Church Activities

Christian Minister Resigns

Minister Bedford Smith, pastor of the First Christian Church of this city, resigned and delivered his last sermon Sunday evening. Brother Smith is attending the Phillips University in Oklahoma and finds that the distance from here there is too great for him to serve this church well.

His sermon Sunday "The Remnant of the Few" was well selected and given. He allowed himself a few minutes for a "farewell" remark in which he urged the church membership not to argue or debate religion but to "live it".

The church has progressed under the leadership of Minister Smith and the town as well as the church will feel his absence.

Baptist Church

Next Sunday, October 14, has been designated as the date for the collection of the annual payment on the church debt. Every Baptist member of the local church, is expected to be present.

Because of the election and the regular monthly church conference there will be no preaching service at the evening hour, the time will be given to the collection and church conference.

Sunday School will begin promptly at 9:45 a. m. B. T. S. at 6:45 p. m. C. B. Stovall, pastor.

The honored guest, John Ed, was presented a beautiful cake decorated with colored animals and centered with one candle. Refreshments of punch ice cream and cake were served, plate favors being "pink flags" filled with mints.

John Ed received an enormous bunch of beautiful gifts.

Three women evangelists are conducting a Four Square meeting in the Needmore community. This is their concluding week. The women are from three different states, Missouri, Kansas and California.

LADIES MIX RUMMAGE AND PIES

Knox City is to have a well balanced diet Saturday since the Methodist ladies and the Baptist ladies are mixing their rummage and pies.

County Council P-T-A Assn

The County Council of the Parent Teacher Association conducted a most successful session here Wednesday in the main auditorium of the First Methodist church.

Among the out of town guests present were three State officers, Mrs. J. H. Emmert, State chairman of Parent Education; Mrs. J. M. Fox State chairman of Publicity; and Mrs. Murphee of Iowa Park, president of the 13 District. These ladies contributed most spindly to the program of the day, which talks were found to be very profitable to all the county Parent-Teacher organizations.

Schools represented at the meeting Wednesday were Gilliland, Munday, Benjamin, Truscott and Knox City, the enrollment for the day numbering 50 or more.

The business and program sessions were presided over by Mrs. P. C. Baker, county council president. Plans were discussed for a P-T-A booth to be held in Knox City in November in connection with the H. D. C. exhibits and fair.

During the program Mrs. Miss Pince, instructor in the speech department of the Knox City school, gave a pleasing reading, Mrs. Rice of Benjamin, wife of the County Agent, also favored the council with an enjoyable reading.

At noon lunch was served in the dining hall of the church, each guest contributing a covered dish to the menu. The local association completed the meal with sandwiches, pie and feed tea.

Throckmorton overpowered Knox City for a 12-0 win. Displaying powerful off-tackle smashes, the Greyhounds were only able to hold Throckmorton in check part of the game.

Throckmorton scored early in the game on a sixty yard march down the field, finally taking the ball over from the two yard line. The kick for extra point was blocked. The score Throckmorton six-Knox City 0.

Throckmorton threatened to score twice in the second quarter but the Greyhounds held and the ball went over on the third and fourth yard lines. Both times Knox City punted out of danger. The third quarter was

played on even terms neither team threatening to score. Throckmorton scored again on another drive. This time for about forty-five yards, the kick was blocked again and Throckmorton led 12-0.

The Knox City Greyhounds had two bad breaks or they would have scored two touchdowns. Edward Shaver was loose over the goal line and B. E. Bryan threw a bad pass. The ball was too short and the pass was incomplete. After marching sixty yards Knox City got the ball on Throckmorton's seven yard line. The play Lloyd Huntsman made four yards through the line and fumbled the ball. Throckmorton recovered, the Greyhounds were touchdown bound, only to have a bad break against them. The game soon ended after Throckmorton had made a first down. The score Knox City 0 Throckmorton 12.

The Greyhounds are going to work hard for this game for they believe they can defeat Rochester and would like to have agood crowd over to help them win.

DID YOU KNOW THAT

The total number of theatres in New York is approximately four hundred and fifty, which includes shows where movies make up some of the bills. The total seating capacity of the places of amusement is over 1,425,000. Licensed dance halls and cabarets number over 1,999.

Delaware is the only state to retain the whipping post as a punishment for criminals.

Women criminals are far more successful than men in escaping from the prisons and reformatories of the United States. Each year one out of every forty five female prisoners succeed in escaping, but only one out of every seventy five of the male prisoners. Fewer women are caught while ninety per cent of the men are freed only eighty per cent of the women are ever captured.

FRESHMEN ENJOY "INITIATION"

Last Friday, the Upper classmen were astonished to see all the Freshmen girls come to school wearing short dresses, carrying dolls and all-day suckers. But they were no more astonished than the Freshmen themselves, for they were commanded by the Sophomores.

During Physical Education period they entertained the Student body with a style show and a program.

Ei Lena Payne White sang "At the Bar".

Billie Boss Benedict speech "Why the Sophomores are better than the Freshmen".

Leta Beardon, Murry Heater, Dorothy Shaver, and Billy Favor, sang "Show Me the Way to go Home".

Following the program the Freshmen girls were taken to the basement and treated to a lovely chocolate cake with a pink icing. The

The Freshmen Reported that a nice time was had by all of the Sophomores.

The Pep Squad and football boys met on the football field last Thursday night for yell practice.

Following the yell practice and speeches the Pep Squad went to the home of Mrs. Otis Cash for games and a water melon feast.

CHAUCER AND SHAKESPEARE DO NOT AGREE WITH SENIORS

The Seniors have been studying Chaucer and Shakespeare for the past three weeks, with some difficulty. However they find Chaucer's Canterbury Tales interesting if they could only translate them.

Though we can read Shakespeare we are no better informed after reading it. Mrs. Cash it seems finds something more difficult each day for us to do. It is the McBeath contract now.

We are very glad to have Pauline King back in school after several days absence.

"No More Dynamite for Me!"

And that's What YOU would Say, After Making the "Liquid Test" Described Here

DAVID H. WADSWORTH

Cold Springs, Kentucky, discovered the value of a liquid laxative about three years ago, and would never use violence again in relieving a constipated condition.

from the violent action of strong mineral drugs!

If you are a victim of "sluggish bowels"; an occasional sufferer from constipation, here's the secret of prompt and safe relief until nature restores your regularity. Use a liquid laxative.

Start tonight with Syrup Pepsin. If necessary to repeat the dose use less each day, until the bowels are moving regularly and thoroughly without any help at all.

If there is an occasional return of the trouble, Syrup Pepsin will comfort and relieve you again, as easily as it did the first time you ever took it.

Ask any druggist for a bottle of Dr. Caldwell's Syrup Pepsin, and make the "liquid test."

If, by making one little change, you could relieve a condition of sluggishness within 24 hours, and feel about 100% better—would you do it?

David Wadsworth did. You can do the same. All that is necessary is to get your bowels in the right condition. But you can't do that by doing them violence.

Doctors and hospitals use liquid laxatives. They've seen the damage sometimes done by highly concentrated drugs in the form of pills or tablets! They know that a properly made liquid laxative containing senna (a natural laxative) does not do this harm. And they use a liquid laxative to relieve the bowels, because the dose can be easily regulated.

To Relieve Bowels

Constipated or sluggish bowels can never be corrected with violent purges. They can be safely relieved with Dr. Caldwell's Syrup Pepsin without forming the laxative habit.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative made from fine herbs, pure pepsin, senna and cornsilk. It is most agreeable to take. The comfortable bowel movement from Syrup Pepsin is a joyful relief
