

Knox Officers to Participate In Storm Warning System

Sheriff Homer T. Melton, Deputy H. C. Stone, City Marshal Alvin Roberts of Knox City and City Marshal Lee Bivins of Munday were in Abilene Monday to attend an orientation and instruction meeting of the newly organized West Texas Weather Warning and Observation Service.

About 50 representatives from 17 communities in the area attended the meeting.

The warning service is a joint effort of the Civil Defense Administration, Texas Department of Public Safety and the U. S. Weather Bureau. The training meeting was called in advance of the peak of the tornado season, which is normally in May. Sheriff Melton said that information from the Weather Bureau indicates that Texas is expected to have more tornadoes this year than in 1955.

In explaining how the warning

system will work, Melton said the principal filter center for this area will be in Kansas City. When tornado conditions exist the Kansas City center will notify weather stations in the area affected. The Knox City area will be covered by the Abilene and Wichita Falls stations. The stations in those cities will attempt to pinpoint the storm cloud, and notify local and county officers in the area threatened.

Local and county officers will then go out and observe the cloud and identify its type. The radar, he said, will show a cloud but cannot identify its type except in the case of a heavy hail cloud. The officers were shown pictures and given descriptions of the various types of clouds.

The Weather Bureau will also be in contact with oil companies, utilities companies and others who have mobile radio equipment.

When an officer or other observer has observed the cloud and checked its type, probable path, speed, etc., he will report to the local filter center, who will in turn contact the Abilene or Wichita Falls station. A local filter center is any community which has a two-way radio system. In Knox County these are Knox City, Munday and Benjamin.

The Sheriff also plans to set up a system of rural observers—people who have telephones—to help in the service.

How each community will warn its citizens of tornado danger is left up to the community itself.

Sheriff Melton said it is hoped the system will stop the false alarms that are prevalent during the tornado season, and give the threatened area sufficient warning in the event of real danger. He particularly deplored parents going after their children from school when storm conditions exist. "School men have been advised what to do," he said, "and the children are safer there than if they were caught enroute home, or possibly even if they had reached home."

"This system is new and it may be some time before it is perfected," the sheriff said, "but officers in Knox County will do their best to make the service a success."

Cline Paden to Speak Wednesday at Church of Christ

Cline Paden

The annual lectureship program of the Knox City Church of Christ has been completed, with the submission of a topic for Wednesday night of next week. The lectures are to start at 7:00 p. m. Sunday, March 4, and continue at 7:30 each night through Saturday, March 10.

The topic submitted for Wednesday is "The Persecuted Church," and is to contain Cline Paden's discussion of the work of the Church of Christ in Italy. Mr. Paden recently returned from Rome after spending almost seven years preaching there.

In 1949, Paden and six other evangelists began working in Italy. Thirty churches and one orphanage have now been established there. Many of the congregations now have native preachers. The Knox City church supports one of these, Fausto Salvoni, in Milano, Italy.

The first two speakers on the schedule are Jerome Savage of Rochester and Gilbert Copeland of Wichita Falls. Savage will speak Sunday evening on "What Is in Thy Hand?" Monday night, Copeland will discuss "The Old Foundation."

Bob Wilkerson of Lawton, Oklahoma will speak Tuesday night on "The Christian as a Citizen."

After Paden's Wednesday night lecture, preachers who are known to many in the community will present the last three lectures. Wilburn Dennis of Hamilton will outline "The Blessings of Being a Child of God" on Thursday night. Roy Deaver, preacher at the Handley Church of Christ, Ft. Worth, will speak on "Requisites for Growth" on Friday night, and on Saturday night, March 10, Charles E. Hill of Irving will deliver the final sermon: "Membership and Church Discipline."

All of the last three men have lived near Knox City and have preached here previously. Mr. Paden will remain in town for a Thursday morning meeting of preachers from area towns, and will lunch with them at The Woman's Club at noon.

Overseers of the Knox City Church of Christ, S. D. Jones and C. A. Richardson, Sr., have extended an invitation to the public to attend each service. There will be no special collections for any purpose. Congregational singing will be directed by Mitchell S. Greer, local minister, except on Sunday night. An advertisement elsewhere in the Herald gives the complete schedule, with pictures of the speakers and brief paragraphs by most of them concerning their subjects.

Knox County Gives \$3,472.46 in 1956 March of Dimes

Knox County contributed a total of \$3,472.46 to the 1956 March of Dimes campaign held during January. Mrs. L. A. Parker, campaign chairman, announced this week.

A luncheon for MOD workers in the county was held last week at the American Legion Hall in Munday. At the business meeting which followed the luncheon, the following officers for the Knox County Chapter of the National Foundation for Infantile Paralysis were re-elected:

County Campaign Director, Mrs. Parker; Mrs. John Peysen, chairman; J. C. Harpham, vice-chairman; Mrs. R. M. Almanrode, secretary; Paul Pendleton, treasurer; and Claud E. Reed, executive member. Mr. Reed is from Knox City, the other officers from Munday.

Mrs. Parker was unable to give a breakdown of the contributions by communities. Knox City's total was \$1,215.85.

Present for the luncheon were Mrs. Delmer Haskin and Mrs. Billie Hutcheson of Goree; Mrs. C. J. Albus and Mrs. W. L. Jungman of Rhineland; Mrs. M. G. Duncan and Mrs. W. T. Cook of Gilliland; Mrs. Harold Beck of Vera; Mrs. Parker; Mrs. Almanrode, Mrs. Peysen, Pendleton and Harpham, all of Munday.

Knox City's campaign chairman, Mrs. Neil Perdue, was ill and unable to attend the meeting.

Local Man's Father Dies at Rochester

Funeral services for R. L. Anderson, 84, of Rochester, were held at the Rochester Church of Christ Sunday, Feb. 26 at 3 p. m. Officiating was H. L. Matheny of Austin, formerly of Rochester, assisted by Jerome Savage, minister of the Rochester church.

Mr. Anderson died at 4:30 p. m. Saturday at his home following a heart attack. He had been in ill health for about three years.

Robert Lee Anderson was born April 11, 1871 at Arkadelphia, Ark. He married Della Coe in Franklin County, Texas on Nov. 22, 1888. She preceded him in death in 1951. He had been a resident of Haskell County since 1919.

Survivors are three sons, E. J. Anderson of Knox City, C. M. Anderson and H. L. Anderson, both of Lamesa; two daughters, Mrs. C. C. Abernathy and Mrs. John Walton, both of Rochester; ten grandchildren, 13 great-grandchildren and one great-great-grandchild.

Burial was in the Rochester cemetery under the direction of Mansell-Smith Funeral Home.

TICKETS ON SALE SATURDAY FOR NAT FLEMING SHOW

Tickets to the Nat Fleming Show, sponsored by the 1946 Study Club, will be on sale downtown Saturday, Mrs. Neil Perdue, finance chairman, said this week.

Fleming, radio and television entertainer from Wichita Falls, will appear at the school auditorium next Tuesday night, March 6, beginning at 8 o'clock. Tickets are 30 cents and 60 cents.

Mr. and Mrs. Milton Gene Bradberry were in Dallas Wednesday where Milton Gene received a medical examination.

O'Brien School Election Carries

Voters in the O'Brien School district approved Saturday—by a vote of 16 to 1—levying of a tax and assuming bonded indebtedness on territory recently annexed to the district by county board action.

Approximately 700 acres of farm land was transferred to the Carney (O'Brien) district in December. The territory, a part of the Bettis Estate holdings, formerly was in the Weinert district. Annexation was authorized in response to a petition of school patrons and property owners in the area.

Voters agreed to assume a share of the bonded indebtedness of the Weinert district proportionate to the area transferred to the Carney district, and to authorize the levy of school taxes of the district in the annexed territory.

Laughs Galore in Store At Lions 'Minstrelrama'

A stern warning was issued this week to residents of the Knox City area and surrounding communities by G. W. Coats, president of the Knox City Lions Club.

"If it hurts you to laugh," Coats said, "do not attend the Minstrelrama at the school auditorium Friday night! As a non-profit organization, the Lions Club cannot be responsible for split sides, upset tickle-boxes or busted ribs."

Coats' warning was issued after rehearsals indicated that the black-face minstrel being sponsored by the club will be the most hilarious show presented on a local stage in a number of years, or perhaps ever. Mrs. Bobby Bradberry is directing the production, and the cast of 50 includes dignified members of the Lions Club as well as others in the community.

The show will get under way at 7:30 tomorrow (Friday) night with music by the Dixieland Hotshots—nine-piece orchestra composed of local youths, directed by E. H. Tankersley, Jr. The minstrel proper will begin at 7:45.

Otis Harbert will be interlocutor for the show, which will include the usual—and some unusual—minstrel jokes and fun.

In addition, there will be singing and other acts by outstanding local entertainers.

There will also be a wedding—but the identity of the bride and groom is being kept secret until the night of the show.

An extra, added attraction—announced by the director Wednesday, will be the appearance of Bridey Murphy. Mrs. Bradberry revealed that Tom R. Campbell will be the hypnotist.

Tickets for the affair are being sold by members of the Lions Club, and at Knox City drug stores. They may also be purchased at the door Friday night, but everyone who attends is advised to be there early to get a good seat.

Proceeds from the show will be used by the club in its various civic enterprises.

Program Complete for Observance Of Public Schools Week March 5-10

Knox City's observance of Public Schools Week, March 5-10, will begin next Wednesday when a school group will present the program at the regular noon luncheon of the Lions Club.

Early next week a letter inviting parents to visit the school on "visitation day" will go out by school students to their parents, Supt. Chas. E. Silk said. Parents will be extended a special invitation to visit the school sometime

Thursday, March 8, which has been designated visitation day.

At 1:00 p. m. Thursday, both sections of the seventh grade will present a student assembly program.

An all-school program Thursday night will climax the activities. Over 90 percent of all students in school will participate in the evening program, the superintendent said.

The Knox City High School

Band, under the direction of W. J. Morris, will give a thirty-minute prelude before the program begins at 7:30. Supt. Silk will give the introduction and the remainder of the program scheduled is as follows:

"The Basket House," by the first grade; Knox City Junior Band; "Awakening of Spring," second grade; Junior Band; "The Ugly Duckling," third grade; Junior Band; "Susan Blue," "The Bell Ringer" and "Miss Jenny-O-Jones," fourth grade; interlude, Junior Band; "History of Public Schools in Texas," Jimmy Seal Dutton.

"History of Knox City Schools," Glenda Givens; "Life in Knox City Schools," Barbara Egenbacher; "The Future of Our School System," Supt. Silk; "Stodola Pumpa," "Czech Walking Song," "In the Plaza" and "The Sleigh Ride," fifth grade.

"Orchestra Song," "Trail to Mexico" and "Song of the Open Air," sixth grade; "This is Our Land," seventh grade; "The Farmer Comes to Town," "Song of the Volga Boatman," "Dungaree Doll" and "Memories," eighth grade; "Down in the Valley," "School Days," "Sentimental Journey," "He" and "Dear Hearts and Gentle People," high school chorus.

Bumpas to Tour County for Sale of 1956 License Tags

M. A. Bumpas, Jr., Knox County tax assessor-collector, will be in Knox City next Wednesday, March 7, with 1956 automobile registration tags, he announced today.

Each year Bumpas visits each community in the county for the convenience of those who find it inconvenient to make a trip to Benjamin to purchase their tags.

His schedule over the county next week is as follows:

Monday morning, March 5, Truscott; Monday afternoon, March 5, Gilliland; Tuesday morning, March 6, Vera; Tuesday afternoon, Rhineland; Wednesday, March 7, Knox City; Thursday, March 8, Goree; and Friday, March 9, Munday.

To purchase new license tags car owners will need 1955 registration receipts and certificates of title, Bumpas said.

Local Woman's Mother Dies Saturday

Funeral services for Mrs. Lydia Margaret Miller of Hamlin, mother of Mrs. Annie Belle Roberts of Knox City, were held Sunday, Feb. 26, at the Church of Christ in Hamlin. Officiating were O. B. Proctor and E. D. Brown, Church of Christ ministers. Burial was in Fairview Cemetery.

Mrs. Miller, 76, died Saturday in Callan Hospital in Rotan. She had been a resident of the Hamlin area since 1909. Born Aug. 25, 1879, in Coryell County, she was married to J. B. Miller at Albany in 1896.

Survivors besides Mrs. Roberts are three sons, Jess Miller, A. G. Miller and L. V. Miller, all of Hamlin; another daughter, Mrs. Evelyn Johnson of Oil Center, N. M.; three brothers, John and Gene Holden of Hamlin and Doug Holden of Seymour; one sister, Mrs. Fannie Laney of Seymour; 21 grandchildren and 25 great-grandchildren.

Pallbearers were Weldon Leek, Jimmy Blackwell, Eldon Leek, B. J. Parson, Buford Winters and Bryant Connors.

Attending the funeral from Knox City were Mr. and Mrs. Alvin Roberts and children, Mr. and Mrs. Eldon Leek and Tommy, Mr. and Mrs. Weldon Leek and Johnny Paul, J. W. Roberts, Pvt. V. R. Roberts, and Mr. and Mrs. O. W. Caussey.

Leading the Knox City School Band during performances next season will be Glenda Givens, daughter of Mr. and Mrs. Charles Givens. She was named drum major at the band banquet Thursday night.

G. G., as she is called by school mates and friends, has been a majorette since she was in the sixth grade, and has won many twirling honors during that time. She plays the cornet and kettle drums in the school band.

Glenda, a sophomore, plays the piano and sings, and is a favorite entertainer at clubs and conventions in this area. Last year she conducted a twirling class for 25 elementary school girls.

Funeral Services Held at Munday For W. R. Mitchell

Funeral services were held at the Church of Christ in Munday at 4 p. m. Wednesday for W. R. (Bill) Mitchell, well-known Knox County grain buyer who was found shot to death Monday night. Justice of the Peace John Rice returned a verdict of death by self-inflicted gunshot wound.

Officiating at the funeral services was Payne Hattox, Munday minister. Interment was in Johnson Memorial Cemetery.

Mr. Mitchell is survived by his wife; three children, Billy Mitchell of Munday, Mrs. Clara Sue Bumpas of Benjamin and Mrs. Patsy Shannon of Manhattan, Kan.; his mother, Mrs. E. A. Mitchell of San Angelo; two sisters, Mrs. Ben Williams of California and Mrs. Felix Proband of San Angelo; two brothers, J. W. Mitchell of Abilene and M. R. Mitchell of San Antonio; and eight grandchildren.

GARDEN CLUB TO MEET

A called meeting of the Knox City Garden Club will be held at the home of Mrs. L. W. Graham, club president, tomorrow (Friday) at 3 p. m.

Mrs. Graham said important business will be discussed, and all members are urged to attend.

Former Resident Marries at Hamlin

Patriaia Ann Fleckenstein and Lewis LaBaume of Snyder were married Friday, Feb. 24 at 9 p.m. at the Nazarene Church in Hamlin.

Parents of the bride are Mr. and Mrs. Joe Fleckenstein of Hamlin, formerly of Knox City. The bridegroom's parents are Mr. and Mrs. C. E. LaBaume of Hamlin.

The Rev. Don Wellman, pastor of the church, performed the double ring ceremony before an altar decorated with baskets of white gladioli and greenery.

Elizabeth Norton played piano wedding music and accompanied Mrs. Don Wellman as she sang "I Love You Truly" and "Because."

Given in marriage by her father, the bride wore a white embroidered organdy dress over taffeta. Her full waltz-length skirt was topped with a fitted bodice hat was finished with a sweetheart neckline and puffed sleeves.

Her hat was scattered with seed pearls and rhinestones and she carried white carnations atop a white Bible.

Maid of honor was Barbara Dunham. She wore a blue embroidered organdy dress and carried a white nosegay.

The reception was staged in the home of the bridegroom's parents. For a wedding trip to Galveston the bride wore a white knit suit with pink accessories and her bridal corsage.

She attended Knox City High School and graduated from the Hamlin High School. The bridegroom is a graduate of Hamlin High School and both are employed by Southwestern Bell Telephone Co. They will live in Snyder.

Ben Elliott of Colorado City was a guest of his sister, Mrs. T. E. Robbins, and Mr. Robbins last Sunday.

Mr. and Mrs. Junior Reeves returned Saturday from Yuma, Ariz., where they visited her parents, Mr. and Mrs. D. A. Vannoy.

Farm and Ranch Notes

By W. J. BRYAN
County Agent

It is about the time of year that many farm-families will start brooding chicks for flock replacements and for fryers, and of course plans must be made first for the house and equipment.

All equipment should be set up and checked at least three or four days before the chicks arrive. If you have old type brooders they should be checked for two or three days to see that they will maintain the proper temperature. If you do not have a brooder you may want to consider the infrared lamp method of brooding chicks.

Infrared brooders are light in weight, easy to set up, move and store; and you can see the chicks without lifting a cover.

Ready-made infrared brooders are available, with a large range

'Hoppers Expected To Be Bad in 1956

County Agent W. J. Bryan said this week that according to surveys made by entomologists of the U. S. Department of Agriculture, grasshopper infestations are expected to be heavier this spring than it has been in quite some time.

"Indications are," Bryan said, "that grasshoppers are likely to present a serious threat to nearly nine million acres of crop and rangeland in Texas during 1956. The worst threat centers in the

Panhandle and rolling plains areas."

Grasshoppers can be controlled better, he said, if they are sprayed when very small, before they move off of the hatching beds.

"I would advise all farmers and ranchers to watch for the hatch to start this spring, and then spray before the hoppers have a chance to spread over the fields," the county agent said. "Watch along roadsides, field margins, idle land, pastures, etc. Good control can be effected by using 1 1/2 pounds of toxaphene of one pound of chlordane per acre, if started in time."

Local Teachers to Attend Dist. Meeting

Knox City Schools will be dismissed at 1 p. m. Friday, March 9 so local teachers can attend the fifteenth annual convention of District 7 teachers, which will be held in Sweetwater March 9 and 10, Supt. Chas. E. Silk said Wednesday.

The superintendent said that indications are that at least 90 per cent of the teachers in the local schools will attend.

"Education for Freedom" is the theme of the convention. Educators of national prominence such as Dr. William Van Til, director of teaching and curriculum at Peabody College, Mrs. Billie Davis, "The Hobo Kid," and Dr. Glenn O. Blough, professor of education at the University of Maryland, will speak at the three general sessions, according to R. M. Hix, district president.

Speakers for luncheons and sectional meetings will fill more specialized assignments and in most cases come from Texas college and university halls.

Boyce House, director of public relations for the Southwestern Exposition and Fat Stock Show, Ft. Worth, will speak at the vocational agriculture luncheon.

Panel discussions, book reviews, and demonstrations of school materials will be offered at other sectional meetings.

Mrs. Dalton Hill, president of Sweetwater Classroom Teachers, has planned an evening of entertainment, relaxation and fun following the Friday evening general session.

O'BRIEN FHA GIRLS TO ATTEND AREA MEETING

Thirteen girls from the O'Brien chapter of Future Homemakers of America will attend the annual area meeting which will be held in Stephenville Friday and Saturday, March 2 and 3.

They will be accompanied by Mrs. R. L. Foote, chapter adviser, and Mrs. M. S. Denton, chapter mother.

Thelma Cox will attend the meeting of the House of Delegates as O'Brien's voting delegate. Other girls who plan to attend the area meeting are Joyce Denton, Mary Lee Bryant, Shariyn Day, Kay Ford, Laquita Johnston, Patricia LaDuke, Sue Lewis, Evonne Manning, Mary Lu Underwood, Eva Brooks, Kay Davis and Katrine Alford.

F. H. A. Girls to Attend Area Meeting

The annual area F.H.A. meeting will be held in Stephenville March 2 and 3, with thirty girls from the local chapter attending.

The girls will leave Friday morning by school bus. They will spend the night at the Hall Hotel.

The first meeting will be the House of Delegates Friday night when new officers of the area will be elected and changes in the constitution will be considered. Donna Worley is voting delegate from the Knox City chapter.

Saturday morning there will be a planned program in the main auditorium at John Tarleton College. Saturday afternoon an installation ceremony will be held for the new officers. The meeting will adjourn at 3:30.

Mrs. Chas. E. Silk, adviser of the local chapter, and Mr. Silk will accompany the girls.

DIRT DOBBERS MEET

Regular meeting of the Dirt Dobbers Club was held Tuesday night at the L-B Ceramic Shop with Mrs. Erwin Egenbacher, president, in charge of the business session.

Plans were made for open house to be held at the ceramic shop on Saturday, March 24, from 4 to 6 p. m. Students and ex-students will show ceramics they have made. Members voted to use no accessories in the displays.

Committees will be named at the next meeting, which will be on March 13 at the home of Mrs. Ford Waldrip in O'Brien. Mrs. A. S. Logan will be co-hostess.

After the business meeting, Mrs. Hazel Long gave a demonstration on one-stroke underglaze painting.

Refreshments of coffee, tea and cake were served to Mrs. Long, Dick Blalock, Egenbacher, Jack Coats and Guy Robinson, and Misses Ethel Lemon, Carol Finley and Willie Jones.

Mr. and Mrs. L. Knight, Jr., and daughter, June, of Oklahoma, will spend the week end here with their parents, Mr. and Mrs. Pete Knight.

Mr. and Mrs. Lewis Floyd, Mrs. Doug Meiner and girls, and Mrs. Glenn Morrow of Munday visited relatives and friends in San Antonio last week.

Miss Christine Lindsey has returned from Post where she visited relatives, and is back at her job at the Knox City Clinic.

SCHOOL LUNCHROOM MENU

Menu at the Knox City School Lunchroom for the week beginning March 5 will be as follows:

Monday: Potatoes au gratin, green beans, carrot sticks, fruit salad, bread, milk, peanut butter cookies.

Tuesday: Hamburger patties, lettuce and tomatoes, pork and

beans, potato chips, fruit jello, buns, pickles, milk.

Wednesday: Baked ham, potato salad, creamed English peas, cherry cobbler, rolls, milk.

Thursday: Beef and vegetable stew, cheese slices, cabbage, green pepper and onion salad, apple delight, crackers, milk.

Friday: Pinto beans with ham,

French fries, tossed green salad, pineapple chiffon squares, cornbread, milk.

J. H. McGee was dismissed from the Haskell Hospital Wednesday and is now recuperating at home. Mr. McGee underwent surgery there two weeks ago. He was reported "doing fine" Wednesday.

Mr. and Mrs. Wayne West moved today to Seymour, where he will be employed by Lone Star Gas Co. He had been employed by the company here for the past several months.

Recent guests of Mr. and Mrs. Geo. T. Hardberger were Mr. and Mrs. Ernest Harber of Abilene.

Mrs. L. V. Dodd, Mrs. Keck, Bobbie Lou and Betty McHam and Sam were in Wichita Falls. Bobbie Lou underwent surgery for a throat ailment.

Mrs. Jeff Graham was Tuesday to attend a Bible School Institute.

Sunday Night—

"WHAT IS IN THY HAND?"

In Exodus 4:2, God asked: "What is that in thy hand?" Moses replied, "A rod," and then used that rod with God's help to accomplish mighty works. What was in the hand of David, Samson, and others? What is in our hands today? How do we use it? (7:00 p.m.)

Monday Night—

Gilbert Copeland

"THE OLD FOUNDATION"

Every institution, human or divine, has its peculiar foundation upon which it stands. The old foundation established in Zion (Isaiah 28:16) is that upon which the Lord's church must stand today, and which no other institution can share. What is this foundation? (7:30 p.m.)

Tuesday Night—

Bob Wilkerson
Lawton, Okla.

"THE CHRISTIAN AS A CITIZEN"

Since we live "in the world but not of the world" and God's kingdom is not "of the world," it is difficult to view in proper perspective our duty to government and fellow-citizens. We will go to the "law and testimony" to find our duty in this great relationship.

Wednesday Night—

Recently of Rome, Italy

"THE PERSECUTED CHURCH"

No man could better speak of persecutions against the church than this man, who preached the gospel in Italy for seven years. When compelled to leave, he was told: "You have become the symbol of the persecuted religious minorities in Italy... we must remove you."

Thursday Night—

W. P. Dennis
Hamilton, Texas

"THE BLESSINGS OF BEING A CHILD OF GOD"

"... God sent forth his Son... that we might receive the adoption of sons" (Galatians 4:4,5). Christians are adopted children in God's family, with privileges that far surpass those of a physical family. Do you know what these blessings are?

Saturday Night—

Charles E. Hill
Irving, Texas

"MEMBERSHIP AND CHURCH DISCIPLINE"

Membership in the Lord's church is a great honor, but with obligations involved, too. By God's command, discipline must be maintained in the church. Membership in the Lord's church and proper discipline are necessary to the salvation of souls.

Friday Night—

Roy Deaver

"REQUISITES FOR GROWTH"

The Lord's church has the sublime obligation to grow constantly. In order to comply with this obligation, many things are necessary. What are the necessities for growth? Answering this question will be the burden of the lesson Friday evening.

Washington Letter

By Congressman Frank Icard

Debate has started in the Senate on the legislation that will outline the agricultural program for next year. The House Committee on Agriculture has this week been holding hearings. Within the next few weeks the matter will be considered by the House. There has been much said about the agricultural surpluses that we have on hand. It seems to me that there is one thing about them that has not been generally understood, and that is that to some degree our sizeable surpluses have been caused by the fact that our State Department in the exercise of our foreign policy effectively prevented the movement of a large portion of these surpluses into the world market, and also over a period of several years, they have created in foreign countries active competition for our agricultural products. Since this is the case, it seems unfair that so much should be said about charging our surpluses up to the American farmer rather than a great share of it being charged to the State Department and our foreign aid policy as it should be. We should further understand that we have been and are stockpiling many other strategic materials in the event we should be involved in a war. If a war should occur, and everyone hopes, of course, that it will not, a large portion of our agricultural surpluses would be used immediately in the war effort and would certainly stand us in good stead.

this responsibility and through the years have done a remarkable job of providing a high quality of free education. If the States and local authorities are to be relieved of this responsibility by the Federal government, it would obviously be just one more step toward the centralization of everything here in Washington, and it would leave much less of the governmental function to be controlled at the local level. It seems to me that the States and the local authorities can do a much more efficient and worthwhile job of administering our schools than can the Department of Health, Education and Welfare.

Mr. and Mrs. Charley Dowling and Mrs. Frank McAuley, Sr., spent the week end in Ireland, Texas visiting the ladies' parents, Mr. and Mrs. Eugene Faubion.

YOU DON'T GET ON EVERY IRRIGATION PUMP INSTALLATION!

We're proud of the job that Peerless does before installing a new Peerless Pump in an irrigation well. First, we secure all the information about a new well—its depth, the amount of water available, the size of the casing installed, and send this information to Peerless engineers. From these facts, Peerless engineers will suggest a pump that FITS YOUR WELL.

There is no guesswork. You know that when it is a Peerless it is not only the best pump money can buy, but it is also engineered for your well. It is THE PUMP that will give you the lowest cost operation, the longest service, the easiest pulling, of any pump that could be installed.

And that's not all. We install the pump here at home and completely guarantee the installation. We are ready, day or night, to back up that guarantee.

Munday Farmers to Grow Cantaloupes

Cotton is still king in Knox County, but farmers in the Munday area—many of whom have been planting potatoes as a cash crop—are planning further diversification by planting cantaloupes.

An association known as the Cantaloupe Growers and Producers of the Munday Area was formed recently, and plans for processing and marketing melons were made.

Attending the organizational meeting were J. E. Coyer, Elmore Kelsay and Ivan Green, all of Yuma, Ariz. All are experienced in the production and marketing of cantaloupes.

Don Combs and J. E. Reeves, Jr., indicated that they would build the necessary packing sheds and assist with the marketing.

Coyer said a survey of the Munday area indicated that farmers could expect to produce from 100 to 125 crates to the acre and that they could expect to receive about \$2.75 for the melons. At harvest time, he said, experienced crews would be brought in to harvest and pack the melons. Green, an experienced field man, would be available to help with growing problems.

Coyer said that from 1.5 to 2 pounds of seed to the acre would produce 2,200 to 2,500 plants, which would give the desired coverage.

Kelsay discussed the types of cantaloupe that might be grown and outlined some of the problems that producers might encounter. He said he believed the area would produce high quality melons.

Combs and Reeves expected to sign up around 40 farmers who would agree to plant the 600 acres.

STREAMS in Desert Places

By Ozelle Stephens

In thinking on the Lord Jesus let us think on His Glory.

The glory of Christ will be manifested at His coming. "For the son of man shall come in the glory of his father with his angels; and then he shall reward every man according to his works." (Matt. 16:27).

His glory will be shared by all believers. "And Jesus said unto them, verily I say unto you, that ye which have followed me in the regeneration when the son of man shall sit in the throne of his glory. Ye also shall sit upon twelve thrones, judging the twelve tribes of Israel." (Matt. 19:28).

His glory was possessed before the foundation of the world, for He said in his prayer in John 17:5, "And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was."

Seek Him with all your heart that you might share His glory throughout eternity for, "Worthy is the Lamb that was slain, and wisdom, and strength, and honour, and glory and blessings." (Rev. 5:12).

From where I sit ... by Joe Marsh

Do-It-Whose-Self?

Monk McCarthy's almost as good at publicity stunts as he is at servicing and repairing cars—which is pretty darned good.

His latest gimmick is a hand-bill titled: "Do-It-Yourselfers! Why Not Grease Your Own Car?"

Then he follows with two paragraphs about all the greases you'll need—the full set of wrenches, spray gun, grease gun, four jacks—the ability to work flat on your back with a face full of goo. And at the very end there's this line: "Or, if that's too much trouble, we'll do the job for 75¢."

From where I sit, I'll have to admit Monk's schemes attract attention. They often seem far-fetched to me, but he and I always had different opinions on how to run a business—just as we have different opinions about what's the best beverage. He likes hot tea—I prefer a glass of beer—which doesn't keep us from having a "smooth-running" friendship.

MISS EUDORA HAWKINS SPEAKS AT BENJAMIN CLUB
The Benjamin Sorosis Club met Friday, Feb. 16, for a program on Safety.
Principal speaker was Miss Eudora Hawkins of Abilene, who showed a film and spoke on Driver Education.
Refreshments were served to twelve members and three guests.

Mrs. Alma Clarke Feted on Birthday

Mrs. Alma Clarke of Roswell, N. M., was honored with a birthday dinner on Saturday, Feb. 25. Hosts were her son and his wife, Mr. and Mrs. Bill Clarke.
Although she is 76 years of age, Mrs. Clarke has had only 19 birthdays, since she was born on Feb. 29, 1880. The celebration was held early so members of her family could attend.
Present for the celebration were all her immediate family except two children and two grandchildren.
Week end guests in the Clarke home were E. M. Clarke of Ruidoso, N. M.; Mr. and Mrs. E. M. Clarke, Jr., and Bronny of White Sands, N. M.; Amond Clarke of San Francisco, Calif.; Cecil Wayne Clarke of Portales, N. M.; Mr. and Mrs. J. E. Clarke, Jr., Mr. and Mrs. M. S. Clarke and Marjelaire and Miss Jane Clarke of Roswell, N. M.
Other dinner guests Saturday were Mr. and Mrs. Charles Clarke and Lynn and Mr. and Mrs. G. A. Branton, of Knox City. Guests who called during the afternoon were Mr. and Mrs. Grady Phillips of Munday, Mr. and Mrs. Joe Clarke of Rochester, and Mrs. Matt Verhalen and daughters of Knox City.

JUNIOR CLASS HAS PARTY

Members of the Junior Class of Knox City High School enjoyed a class party at the home of Joann Wilson Tuesday night.
Students met at the school and went to the Wilson home in cars. After several games were played, refreshments of sandwiches, potato chips, pickles and soda were served.
All but four members of the

class attended, and an enjoyable time was had by all.
Mr. and Mrs. Clark in Throckmorton tomorrow to be with M. Raper, who was at Throckmorton hospital.
C. Bohannon of acted business in Wednesday.
