

THE KNOX COUNTY HERALD

VOLUME 53

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, MAY 8, 1958

NUMBER 23

Governor Price Daniel gives W. C. Howard, President of the Association of Texas Soil Conservation Districts, the original copy of his proclamation in which he designates May 11-18, 1958 as Soil Stewardship Week in Texas. Looking on, from left to right, are Association Vice Presidents Arthur Koehn, Harbert Byers, and Sam Singleton; Arthur Leesch, Chairman of the State Soil Conservation Board, and Association Vice President Wm. J. Sohl.

SOIL STEWARDSHIP WEEK TO BE OBSERVED MAY 11-18

"Soil and water are our most important and necessary resources and all people should support and work for their conservation and improvement." This statement was made by Governor Price Daniel to officials of Texas Soil Conservation Districts, as he issued a proclamation designating May 11-18 as Soil Stewardship Week in Texas.

City Drills Water Well

A new city well was drilled this week to help take care of the anticipated increase in water use this summer. Mayor Otis Harbert said the well, which is in the southwest part of town near the old city well, is much better than the wells near the hospital. The well pumped from 250 to 300 gallons per minute all day Wednesday without diminishing. The water will be put through a sand trap and into the old well for pumping into the storage tower. Since the city already owned the land, the well cost only \$387, less pump, the mayor said.

Little League Meeting Called For Tuesday Night

A meeting of all Little League baseball boys, their parents and adult workers will be held at the American Legion Hall Tuesday night at 8, Sammy B. White, Little League president, said Wednesday. The meeting is very important, White said, as some strict rules for conducting Little League games will be explained. Almost 100 boys have been out for practice the past few days, White said. The player auction will be held next Wednesday and the boys will be assigned to teams and managers. League play will probably start about the first of June. Each team will play 18 league games, with the schedule ending the first week in August. A play-off will then be held for the league championship.

Softball Teams Split Wins With Benjamin

The Knox City High School softball teams won one and lost one to Benjamin when they played their first games Tuesday afternoon in Benjamin. The girls won with a 13-0 score after two innings. Coach Bob Johnson's line-up is as follows: Louella Denton, pitcher; Mary Nell McElroy, catcher; Annie Ruth Culp, first base; Beverly James, second base; Wanda Allcock, third base; Lynelle Tankersley, short stop; Joan Shaver, right field; Donna Gayle Fitzgerald, center field; and Melanie Verhalen, left field. The boys team lost to Benjamin 4-1, after five innings. Players were Shag Lewis, catcher; Monte White, pitcher; Paul Acosta, pitcher; Fred Carver, first; Glen Hodges, second; Arnold Casillas, short; Jimmy McNulty, third; Jimmy Abbott, left field; Horace Wheeler and Tim Edwards, right field; Benton Bolin, center field.

Knox 4-H Girls To Compete in State Contest

The Knox County 4-H Safety Demonstration team, composed of Marilyn Albus and Evelyn Bellinghausen of Rhineland, placed first in district competition at Wichita Falls on May 3. They are now eligible to take part in the state contest which is to be held during 4-H Round-Up at College Station on June 11.

Wanda Beth Welch of Gilliland is an alternate in Public Speaking as a result of placing third in this contest.

Other Knox County 4-H girls who took part in the district event were Sherry Cook, Gilliland, who placed fourth with an individual Dairy Food demonstration, and Lorene Fetsch and Sylvia Kuhler, Rhineland, who came out sixth in Vegetable Preparation.

Parents who accompanied the girls to Wichita Falls were Mr. and Mrs. V. F. Albus, Mrs. L. D. Welch and Mrs. A. L. Cook.

Local Stores Get Face-Lifting

Face-lifting is in full swing on the main street uptown. The City Cafe building was recently re-painted, re-arranged, and new draperies were hung. This week, construction on the fronts of Jones Drug Store and Kemletz and Carl was started. In both buildings, the plate glass will be lowered, glass doors installed, with a brick and tile front. Jones Drug will gain several feet of floor space since the entrance will be flush with the front of the store.

Refrigerated air conditioning will be installed in the two stores as well as at Hoge's Pharmacy.

Benjamin VBS To Begin May 19

Children of all faiths are invited to attend the Daily Vacation Bible School at the Benjamin Christian Church from May 19 through May 23. The school is under the sponsorship of both the Methodist and Christian Churches with Karel Desgrange, minister of the Christian Church, as director. The theme for the week is "We Worship the Lord."

Registration will begin at 10:00 A. M. on Saturday, May 17, with a Bible School parade and refreshments following.

The teachers and their departments are announced as follows: Nursery, Mrs. J. W. Melton and Mrs. George Lebus; Beginner, Mrs. Karel Desgrange and Mrs. Willard Kilgore; Primary, Mrs. J. D. Redwine and Mrs. Johnny McGaughey; Junior, Mrs. J. C. Moorhouse and Mrs. O. D. Propps; Teen-Age, Mrs. Roberts; Refreshment Chairman, Mrs. Jack Barker; Girls' Handwork, Mrs. Frances Sams, Mrs. Bill Spikes, Mrs. Oran Driver and Mrs. Collins Moorhouse; Girls' Recreation, Sue Leaverton, Pat Waldron, and Nancy Roberts; Boys' Handwork, Mr. Roberts; Boys' Recreation, Ken Roberts and Bobby Idol; Pianist, Barbara Waldron.

The school will begin each morning, Monday through Friday, at 9:00 and will be dismissed at 11:30.

Rites at Silsbee For Knox Citian

Funeral services for Mrs. Sarah M. Green were held Tuesday, May 6, in the Warren Baptist Church at Silsbee, Texas. Mrs. Green, who had lived in Knox City since October 1957, died Saturday night, May 3, at 9:35 p. m. of a heart attack. She was born in DeRidder, La., July 28, 1884, and was married to Bob Green in 1900. He died in 1934.

She is survived by three daughters, Mrs. S. B. Everett of Knox City, with whom she was making her home, Mrs. Bill Bumstead of Warren and Mrs. J. W. Clay of Pueblo, Colo.; one son, W. R. Green of Silsbee; 12 grandchildren and 10 great-grandchildren.

Beverly James

Beverly James, daughter of Mr. and Mrs. O. M. James, is valedictorian of the 1958 graduating class with an average of 91.75 for her four years in high school, it was announced last week by E. A. Youngblood, high

Jan Stroder

school principal. Salutatorian is Jan Stroder, daughter of Mr. and Mrs. Ray Stroder. Her four-year average is 91.22.

Joe Lynn Cash, son of Mr. and Mrs. Otis Cash, is highest rank-

IN COUNTY POLITICS

Races Develop As Filing Ends

Knox Countians will get their money's worth out of their 1958 poll tax after all, with several contests on the ballot in the July Democratic Primary.

Besides the state races, there is a three-way contest for state representative, two candidates for county judge and two for county treasurer, three in the race for county commissioner of Precinct 2 and three for com-

missioner of Precinct 4, and a contest for justice of the peace in Precinct 1.

Ed Cloud of Rule, candidate for re-election to the legislature from the 83rd district, is opposed by Donnell Dickson, Seymour attorney, and Leroy Ressel of the Sunset community.

County Judge L. A. Parker is opposed in his bid for re-election by Marvin T. Chamberlain,

former Knox County clerk. Ed Thompson of Munday was a late filer against County Treasurer W. F. Snody, who is seeking re-election.

In Precinct 2, Benjamin-Vera, Commissioner W. W. Trainham, seeking re-election, has as his opponents Artist McGregor and Clyde Beck. Beck, who filed shortly before the Monday deadline, has not announced his candidacy.

Commissioner George Nix of Precinct 4, Munday-Goree, is opposed by Wallace Reid and Billy Mitchell.

In Justice of the peace Precinct 1, Benjamin, incumbent J. J. Driver is opposed by V. R. Terry. Driver is seeking his second term.

County and precinct candidates who will have no opposition on the ballot include A. E. Propps, district clerk; Mrs. Zena Waldron, county clerk; Merick McGaughey, county superintendent; and J. C. Rice, justice of the peace, Precinct 1.

Collins Moorhouse of Benjamin, present chairman of the county Democratic committee, will be on the ballot for re-election to the office. Candidates for precinct chairman are: Precinct 1, Jack Barker; Precinct 2, C. C. Browning; Precinct 3, Dolph Martin; Precinct 4, W. M. Ford; Precinct 5, J. W. Laningham; Precinct 6, M. L. Wiggins; Precinct 6A, None; Precinct 7, John M. Albus; Precinct 8, Roe Myers; Precinct 9, Abe Watson; Precinct 9A, E. B. Shaver Sr.; and Precinct 10, None.

W. E. Lovelace of Knox City, who had announced as a candidate for re-election as justice of the peace, Precinct 5, failed to file in time to have his name placed on the ballot. Moorhouse said a place could be provided on the ballot for writing in Mr. Lovelace's name.

The County Executive Committee will meet next Monday, May 12, to apportion the cost of the election among candidates, Moorhouse said. Each candidate will be notified of his assessment, and the assessments must be paid to the county chairman before midnight Saturday, May 17.

O'Brien to Elect City Officials

O'Brien residents will elect a mayor, a city marshal and five aldermen in an election Saturday.

The community voted April 5 to incorporate under the general laws of the state. The vote on incorporation was 30 for, none against.

Candidates in Saturday's election are Dwight Gothard for mayor, C. B. Banner for marshal and S. E. Johnston, J. E. Stanfield, A. A. Cox, H. A. Barnard and Cyle Carver, all for alderman.

Science Student Tells Possibilities of Clay

Members of the Knox City Lions Club Wednesday heard Joe Lynn Cash, senior student in Knox City High School, give an interesting discussion of a clay found in Knox County that might be developed commercially.

Joe used an exhibit he entered in the recent Oil Belt Science Fair in Abilene, and which rated second in its division.

He gave an analysis of the clay's properties and its reaction to various tests. The tests show, he said, the excellent quality of the clay for bricks, ceramics or pottery.

In a business meeting, the club voted to pay \$200 toward delegates' expenses to the Lions International Convention in Chicago.

CONFIRMATION ELECTION FOR WATER DISTRICT SLATED

Frank B. McMahon of Dallas, bonding agent, met with the city council and members of the Knox City water committee Wednesday to discuss the developments in the North Central Texas Municipal Water Authority's proposed lake on Miller Creek.

McMahon said a "confirmation election" will be held on June 16 or June 17 in each of the seven towns in the district—Knox City, Munday, Seymour, Goree, Haskell, Rule and Rochester. He pointed out that if the voters in any town fail to approve confirmation, that town is automatically out of the project. He added that each town will have two opportunities to withdraw at later dates—when they vote on a water purchase contract and on

a bond issue. City officials and committee members present expressed the hope that Knox City will remain in the project until further details of the project are released, since to do so will incur no cost or obligation.

McMahon, who will discuss the project at the Knox City Lions Club Wednesday, May 21, said committee members from all towns in the district have decided on a project that would impound 52,000 acre feet of water. Cost of the dam and reservoir would be about \$15 million, with filtration plant and pipelines running the total cost of the entire project to about \$65 million. He pointed out that if one of more towns drop out of the district, the project would decrease proportionately, since a large part of the cost is for pipelines, and the project would still be feasible for the remaining towns.

Under the plan chosen by the committee, the water district would put filtered and treated water in the overhead storage tanks in each community for 30 cents per thousand gallons. Engineers estimate that sale of municipal water would pay 75 percent of the cost of the project while the bonds are being retired with the remaining cost being paid through an ad valorem tax. McMahon pointed out, however, that there is a strong possibility that a great deal of water could be sold to oil companies for water-flooding purposes, thus eliminating the ad valorem tax after the first few years.

Further details of the proposal will be furnished voters through public meetings, brochures and other media before the election, McMahon said.

Knox City members of the district water committee are W. P. White, C. H. Keck and H. E. Wall.

All-Stars Open Season With Win Over Aspermont

The Munday All-Stars opened the Brazos Valley League play with a 15-0 win over the Aspermont Semi-pros Sunday.

The game was scheduled to be played at Munday but was moved to Aspermont due to wet grounds.

Willard Skiles pitched a two-hitter, walking three and striking out nineteen. Home runs were hit by Larry Walling with one on and by Willard Skiles with two on.

Next Sunday, May 11, Munday will meet Guthrie in Munday at 3 o'clock in what should be one of the best games of the season.

Scout Meeting Called for Tonight

All Boy Scouts who plan to attend camp next month were urged to be at the scout meeting tonight (Thursday) by Scoutmaster Jack Fisher.

The annual camp will be at Camp Perkins near Wichita Falls the second week in June. Scouts who can not attend the meeting tonight but plan to go to camp were asked to see the scoutmaster as soon as possible.

Regular meeting of the troop will be at 6 p. m. each Wednesday beginning next week, Fisher said.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS. — At least 12 weeks of lively politicking lie ahead for Texas.

U. S. Senator Ralph W. Yarborough laid the chips on the line and announced as a candidate for re-election. Since his opponent will be former Senator William Blakely this appears to be the hottest race of the 1958 campaign.

Except for one Supreme Court justice, all top state officials are asking re-election.

As the filing deadline ended, only a few incumbents were without opposition.

TEC FIRING UPHELD — After hearing both sides, the Merit System Council voted unanimously not to interfere in the Texas Employment Commission's dismissal of its legal counsel.

Ousted Attorney Lee G. Williams said he would appeal to

the courts. Williams was fired last month by a 2-1 Commission vote. R. F. Newman, labor representative on the Commission opposed the decision by Chmn. S. Perry Brown, public representative, and Maurice Acers, management representative.

Brown told the Merit System Council he felt Williams' personal feelings prejudiced his legal opinions in favor of labor. Biased legal advice, Brown contended, "is probably worse than none at all."

Williams exhibited legal opinions he had prepared favoring management's side. Newsman and three former Commission members pled on Williams' behalf.

NEW TACK ON TIDELANDS — International boundary discussion at the current Geneva Conference may dim Texas' hopes in the tidelands struggle, Atty. Gen. Will Wilson noted in a recent speech.

Russia wants national boundaries to be 12 miles out from land, Wilson related, and the U. S. says 3 miles out. Texas, in a case to be heard by the U. S. Supreme Court Oct. 13, will be trying to protect its long-standing claim to 10 1/2 miles.

But, said Wilson, "the United States can't plug for a 3-mile international boundary and turn around and give Texas 10 miles." If the 3-mile boundary sticks, he said, Texas will then ask for

oil rights to the 10-mile limit.
WHY IT COSTS MORE — Wrap-around windshields and loads of chrome inevitably mean higher rates for automobile insurance.

A special legislative committee investigating auto coverage rates was told by State Insurance Dept. officials that costs of both materials and labor have gone up. New rates, to be set next summer, probably will have to be higher, they said.

In addition to the staggering tab for fixing the modern-day palace-on-wheels, if it gets smashed, high accident records boost insurance rates in a locality.

For instance, said a department official, Dallas' accident rate is only 60 per cent as high as Houston's rate. Hence, coverage that costs \$18 in Dallas is \$30 in Houston.

"People have to realize," he said, "that they set their own rates."

CLIMBING COSTS SEEN — Bad news for budget balancers is an official estimate that state welfare and education programs will cost \$62,000,000 more during 1959-61 than at present.

In studying future spending needs, a Legislative Budget Board Committee noted that:

(1) A constitutional amendment to be voted on next November will, if approved, add \$9,000,000 to welfare costs. Proposed amendments would provide medical care for the needy.

(2) An increase in the number of children would probably up the state's share of the minimum foundation school program by \$44,000,000. In addition, the amount in the available school fund will be less, creating a need for additional appropriation.

Committee commentary revived a touchy issue — continued existence of "small, inefficient districts" that might be consolidated into other districts to lower over-all costs.

ON COURTING BUSINESS — Growing government and climbing taxes make a chilly atmosphere in which to invite new industries.

This view from present Texas industrialists was presented at a recent hearing of the Texas Industrial Commission. Recently re-activated, the Industrial Commission is charged with finding ways to attract more industry to Texas.

Jim Yancey, spokesman for the Texas Manufacturers Assn. told the Commission that good labor-management laws and some restraint on government cost are needed. "Texas is fast losing its favorable position in comparison with other states in the area," he said.

Commission members noted there had been some "misunderstanding" by regional Chambers of Commerce. Commission's purpose, they emphasized, is to help, not compete with, such groups.

RATE BATTLE — An Amarrillo insurance firm has advanced one step in its battle to block enforcement of new, lower credit insurance rates.

An Austin district court granted the request of Cosmos Life Co. for a temporary injunction. State Board of Insurance has ordered a slash of about 50 per

New Lighting for Longhorn Cavern

A completely new and improved lighting system has just been installed in Texas Longhorn Cavern near Burnet which provides dramatic illumination designed to best show off the scenic wonders of this marvel of

Nature. Many modern theatrical lighting effects have been utilized. More than four miles of wiring were installed and nearly a thousand electric bulbs were used in the project which required over five months.

Knox Clubs Observe National H-D Week

In observance of National Home Demonstration week special teas or open meetings have been held this week by most of the clubs of Knox County. Truscott and Vera have sponsored Mother's Day teas and invited all the women of their communities. Benjamin is meeting to arrange flowers which will be carried to women who are shut-ins.

Next week, one club will have as honor guests prospective members and former members.

The officers of these clubs who are volunteer local leaders have assumed a large part of the responsibility in preparing for these special meetings, Miss S. C. Kinsey, County H-D agent, said. Commendation is due them and also the women who attend training schools to learn and teach new and better methods of homemaking to club members, neighbors and friends.

This year, the leaders in our county have conducted a recreation school and others have helped with the upholstery program.

ATTEND "PARENTS' DAY" AT JOHN TARLETON

Several from Knox City were in Stephenville Sunday to attend annual "Parents' Day" at John Tarleton College.

The group attended churches of their choice at 11 a. m. Open house was held in all departments of the college and a reception in the library followed. A band concert was enjoyed during the afternoon. Awards were made to honor students and the "queen of parents' day" was crowned.

Attending from Knox City were Mr. and Mrs. H. M. Compton and Stanley, Mr. and Mrs. Neil Perdue and Charlotte, Mr. and Mrs. W. E. Lovelace, and Miss Ethel Lemond.

cent in rates for insurance issued on the lives of persons getting small loans.

Attorney general's department, which recommended the change, said old rates were excessively high. Companies contend the new ones are ruinously low.

Court's injunction affects only Cosmos. Others, unless they join in the suit, must abide by the new rates. Until the case is finally decided, Cosmos must put in trust money equal to the difference between the old and new rates.

BAIL LAW VOIDED — A law passed last year to regulate bail bondsmen has been declared unconstitutional by the Texas Supreme Court.

If effective, the law would have required bondsmen, unless they were attorneys, to be licensed. One section applied only in counties of more than 350,000 population, another in counties of from 73,000 to 100,000 population.

High court pointed out that the constitution prohibits such narrow restrictions on laws of a general nature. Dallas legislators, who sponsored the bill last session, are reportedly planning to try again with a revised version.

Streams In Desert Places

By Ozelle Stephens

Beautiful thoughts of grace and truth belong to you who spend much time alone with your Lord. He lingers near and shares with you His love and strength. He will give you peace for your troubled hours, healing for your sick body and soul. He will give you grace for your weakness, for no one knows and cares like Jesus.

Nothing, loud, can drown out the sweet soft voice of His that whispers to the soul. He will be waiting for you when you seek Him in the quietness of your prayer time. The word says, "Call unto Me and I will answer thee and shew thee great and mighty things which thou knowest not." (Jer. 33:3)

FEDERAL CROP INSURANCE SERVICES ARE EXPANDED

COLLEGE STATION. — The Federal Crop Insurance Corporation will celebrate its 20th anniversary this year by providing one-third of a million farmer policy-holders one-third of a billion dollar's worth of all-risk protection against crop disaster.

FCIC protection against loss from unavoidable causes of money invested in crop production is now available in over 800 U. S. counties, more than twice the number in which such insurance was offered in 1948, reports A. B. Wooten, extension economist.

This year the Corporation is initiating a new contract method, another thing that should make crop insurance available to more farmers. The change brings together a variety of crop insurance contracts into a uniform policy with separate endorsements for the crops insured. This will facilitate adding insurance for additional crops in many counties to provide broader protection for policyholders.

Over its 20-year history FCIC

has paid nearly a billion dollars of indemnities to farmers who sufferedable crop losses, and Wooten says these insurances have enabled many to survive crop disasters otherwise would have been out of business.

In the words of Agriculture Ezra Taft "Every year though production is high, crop take a heavy toll in strikes, farmers and the community feel the emergency assistance was developed to provide business assistance to farmers in Texas information about insurance by writing Briggs, PMA Building Station, Texas.

Honor Students Named at O'Brien

Sarah Ann Mason, daughter of Rev. and Mrs. A. T. Mason, is valedictorian of the eighth grade graduating class of O'Brien School. Supt. Elvin T. Mathis announced Wednesday.

Salutatorian is Ann O'Neal, daughter of Mr. and Mrs. Ernest O'Neal, and Larry Gibson, son of Mr. and Mrs. W. A. Gibson, is highest ranking boy.

Graduation exercises will be held at the O'Brien Baptist Church at 8 p. m. Tuesday, May 27. Speaker will be Rev. Grady Allison, pastor of the Munday Baptist Church.

Joan Williams will play the processional and recessional. Rev. Mart Hardin, pastor of the O'Brien Baptist Church, will give the invocation and benediction. Special music will be furnished by a trio composed of Lou Underwood, Sharlyn Day, and Joyce Denton. James B. Gibson will present the awards and Leonard Force will present the diplomas.

Other class members are Cleoda Hawley, Jerry Force, Conception Aguilar, Bonnie Poe, Betty Bryant, Lydia Garcia, Weldon Taylor, and Camillo Losoya.

O'Brien News

Mrs. Bill Johnston and Mrs. Jack Dozier visited in Lubbock Tuesday.

Mr. and Mrs. Jimmy New are visiting their parents, Mr. and Mrs. Cyle Carver in O'Brien and Mr. and Mrs. Owen New in Truscott.

Mr. and Mrs. O. S. Johnston spent the week end in Ft. Worth with Mr. and Mrs. W. D. Johnston.

The Women's Missionary Society met at the Baptist Church Tuesday night for a joint Royal Service program and a covered dish supper. The Maybelle Taylor circle gave the program. There were 23 present for the meeting.

Mr. and Mrs. Oather Poe and Bonnie spent the week end with relatives in Enid, Okla.

Mrs. Grady Ellis visited her daughter, Mrs. Grady Murray, and family in Edmondson Saturday.

Mr. and Mrs. Roy Hester spent the week end in Brownfield with their son, Sidney Joe, and family.

Charles Yarbrough, Danny Walsworth, Hershell Force, and John Tom Johnston were in Austin over the week end where Danny entered the state meet in pole vault. He placed fourth.

Mr. and Mrs. A. A. Cox and family spent Sunday in Anson with Mr. and Mrs. James Creel and family.

Mrs. Alvin Hines and son of Electra are visiting her parents, Mr. and Mrs. Ranzy Herring.

Betty Kay, student in Hardin-Simmons University, Abilene, spent the week end with her parents, Mr. and Mrs. Lewis Kay and Doris.

Mrs. Jimmy Kittley and son of Abilene spent the week end with her parents, Mr. and Mrs. Buster Hodges.

Aussie Harris of Cortez, Colo. spent Tuesday night with the Dwight Griffins.

Mr. and Mrs. J. E. Stanfield spent the week end in Ft. Worth with Mr. and Mrs. Dick Wyatt and family.

Friday and Saturday guests of Mr. and Mrs. Jack Fisher were his cousins, Mr. and Mrs. Bill Pilgrim, Mrs. Edna Cross, and Mrs. Easter Franks, all of Alabama. Saturday the Fishers and their guests went to Borger to visit Ben Fisher and family.

Miss Bobbie Lou Dodd of Dallas is spending this week with her sisters, Mrs. Morris Jenkins and Mrs. Pierce.

Mrs. Waldrip Wins Knox Flower Show

Mrs. Ance Waldrip won the sweepstakes award in horticulture and arrangements at the Knox City Garden Club's fourth annual flower show held at The Woman's Club Saturday.

Theme of the show was "Notes of Spring." Mrs. Waldrip also won the coveted award of distinction on her arrangement named "Mission Bells." In the "Needles and Pins" class of yucca, cacti, and succulents, Mrs. Waldrip used four tall spikes of cacti representing the front of a cathedral. In tones of green and gray, the arrangement was on a two-tiered gray marble base which served as steps to the cathedral. At one side stood a wooden Saint Fiarce, the Patron Saint of the Gardeners.

Mrs. Horace Finley was second in sweepstakes and Mrs. B. B. Campbell was third. Mrs. S. M. Clonts won the special award of merit on her Red Valor iris.

There were 224 entries in the two divisions. Blue ribbon winners were Miss Lessie Bolin, Mmes. Campbell, Clonts, Finley, L. W. Graham, Elwood Hackney, H. F. Jungman, J. C. McGee, Claude Reed, Waldrip, and H. E. Wall.

Presented red ribbons were Mmes. Campbell, Finley, Graham, Hackney, W. M. Hertel, C. C. Hoge, Jungman, McGee, Reed, Guy Robinson, Waldrip, and Wall.

Winning yellow ribbons were Miss Bolin, Mmes. Campbell, Clonts, Finley, Graham, Hackney, Hertel, J. R. Hitchcock, Jungman, McGee, Reed, Robinson, J. E. Sanders, S. L. Stanley, Waldrip, Wall, S. L. White, B. B. Bowden, and honorable mention went to Mmes. Clonts, Hackney, Hertel, Hitchcock, Hoge, and Reed.

In the horticulture division, the entries were placed in green bottles on green tables. Specimen blooms were in roses, iris, bulbs, tubers, tuberous-rooted, perennials, annuals and biennials, flowering shrubs, trees, vines, pot plants, dish gardens, and vegetables.

In the artistic division, classes were in song titles: Sweet and Low for arrangements under six inches; Green Eyes for all green arrangements; In the Garden for vertical arrangements in hues of pink; Over the Waves for arrangements typifying a foreign country; Needles and Pins for cacti, yucca, and succulents; Driftin' for dried materials; Till We Meet Again for old fashioned arrangements; Little Things in Life for corsages; and table settings with the exhibitor selecting her own song title.

Mrs. Claud Reed was general chairman. Other committee chairmen were Mrs. Waldrip, schedule; Mrs. Hackney, staging; Mrs. Finley, entries; Mrs. Campbell, classification; Mrs. Wall, judges; Mrs. Hoge, publicity; Mrs. Clonts, hospitality; Mrs. Jungman, registration; Mrs. Stanley, awards, and Mrs. Robinson, flower shop where seeds, plants, cuttings, and bulbs grown by club members were sold.

Judges were Mmes. Ed Ken-shalo and Mrs. Joe Tom Nuckles of Chillicothe, both accredited national flower show judges.

Mrs. Wall, president of the club, expressed her thanks to everyone for their cooperation in making the show and shop a success.

O'Brien Star Places In State Meet

Danny Walsworth, O'Brien athlete, tied with two other boys for fourth place in the pole vault event at the state Class B track meet last week.

This was the fifth straight year the O'Brien school has placed in the state meet, the last four being in pole vault. Herschel Force, former O'Brien star, still holds the state Class B record of 12 feet 8 inches, set in 1956. Danny vaulted 11 feet 6 inches for the tie.

Making the trip to the meet were Walsworth, Force, Coach Charles Yarbrough and John Tom Johnston.

Guests this week in the Doyle Graham home are Mrs. Graham's sisters, Mrs. Dan Kohler of Cour d'Alene, Idaho, and Mrs. Johnny Gibson and young daughter of Ft. Worth.

Miss Mary Anne Morris, daughter of Mr. and Mrs. W. J. Morris, is among the 168 students who are candidates for degrees and awards at the 40th annual commencement exercises of New Orleans Baptist Theological Seminary on May 16.

Dr. R. A. McLemore, president of Mississippi College, Clifton, will deliver the commencement address.

Miss Morris will receive a master of religious education degree. Her father is band director in the local schools and Mrs. Morris teaches in the primary grades.

Hints on Controlling Nutgrass Given

Many Knox Citizens report types of weeds and grass in their lawns that have never been there before—but the old enemy, nutgrass, is still one of the biggest annoyances.

Nutgrass is said to annoy more people than any other weed or grass in Texas, and is one of the hardest to control. Seed are produced abundantly but their viability is low. Rhizomes grow from the crown of a nutgrass plant and form tubers in a chain-like fashion. A well-developed chain may consist of 15 or more tubers and each develops six or more buds from which sprouts can emerge. A cubic foot of heavily contaminated soil may contain as many as 1500 or more tubers.

But this bothersome pest can be controlled, say Homer Rea and J. A. Long, associate professor and instructor, Department of Agronomy, Texas A & M College, respectively, in a report entitled "Control of Nutgrass."

One "don't" that is often violated is "don't" destroy the tops of the nutgrass. This breaks the chain between the tubers and stimulates re-sprouting. The tubers dry slowly, but digging the plants up to the surface is the most practical method of control in many sites.

Instructions for controlling nutgrass with chemicals and suggestions to follow when controlling it in various sites, such as lawns, gardens, fields, etc., are contained in the report, which can be obtained from local county agents or the Agricultural Information Office, College Station, Texas. Ask for TAP-95.

Band Boosters Install Officers

Mrs. Ottis Cash installed new officers of the Band Boosters at the May meeting of the organization Monday night at the Band Hall. Mrs. Doyle Graham was installed as new president succeeding Mrs. Clyde Williams.

Other new officers included Mmes. Kenneth Myers, first vice president; Mrs. Ben Knight, second vice president, Mrs. Alton Fitzgerald, secretary-treasurer, and Mrs. Norman Howell, reporter.

A report of the treasurer showed \$669 in the treasury with payment for a new base horn of approximately \$300 still outstanding.

The Boosters earned \$1,004.25 on calendar sales and advertising during the year, with \$64 added to this for membership payments.

The club purchased during the year uniforms in the amount of \$395.40 and instruments totalling \$96.60. Cost of the calendars was \$295.31. The club entertained 84 members of the band and 7 guests at the annual banquet at a cost of \$93.00.

Members of the organization expressed their appreciation to merchants and citizens of Knox City for their cooperation in the band program which helps to provide the Knox City school with a better band.

Members of the club expressed their appreciation to W. J. Morris, director, for his untiring efforts towards the band program. He announced that the annual band concert will be held May 15 at 8 p. m. in the high school auditorium. Band students will sell tickets.

School Lunchroom Menus Announced

Menus at the Knox City School lunchroom for the week beginning May 12 will be as follows:

Mon.: Macaroni and cheese, black eyed peas, Harvard beets, cornbread, butter, apple delight, milk.

Tues.: Meat loaf in tomato sauce, whole kernel corn, cabbage-apple-carrot salad, whole wheat bread, peach cobbler, milk.

Wed.: Smothered steak, mashed potatoes, English pea salad, rolls, butter, stewed apricots, milk.

Thurs.: Salmon croquettes, cream gravy, cream style corn, carrot sticks, rolls, butter, ice cream, milk.

Fri.: Pinto beans, French fries, onion slices, spinach, corn bread, butter, fruit jello, milk.

Billy Joe Averitt of Crane was here Monday to attend funeral services for his uncle, Vestus Alvis, and to visit his parents, Mr. and Mrs. Joe Averitt.

Mrs. John King was in Rotan Wednesday to carry her mother, Mrs. Belle Perry, who will visit another daughter there for several days.

Funeral Held for Knox Citizens' Kin

Funeral services for Glen Shaw, 41, of Arlington were held Monday, May 5, in Phoenix, Ariz.

Shaw was killed in an automobile accident last Thursday afternoon about 3 p. m. three miles north of Newcastle. A Graham girl was seriously injured in the collision.

Mr. and Mrs. Shaw and their children were in Knox City the previous Sunday to attend funeral services for Mrs. Shaw's grandfather, J. W. (Pappy) Smith. The family had moved from Arizona to Arlington only two months ago. Mrs. Shaw is the daughter of Mr. and Mrs. W. R. Harris of Chandler, Ariz.

Immediate survivors are the wife; two sons, nine and 12 years of age; and the parents, Mr. and Mrs. Alba Shaw of Phoenix.

The body remained in Knox City while funeral services were pending.

SOFTBALL TEAM

Ronald Voss hit a home run for the Knox City School softball team over Benjamin Weidner on Wednesday. The score was 6-0 in the seventh inning when Voss was batting for the team.

The girls team won handily, 13-4. Donna is pitcher.

Mrs. J. M. Chilcoat returned home Saturday from a visit with her daughter, Mrs. Ben Qualls, and family near Clyde.

J. B. Eubank, Jr., and John Black have returned home from M. D. Anderson Hospital in Houston where they both received check-ups.

Mrs. J. R. Brown, Mrs. Oscar Solomon, Mrs. A. P. Smartt and Mrs. J. M. Chowning recently attended a flower show in Paducah.

Proper Records Will Hurry Payment of Social Security

"Speed-up the payment of your first benefit check by bringing along all your copies of forms W-2, withholding statements, or other record of your 1957 earnings" is the advice given by Erton F. Tate, manager of the Wichita Falls Social Security Administration District Office to workers who plan to file early in 1958.

1957 earnings are required for the computation of benefits for claims filed in 1958. Employers had until January 31st to file their quarterly social security returns for their employees with the Director of Internal Revenue. Therefore, Social Security Administration records for individual employees will not reflect 1957 earnings completely for several months.

Form W-2, withholding statement, however, shows complete earnings and social security contributions for 1957. It is given to the employee in duplicate. One is for attachment to the income tax return and one is for the employee's files.

Self-employed individuals who plan to file in 1958, Mr. Tate stated, should submit a copy of their 1957 tax returns including Schedule C and SE, plus a cancelled check or other evidence that the tax was paid.

Farm and Ranch Notes

By Roy England, County Agent

The livestock disease "leptospirosis," once thought to be unimportant to the livestock industry, is now known to be causing extensive losses.

Recently conducted surveys show the disease to be widespread in cattle and swine of the state. More than half of the herds tested showed infected animals. Leptospirosis has a wide range of symptoms that makes a diagnosis in the field difficult. It may affect most of the animals in a herd without recognizable symptoms. On the other hand, there may be numerous abortions and up to 5% death loss among grown animals. But usually the death losses are confined to calves and one out of three of those affected may succumb.

The first symptoms are a high temperature, coffee colored or blood tinged urine, and a sudden decreased milk production. The milk may be viscid and yellow as in mastitis, but the udder will be limp and cool. Abortion may occur if the animal is in late pregnancy.

Leptospirosis is relatively mild in swine except for its effect on the pregnant sow. She will often abort if in the late stage of pregnancy. If not, part or all of the pigs may be born dead or die soon after birth. It is important to call your veterinarian immediately if this disease is suspected in your herd. If treated early, most cases respond well to some of the newer drugs.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

Senator Margaret Chase Smith says she's as mad as a hornet about some Idaho potatoes showing up at an Air Force base in her state of Maine. She's doubly shook up, she says, because this is the second time it's happened, and because the base is located in Aroostook County, center of the Maine potato industry.

If she'll look into it she'll probably find that all the potatoes at Air Force bases in Idaho come from Maine. As long as she's been in the Government she ought to know this is standard procedure in our armed forces. Our military bases in Italy got their spaghetti in cans from New York and in Alaska they probably got their Eskimo pies from Hoboken, New Jersey. The boys in the Pentagon like to keep things moving, Margaret.

I see by the papers where a famous London tailor announced in New York that cuffs on men's pants was going out of style. I got sad news for that feller. Here in this country we're going to have cuffs on our pants even if we have to do without Geritol.

I'd as soon get caught in my neighbor's hen house as to get caught on the street with no cuffs on my britches. Back when we was fighting Germany and Japan, the War Production Board got away with cutting a couple inches off our shirttail but they didn't have no success in taking the cuff off our pants. I was reading yesterday where some car insurance company down in Georgia won't insure a driver that hangs rabbit tails, squirrel tails, baby shoes, dice, and a vegetable garden all rolled into one. I can't see how they can logically insure one and not the other. For my money they can keep 'em both off of the highways, then maybe I could find a parking place.

I was in town the other day seeing about gittin some fertilizer for my spring planting and this Knox City feller was in there talking about planting a

garden. City folks git all mixed up in the difference between planting a garden and working one. The difference is about the same as between sweat and perspiration. Us farmers sweat and you city folks just perspire. The good word sweat is in mighty low esteem amongst you city gardeners. You've been masquerading it around as perspiration so long that you think sweat is something not to be mentioned in the presence of ladies. If this city feller ain't figgering on sweating a little on that garden there ain't no use in him planting it.

Yours truly,
Uncle Ben

Mr. and Mrs. Joe S. Smith plan to return to Sundown the latter part of the week to be with their children on Mother's Day and to attend the dedication of a \$75,000 auditorium at the First Baptist Church there Sunday. "Uncle Joe" will take part in the Sunday service. Their daughter, Mrs. Byron Lee, and Mr. Lee will come home with them Monday to spend their vacation.

Paul F. Golden Dies at Eastland

Paul F. Golden, 26, former Benjamin resident, died in Eastland Memorial Hospital Monday after an illness of several months.

Funeral services were held at 4 p. m. Wednesday at Hamner Funeral Chapel in Eastland with the Rev. Roy E. Hendricks of Dallas, a Jehovah's Witness minister, officiating.

An automobile mechanic, Golden had lived in Eastland four years, and was employed by Blevins Motor Co. He was born in Munday April 13, 1932, and was married to Neva Green in Deaton on Sept. 4, 1954.

He is survived by his wife; one daughter, Gwendia, 5 months old; his parents, Mr. and Mrs. A. Golden of Eastland; two sisters, Mrs. Anna Lucille McCannies of St. Paul, Minn. and Mrs. Leota Hamilton of Ft. Worth; five brothers, J. C. Golden of Benjamin, A. W. Golden of Ft. Stockton, Bobbie Dee of Comanche, Okla., and Billy and Jimmy Lee of Eastland.

Burial was in Eastland Cemetery.

Funeral Held at Rochester for Vestus Alvis

Funeral services for Vestus Alvis, 69, of Rochester were held at the Rochester First Baptist Church at 2:30 p. m. Monday, with Rev. Cecil Meadows of Erath, former pastor of the church, officiating.

Critically ill the past two months, Mr. Alvis was transferred from Hendrick Memorial Hospital in Abilene to his home two weeks ago. He died at 4 p. m. Saturday.

He was a son-in-law of Mrs. E. L. Carr and brother-in-law of Mrs. J. M. Averitt and Luther Carr, all of Knox City.

Alvis moved to Haskell County with his parents in 1901. He married Lessie Carr of Rochester in 1910. He was a deacon of the church, a director of the Home State Bank, had farming and cattle interests, former secretary of the school board, and a retired mail carrier.

Survivors include his wife; two daughters, Mrs. Felix Mullino of Rochester and Mrs. W. E. Perkins of Abilene; two sons, Truett of Rochester and Lt. John H. of U. S. Navy at Oakridge, Tenn.; eight brothers; one sister; and several grandchildren and great-grandchildren.

Surprise Party Honors Mrs. Pullig On 93rd Birthday

"Aunt Alice" Pullig could only embrace her friends and say "God Bless you" when members of the Woman's Missionary Society of the First Baptist Church surprised her Monday on her 93rd birthday with a cake, cookies, gallons of punch, gifts and flowers.

Thirty-five friends, both young and old, visited Mrs. Pullig, Knox City's oldest citizen, during the calling hours Monday afternoon, and a steady stream of well-wishers kept her husband, "Uncle Charley," answering the door all day Sunday and Monday. And flowers were still arriving Tuesday!

"It was the best birthday I ever had" was Aunt Alice's remark.

Another surprise was a visit from Dr. T. S. Edwards who has been her doctor since 1910. One of the best gifts, Aunt Alice said, was a report from her doctor that her blood pressure was only 140.

Mrs. Pullig was born in Arkansas. Her first husband, Lewis Philip Lackney, a Baptist preacher, died in August, 1942 after almost 62 years of married life. She married Mr. Pullig in March, 1943.

Despite her age, she does her own cooking, pieces quilts, crochets, hears well, and even directs Mr. Pullig's gardening sometimes. She has one daughter, Annie Hughes, of New Mexico, three grandchildren, one great-grandchild; and two great-great-grandchildren.

"I am not worthy of the many blessings the Lord has given me during my lifetime," she said Wednesday. She doesn't count the blessing she has been to countless people who call themselves her friends.

Haskell Rodeo to Open Tonight

First performance of the fifth annual Rice Springs Roundup and Horse Show will begin at 8 o'clock tonight (Thursday) in the Rice Springs Roundup arena at Haskell. A parade at 4:30 this afternoon was to kick-off the three-night affair.

Amateur cowboys and cowgirls will compete for more than \$2,000, including added jackpot purses in some events. The calf ropers will be competing for \$1,000 in two events, plus a custom made saddle for the champion roper.

The first event in the horse show will be the judging Friday of the Quarter Horses in the show that is sanctioned by the American Quarter Horse Assn. Fred Albright of Paducah will judge the Quarter Horses. Trophies will be awarded top winners.

The second horse show event will be the judging of the Shetland ponies Saturday. Gene Stovall of Era, Cooke County, will judge the miniature horses. The Shetland Show is expected to draw unusual attention since it is one of the few such shows in the area.

C. W. F. Meets With Mrs. Frizzell

The Christian Woman's Fellowship met Monday afternoon of last week in the home of Mrs. T. P. Frizzell, Jr.

The minister, John Waddell, gave the Bible study. The devotional was presented by Mrs. John Atterbury.

Mrs. Samuel Woodward was hostess to CWF Monday, May 5. Present were Mmes. T. P. Frizzell, Sr., T. P. Frizzell, Jr., C. L. Burt, Joe Reeder, Jr., Cave Wann, Paul Mackey, John Waddell, Atterbury, and the minister, who again gave the study.

DAIRY PRODUCTS TEAM BACK FROM CONTEST

The Dairy Products team of the local Future Farmers chapter returned Saturday afternoon from Texas A & M where they entered a contest.

The team is composed of Horace Wheeler, Sammy Bolin, Lyndol Cypert, and Jerald Cypert as alternate. They left Friday morning.

L. E. Groves is chapter adviser. They were accompanied by J. T. Cypert. Results of the contest will not be known until later.

Mrs. E. P. Wright Dies at Hale Center

Funeral services for Mrs. E. P. Wright, 65, of Hale Center were to be held today (Thursday) at 2 p. m. at the First Methodist Church in Hale Center.

Mrs. Wright, sister of Misses Clifford and Blanche Elliott of Knox City, died in a Hale Center hospital at noon Tuesday following a long illness.

She and her family lived in O'Brien before moving to Hale Center in 1943. Her husband died in 1951.

A son, Bill, and another sister, Mrs. Melvin Strickland, live in Munday. Other survivors are a daughter, Miss Laverne Wright of Hale Center; two sons, Lloyd of Dallas and Willard of Arlington; three brothers, John H. Elliott of Lubbock, Howard Elliott of Muleshoe, and Chester Elliott of Austin; and three sisters, Mrs. Barney Horton of San Benito, Mrs. L. A. Proctor of San Angelo, and Mrs. G. H. Harris of Pampa.

Mr. and Mrs. Jim Stephens and Jimmie Lou of Lubbock spent the week end here with her parents, Mr. and Mrs. C. W. Garrison. Another daughter, Mrs. Laura Faubion, who recently returned to Lubbock from Bakersfield, Calif. is expected in today.

Mr. and Mrs. Newman Bishop moved into their new home last week. The house is located just east of the Rufus White home on E. 7th St.

1946 Study Club Installs New Officers

Mrs. Paul Hoge was installed as new president of the 1946 Study Club Tuesday afternoon at the club's closing tea, with Mrs. E. F. Branton serving as installing officer.

The impressive ceremony centered around a wheel, made of orchid and white ribbon on a lace covered table, with white candles in crystal candelabra marking the spokes and hub of the wheel. As each officer was installed the retiring officer lit two candles and presented one of them to the incoming officer. The ceremony was closed with all club members standing in a circle or "wheel of progress" and singing "Auld Lang Syne."

Members presented Mrs. Branton a gift for her assistance to the club.

Members were served coffee, sandwiches and cookies as they arrived by the hostesses, Mmes. Hoge, Neil Perdue and Sammy Woodward. An arrangement of orchid and white iris was used in decorating, and orchid napkins with the name of the club printed in silver were also used. Mrs. Perdue, retiring president welcomed the new members and was assisted by Mrs. Hoge in a short initiation service.

Other new officers include Mmes. Charles Clarke, first vice-president; Billy Johnston, second vice-president; Milton Bradberry, corresponding secretary; Joe M. Clonts, secretary and treasurer; and George Wall, parliamentarian.

Mrs. Hoge appointed Mrs. Jim Ross, historian, and Mrs. Clyde Williams, reporter. She also appointed a program committee consisting of Mmes. Clarke, Sammy Tankersley, Clonts and Perdue. A new finance committee appointed included Mmes. Johnston, W. J. Roddy, Bradberry and Woodward.

Mrs. Tankersley played music during the afternoon. A gift was presented to the retiring president.

Truscott Co-Op Hosts Barbecue

Three hundred members and guests of the Truscott Farmers Co-Op Elevator Assn. enjoyed a delicious barbecue dinner in the immense warehouse at the elevator last Saturday.

The dinner was served by Underwood Catering Service of Wichita Falls.

A meeting of the board of directors of the association was called immediately following the dinner.

Prospects for a bumper wheat crop were never better and farmers in the community are preparing for an abundant harvest. L. D. Hickman, elevator manager said.

Mr. and Mrs. Frank McAuley, Sr., Frank McAuley, Jr., and Mrs. Annie Dowling were in Wichita Falls Wednesday for the elder Mr. McAuley to receive a medical check-up.

Mowing Important in Caring for Lawns, Specialist Advises

Constant care and attention are necessary for the maintenance of a beautiful lawn. One of the basic factors involved, says E. M. Trew, extension pasture specialist, is mowing.

Improper mowing is responsible for the deterioration of many lawns. Mowing too close encourages the thinning of the turf and shallow rooting, resulting in lower resistance to drought, diseases and invasion by weeds. Setting the mower too high results in many of the same problems, says Trew. Excessive soil drying and baking and heat damage to the lawn grass during the summer also result from too close mowing.

The leaves of the lawn grass not only produce the green color, but also manufacture the food required for the entire plant. When too much of the leaves are clipped, the entire plant suffers, points out the specialist. No more than a half-inch of the leaf tip should be removed at any one mowing.

Creeping types of grasses can

withstand closer mowing than bunch types. Bermuda grass and a half inch, buffalo and zoysia half.

Many lawn enthusiasts build up stems eventually leads to thinning. The mowing must penetrate to soil, and it increases hazard.
