

# THE KNOX COUNTY HERALD

VOLUME 50

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, OCTOBER 13, 1955

NUMBER 45

## Foursquare Convention To End Here Tonight

A meeting at the Knox City school auditorium tonight (Thursday) will climax one of the most wonderful Foursquare conventions ever held, according to national leaders of the church.

This is the first time the state convention has ever been held in a small town, and the experiment has been a success, according to Rev. Floyd V. Bailey, pastor of the local church.

Speaker at the closing services tonight will be Dr. Howard P.

Courtney of Los Angeles, Calif. international supervisor of Foursquare Churches. Dr. Courtney has been speaker for all the evening services in the convention, which began Monday.

Other church dignitaries who have taken active part in the convention include the Rev. and Mrs. Carl Purdy of Los Angeles; Rev. Ruth Zimmerman; Rev. Isabelle Helmle of Los Angeles; and Dr. Charles R. Gaines of Dallas, supervisor of the district which includes Texas, New Mexico, Oklahoma and Louisiana.

Rev. Bailey said Wednesday morning that well over 1,000 individuals had attended the convention up to that time, with the largest crowds expected Wednesday and Thursday. More than 140 ministers and delegates from out of state had registered.

The school auditorium has been filled to capacity for the evening services. Wednesday night "The Jack Anderson Story," a film on missionary service in South America, was shown at the auditorium.

## Wichita Falls Woman To Speak at Legion Auxiliary Meeting

All members of the American Legion Auxiliary were asked to attend the next meeting to hear Mrs. Hazel Madden of Wichita Falls.

Mrs. Madden is president of the 13th District, American Legion Auxiliary.

The local unit will meet Tuesday night, Oct. 18, in the auditorium of the Legion Hall.

Mrs. Paul Fitzgerald, president, urged all members to attend and invited ladies who are eligible for membership to be present.

## Social Security Official Speaks at Lions Club Meeting

Ertion F. Tate, manager of the Wichita Falls District Social Security office, was guest speaker at the regular weekly meeting of the Knox City Lions Club at noon Wednesday.

Mr. Tate explained why the social security program was started, its purposes and its results. He said that at the start, the unemployment compensation and old age assistance phases of the program were set up on a temporary basis. Ultimate goal of the program, however, is for every person who works to pay into a fund that will guarantee him a basic monthly income in his old age, or pay his survivors in the event of his death.

To point out the magnitude of the program, Tate said that in 1950, there were more than 12 million people in the United States over 65 years of age. In Texas last year, more than 250,000 people received assistance.

As social security funds have increased, eligibility requirements have been lowered in an attempt to eventually eliminate old age assistance. Social security is preferable, Tate said, because it is not a dole, and a person does not sacrifice his pride or self-respect when he receives it.

"A person pays for social security—and he is entitled to it," the speaker said. He also pointed out that there are some faults and inequities in the program, but said these were almost impossible to avoid in a program of such large scale.

The program is a form of insurance, but differs from private insurance in that it favors old age, he added.

"The American farmer is holding an umbrella over the rest of the world," he added, "and the South is becoming alarmed over the situation."

Mr. Reed pointed out that as cotton acreage is curtailed in the United States it is increased in other cotton growing countries, so that world production remains the same, while American farmers lose their export market.

"If Mr. Benson sets a program of ten million bales for next year, which we expect him to do, we will have only one million bales for export as our domestic consumption is nine million bales," Mr. Reed said. "Our predicament can be seen in the fact that American gin machinery companies sold more equipment outside the United States last year than they sold in this country."

The association plans to carry its fight for a new farm program to congress if necessary, Reed concluded.

## Penman Purchases Butane Business

Monty Penman has purchased the Robertson-Powell Butane Co in Knox City and the firm name has been changed to Knox Butane Company, it was announced this week.

Bob Robertson, former co-owner of the butane company, recently enlisted in the Air Force and is stationed at Sheppard Air Force Base, Wichita Falls.

Mr. Penman is also Magnolia wholesales agent, and the two businesses will be operated from the same office in Knox City. Magnolia agent at Rochester for 17 years, Penman became agent for the Knox City-O'Brien-Rochester area when the offices were recently combined.

Bill Grimsley will remain with the butane company as service man, Mr. Penman said.

## COMMUNITY CIRCLE MEETS AT O'BRIEN

The O'Brien Community Circle met Monday night, Oct. 10, for re-organization and the election of new officers.

Plans were made for the annual Halloween Carnival, which will be held at the school on Friday night, Oct. 28. Highlight of the event will be the coronation of queens for high school and grade school.

Officers elected Monday night were Milton Rowan, president; Dempsey Emerson, vice-president; Mrs. F. J. Middlebrook, secretary; Mrs. Leonard Force, treasurer; and Mrs. O'Brien Community Circle.

The O'Brien Community Circle functions as a parent-teacher organization.

will have to be made available, and beds accommodated.

...make a football or prediction that we can't do right easily, and we want to make one now.

...just report that we've heard several people say, in a hopeful tone of voice: "Well, at least Rochester, Throckmold Munday, Newcastle, Westmorton and Knox City are better off."

...and predict that the Greyhounds going to win some this season... and they didn't, they've given us a lot of satisfaction and not already this season.

...still hearing stories about the Brazos floods... about the pipeline crew, for killing 13 rattlesnakes... several narrow escapes... the men report that they saw several rattlers swimmer.

...people out in the rattle-snake also report killing less than usual. Apparatuses don't drown, and have come down the Kent and Stonewall.

...Stonewall County is pretty mean.

...the amount of poster sold, we guess every elementary school has a Fire Prevention poster.

...is sponsored by the... with the best... each class being awarded by the Lions Club.

...of Kenneth Myers says... posters will be displayed in the City... some time this weekend... had some pretty cute... so, be sure to see.

...Progress Week, and... tribute is being... industry.

...increasing importance... of West Texas... should know that betweens Citizens... because... it comes through a... without suffer... economic loss... of the country.

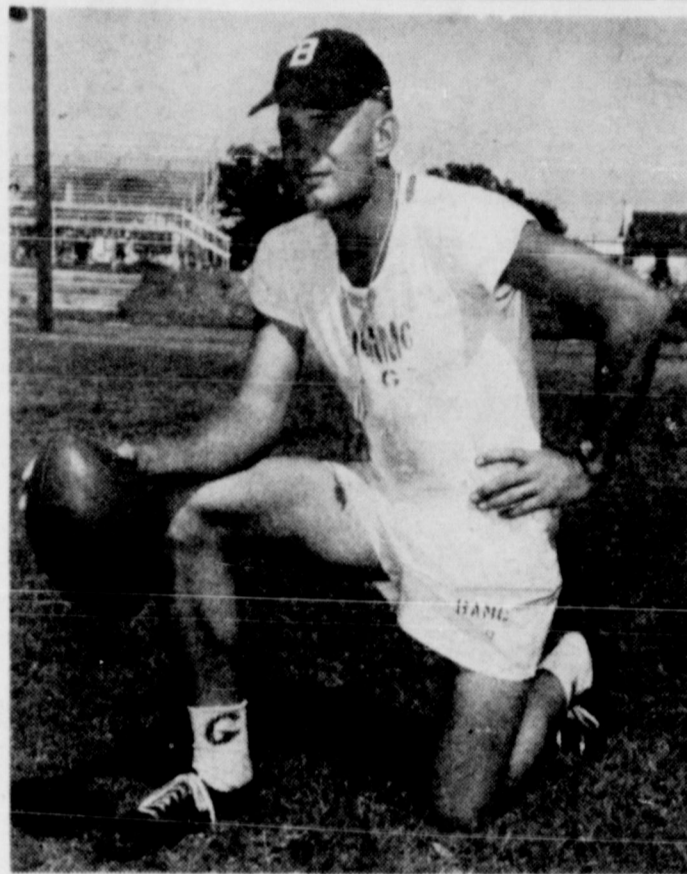

...may have to figure... about way how we... it—but almost every... City does.

**Fund Drive Made Monday**

...will be in charge... campaign in Knox... announced this week... community choir.

...as we probably be... morning. Coates said... of Munday is... M. A. Bumpas... and M. J. Kirby... be in charge in their... communities, of... fund appeal to carry... of services of the... young men and women's armed forces.

...quota is \$190.00... He hopes the quota Monday. Assisting him... will be Doyle

Pvt. Richard Buckley, son of Mr. and Mrs. Vernon Buckley of Knox City, is line coach for the Brooke Army Medical Center football team. B.A.M.C. is at Fort Sam Houston, San Antonio.

Pvt. Buckley, a graduate of Knox City High School and McMurry College, Abilene, coached at Lamesa two years before entering service in November, 1954. He played center for the McMurry Indians. He is married and has a son, Russ.

## Officials to Survey Brazos Flood Damage in County

Col. Harry O. Fischer, district engineer for the U. S. Army Corps of Engineers, Ft. Worth, and Congressman Frank Ikard will tour Baylor and Knox Counties next week on a survey of flood damage to farmlands, ranches, and highways in this area, it has been announced.

Next week's tour is a result of a visit in this area last Thursday by Congressman Ikard. At that

time he viewed flood damages along the Brazos River.

Ikard said the tour and conference with Colonel Fischer will be strictly exploratory at the present, but added that information gathered during the tour will probably result in flood control plans to be made at a later date.

The meeting will be held either in Knox City or Seymour but the place and time had not been set Wednesday, Ikard said. Fischer and Ikard will be joined by Congressman George Mahon of the 19th Congressional District. Others who are expected include members of the State Board of Water Engineers, Railroad Commissioner Olin Culberson and officers of the Brazos River Authority.

The survey will be concentrated on flood damage caused by the rampaging Brazos River, and will extend through Knox, Baylor, Kent, Haskell and Stonewall Counties.

## Legion Officials To Speak at Meeting Of Local Post

Bernie Arnold of Wichita Falls will conduct the regular meeting of the Teague-Carpenter Post No. 229 of the American Legion Tuesday night, Oct. 18, beginning at 8 o'clock, it was announced this week.

Arnold is commander of the 13th American Legion District with headquarters in Wichita Falls. Assisting him with the program will be Roger E. Thoes, department vice-commander of Texas; Coy T. Ball, Wichita County Service Officer and 13th District Adjutant; and Bob Ozee, 13th District Public Relations and Publications.

The subject of the program will be "The American Legion in Knox City."

All members of the local post were urged to be at the Legion Hall at 8 o'clock, Tuesday night.

## SCS Supervisors Urge Farmers to Plant Cover Crops

Now is the time to plant winter cover crops of Austrian winterpeas and vetch, and they should make good growth before the weather gets too cold with the moisture we now have in the soil, supervisors of the Wichita-Brazos Soil Conservation District said this week.

The district supervisors have purchased both Austrian winterpeas and vetch seed, so that there would be a seed source here in the district for farmers who wish to plant these cover crops. Also, some grain elevators and seed stores are handling these seed.

The supervisors also own equipment that can be used in the drilling of these crops. These drills have fertilizer attachments on them and it would be a good idea to put down phosphate under legumes that you plant. Phosphate stimulates the growth of legumes and legumes make phosphate more readily available to following crops.

"The purpose of legume crops is to protect and enrich the soil. The fact that they are not used enough on our cotton and grain land is evidenced by our soil losses and the lack of water-holding capacity of these soils. Cover crops not only add organic matter to the soil but return the various fertilizing elements that have gone into the making of the crops when the organic matter decays in the soil," the supervisors said.

"Considering the many benefits of cover crops, it is important that a portion of our land be in a cover crop each year."

## FHA Girls, FFA Boys To Attend State Fair

It will be a busy week end for 31 FHA girls, 19 FFA boys, and six teacher-sponsors.

The group will attend the Knox City-Moran football game in Moran Friday night. After the game, they will settle in the school buses and drive to Fort Worth, where they will spend the rest of the night at the Stockyard Dormitories.

Saturday morning, they will go on to Dallas to attend the State Fair. Saturday is rural youth day at the fair.

All students have tickets to an evening performance, either the stage show, Pajama Game, the ice capades, or the SMU-Rice football game.

Saturday night will be spent at the Stockyard Dormitories and they will return home Sunday morning. Teacher-sponsors are Supt. and Mrs. Silk, Mr. and Mrs. L. E. Groves, Erwin Youngblood, and Mrs. Ottis Cash.

## Club Women to Hear District Officer At Joint Meeting

Mrs. Lloyd McCloud of Bryson will be the guest speaker at a joint meeting of the federated clubs in Knox City next Tuesday, October 18, at the Woman's Club.

Mrs. McCloud is president of the First District, Texas Federation of Women's Clubs. Special guests will be members of federated clubs in Munday, Benjamin, Rochester, Rule, Weinert, and Haskell.

Host clubs will be the 1946 Study Club and the Knox City Study Club.

Subject of Mrs. McCloud's talk will be "Federation: A 3-Fold Cord." She will discuss benefits of federation at District, State, and General levels.

Hostesses from the Knox City Study Club will be Mrs. T. S. Edwards and Mrs. Ulric Lea, and from the 1946 Club Mrs. Dan Steakley and Mrs. Lucille Colwell will be hostesses.

## Junior Football Game Postponed Again

Due to the Foursquare Convention in progress this week in Knox City, the Junior High football game with Munday was postponed from Tuesday night, Oct. 11, to Tuesday night, Nov. 15.

Coach Les Cowan said Wednesday he hopes the game can be played the latter part of October, but at the present time it is set for Nov. 15.

Next Tuesday night, the Greyhound Pups will meet the Haskell Junior High eleven here. Game time is 7:30 and all fans were urged to attend.

## DOWNTOWN PEP RALLY TO BE HELD TONIGHT

Another pep rally will be held downtown tonight (Thursday) beginning at 7:30.

The Knox City Greyhound Band will play and the pep club will practice yells for thirty minutes. It will be held between Lowrey Dry Goods and Model Cleaners.

All Greyhound fans were urged to attend.

## 'Hounds Upset Newcastle; To Play Moran Friday Nite

Tomorrow (Friday) night the Greyhounds will be in Moran for a practice game, and on Friday night of next week they will be hosts to the Strawn Greyhounds.

The Knox City Greyhounds surprised the football dopsters by upsetting the Newcastle Bobcats, 7-0. Friday night on the local field.

Neither team had lost a game this season, and the Bobcats had gained quite a reputation by defeating several Class A teams. Pre-game forecasts by sports writers on daily newspapers in the area had predicted a Newcastle victory by 34-14 and 21-14 scores.

But the 'Hounds out-played the visitors in every department, and had it not been for the surplus of penalties, the final score might have been more lopsided. The Greyhounds were penalized 13 times for 105 yards while Newcastle lost 60 yards on eight violations.

Both teams went scoreless during the first half, Newcastle drove to the two-yard line in the first quarter but the Greyhound line held, and a Greyhound scoring drive was stopped at the 12 by the half-time whistle.

Knox City's score came in the third quarter, when a 60-yard march was climaxed by Halfback Cecil Beauchamp plunging over the goal line from the 10. Quarterback Don Corley passed to End Bobby Driver for the extra point.

Statistics of the game were as follows: First downs, Knox City 14, Newcastle 6; yards gained rushing, Knox City 175, Newcastle 85; yards gained passing, Knox City 78, Newcastle 33; passes completed, Knox City 6 of 10, Newcastle 4 of 4; fumbles lost, 2 each; punts, Knox City 2 for 35 average, Newcastle 3 for 35 average.

Moran, in District 3-B, played to a scoreless tie with Woodson, beat Blanket 12-0 and May 20-6 in earlier games this season. Last Friday night, they lost to Lueders, 41-0. Lueders is rated one of the top teams in this area.

Beginning tomorrow night, all night games will begin at 7:30.

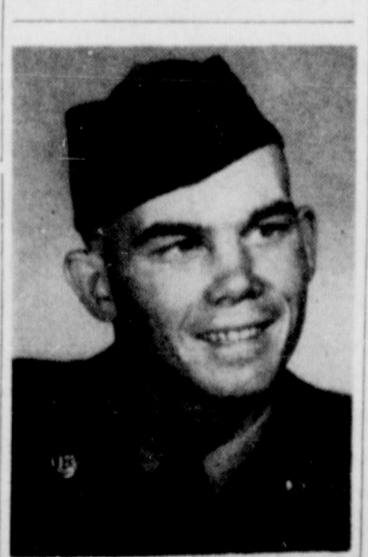

School officials urged local fans to accompany the team to Moran tomorrow night and help in the rooting section.

"The fine support of Knox City fans helps keep the morale of the team up," Coach Les Cowan said, "and a good rooting section will help the boys play a better game."

Gen. Royal of Knox City will be in charge of the special music before the evening address at 8:35.

Jack Edwards, junior student at the University of Texas Dental School, made the honor roll last year, he learned this week. Grades were not averaged until after the summer dental clinic. He was the only member of the sophomore class who made the honor roll. Jack is the son of Dr. and Mrs. R. C. Edwards.

Gen. Royal of Knox City will be in charge of the special music before the evening address at 8:35.

Pvt. Harold V. R. Roberts has been visiting in the home of his mother, Mrs. John Roberts. Pvt. Roberts has been stationed at Fort Ord, Calif., for the past eight weeks. He will be stationed at Fort Bliss, Texas, now.

## Abilenians to Speak at Haskell-Knox Brotherhood Meeting

W. O. (Bill) Beazley of Abilene will be the principal speaker at the regular meeting of the Haskell-Knox Association Brotherhood Meeting, October 17, at the First Baptist Church in Munday. Beazley is assistant to the president of Hardin-Simmons University.

The program will begin with a song service at 7 o'clock. Singing will be led by C. D. Allen and E. G. Parkhill.

The evening meal will be served at 7:10, followed by another song service. Ray Holcomb of Munday will give the devotional. A 15-minute business session will begin at 8:15 with Bill Griffith of Paint Creek, associational president, in charge.

Gen. Royal of Knox City will be in charge of the special music before the evening address at 8:35.

Jack Edwards, junior student at the University of Texas Dental School, made the honor roll last year, he learned this week. Grades were not averaged until after the summer dental clinic. He was the only member of the sophomore class who made the honor roll. Jack is the son of Dr. and Mrs. R. C. Edwards.

Mr. and Mrs. C. C. Hutchinson have announced the engagement and approaching marriage of their daughter, Melba, to E. L. Pharr, son of Mr. and Mrs. Weldon Pharr of Lampasas, Texas.

The wedding will be an event of Sunday, October 23, at 4 o'clock at the First Baptist Church in Knox City.

The bride-elect is a junior student at Hendricks Memorial Nursing School in Abilene and Mr. Pharr is a senior student in Hardin-Simmons University, Abilene.

Friends of the couple were invited to attend the wedding.

## ENGAGEMENT ANNOUNCED

Supt. and Mrs. Ray V. Stark of O'Brien have announced the engagement and approaching marriage of their daughter, Ray Nell, to Jake Massey of Denton, son of Mrs. Floy Massey of Denton.

The wedding will be at the O'Brien Methodist Church Saturday evening at 7 o'clock.

No invitations have been mailed but friends of the couple were invited to attend the wedding.

The bride-elect is employed at the ASC office in Knox City.

**Benjamin News**

Mrs. H. C. Stone, Correspondent

BENJAMIN, Oct. 2.—Weekend guests of Mrs. W. A. Barnett, Omite, and Pete were Mr. and Mrs. W. P. Howard of Weslaco.

Mr. and Mrs. H. M. Herndon of Knox City visited Mrs. Bertie Littlepage Sunday afternoon.

Mr. and Mrs. J. D. Brown visited their son and daughter-in-law, Mr. and Mrs. Curtis Brown in Lubbock over the weekend.

Miss Vera McGaughy of Denton

spent the weekend with her parents, Mr. and Mrs. Merick McGaughy.

Jean Galloway of Pampa visited her parents, Mr. and Mrs. J. L. Galloway, over the weekend.

The Wayne Youngs had as their guests Friday and Saturday, Mr. and Mrs. Billy Bob Benson of Sweetwater and Mr. and Mrs. Bill Cummings and daughter of Olney.

Mr. and Mrs. Bill Spikes and sons of Pueblo, Colo., have moved back to Benjamin. They are living in the Laird home.

Mr. and Mrs. T. L. Nesbit and Linda and Mrs. Eugene McGregor and daughters of Weatherford vis-

ited Mrs. Stell Kendrick.

Mr. and Mrs. Kenneth Draper and children and Mr. and Mrs. Eber Rutledge of Meadow visited friends here Sunday.

Sunday guests of Mr. and Mrs. Ross West were Mr. and Mrs. Bob Allen of Dumont.

Merick McGaughy was in Austin on business Sunday and Monday of last week. Granny West returned home Sunday. She has been visiting relatives in San Antonio and Corpus Christi.

Mrs. Oscar Cambell of Sweetwater visited Mr. and Mrs. Bill Spikes and children a few days last week.

Mrs. M. G. Nunley had as her guests over the weekend Mr. and

Mrs. Dutch Young and children of Colorado City.

Mr. and Mrs. Lee Snailum were in Weatherford Sunday visiting her sister, Mrs. Pearl Yearly, and family. Mrs. Snailum remained there to be with Mrs. Yearly, who is seriously ill.

Jim Johnson of Wichita Falls last week organized a Cub Scout troop here. Grady Chapman is cubmaster. Chairman is Merick McGaughy. Other officers are:

Handicraft, K. E. Woolley; advancement, Thomas J. Cloud; finance, J. C. Moorhouse; activities, Artis McGregor; and den mothers, Mrs. D. V. Marcum and Mrs. T. R. Ressel.

The first meeting was held Oct. 10 at the school house. Ten cub scouts were present.

**Haskell County TSTA Chapter Meets at O'Brien**

The Haskell County Unit of the Texas State Teachers Association met last week in the O'Brien High School.

Supt. Ray V. Stark, president of the group, presided. Russell E. Adams of Rule was elected vice-president. Mrs. Irene Stewart of Sagerton is chairman of the program committee. She will work with Mrs. Robert King of Rochester, H. T. Wilkerson of Haskell, A. P. Williams of Paint Creek, and R. E. Adams of Rule.

Chairman of the legislative committee is Supt. Robert King of Rochester, who will work with Supt. C. D. Allen of Haskell, Supt. Dan McTea of Paint Creek, Supt. Elvin T. Mathis of Mattson, Supt. Douglas R. Myers of Weinert, and Supt. Conner Horton of Rule.

Miss Madalin Hunt of Haskell will head the social committee and will work with Mrs. Jas. B. Gibson of O'Brien, Mrs. Jay Cox of Weinert, Mrs. Alita Horton of Rule, and Mrs. Julia Hamby of Sagerton.

Members of the Public Relations Committee will be Mrs. Mabel Derr of Weinert, Mrs. Loreta Ray of Haskell, and Mrs. Lillian Brown of Haskell.

Each of the eight schools in the county will elect its own building representatives.

Rochester will host the Haskell Unit T.S.T.A. on Nov. 7 and Rule will host the February meeting.

The school boards of the county schools were invited to the February meeting. The March meeting will be held in Weinert.

Refreshments were served at the conclusion of the business session at O'Brien.

**Plans Being Made For Homecoming At Texas Tech**

Texas Technological College in Lubbock will celebrate its 28th annual Homecoming Friday and Saturday, November 5-6, L. C. Walker, executive secretary of the Tech Ex-Students Association, has announced.

The University of Arizona Wildcats will be served up as gridiron fare for the more than 5,000 Tech alumni expected to participate in 1955 Homecoming activities.

Highlighting this year's program will be the first campus-wide selection of a Tech Homecoming Queen. Last year's queen, the first in Tech history, was named by the Double T Club, an athletic or-

ganization.

Other student activities will include decoration of the campus, pep rally and bonfire, downtown parade and Homecoming dance. The students will also be in charge of alumni registration.

Virginia Carr, senior coed from Lubbock, has been named student Homecoming chairman. She will be assisted by the following project chairmen: Tommie Wynn, Lubbock, Homecoming Queen; Benny Bedford, Midland, parade; Bill Ray, Baird, campus lighting; Frank Calhoun, Port Lavaca, campus signs; and Norma Chapman, Austin, alumni registration.

**SCHOOL LUNCHROOM MENU**

Menus at the Knox City School Lunchroom for the week beginning October 17 will be as follows:

Monday: Cheese slices, macaroni and tomatoes with bacon, spinach, apple delight, bread, milk.

Tuesday: Meat loaf with tomato sauce, buttered potatoes, carrot sticks, stewed apples, rolls, milk.

Wednesday: Pinto beans, buttered rutabagas, tossed green salad, pineapple chiffon squares, cornbread, butter, milk.

Thursday: Chicken fried steak,

The Humble Research Laboratory in Houston.

**Research Paces Oil's Progress**

There are three reasons why America's petroleum industry has been able to supply the ever-increasing demand for energy called for by our mechanized way of life: 1, it has fearlessly invested its capital in the hazardous search for oil and gas; 2, it has steadily expanded its facilities; and 3, it has conducted endless research to find better, more efficient ways to make the oil products America needs.

Research! That's the key to the petroleum industry's progress. And the Humble Company assures itself a place of leadership in this field with two great research laboratories.

In the Humble Research Center in Houston scientists and engineers study all phases of finding, producing, and conserving oil and gas.

In the Research Laboratory at Humble's Baytown, Texas, Refinery, highly skilled technicians seek to develop new and better petroleum products, to improve those we already have, and to develop methods for making these products more efficiently.

Just as America's progress depends on oil, so oil's progress depends on research.

## O'Brien FHA Girls Elect New Officers

New officers of the O'Brien chapter of Future Homemakers of America were installed during ceremonies at the school Wednesday, October 12.

Officers are as follows: President, Thelma Cox; vice-president, Kay Davis; secretary-treasurer, Katrine Allred; reporter, Glenda King; parliamentarian, Mary Lou Underwood; historian, Jean Johnston, sergeant-at-arms, Doris Kay; song leader, Sue Lewis; pianist, Lowell Rowan; assistant pianist, Supt. Ray V. Stark.

Donnie Lewis is chapter beau and counselors are Mrs. Kay and Mrs. Grindstaff. Chapter parents are Mr. and Mrs. A. A. Cox and Mr. and Mrs. M. S. Denton.

Following the installation service, the new president made a short talk and Mrs. R. L. Foote, adviser, made comments.

Mr. and Mrs. Claude Garrison and Mr. and Mrs. Wesley Garrison were in Dallas last Thursday to be with Joe Melton Garrison who has leukemia. Joe Melton is the son of Mr. and Mrs. Harry Garrison of Tucumcari, N.M., and a grandson of Mr. and Mrs. Claude Garrison. He is hospitalized at Baylor Hospital. Reports Wednesday were that his condition was unchanged.

Doing their part during the free chest X-ray campaign were these young ladies, all members of the Campfire Girls.

Left to right, back row, are Jackie Givens, Charlotte Perdue, Kathy Lowrey, and Nellie Reyes.

Left to right, front row, are Car-ol Collins, Earlene Lewis, Janelle Ward, and Doris Marion.

The girls paraded up and down the streets carrying posters which reminded people to have a chest X-ray.

## Garden Club Meets In Munday Home

The Knox City Garden Club met in the home of Mrs. H. F. Jungman in Munday Wednesday. Co-hostess was Mrs. W. C. Hertel.

Mrs. L. W. Graham, newlyelected president, presided during the business session. Minutes of the last meeting were read by Mrs. Ancei Waldrip.

Plans were made to entertain the Santa Rosa Horticultural Society in November, at which time Mrs. Tommy Hampton of Dallas will be on the program. Mrs. Hampton is the former Miss Sydna Edwards, daughter of Dr. and Mrs. T. S. Edwards.

Two new members were welcomed into the club. They are Mrs. O. L. Jamison and Mrs. W. A. Reeder.

Following the business meeting, films of the Jungman's trip to Bermuda were shown. Films of

scenic places in Colorado and Pennsylvania were also shown.

Members present were Mmes. Claud Reed, Earl Watson, Lee Smith, C. Hughes, A. S. Logan, S. L. Stanley, Guy Robinson, B. B. Campbell, S. M. Clonts, S. L. White, Horace Finley, T. S. Edwards, Graham, Hertel, Jungman, Reeder, Waldrip, and Miss Leslie Bolin. Visitors were Mrs. J. W. Williams and Mrs. Bennie London.

## HASKELL-KNOX W. M. U. ELECTS NEW OFFICERS

Approximately 120 women from 13 churches attended the Woman's Missionary Union of the Haskell-Knox Association Tuesday at Weibert's First Baptist Church.

Theme of this annual meeting was "The Mirage Shall Become a Lake."

New officers elected at the meeting were installed. They are Mrs. W. D. Malone, O'Brien, president; Mrs. Sam Johnson, O'Brien, corresponding secretary-treasurer; Mrs. J. E. Geer, Rule, recording secretary; Mrs. Joe Patterson, Munday, Young People's secretary; the Rev. Roger Butler, Gillespie, R. A. leader; Mrs. Hob Smith, Rochester, pianist; Mrs. Roger Butler, Gillespie, chorister; Mrs. J. O. Bowden, Munday, B. W. C. advisor; Mrs. Marvin Reeves, Munday, district nominating committee. Mrs. O. B. Woodrum of Abilene installed the officers.

Appointed by the president to serve as standing committee chairmen were Mrs. Riley Fugitt, Rule, mission study; Mrs. Audie Verner, Rule, community missions; Mrs. Bill Frazier, Knox City, stewardship; Mrs. Roy Clayton, Rochester, prayer; Mrs. C. O. Davis, Rule, historian.

Dr. and Mrs. C. G. Markward and son, Chuck, visited relatives in Beaumont during the weekend.

## Highway Patrolmen Stop 1,656 Violators

Patrolmen of the Wichita Falls District of the Texas Highway Patrol contacted a total of 1,656 traffic law violators during the month of September.

Captain K. B. Hallmark Jr., Commanding Officer, reported that 334 of these were arrested while 1,122 were warned for violation of the state traffic laws.

Speeding was the leading cause of arrest, with no operator's license second and improper passing ranking third.

Counties included in the Wichita Falls District are: Archer, Baylor, Clay, Cottle, Hardeman, King, Knox, Montague, Wichita, Wilbarger and Young.

Mr. and Mrs. Joe Smith returned Saturday from Levelland and Sundown where they spent last week with Mr. and Mrs. Byron Lee and Mr. and Mrs. Edmond Smith and Andrea.

Mr. and Mrs. Paul Fitzgerald began construction of a new home last Friday. The house is located on the lots east of the Sam E. Clonts home in east Knox City.

Mr. and Mrs. J. G. Hurster and children of Dallas spent the weekend here with her mother, Mrs. Myrtle White, and Mr. and Mrs. Henry L. White.

Mrs. John King received work this week that her granddaughter, Judy King, has been dismissed from the Methodist Hospital in Lubbock and is now recuperating at her home in Lubbock. She will be in bed for at least four more weeks. Judy is the 3-year-old daughter of Mr. and Mrs. Joe King.

Mr. and Mrs. G. W. Ross were in Dallas over the weekend to attend the Texas-Oklahoma football game at the Cotton Bowl.

Miss Inez Logan spent Sunday in Plainview with her sister, Mrs. Mondell Mills, and family.

THE KNOX COUNTY HERALD, THURSDAY, OCTOBER

Mr. and Mrs. Lloyd Waldrip and Kay recently visited her parents, Mr. and Mrs. A. W. McBeath, in Cleburne.

Mr. and Mrs. Pete Knapp and Mrs. O. L. Knapp spent the weekend in Dallas with relatives.

## SAVE AT THE ANNUAL OLD STOVE ROUND-UP SALE!

MERRY MODERN says:

you've never dreamed cooking could be so fast . . . or so easy!

really modern  
*flame-fast*  
**gas**  
ranges

It's time to replace that tired old stove! For these magnificent new gas ranges offer so much more of everything to make easy cooking automatically yours! A wide selection of models and sizes . . . your choice of many new talked-about convenience features . . . smart compact beauty that blends smoothly into any modern gas kitchen . . . all this plus the advantages of the ideal fuel! Save now while trade-in allowances are bigger and terms are lower than ever before!

IT'S OLD STOVE ROUND-UP TIME

the thrifty time to trade and save!

For what it costs to cook with non-flame artificial methods for **ONE YEAR** you can cook for more than **FOUR YEARS** with flame-fast GAS!

So many more fabulous new features! Different top burner arrangements, simmer burners, burners that light automatically—and even shut themselves off! Clock-controlled ovens with temperature timers, giant ovens, double ovens, smokeless broilers . . . and a hundred-and-one other dreams come true!

don't be fooled! you cook cooler with gas

Heavy blanket insulation keeps heat inside your range. Oven and broiler doors stay closed during cooking because the top flame consumes all the smoke. Top-burner cooking is cooler, too. Flexible gas flame tailors itself to pans—there's less waste heat. When you turn gas off, it's off—no lingering after-heat! Waste heat means a hot kitchen—and there's less waste heat with gas than any non-flame fuel!

see your gas range dealer or . . . **LONE STAR GAS COMPANY**

### STREAMS in Desert Places

By Ozelle Stephens

Patience is a beautiful and wonderful thing which comes from our Lord and saviour who suffered so much for us. "In your patience possess ye your souls." (Luke 21:19).

One needs patience or uncomplaining endurance to successfully and gracefully stand in the face of pain and annoyances of this life. This grace of calm endurance and self-possession is yours by constant prayer and communion with your Lord. "Rejoicing in hope; patient in tribulation; continuing instant in prayer." (Rom. 12:12). You become sober, grave, temperate, sound in faith, in charity, in patience by keeping your daily communion with the Lord in prayer and Bible reading. Learn to "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." (Prov. 3:5-6).

# Plans for 1956 Acreage Allotments Favor East Texas Farmers, WTCC Says

Cotton acreage allotments for East Texas cotton farmers in 1956 will be cut 200,000 acres below allotments for 1955, it was announced this week by the West Texas Chamber of Commerce, on the basis of unofficial information on a program under study by the State Agricultural Stabilization and Conservation Committee. Lower Rio Grande Valley counties will be cut about 40,000 acres in 1956 below 1955 acreage.

The program is based upon an estimate of a reduction in the acre allotment amounting to 200,000 acres less in 1956 than given the state in 1955. It is anticipated that all cotton producing states will receive lower quotas in 1956 than those provided in 1955.

West Texas counties plus a further cut of 100,000 acres in those counties plus a further cut of about 100,000 acres in those counties so that East Texas and east central Texas counties may be given an increase in 1956 of approximately 110,000 acres more than acreage allotments made to those counties in 1955.

This is contrary to the general

trend which has prevailed in those counties in East and east Central Texas which have shown a gradual decline in cotton acreage in uncontrolled years and consistently large underplantings of cotton acreage allotments in controlled years.

The last uncontrolled year was 1953.

The 1956 program will give one area of 24 counties in East Texas, crop reporting district number 5-N, an allotment which will total two per cent more acres than those counties planted in the last uncontrolled year of 1953. This district would gain eight per cent more acres in 1956 than allotted it in 1955.

Other East Texas districts in 1956 will show cuts below 1953 ranging from 22 to 29 per cent.

In West Texas counties, the acreage allotments for 1956 will show more severe reductions ranging from 38 to 46 per cent below acreage planted in 1953. One district, number 1-S in the Lubbock area, will show a decrease in 1956 of nearly seven per cent below 1955 allotments.

In 1955, West Texas counties took cuts from 23 to 40 per cent below 1953 acreages, while East Texas counties showed cuts from only five per cent to 34 per cent below 1953.

The program for 1956 amounts to a reversal of previous policies and procedures in many respects.

Part of the program will provide for additional acreage to small farmers in East Texas who have allotments of from 15 to 25 acres in cotton.

WTCC officials point out that an exact parallel in the hardship of the small farmer in East Texas exists in the economic hardship of the West Texas farmer planting 50-100 acres in 60 dry-land West Texas counties because of the greatly lower rainfall and lint production per acre in those counties by comparison with East Texas.

No provision is made in the program for the relief of low production areas in West Texas where average lint production per acre in the past five years has ranged from 30 pounds to 65 pounds per acre in much of the area. Most East Texas counties will consistently show in excess of 200 pounds of lint cotton per acre.

The Agricultural Adjustment Act of 1938, as amended, provides that the State ASC committee may set aside as much as 10 per cent of the acreage allotted to the state for a state reserve from which adjustments may be made for small farms, new farms, hardship and inequities and for trend adjustments.

Trend adjustments were first

the years following to provide sufficient acreage to each county under a special formula so that every farmer in the state would take no more than his fair share of the reduction in cotton acreage.

In 1954 and 1955 as much as 60 per cent of the state reserve in Texas was used in making trend adjustments in which as many as 200 of the state's approximately 240 cotton-producing counties shared.

No provision has been made in the 1956 program for any trend adjustment.

The 1956 program will return to East Texas and east Central Texas counties a considerable amount of acreage which those counties claim was lost to them in the 1954 program through the use of the trend formula that year by the State ASC Committee.

Steps are being taken by WTCC officials to prevent the adoption of the State ASC committee proposal, which is regarded by that regional organization as being unfair and discriminatory to West Texas cotton producers.

## EXPANSION OF SCHOOL MILK PROGRAM SEEN

COLLEGE STATION. — Expansion of the special School Milk program is in prospect for this school year, reports Assistant Secretary of Agriculture Earl L. Butz.

The Special School Milk program was authorized by Congress to increase consumption of milk by children in non-profit schools of high school grade and under. It was first operated during the 1954-55 school year. The program was administered nationally by the department's Agricultural Marketing Services, and within the states by the state educational agencies.

Texas reported 1,329 schools with 305,328 pupils participating in the program last year. During the period there was an increase of 18,235,000 half pints of milk consumed by Texas school children. Federal expenditures for the program in Texas amounted to \$718,000.

On June 16, the Department of Agriculture announced modification of the program to permit more schools to participate.

"We expect a better record this year because of the improvements which have been made in the program," said Butz. "Reports show that many more schools will be taking advantage of the program

than in the previous year."

The records of the complete program show a total of 41,460 schools with 8,674,328 children taking part. As a result of the program, more than 451 million additional half pints of milk were consumed during the school year.

## THE KNOX COUNTY HERALD, THURSDAY, OCTOBER 13,

Mrs. Mabel Pyeatt, Mrs. Carrie B. Benedict, and Mrs. Eddie Carr and Candy spent Saturday in Abilene.

Mr. and Mrs. Robert Gaines of Dallas spent the weekend in Knox City and Munday with their parents, Mr. and Mrs. J. R. Hitchcock and Mr. and Mrs. J. R. Gaines.

Mr. and Mrs. Charles McAdams and Charles C. of Post spent weekend with his parents, Mr. Mrs. Frank McAuley Sr., and family.

Weekend visitors in the home of Mr. and Mrs. Frank McAuley were Mr. and Mrs. Pat Riley, daughter of Wichita Falls.

### More Funds Needed To Expand Scouting

The Boy Scout movement in the Northwest Texas Council will need \$62,089.55 to maintain present facilities and take care of anticipated expansion in 1956, according to Hunter Jones, Council president. "In 1955 the enrollment of Cubs, Scouts, and Explorers has been 4,405 youngsters," Mr. Jones said. "In 1956 we want to offer the benefits of Scouting to every youngster 8 to 18 wanting to join, and if we are financially capable, we expect to enroll 1,947 additional youngsters in Scouting."

The big need now is for more organizations, namely churches, schools, clubs, and veterans organizations to sponsor Cub Packs, Scout Troops, and Explorer units. Sponsorship means providing leadership and a meeting place for the unit. Surveys show that three out of every four boys of Cub, Scout, and Explorer ages want to be Scouts, so more institutions are needed to provide the Scout program for their own youth.

In addition, the Scouting movement supports 38 summer camps all over the state of Texas. More than 30,000 youngsters attended these camps last summer, learning to respect others and take care of themselves. The local Scout Council supports Camp Perkins, located 14 miles from Wichita Falls, and Camp Boulder in the Wichita Wild Life Refuge near Cache, Okla. A number of Knox City boys attended Camp Perkins last summer.

The Boy Scout group in this area has its headquarters at the Memorial Auditorium in Wichita Falls. Its leadership comprises 1,252 devoted men and women from all walks of life. Helping these volunteer workers are five professional members of the Scouting movement. In addition, 96 churches and organizations sponsor Scout units.

To launch the new four-year program, "Onward for God and Country," more facilities and improvements will be needed at Camp Perkins. These improvements are a Chapel for vesper and worship services of units in long term camp or week end camp, a filtration plant for the swimming pool to keep the water pure and safe, a bath house at the pool and a new fence around the pool, a headquarters building which would house the canteen, the Camp office and storage for tenting and camp equipment. Conservation and reforestation is being continued so that new campsites may be developed. Sponsors are needed for some of these projects to give the Scouts of the Northwest Texas Council camping facilities of which the civic leaders of the district may be proud, Mr. Jones concluded.

Mrs. J. James visited friends in Haskell Monday night.

Mrs. John Griffith is in Abilene visiting her son, Don L., and family.
