

TRUSCOTT NEWS

Miss Carolyn Hickman visited Terri Thomas in Vivian recently. Three boys from this community, Tony Jones, Billy Green and Jimmy New, received their diplomas from Crowell High School in commencement exercises Friday night.

Mr. and Mrs. Oscar Solomon were Vernon visitors recently. Mrs. A. Caram and children, Obdella, Sofia and Rosa, of Ft. Worth spent last week end visiting Mrs. Pete Quintana and family.

Mr. and Mrs. Jackie Brown and daughter of Electra spent Monday visiting their parents, Mr. and Mrs. Jack Brown and Mr. and Mrs. E. J. Jones.

Mr. and Mrs. John Bullion and family, whose home was damaged by fire recently, were given a shower at the community house Tuesday night.

Mrs. C. M. Guyhn and Mrs. Oscar Solomon were in Altus, Okla., Monday on business.

Mr. and Mrs. Nile Bryant are here visiting his parents, Mr. and Mrs. Jess Bryant, and other relatives and friends. He is stationed at Houston.

Mr. and Mrs. Bryan Jones and children of Amarillo spent the week end with his parents, Mr. and Mrs. Jim Jones.

Mrs. Jack Thomas and children, Terri and Jackie, of Vivian recently attended a piano recital at Gilliland and a reception in the home of Mrs. Rex Haynie here.

C. A. McNeese of McCamey spent Saturday with his wife and son here.

Climmy Pogue of Lubbock spent the week end with her mother, Mrs. George Pogue, who was recently dismissed from the Knox County Hospital.

Mr. and Mrs. Jack Bullion and son of Ralls spent a while Sunday with his parents, Mr. and Mrs. John Bullion.

Mr. and Mrs. John B. Chilcoate and children and Mrs. John Jones and daughter of Benjamin, and Mr. and Mrs. Charles Jones of Snyder were Truscott visitors Saturday.

Mr. and Mrs. Bob Haynie of Wichita Falls spent the week end with his parents, Mr. and Mrs. Horace Haynie, and other relatives.

Mr. and Mrs. Henry Williams of Vernon spent the week end visiting Mrs. George Pogue and other relatives and friends here.

Mrs. Homer Houston and children of Ralls brought her mother, Mrs. J. M. Chilcoate, home recently. Mrs. Chilcoate had spent some time visiting her daughter, Mrs. Huston McClain, and family in Amarillo.

Mr. and Mrs. J. C. Eubank spent Saturday visiting their sons, Louis and Dennis Eubank, and families in Post.

Mr. and Mrs. T. M. Westbrook and Norma Brown spent Thursday and Friday in Dallas on business.

Mr. and Mrs. Warren Haynie and children, Sharla Beth and Joylin, of Vivian spent Sunday visiting his parents, Mr. and Mrs. Carl Haynie, and other relatives and friends.

Mr. and Mrs. W. W. Walker and granddaughter, Helen, spent Sunday visiting relatives in Seymour.

Mrs. Lee Palacios, Jr., of Wichita Falls spent the week end visiting her parents, Mr. and Mrs. Ralph Caram.

Sammy Abbott of San Angelo is here visiting his grandparents, Mr. and Mrs. George Solomon, and other relatives and friends.

James Browning, who has been stationed at Ft. Bliss, spent several days last week with his parents, Mr. and Mrs. C. C. Browning. He will report to Fort Sill, Okla., this week.

Mr. and Mrs. V. W. Browning have returned from visiting their daughter, Mrs. Earl DeWolf, and family in California.

Mr. and Mrs. J. W. Chowning took his sister, Mrs. W. E. Good, to Iowa Park one day last week. She remained there for a visit with relatives.

425 HIGHWAY DEATHS PREDICTED DURING MEMORIAL DAY WEEK-END

Speeding, driving on the wrong side of the road, and recklessness will cause 319 deaths of a predicted nationwide total of 425 highway accident fatalities during the three-day Memorial Day week-end starting Friday night, the Association of Casualty and Surety Companies has announced.

Excessive speed is expected to be the "number one killer," taking a toll of 170 lives. Eighty-five more persons will meet death as a result of driving on the wrong side of the road, and another 64 will die because of recklessness.

Other major factors contributing to the grim score of 425 victims are: failure to yield the right of way, which will account for 43 lives, and sleeping at the wheel, which will take 25. Miscellaneous causes will kill the final 38 of the predicted total.

Approximately one-fourth of drivers who are involved in fatal accidents, or pedestrians who are killed, will have been drinking. Most smash-ups will take place on straight, dry roads, and almost half of all fatalities will occur in broad daylight.

"This needless waste of life could easily be avoided," said Thomas B. Boate, manager of the Association's accident prevention department, "if drivers would follow a few basic rules of safety and practice courtesy behind the wheel. Driving at a safe speed, alone, can cut the toll almost two-thirds, for in a 65-mile-an-hour accident death comes to one out of every six persons while in a 40-mile-an-hour accident the ratio is reduced to one out of every 16. If you are taking a trip on the Memorial Day week end, drive at a safe speed and get there alive."

Mr. and Mrs. George Wynn plan to leave Saturday for Eldorado, Kansas, to visit their families.

Baptist "Rally Day" Set for June 3 at Lueders Grounds

Baptists of District 17 will hold Rally Day at the Lueders Baptist Encampment grounds Friday, June 3, in an all day meeting.

The mass meeting, family day, will take the place of a general encampment and will be inspirational and informative. Rev. Byron Bryant, Encampment president, said.

Dr. Cal Guy, head of the missions department of Southwestern Theological Seminary, will be the principal speaker, talking on Camps and the Commission at 11:40 a. m., and giving the closing inspirational message at night.

Kenneth Hill of Abilene will direct recreation and review of the grounds in the afternoon.

Camp leadership will be held at 10:20 a. m. for all pastors, camp sponsors and youth workers so that plans for the summer camps can be taken back to the churches. Directors of the conferences will be Mrs. O. B. Woodrum of Abilene, district WMU president; Harry Grantz, Carbon, district RA leader; Mrs. Hob Smith of Rochester, district young people's secretary; and Rev. J. Henry Littleton, business manager.

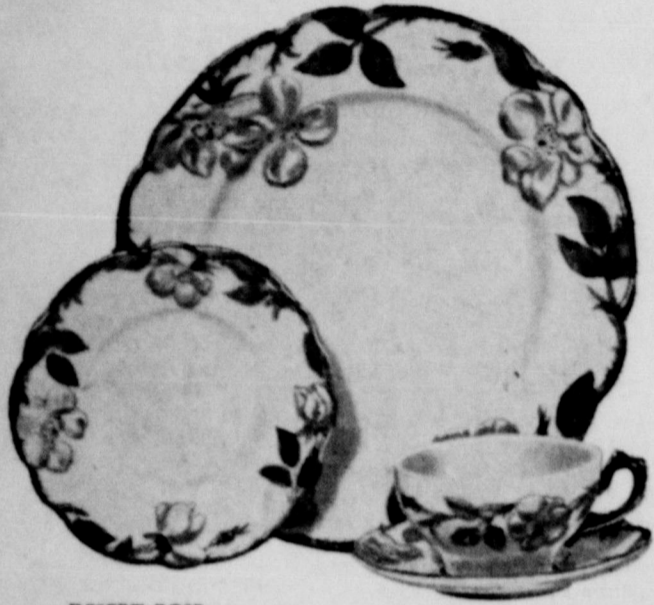

Dr. C. A. Powell, former chairman of the Encampment board and denominational leader for many years, will speak on Baptist Distinctives in the afternoon. Dr. H. M. Ward of Cisco will lead a panel discussion. Riverside vespers will be held by Rev. H. H. McBride of Breckenridge at 7:30 p. m. Rev. L. L. Trott of Abilene, district missionary, will speak.

Special music and general singing will be a part of the activities. Schedule for summer camps of District 17 is: Junior GA, June 20-23; Sunbeams, 23-24; Junior RA, June 27-30; Intermediate RA, July 5-8; Intermediate GA and YWA, July 11-14; Youth Camp, July 25-27; Brotherhood, August 2; Music Camp, August 8-12.

Mrs. Maggie McCAda of Merced, Calif., was here to attend graduation exercises at O'Brien when her daughter, Jeanette McCAda, received her high school diploma. Mrs. McCAda is spending her vacation with her mother, Mrs. Hattie Abston.

Texas 4-H Club Roundup Nears

COLLEGE STATION. — Four-H Club members from throughout Texas will converge on College Station June 8-10 for their annual 4-H Roundup. Some 2,000 delegates and adult leaders are expected to attend.

Delegates to the 1955 meeting will have their choice of 17 short courses in various subject-matter fields and will be further acquainted with the facilities of A & M College, Ployd Lynch, state 4-H leader, announced.

State winners also will be determined in 18 judging team demonstration contests, ranging from field crops to dress making.

Delegates to the Roundup are chosen on the basis of their accomplishments and leadership in 4-H work. Two boys and two girls from each county may attend, an adult leader, either a local leader or extension agent accompanying each group.

The popular "Chuckwagon" supper and Show the Fun Festival are again among attractions which will keynote the three-day meeting.

All 4-H activities, including the annual Roundup, are under the supervision of the Texas Agricultural Extension Service.

PATROL CAPTAIN SAYS RADAR REDUCES ACCIDENTS

During the first six months of radar's use as a speed check, the Highway Patrol has stopped with radar 2,355 speeders in this 12-county area consisting of Knox, Archer, Baylor, Clay, Cottle, King, Foard, Hardeman, Montague, Wilbarger, Wichita and Young counties. It was announced this week by Capt. K. B. Hallmark, Jr., of Wichita Falls.

In the district during the same period last year there were 400 accidents, including 21 fatal, 95 personal injury, 284 property damage. With radar, Capt. Hallmark says, the picture looks brighter, with 14 fatal, 73 personal injury and 179 property damage accidents, making a total of 266 accidents or 134 accidents that didn't happen.

Capt. Hallmark, who is commanding officer for this district, states that radar has primarily helped this reduction, and continued effort on the part of the Patrol will continue to reduce the accidents. He adds that a great deal of the reduction is due to voluntary compliance with the speed laws, and urges continued cooperation through the vacation season.

Mr. and Mrs. Mondell Mills and daughters of Petersburg spent the week end with Mr. and Mrs. A. S. Logan and other relatives.

Dinner guests last Wednesday of Mr. and Mrs. Ray Willis were Mrs. Ella Willis of Arlington, sister-in-law of Mr. Willis, and her daughter, Dr. K. Willis of Dallas; Mrs. B. Brown and her granddaughter, Molly Brown, of Arlington; and Mr. and Mrs. Lee Haymes of Munday.

STREAMS in Desert Places

By Ozelle Stephens

When you live with Christ from day to day you find Him precious in many ways. He proves Himself to be a friend at all times and you will find a sacred nearness in His presence. With the Psalmist you will say, "Thou art fairer than the children of men; grace is poured into thy lips; therefore God hath blessed thee for ever." To the believer, Jesus is found very precious. His presence is glory. He is full of grace and truth. His name is as ointment poured fourth. He, by inheritance, obtained a more excellent name than the angels, a name that is above all names.

His precious blood is powerful and cleanseth from all sin. His words are precious indeed, for they are words of eternal life. Luke said, "... they are gracious words which proceeded out of his mouth." Seek Him daily for the many precious things He has for you.

6666 Chuckwagon Will Go Overland To Stamford Reunion

A chuckwagon rolling along the road—a sight almost never seen in these times, will make the 70 mile journey from the 6666 Ranch at Guthrie to Stamford for the Texas Cowboy Reunion. There will be several ranch chuckwagons on hand but all will be hauled by truck except the "Four Sixes" wagon.

George Humphrey, ranch manager, told W. G. Swenson, Reunion president, "I remember that about 25 years ago we brought a chuckwagon overland to the Stamford celebration and folks along the way showed a lot of interest, and so we thought it would be a sentimental gesture, on the Reunion's Silver Anniversary, to do it again."

Four buckskin mules will pull the wagon and Sam Cates, wagon cook, will be the driver. The trip will take two days and an overnight camp will be made about midway.

Old-time cowboys and the general public can obtain a meal at the chuckwagons which will camp on the Reunion grounds. Dates of the Reunion and Rodeo are Friday, Saturday and Monday, July 1, 2 and 4.

Mrs. Tom Lair, Jr., and children of Canyon are expected in today to spend several days with her parents, Mr. and Mrs. E. B. Shaver, Sr.

Knox City Seniors Receive Awards

Following the address by Dr. John McFarland, superintendent of the Vernon Schools, at high school commencement exercises Friday night, a number of special awards were made by Supt. Chas. E. Silk.

Cornella Tidwell and Annette Johnson received the valedictorian's and salutatorian's award, respectively.

Clarence Farquhar was the senior boy with the highest four-year average. Loving cups were awarded Florence Reeves as Best All-Around Girl and Millard Lain as Best All-Around boy.

The highest ranking girl and boy in high school during the 1954-55 school term were Chestene Watson, with an average of 94, and Larry Abbott, with an average of 91.

Best Band Student award went to Mary Hitchcock. "K" awards, given to members of the senior class who have lettered in any sport during high school, went to Paul Burt, Shelby Bishop, James Busby, Bob Jensen, Rob Jensen, Jimmy Leach and Millard Lain. No girl member of the class had lettered in a sport.

Twenty graduates, eleven girls and nine boys, were presented diplomas.

Mrs. Clyde Williams and sons, Eddie and Phil, spent the week end in Ft. Worth with her parents, Mr. and Mrs. J. Rollie Pray.

FARMERS TO VOTE JUNE 25 ON WHEAT CONTROLS FOR 1956 CROP

Knox County wheat farmers will join with the nation's growers June 25 to decide in a national referendum whether marketing quotas will continue in effect for their 1956 crop. The State Agricultural Stabilization and Conservation Committee urges Texas producers to participate in the vote.

"Under the present surplus situation, we are required to proclaim marketing quotas," Secretary of Agriculture Ezra Benson said. "We will have almost as much wheat in the total supply after harvest this year as we had a year ago. In other words, we will have enough wheat to take care of all our domestic needs for two full years."

Secretary Benson's program would limit plantings to 55,000,000 acres, the minimum permitted by law, and would be the same as allotted for this year's controlled crop. This is a cutback from a postwar peak of 80,000,000 acres.

Approval by at least two-thirds of the growers voting will be required to make the program operative. Controls for this year's crop were approved by a majority of 73.3 per cent.

Any producer in commercial areas who will plant more than 15 acres for harvest as grain in '56 is eligible to vote in the referendum. Local voting places for the June 25 balloting will be announced later.

If approved, this will be the third consecutive year for such controls for wheat. Other crops being produced under similar restrictions this year include cotton, rice, peanuts and major types of tobacco.

"Cotton Congress" Will Be in Harlingen On June 2, 3 and 4

S. N. Reed, who is president of the National Cotton Ginners Association, and Mrs. Reed will be in Harlingen June 2, 3 and 4 for the 16th annual American Cotton Congress.

An extra treat may be in store for the several hundred persons expected to attend the Congress this year. They may get to see the harvesting of the first U.S.-grown 1955 cotton.

Last year Ray Barnick, Valley farmer, delivered the first U. S. bale May 30. The Harlingen Chamber of Commerce is offering a minimum of \$2,500 for the first bale this year.

Several hundred persons from all branches of the cotton industry are expected to be on hand for the three-day conference. The fast-moving program includes some of cotton's foremost experts discussing cotton problems, education and research.

"There isn't any hard and fast membership necessary to attend the Congress," says Burriss C. Jackson of Hillsboro, Congress chairman. "We're just a group of people from all branches of the industry interested in cotton. Anyone is welcome to attend."

In addition to the top-notch speakers on the program, persons

attending the conference will be taken on a field tour of cotton-growing areas in Texas' palm-fringed Rio Grande Valley. Also, a tour of the Matamoros, Mexico cotton producing area will be conducted.

Mr. and Mrs. A. C. Sharp, Jr., who have been attending McMurry College during the fall term, have moved to Spur for the summer. They visited her parents, Mr. and Mrs. Lloyd Waldrip, a while Monday enroute to Spur.

Mr. and Mrs. Herman Egebacher and son, George, have returned from North Bend, Oregon, where they visited her brother and attended graduation exercises for her niece.

Vacationing in Oregon and other points the past two weeks were Mr. and Mrs. Bill Clarke, Mr. and Mrs. Charles G. Clarke and daughter, Lynn, and Mr. and Mrs. G. A. Branton.

Mr. and Mrs. Edmond Smith and daughter, Andrea, visited his parents, Mr. and Mrs. Joe S. Smith,

Tuesday. They were on their home in Burdette fishing trip in Oklahoma.

W. M. S. Circles Have Joint Meeting

The Blanche Groves and Betty Jean Bartley circles of the Baptist W.M.S. met in joint session Monday afternoon in the home of Mrs. Geo. T. Hardberger.

The meeting was opened with a song, followed by a prayer by Mrs. J. R. Hitchcock. In the business session the group voted to meet each Monday at 4 o'clock instead of at 3 o'clock. It was also decided that the four circles would serve refreshments for the Vacation Bible School next week.

Mrs. J. M. Averitt gave a very interesting Bible study lesson on "The Security of the Believer." Mrs. H. W. Finley led the closing prayer.

Delicious refreshments of open face sandwiches, mints and spiced tea were served to twenty-one members.

DON'T BE A HURRY BUG!

SLOW DOWN and LIVE!

An Appeal for 101 Days of Safe Driving

During the summer months—from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success... If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

Wherever you drive this summer, **PLEASE DRIVE SAFELY**

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

Early-Season Control Of Cotton Insects Pays Big Dividends

COLLEGE STATION.—Early-season cotton insect control paid up to \$108.33 per acre at the Lubbock Experiment Station in 1954. Insecticide tests at the station included pre-square applications for thrips control and post-square treatments for fleahoppers and thrips control. Toxaphene and dieldrin sprays also were compared in two experiments. W. L. Owen, Jr., entomologist at the station, reports that the pre-square toxaphene applications controlled thrips effectively for at least one week. Two treatments reduced plant malformation but

did not protect cotton from thrips injury where infestations persisted after the plants reached the fruiting stage. Where damage was confined to the pre-square stage of growth, controls did not increase yields materially. Where fleahoppers and thrips occurred in damaging infestations, economical control was gained with two or three applications of toxaphene or dieldrin sprays, Owen says. Although both materials were equally effective in controlling fleahoppers, dieldrin was superior to toxaphene for thrips control since infestations were reduced for longer periods. Yields of seed cotton were 453 pounds to the acre with two applications of toxaphene while two treatments of dieldrin produced 796 pounds of seed cotton per acre more than untreated cotton. Three applications of toxaphene and dieldrin increased yields 727 and 934 pounds per acre over untreated cotton. Owen says assuming the lint from treated and untreated cotton was equal in quality the average gross from control was \$96.46 per acre for toxaphene and \$108.33 per acre for the dieldrin treatments.

Luther Hester of Rochester visited Mr. and Mrs. I. B. Grisom Sunday.

Until today you might as well have been putting your expensive creams on glass!

MAX FACTOR'S new discovery, SECRET KEY throws open the barrier in your skin that's been holding back your creams and lotions!

"WHY is it that women with dry skin—women with oily skin—and women with the problems of blackheads and blemishes, never seem to get the help they long for—even when the strictest beauty routine is followed with expensive treatment preparations?"

... For years, we at Max Factor searched for the answer to this puzzling question. And this search revealed the startling fact that there is a chemical barrier in the skin itself that keeps creams and lotions "on the outside looking in"—as though they were smoothed on glass!

This barrier develops when skin lacks correct pH* balance. Meaning, it is either too acid or too alkaline. And very few women do have correct skin balance.

We set out to discover a way to break through the barrier—to enable creams and lotions to get through to bring needed help to parched or oil-clogged skin cells.

We found the way—discovered the SECRET KEY—a remarkable liquid formulation which returns the skin to correct acidity-alkalinity balance... and by so doing opens the way through for creams and lotions to do their beautifying work.

We followed with exactly the right corrective treatment groups for the dry, the oily, the disturbed and the normal skin... Each group formulated to follow right behind the Secret Key and help the skin to help itself.

With the Secret Key and your corrective treatment group—suddenly you will begin to notice a real improvement!

Today, I am happy to be able to turn over to you the Secret Key that can open the way to the skin beauty you have longed for.

WCS Members Hear Missionary Relate Experiences

Several members of the Woman's Society of Christian Service, Methodist Church, attended a meeting in Munday on Monday, May 24.

The meeting was sponsored by the W.S.C.S. and the Wesleyan Service Guild of the Munday Church and featured a talk by Miss Patricia Miller, a returned missionary from Africa.

Miss Miller, whose home is in Odessa, Texas, has just returned to the States after being in the Belgian Congo for three years. She told an appreciative audience of her work at the mission station. Her day begins at 5:30 when she goes to prayer meeting, the leading and supervising talks on the rest of the day. She displays a large number of articles that were made by natives.

Those attending from Knox City were Mmes. J. C. McGee, J. H. McGee, S. M. Clonts, J. A. Wilson, B. B. Benton, C. S. Woodward and C. C. Hoge.

Vernon Man to Head USO Fund Drive

Ben Boston of Vernon has been named chairman of District 13 for the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$640,000 in Texas this year. This district includes Knox, Foard, Hardeman, Baylor and Wilbarger counties.

Mr. Boston was appointed by C. E. McCutchen of the First National Bank, Wichita Falls, who is regional campaign chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and young women of the nation's armed forces. A major portion of the Texas goal, as in 1954, will be included in Community Chest and United Fund campaigns throughout the state this fall.

State chairman of the United Defense Fund is Watrous H. Irons, president of the Federal Reserve Bank of Dallas.

Mr. and Mrs. C. A. Hull have just returned from Ft. Worth, where they visited relatives and friends.
