SMITH TO PREACH SUNDAY AT CHRISTIAN CHURCH

Minister Bedford Smith will preach at 11:00 a. m. and 7:30 p. m. at the First Christian Church of this city Sunday October 7th. His subjects will be "The Doctrine of the Remnant" and "Hidden in a Corner."

The minister comes here the first Sunday of each month. Bible school is conducted every Sunday. Recently the Board was reorganized and a greater interest is manifest in the work to its advancement.

Mr. Smith is now attending Phillips University where he will graduate next May if he continues his chosen course. Phillips University is located in Enid Oklahoma.

MISSIONARY LADIES TO HAVE RUMMAGE SALE

At the business meeting of the Missionary Society of the Methodist Church held Monday at the church plans were made for a "Rummage" sale which will be held all day Saturday in the building now occupied by Mr. M. M. Fard.

Various articles of clothing will be placed on the counter for sale, to which every lady in the church is asked to contribute. Your contributions for this sale may be placed any time during the week with Mrs. C. C. Hoge or Mrs. J. A. Wilson.

The society will be entertained this month in the home of Mrs. H. L. White, joint hostess for the occasion being Mrs. G. W. Coats. This will be a "silver social" for the benefit of the parsonage remodeling. The society meets next Monday at three o'clock at the church in a Missionary Voice program. All ladies of the church are invited to attend this program.

WE THANK YOU

The Seth Parker Club was in full swing Tuesday evening, a large crowd had gathered; every room in the pastors home was filled to overflowing; every one was singing and having a good time, when suddenly the program was interrupted by several men and boys entering the room with boxes filled with good things to eat and other gifts for the pastor and family.

Every thing got quiet for a moment, even the pastor quit singing, as much as he like to sing, and then George Bang, (W. R. Terry's) presented the gifts, about all the pastor could say was, we are glad to have you and appreciate the gifts this was no time for speech making, no one would be expected to make a speech under the conditions.

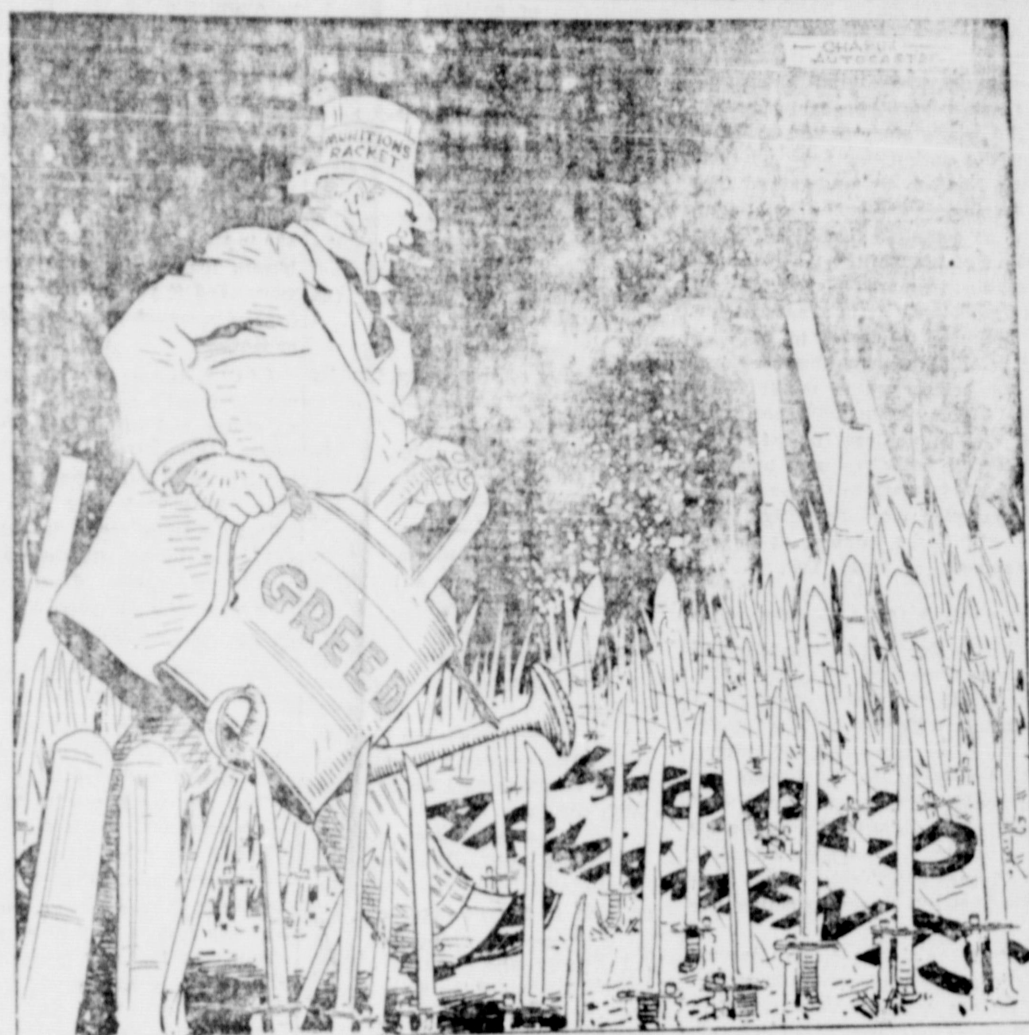

I have not entirely gotten over the shock, yet but sufficiently recovered to say that we really do appreciate every ones presence and the many nice things you gave. No one will ever know just how much we love you and appreciate the many kindnesses shown us since we have been in Knox City, the many friends which we had in Knox City before we came as pastor, and many new friends made since we came, will never be forgotten. You have been our friends indeed and we assure you that you have a place in our hearts that will never be replaced by others. We expect to go on making new friends and doing the Will of God wherever we go but we wonder sometimes of there will be others who will be as true and kind as you.

Let me say again, we thank you and shall always love and appreciate you for the kind words and deeds, an dfor what you have, and shall mean to us on and on.

Mayor's Proclamation

(Fire Prevention Week, October 7-13, 1934)

Fire Prevention Week is again at hand. The object of the occasion is to remind the public of the seriousness of the large fire loss of this country, both as to life and property, and bring to the attention of everyone the fact that nearly all of this destruction could be avoided if greater care were taken in the construction of buildings, if litter and rubbish were removed from homes and places of business, if children and grown people were thoroughly educated in the handling of fire and taught the importance of extreme carefulness.

Now, therefore, I, Roy Smith, Mayor of City of Knox City, in cooperation with the nationwide movement for the elimination of preventable fires, do hereby designate October 7 to 13, 1934, as Fire Prevention Week in this city.

On those days I ask our civic and commercial organizations, our school officials and teachers, and our citizenship as a whole, to join with the chief of our fire department and our city fire marshal in arranging meetings and exercises for a study of ways and means of preventing fires, as well as to impress the seriousness of the vast wastage that it causes and the need for utmost care for the protection of life and property.

During Fire Prevention Week I urge that a thorough inspection of the entire city be conducted for the purpose of locating and removing fire hazards, and that the work thus inaugurated be hereafter expanded into a Fire Prevention Year.

In testimony whereof, I hereunto sign my name and affix my seal of office on this, the 3 day of October 1934, A. D.

Roy Smith, Mayor

The Missionary Society of the Baptist Church was entertained in a business and social meeting in the home of Mrs. W. R. Terry, joint hostess being Mrs. Billy Lowrance.

Among the business discussions was the plan of conducting a market in the city Saturday, October 13. However, any one desiring cakes, pies or other market articles, may place orders with Mrs. E. O. Jamison, which orders will be filled any date desired. These orders will be greatly appreciated by the B. W. M. U.

Following the social hour Monday afternoon the guests were served ice cream and angel food cake.

Mr. and Mrs. Egenbacker spent the weekend with relatives in Bowie.

HOSPITAL NOTES

Patients in the Knox County Hospital this week include Mr. S. L. Daniels of Abilene, Mr. S. A. Billingsly of Elbert, Mrs. Hugh Gaunt and infant son of Gillum, Jack Warren of Knox City, H. C. Carr of Rochester and J. W. Zelasell of Rhineland.

Jack Warren in much improved now. Joe Hurd of Veare was dismissed Wednesday and Mr. M. F. Billingsly of Munday was dismissed last Friday.

HARDIN-SIMMONS TO PLAY ST. EDWARDS UNIVERSITY IN WICHITA FALLS SATURDAY

WICHITA FALLS, Texas, October 1, Texas Conference Football will see one of its most bitter rivalries renewed here Saturday night, when the Hardin-Simmons University Cowboys of Abilene meet the St. Edwards University Tigers of Austin under the floodlights of Coyote Stadium.

Nine years of competition have brought 3 victories to the Tigers, 3 to the Cowboys and 3 games have resulted in scoreless ties. Saturday night's game should be the finest of a fine series of games as each of these highly touted aggregations fight for an advantage in games won and lost. Added to this traditional rivalry is the fact that this game will be the first conference game of the season for both teams.

Great plans have been made in Wichita Falls to inaugurate this first annual college game, one of which will be offered each year. A capacity crowd is anticipated and every detail has been taken care of to insure full comfort for the fans. Coyote Stadium, seating over 5,000, one of the most beautiful football fields in Texas, with every seat between the 30 yard lines. The finest lighting equipment gives a daylight atmosphere to the playing field.

An added feature of the game will be the appearance of the world-famous Cowboy Band from Hardin-Simmons University. This musical organization, 100 strong, will arrive here Saturday afternoon on a special train from Abilene to participate in the football parade and to play during the game that night.

A low schedule of prices has been put in effect. Adult tickets are now on sale at 85 cents. Students and teachers tickets are available at 55 cents.

Mr. Henry Tuzigie and daughter Miss Edna Faye and Mr. Kin Hendley from Cooke county spent Tuesday night here with relatives. Grandmother Humphries returned home with them for an extended visit there and in Fannin county.

Reed-Elis

Miss Beatrice Reed, daughter of Mr. and Mrs. S. N. Reed of O'Brien, and Mr. Grady Ellis were married Friday, September 28, at the home of the brides parents, Levaerd Herring of Rule preformed the ceremony. Mr. and Mrs. Ellis will make their home west of O'Brien.

Beatrice was a graduate of the Knox City high school this last school term.

DOZIER-FRANKLIN

Mrs. Ida Dozier of the Hutto community announces the marriage of her daughter Lorene Dozier to Mr. Bert Franklin of Wichita Kansas. The marriage took place September 19, 1934 at Pawhuska Oklahoma.

STUDY CLUB TO HAVE CENTURY OF PROGRESS PROGRAM

The Knox City Study Club will resume its study with the first meeting being held Thursday afternoon in the home of Mrs. Reeder Smith. The opening program will be on the Century of Progress and will begin promptly at 3:30.

S. L. White displayed in the Herald office Tuesday samples of his second crop of peaches for this year. The first peaches, according to Mr. White, were large while the second crop were small peaches.

Mrs. C. A. Hull and Mrs. Jerry Earp and children spent the week end with relatives in Carbon. Mrs. Clinton Milford returned home with them and is visiting Mrs. Earp.

Guests in the J. H. McGee home Sunday included Mr. and Mrs. J. M. Waller and children of Rule, Miss Rena Waller and Clarence Waller of Rule.

Mr. A. P. Oliver arrived home Monday from a several weeks stay in Dallas. He was looking fine and stated that he was much improved.

M. F. Whitton and son Gilbert were in Benjamin Tuesday.

CARD OF THANKS

We wish to thank our friends for the many kind deeds shown us and our husband and father during his weeks of illness. We especially thank Dr. Edwards for his skill and kindness in treatment of our dear one. We also greatly appreciate the beautiful floral offerings.

Mrs. A. J. Anderson and children.
Mr. and Mrs. Charles Kay of Rochester were weekend guests of Mr. and Mrs. Reeder Smith.

A. J. Anderson

A. J. Anderson was born July 25, 1862 near Corn Hill, Williamson County, Texas. He was married to Miss Susan Cleveland, January 15, 1899. To this union was born seven children, one dying in infancy. Another daughter, Mrs. Hattie McGregor, preceded him in death in 1927. The other five children were at his bedside when death came. Those surviving are Mrs. Dora McClintoch, Stamford, Texas; Chas. J. Anderson of O'Brien; Mrs. E. B. Shaver, John M. Anderson and Miss Edna Anderson, all of Knox City.

Mr. Anderson moved to Haskell from Williamson County in 1915 where he lived eleven years. From there he came to Knox City in 1926, where he resided until the time of his death, September 27, 1934.

He was united with the Baptist Church in 1922 and lived a christian life until his death. He was laid to rest in Odd Fellows Cemetery in Knox City. Reverend Herbert Land of Hillsboro, assisted by Reverend Gilbreath, pastor of the Methodist church, conducted the funeral services in the home of Mrs. Ed Shaver, Friday, afternoon September 28 at 3 o'clock.

Out of town relatives and friends were Mrs. J. W. Anderson and family of O'Brien, Mr. Rat Robbins and daughters, Mrs. Stewart and Mrs. Camel Robbins of Eldorado Oklahoma and Mr. and Mrs. R. A. Shaver, Rochester.

Of Course You Want Your Boy to Win

If any one told you that you were making it needlessly hard for your boy or your little daughter to get on at school you would believe it could be true.

Are you giving your child or your children the good light they need for their home studying?

In many of the schools light is still poor, so it is especially important to provide good light where children's home work is done.

See that the lamps they use are of sufficient wattage to give plenty of light and that there can be no glare in their eyes, either direct or reflected.

Poor light makes concentration difficult, brings on fatigue and drowsiness quickly, is damaging to young eyes, and is often responsible for faulty posture, which is a danger to be guarded against.

Let our home lighting consultant tell you how to light your home for your children's benefit and for your own comfort. This is a free service. You have only to write or phone us to obtain it. Take advantage of this service before school begins. It will pay to do it.

Your Health

Austin, Texas Oct. 3. "There is no other communicable disease as dangerous as whooping cough to the very young, and there is no other disease causing an equal amount of suffering of which parents show such an unaccountable disregard, not only for the safety of their own little ones, but also for the lives of the neighbor's children," said Dr. John W. Brown, State Health Officer. "There is no natural immunity against this disease during the first six months of life as there is against measles. It is at this age that whooping cough strike its hardest blow and over 50 percent of the death occurring in children are under one year of age. The disease is usually transmitted by direct contact with the secretions of the mouth of nose, and only a very short exposure is required to contract the infection. Handkerchiefs, drinking cups and toys also may transmit the infection.

"The infection is communicable from the appearance of the first symptoms and is most contagious at this early period when the nature of the affection can only be suspected. The incubation period is commonly seven days. A slight fever, running at the nose and a cough make their appearance so gradually and insidiously that a diagnosis is practically impossible unless a history of exposure is obtained. When the 'whoop' appears there is no mistaking the disease. If there is whooping cough in your community keep other children away from your little children and keep your children at home. Call your physician early. Isolation of all cases for at least two weeks from the development of the characteristic cough should be rigidly enforced."

GREATER MOTOR PROTECTION—LOWER OIL CONSUMPTION

At Indianapolis Motor Speedway, under AAA supervision (Sanction No. 3001), New and Improved Conoco Germ Processed Motor Oil was tested against five other nationally known motor oils. Six identical stock cars were broken in on oils assigned them by lot. Each car was filled with five quarts of its assigned oil—no more added—and driven until the motor was wrecked.

New and Improved Conoco Germ Processed Motor Oil carried its car 4,729 miles—3,105.8 miles farther than the first oil to fail and 1,410.2 miles farther than the best of the five oils! Could you ask for better proof of greater motor protection and lower oil consumption? Drive into a Conoco Red Triangle Station today and fill with New and Improved Conoco Germ Processed Motor Oil!

LIBRARY FEES COMING IN

The Library work has started off just fine this year. Most every pupil has paid his fee, and several dollars have been collected from fees, with which we are going to buy new books. The P. T. A. and school board may give us some more money to buy new books. We are looking forward to this because the library needs many new books. We haven't a single new book in the library yet, but we shall have some before long.

The regular librarians are: Flo McBrayre, Viola Daniels, Mary Belle Hanes, Ruth Seale Waldrip, Estelle Wharton, Magga Faye Yarbrough, Corrine Shaw, and Irene McAuley. Mine librarian is Florence Wilson.

SENIORS GO TO HASKELL VS. RULE FOOTBALL GAME

Friday night Mr. and Mrs. Otis Cash, Mrs. Lloyd Davis and Loyd Leasby, Mrs. Frank Herring and Reverend and Mrs. Gilbreth escorted 18 seniors to Haskell to the football game.

Due to a late start, the seniors arrived in time for the last half of the game. Haskell and Haswell were both represented by a large pep squad, Stamford band and many spectators. Haskell seems to have an unusually good team for they beat Rule 19-0.

The spectators were comfortably seated in a stadium large enough for everyone who wished to see the games. The stadium and lighted court was secured through cooperation of the student body and citizens of Haskell. Why can't Knox City have one, too?

Physical education has entered into our school again this year. Thirty minutes each morning is given to this useful activity. Within another week everyone will be more accustomed to the exercise and will rally enjoy as well as benefit from this training.

Knox City, Texas

Knox City high school Greyhounds came out with a 12 to 12 tie against Aspermont in the season's football opener. Supposed to be beaten by two or three touchdowns the Greyhounds battled the much heavier and more experienced Aspermont team on even terms.

Aspermont scored early in the first quarter, plunging and going off tackle, getting the ball on the Greyhound's 5 yard line. They then eluded right end for a touchdown. The kick for extra point was wide leaving the score 6 to 0.

With their backs against the wall the Greyhounds received the next kickoff and on the first play B. E. Bryan raced 79 yards for a touchdown around Knox City's right end. The try for point was blocked.

In the second quarter B. E. Bryan got off about a 70 yard punt which rolled over Aspermont goal line. Aspermont tried to punt, but the Greyhound's center, Nathan Gruben blocked the kick and it rolled across Aspermont's goal line. Lloyd Hustman fell on ball for a touchdown. Knox City tried to plunge the line for the extra point, but fumbled and didn't convert. The score was then Knox City 12, Aspermont 6.

The third quarter was played in Aspermont's territory all the time but on several exchange of punts. Aspermont got the ball in Knox City's territory and started on another scoring drive, finally plunging from the one yard line, only two and on half minutes before the game ended. The try for point was an attempted right end run but was stopped about two feet from the goal line. Thus the game ended making the Greyhound's first game of the season a 12 to 12 tie.

Starting lineup

KNOX CITY
 Left end, J. J. Denton
 Left tackle, Arnold Davis
 Left guard, Buddy Angle
 Center, Nathan Gruben
 Right guard, Clyde Ingraham
 Right tackle, Travis Galtner
 Right end, B. P. Cornett
 Quarter back, Johnny Smith (C)
 Half back, Lawrence Dutton
 Half Back, B. E. Bryan
 Full back, Loyd Hustman.

The Greyhounds play Throckmorton on Friday, October 5th at Throckmorton. This will be another hard game for the locals as Throckmorton has a heavier and more experienced team than the Greyhounds.

FRESHMEN COMPLETE ORGANIZATION

The Freshmen class met Monday for a completion of their class organization. The red rose was selected class flower and Blue and Gold were made the class colors. Mrs. Favor's name was added to those selected for class mothers and Mr. J. Silman was selected as class father. With the cooperation of all the big class of Freshmen, their sponsor, Miss Wylie and all the parents, especially those selected as room mothers and fathers, we the class expect not only to have a good time throughout the year but also to accomplish every task that is given as class responsibility.

"Stay in there" Freshmen.

SIXTH GRADE INTERESTED IN TEXAS HISTORY

The sixth grade has been very busy this week. They are especially interested in Texas History and have studied much about Indians.

They have decided to sell the Hollands magazine to get funds for library books. They will get a twenty five cent commission out of every dollar. The rates are one dollar for two years. They will appreciate your helping them with their project.

GRADE SCHOOL ENROLLMENT 200

The enrollment for the Grade School at the present date is two hundred.

Mrs. Grable Opens Kindergarten

Mrs. Grable has begun her work in the Kindergarten. She has several pupils and would like to have an enrollment of ten. If any parents wish to send their children please see Mrs. Grable.

The entire Grade School has an increased supply of books. Besides buying new books for practically every subject taught, we have several books to add to our libraries in the rooms. The State Department giving a certain percent of new books each year to be added to this collection. All of the books are well colored, contain many useful stories, and are well illustrated with pictures.

PEP SQUAD ON THE JOB

Yes! Greyhounds' Fight 'Em! This seems to be the favorite yell of the K. C. H. S. Pep Squad. We are going to have a large pep squad this year. All the girls seem to have the "Old High School Spirit." We are having new costumes which are being standardized, the same style in the future with the exception of a different kind of material.

We play Throckmorton this Friday at Throckmorton and we want every one who can, to go and help be pep squad for our Greyhounds.
