

**KNOW
KNOX**

BY AL HINDS

Gazing into the Crystal Ball—
Knox City 42; Valley View, 6.

It seems that when a couple of prominent Knox City bird hunters, (if you could call them hunters) go hunting . . . the doves have very little to fear. When the two nimrods, (names withheld . . . I want to remain in Knox City), return home after their hunt, they tell their wives they bagged the limit, however I was under the impression that the limit was more than two doves. These two fellows have just about depleted the ammunition stock . . . but then if they continue to go hunting two or three times a week and bring in one or two birds . . . put them in the deep freeze, by the end of the season they may have enough birds for a dove dinner? ? ? ? ?

James Hill Charged With Murder in Local Cafe Stabbing Saturday", that was a headline in the Thursday, September 24 issue of the Morton Tribune. Of course it was not the "James Hill" . . . the "big wheel" around the Herald office . . . but Knox just thought it would be a good idea to let readers of the Herald know for sure . . . because you see . . . a newspaper publisher is often times tempted to commit murder when all the problems and perplexities of running a weekly newspaper are piled upon his "pore" ole aching back.

A fellow who was sitting next to me at a local cafe recently, picked up a newspaper that carried a story concerning a man by the name of "Sam Hill". After reading the story the fellow quipped: "Well, I have heard about Sam Hill all of my life, and have often wondered who the guy was. Continuing he remarked: "I often times have heard the expression of . . . What in the Sam Hill are you doing? . . . Where in the Sam Hill have you been?", etc.

For a town of its size Knox City has one of the finest football stadiums I know; however from the looks of the crowds that have been attending the "home games", it appears more seating capacity is needed. While I was moving up and down the side lines taking notes on the opening game of the season, I heard a number of fans remark—"We could use some more seats."

This scribe began reporting football games long before there were any press boxes, and it is hard for me to settle down in one spot when covering a game. Another reason I like to take notes from the sidelines is that I can see the plays much better than in the press box. Maybe I am getting old and just can't see as well as I once could.

Yep! . . . times have certainly changed. Way back when I started reporting football games, the field was oftentimes lined-off back of the school, on a vacant lot or in some cow pasture. I think the school heads back on those days would try their "dangdest" to pick a spot where there were plenty of good, solid, rocks, sand or goat-heads. And there were no seats for the paying customers and they just lined the edges of the playing field to view the game.

Within a few short days Knox City Lions will sponsor a street carnival. Now to get things straight in the beginning . . . this will be a good, clean, nice carnival. The rides will be brought-in and the Lions Club will set-up booths featuring various games. Lions Clubs, and other civic organizations in neighboring cities have staged this type of fund raising project and state it is very successful. The Knox City Lions Club needs to raise money to help pay off the indebtedness on the swimming pool . . . so that is the reason they are sponsoring the fund-raising project. Not only will the carnival furnish good, clean entertainment . . . but in turn all of the net proceeds will go for a good cause.

John Kale and this scribe were doing a little reminiscing recently as our thoughts and conversation drifted back to by-gone days. John and I both agreed that "hog-killing" time down on the farm . . . Thanksgiving and Christmas were great occasions. John, who by the way comes from a large family . . . just as this scribe, brought back pleasant memories when he referred to his boyhood days spent on a large farm in East Texas.

The aroma of sweet, delicious apples and oranges still reminds (Continued On Back Page)

THE KNOX COUNTY HERALD

VOLUME 54

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, OCTOBER 1, 1959

NUMBER 44

Salvation Army Fund Drive To Close Here Friday

Mrs. Doyle Graham, chairman of the 1959 Salvation Army Campaign Drive for western Knox County, announced Wednesday that out of 23 workers, nine had completed reports.

At a workers conference held Tuesday afternoon, a total of \$167.50 was reported to have been collected in the fund drive to that time.

Mrs. Graham said the drive will be completed and reports will be made at another workers conference to be held at 10 a.m. Friday, October 2, at Roddy's Cafe.

★ IT'S GETTING SNAKY HERE!

Killing of rattlesnakes within the Knox City limits is not uncommon anymore.

Mrs. Pete Edge and daughter Lynda Janell killed a rattlesnake at their home recently, and a large rattler was killed near the Sam Emory Clonts residence, Saturday night week.

As was reported in last week's issue of The Herald, a rattlesnake had been killed at the Paul Fitzgerald home recently.

Sladek Resigns SCS Position

Bill Sladek, Work Unit Conservationist with the Soil Conservation Service, has resigned from that position, effective as of Saturday, October 3, according to an announcement released this week to the Herald.

Bill will be engaged in farming in the future, but the Sladeks plan to continue residence in Knox City.

Sladek has been work unit conservationist here since January of this year, and has made an enviable record during that time.

District Meeting Of FFA Slated At Graham, Friday

Two members from the Knox City FFA Chapter will attend a district meeting of Future Farmers of America at Graham Friday, October 2.

Attending from the Knox City FFA Chapter will be Clyde Day, and Ronald Voss.

This meeting is being held to organize district FFA, install officers, set up district program and make plans for district leadership contest. Arnold Brown Vocational Agriculture Instructor will also attend a teachers meeting to study report forms for the year 1959-60.

Pee Wees Lose To Burkburnett

The Knox City Pee Wee football team met its first defeat of the season against two wins Saturday, September 26, as they lost to Burkburnett 26 to 6.

The strong Burkburnett ball club scored 20 points in the first quarter, and completed their scoring with 6 more in the third.

The lone Pee Wee touchdown came in the fourth quarter as the result of a 40 yard pass and run play from quarterback Jerry Myers to back Joe Reyes.

Station Wagon And Truck Involved In Wreck Here Monday

A Station Wagon driven by Mrs. Charles Clark and a Cathey Poultry & Egg Company refrigerated truck, driven by John Thompson, of Sweetwater, were involved in an accident around 11:15 a.m., Monday.

The collision occurred at a street intersection near the Dairy Mart on the Munday Highway.

No one was injured in the mishap, but considerable damage resulted to Mrs. Clark's station wagon.

Plans Are Shaping For Lions Street Carnival

Preparations are moving along satisfactorily for the Lions "big" Street Carnival to be held here Monday, Tuesday, and Wednesday nights, October 12, 13, and 14.

In addition to the rides, the carnival attractions will include games of zingo, rifle shoot, penny pitch, football throw, dart throwing, weight guessing, baseball throw, etc.

The 1946 Study Club will assist Lions in the carnival by having a rummage booth.

The carnival will be set-up in the street near the Citizens State Bank. Stands, concessions and various booths will be constructed and operated by members of the Lions Club. Funds subscribed from the carnival will go towards paying off the indebtedness of the swimming

Gonzales Found Dead Near Goree Wednesday Morn.

Apolinar Gonzales, 35, Latin-American "Crew Chief", was found dead Wednesday morning, nine miles north of Goree, on the Orb Coffman farm.

Gonzales family resides at Goree, but he originally hails from Raymondville, Texas.

He had worked as crew chief on the Coffman farm for the past three years.

Officers were investigating his death, but apparently he died from natural causes.

Knox City FFA Will Vie In Judging Contest

Sixteen members of the Knox City FFA Chapter will participate in the judging contest to be held at the Texas-Oklahoma Fair at Iowa Park on Saturday, October 3.

These team members have qualified to enter the contest by winning elimination contest in their Vocational Agriculture classes.

The judging teams and FFA members comprising them are as follows:

Dairy Cattle: Buddy Hooker, David Denton, Charles Reeves, Buddy Moon.

Livestock: Jerry Cornett, Clyde Day, Ronald Voss, Ronald Bruce.

Soils: Glen Harper, Garry Johnson, Joe Tidwell, George Egenbacher.

Elimination contest on grass judging will not be complete until later in the week. The FFA teams will be accompanied by their adviser, Arnold Brown.

25 Members Attend Jaycees Breakfast Tuesday Morning

Twenty-five members were present at the Jaycees breakfast Tuesday morning, 6:30 o'clock, Roddy's Cafe.

Knox City's newest organization now has a membership of 39 and the Charter night banquet will be held Tuesday night, October 20, at the school cafeteria.

At the Tuesday morning session, Jaycees discussed sponsoring of a "rattle-snake" drive next spring.

Jaycees have already instigated a safety program, and are planning to stage a Teen-age Road-race.

Knox City Band To Enter Contest

The Knox City School Band, under the direction of R. W. Scott left at 12:15 p. m. today (Thursday) for Iowa Park where they will enter the Texas-Oklahoma State Fair Band Contest.

Social Security Representative To Be Here Oct. 14, 28

A representative of the Social Security Administration will be in Knox City at the New City Hall, at 10 a. m. on Wednesday, October 14 and 28.

Persons who desire information or assistance in social security matters are invited to meet with the representative.

pool, and for other worthwhile local Lions projects.

BRANNER SPEAKS
Charles Branner, of Abilene, Salvation Army Field Director, spoke to members of the Knox City Lions Club at the Wednesday noon session.

Since the Salvation Army fund drive is now underway here, Branner used as his topic, "The Business Man's Approach to Charity."

Troy B. McKnight Is Named Farm Bureau Agent

At a recent meeting of directors of the Knox County Farm Bureau, Troy B. McKnight, Monday business man, was selected as the organization's new service agent, succeeding Gene Kissing.

McKnight has already assumed his new duties; however Kissing remained with the organization until October 1, assisting Mr. McKnight with various phases of the work.

The Kissingers are moving to Sherman where he will continue to serve as Farm Bureau service agent for that area.

Dr. T. S. Edwards Given Tribute At Iowa Park Fair

Dr. T. S. Edwards, of Knox City, was among those honored at the Pioneer Day at the Texas-Oklahoma State Fair, Iowa Park, Tuesday.

Pioneer founders and builders of North Texas and Southern Oklahoma were given a tribute, Tuesday. Highlighting the event was a speech by a man to whom this year's Fair was dedicated, Senator Lyndon B. Johnson.

Dr. Edwards had the honor of sitting on the speakers platform and having his picture taken with Senator Johnson and "Lady Bird." The picture appeared on the front page of the Wednesday morning edition of the Wichita Falls Record News.

Rev. Oran Smith, pastor of the Knox City First Methodist Church, accompanied Dr. Edwards to Iowa Park.

Larry White Is Top Scorer In Abilene Area

Hard charging, fullback Larry White of the undefeated and untied Knox City Greyhounds continues to maintain his Abilene area scoring lead through last week's games with 60 points, a four-point lead over runner-up Buddy Brewer of Stanton and Billy Simmons of Roby.

Also among the top 25 scorers in the Abilene area is Jim Phillips, of the Knox City "Hounds."

4-H Club Elects New Officers

The 4-H Club met September 22, for the first session of the year, and the following officers were elected to head the organization for the coming year.

President, Louis Flores; vice-president, Jan Jones; secretary, Terry Patterson; reporter, Bobby Beatty, and delegate, Dickie Green.

Troy Jones, of Benjamin, is the new county agent.

Examinations For Substitute Post Office Clerk Are Announced

The U. S. Civil Commission has announced examinations for substitute clerk-carrier at \$2.00 per hour for employment in the Knox City, Texas post office.

Further information and application forms may be obtained at the postoffice or from the Regional Director, Eighth U. S. Civil Service Region, Room 103, 1114 Commerce Street, Dallas, Texas.

Knox City Junior High Topples Rule 24 To 0

Played in cool, crisp weather the Knox City Junior High toppled Rule 24-0, here Monday night.

Knox City's first touchdown came on a pass play from Mark Anderson to Johnny Montandon, with Jimmy Reyes adding the extra points.

Reyes broke loose on a 45 yard scamper to rack-up the second touchdown for the locals. David Gentry tallied the extra points.

The Knox City Junior High third touchdown came on a 30 yard pass play from Mark Anderson to Brack Shaver. Gentry again added the extra points.

"B" TEAM SCRIMMAGE
Following the Junior High game, the Knox City "B" team scrimmaged Rule. Coach Ted Darland stated the local "B" squad looked good in the practice session.

Monday night, October 5 the Junior High team travels to Throckmorton for a game scheduled at 6:30, and will be followed by a scrimmage of the Knox City "B" team and Throckmorton, coach Curtis Hines said.

★ ATTENTION MOTORISTS

According to information released to the Herald by Sheriff Homer T. Melton, there have been too many complaints of persons failing to stop when the school buses are stopped on the rural roads.

Regulations at school bus loading-stop on rural roads are, as follow:

1. The law requires school buses to stop off the road-way.
2. Require vehicles from either direction to stop before passing the school bus when the bus is stopped outside the corporate limits of a city or town and is loading or unloading students.
3. The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten miles per hour, and with due caution for the safety of such children.

Knox County officials plan to strictly enforce this law, as it is for the safety of the children.

Army Recruiting Service Offers New Training Courses

Sfc Tourville, United States Army Recruiting Service, announced the opening of 139 new technical training courses effective as of October 1, 1959. These courses include schools in electronics, surveying, nuclear weapons assembly, welding, drafting, automotive mechanics, airplane repair, helicopter repair, photography, intelligence, medical procedures, X-ray procedures, and others.

Young men and women interested in this schooling will be processed upon application and qualified applicants will have their courses reserved for them at that time, and will leave Abilene for initial training in mid-October.

For further details on these choice assignments you are requested to contact Sfc Tourville at 900 North Third Street, Abilene, or call collect, Orchard 2-5665, as soon as possible before quotas for the most popular courses are filled.

Junior Class Is Selling Beans

The Knox City Junior Class is selling red felt beans and funds subscribed from sales will go into the class fund. The Beans have blue initials of (K-C) on the front.

Persons desiring to purchase a Bean at 50c each, may contact any member of the Junior Class.

'Hounds Lick Lockett; Play Valley View Friday

The Knox City Greyhounds return home again tomorrow night, (Friday), after two successive wins on the road. The 'Hounds made it four straight last Friday night, ripping Lockett 38-6, and meet their fifth opponent, Valley View, Friday, October 2, on the local field.

The Lockett Panthers, with good team speed, cashed in on a 4th down running attempt by the 'Hounds, to take possession of the ball on the Greyhounds 39. Three attempts by Lockett lost two yards and facing 4th and twelve, pitched wide to the tail back who cut back and scampered 41 yards to score. Try for extra points failed and the Greyhounds fell behind for the first time this season, 0-6.

After an exchange of punts, J. Tom Graham intercepted the first of four passes picked off by the 'Hound's defense and the Greyhounds were in business on the 35. A pass from Joe Elledge to Jimmy Phillips gained 37 yards and immediately following Elledge threw to Donald Johnson who made a spectacular one handed catch for the touchdown. Joe Ed Glover put the 'Hounds ahead 8-6 with a dash around right end.

In the second quarter, Elledge hit end Jim Anderson, who played an outstanding defensive game, for a pass and run good for 58 yards. Larry White made the remaining 12 yards in one smash over left tackle. The attempted conversion failed and the half ended 14-6.

After receiving the second half kick-off, Lockett tried a pass which was picked off by Dennis Anderson and returned

JUST TALK

By JAMES HILL

In a coffee break with Jeff Graham Monday we started re-playing Friday night's game with Lockett all over again . . . During the session we came up with some figures some of the 'Hounds fans may not recall.

Out of four games played, the Greyhounds have scored 180 points and only two teams have scored against them, for a total of 12 points. Also, of significance is the fact the four teams have only gained 51 yards rushing. This figure is the net yards gained by each team and the total divided by four, to arrive at the 51 yards net.

Trent made 89 yards rushing, which was the highest of the four teams, and they made 41 yards and their only touchdown, in one play.

Nearly every team has at least one standout, but Knox City is blessed with a whole team full of them. We said at the beginning of the season that we felt this would be one of the greatest football years Knox City has ever had, and the farther we go in play, the more this prophecy comes true. We feel more strongly now, than ever, that we will go all the way.

If town spirit has anything to do with winning, we would bet our last peso on the 'Hounds—the last two games we played out-of-town, there have been more Knox City folks present than the hometowners.

Jimmie and Rene Branch and their daughter Jennifer were visitors in Knox City Tuesday and Wednesday. They are liking their new home very much and all of them seem to be well and having a good time in Lubbock.

Jimmie asked Eddie Carr and I to go hunting with him Wednesday afternoon, so we did. As things worked out, hunting was especially good, and we brought home our limits. Jimmie had evidently heard about the terrific teasing our wives have dealt us about our hunting, for as he drove off Wednesday morning he told the wife how good the hunting was and said it took both the marshal and I to pick up the birds HE shot.

Jimmie, for gosh sakes don't EVER get in any kind of a fix here in Knox County—but if you do, the paper and the law will sure HELP (?) you all they can.

It seems there are some people in Knox City with a real sense of Civic Responsibility. It was brought to the attention of the Herald staff that SOME See 'JUST TALK', Back Page

to the Panther 18. Jimmy Phillips covered the remaining ground on the first play from scrimmage. Elledge passed to Johnson for the extra points.

The 'Hounds were well on their way to a 24 point third quarter. Joe Ed Glover climaxed a 64 yard drive as he hit pay dirt from two yards out. The drive was set up by a 47 yard break by Jimmy Phillips. The conversion was again from Elledge to Johnson. Shortly afterwards, Graham picked off another Panther pass try and it took Knox City only four plays to score with wingback Jimmy Phillips dashing the final 15.

Larry White crashed for the final two points of the night bringing the score to 38-6. The reserves carried the mail all the final quarter and moved the ball well, but were never able to threaten seriously.

The 'Hound drives and possible touchdowns were halted by time. One died as the first half ended and the second was stopped by the final gun. Both times the 'Hounds were inside the Panther ten.

The 'Hounds defense was a-gain tough with Buddy Moon, M. C. Vincent, Joe Tidwell, Arnold Casillas, Jim Anderson, Donald Johnson, L. White and David Denton doing the line work.

Knox City will attempt to bring their record to five straight as they tangle with Valley View Friday night.

Game At A Glance

First Downs: Knox City, 14; Lockett, 4.
Yards Rushing: Knox City, 236; Lockett, 89.
Yards Passing: Knox City, 175; Lockett, 15.
Passes Completed: Knox City, 5 of 12; Lockett, 1 of 19.
Passes Intercepted: Knox City, 4; Lockett, 0.
Punts Average: Knox City, 3 for 29; Lockett, 4 for 34.
Penalties: Knox City, 4 for 40; Lockett, 3 for 15.

★ Football Games To Begin At 7:30

All of the remaining Greyhound football games will begin at 7:30 p. m., in the future, instead of 8 o'clock, according to an announcement made today by Supt. of schools, E. A. Youngblood.

The Thursday night pep rallies will be held at 7:00 o'clock, instead of 7:30, the Supt. pointed out.

Pfc. Jenson Is Picked Soldier Of The Month

FORT McCLELLAN, Ala., Pfc. James R. Jenson, Knox City, resident, was recently congratulated by Lt. Col. Beverly F. O'Neal, Jr., upon being picked as the battalion "Soldier of the Month."

Pfc. Jenson, a graduate of Knox City High School, entered the Army in 1958, and completed basic training at Fort Carson, Colo. He arrived at the U. S. Army Chemical Corps Training Command during October, 1958.

Jenson and his wife, the former Jimaleen Clark of San Angelo, reside in Anniston, Ala.

Auxiliary Slates Meeting Sunday

Members of the Auxiliary to Knox County Barracks 1029, will meet at the Legion Hall, Sunday, October 4, at 3 p. m., the same time the Barracks meets.

Any woman whose husband is a World War I Veteran, and has, or will pay dues, is eligible to attend.

Annual Sidewalk Art Show Slated At Wichita Falls

Area artists will display their best work again when the 12th Annual Sidewalk Art Show sponsored by the Wichita Falls Art Association of the Woman's Forum will be held in downtown Wichita Falls on Saturday, October 10 from 10 a. m. to 3 p. m.

The show will have its center at the corner of Ninth and Scott where artists are asked to register at the show desks upon their arrival. Membership in the Art Association is not required, but a nominal registration fee will be charged. In addition to the adult division, there will be four divisions for Young Artists, ages 6 to 18.

Work in any recognized art media may be shown but it must be original and never displayed in the street show before. Mrs. Rex Ryan, general chairman, states that paintings and drawings must be framed or matted with stiff cardboard. Categories will be in oil painting, water color, pastel, finger-painting, graphic arts and mixed media of all kinds. Divisions in crafts will be provided for jewelry, metal work, ceramics, mosaics, etc. Ribbons will be awarded winners by judges from North Texas State College, Denton. Young Artists show will be judged by Midwestern University art majors.

Varied demonstrations will be given during the show, including one showing cutting and polishing of gem stones, which is new for the show.

Artists in the adult division will honor the judges with a luncheon at noon Saturday. All area artists are cordially invited to participate in the show.

The Annual Texas Prison Rodeo Is Slated In October

Inmate contestants, plus a host of the nation's topflight television and recording stars will be the bill of fare for the 28th annual Texas Prison Rodeo at Huntsville in the prison's \$1,000,000 stadium each Sunday in October.

Big name stars such as James Arness, of the TV series, "Gunsmoke," along with Johnny Cash, popular country-style singer, open the 1959 series on October 4. Dale Robertson of "Tales of Wells Fargo," and Tommy Sands, sensational singing idol of the teenage crowd, appear on Oct. 11, while Steve McQueen of "Wanted-Dead or Alive," teams with Singer Johnny Horton of "The Battle of New Orleans" fame on October 18.

For the October 25 performance, prison rodeo officials say they will produce two additional nationally-known stars for the closing of the 1959 series.

In addition, there will be other outside acts, rodeo clowns, inmate entertainment groups and mounted quadrilles from Pasadena and Bellville. The Houston Range Riders also will appear and for the first time the rodeo will feature a girl's barrel race event.

H. H. Coffield, Rockdale businessman, who serves as chairman of the Texas Board of Corrections and its rodeo committee, said, "We are doing everything possible to present the best entertainment feature found anywhere."

Humble's First Quadruple Oil Well Told In Current Issue "Humble Way"

The story of Humble Oil & Refining Company's first quadruple oil well, which provided a cheaper method of getting more oil out of the ground, is told in the current issue of the Humble Way.

From this well, Humble's King Ranch-Alazan No. 11, four separate streams of oil from as many different producing sands can be flowed to the surface simultaneously through the single bore hole.

As a result, the well which is located about 30 miles southwest of Corpus Christi, is in effect four oil wells in one. Each reservoir has a state allowable and each can be shut in or produced independently of the others.

Some of the economies realized are readily apparent. The first cost of drilling one well and completing it for oil flow from zones is considerably less than that of drilling four single wells. By producing all zones at the same time, Humble can expect to recover the money it has invested in the project in a much shorter period of time than if the zones were produced one at a time.

Savings of this nature help to offset rising costs in daily operations and many materials.

At this well, after drilling through all four of the oil producing formations and several gas formations to a total depth of 8,960 feet, the crew set 7 5/8 inch casing to the bottom of the hole and cemented it in.

The casing was then perforated opposite each of the four oil reservoirs, and the zones were isolated from each other inside

the casing by means of tubing and packers.

Separate strings of two-inch tubing direct the flow of oil from three of the zones to the surface while oil from the fourth zone is produced through the annulus—the remaining space inside the casing.

The highest perforation in the well is more than a mile below the surface, at 5,781 feet; the lowest is nearly a half a mile deeper, at 7,891 feet. In between are the other two perforated zones, one at 7,107 feet and the other at 7,227 feet.

Streams In Desert Places

Ozelle Stephens

"Good Master, What Shall I Do That I May Inherit Eternal Life?" (Mark 10:17)

This question was asked following the great teaching of Jesus when He said, "Suffer the little children to come unto Me, and forbid them not: for such is the kingdom of God." (Mark 10:14) A little child is so helpless and needs loving care, but not anymore than the grown person who is lost, one who needs eternal life. For he too is so helpless within himself. But when he renounces everything and turns to Christ he finds the loving care he needs and is made to realize the value of eternal life is far greater than all the wealth and honor of the world.

School Lunchroom Menus Announced

School menus in the Knox schools for the week beginning October 5 will be as follows:
 Monday: Bar-be-que, sausage, English peas, butternut squash, vegetable salad, squares, bread and butter.
 Tuesday: Pinto beans and corn, buttered carrots, green salad, ice cream, bread, butter, and milk.
 Wednesday: Fish sticks, creamed potatoes, tossed apricot cobbler, bread slicer, and milk.
 Thursday: Meat loaf, butternut squash, vegetable salad, squares, bread and butter.

Uncle Ben from

DEAR MISTER EDITOR:

The boys at the country store Saturday night brung up several items that ought to be recorded in the minutes. Some of the fellers is gitting worried over this new round of inflation and them 300 billion dollars potatoe. One of 'em said he was 18 year old afore he ever heard the word "billion" and it has opened when some do-gooder from the county seat was talking about the germ count on the dipper at the town pump. And he allowed he was 30 year old afore he ever heard the word used in connection with money. He was lamenting the sad fact that since he was 40 he ain't heard it use in no other capacity.

Ed Doolittle claims you newspaper editors is handling the situation in a very bad way. He allows as how you editors ought to quit discussing the danger of inflation in terms of billion and git it down to language a rancher, dirt farmer, and store clerk can understand. Fer instance, Ed says he put a penny in one of them peanut machines the other day and got four salted peanuts. He claims if you editors would go to the people preaching about four salted peanuts fer a penny you'd git some pun done about inflation.

Another item that is worrying the fellers is the way they're gitting so many regulation fer things around your own property. One of 'em said he saw where a feller was fined \$25 fer running a electric extension wire to his own barn. On account of him not being a licensed electrician he don't know how to plug it

Study Club Honors Past Presidents At Opening Dinner

Past presidents of the 1946 Study Club were honored guests at the opening dinner, Tuesday night at Roddy's Cafe.

Mrs. Joe Clonts, president, read a brief history of each club year, while Mrs. Buster Lowrey pinned a corsage of orchids on the president of that year.

Each past president was asked to add remarks concerning the activities of her year as head of the club.

Past presidents who were present included Mmes. Chad Wilson, Clyde Williams, George Wall, A. V. Kemletz, Jim Ross, Rip Collins, Sam Clonts, Neil Perdue and Paul Hoge.

The tables were decorated in an autumn theme with miniature footballs and autumn leaves. A centerpiece of orange marigolds, dried okra pods and pyracantha berries was used on the head table.

Hostesses for the affair were Mmes. Jim Ticer, W. J. Roddy, and Lowrey. A Mexican supper

Matura-Orms Vows Exchanged Recently

Dwayne Ray Matura and Darla Orms were united in marriage September 26 in Hugo, Oklahoma.

The bride is a graduate of Grand Saline High School, and is the daughter of Mr. and Mrs. R. E. Orms of Grand Saline.

The groom is a graduate of Carney High School and is the son of Mr. and Mrs. Bill Matura, of O'Brien.

WEEK END VISITORS

Mrs. Henry Smith of Mattson visited here over the week end in the home of Mrs. I. B. Grissom, Mrs. E. C. King, and H. T. Rader.

was served.

Members of the finance committee including Mmes. Carl Shelton, Curtis Hines, Charles Clarke and Travis Thompson were recognized for their work toward making the Hawaiian Luau held by the club in August such a success.

Mrs. Williams was appointed reporter. The club voted to purchase a new scrapbook for the club. It was announced the Texas Federation of Women's Clubs would meet in convention in Abilene October 7 and 8.

The club voted to have its meeting dates printed on the Band Booster calendar. They agreed to assist Lions in the carnival by having a rummage booth. Mrs. Bill Sams was appointed as chairman of this project and members agreed to bring rummage to the next meeting of the club October 8.

This meeting will be the Federation Day program and will be held with the Knox City Study Club with Mrs. J. U. Fields of Haskell, past president, as guest speaker.

THAT MAN'S HEAD

Yep, it's just about time for towering the crowd again amidst the crowds at the Texas in Dallas, Oct. 9-25. Size of the here dwarfing man at right. Crane in set the head atop the body. "Big Tex" st.

Annual Texas Rodeo Is Held In October

Contestants, plus a host of nation's topflight tele- and recording stars will bill of fare for the 28th Texas Prison Rodeo at the prison's \$1,000-a-week each Sunday in Octo-

ber. Stars such as James Dean, of the TV series, "Gun- slinger" along with Johnny Cash, country-style singer, open the series on October 4. Dale Gribble, of "Tales of Wells Fargo" and Tommy Sands, singing idol of the teen- age crowd, appear on Oct. 11. Steve McQueen of "Want- ed or Alive," teams with Johnny Horton of "The Longest Mile" on Oct. 18.

The October 25 performance by the Midwestern University art group will be a highlight. Demonstrations will be held during the show, including bowing cutting and polishing gem stones, which is new to the show.

Contests in the adult division honor the judges with a prize at noon Saturday. All artists are cordially invited to participate in the show.

O'Neal-Williams Vows Exchanged

Anne O'Neal and Buddy Williams were united in marriage in a double ring ceremony at the Baptist Church in O'Brien Sunday, September 27, at 3 p. m. Rev. Mart Hardin performed the ceremony.

Music was by Barbara Carver, pianist, of Odessa, and cousin of the groom, and vocalist was Mrs. Billy Gene Johnston of Knox City.

Given in marriage by her father, the bride was attended by the groom's sister, Jo Ann Williams, as maid of honor.

Best man was Royce Manning, of Hardin-Simmons University. Jerry Rowan and Jerry Carver were ushers.

The bride wore a gown of an- chily lace and satin.

She attended the O'Brien schools and the groom was a 59 graduate of O'Brien schools. He is now employed by Stephens Bros. Chevrolet Company, Knox City.

Mr. and Mrs. Ernest O'Neal are parents of the bride, and Mr. and Mrs. Joe Williams are parents of the groom.

The couple left for California for their wedding trip, and plan to make their home in Knox City.

Scavenger Hunt Held By Freshman Class Of Knox City

The freshman class of the Knox City High School were entertained with a "scavenger hunt" Tuesday night.

The group met at the home of Mr. and Mrs. Jack Tankersley.

Refreshments of home made ice cream, cookies and pop were prepared and served by the following room mothers: Mrs. Jack Tankersley, Mrs. Clyde Williams, Mrs. Jeff Graham, Mrs. Doyle Gayle Fitzgerald, Mrs. Harold Bankston, Mrs. Zeb Smith and Mr. and Mrs. Ted Darland.

extra votes sounds good, tual effect is to change share of the total from mately 4.3 percent to 4.1

FIRES ROUND—Texas Re- ns, too, are stirring them- for the election year a

relative committee of the GOP aimed a sweeping broad- side at the activities of this year's legislature. There are no Re- publican members in what the GOP called "the worst Legisla- tion in Texas History."

It ac- cused the "Democratic monopoly session" of spending \$3,000,000 for its salaries, staffs and expen- ses and enacting a heavy load of so-called "painless" taxes. It al- so made some uncomplimentary remarks about action or inaction in regard to water law, election law, criminal law, lobby law, etc.

Texas Republicans will prob- ably hear more calls to battle when GOP National Chairman Thurston B. Morton make a seven- city swing through Texas in November. His theme is to be "Recruit for '60."

ON WITH THE SHOW—Texas' highway building program can keep moving ahead, said State Highway Engineer DeWitt Greer, since federal enactment of a one-cent hike in the gasoline tax promises more funds.

Greer said the expected funds would enable Texas to move at about 75 percent its present speed. "This will be most help- ful," he said, "to keep us on an even keel."

Meanwhile, the Highway De- partment went about its mam- moth business. Low bids total- ing \$18,045,080 were tabulated

Hospitals to benefit are Bap- tist Memorial and Methodist Hospital, San Antonio; St. David's, Austin; Hansford County Hospital, Spearman; Newton County Hospital, Cameron; St. Elizabeth's and Methodist Hos- pital, Houston.

New Licenses Are Required To Hunt And Fish

"Don't ruin your hunt by overlooking the game laws," warned the Director of Law Enforcement, Texas Game and Fish Commission. "Before taking your gun from the rack, be sure you know all laws concerning game in your particular area."

Old hunting licenses expired Oct. 31. Be sure to have your new licenses on you when you go out to hunt. Check your gun for a plug. Only three shells, including one in the chamber are allowed in it by law.

"Don't hunt on a piece of property unless you have permission from the owner or person in charge of it. Don't fire near a home or in a direction that might endanger some person, house, or even livestock."

"Hunting from a public road is prohibited by law and it's illegal to shoot from a moving vehicle. These are laws that have been in existence for quite a long time," said the director.

He then reminded hunters that many of the birds taken

during the hunting season will have tags on their legs. "These tags should be returned to the Game and Fish Commission with information telling when and where the bird was killed."

He then warned hunters not to forget the changes in the waterfowl regulations. "If they can't be found in print," he said, "check with the warden in your area; he'll be more than happy to help you."

N. U. CLUBS STATE Tour Of Homes

Home Demonstration Clubs of the County will meet at Benjamin, Wednesday, October 6, at 9:30 a. m., to begin a tour of homes and achievements over the county.

The tour will begin at Benjamin, then to Truscott, Gilliland, Vera and Munday.

Each club will have on display items they have made such as clothing, copper, canned goods, etc.

Coffee and pie will be furnished by the Gilliland Club, and sack lunches will be eaten at the Gilliland school.

Those making the tour are asked to bring lunches.

ON DISPLAY! FRIDAY! SPACIOUS! POISED! BEAUTIFUL! LIVELY! ELEGANT! QUIET! SMOOTH! LUXURIOUS! ENDURING! SUPERB! SPIRITED! JOYFUL!

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line. Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel. Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration. Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models. But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

JONES DRUG

'Graham Crackers'

BY J. TOM

A typical high school student approaches a businessman on the street corner of our progressive little town and enthusiastically says, "Hello, I represent . . ."

But before the student is able to complete his sentence, the businessman reaches toward his hip pocket to retrieve his time worn wallet, and automatically replies, "How much?"

Yes, it's that time of the year again. Fall, the time when the money drops in to say hello, before leaving for another year. All the organizations in school, and there are a great number of them, including seniors, are in need of funds to begin band, FFA and FHA—juniors another year's work, so immediately they devise money-making projects to meet this need.

The projects are chosen with special care, hunting for a compromise in price and profit. The organizations look for projects that will be financially beneficial to them, and yet, equally profitable to the buyer. They try to sell quality merchandise that people ordinarily buy or need for necessities or luxuries, like magazines, newspapers, or some delicious form of candy.

Since I am a senior, and have been in all of the organizations, except perhaps the FHA, I would like to take this opportunity to personally express my gratitude for the marvelous support our town has given the various organizations of our school. It is wonderful to know that we can depend on the people for their genuine support, and I sincerely hope that all the classes

BACK FROM HOUSTON

Bill Anderson, Mark and Mary Beth were in Houston last week end to return Mrs. Anderson to Knox City. She had been with her mother, Mrs. Geo. Martin of Midland, who underwent surgery the first of the week.

Mrs. Anderson's father who is in the Veterans Hospital in Temple. Mrs. Anderson reports her parents are doing well and will be home soon.

ATTENDS FUNERAL

Mrs. Clyde Smith, and Mrs. Jack Melvin attended the funeral of Miss Dolly Smith at Electra Tuesday of last week.

VISIT HERE MONDAY

Visitors in the H. T. Rader home Monday were H. Reggins of Rule; Mrs. I. Branton and Mrs. L. L. Bean of Rochester and Mr. and Mrs. Tom Dunn of Georgetown.

in the future receive the same support the senior class is receiving now.

They tell me, although I couldn't be too sure, that Mr. Bankston was attempting to talk his daughter, Sue, into getting a summer job not too long ago. As the rumor goes, he was not succeeding. "Your summer job will help you later in life," he reasoned logically, "when you get out in the world and try to earn a living." To this Sue replied, "I'm not gonna earn a living, I'm gonna be a teacher."

The author of the following poem has the common sense to remain anonymous.

"Football taps a fellow's strength, And chemistry raps his head. But the hardest part of my school day, Is climbing out of bed."

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

The boys at the country store Saturday night brung up several items that ought to be recorded in the minutes. Some of the fellers is gitting worried over this new round of inflation and them 300 billion dollars we owe. One of 'em said he was 18 year old afore he ever heard the word "billion" and it happened when some do-gooder from the county seat was talking about the germ count on the dipper at the town pump. And he allowed he was 30 year old afore he ever heard the word used in connection with money. He was lamenting the sad fact that since he was 40 he ain't heard it used in no other capacity.

Ed Doolittle claims you news paper editors is handling the situation in a very bad way. He allows as how you editors ought to quit discussing the danger of inflation in terms of billions and git it down to language a rancher, dirt farmer, and store clerk can understand. Fer instant, Ed says he put a penny in one of them peanut machines the other day and got four salted peanuts. He claims if you editors would go to the people preaching about four salted peanuts for a penny you'd git somepun done about inflation.

Another item that is worrying the fellers is the way they're gitting so many regulation fer things around your own propety. One of 'em said he saw where a feller was fined \$25 fer running a electric extension wire to his own barn. On account of him not being a licensed electrician, he don't know how to plug in

a extension cord. They'll have it fixed in another 10 year so's a man can't milk his own cow if he ain't a licensed cow doctor and if he's a cow doctor and uses a milking machine, he'll have to git a electricians license to operate the milker.

I see where U. S. Senator Sam Ervin says these is times that "tax our patience" I figgered they'd git around to that sooner or later. They've taxed about everything else and now we'll have to pay fer what little patience we got left. The next budget will include a sliding tax scale on patience, about 2 per cent fer lawyers and 4 per cent fer you and me.

Things is gitting mighty rest-

less all over, Mister Editor. People is nervous, nobody is sleeping sound no more, and ulcers is now a plague upon the land. As fer me, I'm gitting as restless as one preacher listening to another preacher preach. I reckon that's about as restless as a feller can git.

Yours truly,
Uncle Ben

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

FRIDAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! FRIDAY!

THE REVOLUTIONARY Corvair BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair. The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one. The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit. By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle. Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow. Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6 Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT* Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION

There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

*Optional at extra cost

AN Electric RANGE WITH A

PULL-OUT OVEN FOR EASY CLEANING

FRIGIDAIRE ADVANCED ELECTRIC RANGE

No More Oven-Scrubbin' Drudgery!

Here's the easiest cleaning ever offered in a range, and a Frigidaire "exclusive." Oven cleaning so easy for you, it's like wiping off the range top. You'll actually cut cleaning time in half! Now the whole oven actually pulls out—out on the door for easiest wipe-pulls out—out on the door for easiest wipe-pulls out—out on the door for easiest wipe-pulls out. Imagine—you can stand up and wipe clean the entire oven interior. No more scraping off baked-on spatters while down on your knees. No more awkward squatting and stooping with the oven door in your way. Now it's really easy to reach into back corners—to reach all surfaces. Really a breeze to keep all of the oven grime-free and bright. And that one-piece porcelain enamel interior is so smooth—you can wipe it clean with a nylon stocking!

3¢

It's so inexpensive to cook the modern electric way. The average family served by World can cook a complete meal the easy, fast, clean electric way for less than three cents.

It's years for as little as **\$950** Per Month

Just Talk--

(Continued From Front Page)

ONE has FINALLY done something about uniforms for our local Police Force by donating a new uniform to our Chief of Police, Eddie Carr . . . It may not be up to regulation standards, but it IS the most unique one we have ever seen . . . being equipped for 'most ANY emergency' . . . complete with a whistle and "traffic" (?) stopper . . . We can hardly wait to see if he wears it to direct traffic during our Thursday night Pep Rally . . . But just in case it doesn't fit, or something, and as it is well 'nigh impossible for us to do it full justice with a verbal description, why not just drop by City Hall and ask for a free demonstration?????????

Passing Thought: — Column writers never die, they just scribe away.

TOO LATE TO CLASSIFY

NOTICE: If you are in the market for a new or used car, see Sam Johnston at O'Brien. I can save you money. 4tp 44

Related in name and good looks—the new COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 150 inches, however, the Corvair is more than two and one-half feet shorter, while its 105-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

Elegance and chassis refinements characterize the larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct.

Goree Man Back From Tour Of Duty

LONG BEACH, Calif. (FHTNC) —Robert G. Ford, ship serviceman's third class USN, son of Morris A. Ford of Route 2, Goree, returned to Long Beach, Calif., recently aboard the destroyer tender USS Bryce Canyon after a seven-month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

On August 24, at Yokohama, Japan, the Bryce Canyon was awarded a gold Navy "E" for outstanding battle efficiency. This is the fifth consecutive time she has won the award, and the first time in Navy history that a gold "E" was awarded.

During her tour of duty, which brought her to Japan, the Philippines, Formosa and Hong Kong, the Bryce Canyon participated in many charitable activities.

At Subic Bay, in the Philippines, crewmembers donated 100 pounds of foodstuffs to hill-dwelling natives, set up a \$500 scholarship for a needy student, and donated blood which saved a person's life.

At Formosa, crewmembers also donated 100 pounds of clothes.

Special features include a flat, air-cooled engine mounted at the rear, unitized body with virtually flat passenger compartment floor, swing-type rear axle with independent springing at all four

The conventional line of Chevrolets also boasts progressive modification. The styling is distinctive, with outstanding newness in the front and rear sectors. Passenger space is roomier, more comfortable and richly fitted. A new economy V8 engine is among chassis improvements that promise greater durability and satisfaction.

We Have All Kinds Of Picture Frames For You To Choose From. See Our Display Of Pictures & Frames Today!

Wm. Cameron Co.

to be used as surgical bandages, and 45 pints of blood to aid disease-stricken Chinese.

During her 20,000 mile cruise, the Bryce Canyon participated in various operational exercises, and furnished repair and logistic support to the Pacific Fleet destroyer force and other units operating in the Western Pacific area.

(Continued From Front Page)

John of the Yuletide season, as he remarked that his father would always bring home a big box of fruit just prior to Christmas and hide them. The aroma of those apples and oranges hidden somewhere in the house, was a reminder that Christmas was just around the corner and soon Santa Claus would make his annual visit.

A study of women's role on the highway shows that after the age of 29, female drivers tend to be more accident prone than men. There may be some truth to the old saying about women drivers after all . . . but better go easy men on telling the little woman that men were right all along.

New Organization Methodist Men Is Chartered Here

A new organization of Methodist Men in First Methodist Church, Knox City, has been chartered by Methodism's General Board of Lay Activities in Chicago. Zeb Smith is president of the local organization.

It is estimated that 2,000,000 men in the Methodist Church are prospective members of Methodist Men Clubs throughout Methodism.

Robert G. Mayfield, executive secretary of the board, states that "We seek to mobilize through Methodist Men the tremendous power and enthusiasm of the men of the church. Our purpose is to give strength to the program of Christ and His Church through consecrated service of men in every local church of Methodism."

New Chevrolets To Go On Display Tomorrow, Friday

The revolutionary Corvair, long a target of speculation in the automobile world, makes its debut tomorrow, Friday, October 2, along with the distinctive new conventional line of 1960 passenger cars, at the Stephens Brothers Chevrolet Company, Knox City.

On display in dealer showrooms for the first time, the complete new line offers 19 models, including the compact six-passenger Corvair and a series of Impalas described as the most luxurious ever introduced in the low price field.

The trail-blazing Corvair, product of a nine-year research and development program, offers a compact car specially designed to meet American standards of comfort, convenience, safety and performance at lower initial cost and greater economy of operation.
