KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JULY 12, 1956

NUMBER 32

CITY SET FOR POLITICAL RALLY

Big Turnout Expected For Study Club Affair

Funeral Services Held Sunday for E. W. Stephens, 80

Funeral services were held at the First Baptist Church Sunday at 4 p. m. for Elijah W. Stephens, 80, who died at the Knox County Hospital Saturday.

Rev. Billy Frazier, pastor of the church, officiated, assisted by Rev. Walter Driver, pastor of the First Methodist Church.

Burial was in Knox City Cemetery under the direction of Warren Funeral Home.

Mr. Stephens, a retired farmer, was born Dec. 3, 1875. He had lived in the Knox City area since 1904.

Survivors include his wife; three sons, C. W. and J. L. Stephens, both of Knox City, and Royce Stephens of Munday; and one daughter, Mrs. L. W. Barton of O'Donnell. Also surviving are 13 grandchildren and 17 great-grandchildren.

Hereford Minister To Hold Revival At Baptist Church

Rev. Grady Allison will be the evangelist for a revival at the First Baptist Church Sunday, July 22 through Sunday, July 29, Rev. Billy Driver, pastor of the church, announced this week.

Rev. Allison, pastor of the Avenue Baptist Church, Hereford, is a graduate of Hardin-Simmons University, Abilene, and Southwestern Theological Seminary, Ft. Worth. His former home is Eastland.

Leading the singing during the meeting will be Bobby Siltman of Thibodaux, La., who is a senior student at Hardin-Simmons.

There will be services at 10 a. m. and 8 p. m., with prayer services at 7:40 p. m., the pastor said.

Attend Lunchroom Workshop at Tech

Mrs. L. V. Worley and Mrs. O. L. Knight, Knox City school lunchroom personnel, are in Lubbock this week attending a five day workshop at Texas Tech, July 9-13.

Twenty-seven food specialists from seven states are conducting more than 80 sessions on new developments in food preparation, meal service, food buying, meal planning and related subjects.

The Tech Home Economics Division is sponsoring the conference in cooperation with the Texas Education Agency and the U. S. Department of Agriculture.

At least fourteen candidates, and likely more, will speak at the political rally tomorrow (Friday) night at the city park, beginning at 8:00, it was announced Wednesday by Mrs. C. J. Reese, president of the Knox City Study Club, sponsor of the affair.

Mrs. Reese has extended an invitation to W. Lee O'Daniel, candidate for governor, to attend the rally. O'Daniel will be in Haskell late Friday and is scheduled to speak in Benjamin at 9:00 a. m. Saturday. While Mrs. Reese has not yet had an answer from the gubernatorial candidate, she believes he will welcome the opportunity to speak here.

Among the fourteen speakers already scheduled are both candidates for State Senator, George

Moffett and Jack Banner; both candidates for State Representative, Ed Cloud and Bill Sams; and both candidates for District Judge, Lewis Williams and Roy Jones. Because of the number, each candidate will be limited to ten minutes, Mrs. Reese said.

Joe Reeder Jr., local attorney, will serve as master of ceremonies, and entertainment will be furnished by the Dixieland Hotshots, local orchestra directed by E. H. Tankersley Jr.

The sponsoring club will operate a concession stand selling home made ice cream, lemonade, soft drinks and candy.

As many chairs will be provided as possible, but everyone who can bring a folding chair or stool was asked to do so.

Mrs. Reese said the club is well pleased, both with the response from candidates and with the interest being evidenced by voters. The affair is expected to draw a large crowd, as it has in the past, with many present from other towns in the county.

"We want everyone in Knox City and Knox County to attend," Mrs. Reese said. "Every qualified voter should feel that it is his duty to meet the candidates, hear what they stand for, and thus learn how to mark the ballot of July 28."

School to Build Agriculture Shop And Bus Garage

J. C. Babb has been awarded a contract by the Knox City School for construction of a vocational agriculture shop and bus garages, Supt. Chas. E. Silk announced this week. Babb is general contractor on the new high school building which is now under construction.

The ag building and garage, which will cost \$8,247.00, will be located on the northeast corner of the campus and will be constructed of metal. The building will face south and have a solid concrete floor with the shop on the east of the structure.

The school, which has had no vocational agriculture shop in the seven years the subject has been offered, was notified by the State Board of Education to arrange satisfactory facilities by Sept. 1.

The local school board also approved the purchase of equipment for the shop. Storage space for all five of the school buses will be provided in the structure.

Supt. Silk also announced that board members voted unanimously to accept an offer from the mayor and city commission that the school be placed on a flat rate of \$60.00 per month for water, sewer, and garbage disposal service for the entire school system.

Boy Scouts Launch Membership Drive

A membership drive is underway by Boy Scout Troop No. 161 following Monday night's regular meeting at the First Methodist Church.

Rev. Pearce Burns, scoutmaster, said three temporary patrol leaders were named and the boys plan to recruit enough new members to have at least three patrols. A patrol consists of eight boys.

Temporary leaders are Ted Harper, Eddie Williams and Jimmy Lea.

The Scouts will meet at Rev. Burns' home tomorrow (Friday) at 3 p. m. and from there leave on an overnight hike to the Bobby Burnett Ranch northwest of town. All boys must have written permission from their parents to go on the hike. Parents' written permission is required by Boy Scout rules, the scoutmaster said.

Twelve boys were present for this week's meeting. Also present were the scoutmaster, two troop committeemen, Ulric Lea and M. G. Scott, and Hal D. Mabry, field Scout executive from Seymour.

Regular meetings are on Mondays at 7 p. m., at the Methodist Church.

SAFE DRIVERS—Postmaster Jeff Graham is shown presenting National Safety Council safe-driving awards to Chad Wilson and Grady McLain, Knox City rural mail carriers. Each received a gold lapel pin and a billfold card signed by Postmaster General Summerfield. Wilson received a 12-year award and McLain a 26-year award. McLain has been driving on rural routes 30 years without an accident on the route, but the awards have been made only the past 26 years. All professional drivers are eligible for the awards, but this is the first year the postoffice department has cooperated with the National Safety Council. Together, Wilson and McLain have driven more than a half-million miles.

Fellowship Meeting Is Scheduled at Gospel Mission

A Fellowship Meeting will be held at the Gospel Mission in Knox City Friday night, July 13, it was announced this week by the pastor, Rev. Nettie Wilcox.

Pastors, delegates and members will be present from the Full Gospel churches in Hamlin, Throckmorton and Breckenridge. There will be special music and singing from the different churches, also a message from one of the visiting ministers.

The public is invited to attend the special service.

"If you live in or near Knox City and do not have a church home," Mrs. Wilcox added, "you are also invited to attend any or all of our regular services."

Regular services at the mission are Sunday School 10 a. m., Sunday morning worship 11 a. m., Sunday night 8:15, and prayer meeting Wednesday night at 8:15.

Local Woman's Brother Dies in Ft. Worth July 5

Mr. and Mrs. C. C. Hoge and their daughter, Mrs. Dan Steakley, were in Ft. Worth Saturday to attend funeral services for Mrs. Hoge's half-brother, Ed Bigbee.

Mr. Bigbee, 76, died in a Ft. Worth rest home Thursday afternoon after a lengthy illness. Funeral services were held at 10 a. m. Saturday at the Gause Ware Funeral Chapel.

UNDERGOES SURGERY

R. G. (Bob) Vaughan is now recuperating at home from double surgery in Ganado Hospital June 6 and June 9. The first operation was for hernia and an intestinal disorder necessitated another operation. He was hospitalized 21 days.

Mr. and Mrs. Vaughan were visiting her sister, Mrs. J. M. Sawyer, in Edna when Mr. Vaughan became ill.

Bill Sams Announces Candidacy for State Representative

Bill Sams of Benjamin, Knox County, this week authorized his announcement for State Representative from the 83rd District, comprised of Knox, Baylor, Haskell and Throckmorton counties.

Sams' delay in releasing his announcement was caused when Haskell County election officials notified him that his name would not appear on their ballot. The question was posed when the application was mailed "Special Delivery" instead of "Registered." However, the law holds in favor of Sams, and the County Democratic Committee did place his name on the ballot.

Bill was graduated from high school in Benjamin, studied Government and pre-law in Texas Tech, and at present is completing his requirements to become an attorney.

Sams, age 33, is the son of Morrison and Amelia Sams, and was born in Knox County. He is a member of the First Christian Church, and a Mason. As a precinct delegate to the County Democratic Convention, Sams was an alternate delegate to the State Convention in Dallas, and has been an active Democrat.

When inquiry was made as to Bill Sams' entry into this political arena.

(Continued on Page 8)

Sister and Cousin of Local Resident Die

Mr. and Mrs. C. A. Hull were in Hamlin Tuesday of last week to attend funeral services for Mrs. W. J. Poe, a cousin of Mrs. Hull. Services were held at the First Methodist Church.

When they returned home from Hamlin they had a message that Mrs. G. L. Earp of Riverside, Calif., Mrs. Hull's sister, had died while visiting her son, Jerry Earp, at Odessa.

Mr. and Mrs. Hull left early Thursday morning to attend Mrs. Earp's funeral, which was held at the First Baptist Church in Long Branch, Texas. The body was carried to Altus, Okla., for burial.

family and Doris Gunter were in Decatur Sunday for a family reunion.

Recent visitors in the home of Mrs. Willie Redwine were Mrs. Agnes Malone and son, Travis, Mrs. Donald Spears and children and Mrs. James Scheehic, all of Lovington, N. M., Miss Dorothy Giles of Muleshoe, Mr. and Mrs. Lionel Aiken and family of Brownfield, Mr. and Mrs. R. C. Giles and Robert of Knox City, Mr. and Mrs. Lyndal Snody and family of Seymour and Mr. and Mrs. Ed Earl Brown and family of Morenci, Ariz. Mrs. Redwine returned home with the Browns for a visit.

Mr. and Mrs. Donnie Hertel and son, of Wichita Falls visited their parents, Mrs. Leola Isbell and Mr. and Mrs. Walter Hertel, over the week end.

Mr. and Mrs. Bill Steadman and children of Dallas visited her parents, Mr. and Mrs. J. D. Redwine, over the week end.

Mr. and Mrs. Bill Ryder and family visited Mr. and Mrs. Bob

Anderson in Coleman Sunday. Mr. and Mrs. Homer Howard of Goree visited Mrs. W. A. Barnett Sunday.

Farm and Ranch Notes

Roy B. England, County Agent

Bollworms have spread through practically all of the irrigated cotton fields in the county, and seem to be the only insect of serious concern to county farmers at present.

One field of cotton near Vera developed a heavy infestation of Red Spider Mites, but these were very effectively brought under control by the application of Parathion spray.

D.D.T. and a combination of D.D.T. and other Chlorinated Hydrocarbons are proving very effective at controlling the bollworm infestations, if the treatment schedule is maintained at 7 day intervals or less.

Farmers are reminded that they have until October 1 to file a claim for refunds of Federal Tax on gasoline used for farming. The claim will cover the period from January 1 through June 30. Forms may be obtained from the county agent's office.

ATTEND FAMILY REUNION

Mrs. J. M. Chilcoat of Truscott and Mr. and Mrs. John B. Chilcoat and children of Benjamin were in Clyde recently to attend a Chilcoat family reunion.

Mrs. Chilcoat was also honored with a birthday dinner. The reunion and dinner was held at the home of her daughter, Mrs. Joe B. Qualls, and family near Clyde.

Mr. and Mrs. Pat Riley and daughter, Kathleen, of Wichita Falls are here visiting her parents, Mr. and Mrs. Frank McAuley Sr.

Mrs. H. A. Barnard is spending a few days in Abilene with her daughter, Mrs. Odis Frazier, and family.

"Flying Ants" May Be Termites

Take a good, close look at the "flying ants" that you may find glistering in the warm sunlight these days near your house or buildings. Chances are they are termites heading for a wedding in your woodwork.

Spring's mating call sends the ants and termites soaring on their frail wings, and it's only the royalty that flies. When they pair off, though, it means a new colony is beginning.

Look at the wings. If they are transparent with distinct, heavy veins, are tapered and only slightly longer than the insect's body, protruding from the sides of the body when folded, it is a winged ant with ambitions for an ant hill. If the wings are long and narrow with tiny, barely visible veins, and if they lie back parallel when folded, you are looking at a termite with designs on your doornail.

Of course, if you have taken the precaution to use fence posts and structural members properly treated against termites, you have little cause for alarm. Wood products pressure-treated with penta, for example, are resistant to both termites and decay. Tests have proved that this means four times more service life from wood—and no home life at all for termites.

FARMERS ENTITLED TO REFUND ON GASOLINE USED SINCE JAN. 1

Farmers are entitled to claim a refund of the Federal tax on gasoline bought and used for farming during the 6-month period January 1 through June 30, 1956. C. H. Bates, extension farm management specialist, reminds Texas

producers. Any owner, tenant, or farm operator who buys gasoline for use on a farm may file a claim, says Bates. A farmer may also request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting a crop.

Under the law enacted April 2, 1956, the amount claimable this year is two cents on each gallon of gasoline purchased and used on a farm for farming purposes during the first six months of 1956. In future years claims will be filed for a full 12-month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. It may be obtained from county agents or District Directors of Internal Revenue. Date for filing for this year's refund is after June 30, but not later than Oct. 1. The law does not permit payment of claims filed late.

Refund claims must not be made for gasoline used off the farm, according to the specialist, or for gasoline used for other than actual farming purposes, as described in Form 2240. This applies to gasoline used on the highway, for personal use such as mowing the lawn, or for processing, packaging, freezing or canning operations.

STREAMS in Desert Places

By Ozzelle Stephens

God's divine providence was with Elijah the Tishbite. He was God's man and trusted the Lord for guidance and his every need. Some men trust in wealth and temporal things for their needs, and often times they fail. Elijah waited before God until he had orders to go. When he started he knew where to go for God had told him. 1 Kings 17:3. "Get thee hence, and turn thee eastward, and hide thyself by the brook Cherith, that is before Jordan." When God wanted to move him, He allowed a famine to come and dry up the brook. Elijah cried out to God and the answer came. 1 Kings 17:9. "Arise, get thee to Zarepath, which belongeth to Zidon, and dwell there: behold, I have commanded a widow woman there to sustain thee." If the brooks of God's blessings that sustain you have dried up, cry out to God. He is still answering prayer. Your every need can and will be supplied in Him, even in the famine, if you will trust Him.

Mr. and Mrs. Jess Dennington, Mr. and Mrs. Billy Wilcox of Boger, Mr. and Mrs. Willie Wilcox, Mrs. Shelby Bishop and daughter Debby Sue, Mr. and Mrs. Lynwar Wilcox and sons and Mrs. G. I. Dennington enjoyed an outing at Stamford Lake July 4th.

Mr. and Mrs. J. Rollie Pray & Pt. Worth were to arrive today to spend the week end with their daughter, Mrs. Clyde Williams and family.

Mrs. Buddy Mullins of Lubbock visited Mrs. N. F. Mullins Sr. and friends in Knox City Friday. Mrs. Mullins was enroute home after visiting a sister in Seymour.

County H-D Council Meets at Benjamin

The Knox County Home Demonstration Council met Friday, July 9, in the assembly room of the courthouse at Benjamin, with the chairman, Mrs. Homer Martin, presiding.

Five clubs were represented, and reports were given on the work carried out in June.

Elise McGuire, 4-H club member from Gilliland, gave a report on the 4-H Roundup held at College Station June 12-14. The women are proud of the work being done by the 4-H girls in the county.

Plans were completed for the Knox-Baylor H-D Encampment to be held in Seymour July 19-20.

An election was held by the HDA chairman, Mrs. O. R. Miller, to select three delegates to attend the National Home Demonstration Council and the State Home Demonstration Association, which will be held in San Antonio in September with headquarters at the Gunter Hotel.

Delegates selected were Mrs. L. A. Parker, Benjamin, Mrs. R. M. Manrode, Munday, and Mrs. J.

R. Brown, Truscott. Mrs. Wesley Trainham, Vera, and Mrs. Elton Scott, Gilliland, were elected alternates.

Delegates and alternates will meet in Benjamin to study changes to be made in the constitution and by-laws at the state meeting.

A called council meeting will be held Friday, August 31 in the assembly room.

ON HONOR ROLL

Tommy Gage was listed on the high honor roll for the spring semester at the University of Texas College of Pharmacy, it was announced this week.

The school's honor roll is divided into three divisions, those with "highest honors," those with "high honors" and those with honors.

Tommy is the son of Mr. and Mrs. Carl Gage of Knox City.

Misses Clifford and Blanche Elliott returned Tuesday from San Angelo where they spent the past week visiting their sister, Mrs. L. A. Proctor, and Mr. Proctor.

FHA Girl, Sponsor Return from National Meeting at Chicago

Mrs. Chas. E. Silk and Lynelle Tankersley returned Saturday night from Chicago where they attended the National Convention of Future Homemakers of America which was held July 1-7.

All Area FHA officers were eligible to attend. The area president's sponsor, the area vice-president's sponsor, and three other area sponsors, chosen by lot, were also eligible to attend. Mrs. Silk's name was the fourth sponsor's name drawn and she was notified she could attend the convention when another sponsor became ill.

The convention was held in the Conrad Hilton Hotel. Interesting speeches were given by Mrs. Billie Davis, author of "I Was a Hobo Kid." All general sessions were held in the grand ballroom of the hotel.

Lynelle was chosen to sing first alto in the all-states chorus in which 108 girls from all over the world participated. Jerome K. Ramsfield of Chicago was chorus director.

Mrs. Silk and Lynelle attended a banquet and ice skating performance in the Boulevard Room of the Conrad Hilton, where Frankie Masters and His Orchestra provided music. The night of July 4, they saw a spectacular fireworks display at Soldiers Field. In a tour of the windy city they saw the homes of Marshall Field, Joe Louis and Wallgreen, as well as the slum district. Other highlights of the tour were the Fountain of Time, which took ten years to build, the University of Chicago, and the Museum of Science and Industry where they saw themselves on television and heard their voices on the telephone. An hour was spent at the museum. To make a complete tour of the museum, however, would take eight hours a day for 31 days.

They enjoyed a boat ride on Lake Michigan and were told the deepest part was approximately 932 feet. On top of the Drake Hotel they saw a beam of light which could be seen in four different states.

The convention hotel was a block long and a block wide and employed over 2,000 people.

Girls from Hawaii and other foreign countries were present at the convention. One of the goals for the new year is to trade flower seed with the girls. Texas had 280 delegates. Theme of the meeting was "You, In Home, Chapter, School and Community."

Lynelle is the daughter of Mr. and Mrs. E. H. Tankersley Jr. She is pianist for the local FHA chapter and was song leader last year. She is a high school junior and was voted most valuable band student during the last school year.

Knox Girls Attend Cheerleaders School At Midwestern

You can expect "more blow and more show" from the Knox City cheerleaders when the 1956 football season gets underway this fall.

The girls returned this week from Wichita Falls where they attended a cheerleaders' school at Midwestern University. The school was conducted by the National Cheerleaders Association.

Enrolled in the school from Knox City were Peggy Jones, Charlotte Cornett, Helen Acosta and Janice Anderson. Sixty towns in Texas, New Mexico and Oklahoma were represented.

R. E. McKiski, Midwestern University band director, was manager, and H. R. Herkimer of Dallas was chief instructor.

The girls learned new yells and motions, and new steps and formations to be performed while the band plays. They also learned some tumbling which they plan to try at the first football game—after much practicing this summer.

Hospital News

Patients in the Knox County Hospital July 9 were:

E. R. Hobert, Munday; M. H. Wood, Knox City; Mrs. J. W. Hewitt, Knox City; Mrs. J. M. New, Knox City; Art Jungman, Knox City; Mrs. O. E. Hubbard, Knox City; J. W. Muble, Rochester; J. F. Smalley, Munday; J. B. Duke, Munday; Frank Frazier, Aspermont; Mrs. S. P. Keny, Knox City; Mrs. Jessie Acosta and baby, Knox City; Mrs. Dan Talbot and baby, Knox City; Inez Leija, Knox City; Ricky Lynn Thomas, Munday.

Patients dismissed from the hospital since Monday, July 2 were:

S. L. Favor, Knox City; C. Skiles, Munday; Henry Patterson, Vera; C. G. Yost, Munday; Tommy Reed, Knox City; Susan Garces, O'Brien; Mrs. Maggie Smith, Munday; M. G. Nix, Munday; Mrs. Maggie Bearden, Rochester; Willis Pack, Knox City; Mrs. J. W. Trainham, Vera; Mrs. Erwin Booe, Munday; Mrs. L. C. Brown, Benjamin; W. J. Sellers, O'Brien; Mrs. Pat Hill, Munday; Mrs. Margaret Lefils, Munday; Jessie Rios, Munday; Henry Ramirez, Bomarton.

Births:

Mr. and Mrs. Dan Talbot, Knox City, a daughter.

Mr. and Mrs. Jessie Acosta, Knox City, a son.

Deaths:

E. W. Stephens, Knox City.

Nathaniel Jones, Munday.

Mrs. A. B. Elmore of Andrews is here spending the week with her parents, Mr. and Mrs. Ed Feemster.

Mrs. J. A. Skaggs and daughter of Sweetwater, formerly of Knox City, visited Knox City friends during the week end.

Mr. and Mrs. Charley Leaverton and son of Bakersfield, Calif., arrived Wednesday night to spend part of a 3-weeks vacation with his mother, Mrs. B. L. Leaverton, and his brother, Sam, and family of the League Ranch.

Texas Farm Income Shows Sharp Decline

Texas farm income thus far in 1956 has slid off 13 percent from last year, with inadequate moisture being the major cause.

Prices were off only three percent. Therefore, most of the drop came from smaller marketings.

State officials took note of the farmers' worsening plight. Gov. Allan Shivers announced the U. S. Department of Agriculture has approved extension of the emergency drought feed program for 64 counties.

A request for direct payments to enable drought-hit farmers to purchase hay on the open market was turned over to the state defense and disaster relief office. It came from the Texas Farm Bureau president who said the present federal program is inadequate.

John White, state agricultural commissioner, said the state economy in many areas is in final stages of collapse. Many towns are in the making. Heart of some of our richest cultural lands, he said.

Last week's widely reported rain brought only temporary relief to some Southwest Texas. The service, drought is spreading. Result: Feed crops are being sold and livestock sold off in numbers.

Mr. and Mrs. L. D. Abbott returned from a fishing trip at Taos, N. M.

Dust or Spray - - - We Guarantee Complete Coverage

THREE CONVENIENT LANDING STRIPS

Haskell Strip West of Haskell on Roy Wiseman farm, formerly old Golf Course, on Rule Highway.	O'Brien Strip One and one-half miles east of O'Brien on R. L. Hester farm. Contact Alton Hester, Market Poultry & Egg, O'Brien.	Haskell Strip Two miles northwest of Haskell on Norman Nanny farm.
---	---	--

We have made arrangements with the W. J. Worsham Flying Service of Pecos, Texas, with 36 planes to dust and spray for our customers. To facilitate this service we will have three landing strips.

We have a complete stock of Mathieson Dust and Spray. Mathieson products are the most dependable poison on the market today and will be used exclusively in our plane service. Plane service will be available only to those farmers who purchase their poison from Market Poultry and Egg Co., or its dealers.

This dependable flying service includes:

1. Three landing strips.
2. We will poison on the dates you set. If we poison on Monday and you want the second application on Friday, we will see that it is done on the day you request and for as many applications as your crop requires.
3. W. J. Worsham Flying Service guarantees a coverage on your crop, either spray or dust.
4. We have \$60,000 stock of Mathieson Poisons in our warehouse and can supply any type of dust or spray you prefer. We suggest you consult the County Agent as to the type poison needed for most effective results in your particular case. We can supply whatever kind you need.

"M" SYSTEM STORES

Parents Urged to Get Child's Birth Certificate Now

The State Department of Health has urged all parents of children who will enter public schools for the first time in September to make requests "now" for copies of the children's birth records. Most school systems require a birth certificate to prove the child was six years old on September 1. "Making early requests for birth records will save parents and us time and trouble," said State Registrar W. D. Carroll. Carroll, director of the health department's Division of Vital Statistics, says several hundred parents have already requested and received certified copies of birth records for their children. But tens of thousands of requests from other parents will have to be processed between now and the beginning of the new school term. If too many people delay until August—as they usually do—Carroll and his limited staff will again have to put in hours of night and week-end work without overtime pay. "The overtime work isn't important," Carroll said. "But it is important when a youngster can't

enter school for lack of a birth record." Birth records keepers shudder when they think of the estimated 200,000 kids who will be eligible to enter the first grade this fall. Many of them have copies of birth records and will create no problem. Others live in areas where school officials do not require proof of age before admitting the child to the hallowed halls of learning. But the majority do not have certified proof of age, despite the fact that they live in areas where school officials insist on such proof. This is the category that gives health department statisticians and clerks sleepless nights. Last year the department processed more than 60,000 requests during the months of August, September and October. "This year we're trying to avoid the fall bottleneck," Carroll said. "We're ready to give immediate service to all applications coming in by mid-July." All parents have to do is furnish the child's name and the date and place of birth, the mother's maiden name and the name of the father. That information, plus the statutory fee of fifty cents, will buy anyone a copy of their birth certificate, provided the original certificate is on file.

Plastics Develop New Farming Methods

Farmers and greenhouse owners are learning to use flexible plastic films in a number of new ways to step up operational efficiencies. The current widespread interest in plastic film as an aid in the conservation of farm water, for instance, is dramatized in this experimental installation completed recently under a program sponsored by the College of Agriculture at the University of California. Lengths of film were taped together to form a water-retaining liner for this farm reservoir which is 130 feet long and 100 feet wide. In regions where rainfall provides inadequate moisture for normal plant growth, film-lined irrigation ditches can distribute supplementary water to thirsty crops. The plastic effectively eliminates the water losses caused by seepage. Protection of silage is another promising on-the-farm use. Properly covered with plastic tarpaulins, silage stored outdoors remains in a high state of preservation. Tarps are easily rolled back for interim feeding of livestock. The same material is used in greenhouses as an airtight covering during steam sterilization of seed beds and soil fumigation and, as a watertight liner, the plastic permits double decking of greenhouse benches. The applications look so promising that one supplier of fumigants and agricultural specialties, Larvacide, Inc. of New York, already is offering a line of vinyl plastic tarpaulins and film rolls tailored to the new markets. These heavy duty tarps and rolls have built-in resistance to sunlight, steam and gas fumigants. With proper care, they may be used for several years.

Junior R.A. Camp Scheduled at Lueders Encampment Ground

The Junior Royal Ambassador camp will open at Lueders Baptist Encampment grounds Monday, July 16, and continue through Tuesday morning, it was announced this week. Program theme will be "Publish Glad Tidings." Camp director will be Rev. Roger Butler of Carbon, formerly of Gillespie. Camp pastor will be Rev. Willie Hazel of Rising Star and camp missionary will be Rev. William Webb, missionary to Guatemala. Rev. Harvey Kimbler, pastor of the First Baptist Church of Eastland, will be recreation director. Sammy Scifres of Rule will be song leader and James Fleming of Eastland, pianist. Robert Chapman, state Royal Ambassador secretary, will be a member of the camp staff. Mission studies will be taught by Sammy Scifres, M. A. Pennington of Gorman, Marvin Burgess of Gillespie, H. B. Terry of Tuscola, William Ward of New Hope, Leonard Hartley of Baird, Rev. Herring of Oldon, Rev. Gene McCombs, Lueders, Charles Love of North Park, James Fleming, and Willie Hazel of Rising Star. Little League baseball will be played and other recreation will include swimming, ping pong, shuffleboard, horse shoes and football. M-Sgt. and Mrs. L. B. Dennington visited his parents, Mr. and Mrs. Jess Dennington, last Tuesday. The sergeant is stationed at Breckenridge and travels over nine counties enlisting men. He is in Knox County every Tuesday.

C. H. Keck underwent surgery at the Knox County Hospital Tuesday morning. Mrs. Keck said today he is recovering satisfactorily and expects to be dismissed from the hospital next week.

Mr. and Mrs. E. A. ... leave Monday for a visit to ... in ... They will be accompanied by ... granddaughter, ... Rule.

From where I sit ... by Joe Marsh

"Keep The Change"

I've seen "Mac" Johnson's chances are he's told waitress story. For those who heard: recently stopped at an open diner. He ordered special—and his waitress and new on the job) made a mistake. She considered, spilled the soup, the rolls, brought him a dessert.

INCENTIVE PAYMENT RATES FOR WOOL ANNOUNCED

Wool producers will get an incentive payment equal to 44.9 percent of the net proceeds of the wool they marketed during the 1955 marketing year, says A. B. Wooten, extension economist. The national average price to producers for shorn wool marketed from April 1, 1955 through March 31, 1956 was 42.8 cents a pound, grease basis. To bring this average up to the incentive level of 62 cents a pound for the marketing year, Wooten says 19.2 cents a pound will be added to the national average.

Here is how the amount of incentive payment is figured. Example: If the producer sold 1,000 pounds of wool which netted him 55 cents a pound, his net proceeds would be \$550. \$550 times 44.9 percent is \$246.95, which would be his incentive payment. In the case of lambs and yearlings sold for slaughter, in the wool, and during the 1955 marketing year, payment is figured at the rate of 77 cents per hundredweight of live animals. This rate, according to Wooten, was determined by multiplying the average

weight of wool per hundredweight of animals (5 pounds) by 80 percent of the 19.2 cents (difference between incentive and national average for 1955).

Since the national average price for mohair was above the announced support level, no payment will be made to producers on their 1955 marketings. Local ASC offices, on July 2, began releasing payments to wool producers, the specialist said.

Six Girls Attend Junior G.A. Camp

Six girls from Knox City attended the Junior Girls Auxiliary encampment at Lueders this week. They were Kay Reeves, Janelle Ward, Beatrice Reyes, Earlene Lewis, Cheryl Melvin and Faye Sharp.

They were accompanied by Mrs. H. E. Sharp, sponsor, and Rev. Billy Frazier, pastor of the local Baptist Church, who was camp pastor.

While there the girls participated in a coronation service recognizing their achievements in the Girls Auxiliary.

The camp began Monday at supper and continued through Thursday at noon. Activities included handcraft, mission study courses, preaching services and recreation.

Bill Sams Announces (Continued from Page 1)

primary, his answer was as follows:

"I must first let it be known that I need this office to assist me in the completion of my education. In return for this assistance, and as a Texan, proud of that heritage, I will assist in bringing about legislation that will return our great state from the scandal sheets of the world, to the honorable position that only Texas can justify."

Bill continued, "I am, without shame, admitting that our scandal from 'land grabs', 'insurance and securities frauds' have been approved by the silence of the legislature. By allowing the long tenure of powerful elected officials, our State has gradually had all boards packed with 'disciplined appointees'. We must have elected representatives that will not follow the directions of any, except the voters of his particular district. We must first clean out, then clean up, our great State of Texas. From this District I would work unceasingly to construct and pass legislation, instead of forever approving or disapproving what 'the distant power politicians' write. I would inquire among those affected by legislation as to their opinion, prior to voting. I certainly would never be guilty of reducing taxes to large bus companies and attempting to make up this deficit by a 'Sales Tax' on College Tuition, as the SILENT SINNERS of the past legislature have done."

"As a general picture of my platform, here is what I stand for: 'More EFFICIENCY and ECONOMY, thus eliminating any need for tax increase. 'Old age benefits, in accordance to the cost of living. 'Strict enforcement of Insurance and Security Laws, without monopoly privileges to the few. 'Improvement of Mental Institutions to the degree that the families of those confined will not be disgraced. 'Exposing the NAACP as the 'YANKEE CARPET BAGGERS' that they are, and allowing each school district to handle segregation according to local needs. 'Less C.I.O.-P.A.C. power influence, and DEFINITELY NO FORCED membership in the organizations. 'More and better EDUCATIONAL facilities for all, with increased benefits to the educators. 'A DEFINITE water conservation program for West Texas, and under the control of West Texans. 'REMOVAL OF THE 'SILENT SINNERS' WHO PERMITTED THE TEXAS LAND SCANDAL AND INSURANCE-SECURITY FRAUD."

FAMILY REUNION HELD AT WOOLEY HOME

Visiting in the home of Mrs. J. R. Wooley and Mrs. Mary Evans of Marlin for a family reunion last week end were Mr. and Mrs. Guy Cook and boys of Plainview, Mr. and Mrs. Marshall Wooley and children of Colorado Springs, Wilson Wooley of Ardmore, Okla., Garland Swanner, Mrs. Bill McFerrerin and Mrs. Henry Lewis, all of Knox City, and Mr. and Mrs. L. R. Wooley and Bill of Leonard.

Mr. and Mrs. Otice Green of Lubbock and Paul Green of Crosbyton spent Sunday with their parents, Mr. and Mrs. O. A. Green.

Mr. and Mrs. E. B. Shaver Sr. and Andre Lair spent Sunday in Wichita Falls with their daughters, Mrs. Bob Robertson and family and Mamye Spaunhurst. Danny Robertson returned home with them to spend the week.

Lions Hear Report On "Boys State"

Members of the Knox City Lions Club, at the weekly meeting of the club Wednesday, heard an interesting report from Bill Bolin, who attended the American Legion "Boys State" in Austin June 10-16.

The club joined the local Legion post in sending Bolin and Dwayne McNulty to the affair, which is designed to teach boys the fundamentals of government from the precinct through the state level.

All boys who attended will be seniors in high school this fall, and are expected to pass on to their classmates the things they learned.

Bill reported that the boys followed a rigid schedule with little free time. The 519 boys were divided into cities, districts, counties. They were also divided into two political parties, the Longhorns and the Pioneers. Complete staffs of officials were elected for every level of government, climaxed by nominating conventions held by both parties and the election of a governor and other state officials.

Every morning the boys heard outstanding speakers, including Attorney General John Ben Shepperd, speak on government.

Bill remarked that he had studied government nine months in

Carol Finley and Mary spent Saturday and Sunday in Dallas. While there they met and Mrs. Ben Bowden and Mrs. Carol returned to Munday and Mary attended the annual WFAA from the Midwest, Canada, and Pacific Northwest.

Mr. and Mrs. Billy Wilcox and family of Borger are here with their parents, Mr. and Mrs. Willie Wilcox and Mr. and Mrs. Jess Dennington. They also plan to visit Mr. and Mrs. Clyde Pitts and family and Mr. and Mrs. C. L. Edwards and family in Ft. Worth. Billy is employed by Phillips Petroleum Co. in Borger.

Dr. and Mrs. T. S. Edwards visited their daughter, Mrs. Tommy Hampton, and family in Dallas this week Mrs. Hampton has been ill.
