## Oilers Here 16 Brother, Sister Best All-round

### MAKE REAL GAME

Oil base ball team is scheduled to play the 16th. This team is in the country and boys are looking forward against them.

Oilers are a playing truly for the game. This is the motto of the fact makes the of much interest.

to see this game. houses will close and it is predicted crowd of the year when the first ball

A place of distinction never before recorded in such a manner in the Knox City school was that Friday night in the placing of the honor of being the best all-round boy and girl in the Knox City school upon Fant Lowrey and his sister Miss Wilma Lowrey.

This vote of appreciation of the life of the outstanding boy and girl made by the student body is one not to be scoffed at but is an honor rather to be cherished. Miss Wilma Lowrey has also salutariorian of her class, the valedictorian being Miss Mary McAuley.

Jeff Graham was presented the Parent-Teacher medal for having made the best averaged grade for the year and Miss Yvonne Jamison was awarded the medal for the girl in this same contest.

The graduating exercise was held last Friday night in the First Baptist church. The entire membership of the class, 12 boys and 12 girls, made their grades well and received their diplomas. Honorable George Moffett made the address for the evening which was both practical and inspiring.

A capacity crowd was in attendance.

### HENRY-UNDERWOOD

On May 29th Mr. Vern Henry announced his marriage to Miss Hattie Underwood.

Mr. Henry is the son of Mr. and Mrs. D. H. Henry who live east of this city. Mr. Henry is a fine young man and a school worker. He is principal of the Rhoda School in Stonewall. He has taught there for several years and will teach again next year.

Mrs. Henry is the daughter of Mr. and Mrs. Carl Underwood of Rochester. She is a fine young lady and is loved by every one. She is teaching at Four Corners also of Stonewall county.

Mr. and Mrs. Vern J. Henry are residing in Lubbock attending school in Tech.

### DR. EDWARDS MAKING OFFICE IMPROVEMENTS

Mr. A. B. Reese is making some fine improvements in the office of Dr. T. S. Edwards this week. Mr. Reese has completed a rearrangement of the laboratory which followed the repapering of the entire room. He is now finishing the task of revarnishing the fixtures and painting around the new rugs which he has laid. The outer room has also been repapered. When the whole job is finished it will show much improvement.

It is noticeable that Dr. Frizzell has had his office rooms improved. This work took place some three or four months back.

Little Miss Jo Nell Withrow entertained some twenty or more of her friends Monday afternoon with a party honoring her birthday. Following a variety of games which were played, by all the children, refreshments of cake and ice cream were served.

J. D. Fleming, of White Deer is visiting in the A. S. Logan home this week.

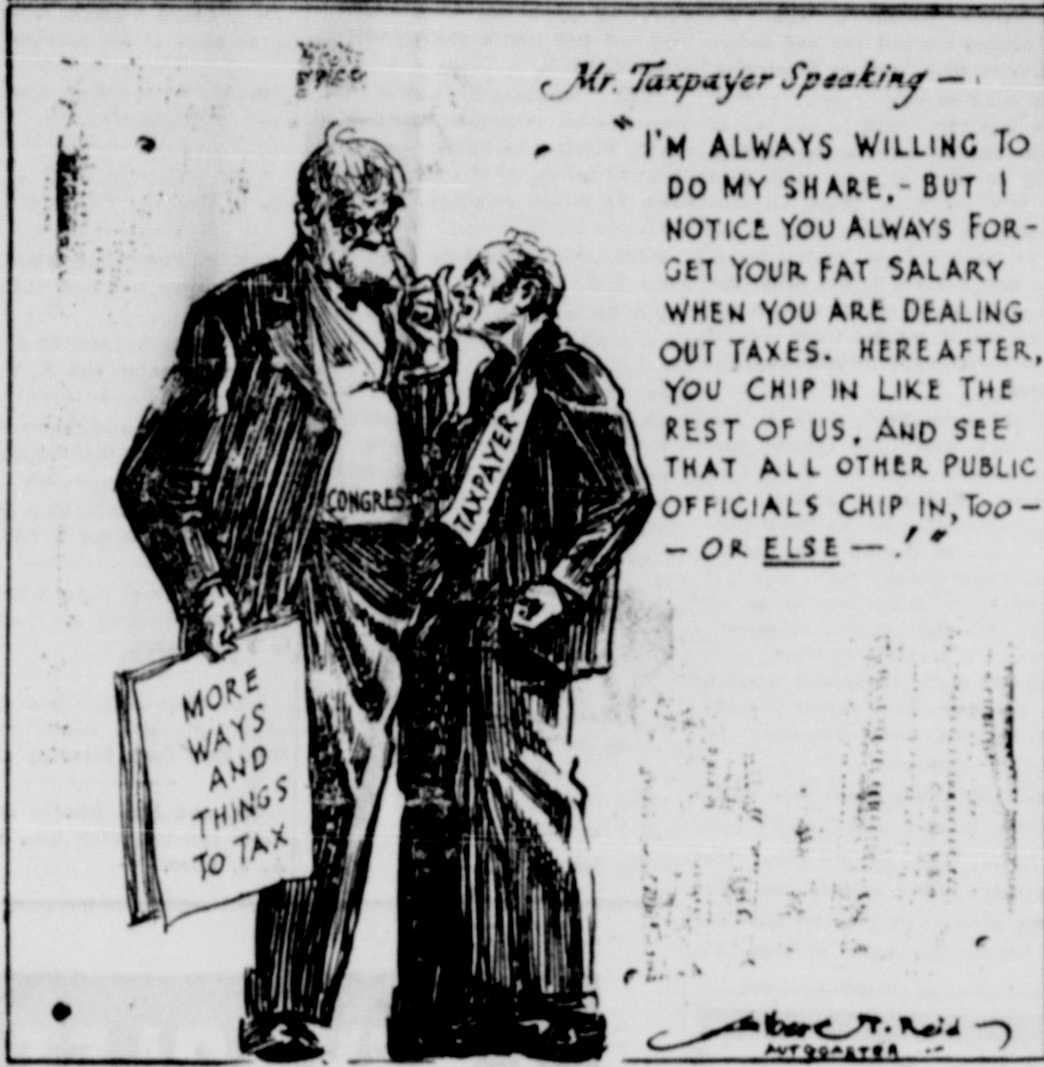

## Baptist Church

The pastor will be away next Sunday but we will have a good supply. Reverend D. B. Weaver Jr, who will preach at both services. Reverend Weaver is a Knox City boy, son of D. B. Weaver Sr., a former resident of Knox City. Brother Weaver also married a Knox City girl, Miss Doris Tidwell, whose parents live west of the city. I am sure that every one will be interested in Brother Weaver and will give him a fine hearing Sunday. He has been a student at Wayland college, for the past two years and has made a fine record as student and preacher. He on time for Sunday School which begins at 9:45 and B. Y. P. U. at 7:00.

## County 7th Grade Honors

When all grades had been recorded for seventh grade work in the rural schools, Winnifred Horne of the Gilliland school had the highest grade. Bonnie Williams of the Gilliland school and Sarah Ruth Gipson of the Union Grove school tied for second place. The Gilliland class was the outstanding seventh grade class in the county.

The county superintendent used the tests used in the Demonstration School of Stephen F. Austin State Teachers College. County promotion certificates were presented to 48 pupils.

### GUESTS MAKE SOCIAL INTERESTING

The ladies of the Baptist Missionary Union were entertained Monday afternoon in the home of Mrs. G. T. Hardberger, joint hostess being Mrs. E. W. Holland.

Three out of town guests were present, Mrs. J. W. English of Gentry Arkansas, Mrs. Lee of Lubbock and Mrs. King of Fort Worth. During the social hour these ladies each gave a survey of the work of their own churches, emphasizing the work of the Missionary Union. These discussions proved to be very interesting to the local Union.

At the business session Mrs. Vance Jones, in the absence of the president Mrs. E. O. Jamison, presided.

The social came to a happy close with the serving of prune cake and ice cream.

Quite a crowd of people enjoyed an outing at the Benjamin Lake Sunday. They enjoyed themselves swimming and sightseeing after which a picnic lunch was spread. Among those present were Grand mother Graham and Mr. and Mrs. B. B. Bradley and two children of the League Estate. Mr. and Mrs. Lom Deering of Graham, Mrs. Emma A. her and daughter of Graham, St. Brown of Denton, Mr. and Mrs. J. T. Watson and Joe Mr. and Mrs. Earl Watson and son Harold Lane. Mr. and Mrs. A. O. Watson and Mary Jo, Ira Russell and Elsie, Clyde, Dyer and Dale Graham.

James O. Watson and wife of Saint Paul Minnesota who were on their way home were guests in the homes of Mr. and Mrs. J. T. Watson and Mr. and Mrs. Abd Watson West week.

Miss Mary Lou Graham has the measles this week.

## Park Improvement Begun

Knox City is viewing with much pleasure this week the bit of work that has been done in the way of park improvements. One double swing has been erected. The materials for this swing were donated by the local girls.

The civic committee of the Christian Women's Association composed of Mrs. T. P. Frizzell and Mrs. S. H. Clouts, show an excellent report for their work last week. They were given in money \$25.00 for park improvements. Other donations made include gasoline (to be used in hauling gravel), also gravel, one park bench from each of the two lumber yards and saws given by Huntsman Gin company. Mr. Pete Humphries is donating a designated amount of work.

To those not acquainted with the task of making public improvements, this may seem small, but to those who have sponsored such improvements realize that the christian ladies are making good headway in getting some real improvements in the park.

The park is clean now and has a nice stand of peas growing. It is the hope of the C. W. A. that the same can be kept clean and that other play apparatus may be added regular. It is the outstanding aim of the ladies to build a wading pool for the children; however, it is not yet certain that this feature will be obtained this year.

Reverend L. L. Hanks of Paducah was the dinner guest of Nick Shaver Monday. Brother Hanks was enroute south where he is scheduled to hold a meeting. It will be remembered by many here that he held the Methodist revival here the first year Reverend J. C. Mann was pastor here.

Mrs. T. P. Frizzell and two sons Miss Alene Griffith left the city Tuesday for Abilene where Mrs. Frizzell will attend Simmons this summer.

### DARNELLS CATCHING BIG FISH

G. T. Hardberger states this week that letters from his daughter, Mr. and Mrs. J. H. Darnell in Hot Springs, New Mexico, reveal the fact that the Darnell family is enjoying real fishing. Mr. Darnell has landed one as heavy as 25 pounds and it is rumored that John H. Jr. pulled out a five pounder.

Well, they should catch real fish. They are where the fish grow.

## Rev. Hendrix Heard Here

Sunday night the membership of the Methodist church enjoyed having Reverend Hendrix from White Deer preach.

Brother Hendrix and his wife, accompanied by a young man and woman also of White Deer and Reverend and Mrs. Scoggins and Martha with two other young ladies and three young men from Panhandle arrived in Knox City about dusk Sunday evening. They were enroute to Abilene to the Epworth League Assembly which is being held this week.

The crowd spent the night, Brother Hendrix preaching at the evening service. He delivered a fine message filled with sound philosophy, his text being "Today is the day of Salvation," now is the appointed time.

### MISS BENTON TO TEACH HERE

At a meeting of the Knox City school board held Monday night of this week Miss Pauline Benton was elected a member of the faculty for next year. Miss Benton graduated from the Knox City high school in the class with Miss Claydene Hoge and Miss Elsie Graham. She has attended McMurry College two years. She is a splendid young lady and it is with pleasure that the notice of her election here is given in the Herald.

Mr. Jack Wetzel was also elected at the meeting Monday evening. Mr. Wetzel is to be in the old building having charge of the junior athletics and being assistant to Coach Dean.

Mr. Wetzel has made himself known here first as a ball player and second as a fine entertainer. He is also seen regular in attendance at the Methodist Sunday School and church services.

Mr. and Mrs. Olivia Hamm, Miss Mary Reeder and Ancil Waldrip of this city with Mr. and Mrs. Morris Neal, Miss Alta and Lonnie Caldwell Rule, enjoyed an outing Tuesday evening at the Benjamin Lake. A real picnic feast followed their swim.

The Junior Class of the Knox City school enjoyed seeing a picture show in Monday Tuesday night. They were chaperoned by Mrs. H. M. Jones and Mr. and Mrs. D. D. Hairston.

Mr. Reeder Smith, better known as Happy, received his grades on the Pharmal course which he recently took in Fort Worth and was really happy to learn that he passed the work well and that his certificate will be forthcoming in a short while.

## 1st Graders To Be Examined

All children who will enter the first grade this coming September are entitled and will be given a free physical examination. This work is being carried on through the Parent-Teacher Association.

The State Health Department is sending a nurse to conduct the work, she is to be here next Monday, May 12th. All parents are urged to bring your children to the school building at eight o'clock Monday morning. The nurse will be glad to help you with your problems of child health and welfare. There will be no charge.

This examination is a privilege extended to every child who is to enter school in the Fall. It behooves every parent to take advantage of the opportunity.

It is remembered that through the Parent-Teacher Association much was accomplished here last summer for the school children. Vaccinations were given free insuring the children against diseases. This of course eliminated a vast amount of illness and absences from school during the school term.

The first grade pupils especially need to be in good health when school begins. Their little bodies and minds need to be free from disease or nervousness and to bring about this unanimous healthy condition the State Health Department is giving the services of a trained nurse for examination of all first grade children. Remember the date, June 12, and the place, school building.

This includes all 6 year old children.

## HOSPITAL NOTES

Patients in the hospital this week include B. B. Campbell of Uvalde, Mrs. Jason Smith and son Bobby of Haskell, Mrs. C. B. Baker of Wainwright, Myrtle Partridge of Munday, Mrs. Phillips of Munday, Wynett Farmer of Knox City and Fay Cure of Gilliland.

Dolores Campbell of Munday was here last Friday for treatment. Mrs. E. M. Bauman of Munday was here Monday for treatment. Mrs. E. L. Adams of Spur was her Tuesday with her daughter Mrs. Bowman of Corpus Christi. Mrs. Bowman came for minor surgery.

Mr. R. R. Lusk of the highway department in Haskell was here Monday and Tuesday for medical services.

T. V. Hudson of Haskell was dismissed Sunday. Mrs. J. D. Morrow of Munday was also dismissed Monday.

Mrs. Trice of Haskell is here nursing Mrs. Smith who is from Haskell. Mrs. W. A. Baker and Mrs. Charley Mays of Munday were here Monday to see Mrs. P. B. Baker.

Reverend and Mrs. Stovall went to Abilene Tuesday to attend the graduation exercise of Simmons University. Miss Maddox received her degree there. It will be remembered that Miss Maddox is the lady who conducted the Baptist Training school here last year.

Little Miss Juneve Malouf enjoyed her 7th birthday Monday by entertaining 21 of her friends. A variety of games conducted by Johnny Malouf (who is visiting here from Rotan) brought much joy to the children. Following the games dice cups and cake were served.

Mr. Lewis M. Roch of Mineola spent Sunday night here with his sister Mrs. John A. Smith. Mr. Roch was accompanied here by a friend, Mr. Kennedy, also of Mineola.

### MISS JEWELL FAULKNER GETS B. S. DEGREE

Miss Jewell Faulkner, County Home Demonstration Agent, returned June 1 from Canyon where she had been attending the commencement exercises of the West Texas State Teachers College. Miss Faulkner received her B. S. Degree with the class of '33 composed of 81 graduates. Miss Elizabeth Faulkner, Canyon, returned with Miss Faulkner for a visit.

One of the first reasons for a progressive town is the benefit of trading of labor.

It is impossible for a town to prosper if all its surplus or surplus power is carried out of its territory. It is easy to state "well, they don't have what I want", but when we consider the fact that the better merchant will never be able to carry "what we want" unless he has a market for those things, we will be more willing to give him a chance to carry our desired articles.

We have heard it said that Haskell bread is "so much better than our Knoxville bread". Possibly, but if the local bakery had the full support of all Knox City, maybe he could afford equipment that puts our better bread.

We have patronized the local bread shop since 1929 and neither has had stomach trouble yet. So we urge that every one patronize the local town store.

"What Knox City makes, makes Knoxville City".

Walter Jones made a trip to Letcher the first of the week.

## WETTER TRAVELERS THIS SUMMER

For those people who are going to be away from home for a long time, it is "just around the corner". We have heard of many people who are looking for it that most of us would consider "right back where we started from". For an answer, we would advise you to go to the office of the State Highway Department and see what they have to say about it.

This state, however, it seems increasingly clear that there are no more serious matters to fight. We have turned the last one and before we see the open road to Prosperity.

We shall encounter some curves in the road. The road is not yet as smooth and as level as we believe it will be later on, and there may be a few collisions. There are still no-grades to be climbed, but, if we may be permitted for a moment to place into a short verbal bank, the road is getting on all right. We are willing to give him a chance to carry our desired articles.

In all seriousness, there is no question about the reports that come to us from every part of the State. Business is picking up. One after another of the big industries is coming through with reports of increased orders, more men put back to work, prices firming up, all of the essentials of real prosperity. We know that prices of staple commodities are rising and adjusting. One more man has a chance to make a living and something more for those who follow it.

The best thing about the whole situation is that people don't look skeptical when anyone says "that thing is better. Instead, the other fellow agrees with you. We have just and beyond the region of hope into

## Bright Woman Lost 20 Pounds

FEELS MUCH BETTER

"June 28th, 1932, I started losing Kruschen Salts. Have lost 20 pounds from June 28th to Jan. 13. Feel better than have felt for four years. Was under doctors care for several months. He said I had gall stones and should have operation. Kruschen did all and more than I expected." Mrs. Lute Wright, Walker, Minn. (Jan. 10, 1933).

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one-half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wrinkles, prominent front and double chin and again feel the joy of being—money back if dissatisfied after the first jar.

### APPRECIATION

It is with much pleasure that I express for myself and the six other girl graduates our appreciation to the local churches for the help extended to these girls for their graduation day. The girls were numbered among the seventh grade graduates.

Mrs. G. D. McCarty

Mrs. O. L. Jamison and daughter Yvonne accompanied Miss Elizabeth Bryant to her home in Memphis Saturday. Mrs. Jamison and Yvonne will visit in Memphis a week or so.

Mr. R. M. Herring made a business trip to Truscott and Gilliland this week. He informs us that the wheat is being cut in that country and is yielding from 8 to 15 bushels.

Mr. and Mrs. Marris Neal and children and Mrs. B. Neal of Rule, were here one day last week visiting in the home of Mr. and Mrs. A. S. Logan.

Retire with Goodyears. They are the perfect non-skid tire and are used more than any other single make of tire. Sold in Knox City at the Electric Service Station.

Mrs. Otis Cash left here Wednesday for Denton where she is doing special observation work in S. F. T. C. She is staying with her parents in Denton.

The Commissioners court is sitting as the county board of equalization in Benjamin this week. While much interest has been manifest in the comparison of valuations here and Benjamin little change has been made in the local valuations.

Mr. and Mrs. Elmer Y. Thornton and his sister left the city Tuesday for San Angelo where they will be with his parents for a few weeks, later to assume his work with the road construction company.

Mrs. C. J. Reese returned home Tuesday from Goodnight where she has been with Mr. and Mrs. Claude Stovall Jr. Mrs. Stovall is doing fine.

Messers Charlie and Ben Neal and Miss Maggie Neal of Rule were guests of their sister, Mrs. A. S. Logan, Sunday.

Joe Reeder Jr. is home suffering with something akin to the measles. He is being cared for by neighbors of Mrs. Reeder.

Superintendent King of Fort Worth arrived in our city the first of the week. He is staying in the Hardberger home.

Miss Irene Holland, who is ill with the measles, enjoyed having her Sunday School class convene at her home Sunday.

Miss Willie Jones and Mrs. S. L. FAVOR motored to Abilene the first of the week to return Wednesday with Miss Hazel Jones who has been attending Simmons University.

Ed Shaver and family spent Sunday evening in the home of Dick Shaver in Rochester. R. A. Shaver Jr. arrived home Saturday from the State University in Austin.

Mr. and Mrs. Holt Moseley and daughter left the city Sunday morning for points south. They were joined in Haakell by her sister, Mr. and Mrs. S. A. Norris and daughter Gerandine. They expect to return home Sunday, June 11th.

Mr. and Mrs. Jim Bridges and daughter of Aspermont were guests of Mr. and Mrs. L. N. Fridges Sunday.

Mr. and Mrs. C. H. Keck and Mr. and Mrs. Joe Averitt enjoyed the evening Tuesday picnicking at the Benjamin lake.

Mrs. Jones and two daughters of Dallas are here this week visiting her brother Mr. and Mrs. Presa Clarke.

Opal D. Bohannon, who has spent the winter in Knox City with Mrs. Otis Cash, returned this week to her home on the League Estate.

Mrs. H. M. Jones and two children returned home the first of the week from Snyder where they visited Mr. and Mrs. Spikes.

Mrs. E. F. Branton, Miss Paulset, Miss Lucille Harris and Miss Cornett left here Monday for Lubbock to attend Tech this summer.

Mr. and Mrs. W. H. Benedict, Mrs. O. D. Reid and Mary Hope, Mrs. Ruth Kelly and Grady Benedict made a trip to Abilene Wednesday.

It is reported that Sunday was an unusually fine day for the B. H. Benton family. They had dinner with Mr. and Mrs. H. L. White.

Miss Lillian Park is visiting a friend in Groom Texas. She will go from there to McLean here and visit with Miss Cousins.

box and enameled to match the bed. I made my dressing table by using two orange crates, 8 spools and a piece of board 12x18. I papered the crates on the inside so I could use the partitions and bottom of the crates for shelves. I used a rose pink material to make the curtain around the table. The stool was made out of a nail keg and covered with the same material. My mirror and two pictures that I use over the dressing table were given to me.

I enameled a small table that we had, and used it for a reading table. The book shelf was made of an orange box and enameled and placed on the wall above the reading table. The chair I used was an old discarded one. It was enameled and a new back and cushion made for it. My waste basket was made from a coffee can and enameled. I mended an old washstand and removed the varnish and enameled it to match the other things in my room.

My window draperies were made of rose voile. I made two braded rugs for my room. One was made of rags and the other of dyed burlap sacks. I made scarfs of linen crash and of a color to harmonize with the other furnishings in the room.

My expenses were as follows:  
Paper ..... 1.55  
Burnt Umber ..... .25  
1x12 Board ..... .15  
Draperies and Scarfs ..... 2.85  
Dye ..... .25  
Total ..... 8.30

I have 40 little chickens and 14 turkeys hatched off and so far have had good luck raising them.

I have planted the beets and tomatoes and am planning to cans them later. I am planning on paying the expenses of my room out of my chickens and turkeys.

### WOMEN'S CONTRIBUTION TO THE MOTOR CAR

There is some doubt that people care to hear very much about what goes on under the hoods of their cars.

The driver knows that "driving qualities" are not accidental; they are put there. How the manufacturer creates or evolves those results may not interest him. He judges entirely by the results he gets in driving.

Well, it is not essential to talk "shop"; let us talk Results.

**Smoothness.** Drive the Ford V-8 and you will find that the engine runs with surpassing smoothness, due to its design and the extra precise methods of its manufacture.

**Power.** There it is, 75 horsepower (we could say 80) at the drive-shaft for the driver's use. With less weight to pull around, the mettle of this car—its life-like response—is rather remarkable.

**Economy.** Our V-8 develops more power on a gallon of gasoline than any car we have made. Mileage is partly a matter of individual driving, but under average conditions the Ford V-8 does 17 to 20 miles a gallon. Of course, car economy is not only a matter of fuel. Ford V-8 has that too, but it is also economical in the complete sense—initial cost, operation, maintenance.

**Appearance.** This is woman's contribution. The motor car must not only be useful, but also good-looking. View the Ford V-8 and you will not need our comment on its fine appearance.

**Comfort.** This also is woman's concern. In 30 years she changed the motor car from a wagon to a coach. Comfort is a quality made up of numerous ingredients. There is no comfort without a quiet, smooth-running engine. We have all the other ingredients too,—color, good taste, quality, ease, safety, roominess and convenience.

**SUNDAY SCHOOL LESSON**

Rev. Chas. E. Dunn

Jesus on the Cross

Lesson for June 11th Mark 15: 1-4

Golden Text: Romans 7: 5

We have arrived at a supreme moment in the dramatic story of Jesus. He is now on the Cross, soon to die after unspeakable anguish. It is the blackest day in history, the day of mankind's most atrocious crime. But such is the paradox of the crucifixion that we call the day of the Master's death not Bad Friday, but Good Friday, and think of Him, in His agony, not as a miserable failure, but as a King on His Throne.

We are aware of the magnetism of the Cross, so well expressed in that great text in the fourth gospel, "And I—if I am lifted up from the earth—will draw all men to me." The novelist Thackeray felt its attraction, for we are told that one day, as he was walking in Edinburgh he saw the wooden crane of a quarry sharply etched against the sky. He stopped, gazed earnestly, and quietly said, "Calvary!"

Note, too, the spiritual power centered in the Cross, the power of a victorious Redeemer whom, as Paul says, "God hath highly exalted." The shame of the Cross is a badge of glory! For wrong does not win! No, indeed! Right wins, for God's Spirit is indomitable!

Again, the Cross is the Way of Life. The early Christians eagerly kept the Cross in sight, and were known as the companions of the Way. We Christians of today are also comrades of the way.

Now what do we mean by the Way of the Cross—Two things. First we mean the abandonment of those forces of evil responsible for the execution of Jesus, and all similar crimes. Second, we mean a dedicated life of complete sacrifice and devotion. And both of these are bound up with the crucifixion. How are we to get rid of sin? By the saving power of the Cross. "Christ died for our sins," as Paul assures us. And how are we to launch ourselves into the selfless ministry of the Christian adventure? We are to do so by following the path of the Via Dolorosa even unto Calvary.

Call 35, Porter and White, for feed, poultry feed and for grinding.

**KENTUCKY BURLEY TOBACCO**

"Direct From Grower To You"  
Old Kentucky Burley Tobacco is the cream of the finest crops Kentucky's bountiful soil can produce—ripe, rich leaves—smooth and mellow—with that rare old-fashioned flavor and fragrance that only proper "aging" can produce. We bank on it you have never tasted or smoked a finer flavored, more satisfying tobacco in all your life.

**SPECIAL OFFER!**  
**FIVE POUNDS SMOKING TOBACCO**  
**\$1**

Rich, Ripe, Old Fashioned Leaf  
Our Old Kentucky Burley is no more like manufactured tobacco than day is like night—guaranteed free from chemicals and all other adulterations that conceal imperfections, delude the sense of taste and undermine the health.  
We use the same method our grand fathers used in preparing tobacco for their own use—every trace of harshness leaves it—nothing to "bite" your tongue or parch your taste. Thousands of tobacco lovers the world over swear by its inimitable smoking and chewing qualities.

REDUCE YOUR TOBACCO BILL 5.  
We sell direct from the grower this eliminates the eighteen cents a pound Revenue Tax all manufacturers' and middlemen's profit thereby effecting a saving to you of 50 percent or more. No fancy packages, no decorations, just quality and lots of it.

**MONEY SAVING PRICE**  
**SMOKING OR CHEWING**  
5 Pounds for \$1.00

Send us One Dollar Cash, P. O. or Express Money Order (no personal checks) and we will promptly ship you a five pound package of "Burley tobacco."

Five pounds of Old Kentucky Burley will make 40 large packages of smoking or 50 twists of chewing.

Send 25 cents in silver and we will ship Post—Paid—one pound of Burley Tobacco as a trial offer. A trial will convince you.

We have thousands of requests daily for "Samples"—our margin of profit is so small we cannot comply with these requests.

We do not ship C. O. D. orders to dealers. Orders must be in English language.
