## County Chapter Goes Over Top With Red Cross War Fund Goal

Knox County has fulfilled its obligations to the nation's fighting forces with an over-subscription of the War Fund Goal. Some communities have yet turned in their totals but it is assured from extra help in other localities that the grand total will be more than the goal figure, says War Fund Chairman J. S. Tierce.

From reports already in, the fund condition is:

County quota	\$6700.00
Subscribed to Mar. 28	6715.00

Communities that have reported in and have reached their goal or exceeded it are Knox City, Truscott, Munday, Gilliland, Goree, Sunset and Union Grove.

Chairman Tierce states that other localities are fast closing up their campaigns and will probably reach their quotas by the deadline time of March 31.

Next week a compilation of the returns from over the entire county will be given.

An example of the determination that has been evident throughout the campaign is portrayed in the work of the Sunset community under the direction of Mrs. R. M. Almanrode. After the first canvas had been made it was discovered that the contributions had not been large enough to go "over the top."

Not knowing the meaning of the word "defeat," the committee tackled the job again in a special effort and as a result victory was achieved. This small community alone gave \$485.62. Such was the response everywhere.

"A realization of the lives saved, the suffering eased for our fighting forces, and the comforts provided them shall be the joy of those who contributed to this drive," said Chairman Tierce.

"If those who worked and gave could talk to each other, we feel that each would say, 'thank you,'" he added.

At present the County Chapter is being asked to contribute various articles to the Sheppard Field Camp and Hospital. Included in the request are: 100 Easy chairs for ward porches; globes croquet sets; musical instruments and many other items.

If you have any of these things you are not using, please get in touch with the County Chairman, Mrs. Beard, of Goree.

## Friends Plow Field For Sick Neighbor

A group of farmers gathered Friday, March 24, and listed 160 acres of land for Billie Hutchens who has been ill for three months. Twenty tractors were used and the land was plowed in a little more than four hours.

Several ladies came and brought dinner and helped to prepare it for the workers. Everyone enjoyed the gathering and the dinner which was served picnic style.

The following people were present: Uncle Pete Williamson, Guy Marshall, E. H. Tankersley, Jr., Jack Tankersley, Lynn Tankersley, Clifford Williamson, Cecil Hutchinson, Lloyd Stephens, Robert Hutchinson, John White, Cleve Angle, Abe Watson, Sexton McBeth, E. G. Parkhill, Riddle Sanderson, Marvin Dodson, O. Brown, S. Logan, B. L. Lowrey, M. S. Lowrey, Jewell Patterson, Gene McNellie, Louise Brown, T. O. Posey, Buster Lowrey, Nathaniel Reed (col.), Rudolph Tillie (col.), and Will Johnson, (col.).

The ladies were: Mrs. M. S. Lowrey, Mrs. E. H. Tankersley, Mrs. Jewell Patterson, Mrs. Nelley Patterson, Mrs. Eli Williamson, Mrs. Lloyd Stephens, Mrs. Cecil Hutchinson, Mrs. Guy Marshall and Wynell Lowrey.

## Banded Duck Killed By Arnold Identified

A Pintail duck killed by Barney Arnold during the past hunting season, and carrying a leg band bearing a serial number, has been identified by the U. S. Wildlife Service as having been marked at Oklahoma City on March 17, 1939.

Mr. Arnold had sent the band in to the Service as is requested of all who killed marked migratory fowls. By this method a check can be made of migrating flights of the birds. There are over 150 banding stations located over the United States.

Mr. and Mrs. W. W. McCullough of Lamesa spent Tuesday and Wednesday visiting the B. P. Dentons here. Mr. McCullough will enter the Navy in April and Mrs. McCullough plans to make her home with her parents, Mr. and Mrs. McCullough of Freeport.

## 37 Men Depart For Service Monday; 27 More Are Reclassified

### Oh, Ma! Here's That Man Again!

Hon. W. A. Thomas, Collector of Internal Revenue, Dallas, announced today that copies of the forms for 1944 Declarations of Estimated Tax have been mailed out to the approximately 150,000 taxpayers who filed the 1943 Declarations in this district last fall.

Collector Thomas said a number of taxpayers who are required to file declarations this year may obtain the forms by letter request to the Dallas office.

The 1944 declarations are due not later than April 15. Originally scheduled to be filed on March 15 along with 1943 tax returns, the 1944 declarations were postponed until April 15 in order to include provisions of the recently enacted Revenue Act of 1943.

The purpose of these declarations, Collector Thomas explained, is to keep everyone substantially paid up on his income taxes under the pay-as-you-go plan. Most taxpayers are kept approximately paid up by the tax that is withheld from their wages, and therefore do not have to file declarations.

However, some wage earners—particularly clergymen, domestic servants and farm laborers—do not pay any withholding tax, and are required to file declarations. Other wage earners pay withholding tax but not enough to meet their total tax bill and must therefore file declarations.

Also, declarations are required to provide a pay-as-you-go method of collecting taxes from business and professional persons and large numbers of others who get all or part of their income from sources where no tax is withheld, such as business profits, dividends, interest, rents, property or stock transactions, or annuities.

A declaration is required on or before April 15 from all citizens or residents of the United States who have not had to have during 1944—either alone or together with a wife or husband:

1—Wages subject to withholding exceeding \$200 for a single person or \$350 for a married couple living together.

2—Or, more than \$100 income from all sources if the total of such income plus wages subject to withholding is (a) \$500 or more for a single person, or (b) more than \$624 for a married person, or (c) \$1200 or more for a married couple living together.

The first quarterly installment of estimated tax shown to be due on the declaration should be made at the time the declaration is filed and the remainder should be paid on or before June 15, September 15, and December 15.

Farmers, who receive more than 80 per cent of their income from farming, may, if they desire, postpone the filing of declarations until December 15. However, if they do wait until this date, the entire amount of the estimated tax must be paid at that time.

Members of the armed forces and others who are outside the continental United States on April 15 will have the usual extensions or postponements.

## Miscellaneous Shower For Newly-Weds

Ensign F. L. Montandon, Jr., and his bride, Mary Lois Booker of Lubbock, were honored with a miscellaneous shower at the Union Grove school house, Friday evening, Mar. 25.

Games of "42" and dominoes were enjoyed throughout the evening. Then home-made cookies and punch were served to over sixty guests.

The newly-weds were taken by complete surprise when the lovely collection of gifts were presented to them.

Hostesses for the evening were Mrs. E. F. Branton, Mrs. B. B. Campbell, Mrs. Z. C. Richardson, Mrs. Uric Lee, Mrs. Lloyd Feemster and Mrs. Otis Cash.

Junior and Mary Lois are spending this week visiting at Knox City and Lubbock. Ensign Montandon will report for duty in San Diego, April 3. Mrs. Montandon will remain for the present with her parents in Lubbock.

### DINNER HONORS SON

The L. W. Gramhams had a dinner Sunday in honor of their son, Jeff, before his departure Monday to be inducted into the Navy.

Guests beside the immediate family were: Mr. and Mrs. Frank McAuley, Mrs. McElroy, Mr. and Mrs. Abe Watson and children and Carol Ann Armstrong.

### RUSSELL-SAMARA WEDDING

In a twilight ceremony Saturday evening, March 4, Pvt. Joelle Russell of the Womens Army Corps, became the bride of Lt. Frederick Samara of the U. S. Army, at the Pine Street Presbyterian Church in Harrisburg, Pennsylvania, with Rev. C. Ralston Smith officiating.

The were attended by T-Sgt. Irving Friedman and his wife, Pfc. Ruthann Friedman, of Indiantown Gap Military Reservation, Pennsylvania, where the bride has been located for several months.

The bride is the daughter of Joe Russell of Knox City, received her education here and is a graduate of the West Texas Hospital, Lubbock. The groom is the son of Mr. and Mrs. Salim Samara of Manchester, New Hampshire and was stationed at Indiantown Gap until recently.

The couple enjoyed a ten-day honeymoon at different points in the East and after the war will be at home in Manchester.

## Revival In Progress At Four Square Church

A revival is now in progress at the Knox City Four Square Church, being conducted by the pastors, Rev. and Mrs. Joseph T. Hall, who came to the church the first of this year.

Services will be held every night until Easter Sunday with Communion served on Holy Thursday and services all day on Friday, April 17. Dinner will be served at the church at the all-day services and churches from Weisert, Munday, Hamlin, Goree, Gilliland and Stamford participating.

A baptismal service will be held the evening of the fellowship day.

Rev. John Hall of Weisert Four Square Church and Rev. Crouch of Munday will assist in the revival services.

## Cotton Growers Urged To Acquire Calcium Arsenate Before Rush

When the boll weevil or the cotton leaf worm moves in on the cotton fields, will you have the calcium arsenate to kill off the pest? Or will you have to stand by and watch your crops destroyed?

There's plenty of calcium arsenate this year, but it will not help the farmers as long as it is in a warehouse hundreds of miles away. With transportation tight and labor short, the cotton crop may be gone before a supply of dust can be moved into an infested area from a distance.

All over the cotton country, distributors and dealers are filling up their warehouses with calcium arsenate. But those warehouses cannot begin to hold enough to quell a serious infestation in any given area. In peacetime, the supplies held by dealers and distributors will usually hold the line against weevil or worm attack until more ammunition can be moved in, but wartime is different.

No cotton grower can be certain of getting the calcium arsenate he needs, when he needs it, unless he lays it a supply on his own place now.

Many of the big growers have already bought their supplies. The small grower cannot afford to take chances any more than the big grower can. War Food Administration officials point out that those who do take the chance on calcium arsenate are only "flirting with lightning." They may lose a crop, and the nation may lose important war materials—lint and seed.

Cotton growers can buy enough calcium arsenate for the first three applications without fear of depriving their neighbors. In fact, they will help their neighbors by preventing a last minute rush. In this respect, they are more fortunate than most other farmers who use insecticides. The supplies of most other insecticides will be adequate but not large enough to permit growers to stock up in advance to meet their requirements.

## New Type Combine Grain Gaining Favor

Bonita, the new type combine grain, a cross between kafir, hegira and fetterita, is very popular in Knox County and has proved to be one of the best adapted combine types for this section.

The original seed were secured from the Chillicothe Experiment Station, where the crop originated. Last year Knox County 4-H Club boys went into the seed breeding business and produced around 20,000 pounds of the seed that when pooled, sold readily.

The average production of the various varieties in 1942 and 1943 at the Chillicothe Station follows:

	Bu.	Dry
	Grain	Stover
Martin's Combine Milo	28.4	88
Plainsman	37.4	53
Caprock	31.9	60
Bonita	46.3	96

### "42" PARTY

Mrs. J. M. Averitt and Mrs. W. L. Favor were hostesses to the members of the "42 Club" Tuesday evening in the home of Mrs. Favor.

Guests for the evening included the following couples: L. N. Bridges, Bill Clonts, Gene Clonts, T. P. Frizzell, Sr., Charles Cape, E. R. Carpenter, S. L. White, E. E. Teaff, Miss Willie Jones and Pfc. Sam Ed Carpenter.

### WEINER ROAST

The J. B. Harlan's entertained a small group of friends to a weiner roast, honoring Mr. Harlan's parents who are visiting from Oklahoma.

After the weiner roast they returned to the Harlan's homes for games. Guests besides the Harlan's were Mr. and Mrs. Charles Cape and Mr. and Mrs. J. M. Averitt.

Mrs. Roy Smith, Mrs. Coyle, Mrs. A. E. Hopson and Mrs. A. E. Fropp spent Monday in Stamford.

## ARLEDGE ICE FIRM SOLD THIS WEEK

Henry Arledge announced Tuesday that he had sold the properties of the Arledge Ice Co., with plants in Knox City and Rochester, to the Leon Ice Co. owned by Clarence Leon of Rotan. Included in the sale was the ice dispensing vault at Benjamin.

Actual transfer of the property will take place Saturday, April 1, and will mark the end of 16 years of business in this section for Mr. Arledge. He announced that he and his brother, Roy, will retain their plant and storage facilities at Stamford.

Starting in 1928, Mr. Arledge has operated the ice properties continually and by diligent effort built it into a prosperous business. Due to manpower shortage and scarcity of repair materials, Mr. Arledge decided to sell the properties and devote his time and interests to the breeding of high quality cattle, a sideline he has built into one of the best registered herds in the state.

The policies and general routine of business that the Arledge Ice Co. practiced will remain in effect under the new ownership." Mr. Arledge revealed. "It is Mr. Leon's intention to run the local plant under the same management and to carry on the business as usual, even to redeeming the old ice coupons issued by our firm," he added.

Mr. Leon is a pioneer in the ice business in West Texas with plants in several towns in this section.

### WALL-MARSHALL WEDDING

Ensign H. Elmer Wall, Jr., and Miss Theresa Marshall of El Dorado, Kansas, were married March 21, in Chickasha, Oklahoma. Rev. Graves pastor of the Baptist Church performed the double ring ceremony at the pastor's home.

Mrs. Wall graduated from the El Dorado high school and attended college there and in Chicago. Ensign Wall is a graduate of the Knox City schools and from Texas Tech at Lubbock. He enlisted in the Navy in January, 1942.

The couple returned to the West Coast March 24 where they expect to be for a month or two.

## Prolific Hens Paying Boy Through School

Former 4-H Club boy, Charles Hickman is now a student in Texas Tech. His 4-H Club project of 140 White Leghorn hens are paying his way in getting a college education. The hens are laying 250 dozens of choice eggs per month with a gross income of about \$65.00 per month. His living expenses including board and room are \$37.50 per month. This leaves a balance of \$27.50 for food and a number of incidental expenses.

Many 4-H boys of the County will remember Charles Hickman as a regular calf feeder each year, having won many first places in the county and the Reserve Championship at Wichita Falls in 1941. Charles also won the Santa Fe trip to the International Livestock Show at Chicago in 1942.

Charles also has over \$1000 invested in war bonds, as a result of his calf feeding enterprises of the last few years.

## Study Club Discusses Early Day Women

The Knox City Study Club met in a regular meeting Saturday afternoon, March 25. The president, Mrs. T. S. Edwards, opened the meeting with a prayer. Mrs. Bedford Smith was welcomed as an honorary member to the club. The secretary read an invitation from the Munday Study Club asking our club members to hear Mrs. Fred Broach in a book review on March 31, at 4:00 p. m., in the Munday club room.

The program chairman, Mrs. E. F. Branton, announced that the study subject, "Notable Women of America" for the program of the afternoon.

Mrs. E. Q. Warren discussed the subject "National Women of Note." Mrs. L. W. Graham gave "State Women of Note" and Mrs. C. C. Hoge told of "Early Pioneer Women."

With Mrs. Bedford Smith at the piano and Mrs. E. C. Carpenter leading the club sang "Home on the Range," as a follow up of Mrs. Hoge's very interesting stories of our local pioneer women. All the twelve members present became so interested in stories of early days in Knox City that they added their own to the collection. Everyone present enjoyed the meeting.

Mrs. Edwards closed the meeting after having the club repeat in unison the "Club Colloquy."

## Youth Dies of Injuries Sustained In Fall

Olin Tension, 17 year old son of Mr. and Mrs. Odie Tension of Benjamin, died at the Knox County Hospital Tuesday of injuries he sustained March 16 when he was thrown from a horse. The family moved to Knox County about 18 months ago. He was born at Denton, Texas, March 10, 1927.

Besides his parents he is survived by seven brothers and sisters. One brother is stationed in England with the Air Force.

Services were held March 30th at the Four Square Church at Benjamin, conducted by Rev. Joseph T. Hall of Knox City, and under the direction of E. Q. Warren.

## State To Sell 225,000 Acres Free School Land

Bascom Giles, Commissioner of the General Land Office, has announced the sale for May 2, of 225,000 acres of State School land located in more than 75 Counties throughout the State. Commissioner Giles points out that diversified soil and locations of this land should, in a large measure, meet the present unusual interest in and heavy demand for land purchases.

One of the purposes of the sale is to convert property, now in the hands of the State, which in some instances, produces small revenue, into private ownership for development so that it will be rendered for taxes which will be beneficial to the schools and counties as well as the State.

The terms for sale of Public Free School Lands are most attractive. An initial payment of one-fifth is required, and the remainder may be carried over a period of 40 years in an or-or-before note. The State keeps a free royalty of one-eighth of the gross production of sulphur and one-sixteenth of oil, gas and other minerals.

Anyone interested may receive a list of the lands offered, together with instructions for bidding, by writing to Bascom Giles, Commissioner of the General Land Office, Austin, Texas.

SUBSCRIPTION RATE, YEAR \$1.50

The Selective Service has ordered that occupational draft deferments for men aged 18 to 25 be prohibited, with some important exceptions in cases of men doing essential work. This policy is already in effect for the men up to and including age 22.

Whatever regrets these men may feel about leaving home and their usual labors, it is something to be a part of this great movement which has called out millions of men. The young men are ready to aid this grand cause of the government asks for service on their part.

It is often hard to tell whether a man is needed more on the battlefield or on some essential job of which he is the master. The armed forces need the vigor and power of youth, and an army made up of older men could not be expected to do so well. It may be possible to find a substitute for the skill of the youth on his job at home.

**ARE YOU taking good care of your water heater to make it last till we win this war? The factories can't make you a new one till it's over.**

1. Don't set the thermostat too high; about 130 degrees is considered generally satisfactory.
2. Drain the sediment from your hot water tank at least once a month.
3. Keep burner adjusted.
4. Give your water heater "breathing space." The burner flame requires air for good combustion.

## BROCK ITEMS

Mr. and Mrs. G. W. Stone have returned home after a visit with their daughter, Mrs. A. C. Tackitt and family at Munday.

Brs. Stephens preached at Brock Sunday to a good-sized congregation. The Brock H. D. Club met in the home of Mrs. Calvin Stone on last Wednesday. Miss Lucille King was present and gave a lesson in making collars and buttonholes. She also announced the council had elected Mrs. J. O. Warren as a representative to the district meeting in Haskell this summer.

Mrs. G. W. Montandon, chairman of the finance committee, discussed the plans to increase the club's finances. The yearbooks were completed.

Mrs. M. D. Hardwick and Mrs. J. B. Ferguson will discuss "Juvenile Delinquency" at the next meeting which will be at the Brock School April 13.

## Agent Gives Hints For Planting Garden Plots

Garden-making, which already has started in Knox County, prompts suggestions from Lucille King, H. D. Agent for this county, as to some of "the little tricks to get vegetables to grow best."

For the small gardener, green bush beans such as Kentucky Wonder are more desirable than the pole type because the bush variety matures quickly and does not occupy excessive plots.

The Stringless Green Pod, Refugee or Bountiful varieties are well suited to grow in conditions in the southern half of the state.

If there is room, pole butter beans or even pole green beans can be grown on the garden fence. A good pole type of butter bean is Sieva, a medium size white bean of good quality, and Florida Speckled is very hardy and prolific. A row of green pole beans which will mature after the busy beans are gone might be planted on another lot of the garden fence, Miss King suggests. The old Kentucky Wonder or a newer variety known as McCaslan, are both adapted to South and East Texas.

Fordhook and Acorn varieties of squash are good to eat even after maturity. As they incline to rank growth each plant should be allowed at least six feet. Harvested in June or July, they may be used throughout the summer and fall.

## SUNSET CLUB MEETS IN HOME OF MRS. E. E. NIX

The Sunset H. D. Club met Thursday afternoon at 2:30 in the home of Mrs. E. E. Nix. After a short business session ways of raising money were discussed. It was voted to fix a treasure trunk for the district agent.

One dress form was made and one chair re-caned.

Mrs. R. M. Almanrode gave a short lecture on House Joint Resolution No. 18, which is to be voted on in the November general election.

Refreshments were served to ten members.

Next meeting will be held on April 6 in the home of Mrs. L. J. Partridge, when a cheese making demonstration will be given by the agent.

Ladies interested in joining are urged to come and visit the club.

IT IS THE purpose of this bank to keep its customers conversant with its operations and methods in handling all phases of its business; there are no secrets in banking except the personal affairs of its customers.

IF A CUSTOMER gives a check on his account the bank makes payment on his check when they are satisfied that the signature is genuine, likewise banks make payments on checks not drawn on it on the signature of the endorser.

IN UNDERTAKING the collection of checks drawn on other banks, this bank acts only as your agent and assumes no liability other than the exercise of due care. You are liable to the bank when you endorse the check and are still liable until the check has been paid by the bank on which it is drawn. This is not a bank regulation, IT IS THE LAW.

CHECKS DRAWN on other banks must be endorsed by the receiving bank and each prior endorsement is guaranteed. If the first receiving bank cannot not rely upon the endorsement of the person from whom it was received it certainly could not pay him the money until after the bank cleared the check and the money received.

THE HANDLING OF checks on other banks is a service that a customer receives, but under the law he must remain liable until the bank receives the money for which the check calls, otherwise a bank would have to refuse payment to him.

## New Steel Beauties on the Santa Fe

There isn't yet the ceremony in taking delivery of a new locomotive that there is in christening a ship.

But, just the same, it's a great occasion on the Santa Fe when we receive those super-powered, high-speed locomotives so badly needed today.

For every new one means "rolling" more and longer freight trains loaded with war matériel, and more trains operated for the increasing troop movements.

The three locomotives shown above are among the first delivered of the big fleet of powerful locomotives ordered by Santa Fe. And more are coming!

★ Locomotives illustrated above—new "4-8-4" steam locomotive, "2900 class", 5400-horsepower freight Diesel; "2-10-4" steam locomotive, "5001 class." You can bet your driving wheels they'll pull a lot of freight cars fast!
