## Women Honored

### Women's Foundation Fund For Local Woman

Lora Beth Ross accumulated funds whether gift or other wise and make them available on a charitable and free basis for the purchase of medicines, prosthetic devices, eyeglasses or ophthalmological devices and care, dental work and appliances, diet supplements, shoes and clothing, and general and specialized medical services for poor, indigent, needy or destitute minor children within the State of Texas, primarily in the counties of Haskell and Knox.

The document for founding the corporation was drawn up by a Dallas attorney, Gayle Oler at the request of Dr. Majorie Keele and Mrs. Reba K. Walker, two of the consultants working with the Haskell-Knox Consortium.

Dr. Keele is a Dallas pediatrician who has made three trips to Haskell-Knox to provide medical examinations to children in the Plan A program. Mrs. Walker has taught the staff development classes through Texas Woman's University for four semesters and

served as a consultant in the ten schools of the Plan A Consortium. Both women recognized the outstanding service of Mrs. Ross as she gave of her time, talent and energies, far above the requirements of her profession, and wished to assist and honor her.

The Lora Beth Ross Children's Foundation is the outward manifestation of this desire to serve children. Application for tax deduction privileges on all gifts to the Foundation has been submitted. The directors, who include Mrs. Reba K. Walker, 1902 Delta, Arlington, Texas 76012, Dr. Majorie Keele, 1252 Crofton Circle, Dallas, Texas 75230 and Lora Beth Ross, Box 601 Knox City, Texas 79529 welcome inquiries and gifts of money or service.

To make a beautiful world for our own children, we must of necessity make a more beautiful world for all children. It is the goal of the Foundation to do just that for at least a few children in Haskell and Knox Counties.

READY TO "SWEEP THE TOWN" THURSDAY, MAY 10, are these Knox City Lions pictured here as they received their whisk brooms in preparation for the annual Mop and Broom Sale next week. Seated from left, President Utric Lea, Alton Fitzgerald, and Joe Clonts. Standing from left, are Sammy B. White, Otis Cash, John Allen, Jerry May, John Crowover, Henry White, and Jimmy Lynn.

## Lions' Broom Sale May 10

According to Lions Club President Utric Lea, the annual Mop and Broom sale has been set for next Thursday, May 10.

Each year the Knox City Lions offer for sale articles from the Texas Lighthouse for the Blind and residents plan ahead to purchase these fine quality items.

The sale is a fund-raising project being used this year for eyeglasses for needy children and the crippled children's camp.

Lions Club members will canvas the downtown business area and will also sell house-to-house.

Lea said that merchandise will be set up at the Masonic Hall.

Among the items offered for sale each year are brooms, mops, brushes, ironing boards,

and covers, towels, dish cloths and many other top quality items.

Won't you please remember May 10 and plan to make a purchase from the Lions?

### MAYOR'S PROCLAMATION

WHEREAS, the Lions Club is holding its Annual Sale of Blind-made Products on May 10, 1973, to support its deserving projects, Eye Glasses for Needy Children and Crippled Children Camp

WHEREAS, members of this organization are going from door-to-door in our city selling these quality articles, all of which are manufactured by skilled Texas blind-craftsmen, to raise funds for this project; and WHEREAS, this effort in behalf of an important and worthy cause merits city-wide attention

NOW, THEREFORE, I, Buddy Angle, Mayor of Knox City, do hereby proclaim May 10, 1973, as "BROOMS FOR THE BLIND DAY".

(s) Buddy Angle  
Mayor, City of Knox City

## Home Administrator Named

CORSIE P. JONES  
...administrator

The Care Home, which is certainly an asset to the town and community, was built seven

years ago with the first residents moving in in June, 1963. Several years later, it became necessary to add additional rooms and enlarge the now spacious dining room. Within the last few weeks, another addition has been completed, adding another 12-bed unit, with a total capacity now of 76.

Mrs. Jones opened the first nursing home in the area in May, 1953 at her residence in Haskell. In June of that year the first licenses were required and issued.

## Santa Rosa Church To Sponsor Jamaica

The Santa Rosa Catholic Church is sponsoring a Jamaica Sunday, May 6 from 12:00 noon to 7:00 p.m.

A Mexican dinner will be served from 12:00 noon until 2:00 p.m., as will be noted elsewhere in an ad.

Games and the coronation of the queen will provide entertainment.

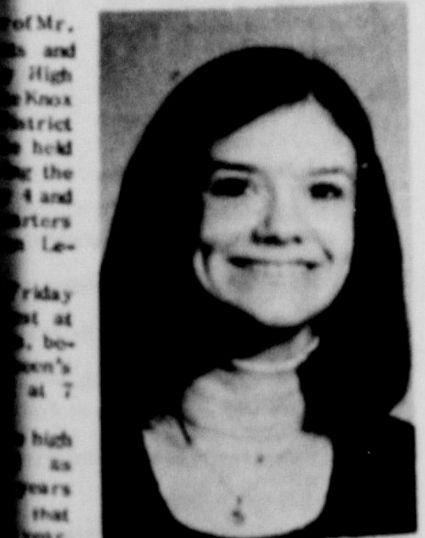

According to the spokesman, a concession stand will be open all afternoon.

Everyone is invited to come out and join in the fun.

## FFA Lamb Barbecue Scheduled May 10

The annual lamb barbecue and Future Farmers of America Awards Program will be held Thursday, May 10, according to chapter president David McGaughey.

The barbecue will be held on the Knox City school yard between the cafeteria and the gym. The Awards Program will immediately follow the barbecue.

Tickets may be purchased from any FFA member for \$2.00 per plate.

## BVRA Will Meet

The Brazos Valley Recreation Association will meet next Monday night at 8:30 o'clock in the office of Joe Boone in the FFA Building, on the Monday highway.

All interested persons are encouraged to be present and help plan summer activities to include play days and the Little Britches Rodocoon.

## Mrs. Rosa Wilson In Abilene Hospital

Mrs. Rosa Wilson is a patient in Hendrick Memorial Hospital following surgery there last week.

According to her son and daughter-in-law, Mr. and Mrs. Chad Wilson, she is improving.

Friends may address cards and letters to her in care of Hendrick Memorial Hospital, Room 506 Abilene, Texas 79601.

## Band Concert Is Tuesday, May 8

Knox City Band Director Kelly Glaze announced plans this week for the forthcoming annual spring concert. The event has been scheduled for Tuesday, May 8 at 7:30 in the High School Gymnasium.

An admission charge of \$1.00 and \$2.50 will be charged and pre-schoolers will be admitted free of charge.

Bands performing will include the award-winning Greyhound High School Band, and Junior High Band, the Sixth Grade Band, and the Fifth Grade Band.

The High School Band won the coveted Sweepstakes this year, after earning a Division I in marching concert and sight-reading contests. Last November, the band was awarded a Division I in marching concert. They will present the numbers performed at concert contest at Vernon earlier this year in addition to several other selections. The program includes "Charter Oak", "From Shire and Sea", "Alia Borocco", "Hymn of Praise", "Eagle Eye", selections from "Jesus Christ Superstar", and a baritone solo by David McGaughey, "Il Penseroso e L' Allegro". David will be accompanied by the high school band.

The Junior High Band will present "Citadel", "Danse Pavane", "Close to You",

and "Soul Trumpets." Selections to be performed by the Sixth Grade Band are "Castles in Spain", "Sherry Lynn", "Carless Clyde", and "Rock, Roll, Row Your Boat."

The Fifth Grade Band will present "There's Music in the Air", "Faith of Our Fathers", and "Over the River and through the Woods".

This concert climaxes the year's work and is sponsored by the Band Boosters Organization.

The Knox City Bands and director Kelly Glaze have brought much honor to Knox City as a town and also to the Knox City School System, this year, especially. The sweepstakes award is very hard to obtain and has so many times been within our reach but still not in our possession. For the first time since 1967, the High School band was superior in marching, concert and sight-reading.

The Junior High School Band also won the Sweepstakes at the Cisco Band Festival held on the Cisco Junior College campus. This was the second consecutive year that the KCHB captured this trophy for their superior performance in concert and sight-reading.

Make your plans now to hear these award-winning bands.

## Revival At Benjamin Slated To Begin May 6

The First Baptist Church of Benjamin has scheduled a revival to begin Sunday, May 6 and continue through Sunday, May 13, according to the Rev. K. E. Woolley, pastor.

Services will be held at 10:00 o'clock every weekday morning and prayer service has been set for 7:30 p.m. Evening worship will follow at 8:00 o'clock.

Evangelist Victor McManus of Belfast, Ireland, who conducted the summer revival last year, is making special return engagement and will be bringing the messages, Carl (Dutch) Benson will be in charge of the music.

Rev. McManus is married and the father of four children. He was, before his conversion at age 27, active in theatrical productions having studied art and voice.

The widely-traveled evangelist has held crusades in all the major cities of the British Isles, has preached in many of the larger churches, here in the United States in Texas, Florida, Oklahoma, and California. His travels have taken him to many countries of the world including several communist

ones.

Dr. Billy Graham said, "I heard Victor McManus in Eastbourne, England. He is versatile and presents the gospel in such a manner that those who listen are blessed. He has a unique gift of illustration".

Everyone is cordially invited to attend these services.

Streams In Desert Places

By OZELLE STEPHENS

"Go into all the world and preach the gospel to the whole creation," Mark 16:5.

The word "go" was the action behind all the running on the first Easter morning. In Mat: 28th chapter we see the women leaving from the open tomb with resurrection message running to tell the disciples.

When Peter and John got the news they ran first to the tomb, then to tell the good news. Cleopas and friends rushed to tell the disciples that they had been with Jesus, friends and disciples were all running to proclaim, "The Lord is risen indeed." The power of this news compelled them to go tell the world.

The history of missions is the exciting story of believers going all over the world with the good news.

What are you doing about telling the good news?

That's what I'm asking at this Easter time.

St. Paul Baptist held Sunday School with a small attendance and Sept. in charge.

At 3:00 p.m. the mission held their fifth Sunday program with guest from Rochester and Aspermont, the pastor, Rev. Reece as the speaker for the evening and he preach from Luke 10:15 Sermon, "The Greatest Missionary on Earth".

Because of the funeral of Mrs. Donnie Smith which were Monday and being at St. Paul the mission were not held.

Funeral services for Mrs. Donie Smith, 87, of Knox City were held Monday at 1 p.m. in the St. Paul Baptist Church with the Rev. John L. Reese, officiating. Smith Funeral Home was in charge of arrangements.

Donnie Smith was born in Penola County, in 1886 to the parents of Mr. and Mrs. Felix Harris. She was called to rest April 28, 1973 at 5:00 p.m. in the Knox County Care Home. She had lived in Knox County about Eleven years.

She leaves to mourn three sisters: Kaiser Harris of the home, Knox City, Texas, Mary Jane Moore of Marshall, Tex., and Louise Robertson of Keithville, La. and one brother Rev. Johnie V. Harris of Lubbock, Texas. Three grandchildren Ruthie Macklin of Lawton, Okla, Leomon D. Smith of Germany, Martha Mae of Silvery, Texas and eleven great grandchildren and a host of nieces and nephews, relatives and friends.

CHURCH OF GOD IN CHRIST The Union Joint Meeting was held at the Bethel Church in Abilene last Thursday night. Pastor Cox of Abilene preached from Gal. 6:1-4.

Sunshine Band has a good attendance on Sat. evening. Missionary Wilson and Sis. Manuel in charge.

Sis. Ware conducted the Mission service on Sunday Morning. Sis. Wilson taught the lesson from II Timothy 1: 6-8 and I Timothy 4:14,16.

The fifth Sunday Missionary Sanders was in charge of the Meeting and each one that participated brought forth many helpful things from lessons and songs.

The Bethel Church will be having their church anniversary Tues. through Fri. night of this week.

Before I start any news I want to say that any mistakes made for the next few weeks can be blamed on the people that changed the time. I will be so tired and sleepy for a while that I will probably be typing in my sleep. I'm sure that Gwen thinks I'm typing with the mistakes I make. I am one person that does not like the time change, or I wish they would just leave it like this all the year, the changing is what bothers me and several more.

HERE AND THERE Mr. and Mrs. Ivan Rowan and Keith were in Abilene Friday night to attend the Hardin-Simmons University Rodeo. Their son, Wayne, a student at Western Texas College, Snyder, was entered in the rodeo. Wayne did not place this time. Better luck next time, Wayne. Wayne's friend, Tatt Garner, also of Western Texas College won the All-Around Cowboy for the Rodeo. Also the boys division of Western Texas College won first place in the Rodeo. Then Tatt also was entered in the Tarleton State College Rodeo at Stephenville and he won the All-Around Cowboy here also.

Mr. and Mrs. Jackie Lee and Jared attended the Rodeo at Hardin-Simmons University Friday.

Mr. and Mrs. L. A. Covey and family attended a Sheppard Staff board meeting during the weekend. They also visited with L. A.'s aunt, May Allison, Saturday night in Happy.

Mr. and Mrs. Eugene Jones of Wichita Falls visited his mother, Mrs. Clyde Jones, during the weekend.

CHURCH NEWS

Well children it is about that time again, Vacation Bible School. The Bible School at the Baptist Church will be May 28- June 1. The time will be 8:30 a.m. to 11:30 a.m. There will be classes for ages Nursery through Juniors. Plan now to attend this and invite all your friends. We will all have a good time and learn something new about God and the Bible. We will have the teachers names for each class next week.

The Baptist Church is planning to have something new for our church this year. June 15, 16 and 17 there will be a Lay Witness Mission at our church. There will be lay people from different areas come and help with this. Remember this date and attend these services. I think that most of the members of the church will be on a committee for this, so we will have to work hard for this.

SCHOOL NEWS

O'Brien grade school graduation will be May 24. The Seniors will have their baccalaureate services Sunday, night, May 27 and their graduation will be Monday, May 28. The first thing we know school will be out. Then before we turn around twice it will be time for it to start again.

STOCKHOLDERS MEETING The annual stockholder's meeting of the O'Brien Cooperative Oil was held Saturday April 28, in the school auditorium. There were about 100 persons that registered for the meeting. There were two directors elected. The directors whose terms expired were Pat Hill and John Gridstaff, Sr. These two men were re-elected for another two year term. enjoyed the Most of us doing our last Thirtieth-five know our

house to make paper flowers for the banquet. Then Thursday the whole class and the mothers went down to the Country Club to decorate. Some people fluted crepe paper, some hung streamers, some dragged out chairs and tables, and others sat around and laughed at the ones that were working. But we got it done, and it was very pretty Friday night.

After the banquet, all Juniors and Seniors stayed for the Prom, Fargo, a six piece band, played. By the way he danced, Mr. McGaughy had the most fun of all.

Besides having the banquet Friday night, the Juniors had to turn in their themes. The smart Juniors had been working on them all along but some of us crammed it into two or three nights. Some Juniors theme topics were Norway, Mexico, Satanism, Contemporary Music, Canada, Rock Music, Christianity, and The Catholic Church.

Sarah Bellinghausen and Jackie Goffman had the great honor of having their wisdom teeth cut out Monday. Besides her wisdom teeth, Sarah had four other teeth removed. "Swollen" was not the word for Sarah's face.

The Juniors are busily making plans for the Junior

smash day but nobody is going to find out when or where until we come back because it wouldn't be a SNEAK day if everybody knew. All Juniors are hoping Mr. McGaughy won't announce it like last year.

Cheerleader tryouts are this week and all the girls involved are a little nervous. There are ten girls participating including Jane Arledge, Temi Barber, Vickie Berryman, Sheila Cobb, Patti Counts, Anita Elliston, Brenda Harris, Debbie Reese, Sandy Stubbs, and Gayle Tankersley. The girls are voted on by the entire high school student body.

Tryouts are limited to those who are to be either sophomores Juniors or seniors the following year.

The results of the tryouts will not be known until the U.I. Banquet, May 19. There may be ten very nervous girls by that time.

Scouts from Troop 161 participated in the annual Scout-O-Rama in Vernon last Friday and Saturday nights.

The Scout-O-Rama is a scout show where scouting skills are demonstrated.

Scouts and Cub Scouts from Chickross, Vernon, Goree and Knox City took part in the two night show, demonstrating such scouting skills as first aid, rope making, model rockets, handcraft projects, and an American flag display.

The Knox City scouts showed how to make a plastic tarp tent which will make several different types of light weight shelters for back packing.

Scouts attending from Knox City were David Benson, Roy Faulk, Mark McGaughy, Mark Clonts, Ralph Chaney, Brett Boone, Sammy White and Dwayne Johnson.

**McMurry College To Host WMU Prayer Group Get Acquainted May 5 Meets On April 30**

ABILENE—High school juniors and seniors from Knox City are being extended a n open invitation to attend the special Get Acquainted Day Saturday, May 5, at McMurry College.

The object of this event, according to McMurry College President Thomas K. Kim, is to inform students about concentrations of interest, career opportunities and college in general.

"A lot of seniors just don't go to college with much advance information, and they flounder around considerably their first year before they get oriented," says Glenn Stanberry.

Registration of students from Knox City will begin at 8:45 a.m. and continue to 10 a.m. in the lobby of the Amy Gaves Ryan Fine Arts Building at McMurry.

There will be a general session at 9 a.m. with Dr. Kim welcoming, Dean Allen Cordts discussing academics, and other officials discussing such matters as scholarship, loans and grant programs.

Then at 10 a.m. students will have a two hour period in which they may meet informally with professors in the fields in which they are interested.

These faculty student sessions may well prove the most rewarding for the visitors, Dillman says. Students can ask questions about the courses they must take to lead to any given field and the career opportunities open with various majors.

The Juniors and seniors will be guests of McMurry for luncheon at noon in Iris Graham Dining Hall. Guides will also be on hand to give students a tour of the McMurry campus, including science laboratories, library, media center and other points of interest.

"It's the time of year when Juniors and seniors are worrying about future study", says Stanberry. "I didn't know the things we will take up when I came to college, and I would have certainly appreciated a chance to learn these things back then."

who counsels incoming students. "We'd like to see them come to McMurry, but wherever they go this pre-orientation should be valuable," says David Dillman, Stanberry's counseling colleague.

NEW YORK (ED)—Redecorating a youngster's room can be "child's play." It's fun to use your creative know-how and enthusiasm to help your child create a private world.

Young people like rooms that are meant for them. The first rule is not to go overboard in trying to match a child's room too closely to his age. Children grow up fast and if you use care in the basic colors, furniture and design treatments for their rooms, you'll avoid a year-by-year redecoration problem.

Simplicity, boldness and plenty of space are keynotes for children's rooms. And don't spare the color—children love it and it doesn't show the dirt.

For space considerations, matching or modular units are practical and usually fit around the wall, leaving plenty of floor space for playing. Mix and match units are versatile and usually less expensive. Buying a unit at a time allows the room to grow with the child. Coordinated units for children's rooms are offered in the "Heirloom Oak" and "Lemon Tree" collections of Len Industries, a Sperry and Hutchinson interior furnishings company.

Len's "Lemon Tree" collection, in cream white with lemon and lime trim, offers simple and durable pieces that have a special appeal for big and little girls alike. You can begin with a simple four-drawer dresser and work up to a complete bedroom suite. One of its special charms is a full length, movable dressing mirror that will set any little lady dreaming about "Alice through the Looking Glass."

Linens, window treatments and bed covers should be chosen for their staying power as well as their appeal. Today's new linen designs offer a wide range of child-pleasing patterns—from exotic jungle adventures to stars and stripes forever. Buy some extra sheets and stitch matching curtains and pillow covers to unify the look.

A child's room is an escape. It should be a place in which to live, work, play and grow. And dream, too.

Production Down, Income Up... Cattle on Feed Increases Again... Cattle, Calf, Sheep Sales.

Wool and mohair producers are enjoying some of the best prices they've received in years. Mohair prices, for example, were 89 percent higher in 1972 than in 1971. Wool prices are 32 cents per pound on the average higher for 1972 than for 1971.

Increased demand for the commodities plus a continuing decline in production are reasons for the price situation.

Texas mohair production during 1972 was down 32 percent from 1971. The number of goats and kids clipped during 1972 totaled 1,521,000 head, down 31 percent from 1971.

Average price for mohair during 1972 was 83 cents; this compared with only 30.1 cents per pound during 1971. Total 1972 value of mohair to Texas producers was \$8,458,000, up 89 percent from 1971.

While mohair production was declining, so was wool. Texas sheep produced 29,400,000 pounds of wool during 1972, a decline of three percent.

A total of 4,145,000 head of sheep shorn on Texas ranches averaged 7.1 pounds per fleece during 1972, down slightly from 1971.

The average price per pound of wool during 1972 was 48 cents; this is 32 cents a pound above 1971. Total value of wool produced was \$14,100,000 in 1972 compared with only \$4,900,000 in 1971.

Nationwide, the production of wool also declined three percent during 1972. A one percent decrease in number of sheep and lambs shorn was also noted in 1972.

IT'S THE same story for Texas and cattle on feed. Texas continues to be the number one cattle feeding state in the nation. During April, a total of 2,259,000 head of cattle were on feed in Texas feedlots. This is 22 percent above the number a year ago, and three percent above the total a month ago.

Indications now are that close to 4,000,000 head of cattle will be fed out in Texas this year, which will be another healthy increase over last year.

Feedlot operators report intentions to market 1,320,000 cattle between now and June 30. This would be 21 percent more than marketed during the April-June quarter of last year, again proof positive that cattle producers are expanding their operations and not holding back on cattle in an attempt to keep the price at high levels.

Large feedlots—those with 1,000-plus capacity—numbered 238 in Texas and held 2,211,000 cattle on feed for slaughter market. Capacity for these lots showed a 76 percent occupancy.

Steers account for the bulk of cattle on feed with a total of 1,462,000 head, heifers and cows totaled 797,000 head.

Nationwide, cattle and calves on feed for slaughter market in 23 major feeding states is five percent above a year earlier. Marketings now through June are anticipated to be five percent higher than a year ago.

SALES of cattle, calves, and sheep increased in Texas during March, while sales of hogs declined.

Cattle and calves marketed through auctions in Texas during March was 38 percent higher than a year ago, and nearly 50 percent higher than a month ago.

Sheep sales were three percent higher than a year ago, and 75 percent above a month ago.

Hog sales during March in Texas were 15 percent below a year ago, but 28 percent above a month ago.

### BOLL WEEVIL DIAPAUSE CONTROL

The purpose of a cotton boll weevil diapause control program is to increase yields, net income and use less insecticide spray applications in the future, according to Vernal Zeissel, president of the Knox County Boll Weevil Association.

Many cotton producers, landowners with cotton allotments and businessmen of Knox County feel this program has more potential than any other alternative to improve the sagging cotton industry for the county.

All interested persons are being asked to pay a \$5.00 membership to the Knox County Boll Weevil Association, a chartered, non-profit organization. Share cost assistance from the state will be requested if participation is great enough. Meetings have been held and information on cotton boll weevil diapause control has been presented at Knox City, Rhineland, Gilliland and Munday. This information is to be presented in Goree, May 5.

Each ginning area in Knox County plus Vera and Benjamin is represented on the board of directors of the Knox County Boll Weevil Association. All cotton producers or landowners with cotton allotments should be interested in becoming a member of the association and trying to increase income from cotton. The last information received from the Vera community was that all producers approached paid membership dues except one.

### COTTON PICTURE LOOKS GOOD

Texas cotton farmers can look forward to another good crop year if weather conditions don't effect production too severely, believes Charles Baker, marketing economist for the Texas Agricultural Extension Service.

"Overall, the cotton picture looks good going into the 1973 season," says Baker. "In many cases, the situation is similar to last year. Crop contracting is active in southern areas of the state, with many farmers contracting for good prices—up to 35 cents a pound. The demand should again be strong this year, perhaps more so than last year since acreage allotments have been cut by 13 percent throughout the United States."

The 1973 crop should get off to a good start with favorable soil moisture levels over all the state.

On the gloomy side, reduced government payments and in-

creased production costs will lower net income for the coming season.

Looking at the demand picture, Baker expects world consumption of cotton for 1973-74 to be up one million bales over the record 57 million bales 1972-73.

Carryover in the U.S. last August was 3.4 million bales, the lowest in 20 years. By August of this year, carryover is expected to up a million bales even though exports are expected to increase from 3.3 million bales last season to 4.5 million this year.

Texas farmers will produce about 3.5 million bales this year compared to 3.9 last season. Most will stay close to their allotments as cotton prices are expected to be somewhat lower while feed grain prices are booming. However, some of the setaside acres that have been freed recently may encourage additional plantings.

Nationwide, production for 1973 is expected to total about 1.5 million bales, down from the 1.5 million bales last year. The 1972 crop was the largest since 1965.

### FEEDGRAIN OUTLOOK

A grain marketing specialist for the Texas Agricultural Extension Service says that exports are the key to the long-term feedgrain outlook. With high export sales, above average prices are anticipated at harvest. Domestic grain usage is also up due to increased livestock feeding. U.S. production is expected to reach near record levels in 1973, with feedgrain acreage up about 7 percent. In Texas, grain sorghum acreage should be up about 10 percent and soybeans up 16 percent, but corn acreage will increase only slightly.

The top 141 horsemen in Texas will be competing in the State 441 Horse Show Aug. 1-4 in the Lister County Coliseum in Odessa, according to a horse specialist for the Texas Agricultural Extension Service. Events in roping, cutting and English and drill team competition will be open invitation. Competition in halter, showmanship, western pleasure reining, pole bending and barrel racing events will be limited to those qualifying at any of the 13 Extension Service district horse shows over the state. A new attraction at this year's event will be a handicraft show.

The District III 441 horse show is to be July 6-7 at the Santa Rosa Roundup Grounds at Vernon.

## Low Quality Problem In Cotton Seed

Producers will again be faced with the possibility of using low quality seed in planting their 1973 crop.

Weather conditions in 1972 that resulted in low micronaire lint, says Dr. Robert B. Metzner, also contributed to the production of immature seed. Metzner is area agronomist-cotton with the Texas Agricultural Extension Service.

"The result," he says, "was a heavy cleanout at delinting plants to obtain acceptable seed for planting."

"These seed are often low in vigor even though they show satisfactory germination. Even heavy, fully developed seed frequently deteriorated in the field due to unfavorable weather. Early harvest produced exceptionally high quality seed in these fields, but seed quality became progressively worse as harvest was delayed due to wet fields," he reports.

The agronomist explains that since high quality is basic to getting a cotton crop off to a rapid start, every effort should be made to secure the best quality seed possible. The cost of planting seed represents only five percent or less of total production cost. So, trying to cut cost here by purchasing so-called bargain seed can be more costly in terms of poor stands, replanting and finally low yields. High quality seed will contribute to more rapid seedling emergence, uniform stands which can better tolerate cold, wet conditions associated with seedling decay organisms.

"In this case, he should plant his best quality seed first when weather conditions during early spring are more unfavorable for seedling emergence. As the planting season advances and soil becomes warmer, the grower can use lower quality

seed after the other seed has been exhausted."

A good rule of thumb, he says, is to allow the soil temperature at the eight-inch depth to average 60 degrees Fahrenheit for 10 days before planting. A significantly higher percentage and more rapid emergence of seedlings will be obtained if this soil temperature is reached at planting. This is even more critical if lower quality seed are planted.

In using low quality seed, the planting rate may be increased by five to ten percent depending on the level of seed quality. The Extension specialist warns that excessive increase in planting rate can worsen matters by causing a buildup of seed decay organisms in the drill row. In order to adjust planting rates properly, a grower must know the germination percent and quality of seed he is about to plant. He should make sure that seed are treated with a recommended fungicide.

If producers have to plant low quality seed Metzner concludes, they should delay planting until

## CHOOSE CANNED PEARS FOR PEAR MINT SALAD

Canned Bartlett pears and fresh green grapes fill this delicate salad mold, boasting the refreshing flavor of mint.

A gelatine base combines the delicious pear syrup with sour cream and lemon juice. Diced canned pears and halved grapes are folded in when partially set. Creme de menthe flavors the mold and tints it a pale green. To serve, garnish with pear slices, grapes and fresh mint leaves. A fluffy lemon mayonnaise is a tasty accompaniment.

The juicy smooth texture and tree-fresh quality of canned Bartlett pears make them the perfect choice for numerous salad combinations. Their delicate flavor is complemented by other fruits, cheeses or seafoods, and takes to a variety of dressings, sweet or tangy. Keep a supply on hand and create your own salad specialties with canned Bartlett pears.

### PEAR MINT SALAD

- 1 (29 oz.) can Bartlett pear halves
- 2 envelopes unflavored gelatine
- 1/2 cup cold water
- 1 tablespoon sugar
- Dash of salt
- 1/4 cup lemon juice
- 1/4 cup green creme de menthe
- 1 cup dairy sour cream
- 1 cup halved seedless green grapes

Fresh mint and whole grapes, for garnish  
Drain pears, reserving syrup. Set aside 1 pear half to slice for garnish and dice the remainder. Soften gelatine in 1/2 cup water. Add water to pear syrup to make 1 1/2 cups. Blend in sugar, salt and softened gelatine and place over low heat, stirring constantly, until dissolved. Cool. Stir in lemon juice, creme de menthe and sour cream. Chill. When partially set fold in diced pears and sliced grapes. Pour into 1 1/2 quart mold. Chill until firm. Unmold and garnish with pear slices, whole grapes and fresh mint. Serve with Creamy Lemon Mayonnaise. Serves 6 to 8.

**Creamy Lemon Mayonnaise:**  
Combine 1/2 cup mayonnaise, 2 tablespoons lemon juice and 2 teaspoons sugar. Whip 1/4 cup heavy cream and fold in. Makes 1 1/2 cups.

He was nominated All District Defensive Guard, and All Area Honorable Mention. He was in Track three years and is planning to be in it this year. He has also been in Future Teachers of America four years, Future Farmers of America four years, serving as Treasurer in 1972-73; Choir four years and President in 1972-73. In 1972 he was in the Junior Play and One Act play.

The people Rob admires the most are his parents for their help. He said, "My fathers' bits of wisdom make sense now. He told me; 'someday you'll see your old man knew more than you thought he did; and he was right.'" He said he wouldn't trade mothers with anyone in the world.

Rob plans to be mortician and attend Dallas Institute of Mortuary Science after graduation.

to starting his first grade in the Knox City Schools. He has attended Knox City Schools from the first grade through the twelfth. As an elementary pupil he participated in Little League baseball, Junior High basketball, football and track.

In High School Bobby has been active in football four years; basketball, four years; track, four years; Future Farmers of America, four years; Future Teachers of America, three years; and choir, two years. Bobby has been a track regional qualifier his sophomore, junior and senior years. As a sophomore he qualified in the spring relay; as a junior, in the mile relay; and as a senior, in the sprint relay, mile relay and the broad jump. His junior year he was selected as Most Handsome boy of high school and class favorite. His senior year Bobby was selected by the Future Homemakers of America as their "Beau" and was Vice President of Future Farmers of America. He was also Co-Captain of the football and basketball teams.

Bobby Mac plans to attend Vernon Junior College for the next two years in preparation to becoming a Game Warden.

## Lowrey Disputes Report Concerning Dividends

Allen Lowrey, Veterans Service Officer for Knox County, has a message of utmost importance for all veterans of World War II. This message concerns a false report that is currently circulating across the country, urging veterans to apply to the Veterans Administration for their "special" insurance dividend.

According to the erroneous report, which is being carried in many newspapers and the other publications, a law supposedly has been passed authorizing the Veterans Administration to pay a "special" dividend of 55 cents per month for each \$1,000 of GI or Government life insurance which he had in force in World War II. The story is completely false, and is nothing more than a cruel hoax, since no such legislation has been enacted by the Congress. A Special Dividend was paid in 1949 and 1950 to veterans who carried National Service Life Insurance during World War II. This was only a one-time payment, although annual dividends are still being paid to those veterans who have continued to keep their old GI

insurance in force. This false story seems to surface every two or three years, and all veterans are urged to recognize this "special" dividend rumor as a hoax. The Congress, in 1970, passed a "State Claims Act" which relieves the VA from the responsibility of processing claims which might be made as a result of this false story. Thus, any veteran who applies for the "special" dividend mentioned in these reports is in reality wasting his time, his efforts, and the moneyspent for postage. Any veteran who is legally entitled to an insurance dividend from the Government will receive an official individual notice of the amount of his entitlement, and no heed should be paid to the false "special" dividend rumor.

## Buie Building Sells In Stamford

Bernard Buie of Buie's Store in Stamford announced this week that the building which has been occupied by the same business since the 1920s, has been sold to Stamford Federal Savings and Loan.

Buie stated, "Our plans are not definite now, but we intend to offer our furniture and hardware at prices all through May that will prevent much stock on hand by end of May. We think we are the oldest store in Stamford and those who come and check will find some real sales items on our floor."

It is reported that the Buie building will be razed for a parking lot.

### Betrothed Couple Honored At Lubbock

Miss Sue Egenbacher and her fiancé, Bate Stephens, were honored with a dinner party Saturday night, April 28, at 7:00 o'clock in the home of her uncle and aunt, Mr. and Mrs. Bobby Day, 7801 Memphis Ave., in Lubbock.

Co-hostesses were Mr. and Mrs. Clyde Day.

The serving table was decorated with an arrangement of pink, yellow, and blue daisies and babies breath, and held white candles and silver cardelabra.

Special guests included the honored couples' parents, Mr. and Mrs. Elmo Stephens of Plainview and Mr. and Mrs. John Egenbacher and Randy and Mrs. Roy Day, all of Knox City.

Miss Egenbacher was honored earlier in the day with a lingerie shower hosted by her friends.

### Truck Crash Kills Two Men Friday

Two men were killed inside the city limits of Munday on Highway 277, about 4 a.m. Friday when the truck they were riding in overturned, struck a tree and telephone pole.

Gary F. Gale, 22, of Morris Okla. driver and Freddie Carroll, 30, of McKinney a passenger were both pronounced dead at 5:15 a.m. by Justice of the Peace Billie Montgomery of Munday.

Brian Williams, Department of Public Safety officer of Knox City, investigating the accident, said the truck apparently left the road at a high rate of speed crossed a yard, hit a bar ditch and overturned, then struck a tree, cutting it off at the ground and came to rest against a telephone pole.

Williams said the truck missed the corner of the Daniel Ramirez home by only several feet before hitting the tree.

Witnesses said Carroll was pinned in the truck sleeper for about 45 minutes before he could be freed, Williams said Carroll was still alive following the crash but died before rescue units could free him.

### Band Boosters To Meet Monday

Everyone is invited and welcome, she said.

### KC Garden Club To Meet Tuesday

The Knox City Garden Club will meet Tuesday, May 8 at 12:00 o'clock in the home of Mrs. Claud Reed for a covered dish luncheon.

### SS Representative To Be Here

Carl Beisner, representative of the Vernon Social Security office, will be at the City Hall in Knox City at 10:00 a.m. on Thursday May 10. He will take applications for social security.

**FROM LITTLEFIELD**  
Mr. and Mrs. J.M. Farmer of Littlefield and their daughter Mrs. Nevill Manning and J. Paul of Lubbock have been recent guests in the home of his parents, Mr. and Mrs. B. M. Farmer.

### Pants, Dresses, Last Resort Word

"Overdone" and "dull" get walking papers as now-look pants and long dresses swirl onto resort scenes.

"Pretty softness and bright colors promise eye interest," notes Marilyn Brown, consumer education-clothing specialist, Texas Agricultural Extension Service, Texas A&M University.

"With new emphasis on dresses, many resort goers are wondering about pant status in the fashion picture. If your resort traveling is on a cruise ship, by all means take pants.

"The wide look is good news, because wide pants are cooler than those cut narrow. Coordinated tops go along loose, in smock style gathered on a shoulder yoke, or cut shirt style."

Wool flannel for pant ensembles returns to the resort scene in soft pink or baby blue pastels. Sleeved over the hips, wider to the hem these pants step out

### Going Steady, Wise Or Otherwise

Steady dating—whether it's wise or otherwise—depends on the maturity of the couple involved.

"Although there's no universally accepted definition going steady is considered an understanding between boy and girl to date one another regularly and exclusively," Dorothy Taylor, specialist in family life education, Texas Agricultural Extension Service, Texas A&M University, explained.

"A generation gap between parents and teens may exist when it comes to steady dating—mainly due to their differing views.

"Contemporary steady dating—a new type of dating relationship—is an invention of the modern era. It no longer corresponds to the marriage-oriented going steady pattern of earlier decades, and yet it's not random dating either. It combines two types of relationships—casual involvement in nonmarriage-oriented steady dating with other partners taboo.

"Parents sometimes have difficulty grasping one-to-one steady dating since random dating was preferred by their generation. At that time a teen's popularity was largely based on number of boy or girlfriends, with some qualifications, of course.

"Parents should also realize that steady dating doesn't necessarily lead to marriage," Miss Taylor emphasized.

"Whereas engagement usually leads to marriage,

under a shirt jacket with back plicating on a deeply rounded yoke.

"It's this kind of detailing found in resort pant outfits this season," the specialist noted, "and for evening, pants return in very wide styles—palazzo pants."

Resort dresses are long, staying with the pant mood. Miss Brown said.

Beach dresses consist largely of robe-like coverups derived from the caftan and Kimono. Caftans sub for evening wear, featuring embroidery around the slit neckline and edging short sleeves and hem.

Resort evening dresses are long and achieve a soft, pretty look with knit-jerseys with halter-top bodices or airy-light, sheer wool.

"More bare-topped knits promise to arrive on the resort set under angora jackets, the cardigan or battle jackets buttoned on the waistband."
