## Stamford District Conference M E Church Convenes Monday

### 150 Or More Deligates Expected Here

Opening Sermon Monday Night  
Reverend Yarbrough.

23 Pastorial Charges In District

For the second time in the history of the Knox City Methodist church the church is entertaining the Stamford District Conference of the Methodist church next week. Some ten years ago Knox City entertained the District conference and on Monday afternoon of next week delegates will begin to arrive in Knox City for the holding of the conference the second time in Knox City.

The Stamford District includes 23 Pastorial Charges with 250 delegates who are eligible to attend the conference. Knox City is expecting not less than 150 delegates. In addition to these, Reverend Sharp states that we will probably have other delegates from different departments of church interest from over the state. These include such as McMurray College, S. M. U. in Dallas etc.

The first feature of the Conference will be a sermon Monday evening at eight o'clock by the Reverend P. E. Yarbrough from Throckmorton. Other sermons to be delivered during the time will be at eleven o'clock Tuesday morning, at eight Tuesday evening and again at eleven Wednesday morning.

The Conference proper, or business sessions, will begin Tuesday morning at nine o'clock. After the opening of the conference, the honorable Roy Smith, Mayor of the city, will give the welcome address. The business and other features will follow as directed by Dr. G. S. Slover, presiding officer of the conference and Presiding Elder of the District.

#### Arrival of Deligates

As the delegates arrive Monday evening they will be assigned a home and directed thereto where they will be entertained as one of the family. The evening meal Monday will be given the delegates by their respective hostesses, as well as breakfast Tuesday and Wednesday mornings. As other delegates arrive Tuesday, they will also be assigned a home in which to stay.

The noon meal Tuesday, the evening meal Tuesday and noon meal Wednesday will be served to all the guests of the Conference at the church.

#### More Homes are Needed

Entertaining the district church conference is a big undertaking and the committee on securing homes for the delegates is finding their work difficult. This committee, as well as all the members of the church appreciate the spirit being manifest by the ladies of the other churches of the town. They have offered their homes so willingly to entertainment for our delegates that the respective committee has found it a pleasure to ask and accept their cooperation. However, not enough homes have yet been secured, to take care of the number of delegates.

Thursday morning at nine o'clock enough homes had been promised to take care of only 97 delegates. Knox city is expecting not less than 150 delegates. Ladies, our committee securing these places of lodging, needs help. This committee is composed of Mrs. L. L. Davis, Mrs. Victor Fyeatt and Mrs. Henry White. If you have not given your name as one who will take some delegates and you can possibly do so, please let one member of the above named committee hear from you.

We urge also that those who have felt that they could not take some of the delegates, that if you have changed your mind by finding some way in which you can help out in this emergency, please call one member of the committee. We must have more homes opened for caring of these delegates and we feel that if

## Local Officers Capture Okla. Bank Robbers

### RULE AND KNOX CITY OFFICERS CAPTURE TRIO FOR OKLAHOMA

Nearly All of \$2,000 Loot Recovered After Two Men and Woman Are Captured Near Rule

G. T. Hardberger and S. L. Favor of this city with Hobb Smith of Rockeater and Mr. Townsman of Rule caught two Oklahoma bank robbers in Rule Wednesday afternoon.

Two men, Meadows and Wilkinson, with a girl about 15 years of age, went to the home of one of the bankers in Indian Oklahoma where they spent the night, holding one of the bankers and his family captives. Wednesday morning the three forced the banker to drive them to town, get the money from the bank and secure them a car. The banker got a Pontiac. The four of them started out of town and met a man in a Dodge car. Meadows and Wilkinson forced the banker to take the Dodge for them and after taking the two captives a piece out of town they released them.

Meadows and Wilkinson and the girl drove south coming through Vernon where they asked the way to Knox City. They were met a short piece north of Knox City by Hardberger and Favor who followed the Dodge car through Rochester, picking up Hobb Smith, then into Rule where Hardberger picked up Mr. Townsman. The four men circled a block, met the Dodge car with its three occupants and forced them to surrender. They offered no resistance. Local officers turned the bank robbers and the girl over to the Sheriff of Fredrick Oklahoma to where he returned with them.

As the officers returned through Knox City with the two men and girl they were met by a large crowd of citizens who were eager about the robbery.

#### Two Men Charged

Charges of robbery with firearms and kidnaping were filed against the men. No charges were filed against the woman.

#### EASTERN STAR GRAND DEPUTY VISITS KNOX CITY CHAPTER

There was a call meeting of the Eastern Star Monday night for a visit here of the Grand Deputy of District number 2. A good many of the members were present and the lodge hall was unusually attractive being decorated with cut flowers, roses largely. The Star points all had their proper flowers which made the part of the order very nice. The chapter was honored by a lecture given by the Grand Deputy. Refreshments of cake and ice cream were served.

#### NEW BABIES

On Saturday of last week a fine baby girl came to gladden the home of Mr. and Mrs. Abe Watson.

Another girl came to a Knox City home Saturday also, the home of Mr. and Mrs. Harvey Freeman.

#### THE CAMP-FIRE GIRLS

Scribe Addie Short

The "TEJAS" Camp-Fire Girls went on a picnic Saturday afternoon after school; April 23. They went to the dip. After they arrived they explored awhile and then gathered wood for the camp-fire. Weiners, bacon, eggs, and chili were cooked and served with potato chips, bread, lemonade, ice cream and cookies.

Those who enjoyed the outing were; Marie Deulap, Wynell Edwards, Mary Lou Grahall, Irene Holland, Mary Howell, Essie Mae Leaverton, Jonell Robbins, Addie Short, Odell Thompson, Rowena Wall, Guardian Mrs. H. M. Jones, Mrs. H. B. Sweeney, Mrs. Dr. T. S. Edwards, Mrs. C. E. Bailey, and daughter Mary Louise, Mickie Sweeney and Henry Gene Jones.

#### NAZARENE SUNDAY SCHOOL ORGANIZED

We wish to announce to the public that we have organized a Sunday School at the Nazarene Tabernacle. Sunday School begins at ten a. m. We cordially invite and urge every person who is not now attending Sunday School at one of the other churches to come and be with us.

We are also having preaching services every Sunday morning and prayer meeting on Tuesday nights. Everyone is invited to attend all services.

Rev. Mrs. Pearl Keaton, pastor

#### DAVIS BOYS IN WRECK

Lloyd and Carl Davis left Knox City Wednesday afternoon with a truck loaded with stock going to Fort Worth. Wednesday night the boys had trouble just out of Decatur. Their truck turned over and three head of mules were killed. Neither of the boys was hurt but the truck was wrecked.

Lloyd telephoned the Shaver boys here who went with their truck to rescue the Davis boys and stock.

#### 5th GRADE PICNIC

The pupils of the fifth grade were entertained by their room mothers with a picnic last Friday afternoon at the dp northeast of the city. The children played a variety of games and found the picnic lunch very good. Fifth grade mothers are Mrs. S. M. Clonts and Mrs. H. L. White and the teacher is Miss Cassie. These three were assisted by Mrs. George Stubbs, Mrs. Ed Shaver, Mrs. J. H. McGee, Mrs. Grady Benedict, Mrs. W. E. ... and Miss Alma Hyde.

#### E-HAMILTON

Miss Clara Mae Hamilton of Benjamin and Mr. Vernon C. Hale of Roby Texas were married in Benjamin last week by the Reverend C. B. Stovall.

### MRS. FORTENBERRY BURIED AT GILLESPIE

Mrs. Mary Caroline Fortenberry, age 82 years, died at the home of her daughter Mrs. Frank Jarvis Friday night of last week and was buried in the Gillespie Cemetery following services held at the Gillespie church by the Reverend J. A. Laney of Munday.

For the past several months Grandmother Fortenberry had been confined to her bed. While her death was not a shock it left deep rooted sorrow in the hearts of her eight children and other relatives.

Mrs. Fortenberry was born in Fayetteville Arkansas in 1850. In 1865 she was married and 1871 she with her husband came to Texas. Eleven children came to bless the Fortenberry home, eight of whom are now living and six of whom were in attendance at the last services of Mrs. Fortenberry Sunday morning.

While yet a small girl Mrs. Fortenberry was converted and joined the Methodist church. She remained true to her faith until called in death last Friday. She was a charter member of the Throp Church which church she held membership until Sunday. Mrs. Fortenberry's life was a useful one. She will be missed here.

The children who survive the deceased are J. B. Fortenberry of this city, Lee Fortenberry of Lamesa, Mrs. A. D. Hill of Artesia New Mexico, Mrs. Frank Jarvis of Sun Set, Mrs. Lee Adams of Weinert, Baxter Fortenberry of Throckmorton, Mrs. Eula Clerley of California and Frank Fortenberry of Sun Set. In addition to these children Mrs. Fortenberry is survived by about 40 grand children and 18 great grand children.

#### NEWS FROM C. I. A. BUREAU

The Herald received to interesting news reports this week from the Texas State College for Women CIA in Denton. Both are concerning Miss Mabel Clonts who is a student in the college. Miss Maurine Currin of the college states that Miss Clonts is a member of the Choral at CIA which opened the Musica Festival last week. The Choral is made up of a selected group, says Miss Currin, of the voices, and represents the college in various programs throughout the state. The second article was contributed by Miss Nida Belle Berry of C. I. A. She states that Miss Mable Clonts was one of the students who took part in the Freshmen stunts, which were presented Monday night in the college auditorium. It is the custom of the college for the Freshmen and Sophomore classes to display the talent of their classes in a program of stunts. The Sophomores presented their stunts last week and the Freshmen stunts which were presented Monday night April 25th consisted of four main acts and three curtain acts. Miss Clonts was in the first act, the N. B. C. Golder Jubilee.

Miss Clonts is a freshman in CIA and is doing her major work in the Department of Speech.

It was with pleasure that the editor read the two notices from CIA concerning Mable Clonts, and we feel sure that everyone will be glad to know of how well Mabel is getting along in the college.

## The Rain

Wednesday night and Thursday morning before day Knox City and a large surrounding territory had a good inch rain. Considering the territory and the way in which the rain fell this is the best we have had this year.

Farmers can get right to planting now and everything should get a fairly good beginning. The much water will help the gardeners or lovers a great deal also.

### KNOX CITY BOY MARRIES IN LUBBOCK

Elliott-Newell

Mr. Chester Elliott formerly of this city and Miss Kathryn Newell of Wortham Texas were united in the holy writs of matrimony in Lubbock on Saturday, April the 16th. The ceremony was spoken by the Reverend Joe Haynes, pastor in Lubbock in the Methodist parsonage Mr. and Mrs. Elliott are living in Levelland.

Chester Elliott is the son of Mr. and Mrs. W. C. Elliott of Knox City. He was reared here and spent some time working in the Citizens State Bank of this city. About eight months ago Chester went to Lubbock where he started working in one of the banks there. He has been steadily employed there since.

When Chester first went to Levelland who was teaching in the Levelland school. Her home is in Wortham Texas. Miss Newell, now Mrs. Elliott, has been elected to teach in the Levelland school again next year.

Friends of Chester in Knox City are glad to learn of his marriage to such a splendid woman as Miss Newell. It is interesting to know that she has light hair and weighs about 125 pounds. She is described as being a pretty girl as well as intelligent and possessing a pleasing personality.

Mr. and Mrs. Elliott began keeping house immediately after their marriage.

#### Given Shower

Chester and his bride were presented a chest of beautiful silver the bankers and other business men of Levelland. A few days after their marriage, the couple were given a shower and received an abundance of nice useful things.

Chester Elliott is a very fine young man and is serving of the lovely companion who is chosen. The Herald joins the town and community in wishing for the two a long, happy, prosperous married life.

#### PAST NATIONAL COMMANDER OWNSLEY TO BE MAIN SPEAKER AT 18 DISTRICT LEGION MEET

Quanah, April 26—Col. Alvin M. Ownsley, Dallas, past National Commander of American Legion, will be the principle speaker at the 18th district Convention of American Legion which convenes here at 10:00 a. m. May 7, for a two-day session. His address is scheduled for 1:30 p. m. May 8, and will be open to the public according to announcement of the program committee, composed of Dr. T. D. Frizzell, chairman, C. Y. Welch Harry Bothe, and C. K. Snyder.

Other features of the program, details of which have not been completed, will include a "40 and 8 Wreck," Saturday afternoon May 7, preceding the parade which is scheduled for 7:30 p. m. W. O. Wallace is parade chairman. A barbecue at the "Mess Hall" on Mercer Street will be followed by a dance. V. E. Browning and N. H. Lassiter are chairmen of the entertainment committee.

Department of Texas officers who have been invited and will attend include: V. Earl Earp, Commander Sweetwater; R. O. Whitaker, Austin, Adjutant; and W. S. Goode, Austin Service manager.

Bands and orchestras, sight seeing tours to Lake Pauline super power plant; to the plaster mills, wall board plant, gypsum mines, and other points of interest are included in the plans. A Special Officers school is also to be conducted Sunday.

We hope Knox City will be well represented at this Convention.

Mr. and Mrs. John Tankesly and Mr. Bob Tankesly of Arlington were here one day last week to see Mr. and Mrs. J. W. Smith.

### SELL HILL SHINES FOR LOCAL

Munday Defeats Knox City 7 to 4

Munday defeated Knox City in a thrilling game played in Munday. The game was more interesting than the score would indicate as the locals got several bad breaks from a long point. Munday scored 1 run in the last half of the first and Knox City very promptly evened it up in the second. Munday scored another in the fourth and our home boys came back in the fifth to balance the ledger. But Munday was hustling to win so they got out and set two runs in the fifth inning. The locals was able to get only one man on base in the sixth inning when as the second man up (Red) Edwards blasted a bullet liner to left for a base knock but the best Denton and (Mickey) Keith could do was roll but to the infield, the seventh saw the best rally put on by the locals in the game when they came from behind to even the score with a two-run rally for the last time which Munday put the game into storage with two in the sixth and the eighth to walk and the end of a 7 to 4 victory. (Murray) Hill did a nice job of catching as well as hitting 3 out of 4 and driving in 2 runs and being the other 2. This game was played before a large crowd and the liking of a majority pre-

#### And Yet They Wonder!

One of the most spectacular failures ever staged in Knox City was that thing attempted by the American Legion on Thursday night of last week. And they wonder why?

Beyond a doubt Commander Earp made one of the finest addresses the town has ever had the benefit of but lack of interest and enthusiasm on the part of some members of the local post of the American Legion was humiliating.

It is splendid to sell a good, worth while thing to the public but it is poor policy to attempt to sell to the public something that you yourself are not sold on.

It is the opinion of the lady editor that the boys of the local post of the American Legion have shown

themselves indifferent long enough. Men who could enter a turmoil as the world war and return heroes as ours did, then show themselves incapable of getting themselves and others of the town to come out on a calm, cool evening to a well lighted, warmed and ventilated church to hear one of the largest men of the state, their State Commander, explain and defend their organization, should be done something with more than have a woman writer tell them of their frailties.

We were positively ashamed. There remains just one or two things to do. Quit, by George, and stay quit, or get in there and fight. Stick together and make the organization what it really should be.

Running the average country newspaper is a life of vicissitudes. If the editor elects to boost the town in which he lives and has all his interest he is called a gink with an axe to grind, or a "blow-hard" or else a windy sheet. If he cannot boost his town he is a dead-head, a soul dough. If he doesn't let himself be known with alacrity on all public questions, he is afraid of lining up on the unpopular side and losing subscriptions. He is a "fence straddler." He is afraid, if he suppresses news that might bring sadness to some family or that might reflect discredit upon the community which he would

rather uplift, he is afraid of the result of publicity. If he doesn't get all the local happenings, he is, of course, apparently partial to Mr. Moneybag and Mrs. Society. If he covers the local ground entirely, then one can't turn around without getting their name in the paper. Thus it goes. The editor camps between the devil and the deep blue sea. We often wonder if all professions are as skiddy as the pen scratching variety. Graham Leader, printed in the South western Journal March 9, 1917. 15 years later it is the same old story if you do it is the devil to pay, if you don't it is the devil to pay.

We are glad to see Mr. C. H. Keck in Knox City again. Mrs. Keck went to Sanitorium Texas Sunday to see Mr. Keck and he returned home with her Monday. He is in good health and looking excellent.

Joe Reeder, Rodger Hammock, Marlin Lowrey and Wallace Edward Teague were seen taking their young lady friends for a fast ride Sunday. The group of fiery face made the old wagon, drawn by two lazy donkeys, a sight for tired eyes.

Ed Shaver and Bill Clonts proved to entertaining victims of a bit of fun for the town Monday. The owner of an electric torpedo placed the same next to the spark plugs of Ed Shaver's car Monday morning and when Ed jumped in his Buick to go home in a hurry, he made quit easy scene when the torpedo exploded under the hood of his car. Although frightened most to death, Ed survived.

Monday afternoon, Bill Clonts came to town and parked in front of the Fox Grocery. Well, the same happened to him as did Ed.

Just a bit of home made fun but my! how it does scare the victim.

#### ECONOMICAL TERRACING

The most economical terracing that has been done to date in Knox County was built on the 170 acre farm of C. R. Elliott Southeast of Munday Terraces were built about 20 feet wide and 22 or 24 inches high; there were five long terraces and one short one included in this demonstration. Thru the courtesy of Commissioner D. C. Osborne the county grader was used and the complete farm was terraced in two days. Charges for the machinery was \$20.00 per day totaling the cost of terracing 22 1/2 cents per acre, or including the scraper work the complete cost amounted to 29 3-10 cents per acre. The terraces were laid off by County Agent W. E. Jones and also the supervision of the building of the terraces.

Mr. and Mrs. T. E. Robbins spent Thursday of last week in Wehnert.

Glad Hand Class Entrained

The Glad Hand Class of the Baptist Sunday School was entertained at the home of Mr. and Mrs. E. W. Holland with a Spring party last Friday evening. Thirty members were present and upon examination by Dr. Holland all were found to be suffering with a Spring fever or some other Spring disease. It was also rather surprising the way in which Dr. Holland prescribed for these 30 patients. The story goes that all needed ice cream.

### Cotton Seed

Ferguson's No. 406 and New Boykin

We have "Ferguson's Certified Bred-Up Seed" at \$1.00 per bushel of the above varieties and also "First Year Customers Seed" ginned with cleaned rolls at 50 cents per bushel.

In 148 tests by 14 Texas Experiment Stations during last 10 years these varieties (originated from Triumph or Mebane Variety) out yielded the original Mebane at every Experiment Station, and out yielded the original Mebane at every Experiment Station, and more varieties, 160 times, and lost to these varieties only 23 times. This was an outstanding record for constant "Highest Yields". Seven to one, on seven times in Eight Seasons.

Seed may be secured from Mr. W. L. Swift at Knox City Gin Company, Ben Lillard at Red Bluff Crossing near Needmore, and from Cube Fush and Gins at Wehnert Texas. Also Sanders and Crawford at Haskell Texas.

### Your Welfare

and prosperity are a matter of real concern to us. We fully realize that farming is a serious business and that making a success of it is a most worthy accomplishment.

Fortune does not smile upon the business man when the people of his town and surrounding country are unable to maintain a secure financial position.

We can not hope for any large measure of success unless the good folk of this community prosper.

For the present, at least, the possibility of making money on the farm lies in the ability of the farmer to cut the cost of production through the application of sound farming principles and the intelligent use of improved methods.

## I Like The Depreseion

(Says Henry Ansley of the Amarillo News-Globe)

I like the depression. No more prosperity for me. I have had more fun since the depression started than I ever had in my life; I had forgotten how to live, what it meant to have friends, fact is, I was getting just a little high hat.

Three years ago, only one man of the News-Globe organization could be out of town at a time and he had to leave at the last minute and get back as soon as possible. Many times I have driven 100 miles to a banquet, sat through three hours of taking a hot-water bottle to bed these cold nights, seh socks her heels in my back just like she did before Hoover was elected.

I haven't been out on a party in 18 months. I have lost my book of telephone numbers. My wife has dropped all the clubs. I believe we are falling in love all over again. I am pretty well satisfied with my wife. Think I will keep her, at least until she is forty and trade her for two twenties.

I am feeling better since the depression. I take more exercise. I walk to town and a lot of folks who used to drive Cadillacs are walking with me. I like the depression. My digestion is better. I haven't been to see a doctor in a year. I can eat anything I want to.

I am getting real, honest-to-goodness food. Three years ago we had filet mignon once a week, now we have round steak and flour gravy. Then, we had roast breast of guinea hen, now we are glad to get saw-bosom with the buttons on it.

I like the depression. My salary has been cut to where I can't buy lettuce and spinach and parsley and we can't afford to have sandwiches and frozen desserts and all that dam-foolishness which killed more good men than the world war.

I like the depression. Three years ago, I never had time to go to church I played golf all day Sundays and besides I was so darned smart that there wasn't a preacher in west Texas who could tell me anything. Now I am going to church regularly, never miss a Sunday.

And if this depression keeps up, I will be going to prayer meeting before long. I like the depression. Mac says the writer of this article has just now come to where he has been for nyo on to 40 years. So after all the depression has helped us to live and think of one another more than ever before. I have always heard there was some good in every bad thing.

bridge and going to clubs, she was never at home.

We got stuck up and bifalutin. We even took down the old family bed and bought a set of twin beds—on the installment plan.

When I would come home at night if my wife was at home she would already be in bed and I would crawl in mine. If she came n first, it was vice versa.

We like the depression. We have come down oif our pedestal and are really living at home now. The twin beds are stored in the garage and the old family affair is being used. We are enjoying life. Instead of taking a hot-water bottle to bed these cold nights, seh socks her heels in my back just like she did before Hoover was elected.

FOR MRS. GEORGIA STONE MOON

"It is enough," the Lord gently to her said, And she crossed the River without a sigh;

Her family saw that she was dead, Had gone to her home in the Sky.

Oh friends and love ones, do not weep; You shall not always from her be parted;

She is not dead, she is only asleep. Then why are you broken hearted?

Wherever she went she was sure to spread joy; She was always smiling, her face al-ways bright;

She was a friend to every girl and boy To the world her life was a shining light.

Some day we shall be with her in that city above;

Where there is no sin or strife But all is happiness and love, We will not know the sorrow of death;

We'll have Eternal Life. —From a Friend.

## Electric Refrigeration Gives Assurance of Food Safety

TO BE SAFE, foods must be kept constantly below the danger line of fifty degrees. Varying temperatures, rising above the fifty degree mark, expose foods to bacterial action and make them a definite menace to health. For this reason, modern and progressive home-managers have adopted modern refrigeration as a vital and necessary health safeguard.

Electric Refrigeration is automatic, always dependable, always accurate and always safe. . . And the modern Electric Refrigerator will last a lifetime; render silent, efficient, inexpensive service year after year, and give you countless additional advantages and conveniences that will prove invaluable.

Gain assurance of food-safety—install one of the modern Electric Refrigerators today! You'll find Electric Refrigeration a wise economy—and you'll appreciate the new sense of security that comes with the ownership of this distinctive Electrical Servant. Call in at our Merchandise Showroom, or visit your nearest Electrical Dealer.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

## SEASONS CHANGE

As truly as summer follows the winter, so do good times follow those not so good; and the citizens who will first bask in the sunshine of better times are those who throw off the cold and depressing thoughts of doubt and go cheerfully about the task of adapting their affairs to the new order of business. This bank is proceeding on that platform and is in position to assist citizens who have the confidence to go ahead.

Mr. and Mrs. D. D. Halriston and daughter Thelma Joy spent Sunday in Paducah.

The work that is being done in Knox county by the Home Demonstration agent, Miss Grace Nelson, and the County Agent, W. E. Jones is seldom valued as much as it should be. The general public knows something about the work these two county officials do but few people know just how much is accomplished in the county through them.

Following we give the official summary of the work of the two county officials from May 1931 to May 1932. This is the report that Mr. S. M. Clonts made to the Agricultural Secretary of the District Bankers Association held recently. This secretary is Mr. W. E. McLaughlin of Dallas Texas. The report follows.

#### Summary of Work From May 1931 to May 1932

##### W. E. Jones, County Agent

During May 1931 a car-load of gilts were shipped into the county. From Sioux City Iowa. This was done thru the cooperation of County Bankers, Stockyards Company and County Agent. From these gilts about 455 pigs were farrowed from the first litters and most of the gilts have farrowed their second litter at the date.

About 20 terracing demonstrations were held and as a result of these, some 5000 acres were terraced or rows contoured.

A County-wide field day was held during August 1931, on the Bush-Burnett Ranch where demonstrations of Creep-feeding, poultry, swine terraced land and Sudan pastures were viewed and speeches were made by R. E. Dickson, Supr Spur Station E. R. Endaly Extension Service, and O. L. Jamison Secretary Knox City Chamber of Commerce.

Demonstrations on beef feeding showed a small loss, but a demonstration on lamb feeding of 500 head, showed a net profit of \$124 after they had been charged twice the market price on all wheat and barley fed them during the feeding demonstration plus \$75 per month for labor.

The outstanding work of the year has been on killing, curing and canning of farm meats. This work was carried on by demonstrations held by the County and Home Demonstration Agents. The County Agent demonstrated the killing and the cutting of the meats while the Home Agent helped the ladies with the canning. About 80 demonstrations held on beef and a smaller number held on pork.

Two turkey demonstrations sold 185 turkeys on the dressed turkey market and received 26 cents per pound for number 1's while turkeys sold on foot the same day brought 18 cents per pound.

It is almost a universal practice for each farmer to plant Sudan for summer pasture. This practice is being taken up by the cattlemen only on a larger scale. This year two ranchmen are planting 400 acres for summer grazing, others are also planting Sudan. For winter pasture wheat and barley are sown and are grazed by the cattle up into the spring until the native develops then the cattle are turned on this until the Sudan is ready—this makes almost a year-round pasture for the ranchmen.

**Canned Foods**  
Foods canned by home demonstration club women since May 1931.  
Fruits and vegetables 27,356 quarts  
Value \$5,471.20  
Preserves and jelly 4,270 quarts  
Value 2,562.99  
Pickles and relishes 5,758 quarts  
value 2,015.20  
Meats 10,800 quarts value 6,420.00  
total value of canned foods \$16,470.

**Clothing**  
Total number of garments reported made by club women 2448. Cost \$2,964.00 Estimated value \$4,802.00 saving \$1,838.00.

**Home Improvement**  
60 rural women improved their living rooms by refinishing furniture and floors and making braided rugs.

**Dairy**  
1300 pounds of American cheese has been made on the farms by home demonstration club women, using the surplus milk produced on the farm it cost the women about 6 cents per pound to manufacture cheese valued at 20 cents per pound.

Mrs. B. W. Pope, Miss Eileen Barnett and Mrs. M. A. Reeder and Mary Reeder enjoyed a picnic spread one night last week at the dip northeast of the city.

### SUNDAY SCHOOL LESSON

by REV. SAMUEL D. PRICE D.D.

Far May 1

ISAAC AND HIS WELLS

Genesis 26:12-25

Isaac, the son of Abraham and father of Jacob, is just an average man in comparison. There is, however, much that is interesting in this patriarch. He was the son of promise and was born when Abram was close to the century mark. The tragic event in his life is when he was about to be offered as a sacrifice by the father on Mount Moriah, in Jerusalem, which later became the site of the Temple, Genesis 22:3-14. A fine love story is developed when a proxy is sent back to the old home country to get a wife for Isaac. Rebekah is the fair maid who was found by the side of the well. It is interesting to note that likeness to the love of Isaac and Rebekah is mentioned in the marriage service of today.

Great herds of cattle and flock of sheep were the possession of this progenitor of the Hebrew race. These animals needed water and prolonged strife developed over this with the Philistines who were the earlier inhabitants in the land. Abraham had dug numerous wells in his day but the Philistines, out of pure contrariness filled up these sources of water supply. Thereby they endangered their own cattle. Now read through the lesson text and see how Isaac departed from Abimelech rather than create trouble by insisting on his rights at the water supplies. Then in turn three wells were dug as he migrated but in two cases the watchful enemy managed to fill up the holes. A name is given to each well which describes the trouble that took place there. Finally a well was dug at Rehoboth and the gentle patience of Isaac was rewarded for trouble ceased at that point. The Golden Text is rich in its meaning and declares: "A soft answer turneth away wrath; but a grievous word stirreth up anger." Proverbs 15:1.

Mrs. A. B. Stephens spent the past weekend with her daughter Mrs. Brock in Fort Worth. Mrs. Stevens went to Fort Worth and back with Mrs. C. B. Teague.
