## Feed Sells for \$15.08 Per Ton Milford Brings Great Message

Jack Idol manager of the League Estate, Benjamin, was not satisfied with \$6.00 per ton for his maize, and in an effort to increase this price he weighed into the feed lot 45 of his two-year old steers. These setts were started last January 25th and weighed in at 516 pounds per head and the cost of 4c per pound, the market price at that time.

For the first thirty days the steers were allowed to run on a small neat pasture and were also fed a ration of cottonseed meal and ground maize heads. In this manner no loss of weight was experienced while getting the steers on feed and a gain of more than 2 1/2 pounds per day was added. The steers were weighed at the end of each 30 days.

Mr. Idol fed home grown feed throughout the feeding and with the exception of cottonseed meal, received better than market price for all the meal, while the 45.9 tons of maize brought \$15.08 per ton.

The following gives an itemized account of the feeding demonstration:

Finished weight of steers, 877 pounds per head; selling price \$5.40 per hundred. Number of steers fed, 45; age 3 years.

Wheat 262.3 lbs. 40 per cwt \$104.92  
Oats 147.5 bu. at 25c per cwt 36.87  
Maize 45.9 tons at \$15.08 ton \$692.53  
Roughage 5000 bundles at 2 pr bundle ..... \$100.00  
Total feed cost ..... \$1202.40  
Initial cost of steers 938.80

No charges were made for labor as the value of the feeding lot manure was more than enough to offset this expense.

## Milford Brings Great Message

Reverend John Milford, Evangelist, is bringing some wonderful messages at the services of the Revival meeting now in progress at the Knox City Baptist church.

The business houses are closing each morning at ten for the day service, with the merchant, in most instances, attending the services. The morning attendance has been good.

The evening services are well attended, and much comment is heard about town concerning the very excellent way in which the Evangelist presents the Word of God. Every one who has had the privilege of hearing Brother Milford, is pleased with his sermons.

However, the preacher may earnestly preach and persuade man but he has not the ability to put religion into his heart. That is the privilege of each individual. Let every man, every woman, open their hearts and receive these messages that are so ably being delivered in the pulpit of the Baptist church. Attend the remainder of the services that are to be held.

There will be a special service for the old people Friday and a special service for the young people Monday. Regardless of the dedication, everyone is invited to attend all services. Plan now to be present at all services until the meeting closes. The churches need you and you need God.

### GARDEN HOSE SAVES HOME

The garden hose of E. Q. Warren probably saved much damage which would have been done in the Acker house last Friday morning when an electric iron set fire to the place.

The Acker place is occupied by the D. D. Hairiston family. Mrs. Hairiston had been using the iron Friday morning and had disconnected it by removing the plug from the iron. The same had cooled and in the morning she had set the iron and bed, the iron sliding off onto the bed. Shortly afterward the little Hairiston girl, Thelma Jo, unaware of what she was doing, pushed the iron by pushing it into the bed. Mrs. Hairiston then drove to town and on returning home she found her bed in flames. She immediately summoned help and the garden hose of Mr. E. Q. Warren was used to extinguish the fire, which was all finished by the time the fire boys reached the scene with their hose.

Although the bedstead was not destroyed Mrs. Hairiston lost five pair of blankets, two heavy quilts a bit of wearing apparel which she had ironed and placed on the bed.

### PIONEER OF COUNTY KILLED BY ACCIDENT

Mr. G. D. Coody ranchman, who lived between Benjamin and Truscott, a pioneer citizen of Knox county died Friday morning July 15th about four thirty from wounds sustained when a car ran over him.

Mr. Coody was driving on the highway between Haskell and Munday. He had a flat tire and had stopped to repair same. He was down at the rear of his car working when another car driven by Lee Hancy and James Rayburn, two Munday boys, came up from the rear and ran over Coody and wrecked both cars, one beyond repair.

Funeral services were held Friday afternoon for Mr. Coody and interment was made in the Benjamin Cemetery.

Mother Shaver is confined to her bed this week with a sprained back which she received Sunday while driving to Rochester. She was accompanied by her son Nick and her daughter Mrs. O'Brien and Jimmie. Mrs. O'Brien hit a rough place in the road which bounced mother Shaver considerably, spraining her back. She was brought home in the ambulance but is doing very well.

### TO MY FRIENDS AND VOTERS OF THIS COMMISSIONERS PRECINCT

I am asking your vote and influence in Saturday's election for Commissioner. You are interested in your candidates views and methods in the discharge of his official duties. If I am elected to serve you, it will be my sincere effort to look to the interest of the Tax Payers and to the curtailment of any expense not absolutely necessary for the county operations. I am conscious of the need to relieve the citizenship of any extra burden of taxation and believe the tax rate and valuation should be reduced in every instance. I believe in equitable distribution of road funds over the district with equal favor to all.

## Brazos Valley League Meeting

### Rochester and Rhineland Tied for First Half

A meeting of the Brazos Valley League was held Monday night in the City Hall in Munday where plans for the second half of the season was discussed.

The first half of the season ended with the game Sunday with Rochester and Rhineland tying for first place. This tie will be played off about the first week of August with the first game in Rochester, the second in Rhineland and the third in either Knox City or Munday.

The schedule for the second half of the tournament has been completed; however the week day game for the first two weeks are being postponed because of the harvest work.

Weinert, who has been out of the League for the past three or four weeks, is included in the second half of the season with the manager lining up a new set of players. They hope to make a better rating in this last half than they succeeded in doing the first part.

Finances of the league were discussed and the find was surprisingly pleasing. Each team, while they have no money, is not in debt or at least not so much so but that there is hope of their being able to meet all obligations by the end of the second half of the season. As a whole it was learned that the League is well off financially.

Knox City was represented at the meeting Monday night in the persons of Jo Withrow, J. B. Withrow, Charles McBeath and Jim Stevenson.

## \$1,000,000 Rain

Today, Thursday, as the Herald makes ready for press Knox City is getting a million dollar rain.

The first small shower fell late Wednesday afternoon but let up until about seven o'clock this morning, Thursday. A slow but constant rain has continued to fall all morning which is estimated to amount to an inch. However, it looks like it is headed for at least a two inch rain.

Opinions as to the effect which this rain will have vary. While many people are happy on its arrival, few are of the opinion that it is not needed. Truthfully, it is a life saver for late feed and the garden stuff; however, the cotton did not really need rain. There is the possibility of worm in the cotton after this rain.

But with the abundance of feed that is being perfected by this and the bountiful garden products, with all cellars full of canned stuff, plenty of fat hogs, cows, and chickens why worry about the cotton we will make more than can sell for a profit. Knox City surely looks like the garden of Eden.

### TO THE PEOPLE OF TEXAS:

I take this means of expressing to you my sincere thanks and appreciation for the many honors bestowed upon me. You, no doubt, know that I am a candidate for re-election for my second full term as your Railroad commissioner. Due to the depressed conditions and the heavy duties placed upon the Commission at this time, it compels me to rely upon my friends to take care of my interests in this campaign. In the first primary, in which I was elected to my first full term and am now serving, I carried 234 of the 256 counties of our great State by a large majority, over two honorable opponents. Since my election to the Commission, we have turned back into the General Revenue Fund more than \$500,000.00. We have heard and rendered decisions on more than fifteen thousand cases, and have had only four reversals—a record unsurpassed by any similar body in the United States. A faithful discharge of public duty in the past is the best guarantee of a promise to perform a like service in the future. Your vote and support earnestly requested. Sincerely yours, C. V. TERRELL, of Wise County.

## CARE-FREE

The periods in life when one can be care-free are limited. Childhood is one of those periods, and rightfully so, an inheritance due all. Other periods of carefreeness seldom materialize, except through an individual's own planning and consistent work to that end. Relief from financial worries brings a sense of carefreeness which well repays one for the effort made to save and to have.

## TEXAS RAILROADS PAY SUBSTANTIAL PART OF STATE'S TAX BURDEN

● Taxes is one of the large fixed charges connected with the operation of Texas railroads. From the standpoint of the welfare of state, counties and communities, railroad taxes are of much importance. This annual obligation must be met from the earning capacity of the rail carriers.

In 1931 the railroads of Texas paid a total of \$8,303,108.47 in federal, state, county, municipal and miscellaneous taxes. The distribution of this amount to the various tax funds is shown below:

	Amount Paid	Per Cent of Total Tax Paid
U. S. Government	\$ 61,270.13	.74
State	1,954,435.47	23.54
County	1,146,669.97	13.81
Roads	1,699,764.15	20.47
Improvement Districts	175,696.87	2.12
Schools	1,137,152.74	17.31
Cities	1,792,994.61	21.59
Miscellaneous	35,214.59	.42
Total	\$8,303,108.47	100.00

It can thus be seen that railroad taxes represent an important and indispensable factor in the economic life of our state. They help in a large measure to pay the expense of our state, county and municipal government, build and maintain highways, pay the cost of drainage and other improvements, and support our schools and educational institutions.

It is the desire of Texas railroads to extend this helpfulness to Texas counties and communities in carrying this heavy burden. However, their ability to meet these obligations as they become due depends upon their ability to earn sufficient revenue with which to pay this and other heavy expenses connected with their operation.

● RAILROADS HAVE ALWAYS SHOULDERED THEIR SHARE OF RESPONSIBILITIES TO THE NATION, THE STATE, AND THE CITIES AND COMMUNITIES THEY SERVE, AND WILL CONTINUE TO DO SO TO THE EXTENT OF THEIR ABILITY.

Lesson Text St. Luke 4th Chapter

(Christ Overcomes Temptation) For this Cause I bow my knee unto the Father of our Lord Jesus Christ, of whom the whole family in Heaven and earth is named. That He would grant you according to the riches of His Glory, to be strengthened with might by His Spirit in the inner man. Eph. 3-14; 15:16.

Jesus is now alone, John the Baptist having been imprisoned because he had righteously rebuked Herod the ruler for his evil deeds. Jesus assumed all authority and being filled with the Holy Ghost He was led by the Spirit into the wilderness in order that He might be tempted of the devil and after He had fasted 19 days the Devil came unto Him and said, "If thou be the Son of God command these stones to be made bread," but Jesus hunger was not to be satisfied in that miraculous way at that time but rather He took this as an opportunity to rebuke the devil and to remind him that man's living is not by bread alone but by the commandments of God. Jesus welcomed this opportunity to show the devil that He was not subject to his reproach but by the strength of the spirit He could rise above the taunts of the devil and if need be could command him to cease his unselfish efforts to tempt Him by his false promises. The devil is not easily discouraged though and made greater and more glittering promises of political power and earthly glory of his evil kingdom and worship at his temporal throne. It was now time for the Saviour to put a gulf between Himself and the chief of all destroyers and deceivers so He said "Get thee behind me, Satan; for it is written, Thou shalt worship the Lord thy God, and Him only shalt thou serve." It is easily noticed that the devil becomes extremely timid when scripture is quoted in his presence and he now took his departure but not to cease his efforts to beguile the hearts of men and to counterfeit every Holy ordinance and attribute to God.

Jesus being strengthened in the spirit now returned to Galilee where he taught in the synagogues and His fame spread and He was glorified by all who heard Him. A convincing incident of His sacred mission and fulfillment of prophecy now transpired in his native town of Nazareth, Jesus was accustomed to reading and teaching the scriptures and when He opened the book of the prophet Isaiah the portion of scripture he read was a fulfillment of the promises of Himself to the world by the Father who had, according to His word anointed Jesus to bring the gospel to the poor and heal the broken hearted. His hearers were greatly astonished when they realized that the scripture had thus been fulfilled in their presence, and they wondered at His gracious words. But His doctrine could not take root in their minds so suddenly and many become offended at His teachings and thrust Him out of their city but He came to Galilee in triumph and great throngs became subject to His will for his word was with power and it still is with power and shall be, till the final triumph when He shall put all enemies under his feet, the last to be overcome being death. He had now brought his followers to a sufficient faith that He began in myriad ways to demonstrate his supremacy over evil spirits just as He commanded them to come out of men whom they had tortured, and the people besought Him unto them, "I must preach the kingdom of God to other cities also; for therefore am I sent." This word he has commanded to be preached to all the world as a witness and His has added His promise to be with those who send and those who go to the end of the world.
