NUMBER 11

Since we have no weather server any more we are in the market for one to report Knox City weather. In the last three snows we received five, nine and six inches of snow here in town and most Knox City residents have thought they had more than 20 inches on their front porches and driveways the past two weeks.

Whether or otherwise, we have had a lot of friends in the hospital and spent practically all Monday afternoon visiting and asking about some of our nicest women friends in the county.

Had a long talk with Mrs. Otto Lawson, Mrs. G. H. Hudson, Mrs. Lloyd Waldrip, and Mrs. Floyd Bailey.

Our prayers are with all of you, to hurry and get well. By the time you read this, maybe the weather will be back to normal and so will the health of most of our sick citizens.

We can't recall at any time the large number of people who are sick and indisposed in one way and another, but letters, cards and visits, do make one feel much better if their health and the doctor allows a personal visit.

We will never forget what a hard time we had with Mrs. Lawson (Leota) long time ago, when she persisted in calling us "Mr. Hill," instead of Jim, Jimmy or James, and we told her one day we would make a bargain—if she called us Jim we would just call her Mrs. Lawson. As usual we were the first to break our promise, for we have always complimented her by her nice name of "Leota."

Nell Hudson will always have a special place in our heart for the times she has agreed with us on some of our "nuttier" ideas... and she and G. H. are hard to beat when it comes to someone to be at your back or side in case of trouble.

Alene Waldrip has always been a friend and a woman we have a lot of respect for—not only in her profession, but as a mother and wife. We are glad she is recovering so readily from her major surgery. An ulcer perforated on her and she had a very tough time getting things worked out in her favor. We have spent some time a few times in the past few years talking about our favorite subject—kids—and their education.

Mrs. Bailey is one of our specials too, for she has all the attributes of one of the finest women we've ever known and although as busy as a bee, always has ample time for all the church work needed, and is one of our foremost authorities on children with whom she works constantly.

We have a special spot in our thoughts and hearts for Bess Smith, for she and her husband Lee have been hosts to the Hill family hundreds of times in the past few years, and our hearts are heavy with pity in that she has been sick so long. Poor Bess was in critical condition Monday and passed away Tuesday afternoon.

She was a wonderful lady and her many friends will miss the many pleasures and wholesome goodness she spread all around her. Other people's distress and bad health weighed heavily with Bess, and one never heard her ever complain about her own illness.

We don't know Mrs. Ford Waldrip, personally, but know many wonderful things about her and her husband, and we want to wish them the very best—for they certainly deserve it—and another old friend who is indisposed—Mrs. O. W. Causey—is feeling much better and we are looking forward to seeing her at "M" System in short order. She is another one of our favorites and we have spent many hours hashing the world situation over and other timely topics while we were both busy working—or should have been! Another kind and talented lady—Mrs. B. B. Campbell Sr., is doing very well we were told and we are looking forward to seeing her "on the job" and well once more.

Hope all of you in the hospital—men, women and children, get well and return to your homes in short order.

FIRST CUSTOMER or PURCHASER — of the Chamber of Commerce Banquet tickets will go to Mayor Buddy Angle as Mrs. Doris Crownover gives him a pleasing smile for purchasing the tickets so early. The banquet will be held on Thursday, February 24, at the school cafeteria at 7:30 p.m. Members are working hard to make the affair a memorable and worthwhile occasion for all Knox City boosters. Mrs. Crownover has more tickets!

Soil Conservation Definitely Pays Off According To The Baker Family ---

Kenneth H. Baker who operates a 2,000 acre livestock farm with his father, C. P. Baker, of Munday has proven he believes in applying conservation on the land. He does not hesitate to recommend a conservation program to neighbors and friends and is in the process of completing a long range conservation program on the Baker farm.

According to Lonnie D. Offutt, secretary of the Wichita Brazos Soil and Water Conservation Board of Supervisors, the job the Bakers are doing has warranted a nomination for Kenneth as the "Outstanding Conservation Farmer" for 1965 in the Wichita Brazos District.

The Bakers stated technical help and cost sharing from the USDA's Soil Conservation Service will enable them to carry out a long range conservation program worked out with the Wichita Brazos District.

The Baker's four year contract under the Great Plains

Conservation Program is a complete soil, water and plant conservation plan. It is to improve livestock feed supplies and reduce soil erosion.

According to Arche Lieb, work unit conservationist, with the SCS at Knox City, the contract provides for use of five soil protecting, moisture-conserving practices to be applied within the four years, along with conservation management which includes proper use of grassland, and residue management on cropland.

The Bakers plan, based on a survey of the farms soil resources, provides for converting about 15 acres of lower grade cropland to permanent grass. About 15 acres will be developed as grassed waterways.

To the Bakers and other farmers and ranchers who are carrying out complete conservation plans on their land the supervisors of the Wichita Brazos Soil and Water Conservation District offer their congratulations.

They share their satisfying feeling of security in knowing they are doing their part in building our community, our state and our nation by preserving to natural resources God has given us to work with, the soil, plants and water.

Alana Williams Receives Coveted Band Honors

Alana Williams, Rochester, was selected for the All State Band in try-outs at Grand Prairie, Saturday. This contest is sponsored by the Texas Music Education Association and to be eligible for the try-outs the student has to be chosen for the All Region Band.

Saturday try-outs picked eight members to play alto clarinets. Alana was the only alto clarinet selected in the Abilene, Dallas and Wichita Falls region.

Miss Williams is a junior in Rochester High School and has been a member of the Rochester Band for six years. She has served the band as Majorette for the last two years and was Junior High Majorette for two years previous to high school.

She was a member of the all District Band in 1963-64, Regional Winner in 1964-65 and will participate in the all State Band Concert which will be held in Dallas, Feb. 10, 11, and 12.

She was elected as band manager in 1964-65 and is serving the band as secretary for the 1965-66 school term, was freshman favorite, football sweetheart, and one of the finalists in the Haskell County "HeyDay" beauty contest in 1965.

She has been invited and has participated in the TWU all Women's Band concert in Denton for two years. This band is selected at TWU during concert season for High School students who are very active in band.

Other activities have included being a member of the stage band, the regional "Make It With Wool" contest in Lubbock, highest ranking student in her class for 1965, has been an officer of the Rochester FHA for two years and at this time is working on her State Degree in FHA.

She serves the Baptist Church in Rochester as full time pianist, also plays the organ, alto saxophone, B-flat clarinet as well as the alto clarinet.

This lovely and most talented young lady is the 16 year old daughter of Mr. and Mrs. Herman Williams, and her band director is David Venable. This is the first year that Rochester has had a member of the Steer Band to make the All State Band, the Herald was informed.

Mrs. Mangis Returns To Knox City

Oscar Mangis was in Weatherford on Tuesday of this week to move his mother, Mrs. Mary Mangis, back to KC. Mrs. Mangis has purchased the house on the corner of East Third and Austin Streets.

Mrs. Lee Smith Dies Tuesday; Services Today

Mrs. Lee (Bess) Smith, 64, died at 2:30 p.m. Tuesday, Feb. 1, at the Knox County Hospital, following an illness of 21 months.

Funeral will be held Thursday (today) Feb. 3, at 2 p.m. in the First Methodist Church with the Rev. Jarrell Sharp of Big Spring, former pastor, officiating, assisted by the Rev. Lee Roy Baker, pastor, and Leonard Waggoner, Church of Christ minister of Cleburne.

Burial will be in the Knox City Cemetery with Smith Funeral Home in charge.

Born Bess Christine Keny on August 12, 1901, in Merkel, she moved with her family to Knox City in 1919. She was graduated from Knox City High School in 1920, and attended Clarendon College, Clarendon, for two years.

She taught in the local schools for two years, and married Lee Smith on April 2, 1924.

Mr. and Mrs. Smith owned and operated the Texas Theatre in Knox City for a number of years until 1946 at which time they purchased and moved to their ranch west of town.

Mrs. Smith was a member of the First Methodist Church, and she was interested and active in all civic affairs, having been a member of the P. T. A., when it was active, and an interest-worker and member of the Knox City Garden Club.

She is survived by her husband and her mother, Mrs. S. P. Keny, both of Knox City.

Palbearers will be Walter Thomas, Max Bradley, Ansel Waldrip, Neal Logan, Vernon Bridges, Henry Jean Jones, B. B. Hendrix and Willard Emerson.

The family requests that remembrances might be made in the form of contributions to the West Texas Rehabilitation Center, Abilene, or to the American Cancer Society.

Cards for this purpose are available at the Funeral Home.

Former Residents Return To KC

Mr. and Mrs. Tommie Reynolds and children have moved back to Knox City.

Tommie is employed with the West Texas Utilities Co. They moved from here to Matador, then to Crowell, and back to Knox City.

Nice to have you home again, Reynolds!

New Residents

Mr. and Mrs. E. L. Faulk and three children are new residents of Knox City, moving here from Anson. The children are Martha 16, Jim 14, and Roy 5.

Mr. Faulk is associated with Humble, and the family is residing on East 8th Street.

McKinneys Move Here From Olney

Mr. and Mrs. L. W. McKinney and three children moved here last month from Olney. Their children are Mike, a sophomore, Connie, an eighth grader, and Jody, a seventh grade student.

They are now living in the house formerly owned by John Estinger on East 8th Street.

Mr. McKinney is a pumper for L. T. Burns Estae.

Knox City welcomes you folk, and we hope to keep you a long time!

VISIT IN BUCKLEY HOME

Mr. and Mrs. Bryan Buckley of Madill, Oklahoma, visited overnight last Friday with Mr. and Mrs. Vernon Buckley. On Saturday, both couples braved the icy roads to Abilene to visit with the Vernon Buckley's son and family, Mr. and Mrs. Richard Buckley and children, and their daughter, Mrs. Harvey Reynolds, Mr. Reynolds, and Danny.

Postmaster Jeff Graham Speaks To '46 Study Club On Various PO Aspects

Postmaster Jeff Graham spoke to members of the 1946 Study Club on various aspects of the Post Office Department Tuesday at the Womens club. He was introduced by Mrs. George Wall.

Mr. Graham said that more mail was handled by his department in the United States than in any country in the world and that the mail was handled with greater dispatch.

He explained the importance of the ZIP code and its use by the department and the citizens of this country. He said that use of it had greatly improved the postal service.

He encouraged the audience to voice complaints to the post office department when they had reason to think service was not as good as it should be. Mr. Graham explained that the only way he and other postmasters could further improve service was by their knowing where mistakes were being made.

A short business meeting was

held following the program. Mrs. John L. Grindstaff Jr., chairman of the Mothers' March of Dimes, reported that \$358.92 was collected during the drive Monday night.

Coffee and cookies were served to the members as they arrived. An arrangement of roses was also used on the piano. Hostesses were Mmes. Paul Hoge, Jerry Guinn and Clyde Williams.

Next meeting of the club will be the Valentine supper to be held at 7 p.m. Feb. 14 at the high school. It will be served by the girls of the Homemaking Department.

W. W. Trainham Announces For Co. Commissioner

W. W. (Walter) Trainham, candidate for County Commissioner of Precinct No. 2, has been a resident of Knox County all his life, and served ten years as commissioner of Precinct 2, from 1952 until 1962.

After placing his name on the Democratic ballot for the primaries, Trainham said he had served his county and precinct to the best of his ability and that during his absence, he has studied and talked to the people of his area to great lengths, and felt he could serve them better than ever.

"I sincerely and honestly believe I am competent and qualified to serve the people as County Commissioner," he said this week, "and if they will honor me again with making me their commissioner, I will do everything I can to serve them efficiently and honestly."

Trainham said he believed the office one of the most important in the county and that the commissioners were responsible for all monies spent and that he thought he could save the taxpayers more than they have been saved in the past.

"Saving money is becoming more and more important each year, now that we have less and less," he said.

Mr. Trainham said he would make a special effort to see and talk to everyone in his district before election and that he would do all in his power to give his people the administration they deserve and desire if elected Commissioner of Precinct 2.

POLL TAX SALES UNDER PAR HERE

According to John A. Smith, tax assessor-collector for Knox County, poll tax sales should be approximately 1350 for this year. As any mail dated before the deadline may be counted, a definite count was not available at press time. However, Mr. Smith said that this total was about 150 above last year's total, but it was about 150 below that two years ago.

City Secretary John Robinson sold 110 poll tax receipts at the City Hall with 60 being sold Monday.

Junior High Teams Split Games With Munday

Last Thursday night at Munday, our Junior High teams continued district play with a win and a loss.

The girls won their game 51-15, with Brenda Vassar high-point for Knox City.

The boys lost to Munday 31-64.

Pačuch will play the Junior High teams here on Monday, Feb. 7.

WORK MUST GO ON! — Chief of Police Bill Stone is preparing to get in his patrol car and make a few blocks last Friday when the snow was falling in sheets. Later in the day five inches of snow blanketed the Knox City streets.

FRESHMAN CLASS NEWS
By MARGARET HOWELL
Well, as far as school goes we're about snowed under. Friday, the Section 1 Home-making Class had a meeting. The program was on "Citizenship at Home, School, and in the Community."

Becky Howell talked to the girls on degrees of Homemaking and refreshments were served afterwards.

Some of our boys went to the Fort Worth Stock Show. The following boys went and their animal placements are: David Speck, fifth; Marvin Fienicker fifth; Randy Hise, fourth and sixth; Johnny Carver, sixth and Floyd Baker tenth.

The H. P. A. A. had a meeting Friday. That's about all the news. So long, folks.

The SOPHOMORES DO EXIST!
By PAM WALDRIP

The Sophomores gave a going away party for one of our students, Frances Rushing, last Thursday night at Cathy Richardson's house. Food was served, games were played and a gift from the class was presented to Frances. Frances has been with us for nine and a half years now, and we hate to lose her. She will always be remembered as a very quiet, yet a very good student.

Mickey Logan, Charles Escobar, Gary Wheeler, Paul Graham, and Johnny Bradberry attended the Fat Stock Show in Fort Worth.

See ya next week!

JUNIOR CLASS NEWS
By MIKE GLENN

Snow again! Yes, it is getting a regular Friday morning affair to wake up with more snow on the ground. As we said last week — the Juniors are just about to get tired of it!

We are fast approaching mid-six weeks, and for us Juniors that can mean only one thing—another chemistry test. We were politely informed last week that this test will come on Wednesday. It will be mainly concerned with the laws which govern the behavior of grasses! Sounds

ka. Mrs. Jackson accompanied them to Wichita Falls to attend the wedding of her other grandson Darr Jackson Jr. He was married to Miss Sandra Kay Wright in Wichita Falls Saturday night. She also attended the reception in the home of the groom's other grandmother, Mrs. Joseph Long.

like fun, doesn't it? We can hardly wait!

Several of the Junior girls made ice cream last Friday in Homemaking class. They reported that it was very good, but someone got a little dirt mixed in!

The Junior Class wishes to commend both the boys' and girls' basketball teams for the fine performance they gave at Monday last Saturday night.

The scores didn't quite please us, but we certainly appreciate your fine efforts in representing our high school. Keep up the good work!

Old-fangled star-spangled savings scheme

There's nothing new about U.S. Savings Bonds. Millions of Americans have built their savings plans around them for years. And that's the beauty of it. Bonds are a proven way to save—and they carry a guaranteed rate of interest. You'll get back \$4 for every \$3 you invest when your Bonds are held to maturity. Just the tax angle alone is pretty enticing. You pay no state or local income tax on E Bond interest—and you can defer federal tax until you cash your Bonds. What's more, your Bonds convert easily into cash when you need it. There's nothing old-fashioned about the way your Bonds go to work for your country. Every penny invested helps to keep America strong and promote the cause of freedom. Make U.S. Savings Bonds a regular part of your family's savings scheme. It's the old-fangled, star-spangled way to insure your future.

Still more new cars and diesels, too, for Santa Fe.

Our \$145-million improvement program for 1966 includes 60 high-horsepower diesels and 5,000 freight cars. That brings our investment—in just 4 years—to more than \$360-million for 18,000 modern cars and diesels. All to serve still better our busy Santa Fe Country.

Soon more than 20 per cent of Santa Fe's huge fleet will be less than four years old. But this does not tell the whole story. Many new cars are longer; others have capacities multiplied 2½ times; many haul double the tonnage of cars they replace.

Our fleet of giant 100-ton covered hopper cars for grain, and other bulk commodities is being expanded. Soon 5,600 of them will be in service—with the carrying capacity of 11,000 conventional box cars! Half of Santa Fe's diesel freight

power is in new high-horsepower units—and more keep coming to move our trains on fast, dependable schedules.

How can we help you? Just call your local Santa Fe Agent.

Truscott News

By MRS. H. A. SMITH

We—as same as you—are still clothed with a beautiful blanket of white snow. The farmers and some stock men are not so happy about it as they're having to move their cattle and most of them are sending to market.

Mrs. Harold Barry and daughter Sue have gone to Boca Raton, Fla., to be with the husband and father, who is playing polo there.

Theo Duncan of Foard City was buried in Truscott Cemetery Sunday afternoon.

Paul Templeton of Friona visited the Ray Glasscocks Sunday.

Mrs. L. A. Haynie and Miss Oma Faulkner were Knox City and Munday visitors Thursday.

Curtis Casey and aunt, Mrs. J. R. Spivey, attended the Joe English funeral in Glen Rose Wednesday.

Carroll Chowning of Odessa spent the week end here with home-folks.

Mrs. Wm. Rake was dismissed from Foard County Hospital Friday.

Our commissioner and helpers are kept very busy these days and part of the night—pulling people out of drifts of snow and also moving the drifts, and are doing a good job keeping the school bus routes to country cleared and all pupils and teachers to Benjamin, Knox City and Crowell are doing their daily routine of work and play.

MISS HANKINS BRIDE OF ROBERT MASCENIK

The marriage of Miss Fredey Hankins, daughter of Rev. and Mrs. Fred Hankins, Truscott and Robert Mascenik, son of Mr. and Mrs. Michael Mascenik, Roselle,

THE KNOX COUNTY HERALD

Published each Thursday at Knox City, Texas 79529, and entered in the post office at Knox City, Texas 79529 as second class matter Sept. 5, 1946, under act of March 3, 1879.

N. J. was solemnized Saturday, January 29, at 2 p.m. in the Baptist Church at Truscott.

Rev. Fred Hankins, father of the bride, and pastor of the church, officiated at the double ring ceremony.

White gladiolas and white carnations were used for decorations.

The ceremony was performed before an arch decorated with white carnations and topped with a line of white candles.

Candle-lighters were Charles Dodd and Randy Tapp. Two candelabra containing white gladiola completed the arch.

Music for the wedding was furnished by the church organist, Miss Sandra Chowning, and soloist was Miss Martha Harmonson of Wayland College, Plainview, and niece of the bride.

She was given in marriage by her uncle, Troy Hankins, Plainview.

The bride wore a floor-length formal gown of white bridal satin, with long sleeves ending in petal points over her wrists. Her white elbow-length veil was attached atop a pearl tear-drop crown. Her jewelry was a single string of pearls and she carried a bouquet of white carnations atop a white Bible.

Maid of honor was Miss Sherry Murphy of Baytown.

Best man was Hardin Kimberley, ministerial student at HSU in Abilene.

A reception was held in the basement of the church following the ceremony.

Miss Margaret Corder registered guests.

Out-of-town relatives attending were Mr. and Mrs. Troy

Hankins, Plainview, and Miss Martha Harmonson, Wayland College, Plainview.

Out-of-town friends attending were H. A. Stevens, Slaton and mother, Mrs. Cordia Dixon, of Matador, Mr. and Mrs. Cone Doris, Portales, N. M., and Miss Barbara Staff, HSU, Abilene.

The couple will reside in Abilene, as he is in the Air Force Service there.

Vets & Dependents To Receive Special Questionnaire

Veterans and dependents of veterans on Veterans Administration's compensation and pension rolls who have school age children will receive a special questionnaire with their February checks, Jack Coker, manager of the Waco Regional office said today.

He said the checks and questionnaires would arrive about Feb. 1, 1966.

Need for the information asked by the questionnaire follows a recent law providing higher rates of educational payments for school children and at the same time raised the maximum age limit from 21 to 23.

The questionnaire also asks for the payee's zip code number in keeping with current postal regulations in order to speed up the delivery of both checks and correspondence.

A space is also provided for

KC Schools Get \$11,139 in Aid

Knox City School has received \$11,139 in Federal Aid, making possible an educational opportunity program in Knox City, it was announced by Supt. E. A. Youngblood this week.

Funds were allocated to the schools based on the 1960 Federal Census listing the number of children, 5-17 years of age, whose annual family income was less than \$2,000.

Of 459 of the children in Knox County, 58 were in the Knox City School District.

Application was made to the Texas Education Agency to use these funds for a reading improvement program and the purchase of audio-visual aids for the elementary school. This program is part of the Title I program of the Elementary and Secondary Education Act of 1965 and is designed to meet the needs of the educationally deprived children.

Mrs. Gretchen Colehour is in charge of the reading program.

Streams In Desert Places

Ozelle Stephens

For great happiness, peace of mind and prosperity, man must obey the laws of God.

When we make a thousand dollars, one hundred belongs to God's kingdom work according to the Word.

When we break the Sabbath Day, we grieve the heart of God. We hurt ourselves more than anything else for we break ourselves upon the stones of His commands. When He gave the commands, He said, "Today I set before you a Blessing and a Curse; a blessing if you obey and a curse if you do not."

Every Christian should memorize Psalm 19:7-8-9, and use as a daily guide to stay in the will of God. Dwell in the secret place of the most High so you may abide under the shadow of the Almighty where Streams of truth prosper your soul.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — Gov. John Connally is going along with forecasts that a "substantial amount" of new government spending in the next fiscal period is "almost inevitable."

However, Connally declined to join in predicting specific new taxes. He called such forecasts "premature", although the committee on State and Local Tax Policy earlier had indicated it agrees with the predictors.

"It's almost inevitable that we are going to be looking at increased expenditures in a substantial amount," Connally told a press conference. "But I don't want to try to estimate the magnitude of a tax program, if any, or the expenditures."

Meanwhile the tax policy committee held its first meeting, ordered Texas Research League studies on impact of sales tax adjustment and an unusual appraisal of how to equalize the widely-varying state property tax.

Rep. Ben Atwell of Dallas, committee chairman, reported that all members of the panel seemed to feel that more revenue will be necessary when the Legislature writes the new budget for Texas government operations next year.

Atwell said the committee will be taking a reading on revenue which could be obtained from raising the sales tax rate (now two per cent) and removing various exemptions.

These exemptions apply to food, drugs, farm machinery, alcoholic beverages, industrial and agricultural fuel and power. Atwell doubts that the legislature will tamper with the food, medicine and farm implements. He expressed a personal preference for a rate hike if new

money is mandatory.

Committee also is going to study the likely effect of income taxation and corporation tax formula adjustments.

As a possible method of equalizing the property tax, the committee will evaluate results of assigning each county its equitable share of the ad valorem loan on the basis of estimated fair market values. Voters would have to approve such a procedure by Constitutional amendment.

Citizens of some counties now are paying seven times as much tax on property with the same value as do citizens of other counties.

LEGAL SERVICES — Harold Jones of Wichita Falls is chairman of the newly chartered Texas Bar Foundation to raise funds for expansion of the State Bar's program of legal services to the poor.

Philip Brin of Longview is vice chairman and Associate Justice T. Gilbert Sharpe, of Brownsville, 13th Court of Civil Appeals, is secretary.

DRAFT RULES TIGHTENED — Young Texans served draft orders no longer can get them cancelled by joining reserve or national guard units. Col. Morris Schwartz, State Selective Service director, announces.

A man still can enlist in regular active-duty forces after receiving his draft orders — if he can be signed up before induction date, Schwartz said.

New policy reached Texas draft boards from National Selective Service Headquarters where it was adopted on recommendation of the Assistant Secretary of Defense for manpower.

COURTS SPEAK — Third Court of Civil Appeals here upheld the State Banking Board

in granting a charter to Northline State Bank of Houston, thus revising the decision of District Judge Tom Reavley of Austin. Airline National Bank of Houston brought suit claiming there was no public necessity for a new bank.

State Supreme Court declined to give special consideration to adequacy of legal services rendered a Robstown couple by the Nueces County legal aid office in a suit where they stand to lose their home.

Court of Criminal Appeals sustained the death sentence conviction of Walter Lee Sirois in the rape of a Houston woman.

CONNALLY TO SOUTH AMERICA — Gov. Connally is considering a week's tour of major South American countries starting February 21 to drum up participation in San Antonio's 1968 HemisFair.

He said he hopes to visit presidents of Venezuela, Brazil and Argentina—and perhaps Chile and Peru — and ask their cooperation in staging MemisFair exhibits. Connally doubles as commissioner general of the "Fair of the Americas."

"We are running out of time," Connally told a press conference. "The fair is scheduled to open in April of 1968. Exhibits must be built in a little over two years. Once the line is broken, I think they (all the major South American countries) will come in."

TOURIST SEMINARS SET — Texas businesses will get tips on how they can get a bigger share of \$30,000,000,000-a-year U. S. vacation market in series of tourist seminars scheduled for 20 Texas communities March 7-May 13.

University of Texas Department of Distributive Education and Texas Tourist Development Agency will co-sponsor the meetings in places yet to be selected.

Clinics are mainly designed for groups which have direct contact with tourists including police, hotel, service station personnel. Interested communities and groups should correspond with Texas Tourist Development Agency here.

OIL AND GAS ARGUMENTS — Oil and gas operators in 15 West Texas counties have been given a chance to show why they shouldn't be ordered to stop using open unlined surface pits for salt water disposal.

Texas Railroad Commission set Feb. 24 for hearings on fields in Young and Archer counties.

A March 10 hearing has been set on fields in Hemphill, Swisher, Andrews, Martin, Bailey, Hale, Cochran, Dawson, Gaines, Hockley, Lynn, Terry and Yoakum Counties.

Hearings are a part of the commission's activity in the water pollution control field. Chairman Ben Ramsey says such hearings now are consuming 40 per cent of the time of the commission's field inspectors.

WATER RIGHTS MAY BE CANCELLED — At a March 15 meeting in Austin, the Texas Water Rights Commission proposes to cancel water rights for all who fail to exercise them by that date. Only five rights are scheduled to be heard at this time.

This is the first of more than 200 hearings expected to be held in 1966 as the state moves to erase "paper rights" to use stream water. Then the state will be able to show how much water really is available for future use in Texas rivers.

POLICE REPORT IS COMPLETE — Out of almost 300 police agencies employing 8,000 officers, less than half have established formalized minimum requirements for equipment. So states the Texas Commission on Law Enforcement Officer Standards and Education.

In addition, less than a fourth of the agencies require any sort of formal training before officer assignment.

SOME WIN, SOME LOSE — Some Texas cities have been adversely affected by the recent closing and reduction of 126 military bases in the nation. But this may turn out to benefit other communities in need of airport equipment.

INTEREST EARNINGS UP — Texas state government now has \$228,800,000 in time account deposits.

State Treasurer Jesse James estimated the money will earn \$9,100,000 this year at four per cent interest.

James said the interest will average at \$762,832 a month, or more than \$25,000 a day. Total exceeds that of recent years.

SHORT SNORTS — U. S. Development Administration has opened a nine state regional office here. Two district judges have power to appoint and remove Bexar County grand jury bailiffs, but county commissioners set their pay and car allowances. Atty. Gen. Waggoner Carr said in an official opinion.

A \$34,051 federal grant for Head Start program in Brownwood Independent School District has been approved by Gov. Connally to aid 120 pre-school children.

Connally has reappointed Roy L. McKinney Jr., of Denison as Interstate Compact Commissioner for the Red River.

Elton B. Evans has been named district engineer of the Texas Highway Department District 9, composed of an eight-county area around Waco. Knox City Greyhounds Fight For Berth In Western Zone District 11-A Title

Playing to a capacity crowd in Munday last Saturday night the Knox City Greyhounds lost to the Munday Moguls by one point in the last five seconds of play, 66-65. Due to an off-right for some of the Knox City boys, Munday had a lead at one time of 13 points.

However, the fighting Greyhounds made a comeback and the K.C. fans, although disappointed, were very proud of both teams. High score player for Knox City was Richard Barnard with 20 points.

Offutt of Munday also had 20 points.

The Knox City Houndettes played a very thrilling game, too. Munday managed a razor-thin 42-41 win. Twyla Standlee scored 23 points for KC while Betty Wilde sank 19.

On Tuesday night, the Greyhounds hosted the Paducah Dragons, and offered the fans another nail-biting game. Most of the game the scores were

Afternoon Bridge Club Meets With Mrs. L. M. Williams

Mrs. L. M. Williams was hostess for the Tuesday Afternoon Bridge Club in her home last Tuesday.

Refreshments of creamed chicken in pastry shells, aspic salad, cheese straws, chocolate-coconut squares, and coffee were served to the following members:

Mmes. F. E. Adams, Barney Arnold, John Atterbury, Russell Boyd, Earle Benedict, Alma Culwell, O. L. Jamison, and Tom Van Winkle.

Mrs. Van Winkle won high score, and the bingo winner was Mrs. Atterbury.

and tuck, but after a lead of 31-23 at halftime, the Greyhounds had to fight to maintain it. Final score was in our favor 53-47, with Richard Barnard making 19 for KC and Doug Gilbreath scoring 21 for Paducah.

The Knox City Houndettes led Paducah in every quarter with the exception of the 4th, when Paducah managed a 40-37 win. Wilma Fahrang was high for KC with 20 points, while Shirley Rekieta scored 20 for the Paducah team.

On Friday night Feb. 4, the KC teams will continue district play at Crowell. Knox City now holds a 3-1 record to Munday's 4-1.

Next Tuesday, Feb. 8, Knox City will play Paducah there.

Pack Meeting Held At Church Jan. 25

The five Dens of Pack 161 met in the Fellowship Hall of the First Methodist Church on Tuesday, January 25.

The program began with a group singing. Then Den 1 had a game for all the Cub Scouts to participate.

Den IV presented a skit with their Travel-Go-Go.

Den V closed by giving the Cub Scout promise.

Tony Land drew the lucky ticket, for the Trip Around the World.

Randy Egenbacher, who is a member of Den 3, was chosen Boy of the Month for having the best exhibit on Travel, which was the theme of the month.

Awards of Round-up badges were presented to Roland Marlon, Bruce Railsback, David McGaughey and Johnny McCowan.

Beginning July 1, 1966, nearly all Americans 65 and over will become eligible for Hospital Insurance and Voluntary Medical Insurance. Those persons who are now drawing Social Security or Railroad Retirement benefits will be automatically enrolled in the Hospital Insurance. However, everyone over 65 must reach a decision and sign up for the program to be enrolled in the optional medical insurance.

To be covered as early as possible which is July 1, 1966, persons who were 65 or over on Dec. 31, 1965, must be enrolled by March 31, 1966.

Anyone reading this who is unable to leave their home to contact a Social Security Representative can mail me a letter to Box 167, Benjamin and I will see that arrangements are made for him to call at your home.

The Hospital Insurance or basic plan, covers certain hospital and related costs for nearly all people 65 or older. There are four types of coverages:

HOSPITALIZATION (Inpatient). Hospital services are covered for up to 90 days in an illness. During the first 60 days of hospital care, the patient will pay the first \$40, the program will pay the rest. During the remaining 30 days the patient will pay \$10 of the cost each day and the program the rest. Payment for inpatient psychiatric hospital care has a 190-day lifetime limit.

POSTHOSPITAL EXTENDED CARE. This part of the program which begins January 1, 1967, pays for up to 100 days of care in a "spell" of illness. The program pays for the first 20 days of care (in a facility such as a qualified nursing home) following a 3-day or longer stay in a hospital. If more than 20 days of care are needed during the illness, the patient will pay \$5 per day for up to 80 days.

OUTPATIENT HOSPITAL DIAGNOSTIC SERVICES. The patient pays the first \$20 during a 20-day period. The program pays 80 per cent of the costs above that.

POST-HOSPITAL HEALTH CARE AT HOME. The program will pay the bills for up to 100 health-care visits to the patient home for a year following discharge from a hospital or extended-care facility after a stay of 3 or more days.

The voluntary medical insurance plan provides for doctors' services and other medical and health needs for persons 65 or older. These benefits supplement the basic plan. Individuals who enroll will pay a premium of \$3 per month which can be deducted from their monthly social security benefits.

The government will match this.

Under the plan, the first \$50 of annual costs of medical and health services will be paid by the patient. The plan then will cover 80 per cent of his bill for the rest of the year. The following benefits are included: Physicians' and surgeons' services in a hospital, clinic, office or at home or elsewhere.

Treatment of mental, psychoneurotic, and personality disorders outside a hospital. (This will be limited to \$250, or 50 per cent of an individual's an-

Retail Merchants Office Moves

Mrs. Betty Darter, manager of the local Retail Merchants Association, advised the Herald this week that the office has been moved from 110 East 4th Street to 101 West Main.

The office has been newly installed at the rear of Bob's Super Save.

Home health services for up to 100 visits each year.

Additional medical and health services, either in or out of a medical institution. Diagnostic tests (such as X-rays, laboratory tests, and electrocardiograms); therapy (X-rays, radium, and radioactive isotope); limited ambulance services; surgical dressings; rental of medical equipment (such as iron lungs), prosthetic devices, (except dental) which replace or partly replace an internal organ; and braces and artificial legs and the like.

Total insect suppression and the new low volume insecticide application techniques are some of the main discussion features of Texas A&M University's 15th annual Agricultural Aviation Conference and Pest Control Short Course Feb. 21-22.

Dr. E. F. Knipling, director of the U. S. Department of Agriculture Entomology Research division at Beltsville, Md., will talk on insect suppression through such methods as chemical sterilants and sex attractants.

Knipling is one of the principal developers of the successful screwworm eradication systems used in Florida and Texas. His conference discussion is at 9:30 a.m. the first day.

The low volume insecticide session starts at 8:40 a.m. the second day with Dr. P. L. Adkinson, A&M Entomology Department, discussing fields and laboratory studies with several compounds.
