Streams In Desert Places

by Ozelle Stephens

"Even though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff, they comfort me." (Ps. 23:4)

Death is something every one is confronted with all of life. Job said, "For I know thou wilt bring me to death, and to the house appointed for all things." (Job 30:23)

Solomon said, "There is no man that hath power to retain his spirit in the day of death." But Paul said, "For me to live is Christ and to die is gain." (Phil. 1:21)

We too treasure the life Christ brought from the grave for all who believe and look forward to. We know from God's Word death is sweet and precious. When we are prepared to die, then we are ready to really live. We can say with David, "I will fear no evil; for thou art with me."

FROM TULLIA Mrs. Wynelle Roberts, Sue, Cornelia, and Amber of Tullia visited their mother and grandmother. Mrs. Ozelle Stephens, over the weekend. They also visited with the Jerry Guinns.

Visiting on Sunday were Jerry's sister and her family, Mr. and Mrs. Don Yandell and Kim of Graham.

SENIOR NEWS

by Martha Jones

Diane Clonts won third in Girls Poetry at the State level Friday. All the Seniors are proud to have a classmate like Diane.

The Jr.-Sr. banquet was exquisite, to say the least. We ate pork, fruit salad, and beans out by the swimming pool at the Country Club. The whole thing would have been better if somebody would have gotten thrown in though. The Seniors would like to thank the Juniors for their hard work.

JUNIOR CLASS NEWS

by Harvey Reynolds

The Junior Class would like to thank all of the Junior mothers and especially Mr. Glaze who helped make the Jr.-Sr. Banquet a very successful and enjoyable evening that will long be remembered.

Bo Johnson won third place in the state track meet at Austin. Bo did a very fine job in running the fastest time he has ever run. Congratulations!!!

Last week a salesman from a ring company in Fort Worth came and everyone ordered their senior rings, that is everyone that could afford them. Since the price of gold has gone up from \$86 an ounce last year to \$176 an ounce this year, some of us had to settle with Sterling silver rings.

Last Thursday was FTA Teaching Day and several juniors were involved in teaching for a day or a half a day. People who taught and the classes they taught were: Cindy Albus - 5th grade, Stacy Angle - 6th, Debbie Reese - 2nd, Gae Farmer - 5th, Temi Baker - 1st, Laura Lynn - 3rd, Vickie Berryman - Kindergarten, Carolyn Orr - 3rd, Gayle Tankersley - 2nd, Kary Kent - Mrs. King, Kent Darr - Mr. Winchester, Harvey Reynolds - Mrs. Lowrey, Cliff Ray - Mr. Dillon, Randy Lewis, Coach Lowrey, and Joey Swain - Coach Mullins. The Junior Class should know how to conduct a meeting properly by now, since we had one almost every evening last week. We had some very important business to discuss which required

is depleted, so drive by and pick up your home made product. You won't even have to get out of your car!

The annual Crowell Rotary Club luncheon at Truscott was held last Wednesday at the community center. Approximately 40 attended. Men of the Truscott community were guests of the Crowell organization. Truscott women catered the luncheon with the money going to the Truscott Community Center. Due to rain filling the ditch, the gas stove was not connected so electric appliances were used in serving the meal. For awhile, it even looked as if there would be no electricity. West Texas Utilities worked all Tuesday trying to get the big transformer in town working. (It blew out three times) However, electric service was fine Wednesday. On Thursday George McNeese and Gene Chapman began taking down all the light fixtures to rewire them after cleaning the metal parts with acid and painting them. Anyone else wanting to help is invited to come to the center any time to paint woodwork, doors, wash windows, ect.

It's finally beginning to look like spring instead of late August here. Rains Monday brought 1.5 inches of moisture; a heavy shower Wednesday brought about .4", and a rain Saturday night added about 1.7" more. Much of the wheat that is left has already started turning color, so the rains won't be much to the grains, but they should be a big help for pastures, gardens, lawns, and in putting the fields in better shape for plowing. This was the first rain here since last November.
