Greyhound-Lueders Game To End Football Season

The Knox City Greyhounds will close out their most successful season in eleven-man football tomorrow (Friday) night when they meet the Lueders Pirates on the local field.

To date the 'Hounds have won eight games and lost only one—the Rochester Steers last Friday afternoon. The game Friday night will decide the second place in the district, since the Pirates have also lost only to Rochester. The losing team Friday night will be in third place in the district, ahead of Aspermont and Rule.

If Rule should up Rochester—which is a far-fetched if—the winner of Friday night's game here would be tied with Rochester for first place in the district. Rochester would represent the district, however, since the Steers have defeated both the Greyhounds and the Pirates.

The Knox City-Lueders tilt is expected to be one of the better games of the season. The two teams were the last undefeated, untied Class B teams in this area until they tangled with the Steers, who had lost their first game of the season.

The Steers beat the Greyhounds just about as bad as they could Friday, with the final score reading 39-6. The visitors capitalized on four Knox City fumbles to rack up 19 points in the first half.

Knox City's lone touchdown came in the final period. A pass from Don Corley to Bobby Driver moved the ball 30 yards to the one, and several plays later Corley went over on a keeper.

Statistics of the game were as follows:

Rochester	Knox City
12 First Downs	9
190 Yds. Rushing	111
93 Yds. Passing	79
2 of 7 Passes Compl'd	4 of 10
2 Passes Interp'd	1
2 Fumbles Lost	6
5 for 27 Punts	4 for 20.5

Auxiliary to Sponsor Dixie Boy Jordan Home Talent Show

Dixie Boy Jordan, Wichita Falls radio and television personality, will be in Knox City Monday night, Nov. 28, to conduct a home talent show, it was announced this week.

The contest will be held at the school auditorium and will be sponsored by the American Legion Auxiliary.

Judges will choose three or four acts to appear on Jordan's television, where they will compete for a \$50 bond.

Acts entered in the contest may be either single or include several contestants. Anyone desiring to enter was asked to contact Mrs. Alvin Roberts.

School Holidays For Thanksgiving To Begin Wednesday

Knox City schools will dismiss at 2 p.m. next Wednesday, Nov. 23, for the Thanksgiving holidays, Supt. Chas. E. Silk announced this week.

School buses will make their regular return home routes and parents may pick up their children at that hour.

A number of the local teachers plan to attend the Texas State Teachers Association which will be held during the holidays, Supt. Silk said.

CUB SCOUTS TO MEET

Monthly pack meeting of Pack 161 of the Cub Scouts will be held tonight (Thursday) at 7 at the Legion Hall, H. M. Compton, Cubmaster, announced today.

Several 'Hounds To Play in Final Game Friday Night

Several Knox City Greyhounds will be playing their last high school football game tomorrow (Friday) night when they meet Lueders on the local field.

Don Corley, starting quarterback the past two years, will not be eligible to play next year. Seniors who will be ending their high school football careers are halfbacks Max Bradley and Cecil Beauchamp, end Jimmy Burt, and tackles Martin Lewis, Don Tankersley and John Traweck. All of these boys have been on the Greyhounds' starting line-ups this year.

Another senior, Carl Bradley, who was a starting guard, has been out of action since he suffered a broken leg in the Knox City-Aspermont game.

Halfback Nathan Ross and center Don Bible expect to move and will not be back with the 'Hounds next year.

District 14-B Sets Spring Contests

A calendar of contests for the spring interscholastic meeting of District 14-B was made at a recent meeting of school officials of the district.

The group elected Elvith T. Mathis, Mattson superintendent, director general. Paul Simmons, Rochester principal and coach, was named athletic director.

Schools represented at the meeting were Aspermont, Mattson, Old Glory, O'Brien, Rochester, Rule, Sagerton and Weinert.

It was voted to hold the literary meet at Rule April 13 and the one-act play contest at Aspermont March 23.

Here is the remainder of the calendar: high school boys volleyball at Old Glory March 13; grade and junior high tennis at Old Glory April 5; senior tennis at Rule April 5; track and field April 7; high school girls volleyball at O'Brien April 9, 10; golf April 12, and playground ball finals will be April 28 with the grade schools at Old Glory and the high schools at Sagerton.

Club Members See Holy Land Pictures

Forty-two members and guests of the 1946 Study Club and the Knox City Study Club were entertained with pictures and a lecture on the Holy Land given by Rev. Bryan Bryant of the Stamford Baptist Church Thursday at the Woman's Club.

Mrs. Joe Averitt introduced the speaker. Mrs. George T. Hardberger played the piano before the program while coffee and donuts were served to guests.

Hostesses were Mrs. Lora Beth Ross, Mrs. Thelma Bailey and Mrs. Ima Reese.

Meeting of Postal Employees Scheduled In Haskell Dec. 3

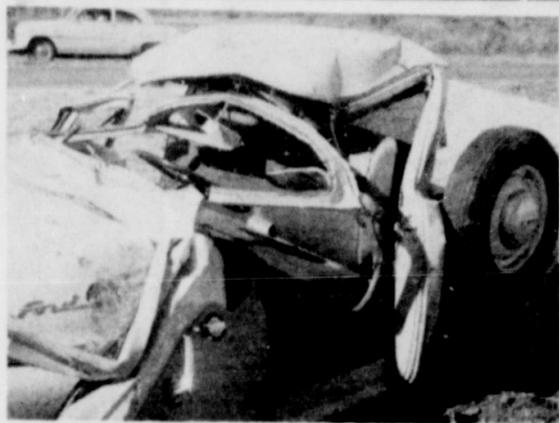

The Brazos Valley Postal Employees Assn., at a recent meeting in O'Brien, discussed plans for the 19 Congressional District meeting of postal employees which will be held in Haskell on Dec. 3.

Events scheduled for the December meeting include a business session, a banquet in the new Haskell Elementary School cafeteria, and a tea and reception and book review for the women at the Magazine Club Building in Haskell.

Post office officials from Texas are expected to be present at the meeting, including W. B. Weathered of Amarillo, manager of District Two.

Mrs. Roy Hines underwent surgery at Baylor Hospital in Dallas Tuesday of last week. She was dismissed from the hospital Sunday and is recuperating at the home of her aunt in Dallas. Her husband returned to Knox City Sunday and expects to go after Mrs. Hines the latter part of the week.

Mary Leone Polen, recently of Abilene, is here with her parents, Mr. and Mrs. C. C. Hogue.

This is the crumpled wreckage of the 1955 model pickup in which Shirley Park, Knox City farmer, was killed Tuesday. Park, who was driving alone, hit a concrete culvert about four miles north of

town-while traveling toward Benjamin, and the pickup overturned several times. The vehicle came to rest about 70 yards from the culvert, while the front wheels and axle, broken loose by the impact, were another 20 yards away.

Shirley Park Killed Tuesday When Pickup Overturns

Funeral services for Shirley E. Park, prominent farmer in this area, were conducted at the First Methodist Church at 3 p.m. Wednesday, Nov. 16, by the Rev. Walter Driver, pastor of the church. He was assisted by the Rev. John W. Price, pastor of the Chillicothe Methodist Church, and former local pastor.

Park died in the Knox County Hospital about 11 a.m. Tuesday of injuries received minutes before in an automobile accident four miles north of town on the Benjamin highway.

Investigating officers said his

1955 model Ford pickup smashed into a highway culvert, causing the vehicle to turn over numerous times. The pickup landed upside down on the east side of the road, with Park thrown partly out of the pickup, which was completely demolished. Hospital authorities said he died of shock and a skull fracture.

He was born April 9, 1900, in Troy, Texas, son of E. L. Park and the late Mrs. Park. He moved to this area with his family in 1906 and had resided here since that time. In 1918 he was converted and joined the Knox City Methodist Church.

Park and Miss Zelma Lee Turner were married Feb. 23, 1924. He had been a diabetic for the past 25 years. When his health permitted, he took an active part in all community affairs, serving on fund campaigns for the Red Cross, March of Dimes, Boy Scouts, local love offerings, and other worthwhile projects.

He lived about two miles south of town and had farmed the O. A. Roberts land for many years.

Survivors are the wife; one son, S. E., Jr.; father, E. L. Park; two sisters, Mrs. Neal Logan of Knox City and Mrs. R. L. Clinton of Putnam; and three brothers, Robert Park of Abilene, and Clyde Park and Leo Park of Ft. Stockton.

Interment was in the Knox City cemetery under the direction of Warren Funeral Home.

Funeral Held for Mrs. R. R. Banner, Former Resident

Funeral services for Mrs. R. R. Banner were conducted Saturday, Nov. 12, in the First Methodist Church in West Columbia, Tex., by the pastor, the Rev. Ernest Mayes. Mrs. Banner died November 11 at her home in West Columbia after an extended illness.

She and her late husband were early day residents of Knox City. Mr. Banner operated a general merchandise store here as early as 1907. He died in 1951.

She is survived by one daughter, Mrs. J. D. Hardin of West Columbia; a son, Charles Banner of Corpus Christi; two grandchildren; three brothers, Ed Rogers of Houston, Ross and Clifford Rogers of Amarillo; and two sisters, Mrs. C. L. Bailey of Wichita Falls and Mrs. T. S. Edwards of Knox City.

O'BRIEN BULLDOGS BEGIN BASKETBALL PRACTICE

The O'Brien Bulldogs are opening their basketball season tomorrow night (Friday) when they will host the Goree teams, both boys and girls.

The game will begin at 7 o'clock. On Tuesday night of next week, the Bulldogs and Colleens, as the girls are called, will go to Vera. Both are practice games.

Coach is Wayne Grable.

Two Indicted by Knox Grand Jury

Two indictments were returned by the Knox County grand jury, October term, which was empaneled at Benjamin Wednesday.

Clarence Smith, Gooch Negro, was indicted for murder in the slaying of a Negro woman in Goree several weeks ago.

Tom B. Arrington of Tulsa, Okla., was indicted for attempt to murder in the shooting of J. R. Davis of Carlsbad, N.M., in Knox City Tuesday of last week. Both men were here working on the city paving project—Davis as an employee of Pecos Valley Construction Co., contractors, and Arrington representing the city and the consulting engineer.

Davis was dismissed from the Knox City Hospital Tuesday and is recuperating at his home in Carlsbad.

Walter Coffman of Goree is foreman of the new grand jury.

Mrs. Annie Bird, Former Teacher, Dies in Lockney

Friends here learned today of the death of Mrs. Annie Bird, former Knox City teacher, in Lockney Monday.

Mrs. Bird, 66, taught in the local grade school in 1951, 1952 and 1953. She was teaching in Lockney at the time of her death. She apparently died sometime Monday night of a heart attack, and her body was not found until Tuesday. Funeral arrangements were pending arrival of a daughter from Iceland.

Left a widow with four small children to support, Mrs. Bird was elected tax assessor-collector of Collingsworth County in 1929 and served two terms in that office before entering Sul Ross College and receiving her teacher's degree. Before coming to Knox City she had taught in the Shamrock schools.

Survivors include two sons, George W. Bird of Hereford and Clarence Bird of Kempner; and two daughters, Mrs. James O. Pickering of New Jersey and Mrs. Lurline Wells of Iceland.

Lions to Stage Minstrel Show

Plans for a home-talent minstrel show to be presented sometime before Christmas were announced this week by G. W. Coats, president of the Knox City Lions Club.

Rehearsals will begin in the near future, and date of the production will be announced.

The show will be written and directed by Mrs. Bobby Bradberry, Lions Club Sweetheart. Mrs. Bradberry has helped stage many home talent shows in the past.

FHA GIRLS SELL EXTRACT AS FUND-RAISING PROJECT

Members of the local F.H.A. chapter are selling vanilla extract to purchase another urn for the concession stand at school activities.

The urn will be used to make and serve hot chocolate. Up to now, only coffee is sold since there is only one urn.

Anyone needing extract may contact Mrs. Chas. E. Silk, chapter adviser, Beverly James or Glenda Givens.

Roy Rushing, left, and his father, Henry Rushing, display 16 rattlesnakes they bagged in a few hours' hunting along the Brazos River Sunday.

The men would drive to a spot

where the river was easily accessible, walk to the bank and look for rattlers out basking in the sun. They did not search for dens, and did not find more than two snakes together.

The two largest reptiles were more than five feet in length and almost eight inches around their middle. One had 12 "rattles," and the other had lost all but five.

Tri-County Doctors Meet in Munday

The Tri-County Medical Society, composed of doctors in Haskell, Knox, and Baylor counties, met in Munday Tuesday night for their regular monthly meeting.

Members and their wives enjoyed a dinner at the Hotel Coffee Shop, then separate meetings were held.

The doctors heard an educational lecture by Dr. Travis Smith of Abilene, councilman of the 13th district, and saw an educational film. Their meeting was held in the office of Dr. Newsom.

The wives met in Dr. D. C. Eiland's office for the re-organization of the Auxiliary. Meeting with them was Mrs. Frank Armstrong, of the 13th district council.

Mrs. J. Massa of Seymour was elected president and Mrs. Wilson of Seymour was elected secretary-treasurer.

Attending the meeting from Knox City were Dr. and Mrs. T. P. Frizzell, Dr. and Mrs. C. G. Markward and Dr. and Mrs. T. S. Edwards.

Mattson Upsets Benjamin Mustangs

The Benjamin Mustangs had the District 4 six-man football championship almost in their grasp, but were upset Saturday night by the Mattson Mustangs in a thrilling 27-6 contest climaxing Benjamin homecoming activities.

At the start of the week Benjamin and Weinert were tied for the district lead with 4-0-1 records while Paint Creek was third with four wins and one loss—to Benjamin. Benjamin and Weinert had played to a 20-20 tie.

Thursday night of last week Paint Creek beat Weinert, and Benjamin had only to defeat Mattson, who had won only one of five district games, for the undisputed title.

But Coach Wm. Roy Baker's Mattson changed the picture and laid the championship in the lap of Paint Creek, with Benjamin ending the season as runner-up.

To show their appreciation, the Pirates will have the Mattson squad as their special guests at the bi-district game tonight at Jayton.

THANKSGIVING HOLIDAY SET BY O'BRIEN SCHOOL

Supt. Ray V. Stark said Wednesday that the O'Brien school will dismiss for Thanksgiving at 3:45 Wednesday, Nov. 23.

Classes will resume Monday morning at the regular time.

Knox City-Rochester football game Friday was a big success financially, that is.

Sixty percent of the gate receipts for any game has been here—and probably the largest ever.

Knox City's share of the after expenses had been the remainder split with the other teams—was larger than the receipts at any other game.

Receipts Friday were \$1,000. Officials and mileage to \$92, which left a net of \$908 to be divided between Knox City and Rochester.

Receipts at other home games this season were \$345 for the game, \$410 for New-Aspermont, \$361 for Trent and \$361 for the Greyhounds played at home.

Passes, student tickets, and other things just how many were at the game Friday wasn't the field busting news!

Thirteen families packed up their things and left Knox City Saturday.

They did NOT leave Knox City lost to Rochester.

Shell Oil Company who have helped develop oil field on the Four Forks, and some of them around Knox City so seemed like permanent. The men moved included J. T. Clark, E. W. McCullum, C. L. Stima, Verle Brown, J. D. Baker, J. A. Freeman, Andy Wohl, West, V. J. Manie, Billy and there may have been others.

Their search for oil has folks back to Knox City and we want them that if they're back November 11, they can beat Rochester!

Thursday is one of our holidays—Thanksgiving. The stores will be busy day early again, and there must also be in one way.

Man's Club at Truscott Annual Banquet

The "Man's Club," organized by Knox County veterans of World War I, met at the Truscott Center Thursday for the club's annual banquet.

The dinner were members of the Truscott Baptist congregation. C. Ellis, pastor of the Baptist Church, was guest of honor.

The program also included a piano solo by Miss Carolyn, accompanied by Mrs. Mary Ann Brown, and a duet, "Seven Years," by Bullion and Mary Ann. A pantomime by Mrs. Mary Ann Brown and Caddell.

The program the club business meeting.

Hitchcock-Reeves Exchanged

Mary Hitchcock, daughter of Mrs. J. R. Hitchcock of Knox City, and Harley Reeves, son of Mrs. L. V. Reeves of Aspermont, were united in marriage at the First Baptist Church Wednesday afternoon, Nov. 16, at 2:30 p.m. by Rev. John Bryant, pastor of the church.

The ceremony was exchanged in a ceremony before the bride on which was placed a crown of white mums and a crown of white mums and a crown of white mums.

The mothers of the bride and groom. A senior in the Knox City school and Harley is a senior in the Cisco Junior College. Plans to continue in the next schools.

STREAMS in Desert Places

By Ozelie Stephens

In remembering Jesus, "Remember His Way of Life," Jesus said, "I Am the Way." That means He shows us the way to live in this life, as well as gives us everlasting life.

Christ's way of life that seeks to bless and help men. He went about, we are told, "doing good." There is safety and joy in doing good to others. Remember the patience, the sympathy, the kindness, the forgiveness of Jesus. Men do not need scorn and unkind words and unkind looks; but all need kindness, sympathy and help.

Remember the New Commandment, "A new commandment give I unto you, that ye love one another." Remember when Peter wrote in his first letter those beautiful words about Jesus, how he "left us an example that we should follow in his steps. Who when he reviled, reviled not again; when he suffered, he threatened not." Remember too Jesus said, "He that followeth me shall not walk in darkness, but have the light of life."

Praise and give thanks unto Him, for He Remembereth you.

Local FHA Girl Named Dist. Officer

Beverly James, member of the Knox City chapter of Future Homemakers of America, was elected district treasurer at the district meeting held in Seymour Saturday.

Other chapter members attending were: Jo Chaffin, June Cox, Joann Wilson, Effie Lewis, Glenda Givens, Alice McCarty, Jan Stroder, Lydia Cone, Donna Worley, Glenna Voss and Christell McHamm. The girls were accompanied by Mrs. O. M. James. Mrs. Chas. E. Silk, chapter adviser, was ill and in the Knox County Hospital.

Theme of the meeting was "Promoting International Goodwill." A group of exchange students from Midwestern University, Wichita Falls, appeared on the program.

Activities of the chapter during National F. H. A. Week included: Planning and helping with an all high school Hallowe'en party; election of the F. H. A. beau, Joe Lynn Cash; adoption of the Texas F. H. A. project of making Texas flags to be distributed through the state headquarters of American Legion; launched the other state project of the collection of Christmas cards; and guests at a tea hosted by members of the O'Brien chapter.

Sunday morning 32 members attended worship services at the local First Methodist Church. They sang "The Lord's Prayer," accompanied by Belinda Coates at the piano and led by Lynelle Tankersley.

The Knox City chapter entertained the O'Brien chapter last year and they hope to make the joint meeting a tradition during F. H. A. Week each year.

The chapter is collecting new, stamped, unsigned and unsealed Christmas cards. Early in December the cards will be sent to the state hospital in Wichita Falls for the patients to send members of their families and friends. Over 50,000 cards were sent to state institutions last year by Texas chapters.

JO CHAFFIN NAMED "MISS FIRELIGHTER"

Jo Chaffin, daughter of Mr. and Mrs. Carl Chaffin, was named Miss Firelighter at the school bonfire held last Thursday night on the lots east of the campus.

Jo is a member of the senior class. The bonfire was sponsored by the seniors, with votes a penny each. A big crowd of football fans and boosters attended the bonfire, which was held on the eve of the Rochester-Knox City football game.

ALETHA FULLER CIRCLE OF BAPTIST WMS MEETS

The Aletha Fuller Circle of the Baptist W. M. S. met in the home of Mrs. Laura Gruben Monday night, Nov. 14, for mission study.

Opening song was "Jesus Is Calling." Mrs. Pete Knight led the group in prayer.

Mrs. H. R. Finley gave the devotional and Mrs. H. W. Finley gave the third chapter of "Mission Doctor."

Refreshments were served to fifteen members and two visitors. Miss Ethel Lemond dismissed with prayer.

Mrs. Frank McAuley, Jr., Mrs. Dan Talbott and Mrs. Junior Reeves were Abilene visitors Tuesday.

COMMUNITY CIRCLE MEETS AT O'BRIEN MONDAY

The regular meeting of the O'Brien Community Circle was held Monday night, Nov. 14, for business.

Dempsey Emerson, vice-president, presided. A report on the results of the Hallowe'en Carnival was given by the secretary. Almost \$500 was made, with one-half of that amount going to the various classes and the balance retained in the Community Circle fund.

The group voted to buy and install flood lights on the school grounds near the parking area to be used during the basketball season this year.

Future programs were discussed and refreshments were served.

The Community Circle meets every second Monday of each month.

Barbara Carver, student at Hardin-Simmons, Abilene, spent the weekend with her parents, Mr. and Mrs. Bud Carver.

Mr. and Mrs. Tom Harshbarger of Dallas were in town last week of her parents, Mr. Orland Jamison.

Acreage Allotments For States Announced

The U. S. Department of Agriculture has announced state acreage allotments for the 1956 crop of upland cotton. These are a breakdown of the national allotments of 17,391,304 acres announced October 14.

The Texas allotment for 1956 is 7,410,893 acres. This is a 201,886 reduction from the 1955 allotment of 7,612,779 acres. On July 1, 1955, 6,984,000 acres of upland cotton were being cultivated in the state.

The law provides that no state shall receive an allotment for upland cotton which is less than the smaller of 4,000 acres or the high-

est acreage planted to cotton in the state in any of the years 1953, 1954 and 1955. The remainder of the national acreage allotment is apportioned among other states on the basis of the acreages planted to cotton in the years 1950 to 1954, with certain adjustments in such acreages as required by law.

The national acreage allotment of 17,391,304 acres is that which is required to produce an amount of cotton equal to the national marketing quota of 10 million bales. It is based on the national average yield of cotton per planted acre for the five years 1950-54.

On December 13, farmers who grew upland cotton in 1955 will vote in a national referendum to determine whether marketing quotas will be operative for the 1956 crop of upland cotton. Two-thirds of those voting must approve marketing quotas if they are to continue in effect. The same day, a referendum on marketing quotas for the 1956 crop of extra long staple cotton will be held in the areas where this type of cotton is grown.

The state allotments announced are to be apportioned among counties and the county allotments among farms according to provisions of the law and regulations issued by the secretary. Individual farm acreage allotments will be mailed to operators prior to the referendum.

U. S. Farm Exports Show Increase

United States agricultural exports for the July-August-September quarter of the current fiscal year were 20 per cent higher than for the same period last year. Exports were valued at \$720 million, as compared with \$598 million for the corresponding period of 1954-1955.

During the first quarter of the current fiscal year exports in all major commodities, except cotton, showed an increase over the corresponding quarter of 1954-55. The value of cotton exports, amounting to \$40 million, was only 5 per cent of the total for the same period of the previous year.

In August, latest month for which official returns are available, farm exports totaled \$222 million, 17 per cent above August, 1954.

Expansion of purchasing power available abroad, and an increase in foreign consumption levels for agricultural commodities, particularly in Western Europe, are favorable factors in the foreign market. United States agricultural exports are having to compete against larger foreign output, however, and in the case of a few commodities, against lower prices.

United States agricultural commodities have met a steadily increasing world trade since World War II. United States agriculture, however, has not been participating in the increase. During the Korean conflict, U. S. farm ex-

ports increased, but declined thereafter. Foreign exporters on the other hand, have increased their sales. With United States cotton exports off during July, August and September the decline in U. S. exports appears to be continuing into the current fiscal year.

The bolstering effect of sales and donations under United States government programs has been considerable in the past year. Substantial Purchase Authorizations made late in 1954-55 have been resulting in large export sales in 1955-56.

From where I sit... by Joe Marsh

Seen Monk's "Better Half"?

Monk McCarthy's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple.

Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention.

Now Monk's taken Tog Morgan's old sedan and completely restored one half of it. One side is as good as new, the other looks like—well, Tog's old car. "Sort of a before-and-after demonstra-

tion," Monk told me, "shows folks the kind of work I do."

From where I sit, some of Monk's ideas may look a little wild sometimes... but I wouldn't want to tell him how to run his business any more than I'd like him to tell me what beverage to enjoy. He always keeps a hot pot of tea in his garage—I'd rather have a cold glass of beer—but respect for each other's opinion is "auto"-matic with us both.

Of course it's ELECTRIC

When the winter evenings lengthen
And the cold begins to strengthen
Then you start to pile the bedclothes on at night.
As their numbers grow excessive
Then the weight becomes oppressive
And you toss and turn until the morning light,
What you need, friend, I'm emphatic
is a **BLANKET AUTOMATIC**
set a dial . . . that is all you'll have to do,
You'll stay warm and snug and cozy
Life will be a lot more rosy
And you'll slumber like a baby all night through.

Cadillac

Beyond the Realm of Argument!

This is the season when conversations turn easily and often to motor cars.

And, in almost any gathering, you're likely to find a wide difference of opinion about the relative merits of the year's automotive offerings.

Until the talk turns to Cadillac!

Here is one car concerning which most motorists have a meeting of minds. And never before has Cadillac left so little room for argument as in 1956!

Certainly no one could behold the new Cadillac without recognizing it as the "car of cars". Its beautiful, graceful, flowing lines . . . its regal bearing on the highway . . . and its long, low silhouette are simply too significant to misunderstand.

Surely no one could ride in a new Cadillac and not agree that it is the Standard of the World. Its new fabrics and leathers are rich and luxurious almost beyond belief . . . and its interior appointments have been crafted with a jeweler's skill.

And we doubt if anyone could drive a new Cadillac and not understand that it is the finest-performing motor car of all time. Its great new engine is a revelation in power and performance . . . and its new Hydra-Matic Drive is incredibly smooth and responsive.

Truly, the evidence on the side of Cadillac has never been more apparent than it is today.

Why not come in soon—and see for yourself?

We'll be delighted to introduce you to Cadillac's great new styling . . . and to arrange a demonstration at the wheel . . . and to acquaint you with the new Sedan de Ville and Eldorado Seville.

You'll agree, we're certain, that Cadillac for 1956 is beyond the realm of argument!
