MRS. THOMASSON AND MRS. BENEDICT WINNERS IN BRIDGE TOURNAMENT

Mrs. Leone Thomasson and Mrs. Carrie Belle Benedict were winners of high bridge score in the Bridge and 42 Tournament at the Woman's Club Saturday night.

Mr. and Mrs. Jack Bartell held high score in the 42 division.

The tournament was sponsored by the 1946 Study Club, with Mrs. Sam E. Cloits in charge.

Members of the club made sandwiches and candy, which were sold along with soda pop.

Turning out for the evening were ten couples for bridge and six couples for 42. Entrance fee was \$2 per couple, and the sponsoring club netted about \$40 from the affair.

Mrs. Alton Leach, president of the club, expressed her appreciation to the club members and players for making the tournament a success.

I'll Walk at Your Wedding

When tiny Adele Prindster, 3, of Skokie, Ill., got out of her iron lung and found that her physical therapist, Miss Shirley Ludwig, was to be married, she wanted very much to be her flower girl. "But you'll have to learn to walk again if you're going down the aisle with me," Miss Ludwig said. This prospect worked miracles for Adele and here she is at the wedding reception with Shirley, now Mrs. Neil Benford. March of Dimes scholarship trained therapist and aided in Adele's care.

Bobby Roth is forward and "clown" of the famed House of David basketball club, which will play a local all-star team at the Knox City gymnasium Friday night, February 6.

DR. COX URGES QUICK TREATMENT OF CANCER

AUSTIN. — Fear of cancer cannot help its victim and unreasonable fear should be replaced by intelligent action concerning this disease, is the opinion of Dr. Geo. W. Cox, State Health Officer.

The doctor said in a statement this week that cancer usually can be cured in its earlier stages. This has been demonstrated by the fact that many persons have been treated successfully by surgery, radium, or x-ray and are living now, many years after a definite diagnosis of early cancer was made. Many people postpone diagnosis when they suspect cancer either because they dread to hear the truth or because they believe that cure is impossible.

"In the treatment of cancer, time is the most important factor," Dr. Cox said. "To produce satisfactory results, treatment must begin early in the disease while it is still confined to a small area. Persons suspecting cancer should contact their physician as they notice an unusual lump, unusual bleeding, a persistent sore on the body, or any change in appearance of a mole. It is often disastrous for pain since this is a symptom that usually occurs until the growth has made considerable advance."

The value of early diagnosis cannot be stressed too highly according to Dr. Cox. It is one reason why periodic examinations are recommended, particularly those of middle age.

Mr. and Mrs. E. L. W. Carlsbad, N. M., spent the week-end with Mr. and Mrs. Brown and Curtis in

STREAMS in Desert Places
By Cassie Stephens

In searching the scriptures for something to give us assurance of God's greatness and mighty working power we turn to Jeremiah's prayer and hear him saying, "Oh Lord God! Behold, thou hast made the heavens and the earth by thy great power and stretched out arm, and there is nothing too hard for thee. Thou shewest loving kindness unto thousands, and recompensest the iniquity of the fathers unto the bosom of their children after them; the Great, the Mighty God, the Lord of hosts, is his name. Great in counsel, and mighty in work; for thine eyes are upon all the ways of the sons of men; to give everyone according to his ways and according to the fruit of his doings." (Jer. 32:17-19)

Then he goes on and tells the Lord how mindful he had been to them. If we would spend more time thinking of the mighty strength and counsel of our Loving Father and Saviour we would find it easier to get our prayers answered and have more victories in our lives.

Isiah said of the Lord, "He is wonderful in counsel and excellent in working." (Isa. 28:29) Surely His excellent workings will be seen in our lives if we accept His counsel.

BENJAMIN SOBOSIS CLUB MEETS JANUARY 22

The Benjamin Sobosis Club met Thursday, Jan. 22, and after the business meeting enjoyed an interesting and educational program.

Mrs. O. D. Propps was program leader and reminded the club of the many public welfare agencies in the United States and of the good they accomplish each year.

Others on the program were Mrs. Bill Palmeyer, who discussed "Indians in Texas"; Mrs. F. E. Davidson, whose subject was "The Criminal in the Kindergarten"; and Mrs. E. L. Kirk who sang "Indian Love Call," accompanied at the piano by Mrs. S. E. Reed.

Roll Call was "What Have You Done to Help a Child." Refreshments were served by Mrs. O. D. Propps and Mrs. J. W. Melton.

These folks — and folks in all kinds of jobs, from housewife to teacher, from farmer to doctor — are owners of electric light and power companies like the West Texas Utilities Company.

Three million of them are direct owners. They've put their savings to work directly in electric company securities. Moreover, the 86 million people who have life insurance, and the 65 million people with savings accounts, are direct owners, because banks and insurance companies make your money for you by investing much of it in the nation's electric companies.

This means that electric companies like yours, which are run for the people, are really owned by the people, too.

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with it? She gave it to a church to give a member of it. Her own husband's coal!

From where I sit, the generosity, but then, Mrs. never did believe in people into groups. She everybody—whatever they go to, whether they or radio, people who operate beer, people who really learn-hearted people.
