

4-H Club Meetings Held Over County to Plan Work Programs

4-H Club meetings were held in the Munday, Goree, Sunset, Gilliland, Vera and Benjamin schools on April 3 and 4 by W. C. Palmeyer, County Agent.

Meetings in the Knox City and Rhineland schools were to be held today (Thursday). At these meetings, plan of work for 4-H members were discussed, and programs that members were interested in were planned. These programs included beef cattle, swine, sheep, chickens, gardens, field crops, orchards and rabbits. In addition, a farm and home electric program is started in which 4-H members check their homes to see different ways that electricity may be used to make their work faster and easier.

Another program that was started was farm and home safety. Many members were enrolled in this program which consists of making regular checks of the home to see if any hazards can be found that might cause accidents. These hazards are removed, thus eliminating the chance of accident and making the home safer.

A wildlife program has also been explained to the members and many are showing interest in conserving the birds and animals of the county. The program consists of making shelters for the birds and feeding them when there is nothing for them to feed on, during the winter. A system of controlled hunting will be enforced on the demonstrators' places and signs are being obtained to mark the plots that are to be included in the 4-H game conservation demonstrations.

Another series of meetings will be held during the first week in May, and a film showing the 4-H work carried on in Texas and Mexico will be exhibited. This will be the last series of meetings to be held before the close of school, and at that time it will be decided if there is sufficient interest to warrant holding 4-H meetings during the summer.

Another reminder for the May 4-H meetings is that the letters in the Sears pig contest will be due, and that members who have not decided on their projects should do so at that time, Palmeyer said.

In the interest of good 4-H work, the county agent added, each member must pick out some phase of agriculture to work with, and if it is not possible for the boys to work with some crop, animal or bird, the safety, electricity and wildlife programs may be used.

At the six meetings already held, 35 new members have been added to the 4-H rolls. At future meetings, boys between the ages of 9 and 21 are invited to attend the meetings, and if interested they may join. Members are free to select their projects, and there are no joining fees or dues.

1951 CANCER CRUSADE UNDERWAY THIS MONTH

Mrs. L. W. Graham, Laywoman of the American Cancer Society, reminded Knox Countians this week that April is devoted to an intensive educational and fund-raising crusade against cancer. President Truman has proclaimed it Cancer Control month and called for a sustained drive against the disease that last year killed an estimated 210,000 Americans.

"Why is cancer singled out for such an intensive attack in which physicians, researchers, and the public unite? Because so many thousands of lives—perhaps half of those who develop the disease, can be saved," Mrs. Graham said.

It was explained that cancer is a disease of the cells. It occurs when for reasons not entirely understood, cells throw off normal rules of behavior and begin to "act like gangsters." Instead of being useful working citizens of the body, they devote their energy to growth, and they steal the food of normal cells.

"The 1951 Cancer Crusade of the American Cancer Society seeks funds to combat this outlaw disease," Mrs. Graham said. "Your dollars help guard your family. Strike back, by giving to conquer cancer."

Mr. and Mrs. G. D. McCarty spent Sunday in Abilene.

One New Trustee Elected at O'Brien

Alton Hester was elected trustee of the O'Brien School in Saturday's school board election.

Burt Davis and Willis Hines were re-elected to their places on the school board.

Other members are Dempsey Emerson, who was recently appointed to fill the unexpired term of John Grindstaff, who resigned, Milton Rowan, president, Leonard Force and Grady Ellis.

CUB SCOUTS TO MEET FRIDAY AFTERNOON

Members of the newly organized Cub Scout Pack No. 161 will meet Friday afternoon at the Legion Hall at 4:00 o'clock. Jeff Graham, cubmaster, said Wednesday.

He asked that all boys know their Bobcat requirements and bring applications signed by parents. A registration fee of 50 cents must be paid Friday, the cubmaster added.

Thirty-two parents and boys met with a pack committee Monday night, April 9, and completed plans for the organization.

The pack committee chose the following leaders for the Cub Scouting program, which is sponsored by the Teague-Carpenter Post, American Legion: Jeff Graham, Cubmaster; Mrs. W. L. Bolin and Mrs. B. C. Anderson, den mothers.

The pack committee is composed of W. L. Bolin, chairman, E. E. Barnett and Doyle Graham. Curtis Coates is Institutional Representative.

ANNUAL JUNIOR-SENIOR BANQUET IS HELD

The annual Junior-Senior banquet was held Tuesday night, April 10, in the basement of the First Methodist Church. The theme was "Plantation Party," with southern hospitality stressed.

The banquet hall was beautifully decorated to resemble an old southern garden. An artificial rock fence covered two walls and a green picket fence covered a third wall.

The guests entered the room through an archway of greenery. Greenery, pot plants, flowers and trellises were used extensively throughout. Paper lanterns hung from the dimmed lights.

Guests were seated at tables of four, except for the head table, where those on the program were seated. Place mats were dainty doilies over aluminum foil. Centerpieces were arrangements of pansies and tables were appointed with china and sterling. The combined nutcup and place cards were in the form of a southern colonial girl doll.

Favors for the boys were lucky pinchpennies. Girls were given corsages made of cotton bolls and tied with pastel satin ribbons.

The toastmaster for the occasion was King Cotton (Tommy Edwards). The welcome address was given by the Governor of the Carolinas (Carol Hitchcock) and the response was given by the Village Blacksmith (Archie Watson).

The Lampighter (Gladys Simmons) gave a toast to the school and its faculty. The class prophecy was given by the Town Crier (Jean McAuley) and the last will and testament of the Seniors was given by the Candlesuffer (Donna Gray).

Three musical numbers were presented by six Sophomore girls, who also served the meal. The six Southern Belles were Mary Beth Waldrip, Jo Denton, Jennie Belle Culp, Julie Frizzell, Dorothy Paul, and Tinnie Jo McNulty.

C. W. Splawn, high school principal and "Plantation Boss," closed the banquet with a word of thanks.

Misses Clifford and Blanche Elliott and Mrs. C. W. Stephens were in Stamford Monday afternoon to attend funeral services for Jack Bates. The deceased was a cousin of Clifford and Blanche.

Scout Committee to Stage Funds Drive

The Knox City Boy Scout Committee, at a meeting Tuesday morning, voted to sponsor a funds drive to benefit Scout Troop No. 161 and the newly organized Cub Pack.

The drive will be made in the near future, and the committee hopes \$300 can be raised, to be divided 60-40 between the scout troop and the cub pack.

All the funds would go to the local organizations.

The meeting was held at the Methodist Church, with Scoutmaster Joe Clonts, Assistant Scoutmaster Lincoln Bolin, Rev. C. W. Parmenter and C. A. Wilson present. Breakfast was served by Mrs. W. E. Clonts and Mrs. Parmenter.

Other members of the troop committee are Harold Stephens, E. R. Carpenter and Bill Lanford.

HOGES HONORED ON FORTIETH ANNIVERSARY

Sixty-five friends of Mr. and Mrs. C. C. Hoge called during "open house" Sunday afternoon, April 8, to honor the couple on their fortieth wedding anniversary.

"Open House" was held at the home of their daughter, Mrs. Dan Steakley, and Mr. Steakley. Mrs. Steakley greeted the guests and presented them to Mr. and Mrs. Hoge. Mrs. Paul Hoge of Vernon secured signatures of the guests.

Mrs. Max L. Polen of Abilene, daughter of the honored couple, laddered punch and Mrs. L. N. Bridges and Mrs. T. S. Edwards alternated at serving the cake.

The three-tiered cake was designed as a wedding cake, baked by Mrs. Steakley and decorated by Mrs. Guy Robinson. The pan used for baking the largest layer was the same pan used for baking Mrs. Edwards' wedding cake.

The refreshment table was lace-laid and centered with an arrangement of iris in an antique cut glass bowl. Flowers sent by friends were used in the entertainment rooms.

Among the out of town guests were Mr. and Mrs. Waylan Evans of Elbert, and Jim Hoge of Throckmorton.

Featured display was an arrangement of recent photographs of Mr. and Mrs. Hoge and their marriage license. The license was the 80th marriage license issued in Knox County.

The couple exchanged wedding vows April 9, 1911 in Hamlin. Mr. Hoge was manager of the telephone company here and his future bride, Miss Libby Reynolds, was telephone operator in Hamlin. According to Mrs. Hoge, most of their "courtship" was done over the wires.

Next day after their wedding, they took the Orient train for Knox City, and have lived here since that time.

Mr. Hoge has served as city commissioner or mayor exactly half of his married life. He served on the city commission while J. H. Davis was mayor. Mr. Davis was elected mayor in 1917.

He served again on the commission under Mayor Roy Smith, from 1931 to 1935. In 1935 Mr. Hoge was elected mayor and served in that capacity for ten consecutive years. In 1947 he was again elected to head the city government.

This year Mayor Hoge decided he had devoted a fair share of his time to civic duties, and did not seek reelection to the office.

O. L. KNIGHT TO BECOME MEMBER OF PHI THETA PI

O. L. Knight, Jr., was selected by J. D. Livingston, president of Brantley-Draughon College, Ft. Worth, to become a member of the Phi Theta Pi fraternity, it was announced this week.

Only three boys are invited to become members of the organization every two months.

Only students with high scholastic standing are eligible for membership. The college has the honor of having the only chapter of Phi Theta Pi, international honorary commerce fraternity, in the state of Texas. The purpose is to encourage high scholastic standards and to promote friendship among students. It also works with the administration in sponsoring activities for the benefit of all students.

O. L. is the son of Mr. and Mrs. Pete Knight of Knox City.

FARM BUREAU DRIVE MEETING WITH SUCCESS

Membership in the Knox County Farm Bureau has increased more than 100 per cent since the current membership drive opened Friday, April 6, according to Ansel Waldrip, president.

Approximately 197 people—farmers, their wives, and special guests—attended the "kick-off" banquet held at the American Legion Hall in Knox City last Thursday night.

The menu consisted of baked ham with pineapple sauce, beans, relish, fresh onions, potato salad and coconut pudding. The food was prepared by A. M. White.

Following the dinner, the group assembled in the auditorium for a program by the Tankersley Quartet and special numbers by the Tankersley children.

President Waldrip welcomed the guests and introduced Marvin Carter of Waco, Organization Director of the Texas Farm Bureau. Mr. Carter outlined the purpose of the organization and introduced O. R. Long, Southern Region Field Representative of the American Farm Bureau.

"At one time, the only thing that was important to a farmer was what happened inside his fences, but that day is past," the speaker said. "Equally important, if not more so, is what happens outside his fences."

Mr. Long went on to explain to his listeners the problems now confronting farmers, and the possible solutions to those problems.

Wayne Little, Field Representative of the Texas Farm Bureau, instructed the community chairmen and their workers on how to invite non-members to become affiliated with the organization. Mr. Little has been in the county this week helping obtain new members.

A meeting will be held at the courthouse in Benjamin tonight (Thursday) to further explain the purpose and objectives of the organization.

The president urged all new members, and those who do not understand the benefits of the Farm Bureau, to attend.

Benjamin Fire Dept. Has New Truck

Members of the Benjamin Volunteer Fire Department this week expressed their thanks to Benjaminites, area ranchers, and citizens of surrounding towns, whose contributions enabled the department to purchase a new fire truck.

Voluntary contributions totaled \$2,800.00, and the department and the city of Benjamin will amortize the \$4,000.00 balance of the purchase price.

The truck is a 1948 model 2-ton, 2-speed Chevrolet, and has been used only as a demonstrator. It is completely equipped with Hardy high pressure fire fighting equipment, including a 700 gallon booster tank.

The old truck, a small 1929 model, has been repaired and repainted, and will be kept in service by the department.

Rex Patterson is chief of the fire department.

Mrs. C. W. Parmenter told of the early conditions in America and the changing patterns. Mrs. C. C. Hoge discussed "The Women in Industry," and Mrs. Myrtle White told of a nurse's viewpoint on physical culture and a woman's peace of mind.

Mrs. L. N. Bridges gave the devotional. Her chosen song was "Wonderful Words of Life." She outlined a poem, "Seed, Time, and Harvest," and read the benediction.

After a short business session, the group was dismissed in prayer.

Mr. and Mrs. W. H. Clonts are enjoying a vacation in Mexico City, where they went by plane from Dallas. They are expected to return home sometime during the week end.

ANITA GRAY HONORED ON TENTH BIRTHDAY

Which Way Is Correct and Safe?

With many conflicting doctrines and theories today, honest souls ask, "Which is the right way?" One declares one way, another some other way, until confusion is the result. Confusion is one of Satan's greatest weapons. This situation must be considered and answered with understandable language, for the earnest, honest soul to know the correct way and thus be safe.

FIRST, the Bible commands faith. "But without faith it is impossible to please him: for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him." (Heb. 11:36. There can be no salvation without faith in God. And faith comes by hearing His word. Rom. 10:17.

SECOND, the believer must repent. "And the times of this ignorance God winked at; but now commandeth all men everywhere to repent." (Acts 17:30). To repent is to turn from sin and wickedness. Godly sorrow leads one to repentance and repentance leads to a reformation of life. There can be no salvation without repentance (See Luke 13:3).

THIRD, faith must be confessed. Christ said, "Whosoever shall confess me before men, him will I confess also before my Father which is in heaven." (Matt. 10:32. In Acts 8:38, when Philip preached Jesus unto the eunuch, faith caused him to confess, "I believe that Jesus Christ is the Son of God." Some teach confession of sin instead of confession of Christ but for the alien sinner this is never commanded in the New Testament.

FOURTH, the believer must be baptized. Jesus said "He that believeth and is baptized shall be saved." (Mark 16:16). Paul was told in Acts 22:16, "And why tarryest thou, arise, and be baptized and wash away thy sins, calling on the name of the Lord." Also see 1 Pet. 3:20-21; Gal. 3:27; Rom. 6:1-4. There can be no salvation without baptism.

STREAMS in Desert Places
By OZELLE STEPHENS
"Thy way is in the sea, and thy path in the great waters." (Isa. 41:10). God's path is "in the sea"—just where you would not expect it to be. So when He leads us out by unexpected ways, off the strong solid land, out upon the changing sea, then we may expect to see His ways. We are with one who finds a path as He goes. That is better than having a path already tracked out, for it makes us perfectly independent of circumstances.

There is an infinite variety in the paths God makes, and He can make them anywhere. Think you not that He, who made the spider able to drop anywhere and to spin its own path as it goes, is not able to spin a path for you through every blank, or perplexity, or depression? God is never lost among our mysteries. He sees the end, "the end from the beginning."

Mystery and uncertainty are only to prepare us for deeper discipline. Had we no stormy sea we would remain weaklings to the end of our days. God takes us out into the deeps; but He knows the track. He knows the Heaven, and we shall arrive. "And with Jesus through the trackless deep move on."

O faithless, abyss of God's rich bounty, of His wisdom, of His knowledge, who can explore His decisions? Who can track His paths? "O the depths of the riches both of the wisdom and knowledge of God, how unsearchable are His judgments, and His ways past finding out." Rom. 11:33.
