

M. L. Turner, 85, Dies Tuesday

M. L. Turner, 85, of O'Brien died Tuesday in the Haskell County Hospital.

Mr. Turner fell and broke his hip three weeks ago as he stepped on the curb in front of White Auto Store in Knox City. He was carried to a Dallas hospital for treatment, and was returned to the Haskell hospital last Thursday.

Funeral services were to be held in O'Brien at 3 p. m. today

(Thursday) with Rev. C. A. Powell of Crowell officiating.

Mr. Turner was born April 6, 1871 in Kaufman County.

Survivors include eight sons, Luther of Brawley, Calif., Silas of Newport, Ore., Audrey of California, Price of Ennis, Earl of Casa Grande, Ariz., Floyd of Los Angeles, Calif., and Elder and Fred of Dallas; and four daughters, Mrs. S. P. Keller of O'Brien, with whom he was making his home, Mrs. Clara Langley of Dallas, Mrs. Louise Mitchell of Long Beach, Calif., and Mrs. Annie Missmas of Culler City, Calif.

Lions Club Speaker Stresses Importance Of Jury Service

James E. McCracken, Wichita Falls insurance man, speaking to members of the Knox City Lions Club Wednesday, said one of the most important ways a citizen can participate in government affairs is through jury service.

He added that jury service is one of the most abused privileges we have as citizens. Some of the best prospective jurors, he said, are the quickest to offer lame excuses when called on a jury panel.

"Just as we cannot have a sound, stable and free government without proper voting, and without a proper Congress and Legislature, so we cannot have a stable, sound and free government without courts that function properly," the speaker said.

"Jury service is a privilege, and along with that privilege is a duty of citizenship that no one can overlook," he added.

Mr. McCracken said he has found that women make good jurors, and are more conscious of their duty than many men.

The speaker appeared in Knox City under the auspices of the Southwestern Insurance Information Service of Dallas, which is currently conducting a statewide information and education program on safety and insurance matters.

McCracken is district claims manager of the Texas Employers' Insurance Company of Texas.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Harold Griffin have announced the birth of a son at the Knox County Hospital Friday, Nov. 2, at 4:20 a. m. The boy weighed 7 pounds and 4 ounces and has been named Jimmy Harold. Grandparents are Mr. and Mrs. Bob Jones of Knox City and Mr. and Mrs. E. N. Griffin.

Club Gives Report on Hallowe'en Carnival

The Hallowe'en Carnival held at the American Legion Hall Wednesday night of last week was termed a "huge success" by members of the 1946 Study Club, sponsor of the affair to raise funds for the community youth center.

Mrs. Sam E. Clonts, president, and Mrs. Edd Smart, carnival chairman, reported a total of \$231.15, including a \$5 donation from a citizen who was unable to attend. All proceeds will be used for furnishing the youth center.

Rides on the fire truck, driven by members of the volunteer fire department, totaled \$13.50. The American Legion Auxiliary arranged a Freak Show which netted \$10.60. A cake walk by the Knox City Study Club made \$34.00 and the Lions Club's Bingo booth made \$52.50.

A break-down of the sponsoring club's booths is as follows: Country Store, \$23.22; Fishing, \$18.30; Tossing Rings, \$21.45; Spook House, \$23.15; fortune telling by Jimmy Mahan, \$4.10; pitching nickels, \$19.23; and candied apples made by the home-making girls, \$6.10.

Mrs. Clonts and Mrs. Smart thanked club members and members of the other civic clubs for their wholehearted cooperation, as well as those who attended the community affair. They said several people have asked about donations to the youth center, and since no personal solicitation is planned, donations may be given any member of the adult council or student council. Paul Hoge is president of the adult group and Rip Collins Jr., is president of the student council.

Flower Arranging Clinic Held by Local Garden Club

Mrs. G. C. Phillips of Thalia conducted a flower arranging clinic for members of the Knox City Garden Club at their regular meeting Wednesday at The Woman's Club.

Mrs. Phillips, a national flower show judge, explained the basic rules of arranging and assisted members in making their arrangements. Each member supplied her own materials.

Thanksgiving arrangements were displayed by Mrs. H. F. Jungman of Munday, Mrs. Elwood Hackney and Mrs. Horace Finley.

Present were 17 members and one new member, Mrs. C. C. Hoge. Refreshments of cup cakes and coffee were served by the hostesses, Miss Lessie Bolin and Mrs. Guy Robinson.

HONORED ON BIRTHDAY

Mark Anderson was honored with a surprise birthday party Tuesday afternoon by a group of his classmates and his parents, Mr. and Mrs. Bill Anderson. It was Mark's tenth birthday.

Games were played and hamburgers, cake and ice cream were served to the following:

Jinx Reeder, Kay Collins, Tom David Whitford, Ken Cornett, Eddie Smart, Martha Kay Waldrip, Ronnie White, Mary Beth Anderson, and Mark.

1946 Study Club Members See Film On 'Your Community'

A film, "Your Community," was shown to members of the 1946 Study Club Tuesday at The Woman's Club by Mrs. Paul Hoge, assisted by her husband. The film, a production of the Sears-Roebuck Foundation, showed community projects in towns all over the nation.

Most of these projects were the result of sponsorship and work done by women's clubs affiliated with the General Federation of Womens Clubs.

Following the film a business meeting was held with Mrs. Sam Clonts in charge. A report on Federation Day to be held Nov. 15 was given by Mrs. Dan Steskey. Mrs. Hoge reported that school and city officials were working on the lighting project for the school grounds.

Mrs. Neil Perdue and Mrs. H. M. Compton reported on the progress of The Kennel, Knox City's new youth center under construction in the park. Members asked questions concerning its completion and operation.

A report was given on the Little Theatre, the new high school dramatics club, by Mrs. Clyde Williams.

Mrs. Edd Smart reported on the carnival which was held Oct. 31 at the Legion Hall. The club president expressed thanks to all civic groups who participated in making the carnival a success. The affair netted \$231 to be used in furnishing the youth center.

Mrs. Paul Mackey was introduced as a new member and Mrs. Harley Reeves was elected to membership.

Mr. and Mrs. Edd Smart and boys have returned from Navasota where they spent a week at the bedside of Mr. Smart's sister, who is critically ill.

FHA Chapter Sees Playlet on Highlights Of Nat'l Convention

"Highlights of the National FHA Meeting" was the theme of the October meeting of the local chapter of Future Homemakers of America. The meeting was held in the school auditorium.

A playlet was presented by delegates who attended the national convention, which was held in Chicago in July. Taking part were Lynelle Tankersley, pianist of area 4, Mrs. Chas. E. Silk, adviser of the local chapter, Sue Beach of Throckmorton, president of district 2, area 4, and Claudia Cooke of Throckmorton, treasurer of area 4.

Mrs. Delton Stillely, Throckmorton Homemaking teacher and FHA adviser, was a guest.

Refreshments of tea, crackers, mints and punch were served. Decorations were in the Hallowe'en theme. The table was laid with an ecru cloth and centered

with a pottery centerpiece and marigolds. The table was centered with a arrangement of various golds. Flowers were Charlotte Cornett, Denton.

Mr. and Mrs. J. Worth where they Grand Chapter, Eastern Star, Mrs. Maty matron of the was a delegate. Mr. acted as assistant during Grand Chapter.

Mrs. E. F. Branton principal, and several teachers plan to be Falls Saturday to attending Conference.

Mr. and Mrs. Doug and boys of Kress spent night with her mother King.

Suddenly you know how modern a range should be—

flame-fast gas ranges alone offer faster all-around cooking!

EXCITING NEW FEATURES

- Cook-Beer Automatic Top Burner Control.
- Built-in Rotisserie.
- Simmer Flame.
- Automatic Clock-Controlled Oven.

You don't have to wait around with gas! Dinner's ready when you and your family want it! Just a touch of your fingers and you have an heat you want *instantly*... a low simmer or a high boil flame. That's because gas, and only gas, has a flame that is instantly hot. Unlike electric range elements, gas range top burners don't need a time lapse to accumulate and create heat. No wonder smart women say that faster, truly modern cooking is cooking with flame-fast gas.

DON'T BE FOOLED. For what it costs you to cook electrically for ONE year, you can cook for more than FOUR years with modern flame-fast gas!

SAFEST COOKING EVER! American Gas Association seal assures reliability. Fire insurance statistics prove gas is safer.

SIZZLING TRADE-INS NOW on your gas or electric range. Cook modern—change today to a new ultra modern gas range.

Farm and Ranch Notes

By Roy England, County Agent

A. H. Walker, Extension Range Specialist, will conduct a fence-row brush control demonstration in Knox County Thursday, Nov. 15 at 2 p. m., on the Crowell highway one mile north of Benjamin. This will be both a method and result demonstration and a comparison of the costs and results will be made.

Mr. Walker will use five different chemicals, 2,4,5-T, 2,4-D, 2,4,5-T mixture, TBA (a promising new brush killer) CMU pellets and powder. The advantage of conducting this treatment during the winter months is that there is no danger of damage to susceptible crops, and good results may be obtained now as well as in the spring.

Farmers and ranchers interested in methods of application are urged to attend this demonstration.

Rural Carriers Recognized for Safe Driving

The rural route fleet of the Louisiana-Texas postal region won driver safety recognition in the 25th Annual National Fleet Safety Contest of the National Safety Council, according to Postmaster Jeff Graham.

The postal region's 2,500 drivers placed third in the passenger car division, based on performance from July 1955 through June 1956. Announcement of the rankings was made at ceremonies at the LaSalle Hotel in Chicago Oct. 25.

During the year the rural carriers of the two-state region covered 31,060,814 miles with an accident rate of only .08 accidents per 100,000 miles. C. A. Wilson and Grady McLain, rural carriers of the Knox City postoffice, contributed 27,603 accident-free miles to this outstanding safety record, Graham said.

STREAMS in Desert Places

By Ozzie Stephens

In our continued search for happiness in Christ's teachings, meekness, forbearance, means mildness toward offenders; to abstain from condemning others for their actions and motives.

"With all lowliness and meekness, with long-suffering, forbearing one another in love." (Eph. 4:2).

The Word says, "Speak evil of no man but gentle, showing all meekness unto all men." (Titus 3:2).

The Christian's answer to all evil motives is, "Forbearing one another, forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye." (Col. 3:13). Let the love of God Stream through you like ointment of healing to all who need His touch.

A sikh boy flood victim has his fractured leg set by a medical student. Medical students from the Ludhiana Christian Medical college in India waded through neck-deep water to deliver food, clothing, medical aid and hope to some of the forty-five million people affected by the great India floods of 1955. Famine and disease follow in the wake of floods. Contributions through the Christian Rural Overseas Program (CROP) will be needed to help supply food for these people for many months.

O'Brien News

Don Hawkins of Colorado spent the week end with Betty Ruth Middlebrook.

Mr. and Mrs. Virgil Peevy and family of Port Arthur visited Mr. and Mrs. R. I. Walsworth and other relatives last week. Mr. Peevy is Mr. Walsworth's nephew.

Mr. and Mrs. O. S. Johnston visited relatives in Ft. Worth during the week end.

Ross Walsworth and Jill spent Sunday in Wichita Falls visiting Mrs. R. B. Johnston, who is a patient in Wichita General Hospital. Mrs. Walsworth, who had been visiting there, returned home with them.

Mr. and Mrs. Lee Blevins and daughter of Vernon spent Sun-

TEXAS DEMOC HEAD—Speaker of the Texas House of Representatives, Jim Lindsey of Tarkenton, is the new chairman of the State Democratic Party. Chosen as one of the Five Most Outstanding Young Men in Texas last year, Lindsey, 30, is the youngest Speaker and youngest Party Chairman in the state's history.

Plans Made for 1957 March of Dimes

Mrs. L. A. Parker of Benjamin, March of Dimes campaign director, and Mrs. John Peysen of Munday, chairman of the Knox County Chapter, National Foundation for Infantile Paralysis, were in Dallas Friday to attend a pre-campaign meeting of Texas and Oklahoma leaders of the Foundation and hear the 1957 battle plans against a weakening, but still potent adversary—polio.

More than 400 volunteer workers, most of them county chairmen, spent the day at the Statler Hilton Hotel being briefed for the newest assault. In the crowd were almost 70 teen-agers, who will conduct fund drives in their own high schools.

Raymond H. Barrows of New York City, executive director of the national foundation, was the principal speaker. He outlined the progress made by the organization in the past years and pointed to the future targets.

More than 40 million people have received one or more inoculations of Salk polio vaccine since the vaccine was field tested in 1954, Barrows said.

The foundation, Barrows said, has poured more than \$28,000,000 into scientific research, including Salk vaccine field trials. This research which produced the vaccine is aiding scientific discoveries which embrace a much larger field than polio alone, he emphasized.

No Open Season on Livestock or Hunters

There isn't a deer, duck, turkey, dove or quail in Texas worth the price of a permanent injury or death to a hunter, says E. H. Cooper, extension wildlife conservation specialist. And, he adds, there is little excuse for hunting accidents if a few simple rules of safety are observed.

First, he says, know your gun—its capability and proper operating procedure. Keep the weapon unloaded until the actual hunt gets underway in the field. If hunting with others, know where the other hunters will be and when, and keep guns away from children.

Never cross a fence or climb a tree with a loaded gun. Doing so can cost a limb, loss of an eye or even a life. And remember, says the specialist, alcohol and gun powder do not mix. The same applies to alcohol and gasoline.

Once the hunt is underway, be sure of the target. Never pull a trigger until all doubt about the target is removed. Livestock and fellow hunters are always out of season.

The wise hunter is familiar with hunting regulations and obeys them. He also respects the rights and properties of the landowner and doesn't enter upon the property of another without permission.

Finally, says Cooper, see that fellow hunters respect and obey the same rules which you follow. Cooperation with and consideration for the other fellow will

make the annual trek to the woods a pleasure and improve the chances for taking the game sought.

Mrs. Otis Harbert is visiting her daughter, Mrs. J. R. Hughey, and family in Houston this week. Mr. Harbert will spend the week end there and Mrs. Harbert will return home with him.

Mr. and Mrs. Jerry Keller and two children and Mrs. Rowena Lutts of San Antonio were week end guests of Mr. and Mrs. Russell Boyd. Mrs. Lutts, Mr. Boyd's sister, remained to spend this week in the Boyd home.

Mr. and Mrs. Jewell Mrs. Travis Thompson were to leave this morning for Atlanta, Ga., to visit Reeves and her sons, David Day, grandsons Mrs. Day.

Mr. and Mrs. W. E. C. to spend the week end with their son, family.

USDA Announces Acreage Allotments

The U. S. Department of Agriculture has announced the 1957 state acreage allotments for upland cotton, the national allotment for extra long staple cotton and set December 11 as the date for a referendum on marketing quotas for the 1957 cotton crop.

The total allotments available for distribution in the states were set by the USDA at 17,585,463 acres. The total allotment for Texas was set at 7,547,503 acres which includes 10,974 acres as Texas' share of the national reserve. The Agricultural Act of 1956 provides that a national acreage reserve of 100,000 acres be apportioned among states on the basis of the estimated needs of each state for additional acreage to establish minimum farm allotments under the act.

The marketing quota for the 1957 crop of upland cotton was announced on August 31 as 11,014,493 bales of 500 pounds gross weight. The marketing quota for extra long staple cotton, just announced, is 76,565 bales, and the national acreage allotment was set at 89,357 acres for the 1957 crop.

At least two-thirds of the cotton producers voting in the Dec. 11 referendum must favor the marketing quotas if they are to be effective on the 1957 crops. Whether quotas are approved or disapproved, 1957 cotton acreage allotments will remain in effect as a condition of eligibility for price support.

The USDA announcement said that the state acreage allotments would be apportioned among counties and the county allotments among farms according to provisions of the law and regulations issued by the Secretary of Agriculture. Individual farm acreage allotments will be mailed to operators of cotton farms prior to the referendum.

THE LOVELACES

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the A.A.A.

100 Attend District Legion Convention

Approximately 100 Legionnaires and Auxiliary members registered for the 13th District American Legion and Auxiliary convention held here Saturday and Sunday.

Hosts for the convention were the Teague-Carpenter Post No. 229 and its auxiliary.

Convention activities got under way at 7:00 p. m. Saturday, with a musical program and talent show directed by Mrs. J. M. Bradberry. The program was followed by the selection of Miss Beverly James of Knox City as district sweetheart. Other candidates for the honor were Mary Ann Schmoker of Vernon, Gayle Littlefield of Munday and Marcia Dee Simms of Quanah.

The sweetheart candidates were interviewed by Legionnaire Jeff Graham, and each contestant entertained the audience. Miss James gave a reading, "If Jesus Came to Your House," Miss Littlefield gave a demonstration of baton twirling, Miss Schmoker played the piano and Miss Simms sang.

As district sweetheart, Miss James will participate in parades and other special occasions throughout the 13th district during the next year.

Registration began at 8:00 a. m. Sunday, and coffee and doughnuts were served throughout the morning in the basement of the Legion hall. The convention was called to order at 10 a. m. by the district commander, Bernie Arnold of Wichita Falls. Colors were advanced by Bob Ozee of Wichita Falls and L. E. Groves, and the preamble to the constitution was said in unison with Alton Fitzgerald, commander of the Teague-Carpenter post, leading.

Legionnaire Chas. E. Silk of Knox City made the welcome address, and the response was by Jimmy Horany of Archer City. A short memorial service was held, with Rev. Walter Driver, post chaplain, as the speaker. By popular request Miss James repeated the reading she had given the previous evening.

The convention was addressed by Legionnaire George Moffett, state senator for the 23rd district. Senator Moffett discussed the constitutional amendment extending the veterans' land law, which he sponsored in the legislature and which was approved by Texas voters Tuesday.

Congressman Frank Ikard, who was scheduled to speak, was unable to attend because of his congressional duties.

Luncheon was served in the basement at noon, with Curtis Coates in charge. After-dinner speaker was Craig Laine of Ft. Worth, member of the American Legion board of trustees.

Business sessions of both the Legion and Auxiliary were held beginning at 2:00 p. m.

Mrs. T. S. Edwards returned home Tuesday from Dallas where she had spent the last month with her daughter, Mrs. Tommy Hampton, who is ill. Mrs. Hampton's condition is greatly improved, her father, Dr. T. S. Edwards, said Wednesday. She is confined to her bed but can now feed herself. For the past months she has had a respiratory infection which weakened her.

Mrs. J. H. McGee spent the week with her daughter, C. Stinson, and family back.

THANK YOU . . .

We are grateful for your support of Amendment No. 4.

Federation Day Program Planned by Knox City Study Club

The Knox City Study Club met Thursday for a program on citizenship and "The Responsibility of Getting Out the Vote."

After singing "America," roll call was answered with "What America Needs Most." Mrs. C. C. Hoge was leader for the program.

A panel discussion on "The Bad and the Good in Us and Why Democracy is Best" was presented. Mrs. H. E. Sharp and Mrs. Abe Watson participated in the discussion and the proposed amendments to the state constitution were read and discussed.

Mrs. W. E. Buchanan of Ft. Worth, president of the First District, Texas Federation of Women's Clubs, will speak on "Federation—A Woman's World" at the annual Federation Day program of the club.

The meeting will be held on Thursday, Nov. 15 at The Woman's Club. Guests will be members of the 1946 Study Club and club members from adjoining towns. Mrs. C. J. Reese, president, said.

ATTEND FEDERATION MEETING AT WEINERT

Mrs. B. B. Campbell, Mrs. C. J. Reese and Mrs. C. C. Hoge were in Weinert Saturday to attend a Federation luncheon of the Weinert Study Club.

Speaker was Mrs. A. J. House, president of the State Federation of Women's Clubs. She spoke on "Abundant Living Through Service."

NOTHING MEASURES UP TO Electric COOKING

Cleaning is a breeze — in a Frigidaire Electric Range. Most models are all Porcelain and just need wiping with a damp cloth to clean. Surface units have removable bottom pans that are easily cleaned. Then, too, with a Frigidaire Electric Range, kitchen walls and cabinets remain clean longer — pots and pans continue to have that new look.

New surface units that do away with wearisome waiting and foot-tapping. Starts foods cooking in seconds. Heats up soups and other foods in no time — makes coffee perk quickly — makes teapots whistle in just a few minutes time. It's so convenient — and built for long life.

There is nothing like an easy-to-use Frigidaire Electric Range — designed so it doesn't take an engineer to use. With automatic controls, it lets you leave the kitchen — or the home — and return to a waiting meal. Truly Easy cooking. Please come visit our display floor and see these wonderful Frigidaire Electric Ranges. There's one to suit your need. Come in today.
