

Big Nights Lions Club Carnival Will Begin Monday

The 12th annual Lions Club Carnival will begin Monday, September 27, at the Ball Park at 7:00 p.m. The two-night run will feature the Central Club's Central Club Carnival. The carnival will again furnish refreshments for the carnival. Wink is the chairman for the carnival.

A concession stand with hot dogs, coffee, Cokes, and candy will be open and Lions Club members invite everyone to come on out and have supper with them.

Everyone is encouraged to attend the carnival and support the Lions in this fund-raising project which benefits the entire community.

Remember to make your plans to be there Monday and Tuesday nights.

Today At Plant Materials Center

Field Day Activities Begin At 8:30 A.M.

Area residents are reminded that today (Thursday) is the big day at the Knox City Plant Materials Center, with registration scheduled to begin this morning at 8:30 o'clock. Knox City FHA students will be assisting Chamber of Commerce secretary Doris Crowover with these duties and arrangements for box lunches should be made at the registration desk before 11:00 a.m., David Lorenz, local PMC manager said.

A number of officials arrived here Tuesday for a review of the bi-annual field day plans and tours for personnel were held Wednesday, in order that they could get acquainted with their assignments for the public field day today.

Knox City FFA Chapter members also will be on hand to park cars and sell coffee and soft drinks.

Everyone is invited and encouraged to go to the Plant Materials Center and see for yourselves the work that is being done there. It will be well worth your time.

The program is as follows:

FIELD DAY PROGRAM USDA - SCS Plant Materials Center September 23, 1976

8:30 a.m. Registration
8:30-11:00 Tours of Center*
11:00-12:00 Program-West Equipment Building

Introduction George C. Marks
State Conservationist, Texas

Plant Materials Activities in Oklahoma Roland Willis
State Conservationist, Oklahoma

Introduction of Special Guests George C. Marks

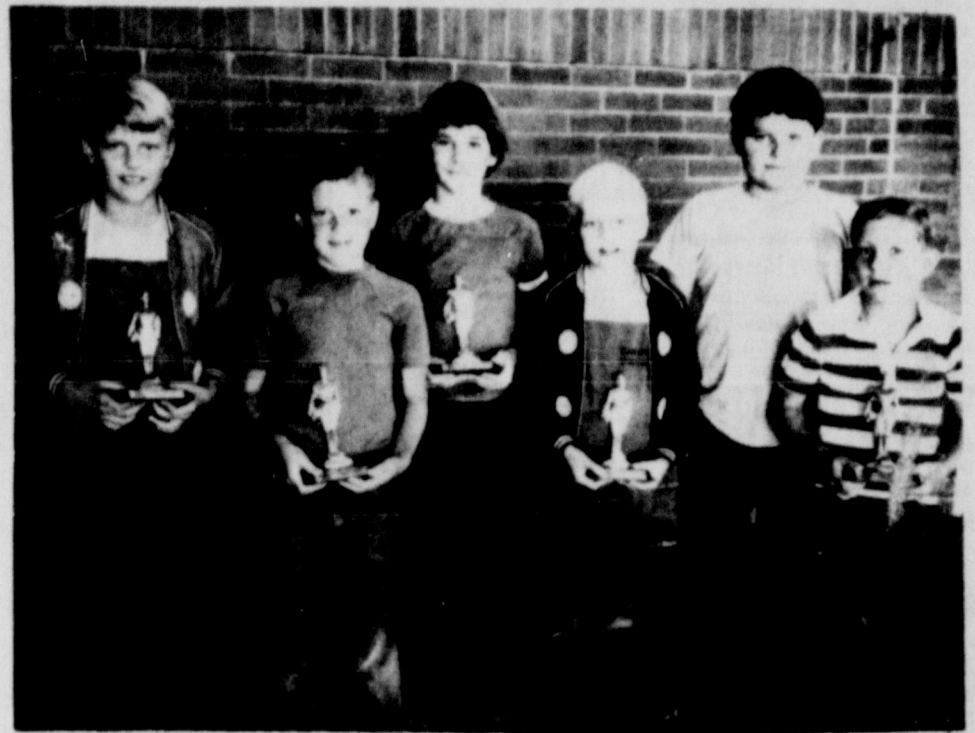

Introduction Guest Speaker Edward Thomas
Asst. Administrator, Washington, D.C.

Guest Speaker Leonard Solomon
Executive Director, Oklahoma Conservation Commission

12:00-1:00 p.m. Lunch**
1:00-3:00 p.m. Tours

* Tour Wagons will be leaving in front of registration booth approximately every 10 minutes until 9:45 a.m. and will resume at 1:00 p.m. Tours will take one hour and 15 minutes.

** Arrangement for box lunch should be made at registration desk before 11:00 a.m. and may be picked up at noon behind registration building.

PLACING IN SATURDAY'S PUNT, PASS, AND KICK Contest at Haskell were these Knox City-O'Brien students who are from left, Andy Correll, Terry Lowrey, Tyke Meinzer, Brian Correll, Todd Lewis, and Shane Lewis.

Punt, Pass, Kick Winners Named

Knox City - O'Brien students won their fair share of top honors last Saturday when the annual Punt, Pass, and Kick Contest was held at Haskell. The contest is sponsored each year by Bill Wilson Motor Company.

Winning first place again this year was Terry Lowrey, son of Coach and Mrs. Jerry Lowrey, who won in Haskell and Abilene last year in the eight-year-old division. This year he won first in the nine-year-old division with a distance of 175 feet and Terry will compete again Saturday in Abilene at 10 a.m. at Rose Park.

Winning second in the eight-year-old division was Brian Correll, son of Mr. and Mrs. Sonny Correll of O'Brien with a distance of 127 1/2 feet. His brother, Andy, won third in the nine-year-olds with a distance of 134 feet.

Tyke Meinzer, son of Mr. and Mrs. Doug Meinzer, won second in the 12-year-old group with 198 feet, while Todd Lewis, son of Mr. and Mrs. Sterling Lewis won third with 188 feet.

Todd's brother, Shane Lewis, also came in with a third place in the eight-year-old division with 125 1/2.

According to contest rules, only first place winners advance to regional competition.

Ambulance Situation Remains Unsettled

Efforts are continuing to keep an ambulance service for Knox City.

Mayor Kenneth Crowover said Tuesday that 17 persons had responded to the editorial in last week's News asking that residents express their opinions to City Hall.

Presently, the City of Knox, the County of Knox, and the Knox County Hospital District each pays one-third of the ambulance up-keep. According to Mrs. Faye Railback it is not the financial burden, but the responsibility of maintaining the ambulance service, that caused city officials to decline to continue the service.

In a news release from hospital administrator Glen Rumley that appears in connection with this story, he explains the position in which it would place the hospital district in if the hospital had to assume the service.

According to Mayor Crowover, city council members are to meet with hospital board members next week to see if a solution can be worked out.

At this time, we know of only a small handful of hospitals in the upper half of the entire state that actually operate or control ambulance services. All of these are backed by big, heavily taxed hospital districts or by nothing short of almost total monetary support from the counties in which they are located. Knox County Hospital District certainly does not fall into any of these categories.

The most important thing to be considered, however, is the fact that if the hospital must assume the responsibility at all, it must assume it for the entire county and not just a local area.

We are owned by the taxpayers and must either serve all or none in the medical field. We can't pick just one spot. And we would not be able to do that without a sure tax rate increase to help us out. That we have decided for sure.

We now call on responsible and compassionate persons from Without the medical community. We ask that others share with us. We've MORE than done our part.

Consider it. Tonight may be your night for a heart attack!

HOSPITAL'S POSITION

By GLEN RUMLEY
The ambulance issue has become or soon will become a heated issue in this community if it is not soon resolved.

With this in mind, the Board of Directors and Administrator of the Knox County Hospital District would like to explain their position and to comment on the situation.

It is the opinion of the Hospital District that the ambulance service should be operated by someone other than the District. We feel that the medical and emergency care of the citizens of this city and the City of Munday should be shared and that no one person, organization, city or the District should have and control the entire program.

We worked long and hard hours during the late spring and summer months to bring a physician back into our area and to reopen the hospital and we did so out of a sense of responsibility and compassion to the needs of the people of our area. And we think now that the least of our rewards should be to receive this same kind of support from those other than hospital people in regards to an ambulance service.

Cities Service Plant Gains New Employee

A recent addition to Cities Service Oil Company employees is Donald R. Graham who recently transferred to the Stonewall Plant from Mountain Home, Arkansas.

Graham, his wife, Leahy, and their daughters, Shawn, 8 and Jennifer, 4, are residing in Munday.

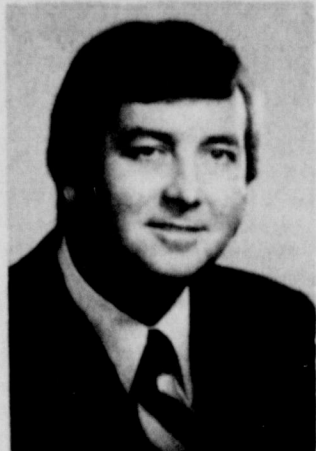

The new employee is originally from Lovington, New Mexico, and is testing gas in the area.

Benjamin Exes To Sponsor Dance Sat.

The Benjamin Ex-Students Association will sponsor a Record Dance Saturday night, September 25, under the stars in Benjamin.

The dance will begin at 8:00 p.m. and proceeds will go towards the building of the Social Center, according to a spokesman.

A concession stand will be open where Cokes and sandwiches will be served.

DAVID N. PERDUE

Ex-Resident Named To CAE Post

WASHINGTON, D.C., August 16 -- David N. Perdue, CAE, of Austin, has been designated as a Certified Association Executive by the American Society of Association Executives.

Perdue, director of governmental affairs, Independent Insurance Agents of Texas, was one of 72 association executives approved by ASAE's Certification Board and ratified by its board of directors at the society's annual convention in Atlanta this week.

Perdue qualified for CAE certification by completing a personal data form listing his professional experience and by successfully passing an examination covering such association management subjects as law, education, and statistics.

Objectives of ASAE's voluntary certification program are: raising professional standards, improving association management practices, identifying those with such knowledge, and encouraging continuing professional development programs.

ASAE is "the association of associations." Its over 6,000 members manage the nation's voluntary membership associations and societies. Their members, in turn, represent an estimated 22 million persons in fields as diverse as accounting and wholesaling.

David is the son of Mr. and Mrs. Neil Perdue of Knox City.

City Sales Tax Check Is Received

Bob Bullock, Comptroller of Public Accounts, has begun a procedure of rebating city sales taxes monthly rather than quarterly as done in the past. Bullock mailed checks Wednesday of last week totaling \$56.6 million to cities and towns collecting the one-cent tax as their September rebate.

Knox City was among those towns receiving its check with the net amount totaling \$5,395.58 for the period ending September 3.

Bullock said that an analysis shows that this procedure of rebating monthly instead of quarterly has turned out to be a real help to Texas city governments.

Since the monthly rebates began in April, 1975, the Comptroller's Office has turned back to the cities 19 percent of their allocation 60 days sooner and 41 percent 30 days sooner than they would have gotten it under a quarterly system, Bullock said.

"This means these cities can put their money to work faster, earning interest of providing services," the Comptroller said. "The city sales tax money belongs to the cities in the first place and never should have been held in Austin until the end of a quarter."

Other area towns receiving checks for the month of

See CHECK Pg. 3

Open This Week

Hounds Blank Wildcats, 12-0

The Knox City Greyhounds moved their pre-season record to 2-1 Friday night after defeating the visiting Archer City Wildcats by a score of 12-0.

The Hounds have an open date this week and will begin

Games Set Tonight

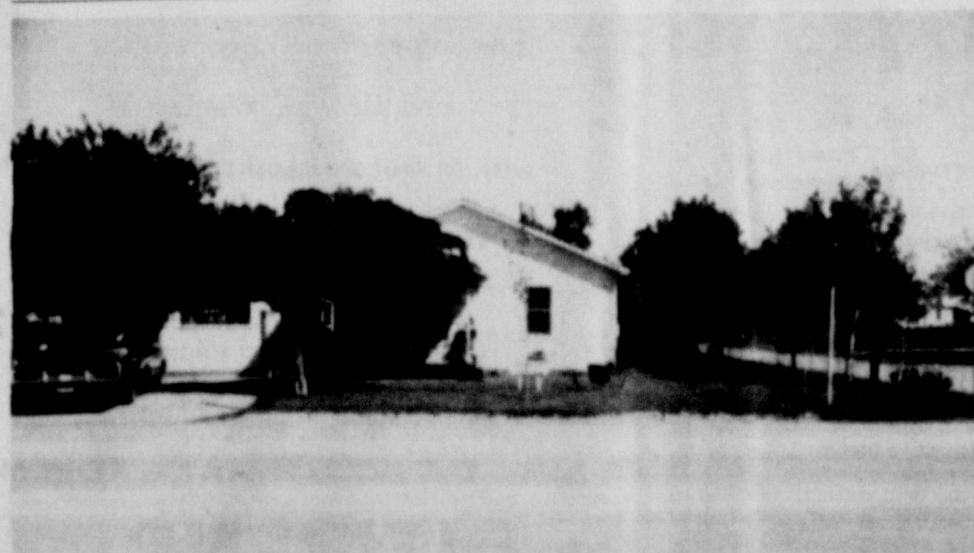

The eighth grade and junior varsity teams will travel to Hamlin Thursday night (tonight) to meet their respective teams. Eighth grade game time has been set for 6:00 p.m. followed by the junior varsity game at 7:30 p.m.

The freshman team will play Archer City there beginning at 5:00 p.m., according to school officials.

LL Suits Need To Be Returned

All Little League and All-Star baseball players are reminded to return their uniforms to Doug Meinzer.

Everyone is urged to attend to this matter promptly. The Meinzer address is 610 South Third.

YARD OF THE MONTH honors for September were awarded to Mr. and Mrs. Bob Ray who live at 810 East Main Street. Knox City Garden Club committee members based their selection on the beauty of the potted plants and the yard's neatness.

RHONDA SKILES
...new sweetheart

FFA Names Sweetheart

Rhonda Skiles, Knox City High School sophomore, has been chosen as FFA Sweetheart for the coming year by members of the Knox City chapter.

Rhonda, the 15-year-old daughter of Mr. and Mrs. Weldon Skiles, was elected to the honor during a club meeting September 13 and among her duties as sweetheart will be representing the FFA in the District FFA Sweetheart contest in December and also at the West Texas Fair Sweetheart contest in Abilene next September. She will present ribbons at the local livestock show, too.

A popular student at KCHS, Rhonda has been a majorette for the Greyhound Band the past two years, is band secretary, a member of Future Homemakers of America, Beta Club, high school choir, Houndette basketball team, and annual staff. She was also selected as class vice-president and class favorite both her freshman and sophomore years.

Rhonda is a member of the First Baptist Church.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

Legal Notice

SUPPLEMENTARY INSTRUCTIONS TO BIDDERS

Sealed proposals addressed to Judge Sam E. Clonts, County Judge of Knox County, Texas, for General Construction work (including Electrical) for remodeling of the Knox County Courthouse in Benjamin, Texas, will be received until 4:00 P.M., Tuesday, October 5, 1976. The place for opening of the bids shall be the Knox County Courthouse in Benjamin, Texas. Bids will be publicly opened and read aloud. Any bids received after closing time will be returned unopened.

The successful bidder will be required to enter into a contract with above named Owner, and furnish a performance bond and payment bond in an amount of not less than one hundred percent (100%) of the contract price, conditioned upon the performance of the Contract, and in accordance with Article 5160 of the Revised Statutes of Texas as amended.

A cashier's check, certified check, or bid bond, payable without recourse to Judge Sam E. Clonts of not less than five percent (5%) of the largest possible total bid must accompany each bid as a guarantee that if awarded the contract, the bidder will enter into a contract and execute a

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

bond acceptable to the Owner within five (5) days from the date of notification of the award of the Contract.

The Owner reserves the right to waive all formalities, to reject any or all bids, and in case of ambiguity or lack of clearness in stating price in the proposal, the Owner reserves the right to adopt the most advantageous construction thereof or to reject the proposals.

Plans and specifications may be obtained from the office of Tom Mills - Architect, 2506 - 48th Street, Lubbock, Texas. A deposit of \$25.00 will be required as guarantee of their safe return and will be refunded if the plans and specifications are returned to the Architect within ten days after the opening of the bids.

AVISO PUBLICO

RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL DEL 2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueve el limite constitucional de la tasa de interés en tales bonos.

La fraseologia de la enmienda propuesta tal como aparecerá en la

boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseologia de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

Ray Farabee Honored

AUSTIN -- Sen. Ray Farabee of Wichita Falls (Dist. 30) has been honored by the Texas Medical Association (TMA) "for his dedicated and unselfish service to the citizens of Texas."

Farabee was the Senate sponsor of S.B. 635, the Patients' Insurance Compensation Act. The TMA proposed this bill as a long range solution to the malpractice insurance crisis. The association's president said Texas would have made great progress toward resolving the current crisis if the bill had passed.

TMA President L. S. Thompson, Jr., M.D. made the plaque presentation in Austin Saturday (September 17) at a special TMA conference.

INSTANT VOTER REGISTRATION -- To register to vote in Texas, clip this registration form, fill it out and mail it to the tax assessor of Knox County at Benjamin. October 1 is the deadline for registering to vote in the November 2 Presidential election.

Cox Holds Worship Services In FW Jail

Chaplain Bob Cox, son of Mr. and Mrs. A.A. Cox of O'Brien, regularly leads worship services in Fort Worth, a normal happening for one of this occupation; however, the location of Chaplain Cox's ministry is a rather unusual place and one that many people wouldn't touch with an "eleven" foot pole--the Tarrant County jail.

A group of volunteers, about 26 each Sunday, conduct worship services for the 450 inmates of the jail.

The work is coordinated by Chaplain Cox, who is employed by the Tarrant Baptist Association. He said his job includes talking with inmates and the 80-member confinement staff, their families, and hospital visitations, in addition to offering Sunday worship services.

and welcomed by the inmates, but during their first visits they do not always receive a warm reception.

The training program for volunteers, said Cox, consists of observing the first time with no talking, some participation the second time, a little more participation the third time, and then the volunteers are on their own.

One woman was acutely aware of the inmates' situation during her first visit. She

said she was encouraged to attend by her husband who on his first visit had noticed the lack of women.

Although she initially was scared, she soon discovered that it was not as distasteful as she had imagined, she said.

Her audience consisted of only one who was genuinely interested. One, she continued was in and out and another completely ignored their presence.

One man said he was

afraid, but nothing happened. He said the second time three men cussed him for 45 minutes and when he asked about their families, it was like a curtain had opened and the harassment stopped.

He said the inmates become dependent on the volunteers' visits. One Sunday, he said, a volunteer couldn't attend and the inmates in the tank he regularly visited asked where their "preacher" was.

Some of those who leave jail maintain their contacts with the volunteers because they find freedom from bars does not guarantee freedom in society.

Cox has been with the association for the past six years.

KC Grad Enrolled In Galveston School

GALVESTON -- Fifteen new students recently enrolled in the baccalaureate Medical Technology Program at The University of Texas School of Allied Health Sciences at Galveston. Among these students is Mary Jo Campbell, a 1972 honor graduate of Knox City High School.

competent medical technologists. The 12-month medical technology curriculum will provide the students with didactic and clinical instruction as well as supervised learning experiences in various departments of the Clinical Laboratories and Blood Bank of the University of Texas Medical Branch.

Upon successful completion of academic and clinical requirements, the students will be awarded Bachelors of Science and Certificates of Proficiency in Medical Technology and will qualify to take the national certifying examination for their profession.

"There's only one of me," he said. "There is a need for volunteers."

To be accepted in the worship program at the jail, he said, volunteers have to be active members in a local congregation and they have to have a recommendation from their minister, rabbi, or priest.

Only two have ever been turned down, he said. One had a mail order degree.

Cox said disagreements over doctrine or methods are quickly silenced. "We try to keep it very simple--basic teaching of the Scriptures. Anything that is particular or controversial of a doctrine to one individual or faith we try to stay away from. Inmates are not concerned with that," he said.

Since the volunteers are regular visitors on Sunday, they are generally well-known

Mary Jo, the daughter of Mr. and Mrs. Bruce Campbell Jr., is studying in the field of medical technology. She previously attended the University of Texas at Austin and did research in the development of different media for cultivation of Bordetella Pertussis. The students will undergo professional studies to acquire the knowledges and skills necessary to practice as

Lions Club News

by Z.I. SMITH

Mr. and Mrs. Billy B. Bishop of Brownwood are the proud parents of a new baby boy. The young lad, named Beau James, made his arrival Monday, September 13, at 7:11 p.m. in the Brownwood Community Hospital. He weighed in at six pounds and three and one-fourth ounces and was 19 inches long.

Maternal grandmother is Mrs. LaVerne Thompson, and Mr. and Mrs. Bill C. Bishop are paternal grandparents.

Lion Wink Shifflett read the booth assignments for the annual Lions Carnival which will be held on September 27 and 28 this year. During discussion it was decided to drop the B.B. Gun Booth and use these same Lions to operate a "Car Smash" booth. Lion Bill Baker's car was offered for this use, but not by him. A thank-you letter was read from Lion B.B. Campbell Sr. expressing his thanks for the cake commemorating his 35th year Lion anniversary and the many acts of kindness within the club.

Cub Lion Don Whitley was presented his new member packet and pin by president McGaughey while attended by sponsor Z.I. Smith.

The program by Lion Bill coe of Stamford who is employed by West Texas Utilities Co. was a message of conserving energy.

Mr. and Mrs. Jewell Day are maternal great-grandparents and Mrs. Margaret Langford and Mr. and Mrs. H. J. Bishop are paternal great-grandparents.

IN DENTON HOME

Recent guests in the home of Mr. and Mrs. A.P. Denton were Stanley Pridgen, son of Mrs. Ruth Pridgen of Parkdale, Oregon, and Miss Lou Denton of Fort Worth.

SENIOR NEWS
By PAITI LAIN
and PAM STOCKTON

The Senior girls that are active in Basketball are Jewell Culberson, Sheryll Guinn, and Marylon Burt. They are also in volleyball.

We would like to congratulate Tamie Grindstaff for winning third runner-up in the West Texas Fair Sweetheart pageant.

Thursday will be another picture taking day. All individual pictures will be taken.

JUNIOR CLASS NEWS
By JUDY HERRING

The Junior Varsity Bullies took their first game last Thursday with a 33-0 defeat over Munday. Bobby Arnold played on the Junior Varsity for the Juniors and we are very proud of all of the Bullies. This week the JV's play at Hamlin. The Varsity Hounds also won over Archer City last Friday and made a good 12-0 score in our first home game. The Hounds have an open date Friday, before they start district play.

The Juniors had the honor of decorating the hall for the football game last week. They did a very good job.

FRESHMAN CLASS NEWS
By ROBERT ESPINOSA

I am more than sure you all know that the Freshman football team played Rotan last week, Thursday, and came back home defeated, 20-0. Our next football game is going to be at Archer City. I hope these guys aren't as big as the ones from Rotan.

The Freshman Class will be making preparations to decorate the halls of the high school building two weeks from now, and we are taking up 10 cents from every Freshman to buy the decorations.

By JIMMY ROGERS

The Greyhounds uped their season record to 2-1 with a strong defensive effort against the Archer City Wildcats. The Hounds held Archer City to three first downs and a total offense of 80 yards for the first game. For the first time, we were able to stop the end sweeps which had hurt us in our first two games. Hopefully, our defense will continue to improve as the season progresses.

Our biggest problem Friday night was our offense. We had six penetrations against Archer City but only scored two times. However, after looking at the film I don't believe it was a team fault as much as an individual fault. It seemed that each time we were about to score one or two individuals would miss their assignments in key areas of attack. When this happens then the play is lost.

We threw the ball 22 times Friday night which is a little too much possibly, but Archer City was showing an eight-man front and almost daring us to throw. With the breakdown of blocking inside we had to throw the ball. We still think we can run on people but our execution and blocking must improve.

This week our varsity is open, but our JV's, freshman and eighth grade play. Our junior varsity and eighth grade play Hamlin starting at 6:00 o'clock. Our Freshmen play Archer City at 5:00 o'clock.

The Greyhounds and coaching staff thank the Knox City fans for their faithful support at all our games. Believe me, it helps.

VISIT GRANDPARENTS

Dennis Hughes has returned to Dallas after visiting here several weeks with his grandparents, Mr. and Mrs. J.O. Buchanan.

He also visited in Midland with his other grandparents before returning to Dallas, where he is studying electronics at Devry Institute of Technology.

FFA GREENHAND NEWS
By JUNIOR FIGUEROA

The Greenhand officers officially opened the first meeting of the Knox City FFA Chapter last Monday, September 13. This was good practice for our study of parliamentary procedure.

Chapter officers were elected. Jerry McCowan was elected president; Junior Gonzales, vice-president; Brett Boone, secretary; Mike Howell, treasurer; Mark Clonts, reporter; and Raul Espinosa, sentinel.

Rhonda Skiles was chosen FFA Sweetheart.

We also decided that dues would remain at \$5.00 for the year.

The Greenhands experienced their first week at the ag farm. We just moved a few pig pens. There is still more fun to come after we get our pigs!!

EIGHTH GRADE NEWS
By Jo Dee Stout

Class officials were elected Monday for the eighth grade. They are Jay Rutherford, president; Jeffrey Quintana, vice-president; Kay Howell, secretary; Angie Bateman, treasurer; and Jo Dee Stout, reporter (that's me).

Tuesday, pictures were taken of the pep squad, band, cheerleaders, and twirlers. Also, the seventh and eighth grade class officials were taken. Thursday, there was a lot of spirit at the pep rally and the football game.

The cheerleaders wanted to be mentioned. They are Paula Averitt, Ginger White, and Kim Whitley. The twirlers are Mary Albus, Kay Howell, and Angie Bateman. They all ask that residents of Knox City and O'Brien come to the pep rallies and games to support your junior high team.

SEVENTH GRADE NEWS
By KERRIE JOHNSTON

The seventh grade class elected class officers. They are: president, Missy Whitley; vice-president, David Flores; secretary, Rance Hacker; treasurer, Daniel Godsey; and reporter, Kerrie Johnston.

The seventh grade played Munday, last Thursday, September 16. It was our first game. It was a tie 0-0. The cheerleaders this year are Kristi White, Chayo Garcia, Missy Whitley, Rhonda Redwine and Toni Hewitt. The sponsor is Faye Reed.

IN HENRIETTA

Mr. and Mrs. G.H. Hudson of Benjamin attended the Clay County Rodeo and Pioneer celebration last weekend in Henrietta. Their son, Danny Hudson, is manager of the Kirk Edwards Ranch there.

FROM BOERNE

Mrs. Ossie Mae Herring of Boerne returned home Tuesday after visiting here several days with her aunt, Mrs. Carrie Belle Benedict.

Students Hear Fire Prevention Speaker

Anything will burn and nothing is fireproof. This fact was brought out by Ben Bullard, Assistant Safety Director for the Texas Farm Bureau, Waco, in a graphic animated fire prevention demonstration held September 20 at Knox City High School.

The three things needed to start a fire -- air, fuel and heat -- brightly illuminated as Bullard plugged in the parts

of his fire triangle board, causing the flashing "FIRE" sign. He defined fire control as he removed, (one at a time) the three parts.

As part of a discussion on fire control and the classes of fire (A-B-C-D), Bullard demonstrated taking away air by smothering the flame of a candle; smothering the flame of a kitchen fire (pot of burning grease - class B) and taking away the air or oxygen of another class B fire - a burning gasoline rag.

With each sequence of animated and actual fire hazard of the various classes both inside and outside the house and around the farm, Bullard gave applicable prevention and control suggestions. For fire control, Bullard pointed out that many fires in the home, vehicles, equipment and other buildings can be extinguished while in the incipient stage; provided you have a U/L extinguisher of the correct size and type. "Recharge each portable extinguisher after each use", he added.

This educational fire program was brought to the school under the sponsorship of the Knox County Farm Bureau.

Football Results
By KELLY ROBINSON

Last Thursday night was a very active night for the KC-O'Brien football teams. The Junior High Bulldogs and the J.V. Bullies played host to the Munday Braves and Mogsuls respectively. The Freshman team of the Hounds traveled to Rotan to play against the Yellowhammers.

The first game at KC was the seventh grade game, in which the two teams battled to a 0-0 tie. This was the first actual contest for the seventh graders and according to Coach Rogers and Coach Reed, they played fairly good offense and very strong defense. As the season progresses, look for these younger players to become more experienced and perform much better.

The eighth grade Bulldogs felt victory for the third consecutive time when they defeated the Braves by a score of 32-6. The Bulldogs combined a tenacious defense and an explosive offense to make the game a success. The first few times the Dogs had the ball resulted in a score and just about put the game on ice very early. It is an interesting fact that this group of eighth graders has not lost a game in the last two years and they are currently 3-0 for the season.

Thursday marked the first game for the JV Bullies and they responded with a solid 33-0 victory over Munday. The Bullies have been working long and hard in workouts and it is apparent that it has paid off. You can look for this team to win its share of the games as the season progresses.

The Rotan Yellowhammer JV's proved to be a little bit too much for the Freshmen Thursday night and defeated the Fish by a score of 20-0. The Rotan team was very big physically and just out-manned the younger Freshmen. The Fish, however, did look good at many phases of the game and they will improve as the season goes on. All these teams will be active this week and they would be happy to have a lot of fans come and watch them play.

Thursday night, September 9, the O'Brien Jr. High Bulldogs traveled to Goree where they soundly defeated the Wildcats by a margin of 32-6. The Bulldogs used a combination of solid defense and an extreme offense to win their second straight victory and give them a 2-0 record for the season.

Scoring for the Bulldogs was done by several of the players. The eighth grade squad started the game early by scoring the first two times they had the ball. After that the seventh grade squad played solidly to preserve the victory for the undefeated Bulldogs.

SCHOOL LUNCHROOM MENUS

BREAKFAST MENUS:
September 27-October 1, 1976
Monday: Grape Juice, Peanut Butter Whip, Buttered Toast, Milk
Tuesday: Orange juice, Scrambled Eggs, Buttered Toast, Milk

Wednesday: Pinto Beans and Pork, French Fries, Spinach, Jello with Fruit, Hot Mexican Cornbread and Butter, Milk
Thursday: Hamburger Pizza, Combination Salad, Whole Kernel Corn, Kickapoo Krunch Cookies, Milk
Friday: Oven Fried Chicken, Whipped Potatoes, Gravy, Broccoli, Hot Rolls and Butter, Peanut Butter Cake, Milk

Notes From Nancy
BY NANCY FUHRKEN
Assistant County Extension Agent

HOME DEMONSTRATION CLUBS MEET WOMEN'S NEEDS

Home demonstration clubs have the largest membership of any other women's club in the world.

What do these women have in common that interest young and old, rural and urban, and highly educated to average educational level women all over the world?

Over 29,000 women belong to the Texas Home Demonstration Clubs and EHE Study Groups. They are interested in their home, their family, their community and their country -- also in self-growth. Each home demonstration club meeting offers its members an opportunity to receive an educational program that is planned around the family, home, community or county need request.

Education is an important part of the organization, but there are many other opportunities offered besides education and the immeasurable social aspect. It is also hard to measure self-growth. Leadership growth and self-confidence often happen without realizing when or where it was happening.

Because of the desire to satisfy the needs and interests of all members, home demonstration clubs and family living committees in each county sponsor many varied programs, where all women have an opportunity to enjoy and improve themselves.

Home Demonstration Clubs and EHE Study Groups have open membership. Anyone interested in joining an active club or organizing a new club or eight to ten persons should contact the county Extension agent who will see that individual interests are met.

The state organization of home demonstration clubs, the Texas Home Demonstration Association, is celebrating its 50th anniversary this year. Special activities have been planned to recognize 50-year members and past presidents of the organization during the annual state convention to be held at College Station from September 21-23.

Among those to be honored will be Knox County's own Mrs. R.M. Almanrode of Munday, a 50-year member of THDA and a past president. Other 50-year members who will not be attending the state meeting are Mrs. L.A. Parker of Benjamin and Mrs. W.T. Cook of Gilliland.

Knox County Home Demonstration Club members congratulate these women for

4-H FOODS LEADERS TO BE TRAINED

It seems as though we're always moving up dates, and it may be true in some cases. The 4-H Foods and Nutrition project is now caught in this shuffle.

In order to allow more time for projects in the spring the 4-H Food Show, the end result of the project work, has to be held before January 8. To do this, the project must begin now.

Thursday, September 23 at 4:00 p.m. is the date and time that foods project leaders will be trained. Since the county will possibly be without an agent for the next couple of months, leaders must attend this meeting to obtain all the necessary materials and information.

The meeting on Thursday will be at the Vegetable Research Station at Munday. Anyone who is interested in having a foods group and cannot attend should call Nancy Fuhrken at 454-2651 before this date.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socio-economic levels, race, color, sex, religion or national origin.

COOKBOOK ORDER ADDRESS CHANGED

The resignation of Nancy Fuhrken, County Extension Agent, has necessitated a change of address for anyone wishing to order a Knox County Home Demonstration Club Cookbook.

All orders should be sent to Mrs. Kenneth Carroll, Star Route, Truscott, Texas 79260. she will then mail the cookbooks to you.

Cookbook sales have gone well, and there are still approximately 80 books on hand. The books can also be obtained from local members of the Home Demonstration Clubs throughout the county. These will make excellent Christmas gifts, but you'd better get yours now. These last few will go fast.

IN LAWSON HOME

Former residents Mr. and Mrs. George Houston of Glasgow, Kansas, were houseguests of Mr. and Mrs. Otto Lawson from Thursday until Sunday afternoon of last week. They left here for Stamford and San Antonio where they will visit other friends before returning home.

Also visiting in the Lawson home Monday of this week were her brother and his wife, Mr. and Mrs. Roy Jones of Cloudercroft, N.M.

Scott - Gilliland News

BY TRACY SHAW

Mr. and Mrs. A.R. Cumley of Dallas were here this week working on their future home.

Rev. and Mrs. Claude Harris of Eastland stayed Monday night with Mr. and Mrs. Curtis Casey of Truscott. Lee and Gwynn Looney of Lubbock visited Mr. and Mrs. N.L. Looney last weekend. Mr. and Mrs. Looney visited friends in Corpus Christi and George West this week.

Visiting Mr. and Mrs. Elmo Shaw and family this weekend was Tommy Shaw of Euless.

Mr. and Mrs. Emil Navratil visited last weekend with Mr. and Mrs. Terry Hamilton and Mr. and Mrs. David Navratil, all of Fort Worth. Mr. Navratil attended the Dallas Cowboy football game.

An icecream supper was held Saturday night in the Gilliland Community Center.

Mrs. Elmer Welch visited last week with Mr. and Mrs. Wilford M. Welch and family of Wichita Falls.

Mrs. Jack Whitaker attended the Elliot Reunion in Seymour. Visiting Mrs. Whitaker Saturday was Mrs. Bernice McDaniel of Crowley.

Something to Think About: "Rejoice Always Pray constantly, give thanks in all circumstances." (1 Thessalonians 5: 16-18)

KC Garden Club Begins 26th Year

A noon luncheon in the community Center last Thursday marked the beginning of the 26th year for the Knox City Garden Club.

Club president Mrs. Ernie Wilson gave the welcome and suggested that the year's theme, "Together and Can" should help to make this a successful year for the Garden Club.

Mrs. L.W. Graham gave the invocation.

The salad table was centered with a beautiful arrangement of mixed garden

flowers and dining tables were centered with white vases holding red flowers. Favors of decorated spoons and miniature baskets of bronze and yellow flowers were presented to those in attendance.

The roll call, "Appropriate Quotation from the Garden", was answered by Mmes. Joe Averitt, L.E. Bishop, Otis Cash, M.L. Cowan, Arthur Crowner, H. W. Finley, L. E. Groves, L.W. Graham, W.C. Hertel, C.C. Hoge, H.F. Jungman, Ulric Lea, J.C. McGee, C.E. Reed, Guy Robinson, H.E. Wall, Ernie Wilson, new members and guests.

Mrs. McGee introduced Mrs. Ann Ellis, a new club member and guests Mrs. Faye Lunday of Knox City and Mrs. Mary Hoge McMurray of Ohio.

Mrs. C.C. Hoge resigned as club reporter and Mrs. Guy Robinson was elected to fulfill her duties.

Program chairman Mrs. H.W. Finley presented the 1976-77 yearbooks and introduced Mrs. Otis Cash, who brought a very interesting and inspiring program on "Poetry of Flowers". Mrs. Cash read several favorite selections from different poets including "Tiny Little Violets" written by the late Rev. J.W. English, former Baptist pastor and father of Mrs. H.W. Finley.

Many songs about flowers were enjoyed by all members including "I Believe" as there is no separation from God and flowers. Mrs. Cash closed her program by reading the poem, "Trees". The September yard of the month, selected by Mrs. Ernie Wilson and Mrs. Guy Robinson, was awarded to Mr. and Mrs. Bob Ray, who reside at 810 Main Street.

Woman's League Elects New Officers

Eleven members of the Woman's Action League met Wednesday, September 15, at the City Cafe for luncheon and the election of officers.

New officers chosen for the coming year were Jan Quintanilla, president; Ginger Johnston, secretary - treasurer; Fay Graham, reporter; and Jan Watson, telephone chairman.

Charlene Brothers and Sue Arnold were welcomed as new members.

Plans for a Halloween activity were discussed with details to be announced at a later date.

Retiring officers are Peggy Guinn, president and Faye Railsback, secretary - treasurer.

Resident Honored At KC Study Club Has Merkel Homecoming Friendship Luncheon

As was mentioned in last week's News, Mrs. E.Q. Warren was in Merkel the weekend of September 11-12 to attend Homecoming. What we did not know until later was the fact that she was the oldest grad present and received much recognition as well as a big, front page story in The Merkel Mail last Thursday, along with a picture.

The article began, "There were parades, bonfires, pep rallies, Homecoming Queens, Mr. X and Coming Home Queens."

"There was food, good times in discovering old friends and a football victory."

"Then, there was Mrs. Evelyn Williams Warren."

Mrs. Warren is one of two living graduates of the Class of 1901, and according to the story, she has been present for every Homecoming Merkel has had.

The article played up the fact that Mrs. Warren drove her own car to Merkel and lives by herself in Knox City. Active in most all civic and community affairs, she taught music for many years until she "quit for good this year."

Mrs. Warren's education began at the age of four when her father, the late H.C. Williams, started her in school. He was a teacher and former postmaster in Merkel. She graduated at 14 and was then sent to Missouri to begin her formal education.

Mrs. Warren fondly claims Missouri as part of her 'home' and says she is indeed fortunate to be from both Missouri and Texas.

Her first teaching job was in Merkel before she moved to Knox City in 1921 with her late husband, Ellis Merkel.

Mrs. Warren, who was recently placed among the World's Who's Who of Music, related in her Merkel interview that she keeps plenty busy driving to and from Abilene on business and is interested in 'lots of activities including church, community affairs, club and sorority work.'

She was one of 12 graduating in 1901, and the other living member of the class, a twin girl, lived in El Paso. However, Mrs. Warren could not recall her name.

Mrs. Warren remained over Saturday to visit many of her friends at the Methodist Church before returning to Knox City. Her parents helped found several functions of the church work in Merkel.

She remarked that there were many senior citizens present for the Homecoming, more than ever before.

The article concluded by saying, "And here's to you, Mrs. Eva. Hope to see you roaring up in your Chevelle again next Homecoming representing the Class of '01 and reminding us all of how young we really are."

The Knox City Study Club met Thursday last week at the Community Center for a Friendship Luncheon. Mrs. L.E. Groves, president, welcomed members and guests. After lunch a short business meeting was held.

Mrs. Lewis Kay introduced Mrs. Charles Boyd of Anson, president of the Mesquite District, who gave a unique talk on federation.

Hostesses for the luncheon were Mmes. Kay, Otis Cash, and Groves.

The next meeting of the Study Club will be October 21, and the program will be about law enforcement and how to prevent crimes. Sergeant Harold Emerson of the

Abilene Police Department will be present to discuss the subject.

Mr. Emerson, a native of O'Brien, has been with the Abilene department for a number of years. He is a capable speaker and well informed on the matter of crime prevention.

All interested persons are invited to attend this meeting so mark the date on your calendar.

Ready For That Rain?

By DANNY R. BELL
Soil Conservation Technician

Although we have had a few drops of rain over the past few weeks, this area of Texas is very dry. During this time of the year we give little thought to water erosion, terrace construction, or terrace maintenance. All we want is that good rain. What should happen to your land right now if we got that big rain?

Building terraces can help

Mr. and Mrs. Norman Tolleson of Tulia announce the birth of a baby boy, Alvin Robert, born September 17, at 5:00 a.m. in Swisher County Hospital in Tulia. He weighed six pounds, 13 ounces, and measured 20 inches in length.

A sister, Amber, and a brother, Jack, welcomed the new baby home.

Grandparents include Mrs. Wynelle Roberts of Tulia and great-grandmothers, Mrs. Ozelle Stephens and Mrs. Annie Roberts, both of Knox City.

Great-great-grandmother is Mrs. J.W. Tankersley, also of Knox City.

control erosion, at least for a while. But how terraces do their job depends on how they are farmed.

Unfortunately, too many farmers plow across their terraces or fail to maintain them properly. Gradually, the terraces lose their capacity to intercept runoff water. Then when heavy rain strikes, many terraces are broken. The Soil Conservation Service has published a booklet entitled, "Farming Terraced Land", which describes ways to farm terraced land. The booklet covers maintenance of terraces, and how to maintain the capacity needed to handle the Big Rain. The illustrations in the booklet will show you a step - by - step method for plowing terraced land with a minimum number of trips through the field.

Free copies of this booklet and many more or available for the asking at the SCS office in Knox City.

IN HEWITT HOME

Mr. and Mrs. Gary Hewitt and Kasey, who recently moved to Lubbock, visited over the weekend in the home of his parents, Mr. and Mrs. James Hewitt.

Also visiting in the Hewitt home was their daughter-in-law and grandson, Mrs. David Hewitt and Clay, also of Lubbock.

FROM SWEETWATER

Pam Skiles, student at Texas State Technical Institute in Sweetwater, visited over the weekend in the home of her parents, Mr. and Mrs. Willard Skiles and Bruce.

When Happenings

CHARLENE BROTHERS

Some good news and some bad news. The boys placed Pass and Kick and two others in the accident. The boys were en- gaged in a race. Pass, and Kick, and two other boys were first, second and third. This is the first year by Bill Company, the Haskell Con- vention.

We have been having a lot of activity here in O'Brien after the hail last week. It seems that about 80-90 per- cent of the roofs on the buildings were damaged from the storm. They are working on the gin office roof now, and the noise is very bad at times. They did not get finished last weekend and we had some leaks from the rain during the weekend. Nothing very serious. It seems that the rain is not covering a very big area, mostly around O'Brien, I guess we have been too mean over here lately. It will help the wheat farmers, but probably has done some damage to the cotton and maize.

Letter To The Editor

September 20, 1976

Mrs. Billye B. Angle
Publisher
Knox County News
P.O. Box 7
Knox City, Texas 79529

Dear Mrs. Angle:

I was pleased to read in the Knox County News that you were the recipient of two awards from the Vocational Agriculture Teachers Association of Texas Awards and from the district chapter of the Future Farmers of America.

May I commend you on the good work you have done in keeping the public informed through the newspaper media.

If I can ever be of service to you, please give me a call.

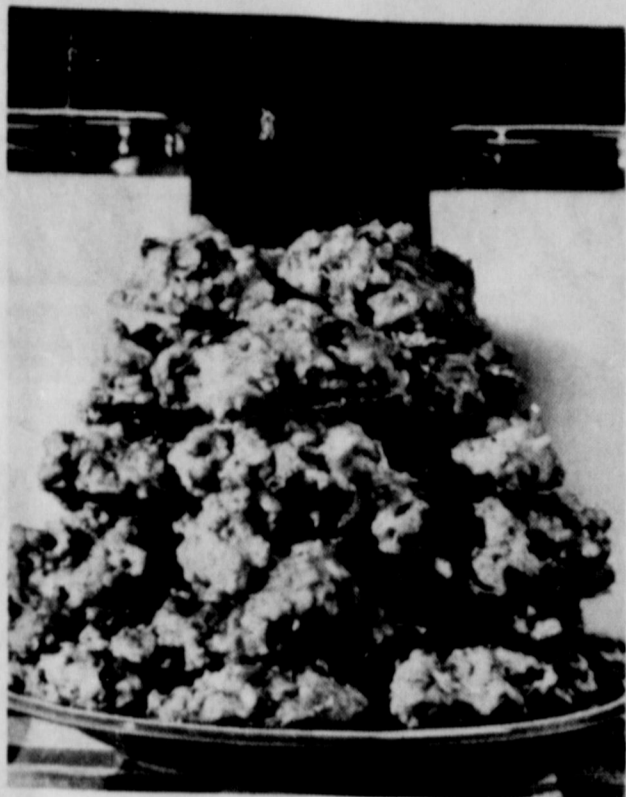

Sincerely yours,

Ray Farabee

ATTEND WEDDING

Mrs. Craig Carver and Carolyn Orr were in Rotan last weekend to attend the wedding of Celia Adams and Bob Greenlee.

Celia is Susan's sister and she and Carolyn were room- mates at Hardin Simmons University last year.

KEEP THE COOKIE JAR FULL-Help keep your cookie jar full with Carrot Oatmeal Cookies, suggests the Texas Department of Agriculture home economist. These are drop cookies-they're easy to bake and easy to eat. And they contain shredded carrots and pecans for extra nutritional punch.

Texas Department of Agriculture - John C. White, Commissioner

TEXAS CARROT COOKIES

- 1/8 tsp. baking soda
- 1/2 cup honey
- 1/2 cup butter
- 1 egg, slightly beaten
- 1 cup sifted flour
- 1 tsp. baking powder
- 1/8 tsp. salt
- 1 cup quick-cooking oatmeal
- 1/2 cup chopped pecans
- 2/3 cup grated raw carrot
- 1 tsp. vanilla
- 1 tsp. cinnamon
- 1/4 tsp. nutmeg

Combine soda and honey; set aside. Cream butter. Add egg. Add honey and soda; mix well. Sift dry ingredients into creamed mixture. Fold oatmeal, pecans and grated carrots into batter. Add vanilla, cinnamon and nutmeg. Drop by teaspoons onto greased cookie sheet. Bake at 250 degrees (not 350 degrees) for 12 minutes or until golden brown. Yield: 50 cookies.

For additional carrot recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

IN SWEETWATER

Mr. and Mrs. James Hewitt were in Sweetwater Sunday afternoon visiting with their daughter, Melinda, who is a student at Texas State Technical Institute.

Arabian Horses Win Lubbock Show Honors

A new area resident, Mrs. Marti Tackitt, who is in the process of moving to the Sunset community from California along with her husband, Merle, and sons, Neal and Brett, won several honors last weekend at the 1st Annual Charity Show of the Plains Arabian Horse Association in Lubbock. Honors received included

Grand Champion purebred gelding, Grand Champion 1/2 Arabian mare, Reserve Champion 1/2 Arabian Park horse, two first, two seconds, and one third place. This qualified Miss Silva to advance to the Arabian Nationals later this year.

Entered in the show were Kubaishan of Pico, a purebred Arabian eight-year-old gelding and Miss Silva, a double registered 3/4 Arabian Pinto mare, also eight years old. Both of these horses have won championships in their divisions many times, Mrs. Tackitt said.

A detailed story of the Tackitts and their Arabian horses will appear in next week's News.

Two Injured In August Accidents

The Texas Highway Patrol investigated five accidents on rural highways in Knox County during the month of August, 1976, according to Sergeant Frank Jircik, Highway Patrol supervisor of this area.

Three crashes resulted in no persons killed and two persons injured.

The rural traffic accident summary for this county during the first eight months of 1976 shows a total of 35 accidents resulting in one person killed and 22 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August 1976, shows a total of 566 accidents resulting in 16 persons killed and 319 injured, as compared to August 1975, with 596 accidents resulting in 16 persons killed and 292 persons injured. This was 30 less accidents, the same number killed, and 27 more injured in 1976 at the same period of time.

The 16 traffic deaths for the month of August, 1976, occurred in the following counties: three each in Parker and Hansford; two each in Donley and Motley; one each in Deaf Smith, Foard, Lubbock, Lynn, Montague, and Palo Pinto.

FROM SEYMOUR

Mr. and Mrs. T.J. Mitchell of Seymour visited with their niece, Mrs. Charles Reese, over the weekend.

TSTA Leaders Attend Workshop

Over 200 TSTA local leaders provided input into the Texas State Teachers Association programs for 1976-77, as well as received ideas, information, and instructions to help them fill their professional association

roles during the coming year at the fall district workshop held in the Iowa Park High School in Iowa Park.

Presiding at one of the sectionals was Melbadean Foster, District IX Resolutions Chairperson. Other participating were Harold Harry from Windthorst and Jimmy Moore from Montague County.

The workshop was an extension of the TSTA Leaders Conference held recently in Austin, as well as a preliminary meeting for the District Convention to be held in Vernon on October 28 and 29.

RETURNS HOME

Mrs. Robert McMurray has returned to her home in London, Ohio after visiting her parents, Mr. and Mrs. C.C. Hoge.

Mr. and Mrs. Hoge and Mrs. McMurray also visited their daughter and sister, Mrs. Dan Steakley, and her family in Temple for a few days last week.

Fun For All Ages

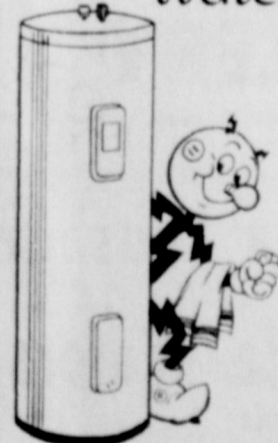

Remember
Really Supplies
the energy—but only YOU
can use it wisely!

Helpful Tips
For your Dishwasher

- * A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash one dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- * Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- * Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

Water Heater Tips

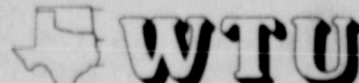

- * To assure long life and efficiency, the water heater tank should have a small amount of water drained periodically. Once a month should be adequate. The purpose of draining water from the tank is to prevent sediment build-up in the tank bottom.
- * A water heater that's old, or too small for your family needs, can be wasteful, because it's working too hard and using too much energy to keep up with your hot water demands.
