

KNOX COUNTY H-D COUNCIL MEETS AT BENJAMIN

The Knox County Home Demonstration Council met in regular session November 23, in the assembly room of the court house at Benjamin. The vice-chairman, Mrs. A. L. Cook, presided at the meeting. Group singing was led by Mrs. Richard Winstead with Mrs. J. R. Brown

at the piano.

Club reports were given by Benjamin, Gilliland, Munday and Truscott. Sunset club delegates were absent.

Miss Henson, county home demonstration agent, gave a report on the county 4-H work. She reported that each club with the exception of Vera now has an adult leader. There are 257 4-H members in Knox County and we should support them wholeheartedly, Miss Henson said.

The County-Wide Council Christmas Party was planned for December 7 at 7:30 p. m., in the assembly room of the court house. Mrs. O. R. Miller, Mrs. R. M. Almanrode and Mrs. Lee Snailum were appointed to the recreation committee.

Miss Henson gave a very in-

teresting report on the National Agents Meeting in Ft. Worth last month.

power was and what it meant to have it in one's life said to "Study and shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." Learn from God's word how to rest assured that all is well in the Lord, that you might have perfect rest and peace which only Christ Jesus can give.

You can find the help you need from your Bible by reading regularly, carefully and unhurriedly. Read expectantly, with anticipation. Seek a personal message. Let God through the Bible speak directly to you. Be willing to receive and practice, your inner response to God's message is vital. When He condemns, bow penitently. When He offers light, place your hope in it, when He guides, follow, when He com-

mands, obey. When you truly turn your eyes and fix your heart on Jesus, the devil's devices are turned back upon himself. Repentance and confession merge into praise and prayer which makes the enemy to flee. There is a close knitting together of your soul with your God. You will have a fervent desire to love your fellowman that all becomes as one in answer to our Saviour's prayer that, "All may be one, as Thou Father art in me, and I in thee." Trusting in God's word maketh man united in an eternal love. His word blesses the heart, feeds the soul, gives peace and courage, that will cause you to inherit the earth. Read the 37th chapter of Psalms. Here you will find, he that wait upon the Lord, shall inherit the earth. Blessings from God will be on you as you read daily.

Not Too Soon For Christmas---

We've got a gift package this season that will fit in ANYWHERE in the Continental United States—and it's not too soon to think about this gift, if you want to send one or more this Christmas.

For five dollars, we ship anywhere in the United States (postage paid, fully insured) a generous-sized package of our specialty—MESQUITE WOOD SMOKED ham, bacon or fresh country sausage in natural casings. The ham and bacon can be sent in a combination package, if you wish. These packages are attractively gift-wrapped, and we write a Christmas letter, telling the lucky fellow on the other end that it is coming. It is a splendid gift in the five dollar range—come in and ask us about it. By the way, our COW COUNTRY brand of food products (ham, bacon and sausage) smoked with our native mesquite wood, is making Knox City known all over the state and a good part of the nation.

Plenty of beef, fresh pork or cured, fresh country sausage, turkeys and the like. And remember—WHOLESALE prices pay.

From where I sit... by Joe Marsh
"Fair and Square"

We've just had a political campaign with everything from a torchlight parade to a neck-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was fizzling out in the damp when Slim showed up to say that Robinson people could meet in his theatre—for nothing. "I want to beat Rusty," Slim said,

"but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!
