailed specifications applicable to bagging and bale ties used in packaging cotton tendered to the Commodity Credit Corportation under its Cotton Loan Program will be continued for the 1974 crop of cotton.

This will provide for the same specifications that were in effect for the 1973 crop and withdraws the action to discontinue these specification requirements as announced September 13, 1973.

#### WEEKEND GUESTS

Weekend guests in the Jay Hawkins home were Mr. and Mrs. J.A.Scaggs of Ardmore, Oklahoma, and Jaye Scaggs of Fort Worth. The Scapes also visited with

the Jack Stubbs family.

# **Preferences Listed** For Fuel Allocations

In order to relieve unintended results under the Mandatory Allocation Program for Middle Distillate Fuels, it has been determined that pursuant to Section 12 of the regulations (EPO Reg. 1; 30 Fr 28660) for a period of 60 days effective immediately, suppliers shall give preference in the allocation of diesel fuels in the Middle Distillate range to the following

purposes: (1) For the operation of prime movers or power units necessary for the exploration, production, refining and distribution of fossil fuels which includes petroleum, natural gas, and coal. (2) For the operation of obile and fixed farm and ranch quipment essential to the planting, growth, or harvesting of crops and/or livestock.

(3) For the operation of public mass transportation systems with in metropolitan areas when certified as essential to the public welfare by the Governor of the State to the

All games are boys and Agricultural Extension Service, A Latin American Animal Agriculture Symposium will also be held.

#### TIPS ON SHADE TREE FERTILIZATION

...

Shade trees seldom require supplemental fertilization in lawn areas where a good lawn maintenance program is followed. However, trees may need additional fertilizer in areas where their roots are confined due to street and curb installations and other structural features

Over-fertilization of trees can force excessive top growth, making them vulnerable to storm damage. Trees seldom need to be fertilized more than once every three years except in extremely sandy soils.

Fertilizer recommendations e usually based on the trunk diameter of a tree and make no allowance for the fact that the root zone may be confined to a limited area. Following such recommendations would result in over-fertilization and damage to the tree.

The safest method of comput-

#### And Ranch News satisfactory for fertilizing trees. Twenty-four pounds of 8-8-8 would be needed to supply two pounds of actual nitrogen (24 x

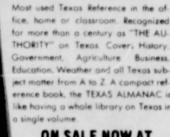

ing the amount of fertilizer to be applied at any one time is to calculate the number of square feet included in the branch spread of the tree and then apply six pounds of actual nitrogen per 1000 square feet of

ammonium sulfate) in midsummer.

# **Gets Top Fuel Priority**

Naman Questions Who

Texas Farmers Union Presi-Agriculture Earl Butz's visit to Texas:

'I understand that Secretary of Agriculture Butz is coming to Temple, Texas, to announce a streamining plan for various **USDA** offices.

'Let me tell you, this Administration reminds me of ancient Rome. These guys are like Nero -fiddling while Rome burns.

While the USDA is occupying itself shuffling desks around, cotton farmers all over Texas are facing a fuel crisis. It's a crisis that may mean losing some of our cotton harvest. And that's going to hurt the American consumer.

'This is not a fuel crisis caused by the lack of availability of diesel fuel. This is a crisis caused by more Administration fiddling.

'The Administration has given the farmers a lot of tough rhetoric and 'jawboning' about how agriculture is a top priority. but apparently everybody was listening but the oil companies. 'I've heard the Secretary say

how he fights like a wounded steer for American agriculture. If he would just fight a little more like a Texas bull than a steer, he might be down here getting some fuel instead of me new addresses for ASCS offices

"I don't want to quibble about the merits of his streamlining program. I am saying that this is not the time to be worrying about who sits where when there is an immediate and serious problem. The fact is that the fuel to fly the 270 state agency administrators into Temple and that fancy Jetstar that the Secretary flies down here to tell us about it can sure e put to a better use.

"If all Butz has to worry about dent Jay Naman of Waco is the desk shuffling, a simple released the following state- telegram would have been all ment regarding Secretary of the agencies would have needed.
