McGaughey-Vines Vows Are Exchanged

Miss Vera McGaughey of Benjamin, daughter of Mr. and Mrs. Merick McGaughey, became the bride of John T. Vines in a double ring ceremony Monday, July 16, in the First Methodist Church in Benjamin.

Officiating was Ernest McGaughey, cousin of the bride. He is pastor of the Methodist Church in Oplin.

Mrs. John McGaughey, sister-in-law of the bride, was matron of honor and best man was Porter Smith of Seymour, cousin of the bride.

Traditional wedding selections were played by Mrs. Curtis Casey of Trucott, pianist. She also accompanied the bride's brother, John McGaughey, who sang "Because" and "The Lord's Prayer."

Ushers were Stephen McGaughey and Jim Cox, and Mary Nell Vines, sister of the bridegroom, registered guests as they entered the church.

A reception followed at the club room. A beautiful wedding cake, baked by Mrs. A. K. McGaughey, was served with punch by Roba Cox, Carol McGaughey, Sonya and Samone Hertel, and Linda and Glenda Cox.

Mrs. Vines will graduate from Texas State College for Women in Denton in August, with a Mas-

ters Degree in speech therapy. The couple will live in Starksville, Miss., where he will enter Mississippi State College in September.

A pre-nuptial bridal shower honoring Miss McGaughey was held Saturday, July 14 from 5 to 6 p. m. in the club room at Benjamin.

Mrs. Jack Barker registered the guests and Mrs. Janie Driver displayed the gifts. Mary Lois Parham served punch and Odette Barnett served cake. Hostesses were Mmes. Barker, Grady Hudson, Lee Snaidum, M. A. Bumpas Jr., H. T. Melton, Oren Driver, Ed Isbell, L. A. Parker, Earl Cox, and Omilene Barnett and Mary Lois Parham.

Mr. and Mrs. Charlie Moss and Jane of San Angelo visited Knox City friends Sunday enroute home from Crowell, where they spent the week end with Mr. and Mrs. Jack Spikes. Mr. and Mrs. Moss are former publishers of the Herald and now have a printing shop in San Angelo.

Mr. and Mrs. Troy (Cokey) Wiley of Dallas were week end guests of Mr. and Mrs. Sam E. Clonts. Sam and Cokey were college friends at Texas Tech in Lubbock.

PROBLEMS WITH IRRIGATION WATER

UNDERGROUND PLASTIC PIPE IS YOUR ANSWER
READ WHY BELOW

A PROVEN SYSTEM

Approved by FHA, ASC, SCS, on county, state and national level.
Used by Bell Telephone Co. for underground cable—after extensive test.
Ground movements do not crack it.
Ask any farmer who has one of the many installations in SW Oklahoma or North Texas.

PAYS ITS OWN WAY

Texas A. and M. conducted extensive test to show it cost 54 cents to \$1.10 per foot a year to have open ditches because of seepage and evaporative losses.
Plastic pipe has the highest flow efficiency ever developed in pipe.

GUARANTEED

Oklahoma Irrigation Service gives a written contract service free all material and workmanship for two years. Carlon Corporation, world's oldest and largest plastic extruder, gives a written guarantee of five years against rust, rot, corrosion, weathering and rodent attack.

Re-Elect Lewis Williams your District Judge

TO THE VOTERS OF THIS DISTRICT:

I would like to ask the support of all of you during the election to be held July 28th. I intended to try to contact each of you personally during the past few weeks, but unfortunately an automobile accident occurred as I was returning to my home from Court. The injuries sustained in this accident prevented me from conducting as vigorous a campaign as I would have liked.

During the weeks that I was confined to the hospital and my bed, I got behind in my Court work, but as soon as my doctor released me I went back to holding Court. I have tried several cases in Baylor County, several in Knox County and several in Cottle County instead of running all over the district campaigning for re-election. I did this because I felt that you, the voters who gave me this job, would expect me to stay on the job and attend to it. I have several more cases set down and will be busy most of this month, but between cases and after Court I will see as many of you as possible.

The office of District Judge is an important one since it is the highest judicial job in the State outside of Appellate Courts, and the most important cases in the District are tried here. Experience and sound judgment are two great assets at this post. I hope I have acquired the former and demonstrated the latter during my years as your District Judge.

Most of you know me and are familiar with my record as jurist in your District Court. To the best of my ability I have been just and fair during the time I have served you. If re-elected, I promise to continue performing the duties of District Judge to the very best of my ability.

YOUR VOTE AND INFLUENCE WILL BE APPRECIATED.

Ed Cloud Issues Formal Statement Regarding Candidacy

Ed J. Cloud of Rule, candidate for re-election to the office of State Representative from this district, this week issued the following formal statement in behalf of his candidacy:

First, I wish to thank the people of Knox County and the people of the other counties that compose the 33rd legislative district, for the vote of confidence that you gave me two years ago in sending me to Austin as your duly elected representative. I enjoyed the work. There is no better way in which one may serve his or her state during peace time than being an able, honest and conscientious member of the State Legislature. I may say that during the current session I received all the recognition that a new member is ordinarily accorded. I served on the following committees which were of my choice: Banks and Banking, Municipal and Private Corporations, School Districts, Education, and Military and Veterans Affairs. These assignments were given in consideration of my past experience and training. I was in the banking business for 14 years, nine years of which were in an executive position. I was a school teacher for fourteen years; I served overseas as an enlisted man during World War I and saw 57 days of continuous combat service. During the last 16 years I have

been engaged in the operation of farms and during the meantime I served for eight years as mayor of my home town, Rule. In addition to the above, I have served as Independent Executor of at least three Estates, the business of all was terminated without trouble or charge of unfairness; too, I have been actively identified with various civic affairs of our community, and I have been an active worker in the local church of my choice. May I say that I am not asking for re-election on the plea that I need the office financially. Though I am not what you call a wealthy man, I have always, since I was 20 years of age, made my own way and most years I save money, and I made it honestly.

During the past session I supported the old age pension measure without amendments; I supported a bill that would have largely cured, in the future, such troubles as recently experienced by the Waco Guaranty & Trust Company, but the bill was defeated; though I am not an authority in the Insurance Business, I supported other bills that had as their purpose the cure of insurance troubles; I supported most of the educational measures that came up, probably all, except one, and I have letters of commendation from educational leaders of the state in which they expressed appreciation for my work in that field; though the major field of agriculture comes under Federal jurisdiction, there was a number of bills that came up that was of

state jurisdiction; I also have in my files letters of commendation from agricultural officials and other leaders in which they set their seal of approval upon my attitude; I supported the Special Schools for the Unfortunate; I opposed a State Income Tax proposal; I opposed a two cent tax raise on gasoline, and was one of the group of House members who went into a solemn agreement to stay in session all summer rather than vote for a two cent tax raise on gasoline; I was one of the group who held up adjourning the session, and being called back into special session when we could have drawn pay. We wished to finish the job without strings, for in a special session we could only have considered that which was submitted to us. We worked hard for an additional thirty days without pay in order to be independent and unrestrained.

I may say that I believe that the legislature should meet every year, for in no other business that I know do the directors meet as seldom as every two years. There are many problems to come up with the next year's session. Among these are the Penitentiary, Conservation, Education, Insurance and Lobbying. There were too many conflicting interests and ideas that prevented a satisfactory adjustment during the last session. Let me say I favored a water-users' pay program unless the districts see fit to levy an ad valorem tax—I certainly opposed a three cent State ad valorem tax, for too much of our territory could not have derived any direct benefit. I supported a reformed veterans' land program. Safeguards are thrown around it.

I am in favor of the segregation of our schools and will do what I can legally to continue this system—but I will not go to open rebellion against the federal government. I believe in states' rights. I oppose federal encroachment upon the states whether in the field of Education, social life, or in business that is more or less local in its nature.

In conclusion I may say that Texas is now raising and spending about three quarters of a billion dollars a year and it is the responsibility of the legislature to raise these funds and to earmark the spending. It is the responsibility of the voters to send men and women to the legislature who already are Trained and Experienced, men and women who are without biases and prejudices. Governors and legislators come and go—but principles remain. Let us go to the polls and vote for whom you think is best qualified for the job. A person should not ask for the job unless he can be ON the job. I may say that I am a Democrat—I do not believe that the principles of Jefferson, Jackson and Wilson should be permitted to die. I supported the Democratic party in the past and intend to support the Democratic Nominees this year from constable to president. If my experience as a teacher, soldier, banker, mayor, farmer, civic worker, churchman, and as a resident of your district for 56 years merits your consideration to the point of electing me to a second term as a member of the legislature, I shall ever hold in mind your interest; and I am sure that you will hold in mind that not all members of the legislature are crooks as some seem to infer.

Thank you,
ED J. CLOUD

WELCH FAMILY REUNION HELD AT SEYMOUR PARK

About 200 relatives and friends attended the Welch Family Reunion held at the Seymour Park Sunday.

The affair is held each year by the children and grandchildren of the late Mr. and Mrs. Ison Welch. Children present were Mart Welch of Vernon, Jake Welch of Vera, Henry Welch of Belton, Mrs. Ella Cochran of Nocona, and Mrs. Julie Long of Eastland. Two other children, Zack Welch and Mrs. Cordie Flowers of California, were unable to attend.

Attending from Knox City were the daughters of the late Mrs. Joan Welch Hutton, Mrs. Otis Cash and Exa Faye Hutton, and Mr. Cash and Joe Lynn.

Church services, with Henry Welch doing the preaching, were held Sunday morning.

Relatives were present from Albuquerque, Vernon, Ft. Worth, Belton, Knox City, Nocona, Eastland, Truscott, Gilliland, Gainesville, New London, Quanah, Cheney, Kans., Oklahoma City, Lubbock, Duncan, Okla., Pampa and Vera.

The next reunion will be held the third Sunday in July, 1957.

Mrs. Jess McClellan of Stamford is visiting her daughter, Mrs. Jack Coats, and family.

STILL KING OF THE MOUNTAIN!

Chevy beats own Pikes Peak record . . . and tops all rivals including cars in every price range!

Chevrolet takes first, second and four of the top six places! Beats its own stock car record by a full minute and 15 seconds!

Running against the hottest competition in the land, Chevrolet won the Pikes Peak climb.

This is unquestionable proof of Chevrolet's supreme roadability—the accuracy of Ball-Race steering, the solidity of outrigger rear springs, the traction of balanced weight distribution.

There is no greater test of a car's road safety qualities than the Pikes Peak climb. Try it yourself, in the car that's won the "crown" twice in a row!
